HOUSE JOURNAL No. 1

Wednesday, December 4, 1996

The House assembled at 1:00 p.m.

On the first Wednesday in December in the year of our Lord, one thousand nine hundred and ninety-six, it being the day designated by the Constitution for assembling, the one hundred and fifty-fifth General Court of the State of New Hampshire convened at the Capitol in the City of Concord. The representatives-elect were called to order by Karen O. Wadsworth, House Clerk for the preceding session.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of love and justice, near to us as the breath which gives us life and yet distant as the farthest star, hear our prayer for these servants of the common good and for the staff members who support them. So organize them around Your divine will that their research and reflections, along with their discussions and decisions, may reflect the highest hopes which You have for the land and people of New Hampshire. Amen.

Rep.-elect Kevin Smith led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps.-elect Guest, Healy and St. Hilaire, the day, illness.

Reps.-elect Cushing and Beverly Gage, the day, important business.

OATH OF OFFICE

The Governor, Stephen R. Merrill, having been informed that a quorum of the House was assembled, appeared, accompanied by the Honorable Councilors Raymond S. Burton, Peter J. Spaulding, Ruth L. Griffin, Earl A. Rinker, III and Bernard Streeter, Jr. The members-elect, having presented their credentials, were duly qualified by the Governor as members of the House of Representatives by taking and subscribing the oath of office agreeable to the provisions of the Constitution of the State of New Hampshire.

The Governor and Executive Councilors retired.

ELECTION OF HOUSE SPEAKER

The Chair declared that nominations for Speaker were in order.

Rep. Buckley moved that all speeches made during the day's session be printed in the Journal. The motion failed.

Rep. Buckley moved that the nominating and seconding speeches of Reps. Lozeau and Kurk, the motion and remarks of Rep. Burling and the remarks of Rep. Sytek be printed in the Journal.

Adopted.

Chair: The Chair recognizes the member from Nashua, Representative Lozeau, for the purpose of making a nomination.

Rep. Lozeau: Thank you Madam Clerk. I rise to place the name of Donna Sytek in nomination for Speaker of the House. Boy, that is a tough act to follow, isn't it? After the Governor says she is terrific, what can the rest of us say? I guess what I would like to tell you about is what most of us already know and that is what it is like to work with Donna, and how fortunate, I believe, we are all going to be. I came to the House 12 years ago and was privy to Donna's advice and lucky to have her as my first chairman. I think that all of us have received advice, in one way or another, from Donna - dogs and fireworks and everything you can think of and then some. But, better than that, what we have been fortunate to receive from Donna is the ability that she has to bring out the best in all of us. When you get advice from Donna it is not somebody talking to you and telling you this is how it is and this is what you should do. It is somebody that is putting you in a position to ask yourself the right questions so that you come up with the answer on your own. All she did was give you the right way to ask the questions. That is something that we are all lucky to have. Also, all of us fresh off the campaign trail know that one of the hardest things is when you are dealing with the media and the state leaders determining what the burning issues of the day are. They point out which ones they are and they ask you for your positions. They are listed in the paper and you don't feel you have the opportunity to say to people that it is more than that. It is not the three or four or five issues that the paper said I am for or I am against. It is about who I am and how I do things. There are a thousand bills and that many times that we are going to be asked to vote up here. The question that we ought to be talking about is character. What is the person like? How do you do things? Do you do your homework? Do you look for both sides of an issue? Do you struggle with what is the right thing to do? Do you bring people to the table of all different walks to learn from them so you can make a good judgment? When it comes to Donna Sytek we are fortunate enough to know that all the answers to those are, Yes. That is how Donna does things. All of us have a chance whether she agrees or disagrees. All of us have a straight shot at giving our opinion and participating in the discussion. That makes us much more fortunate than many of the voters that choose us. Nothing personal, I'm sure. It is with great pleasure and a real honor for me to nominate Donna. Oftentimes, in a position like this, people look to quote great leaders and they look up at the wall and say something profound. I'd like to quote a leader from today. That leader said, "We are trusted with the stewardship of our state for the next two years. We should take pride in our work." That leader is Donna Sytek. I hope you will join me. Thank you.

Chair: The Chair recognizes the member from Weare, Representative Kurk, for the purpose of seconding the nomination.

Rep. Kurk: Thank you Madam Chairman. It is with great pleasure that I rise to second the nomination of Representative Sytek for Speaker of this House. Each member of this House cares deeply about whom we elect Speaker. Why? Why does it matter whom we choose to lead us? Most of the time we are actively engaged in legislating. Talking to our constituents and each other about what needs to be done for New Hampshire and how to go about doing it. We're doing the important thing that we were elected to do. We are shaping the future. The third floor is just not in the forefront of our minds. Yet, we know that the third floor is the key to our success. The Speaker organizes this House so that we can do our business effectively and efficiently. The Speaker energizes this House so that, inspired, we can do the best we are capable of doing. The Speaker represents this House so that our efforts achieve results in the Senate, with the Governor and, of course, with the public. Organizing, energizing, representing, these are the qualities of leadership that our Speaker needs. These are the qualities that describe Donna Sytek. Representative Sytek knows the system. She knows the rules. She knows the process. She knows the players. She shared that rich knowledge with fellow legislators. Her office door has always been open and many of us have taken advantage of the opportunity. Representative Sytek's advice is good because her experience is extensive. In this Legislature, she has been a Representative for 10 terms. She has chaired three major House committees. She served on key task forces and commissions dealing with domestic violence, corrections, juvenile justice and the state's revenue structure. At the state level, she has chaired the Republican State Committee. At the national level, she sat on the Executive Committees of the National Conference of State Legislatures and the Council of State Governments and she has been President of the National Republican Legislators Association. As important as Rep-

representative Sytek's experience, is her ability to build consensus from diversity. On Ways and Means, when I served on that Committee, time and again, she was able to get strong-willed, even stubborn legislators to sing harmoniously from the same song sheet. She demonstrated similar talent in putting together the coalitions necessary to pass truth-in-sentencing and juvenile justice reform. As Speaker, Representative Sytek will lead us in developing a House position and seeing it successfully through the legislative process. She has the talent necessary to make the case. She has a gift for concise, heart-of-the-issue expression, and a delightful sense of humor that has served her well in speaking to groups across the state and, as we all know, on radio and television. She can negotiate and horse trade with the best of them. She is nonconfrontational but she is very, very determined. Most important, Representative Sytek has enormous respect for this House as an institution. Above all else, she is committed to upholding and enhancing its reputation and its honor. Madam Chairman, this House has been led by some excellent Speakers. Representative Sytek will be among the best of them. I hope you will join me in supporting her for Speaker. Thank you.

Chair: Are there any further nominations? There being none the Chair declares the nominations for Speaker closed and recognizes the member from Cornish, Representative Burling, for the purpose of making a motion.

Rep. Burling: Thank you Madam Chair. I move that the Clerk be directed to cast one ballot for the election of Representative Donna Sytek as our next Speaker and that we vote by acclamation in support of that. I get to say a few words about this. I have an acquaintance and constituent who tells a moving story about change and new beginnings. I'd like to share that story with you today. This man was part of the crew of a B-29 that flew over Japan in the last days of the war in 1945. Day after day he flew high over burning cities, dropping tons of explosives on the buildings below. When the cease fire came, our storyteller and his crew wondered where they might be ordered to go next. They thought they might be sent to Tokyo Bay to join the fleet of thousands of aircraft that were to fly over the peace treaty signing ceremony on the USS Missouri. But, on the date set for that ceremony their plane was loaded with tons of food and they were sent not to Tokyo, but in search of a camp in the South of Japan where thousands of prisoners were known to be starving. It took them a long time to find that camp but they finally spotted it. The pilot made a long slow approach over the buildings in the camp and then turned to make another pass. As he did so, as he swung around, the pilot opened the bomb doors. Looking down through the gaping bomb bay, our storyteller saw a sight which stunned him. Instead of burning buildings far below, an image that he had grown to expect, he saw the upturned faces of thousands of human beings, prisoners of war awaiting relief. My constituent says that every time he tells that tale, he will never forget that image. It was the essence of change. It was the beginning of peace. We are in a time of change right now in New Hampshire. All of us here in New Hampshire are witnesses to a remarkable new beginning in the political life of our state. We have a new Governor and she comes to us with a string of firsts following her name. Not only is Jeanne Shaheen the first woman to be our Governor, but she is also the very first Democrat in this century to carry each and every county in this wonderful state as part of her quest. She is the first person to move directly from the legislative office into the corner office since Walter Peterson and what a distinguished bi-partisan career she brings with her. Jeanne Shaheen accomplished in two years, as a member of a tiny minority team, more than most of us can hope to accomplish in all our careers. Governor-elect Shaheen brings with her a gift for every member of this House. That gift is a mandate for bi-partisan achievement in pursuit of the people's business. Every one of us knows that New Hampshire voted for the principle of bi-partisan cooperation when New Hampshire voted for Jeanne Shaheen. Every one of us knows that the people want us to work together in a meaningful way to address the problems of our state. I am pleased to stand here, Madam Chair, and call for the unanimous election of Donna Sytek as Speaker because I know that right now it is the right thing to do. I know, I know that Representative Sytek is committed to a vision of this House as co-equal partner with the Senate and the Governor in the promulgation of public policy. I know because she has said so in so many ways that she loves this institution and all the principles that it stands for. I know she will serve fairly, honoring House process and encouraging public civility in all our efforts. Our new Governor and our new Speaker will work together well. Let this be the beginning of peace and accomplishment for all of us. As our Governor and our new Speaker are both new, so, too, are we in the Democratic Caucus new. We have newly bolstered numbers, bigger than we have been since 1982

and I apologize for those that might take umbrage at that, but it is the truth. We bring to this House 61 new faces. We have a new leadership team. We have a new organization to help make ourselves more effective and productive and we have new enthusiasm, Madam Chair, for working for all the members of this House to make necessary change. We are ready, Madam Chair, to work for the passage of universal kindergarten so that every child in this state can get a fair start in the race for a good education. We are ready, Madam Chair, to work for lower electric rates with environmental protection so that every New Hampshire family can afford to turn on the lights or go looking for a better job without the crippling power costs that we now experience, to work for the passage of a budget that meets the essential needs of our neighbors, our constituents and our state. We Democrats make this pledge as we elect our new Speaker. We will support you whenever possible and we will oppose you whenever necessary. We will behave toward all the members of this House as partners and colleagues ought to behave. We will occasionally disagree, but we will never be disagreeable. We will do everything that we can to ensure that when each day ends nothing will prevent us from waving goodnight to one another and parting as friends. On behalf of our Caucus, I wish everyone good fortune. I wish a very special good fortune and congratulations to Representative Sytek. In conclusion, I ask that you join me now in acclamation for our new Speaker, Representative Donna Sytek.

Chair: The question is on the motion as offered by Rep. Burling and seconded by Rep. Amanda Merrill. Are you ready for the question? All those in favor say Aye. Those opposed, Nay. The Ayes have it. The ballot is cast and the member from Salem, Rep. Donna P. Sytek is the duly-elected Speaker of the 1997-1998 House of Representatives. The Chair requests that Reps. Wheeler and Burling escort Rep. Sytek, Mr. John Sytek and their daughter Mary to the rostrum. Congratulations, Madam Speaker.

(Speaker Sytek in the Chair)

Rep. Sytek: Thank you all so very much for making this moment possible. Thanks to all of you for being here to vote for me today and to Donnalee and to Neal and to Peter for their kind words. I really appreciate it. Thanks to my family for supporting me and encouraging me, especially my husband John who was the first one who dragged me kicking and screaming into politics. He created a monster. Thanks to our daughter, Mary, who, since first grade, has had to endure a steady diet of politics at our kitchen table. And, thanks to the most surprised person in this Hall today, my mother, whose unconditional love allowed me to grow from a painfully shy schoolgirl to the elected leader of the largest legislative body in this country. Thank you, Mom. I only wish that my father had lived to see this day. Since the caucuses last week, I've been overwhelmed with the outpouring of good wishes from all quarters. You can't imagine how wonderful it has been - from Democrats and Republicans I have served with over the years; from family friends I've known since childhood, from legions of people in all branches of state government; from former governors, and from members of the press and from just plain folks here and at home. I'm off to a wonderful start with all that good will and confidence in my ability to lead. Working together, I'm sure that we can make it last until at least June. A lot has been made here of at least one aspect of today's proceedings. Yes, I am the first woman Speaker. But women have been serving with distinction, doing yeoman duty in this House for years. Caroline Gross, whose picture hangs on the wall in this very Hall, established a standard for Majority Leaders and indeed all legislators, to strive to measure up to. Old timers like me will remember the wisdom of Betty Greene, the wit of Sarah Townsend, the energy of Minnie Carswell and the tenacity of Kay Ward. Really old timers will remember my very first Chairman, Martha Frizzell, who demonstrated that you didn't have to be a lawyer to chair the Judiciary Committee. Of course, there were many more. All of these women blazed the trail for today's milestone. I'm just the first one to cross the threshold and to have the title, Speaker of the House. I know all of you share my optimism about the upcoming session. We will face some difficult issues and we may even find ourselves with differing opinions from time to time. But we shouldn't shrink from debate. The open exchange of ideas strengthens us as members and strengthens the legislative process. It also allows the public to know that their elected officials are mindful of all aspects of an issue. We must never forget that we are here to do the public business, the business of all the people of New Hampshire. We must treat them and each other with respect. During the next session, we will continue the open and fair process that was Speaker Burns' hallmark. We'll also strive to improve communications so that every member is

well-informed and can participate fully in the process. I want every member to have a chance to make a contribution, to leave his or her imprint on our legislative product. While each individual member's voice must be heard, it is also critical that the voice of the whole House has resonance. We will be ready, as a House, to assume our rightful place as an equal with the Senate and equal with the Governor in crafting New Hampshire's future. For almost 20 years, it has been my pleasure to participate in the work of this institution. I'm excited and I'm humbled to have the chance to be your presiding officer. I thank you for this wonderful privilege. I pledge to do my very best so that every one of us can say, "I'm proud to be a member of the New Hampshire House of Representatives." Thank you very much.

HOUSE JOURNAL No. 2

Wednesday, January 8, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by Rep. Eric Lindblade.

Eternal God, before whose face the generations rise and pass away, grant to us in our generation to build upon the riches of the past, that we fail not man nor Thee. May our decisions result in wise laws that will stand the test of time. May those who will lead us in the months to come - our Speaker, Donna Sytek and her staff, the Minority Leader, Peter Burling and his associates, be blessed with clarity of vision, that they may chart a course for the bettering of our state and its people. Our opportunities will be many; make us bold to take them. Amen.

Rep. Channing Brown led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Barry, Patricia Cote, Henry Coulombe, Yvonne Coulombe, Flint, Hart, Lockwood, Lundborn and Marsha Pelletier, the day, important business.

RECESS

(Speaker Sytek in the Chair)

REMARKS

Speaker Sytek addressed the House.

Rep. Burling moved that the remarks made by Speaker Sytek be printed in the Journal.

Adopted.

Speaker Sytek: Now that we have the Joint Convention out of the way, I'd like to welcome you to the convening session of the 1997 - 1998 New Hampshire House of Representatives. As your Speaker, it is my job to help you make the most of your public service as a member of this House. I approach this task with great enthusiasm. I'm sure you have noticed some changes over the past few weeks. We've got new committee assignments, new committee chairmen and a new leadership team on both sides of the aisle. We've moved offices, seats and, yes, parking spaces. The dust is starting to settle now and it's time to get down to business. This is an exciting time to be part of our New Hampshire House. Our part of the decision-making process will be especially important during the next two years. Among other things, the House is the peoples' insurance policy against a government that wants to go too far or do too much. We have good judgment and common sense and we will need both in the months to come. Our priorities for the House are in many ways dictated by our responsibility to separate what would be nice to do from what we should and can afford to do. It's no secret that there is a pent-up demand in state government for new spending and some think that the time might be right for high-priced new programs. It is no fun to be constrained on what we will support by what we can afford, but that is the right thing to do. So be prepared to resist ideas that may sound wonderful but come with a big price tag and no money. This doesn't mean we won't consider new initiatives. The people who elected us want us to spend our time being honest and thoughtful and fair to every individual group and idea. We'll address a wide variety of policy issues, too, some old and some new. We should use our instincts as our guide in reviewing these issues. No matter what the idea is and where it comes from, we should always ask ourselves these questions: Would this be a good thing for New Hampshire? Should government do it? Is it the best way to do it? Can we afford it? I believe a Speaker should be a help to every House member in giving them the opportunity to play a meaningful role in the governing process and to get the support they need to succeed in doing good work to let the people back home know about it and we are already working to meet that goal. First, we will be establishing a new position to help you serve your district better. Our very capable staffer, Carol Dunning, who was formerly with the majority office, is now the Director of House Member Services. So, when you get those phone calls from folks with a question or a concern or even a gripe about state government or you don't know where to go for information, you don't know exactly what to do or say, contact Carol and she will help steer you in the right direction. Her office will be on the third floor in the State House. Also, under the heading of House Member Services I want to introduce our new House Information Officer, Susan Wood. Susan is new to state government but she is an experienced reporter from the Sea Coast. She knows about our commitment to serve our members and the public and she is going to help us get our message out to the voters making us more accountable to the people who sent us here to represent them. The leadership team and I will keep our pledge to communicate openly and frequently with members too. To encourage the interaction and communication, we've moved the Finance Committee to offices in the Legislative Office Building. For the first time all House committees will be meeting under the same roof. The better we work together the more good work we can do and starting next week, I am going to maintain a small branch office of the Speaker's office over in the LOB. I'll be in room 300A in order to be even more accessible to you, the members. In the weeks to come, we are going to be tackling hundreds of bills on every issue under the sun. It is my hope that we can agree to commit ourselves to keep this a House whose hallmarks are respect and civility. A House which makes responsible decisions and is accountable for them and which places the needs of the average citizen above any special interest. The House is the most tangible link between the people and their government. That is why we are called their representatives. We must remember that this isn't our House. It is the peoples' House. More often than not, our jobs won't be the fancy speeches. It will be the important but sometimes tedious detail work, the heavy lifting, but we are ready. The House has done that for generations. So let's get to work.

SENATE MESSAGE

Lois Smelzer has resigned as the Assistant Senate Clerk. The new Assistant Clerk is Tammy Wright.

AMENDMENT TO HOUSE RULES

Rep. Wheeler moved that the House Rules be amended as offered by the Rules Committee.

Amendment (0025h)

DUTIES OF THE SPEAKER

1. The Speaker shall take the chair at precisely the hour to which the House has adjourned [~~He~~, *and* shall immediately call the members to order [~~and they~~]. *Members* shall take their seats [~~The members~~] *and* shall activate their voting stations [~~as soon as they take their seats;~~] *immediately*. When they leave their seats for any reason they shall deactivate their stations.
2. The Speaker shall preserve decorum and order, [~~and~~] may speak on points of order in preference to other members, and shall decide questions of order, subject to an appeal to the House by any [~~two members~~] *member*. The appeal shall be decided by a majority vote of those members present and voting.
3. The Speaker shall appoint all committees unless otherwise directed by the House, subject to the provisions of Rule [27] 28.
4. The Speaker shall refer [~~to the appropriate committees~~] all bills, resolutions, memorials, petitions, accounts, and other matters coming before the House *to the appropriate committees*, unless otherwise ordered by the House. Upon recommendation of the Committee on Rules, the Speaker may refer the same jointly to two committees or to a special committee.
5. The Speaker shall not be called on to vote unless [~~his~~] *the* vote would be decisive. If the vote is tied after the Speaker has voted, the question shall be lost as provided in Rule [22] 23.
6. The Speaker shall sign all bills, resolutions, and addresses after passage. All warrants, subpoenas and other processes issued by order of the House shall be signed by the Speaker and attested to by the Clerk.
7. The Speaker or chairman of the committee of the whole House shall have the power to order the gallery cleared in cases of any disturbance or disorderly conduct.
8. (a) ~~The following persons shall be admitted within the door of the Representatives' chamber while the House is in session: House members and officers, the Governor, Council members, Senate members, the Secretary of State, the Treasurer, and the Senate Clerks.~~
(b) ~~No other person shall be admitted within the door of the Representatives' chamber except with the permission of the Chair.~~
(c) ~~No lobbyist, department head or other non-member who is closely connected with legislation pending before the House shall be permitted on the floor of the House or in the House Sergeant-at-Arms area while the House is in session.]~~
The Speaker shall sign all bills after enrollment in both bodies.
9. The Speaker shall have power to substitute any member to perform the duties of the Chair. If [~~the Speaker is~~] absent, [~~he~~] *the Speaker* shall designate a member to perform the duties of the Chair unless otherwise ordered by the House.

DECORUM AND DEBATE

10. In all cases not provided for by the Constitution, House Rules or Joint Rules, "Mason's Manual of Legislative Procedure," 1989 Edition, shall be referred to as the [~~primary~~] *parliamentary* guide.
11. When any member is about to speak in debate, make a motion, or deliver any matter to the House, [~~he~~] *the member* shall rise from his *or her* seat and respectfully address the Speaker, declaring the purpose for which [~~he~~] *the member* rises to speak.
12. In all cases the member rising first shall speak first. When two or more members rise at the same time, the Speaker shall name the person to speak. When many members choose to speak, they may file their names with the Clerk, who shall supply the list to the Speaker. The Speaker shall name the order in which the members shall speak.
13. No member shall speak more than twice on the same question without [~~leave of~~] *permission from* the House. No member shall speak more than once until every member choosing to speak has spoken.

14. While the Speaker is putting a question or addressing the House, no one shall walk out of or across the House. While a member is speaking, no one shall pass between ~~[him]~~ *that member* and the *other* members of the House, nor shall anyone ~~[entertain]~~ *engage in* private conversation.

15. If any member transgresses the rules of the House, the Speaker shall, or any member may, call ~~[him]~~ *the member* to order. The member called to order shall immediately sit down and the question of order shall be distinctly stated from the Chair. The decision of the Speaker on the question of order shall be conclusive unless the decision is immediately appealed to the House. The House shall decide the appeal by a majority vote of those members present and voting.

16. In all instances, every member shall act in conformance with the duly adopted New Hampshire General Court Ethics Guidelines ~~[and Procedures]~~ and opinions of the Legislative Ethics Committee.

17. (a) *The following persons shall be admitted within the door of the Representatives' chamber while the House is in session: House members and officers, the Governor, Council members, Senate members, the Secretary of State, the Treasurer, and the Senate Clerks.*

(b) *No other person shall be admitted within the door of the Representatives' chamber or anteroom while the House is in session, except with the permission of the Chair.*

~~[+7]~~18. Before any petition is received and read, the substance of the petition shall be in concise form, and the name of the member or person presenting it and ~~[his]~~ *the member's* district shall be recorded on the petition. The Speaker shall state the substance of the petition.

~~[+8]~~19. After a motion is stated by the Speaker, it shall be in possession of the House, but may be withdrawn at any time before an amendment.

~~[+9]~~20. (a) When any question is under debate, ~~[no motion shall be received, but first]~~ *precedence of motions shall be as follows:*

(1) to adjourn; ~~[second:]~~

(2) to lay on the table; ~~[third:]~~

(3) for the previous question; ~~[fourth:]~~

(4) to postpone to a certain day; ~~[fifth:]~~

(5) to commit; ~~[sixth:]~~

(6) to amend; ~~[seventh:]~~

(7) to postpone indefinitely. ~~[These motions shall have precedence in order in which they are listed.]~~

Motions to adjourn, to lay on the table, for the previous question, and to take from the table shall be decided without debate. A motion to postpone to a certain day shall be debatable both as to time and subject matter.

(b) No vote on a motion to lay on the table a Constitutional Amendment Concurrent Resolution shall pass unless approved by an affirmative vote of three-fifths of the entire House membership.

~~[(b)]~~(c) When a question is postponed indefinitely, it shall not be acted on during the same session, unless two-thirds of those members present and voting vote in favor thereof.

~~[(c)]~~(d) On a motion to amend, the refusal by the maker of the amendment to strike out words shall neither preclude amendment to such words nor a motion to strike out and insert.

~~[(d)]~~(e) A motion for commitment shall preclude all amendments to the main question until it is decided; and all motions and reports may be committed at the pleasure of the House.

~~[(e)]~~(f) No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

~~[20]~~21.(a) The Speaker shall put the previous question in the following form: "Shall ~~[the main question now be put]~~ *debate now be limited?*" and all debate on the main question shall be suspended until the previous question has been decided. After the adoption of the previous question, the sense of the House shall forthwith be taken on pending amendments, in their regular order, and then on the main question. The motion for the previous question shall not be put unless demanded by three members.

(b) All incidental questions of order arising after a motion of the previous question and related to the subjects affected by the order of the previous question shall be decided without debate.

(c) If the previous question is decided in the negative, it shall not again be in order for the particular question under consideration until after adjournment, but the main question shall be left before the House and disposed of as though the previous question had not been put.

~~[2+]~~22.(a) There shall be three forms of putting the question: voice vote, division vote, roll call vote. No member shall vote in any case when the member was not present when the question was put.

(b) The question put by voice vote shall be: "All those in favor of the question say 'aye,'" and after the affirmative vote is expressed, "Those of a contrary opinion say 'no.'"

(c) A division vote shall be taken if the Speaker doubts the voice vote or if a member calls for a division vote. When a division of the House is taken, the Speaker may appoint a teller for each seating division of the House, who shall report to the Chair the state of the vote.

(d) A roll call shall be taken when a member moves for a roll call vote and that motion is seconded by ten other members. The member requesting the roll call vote and the ten members who second the motion shall notify the speaker in writing or shall rise from their seats or otherwise be recognized by the Speaker.

(e) When a division or a roll call is taken, the Speaker shall put the question and open the voting stations for not more than 30 seconds. Each member present at his *or her* voting station shall press either the YES/Green or NO/Red button unless excused by the House for a special reason. ~~[When the Speaker closes]~~ *After closing* the vote, ~~[he]~~ *the Speaker* shall rise and state the decision of the House.

(f) Any member may call for a division of the question when the sense will admit it.

~~[22]~~23. In case of a tie vote, the question shall be lost.

~~[23]~~24. No member shall leave his *or her* seat while the voting machine is in use and until the Speaker announces the result of the vote.

~~[24]~~25.(a) No vote shall be reconsidered unless the motion for reconsideration is made by a member who voted with the prevailing side while the bill or resolution is in the possession of the House. Reconsideration of any bills subject to a transfer date established by joint rules must be acted upon on or before the joint rule deadline, and thereafter shall be null and void.

(b) Notice of a motion for reconsideration shall be in order only until noon on the next business day after the date that the vote was taken.

(c) Any such notice of reconsideration shall be effective for two legislative days only and thereafter shall be null and void.

(d) The day when notice is served shall be counted as the first legislative day, even if notice occurs while the House is in recess or adjournment.

(e) When notice of reconsideration is received by the House, the Clerk of the House shall hold the bill or resolution relative to which such notice has been served until the expiration of the time within which such notice is effective.

~~[25]~~26. When the reading of a paper or a document is objected to by a member, the question shall be determined by a vote of the House without debate.

~~[26]~~27. ~~[Each member]~~ *All members* shall seasonably and punctually attend to ~~[his duty]~~ *their duties* in the House or committee, and no one shall be absent from the service of the House or committee unless ~~[he]~~ *the member* has leave, or is sick and unable to attend.

COMMITTEES AND THEIR DUTIES

~~[27]~~28. The membership on all standing committees of the House shall be divided between the two major political parties in the same proportion that the House membership of the majority party bears to the House membership of the minority party. No member shall serve on more than two standing policy committees; membership on the Rules Committee shall not be included for purposes of this calculation. The appointments to committees for the majority party shall be made by the Speaker and appointments to committees for the minority party shall be made by the Speaker with the advice of the duly appointed minority party ~~[floor]~~ leader. Notwithstanding the provisions of this rule, the Speaker and the minority party ~~[floor]~~ leader may agree on a different proportion for the membership of any particular committee.

~~[28]~~29. Participation on a committee by any member shall be in accordance with the New Hampshire General Court Ethics Guidelines ~~[and Procedures authorizing the member to be replaced or substituted by the Speaker if they determine a conflict]~~. If a member chooses not to participate in a committee under the New Hampshire General Court Ethics Guidelines ~~[and Procedures]~~, the Speaker may substitute another member ~~[in his place]~~.

~~[29]~~30. The following standing policy committees shall be appointed at the commencement of any session and will consist of not more than 22 members, except the Committee on Finance will consist of not more than 29 members: Commerce; Criminal Justice and Public Safety; Education; Election Law; Environment and Agriculture; Executive Departments and Administration; Finance;

Health, Human Services and Elderly Affairs; Judiciary and Family Law; Labor, Industrial and Rehabilitative Services; Legislative Administration; Local and Regulated Revenues; Municipal and County Government; Public Works and Highways; Resources, Recreation and Development; Rules; Science, Technology and Energy; State-Federal Relations and Veterans Affairs; Transportation; and Wildlife and Marine Resources. ~~[The Speaker shall be a member of the Committee on Rules.]~~

(a) It shall be the duty of the Committee on Commerce to consider all matters pertaining to commerce, banks and banking institutions; insurance companies and contracts or insurance of any character; the needs of the business community; all matters relating to consumer affairs and the economic conditions of commerce and industry; all matters relating to the economic development of the state, and such other matters as may be referred to it.

(b) It shall be the duty of the Committee on Criminal Justice and Public Safety to consider all matters relating to criminal justice, the Department of Corrections, sentencing, drug enforcement, bail, probation, parole, corrections facilities, DWI, domestic violence, juvenile delinquency, firearms, fireworks, police and fire training, and such other matters as may be referred to it.

(c) It shall be the duty of the Committee on Education to consider subjects relating to the regulation of school districts and schools; the postsecondary college system; the University System of New Hampshire; matters concerning education; and such other matters as may be referred to it.

(d) It shall be the duty of the Committee on Election Law to consider all matters relating to the election laws of the state, including campaign finance, the Ballot Law Commission, and redistricting, and such other matters as may be referred to it.

(e) It shall be the duty of the Committee on Environment and Agriculture to consider all matters concerning agricultural and farm problems of the state, physical land use including current use, the various agricultural organizations, the protection of the state's environment from forms of pollution other than air or water pollution, waste management issues, and such other matters as may be referred to it.

(f) It shall be the duty of the Committee on Executive Departments and Administration to consider matters pertaining to the general administration of state laws and changes therein; matters of policy pertaining to the executive departments; matters relating to the New Hampshire Retirement System; professional licensing; and such other matters as may be referred to it.

(g) It shall be the duty of the Committee on Finance to examine and consider the state of the treasury; to consider the budget, subjects concerning the financial interest of the state, all measures carrying appropriations of state money, except claims against the state; all bills and resolutions relating to raising money by a state tax and the apportionment of same and all other methods for raising revenue for the state, and such other matters as may be referred to it. Prior to the report of the Finance Committee to the House, the Speaker may refer the budget of certain self-sustaining state agencies to appropriate committees for study and recommendation. The Committee on Finance shall report to the house in the form of a resolution its estimates of state revenues on a periodic basis.

(h) It shall be the duty of the Committee on Health, Human Services and Elderly Affairs to consider all matters concerning the health of the inhabitants of the state; vital statistics; medical and related professions; the administration of welfare activities by the state government; matters relating to the special needs of our elderly citizens and such other matters as may be referred to it.

(i) It shall be the duty of the Committee on Judiciary and Family Law to consider all matters relating to the judicial system, right-to-know law, divorce, custody and child support, guardianships, life and death (such as abortion or assisted death), landlord/tenant rights, civil proceedings, tort law, forfeiture, victims' assistance, immunity, probate; children and youth and their rights, obligations and protection; and such other matters as may be referred to it.

(j) It shall be the duty of the Committee on Labor, Industrial and Rehabilitative Services to consider all matters relating to labor, wages, and workers' compensation including unemployment compensation and incentive programs, collective bargaining and binding arbitration; matters relating to job retraining and employee rehabilitative services and other matters relating to balancing the rights of employees to the needs of the industrial sector; and such other matters as may be referred to it.

(k) It shall be the duty of the Committee on Legislative Administration to consider all matters pertaining to the legislative process including mileage, elections, the journal, house resolutions and

screening; enrolling bills; and such other matters relating to legislative administration as may be referred to the committee. Any matter referred by the chairman to any subcommittee may be reported by that subcommittee directly to the House unless otherwise ordered by the chairman.

(1) It shall be the duty of the Subcommittee on Elections to examine and report on the credentials of the members elected to serve in the House and to consider all petitions and other matters in relation to such elections or returns as shall be presented or come into question and may be referred to it.

~~[(2) It shall be the duty of the Subcommittee on the Journal from day to day and before the commencement of the early session to examine the Journal of the preceding day and report to the House at once any errors.]~~

~~[(3)](2) It shall be the duty of the Subcommittee on Mileage [and Roll Call] to determine the distance traveled by each member of the House and report to the House the names of the several members and the mileage allowed to each; and to make recommendations as to the use of the voting machine].~~

~~[(4) It shall be the duty of the Subcommittee on House Resolutions and Screening to examine all House congratulatory and commemorative resolutions and proposed non-legislative activities for the purpose of determining whether or not they are of sufficient importance or interest to warrant being brought before the House. No such resolutions or activities shall be brought before the House unless they are approved by the subcommittee. Any such resolutions or activities brought before the House with the approval of the subcommittee shall be scheduled so as not to interfere with the official business of the House. The term "non-legislative activities" shall include the introduction of House guests, seat-pocket insertions and journal announcements. The subcommittee shall also examine proposed legislation filed with the Office of Legislative Services to prevent, where possible, the duplication of bills or resolutions of a similar nature or content.]~~

~~[(5)](3) It shall be the duty of the Subcommittee on Enrolled Bills to carefully examine each bill, enroll it, and report it, on behalf of the committee, to the body. If the examination of a bill shall disclose any clerical error or formal imperfection, it shall be reported back to the body with such amendments as are required to correct the same; and any measures so reported shall be subjected to amendment in those particulars and in no other respect. [After enrollment in both bodies, all bills shall be signed by the President of the Senate and the Speaker of the House of Representatives:]~~

(l) It shall be the duty of the Committee on Local and Regulated Revenues to consider all matters relating to local revenue, including fees, property taxes and exemptions; the State Liquor Commission and the liquor laws of the state; the State Sweepstakes Commission and the sweepstakes laws of the state; the New Hampshire Pari-Mutuel Commission; and such other matters as may be referred to it.

(m) It shall be the duty of the Committee on Municipal and County Government to consider all matters pertaining to the salaries of town, city and county officers; changes in municipal and county government; the boundary lines of towns, cities and counties; the creation of new towns, cities and counties; and such other matters as may be referred to it.

(n) It shall be the duty of the Committee on Public Works and Highways to consider all matters pertaining to public highways, buildings and capital construction; the capital budget; matters pertaining to the protection, improvement and preservation of the coastline; the care of state memorials and monuments; and such other matters as may be referred to it.

(o) It shall be the duty of the Committee on Resources, Recreation and Development to consider all matters relating to natural resources, water pollution and control; parks and recreational areas; recreational industries; matters concerning state controls on property development; and such other matters as may be referred to it.

~~(p) It shall be the duty of the Committee on Rules to consider all matters pertaining to House [procedure] procedural rules; [-to operate the House calendar and assist the Speaker in expediting the business of the session] and deadlines; and to recommend rules of proper debate.~~

(q) It shall be the duty of the Committee on Science, Technology and Energy to consider all matters pertaining to energy, telecommunications, air pollution, the jurisdiction of the Public Utilities Commission, the application of technological advances to the legislative process and the operation of state government, to coordinate the flow of information about technical and scientific matters to state and federal agencies and legislative committees, to monitor legislation referred to other committees in order to make suggestions for inclusion of technological improvements where warranted, and such other matters as may be referred to it.

(r) It shall be the duty of the Committee on State-Federal Relations and Veterans Affairs to consider all matters pertaining to the National Guard and other military or veterans' organizations within the state, emergency management, potential actions by the U.S. Congress which will have a major impact on the state and the New England region, and all proposed resolutions petitioning the Congress on any matter; to maintain communication with the congressional delegation; to serve as a liaison between the New Hampshire House and the United States Congress and such other matters as may be referred to it.

(s) It shall be the duty of the Committee on Transportation to consider all matters pertaining to development, operation, regulation and control of all means of air, land and water transportation; and such other matters as may be referred to it.

(t) It shall be the duty of the Committee on Wildlife and Marine Resources to consider all matters concerning conservation, improvement and preservation of fish, game and non-game species and marine resources within the state; and such other matters as may be referred to it.

[30]31. The committees shall promptly consider and report on all matters referred to them. The standing committees, or any special committees, shall meet during the session in the respective committee rooms at such times as the committee may determine, unless the House shall otherwise order. No committee shall meet while the House is in session unless the Speaker shall consider it necessary. The Speaker may authorize any committee having a heavy workload to meet as needed on non-legislative days.

[31]32. The first-named member of any committee appointed by the Speaker shall be chairman; and in case of [his] *the chairman's* absence or being excused by the House, the next-named member shall be chairman, and so on, as often as the case may happen, unless otherwise ordered by the Speaker.

[32]33. When any committee shall report in a manner other than by bill, it shall, if the subject permits, submit with its report resolutions calling for such action as the committee shall recommend.

[33]34. Whenever it is not convenient for any standing committee to attend properly to all the business which has been referred to it, the Speaker may, on a vote of the House to that effect, appoint an additional committee on the same subject, to consist of the same number of members as the original committee. The new committee's duty shall be to take into consideration all matters in relation to the subject which has been referred to it by the House, and to report thereon.

BILLS

[34]35.(a) Rule [65]64 shall set the first day to file requests for drafting of bills with the Office of Legislative Services, including all supplementary or necessary drafting information, for introduction in the first-year or second-year session. The Office of Legislative Services shall identify LSRs in language which makes clear the intent of the bill. LSRs, with the name(s) of the sponsor(s), shall be published by the Office of Legislative Services. The Speaker of the House shall adjudicate any disagreement concerning the publication of LSRs that may arise between bill sponsors and the Office of Legislative Services.

(b) The Office of Legislative Services shall not accept a request to draft any bill which is the same, or essentially the same, as any other drafting request already accepted in the same session. If duplicate or similar legislation is requested, the Director of Legislative Services shall notify the sponsors of each filing request and mediate an agreement for the filing of a single bill. Filing requests resulting from legislative committee work shall take precedence over all other duplicate or similar filings. The name of the House member whose LSR request is denied due to duplication may be substituted on request for that of the original sponsor if the original sponsor withdraws the drafting request prior to the sign-off deadline.

(c) Notwithstanding (a) and (b), any member may have legislation drafted and introduced upon receiving approval of a majority vote of the House Rules Committee or by a two-thirds vote of those House members present and voting.

(d) First-year session:

(1) In the first-year session, there shall be no limitation on the subject matter of legislation introduced.

(2) As soon as possible after the end of the first-year session, the Clerk shall publish in the House Calendar those bills voted inexpedient to legislate, indefinitely postponed or re-referred in

the first-year session, and those bills which created study committees with November 1 reporting deadlines. The listings shall be in numerical order by bill number/title, and in ~~[subject]~~ **committee** order by bill number/title.

(e) Second-year session:

(1) No bill or resolution shall be introduced if it is substantially similar to any legislation which was indefinitely postponed or voted inexpedient to legislate by the House in the first-year session, unless it has been approved by a majority of the House Rules Committee or a two-thirds vote of those House members present and voting, whether as a bill, an amendment, a committee of conference report or in any other manner.

(2) A request shall not be accepted to draft any bill which is the same, or essentially the same, as any bill voted inexpedient to legislate, indefinitely postponed, re-referred, or made the subject of a statutory study committee in the first-year session unless approved for drafting and introduction by a majority vote of the House Rules Committee or a two-thirds vote of those House members present and voting.

[35]36.(a) All petitions, memorials, and other papers addressed to the House and all bills and resolutions to be introduced in the House, ***except those house resolutions not taking a policy position which are prepared by the Clerk of the House,*** shall be delivered or caused to be delivered to the Office of Legislative Services by the ~~[person]~~ **member** presenting them. The Office of Legislative Services shall prepare those bills, resolutions, petitions, memorials and other papers in proper form and shall present them to the member(s) for signature. Legislative Services shall give precedence in drafting legislation to any measure which carries a fiscal note and all such legislation shall be prepared for signature by the sponsor by the date specified in Rule [65]64.

(b) (1) All bills, resolutions, ~~[bills of intent]~~ petitions, memorials and other papers addressed to the House, shall be endorsed with the name and the district of the legislator presenting them. All legislation shall be numbered serially according to type of legislation introduced.

(2) Each bill shall be marked on the first page "House Bill"; ~~[each bill of intent shall be marked "House Bill of Intent"]~~; each joint resolution shall be marked "House Joint Resolution"; other concurrent resolutions shall be marked "House Concurrent Resolution"; and each house resolution shall be marked "House Resolution."

(c) When a bill is proposed by any state agency, the name of the agency proposing it shall appear in the bill analysis.

(d) No LSR number shall be assigned and no House bill shall be drafted unless the LSR or bill has a House sponsor. No more than five House members shall be allowed to sponsor any bill. No more than 5 Senate members shall be allowed to co-sponsor legislation originating in the House. If more than five House members wish to be sponsors, the person who first requested the drafting of the bill, house resolution, concurrent resolution, joint resolution, **or** constitutional amendment-concurrent resolution ~~[or bill of intent]~~ shall determine the names of the four co-sponsors whose signatures are required for introduction. Other House members may be added as co-sponsors by notifying the Clerk prior to the date of the first public hearing on the proposal, and their names shall be recorded in the permanent journal of that session.

(e) If a drafting request for a bill or resolution, filed with the Office of Legislative Services, requires a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the Legislative Budget Assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal.

(f) For the purposes of these rules, money bills are those that either appropriate money or affect state revenues, whether new or existing.

[36.(a) Any member may submit a bill of intent which shall be a document written in plain language setting forth a problem of concern but not necessarily proposing a change in existing statutes. For the purpose of introduction, printing, and committee referral, a bill of intent shall be treated the same as a bill.

(b) Any committee receiving a bill of intent is required to report its action to the House. If legislation is recommended, the bill of intent shall be subject to the same rules and deadlines established for bills. In any case, the committee shall meet with the sponsor of a bill of intent and may, by majority vote, choose to hold a public hearing. Bills of intent referred to interim study shall be reported by the same date and in the same manner as other bills.]

37. Every request by a member of the House for drafting a bill, house resolution taking a policy position, concurrent resolution, constitutional amendment-concurrent resolution, or joint resolu-

tion other than the general budget or the capital budget bill, shall be accepted by the Office of Legislative Services for processing no later than the date specified by Rule ~~[65]64~~. Each request shall be accompanied by the complete information necessary for drafting.

~~[(a) This deadline shall not apply to bills of intent which may be accepted by the Office of Legislative Services until the date specified as the first crossover date by Rule 65.~~

~~(b)~~ This deadline shall not apply to house resolutions which do not propose policy positions. Such resolutions may be accepted for drafting by the Office of Legislative Services at any time. 38.(a) The sign-off deadlines set by Rule ~~[65]64~~ shall supersede the time limits set forth in this Rule.

(b) The sponsor of any legislation shall sign it for introduction within 10 calendar days after the draft legislation is mailed to the sponsor for approval, whether or not the fiscal note has been prepared. If the 10th day falls on a Saturday, Sunday, or holiday, the 10-day period shall expire on the subsequent working day. The sponsor's name shall be published at least once on the "signatures needed" list in the House Calendar within the sign-off period. If the sponsor requests a redraft within the sign-off period, the sponsor shall sign the legislation for introduction within 10 calendar days after the redraft has been mailed to the sponsor. No more than one redraft per LSR may be requested during the last 10 days prior to the sign off-deadline. The sign-off deadline in section (a) shall supersede the time limits set forth in this section.

(c) If the primary sponsor signs the legislation in time for introduction, but one or more co-sponsors fails to sign, the legislation shall be introduced in the names of those sponsors who have signed. If the primary sponsor fails to sign the legislation in time for introduction, a co-sponsor may become the primary sponsor. If the primary sponsor fails to sign, and no co-sponsor wishes to become the primary sponsor, the legislation may not be introduced without suspension of this rule.

39. All joint resolutions shall be treated in the same manner as bills.

40.(a) All House Bills, House Joint Resolutions, House Concurrent Resolutions and House Resolutions proposing that the House take a policy position may be introduced at any time prior to any deadline established by the House for their introduction.

~~[(b) Bills of Intent may be introduced into the House at any time prior to any deadline established by Joint Rules for the transfer of bills out of the first body].~~

~~[(c)](b) Exceptions:~~

(1) Notwithstanding any other provisions of the Rules, a House Bill, House Joint Resolution, ~~[House Bill of Intent]~~ or House Concurrent Resolution may be accepted by the Office of Legislative Services for drafting and introduced into the House at any time prior to the ~~[deadline established by Joint Rules for the transfer of bills out of the first body]~~ crossover date specified in Rule 64, if approved by either a majority of the Committee on Rules, or a two-thirds vote on the floor; and

(2) House Resolutions proposing that the House take a policy position may be accepted for drafting and introduced into the House at any time after the deadline for introduction of bills and resolutions if approved by either a majority of the Committee on Rules, or a two-thirds vote on the floor.

41. Every bill, resolution, joint resolution, and concurrent resolution proposing that the House take a policy position shall have three separate readings in the House prior to its passage. The first and second readings and referral to committee shall be by title only which may be accomplished by a conglomerate motion, after which the bill shall be referred by the Speaker to the appropriate committee and shall be printed as provided in Rule 42, unless otherwise ordered by the House. No bill or resolution after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills, resolutions, and joint resolutions shall be in the late session unless otherwise ordered by the House. The orders of the day for the reading of bills shall hold for every succeeding day until disposed.

42. After each bill has been numbered and referred by the Speaker to the appropriate committee, the Clerk shall provide a copy to the committee chairman and procure a sufficient number of copies for distribution.

43. (a) A hearing shall be held on each bill referred to a committee.

(b) Notice of committee action shall be posted as follows:

(1) Public hearings shall be advertised in the House Calendar no less than four days prior to a hearing.

(2) Executive sessions shall be advertised in the House Calendar no less than two days prior to committee action or announced on the floor of the House by the Chairman of the appropriate committee.

(3) All other committee or subcommittee meetings at which decisions are made or information is received shall be advertised in the House Calendar or, if scheduled after the calendar deadline, shall be posted in the Clerk's Office and outside the committee room at least 24 hours prior to the meeting.

(c) When requested by the President of the Senate, the Speaker may authorize and direct the appropriate House committee or committees to sit with the appropriate Senate committee or committees at a public hearing of any Senate bill, and no further public hearing on such bill shall be required when such bill is received subsequently in the House from the Senate.

44.(a) All bills in the possession of committees shall be reported out by the date specified in Rule ~~[65]~~**64** with one of the following recommendations: Ought to Pass, Ought to Pass with Amendment, Re-refer to Committee, Inexpedient to Legislate, Refer for Interim Study, or Recommended but to be Laid Upon the Table Because of Funding. Re-refer to Committee shall be a committee report only in the first-year session; Refer for Interim Study shall be a committee report only in the second-year session. The Committee, as its Interim Study final report, shall submit ~~[one of the following: 1) Recommended for Future Legislation; 2) Recommended, with Amendment, for Future Legislation; 3) Not Recommended for Future Legislation]~~ *its findings and any recommendations.*

(b) All committee reports on bills shall be printed in the House Calendar on the day that the committee report is listed for floor action, and at least once previously. If a bill is reported favorably with an amendment, the committee report shall ~~[state the amendment and then recite the section of]~~ *describe* the bill ~~[in full]~~ as amended. The amendment shall be printed in the House Calendar at least once prior to the date listed for floor action.

(c) If a bill is reported Re-refer to Committee, it shall read Re-refer to Committee for action in the second-year session. The report on a re-referred bill shall contain ~~[a separate and adequate]~~ *an* explanation of the issue(s) which require(s) review. Bills which have been re-referred to the Finance Committee may be referred by the Speaker to the original committee to which it was assigned when the House adjourned from the first session. All bills re-referred in the first-year session shall be acted on by the third legislative day of the second-year session.

(d) (1) No committee shall report with a positive recommendation any bill or resolution which would, if enacted, be a ~~[clear]~~ violation of Part I, Article 28-a of the N.H. Constitution.

(2) The vice chairman or another member of each committee shall review all pending legislation and shall advise the chairman and the members of all legislation before the committee which should be reviewed in terms of Rule **44** (d)(1) above.

45.(a) No amendment shall be made until the second reading of a bill. All amendments to bills shall be prepared by the Office of Legislative Services, with the name of the member and the district ~~[he represents]~~ *represented by the member or the name of the policy committee proposing the amendment.*

(b) No amendment shall be added to any bill, resolution, joint resolution or concurrent resolution which is not germane to ~~[its]~~ *the subject matter of the legislative document as referred to the Committee, unless the amendment has been the subject of a duly noticed public hearing advertised in the House Calendar or, if scheduled after the calendar deadline, posted in the Clerk's Office and outside the committee room at least 24 hours prior to the meeting. Copies of the amendment shall be available at the Sergeant-at-Arms office at least 24 hours prior to the scheduled hearing.*

(c) When a bill comes before the House, the body shall first consider the printed majority report of the committee. The Speaker shall not permit a motion to substitute any permitted alternative report for the Committee Report until the House has properly disposed of the majority report.

46.(a) All bills and joint resolutions appropriating state money, which have been reported favorably from any committee, shall be referred to the Committee on Finance. If such bills have been referred to the Committee on Finance after report by another standing committee, the Committee on Finance may report separately and no further hearings shall be required by the Committee on Finance. Hearings on bills assigned to the Committee on Finance may at the discretion of the chairman be assigned to and held by the division of the committee to which the bill is assigned and no further hearing may be required.

(b) All bills and resolutions affecting state revenues or fees shall, if approved by the House when reported from the Committee on *Local and Regulated Revenues*, be referred to the Committee on

Finance. Any bill or resolution establishing, amending, or repealing a state fee established in statute, excluding professional licensing fees, shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Finance.

(c) All bills and resolutions addressing licensure and/or certification shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report on the effect of the passage of such a bill or resolution.

(d) All bills and resolutions affecting criminal penalties, if approved by the House when reported by the appropriate policy committee, shall be referred to the Committee on ~~[Corrections and]~~ Criminal Justice *and Public Safety*.

(e) The chairmen of committees ~~[named]~~ *receiving a bill or referral as outlined* in this rule with the approval of the Speaker may:

(1) decline the referral of any bill from another committee; or

(2) notwithstanding the provisions of Rule 43 (a), waive the public hearing on any bill referred from another committee.

47. Any budget bill reported by the Committee on Finance shall contain a balanced spending plan. In the second-year session, the Committee on Finance shall hold hearings on proposed changes to the State spending plan for the current biennium and may submit a supplemental budget bill.

48.(a) There shall be a detailed briefing on the general budget bill presented to the House at least two days before final action is taken on such a bill and, in any event, not later than the deadline established in Rule ~~[65]~~**64**.

(b) There shall be a detailed briefing on Senate changes to the House version of the general budget bill presented to the House membership by the second session day after the establishment of a Committee of Conference. The purpose of such a briefing will be to inform the House of the Senate position on the bill and to provide a sense of the House on that position as advisory guidance to the House conferees.

49.(a) Committee-of-Conference reports shall be distributed to be acted on on some subsequent day.

(b) No member of a Committee of Conference shall sign any report which contains non-germane amendments or subject matter that has been indefinitely postponed in either house. For the purpose of this rule, a non-germane amendment is any subject matter not contained in either the House or Senate version of the bill.

(c) A Committee-of-Conference-report analysis prepared by the first-named House member shall be printed in the House Calendar.

(d) A Committee-of-Conference report may be placed on the Consent Calendar only by a unanimous vote of all House conferees.

50. All committees must report all bills referred to them seven days prior to any deadline for the House to take action unless otherwise provided in Rule ~~[65]~~**64**. Any bill not reported shall be placed on the calendar by the Speaker with a report of No Recommendation and the reference to committee shall be revoked.

51. The Speaker may designate any legislative day as a Consent Calendar day by giving two days printed notice in the House ~~[Record]~~ *Calendar*. No bill shall be on a Consent Calendar unless the committee to which the bill was referred approves its placement on the Consent Calendar by a unanimous vote in executive session. Any member may request removal of any bill listed on the Consent Calendar. Any bill removed from the Consent Calendar shall be taken up at the conclusion of the Regular Calendar. All matters remaining on the Consent Calendar shall be acted upon without debate.

52. No standing rule of the House shall be suspended unless two-thirds of the members present vote in favor thereof.

53. No rule shall be rescinded unless two days notice of a motion has been given and two-thirds of House members present vote therefor.

COMMITTEE OF THE WHOLE HOUSE

54. The House may resolve itself into a committee of the whole at any time on the motion of a member made for that purpose. In forming a committee of the whole House, the Speaker shall leave the chair, and a chairman to preside in committee shall be appointed by the Speaker.

55. When a bill or a resolution is committed to a committee of the whole House, the entire bill or resolution shall first be read by the Clerk, and then again read and debated by clauses, leaving the

preamble of the bill to be considered last. The body of the bill or resolution shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Clerk on a separate paper, as they are agreed to by the committee and so reported to the House. After reporting, the bill or resolution shall again be subject to debate and amendment by clauses before a question to pass it to a third reading is taken.

56. The rules of proceeding in the House shall be observed in the committee of the whole House, as far as they may be applicable, except the rule limiting the time of speaking.

ORDER OF BUSINESS

57. (a) The order of business in the early session shall be as follows:

1. Prayer by the Chaplain, pledge of allegiance and leaves of absence if received before the start of the legislative day;

2. Introduction of Guests;

3. Petitions of members ~~[and personal privilege]~~;

4. Consideration of unfinished business;

5. Introduction, first and second reading and referral of bills;

6. Messages from the Senate, the Governor and the Secretary of State;

7. Consideration of Consent Calendar items;

8. Reports from standing and select committees;

9. Resolutions, motions and notices;

10. Adjournment from the early session.

(b) The order of business in the late session shall be as follows:

1. Third reading of bills, resolutions and joint resolutions;

2. Resolutions and motions;

3. *Personal privilege.*

~~[3]4.~~ Adjournment to a date certain.

(c) ~~[Leaves of absence may be granted by the House at any time.]~~ *The order of business listed in this rule shall be adhered to unless otherwise ordered by a majority of those members of the House present and voting.*

(d) ~~[The order of business listed in this rule shall be adhered to unless otherwise ordered by a majority of those members of the House present and voting.]~~ *Leaves of absence may be granted by the House at any time.*

58. The unfinished business in which the House was engaged at the last preceding adjournment, if called for by any member, shall have preference over all other business except the general order of the day; and no motion, or any other business except the general order of the day, shall be received without special leave of the House, until the former is disposed.

~~[59. Adjournment. No motion for adjournment for more than five days shall be in order unless prior notice has been given in open session at least two legislative days before the motion is offered.]~~

MEMBERS, PERSONNEL

~~[60]~~59. The elected and appointed non-member officers and personnel of the House shall be under the direction of the Speaker, who shall define their duties not fixed by statute or otherwise ordered by the House.

~~[61]~~60. No officer or employee of the House during the session or any adjournment thereof shall purchase or contract to purchase, pay or promise to pay any sum of money on behalf of the House or issue any requisition or manifest without securing the approval in writing of the Speaker of the House or ~~[his]~~ designee.

~~[62]~~61. The Speaker may appoint ~~[a Chief Security Officer who shall be a person]~~ *an individual* trained and experienced in security matters or law enforcement work~~[-His duties]~~, *who*, under the supervision and direction of the Speaker, shall ~~[be to]~~ prevent the deliberations of the House from being disrupted or interfered with by any person or persons not members thereof.

~~[63]~~62. No employee or attaché of the House Sergeant-at-Arms shall, directly or indirectly, ~~[involve himself]~~ *be personally involved* with or attempt to influence the passage or consideration of any measure whatsoever. If any such employee or attaché ~~[so interests, or concerns himself]~~ *becomes involved* with any *such* measure, it shall be grounds for summary dismissal.

MISCELLANEOUS

~~[64]~~63. No person, including members of the House, except law enforcement officers while actively engaged in carrying out their duties as such, shall carry or have in ~~[his]~~ possession any deadly weapon as defined in RSA 625:11, V while ~~[he is]~~ in the House Chamber, anterooms, cloakrooms, or any portion of the State House adjacent to any of the above. Any person in violation of this rule shall be subject to ejection from any such premises on the order of the Speaker and disciplinary action or arrest or both by action of the House. Nothing in this rule shall indicate that the security officer appointed by the House under Rule ~~[60]~~61 has the right to stop and search a member of the House on the premises of the House.

RULES OF COMMITTEE PROCEDURE

100. Committee Chairman; Duties.

The duties of each committee chairman, appointed pursuant to House Rule [34]32, shall be the following:

- (a) To preside at all meetings of the committee;
- (b) To call the meeting to order at the time and place designated by the meeting notice;
- (c) A quorum being present, to cause the committee to proceed with its business in the proper order according to the agenda and to announce the business before the committee as it proceeds with such business;
- (d) To preserve order and decorum and to speak on points of order, in which case the chairman shall have preference over other members;
- (e) To decide all points of order, subject to appeal to the committee;
- (f) To explain or clarify any rule of procedure upon request;
- (g) To state, or direct the clerk to state, each motion as it is made;
- (h) To recognize members;
- (i) To state and put to a vote all questions requiring a vote or upon which a vote is ordered and to announce the vote;
- (j) To appoint the chairman of all subcommittees and further to appoint the membership of all subcommittees;
- (k) To assign duties and responsibilities to the vice-chairman of the committee;
- (l) To sign all documents which require [his] *the chairman's* signature;
- (m) To arrange for the posting and filing of committee notices;
- (n) To supervise and be responsible for the preparation of committee reports and supplements;
- (o) To prepare, or supervise the preparation of the agenda for each committee meeting as required by these rules;
- (p) To submit requests to the Speaker for interim studies or meetings or travel for committees or subcommittees;
- (q) To have custody, during the legislative session subject to state statutes, of all legislative documents and reports referred or submitted to the committee;
- (r) To transmit to the Clerk each legislative document and report which the committee has: 1) reported, or 2) been discharged from considering, or 3) been ordered to report;
- (s) To carry out all duties required by law, by action of the House, or by action of the Speaker.

101. Members, Duty to Attend Meetings; Attendance Record.

It shall be the duty of committee members to attend and participate in all committee meetings. A record of the members present and the members absent at each committee meeting shall be maintained. The chairman shall be responsible for assuring that this record is maintained and [he] shall notify the Speaker of excessive unexcused absences.

102. Excessive Unexcused Absences.

Each committee chairman is authorized to request the Speaker to remove from committee membership any member of the committee whose unexcused absences from committee meetings are judged to be excessive in number.

~~[103. Standing Committee Meeting Schedule; Session; Interim Conflicts:~~

~~A schedule of meeting days for committees shall be established by the Chairman for the interim between sessions. Such schedule shall designate Wednesdays and Thursdays for meetings of each committee. However, upon authority of the Speaker and the approval of the Chairman, a committee may make changes in the schedule of meetings when circumstances require, subject to all other applicable rules. Committees shall meet on these designated days, provided they have particular business to consider. Session and interim committee schedules shall, to the maximum extent possible, be established so as to avoid committee conflicts for legislators.]~~

~~[104. Notice; Session Meetings; Interim Meetings:~~

~~The House Clerk's Office shall prepare and publish in the House Calendar a schedule of all committee meetings. Notice of such meetings shall comply with Rules 43(a) and 43(b).]~~

~~[105]~~103. Notice of Executive Sessions.

Notice of all executive sessions at which a recorded vote will be taken shall be given by: (1) notification in the House Calendar at least two days prior to said executive session, and/or (2) notification by the Chairman of the appropriate committee on the floor of the House.

~~[106]~~104. Notice; Contents.

Each meeting notice shall contain the following information:

- (1) the time and place of the meeting;
- (2) the matters proposed for consideration;
- (3) any other information which the committee deems pertinent.

~~[107]~~105. Quorum Required to Transact Business.

The presence of a quorum, defined as a majority of each committee, shall be required for a committee to transact business and no official action shall be taken by a committee unless a quorum is present.

~~[108]~~106. Vote Required for Committee Actions; Members Disqualified.

The approval of a majority of the quorum present shall be required for a committee to decide a question or to take official action on any matter; provided however, that a member who has filed a ~~[Conflict of Interest statement]~~ *Declaration of Intent* pursuant to the Ethics Guidelines ~~[and Procedures]~~ that ~~[he/she]~~ *the member* will not participate, shall not be required to vote and shall not be counted for purposes of determining the number necessary or for establishing a quorum to act on that question.

~~[109]~~107. Roll Call, Recorded Votes Required.

At each legislative committee meeting, final action on any bill or resolution shall be by roll call. All roll call votes shall appear in the records of the committee as otherwise provided in these rules. In all roll call votes the names of the members voting for the motion, the names of the members voting against the motion, and the names of members not participating because of a conflict of interest, shall be recorded. If a member is present when the question is put, he or she must vote when called unless the member is not participating pursuant to the New Hampshire General Court Ethics Guidelines ~~[and Procedures]~~.

~~[110]~~108. Minutes of Meetings Required; Contents.

Minutes of each meeting shall be kept by the committee clerk or under the direction of the clerk and they shall constitute a written record of committee proceedings at such meeting. In the minutes there shall be entered:

- (a) The time and place of the meeting of the committee;
- (b) The members present or absent;
- (c) The names and addresses of all persons appearing before the committee with the names and address, if any, of the person, firm, corporation or association in whose behalf the appearance is made;
- (d) The bills, resolutions or other matters considered, by number where appropriate;
- (e) Action of the committee, including final action of the committee with respect to each bill or resolution on which the committee makes a report to the House;
- (f) The vote of each member on each bill or resolution, matter or motion considered by the committee on which a record vote is taken;
- (g) The important points made by each witness at a public hearing and by each member of the committee, insofar as possible.

~~[111]~~109. Permanent Committee Records; Disposition.

(a) The permanent records of the committee shall include the minutes of each meeting and a file on each bill or resolution received by the committee. The file on each bill or resolution shall include a copy of the original document, a copy of committee amendments proposed by a member, whether adopted or not, and the disposition thereof; a copy of any fiscal note, actuarial note or notice attached to a bill or resolution at the time of committee consideration; all prepared statements which have been filed with the committee chairman by members or interested parties.

(b) The minutes and other permanent records of the committee shall be publicly recorded and shall be kept by the House Clerk in a place designated by the Speaker.

[12]110. Open Meetings.

All meetings of any committee of the House and Senate shall be open to the public subject to the provisions of N.H. RSA 91-A and as clarified by the Attorney General of the State of New Hampshire.

DEFINITIONS

RESOLUTIONS

Resolutions are the formal expressions of the opinions and wishes of the legislature. There are four types: joint resolutions, concurrent resolutions, simple resolutions, and constitutional amendment-concurrent resolutions (CACRs). Joint resolutions, concurrent resolutions and CACRs must be approved by both branches of the legislature, while simple resolutions are considered only by the body of introduction. All resolutions take effect upon passage, so they often are used to meet emergency situations.

(a) JOINT RESOLUTION:

A joint resolution is one which has the force and effect of law, and as such must pass both the house and senate and be signed by the governor. The constitution, Pt. II, Art. 45, provides that joint resolutions shall be treated as bills.

Joint resolutions are introduced and considered in the same manner as bills, except that they can only be used for temporary provisions. Joint resolutions cannot be used to amend the public or private laws of New Hampshire (the RSA or the session laws), but they can be used to appropriate money for limited purposes; to establish temporary study committees; and to make adjustments in the state retirement system for certain individuals. Because a joint resolution is effective upon passage, it is useful for supplemental or deficiency appropriations, but such appropriations may not extend beyond the second fiscal year of the biennium. As with other appropriations, if a resolution makes an appropriation from the general fund the governor must be authorized to draw ~~his~~ a warrant for the sums appropriated.

(b) CONCURRENT RESOLUTION:

A concurrent resolution is acted on by the house or senate and sent to the other house for approval but is not sent to the governor for signature. Therefore, it does not have the effect of a law, and it is important to note that it can not be used to appropriate money. Concurrent resolutions may be used to put the legislature on record as supporting or disavowing some aspect of national or state policy. Also, a concurrent resolution may be utilized to express appreciation to some individual or group.

(c) SIMPLE RESOLUTION:

A simple resolution is one which is considered by the legislative body in which it is introduced and is of interest to only that body. Neither house nor senate resolutions have the effect of law. They are written to show appreciation to some individual or group, to ask the supreme court for an advisory opinion on a bill originating in that body, to express sympathy for an individual's death or illness, or, in a lighter vein, to commemorate an event affecting one of the members.

(d) CONSTITUTIONAL AMENDMENT-CONCURRENT RESOLUTION:

An amendment to the constitution may be proposed by the legislature, as well as a constitutional convention. N.H. Const. Pt. 2, Art. 100. Each body must approve the CACR by a three-fifths vote of the entire membership, then be submitted to the voters at the next biennial November election. The CACR must be approved by two-thirds of the qualified voters present and voting.

[BILL OF INTENT:

~~A bill of intent is a document written in plain language setting forth a problem of concern but not necessarily proposing a change in existing statutes. For the purpose of introduction, printing and committee referral, a bill of intent is treated the same as a bill. See House Rule 36(a) and (b).]~~

Rep. Wheeler spoke in favor and yielded to questions.

Reps. Amanda Merrill and Lozeau spoke in favor.

Rep. Jacobson spoke against.

Adopted.

INVOCATION

The Invocation was offered by the Most Reverend Leo E. O'Neil, Bishop of Manchester. Gracious God, you give us this noon ceremony to remind us we need not wait 'til Sunday to be assured that the New England Patriots are victorious. To this gathering today come men and women seeking your blessings as they begin a year of service to "we the people" of New Hampshire. Bless them with the gift of silence, for these men and women who write, judge, or execute our laws must first of all listen. All speech is babble, all debate confused, all proclamations null, until the voice of the powerless, the cry for justice, the thundering protest against violence are heard. Here, in this chamber there must be silence so that our Constitution may whisper guidance and Your Holy Spirit break through the barriers of clashing noise and lead to the quiet task of righteous discernment. May these men and women who are the voice of the people accept the burden of becoming and remaining listeners. Gracious God, bless our governor, Jeanne Shaheen, sustain and strengthen her for weariness is the partner of responsibility; criticism, the companion of leadership; honest anguish, the spouse for right judgment. Grant her the gift of confidence which empowers her to burst through the security of inaction and the fear of renewal that paralyzes and holds us captive to indifference. Grant her a heart of joy, courageous enough to pierce the gloom of doubt and empower her to rally all of us to the heights of hope. Bless this woman who takes her place in history today - not so much because she is a first but because she comes to dedicate all her strength, all her talent, her whole person to accept once more the enduring but often forgotten biblical and constitutional truth: There is no power but the power to serve and all other power is ultimately chaos. Bless this generous woman. May her husband and her children sustain and strengthen her and be her healing and her consolation. Lord, make all of us remember that life is a journey like traveling on 101 East. "It's a trip" they say trying to figure which way the pieces fit together where the road goes, and how it gets there wandering about like us when we pray. But I bet anyone, even before it's done, as they move away the cranes, will sit bumper-to-bumper and say, "I told you they needed four more lanes." Enough is never enough so we'll complain (sort of like us when we pray). No wonder God unfolds His constructions, makes His interconnections without our consultations except, of course, in His prayer. (Thy will be done.) The surprise of all God's startling symmetry is that we're the masterpiece and all is grace. Thank God for prayer! Lord, grant us all the gift of listening as we pray, then we shall fulfill the injunction of Micah, the prophet. Only three things are required of us: to act with justice, to love tenderly and to walk humbly with our God. And then we will truly be victorious New England Patriots. We make our prayer in You who live and reign, God, forever and ever. Amen.

POSTING OF COLORS

The New Hampshire National Guard posted the Colonial and Traditional Colors.

PLEDGE OF ALLEGIANCE

The Kindergarten Class from Rumford Elementary School in Concord led the Pledge of Allegiance.

NATIONAL ANTHEM

The National Anthem was sung by Rawn Spearman from Nashua.

PRAYER

A prayer for peace and thanksgiving was offered by Father Peter Chamberas, Dean of St. George Greek Orthodox Cathedral in Manchester.

In the name of the Father, the Son and the Holy Spirit.

Heavenly Father, it is proper and right during this solemn and joyful inauguration ceremony to lift our minds and hearts toward heaven in praise and glorification of Your Holy name and to express our heartfelt thanksgiving to You for raising up a distinguished civic leader in the person of Jeanne Shaheen, who today begins her first term as Governor of the State of New Hampshire. Lord God, humbly yet fervently, we beseech You to bless all civil authorities who gather in this historic building and to empower them with Your divine spirit to serve well the people of this state. Especially today, Lord, we pray and ask for Your favored blessings to come upon Your favored servant, Governor Jeanne Shaheen. Lord, bless her and her family with the gift of peaceful love and harmony and hope so that the first family of this state may be a source of inspiration and support to all the families of New Hampshire, for it is in Your divine plan of salvation that the family be the basic building block of any enlightened and free society. Provide for her the health and the energy of body and spirit to apply her so fully to the many diverse issues and concerns of the day that are complex and demand resolution. As a woman of faith who has placed her hope and her trust in You, Lord, grant her the gift of wise perseverance to stay on the course that is straight and true. Grant her, also, the grace and the courage to think, to speak and to do that which is true and which serves best the people of this state. So strengthen her loyalty to You, Lord, that she may now and always choose Your will as her will, Your way as her way and Your peace as her peace. Fire her mind and heart with the clear vision of a more Godly, a more compassionate society where justice and opportunity will prevail for all the people of this state. Enable her to so execute the powers and privileges of her high office that social evils and wrongs may be eradicated while legislation and programs for the improvement of family and social life may be prudently and effectively enacted throughout the state. Finally, Lord, we pray that Your faithful servant, Governor Jeanne Shaheen, be empowered by Your Holy Spirit to maintain an undistorted vision, a clear and true vision of our American nation. A nation under God, indivisible, with liberty and justice for all. These blessings for Your servant, Jeanne Shaheen, Governor of the State of New Hampshire we humbly and fervently ask from You, Lord, God in Trinity, and to You we ascribe glory and thanksgiving and worship to the Father and the Son and the Holy Spirit, now and always. Amen.

OATHS OF OFFICE

Chief Justice David A. Brock administered the oath of office to Governor-elect Jeanne Shaheen. Governor Shaheen administered the oath of office to the Honorable Executive Councilors-elect, Raymond S. Burton, Peter J. Spaulding, Ruth L. Griffin, James A. Normand and Bernard A. Streeter, Jr.

PRAYER

A Prayer for a successful administration was offered by Reverend Ruth Boling of the Bedford Presbyterian Church.

God our Sovereign, look with mercy on us this day, and especially on Your servant, Jeanne Shaheen. Accept our praise and thanks for Your powerful hand that has guided, prodded, cautioned, groomed and prepared Jeanne Shaheen to become the first woman Governor of the State of New Hampshire. Work Your will in and through her in the months to come, that she may govern Your people with energy, intelligence, imagination and love. Steer her through the tangle of issues, ideals and interests that will vie for her attention. Fortify her mightily with the unwavering conviction that it is her vocation to embody Your compassion and Your justice in all her earthly dealings, after the example of her Lord Jesus Christ. Through her example, may other women and girls begin to imagine themselves as leaders in their own right. God our strength, give to our new first family the wherewithal to make the sacrifices of time and privacy that will be exacted of them in fulfilling their obligations. When they fall short, give them grace to laugh at themselves, forgive themselves, seek Your forgiveness and listen for Your divine laughter. God our hope, we pray as well for our Executive Council, our House of Representatives and our Senate, the General Court, judges, magistrates and for all government workers. May their actions serve to keep stable the fabric of society, yielding a more abundant life for all. God of wisdom, inspire Governor Jeanne Shaheen and this administration to appeal to what is best in us, engaging not our fears but our hopes, not our

cynicism but our truthfulness, not our penchant for easy answers but our seasoned understanding that complicated problems call for complicated solutions, not our smallest, meanest selves but ourselves when we are larger, wiser, truer and more noble than we had known we were. May all who hold power hold it reverently, use it reluctantly, and share it readily. God who knows us all by name, use this historic day to inspire the rest of us who are not elected officials; do not let the sun go down until each of us has made, privately, an oath of public service of our own, unique to our gifts and callings. Sustained by the example of those who have gone before, called to accountability by those who follow close on our heels, and entreating Your presence with us Almighty God, we pledge to add our ounce of effort to the successful workings of this administration, and of its gifted leader, our Governor Jeanne Shaheen. All to the glory of Your Holy Name. Lord in Your wide mercy, hear our prayer. Amen.

SCRIPTURE READING

Reverend H. Paul Boackle of St. George Maronite Roman Catholic Church in Dover read the 101st Psalm:

I will sing of loyalty and of justice. To Thee O Lord I will sing. I will give heed to the way that is blameless. Oh, when will Thou come to me? I will walk with integrity of heart within my house. I will not set before my eyes anything that is base. I hate the work of those who fall away. They shall not cleave to me. Perverseness of heart shall be far from me and I will know nothing of evil. Him who slanders his neighbors secretly, I will destroy. The man of haughty looks and arrogant heart, I will not endure. I will look with favor on the faithful in the land that they may dwell with me. He who walks in the way that is blameless shall minister to me. No man who practices deceit shall dwell in my house. No man who utters lies shall continue in my presence. Morning by morning I shall destroy all the wicked in the land, cutting off all the evil doers from the city of God. Praise be to God always.

SALUTE TO GOVERNOR JEANNE SHAHEEN

Members of a fourth grade class from Bedford Memorial School performed two original songs. "The President's Song" and "New Hampshire's Famous People."

POEM

New Hampshire Poet Laureate, Donald Hall, read his poem, "A Sister on the Tracks."

INAUGURAL ADDRESS

The Governor delivered her Inaugural Address:

Madam Speaker, Mr. President, Mr. Chief Justice, honorable members of the Executive Council and the House and Senate.

Thank you for the honor you have given me and the sacred trust you have placed in me. It is a very special privilege.

To all of you in this chamber today and to every citizen of our great state, I pledge my full devotion to the solemn oath I have just taken.

This is an historic moment for our state. This magnificent building is the oldest state capitol in the nation that still serves as a legislative chamber. In this historic building, I stand before you as the thankful daughter of two hardworking parents, as the grateful wife of a loving and supportive husband, as the proud mother of three wonderful daughters—wake-up, Molly—and now, as the first elected woman Governor of the State of New Hampshire.

I am honored and proud to share this important day in our state's history not just with New Hampshire's other daughters and wives and mothers, but with all of the people of the state of New Hampshire. I am equally proud and honored to be part of a long New Hampshire tradition of steadily opening the doors of democratic government. This tradition started with Marilla Ricker, a courageous woman who first tried to vote in Dover in 1870 and in 1910 dared to file her candidacy for governor of New Hampshire. This tradition continued last month, when the House of Representatives elected its first woman speaker. Madame Speaker, let me congratulate you on your historic election.

But as I have said before, I did not seek this office to make history but to make a difference in the lives of the people of New Hampshire. This is my promise to the people of this great state: I will work to bring people together to solve the problems we face.

Together we will make our government work better. And this, too, is my challenge to the people of New Hampshire, because if we are to succeed, we must write these new chapters in New Hampshire history together. We must focus on what is important to our families and our future. We must work together to make our dreams real. Instead of allowing fear to divide us, we must let hope bring us together. Above all, we must never forget this simple truth: New Hampshire belongs to all of us.

And so, today, I invite every New Hampshire citizen to become a part of our history and a part of our future. If you have an idea about how to improve the quality of life in our state, I want to hear it. If you know a way to help our state government work better, I want you to share it with me. If there is something that you or your business or your school or your community is doing right and the rest of us can learn from it, I want to see it.

I am going to listen and I'm going to learn. And with your help, we will take action to meet the challenges that we face. We will improve our schools. We will lower our electric rates. We will protect health care and create good jobs that build our economy.

Beginning in these first days as Governor and continuing through every day of my service, the door to my office will be open to the people of New Hampshire. To those in this chamber today who share the responsibility of elected state office and to our dedicated state employees, let me extend this invitation to you as well. The door of the Governor's office stands open to you and to your ideas.

In the days ahead we will not always agree on every issue. But let us agree from the beginning that no political party is the sole font of wisdom; that name-calling never solved a single problem; and that democratic government is about tending to the people's business. The people of New Hampshire are not looking to us for partisanship; they want leadership. So let us provide it.

Leadership requires us to recognize the difference between what makes New Hampshire special and what threatens its future; between what must be protected and what can no longer be tolerated as the status quo.

I will soon be presenting a budget for the next biennium. Budget hearings held recently by Governor Merrill made clear there are more requests than there is money. Let me be equally clear: the budget I present will be balanced, and it will not include a broad-based sales or income tax.

I said during my campaign and I will say it again now: I will not propose or support such a tax, and if this legislature passes one, I will veto it.

This is a New Hampshire tradition I will preserve. But there are others we must change.

For too long, we have been paying the highest electric rates in the nation. They constitute a hidden tax, taking money away from families already struggling to make ends meet. They are increasing the costs of running our businesses, our towns and our state.

We have already taken the first steps toward introducing competition into the electric industry. We must continue down that path to competition with steadfast resolution, but we must seek to avoid a lengthy court battle that could further threaten our economic competitiveness. Our task is clear: high electric rates are a threat to our economic future, and they must come down.

We must make sure that quality health care is affordable and accessible to all our families. The increasing number of families who rely on managed care should be protected from practices that put profits first and patients second. And as our population ages, we must develop alternatives to costly nursing home care, alternatives that allow our senior citizens to remain at home and in their communities.

We must put in place a comprehensive plan that will strengthen and build our economy. We must do better at coordinating state agencies and promoting programs that stimulate investment and growth. We must have a state where a clean environment and safe streets are a central ingredient of economic prosperity. Everything we do must move New Hampshire toward the same goal: building a state of good-paying jobs, hardworking people, and secure and thriving families.

And let us agree on this: our future depends on the quality of education we provide our children. To compete successfully in the 21st century, New Hampshire must have citizens who are better prepared and better educated.

So let me state this as strongly as I can: I will make education a priority – in my budget, in my appointments, and in the full weight and visibility of this office.

Without intruding upon the tradition of local control, the state has a vital role to play in education. It must provide leadership.

As Governor, I will soon be convening an education summit to focus on this most critical issue. This education summit will bring together teachers and parents, administrators and academics, students and business people – every sector of our society. Our goal will be to create an action plan to ensure that education in New Hampshire helps our children meet the challenges of the next century. Because the quality of our schools and the education our children receive affect every one of us.

But there are some things we already know we must do. In New Hampshire, public education should begin with kindergarten.

We are the only state in the nation in which public kindergarten is not available to every five-year-old. Many states are now moving beyond kindergarten, offering public pre-school programs to three- and four-year-olds. They understand that an earlier start equals a better student; a better student makes a better worker and citizen; and better citizens and workers build stronger communities. All of us were charmed and impressed by the kindergarten students from the Rumford School here in Concord who led us in the Pledge of Allegiance earlier. Let us pledge to these boys and girls that we will not rest until the opportunity of public kindergarten is extended to every five-year-old in every school system in every town in New Hampshire.

For too long the vital issue of education has been sidetracked into arguments about ideology and politics. And each time that's happened, valuable time and scarce resources have been wasted. Each time, the distractions of politics have robbed a little more from our children's and our state's future. Let me assure every citizen of New Hampshire that those days are over.

We are here to serve the people of New Hampshire. They are not interested in whether we are Republicans or Democrats, liberals or conservatives, men or women. What they expect from us is results, or at least an honest effort to achieve them. That is our responsibility to the people of this great state. That is how they and history will judge us.

After all, history is not only comprised of epic events, but also of the quiet, steady work of people striving together to make tomorrow a little better than today.

For now, join me in celebrating this moment. And tomorrow let us begin the quiet, steady work of the people. Let us do it without acrimony or bitterness. Let us do it without petty partisanship. And let us do it together. For then, we will truly make history.

Thank you all very much.

BENEDICTION

Rabbi Wesley Michael Odell of Temple Israel in Dover offered the Benediction.

N'varech et M'kor HaChaim. We bless the Source of Life and we are blessed when we see the value in every living thing. N'varech et M'kor HaEmet. We bless the Source of Truth and we are blessed when we live as if every word we speak matters. N'varech et M'kor HaBriut. We bless the Source of Health and we are blessed when we challenge our own fear to care for the sick and dying among us. N'varech et M'kor HaTzedek. We bless the Source of Justice and we are blessed when we treat each other as equals without the barriers of bigotry and intolerance. N'varech et M'kor HaRachamim. We bless the Source of Mercy and we are blessed when we show real kindness to others without any benefit to us. N'varech et M'kor HaNefesh. We bless the Source of the Soul and we are blessed when we realize there is no "them" versus "us"; when we experience each other and ourselves as sparks of a single, eternal flame. N'varech et M'kor HaShalom. We bless the Source of Peace and we are blessed when we act not only for ourselves, but also for generations past and generations yet to be. Life, truth, health, justice, mercy, soul and peace belong to us when we live our responsibility for creating the world into the Eden of our dreams. Amen.

HR 14, exempting the house committee to study the investigation of the late Judge Fairbanks from the December 13, 1996 deadline for filing legislation. (Jacobson, Merr 2: Rules)

HR 15, urging that there be statewide access to Channel 9 (WMUR) as the official disaster reporting station for New Hampshire. (L. Pratt, Coos 4; Horton, Coos 3; F. King, Dist 1: State-Federal Relations and Veterans Affairs)

RECESS

(Speaker Sytek in the Chair)

Rep. Lozeau moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 4

Wednesday, January 29, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Rep. Wheeler reported that the Chaplain Committee selected Reverend Edward G. Horstmann of the First Congregational Church in Hopkinton to serve as the House Chaplain.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of gracious presence, in Your light may we see light and in Your truth may we live with integrity. Help us, we pray, to seek Your wisdom with great desire and to be for one another an experience of persistent and gentle encouragement, so that Your loving will may be done through us for the land and people of New Hampshire. Amen.

Rep. Dickinson led the Pledge of Allegiance.

COMMUNICATION

January 9, 1997

Karen Wadsworth, Clerk of the House

This is to advise you that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Rockingham 22, Robert R. Cushing, Jr., d, Hampton (395 Winnacunnet Road) 03842.

Karen H. Ladd, Assistant Secretary of State

Reps. Burling and Wheeler offered the following:

HOUSE RESOLUTION NO. 18

memorializing former United States Senator Paul E. Tsongas

Whereas, it is with great sadness and deep regret we have learned of the death of former Senator Paul E. Tsongas of Massachusetts; and

Whereas, Paul E. Tsongas was a son of Lowell, Massachusetts, and a lifelong resident of that community; and

Whereas, Paul E. Tsongas graduated from Dartmouth College and Yale Law School; and

Whereas, Paul E. Tsongas served as a Peace Corps volunteer in Ethiopia after graduating from college; and

Whereas, Paul E. Tsongas was a good neighbor to the people of the state of New Hampshire; and

Whereas, Paul E. Tsongas served his community, his state, and his country honorably and with dignity and devotion; and

Whereas, Paul E. Tsongas served in the United States House of Representatives and the United States Senate; and

Whereas, in his quest for higher office, Paul E. Tsongas presented his views and his vision for our nation without malice toward his opponents; now, therefore, be it

Resolved by the House of Representatives:

That Paul E. Tsongas be recognized and granted the highest praise for his dedicated and exemplary public service and community service; and

That expressions of heartfelt sympathy be extended to his family; and

That a copy of this resolution be prepared by the house clerk for presentation to his family.
Unanimously adopted by a rising vote.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 232, prohibiting the carrying of firearms and certain other weapons into certain state buildings by persons other than law enforcement personnel, removed by Rep. Morello.

HB 164, relative to certain discussions under the right-to-know law, removed by Rep. McCann.

HB 182-FN, requiring the department of transportation to hold a public hearing relative to the construction of a truck safety station on route 4 in Chichester, removed by Rep. Mary Brown.

HB 217, relative to outdoor advertising hearings in the department of transportation, removed by Rep. Weber.

Consent Calendar adopted.

HB 107, requiring health care providers to exhaust medicare and secondary payors before billing the patient. **INEXPEDIENT TO LEGISLATE**

Rep. Keith R. Herman for Commerce: The sponsor was concerned that Medicare patients are being sent medical bills even though they have secondary insurance. The committee found that most secondary insurance companies (medi-gap coverage) DO contract Medicare, therefore, any medical bills are automatically sent to the insurance company instead of the patient. To mandate an insurance company contract with Medicare is counter-productive to the system. Vote 18-0.

HB 128, relative to state regulation of participation by foreign banks in the financial markets of New Hampshire. **OUGHT TO PASS**

Rep. Anthony Syracuse for Commerce: This bill will authorize the bank department to regulate offshore foreign banks that want to have a presence in New Hampshire and operate under state oversight authority. It is supported by the banking department and has been reviewed by the Attorney General's and Secretary of State's offices. The bill is pro-active and will facilitate future international trade in a fast evolving global economy. Vote 17-1.

HB 135, requiring a waiting period before the retail price of home heating fuel oil is increased in certain circumstances. **INEXPEDIENT TO LEGISLATE**

Rep. Richard H. Krueger for Commerce: Attempting to fix the price of fossil fuel products for even a short period of time is simply not practicable or feasible. The factors that influence the end price to the consumer vary widely from the origin of the raw product to the refinery point, date of point of port of entry, demand and time of year, to name a few of the significant factors. Ten years ago, fuel oil was put on the commodities market in an attempt to stabilize the price vs. the spot market. What occurred in the commodities market is that the price of fuel oil literally varies by the hour. Therefore, oil dealers who have the capacity to buy as much as 120,000 gallons often turn that over in a day during the winter season. This means that each day it is possible for the price to go up or down and therefore there would be multiple 15-day periods. In addition, the product is purchased from distributors in at least four different states, over which we have no control. Chaos would be created for the 260 fuel oil dealers in New Hampshire because they buy from different distributors. Vote 16-2.

HB 142, relative to false residency forms and automobile insurance. **OUGHT TO PASS**

Rep. Richard H. Krueger for Commerce: Fraud by falsely registering automobiles in New Hampshire has been a significant problem for years. This bill will further facilitate the Insurance Department to more stringently monitor false registrations. It will protect the public in the State of New Hampshire. Vote 18-0.

HB 105, extending the time limits for holding an adjudicatory hearing in certain delinquency cases. **OUGHT TO PASS WITH AMENDMENT**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: This bill as amended very simply allows for an extension of the time limits for adjudicatory hearings for minors detained or not detained. The extension of time limits shall be for good cause shown and in no case shall exceed 14 calendar days. Vote 22-0.

Amendment (0041h)

Amend the title of the bill by replacing it with the following:

AN ACT allowing an extension of time limits upon a showing of good cause for holding an adjudicatory hearing in certain delinquency cases.

Amend the bill by replacing all after the enacting clause with the following:

1 Adjudicatory Hearings; Exception to Time Limits. Amend RSA 169-B:14, II to read as follows:

II. The adjudicatory hearing shall be held within 21 days of arraignment for minors detained pending such hearing and within 30 days of arraignment for minors not detained. *An extension of these time limits may be permitted, upon a showing of good cause, for an additional period not to exceed 14 calendar days.*

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill permits extension of time limits upon a showing of good cause for holding an adjudicatory hearing in delinquency cases for an additional period not to exceed 14 calendar days.

HB 141-L, relative to the powers and authority of local police chiefs. **INEXPEDIENT TO LEGISLATE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill removes a provision which limits the authority of a local police chief in operating the police department to written formal policies adopted by the police chief's appointing authority. There was no support from the New Hampshire Association of Chiefs of Police or the New Hampshire Municipal Association. The committee felt from the testimony presented that there was no need to change this RSA particularly since the governing body of a municipality is the ultimate responsible authority and as such may require written formal policies as deemed necessary and agreed to by all parties. Vote 20-0.

HB 163, repealing the law which requires the commissioner of health and human services to deny the application or renewal of the license of an emergency medical technician convicted of driving while intoxicated. **OUGHT TO PASS**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill repeals the law which requires the commissioner of health and human services to deny the application or renewal of the license of an emergency medical technician convicted of driving while intoxicated. The committee felt that the license of an EMT should not be denied because of a conviction of DWI particularly since no other licensed professional is subject to loss of his or her specialty license for a similar conviction. Vote 20-0.

HB 165, establishing a committee to study withdrawal from cooperative school districts. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rep. Richard L. Hill for Education: It has been over 30 years since the co-operative school district withdrawal process has been reviewed; consequently the committee felt a study is warranted. Vote 19-0.

Amendment (0030h)

Amend subparagraph I(a) as inserted by section 2 of the bill by replacing it with the following:

(a) Three members of the senate education committee, appointed by the president of the senate.

HB 106, requiring ballot clerks to verify the identity of persons receiving ballots by requesting an identification card. **INEXPEDIENT TO LEGISLATE**

Rep. David R. Boutin for Election Law: The Committee heard testimony regarding the possibility of election fraud occurring without giving ballot clerks the authority to require voters to produce

a photo identification. The Committee concluded from the testimony that insufficient evidence was provided to support the claim that election fraud could or may be a serious problem; and that the Legislature should not be passing laws to make it more difficult for our citizens to vote. There is nothing in the R.S.A.'s that would prohibit the challenge of a voter and the requirement that the voter execute an affidavit prior to voting. The Committee Report indicates a vote of 18-1, Inexpedient to Legislate. Vote 18-1.

HB 172, extending the reporting date for the committee studying the issue of the use and disposal of sludge or septage. OUGHT TO PASS

Rep. M. Kathryn Aranda for Environment and Agriculture: This bill extends the reporting date of the joint committee established by the passage of HB 1323 (1996) from November 1, 1996 to November 1, 1997. This reporting date needed to be extended in order to allow the study committee to complete its work on a controversial subject. Vote 18-0.

HB 138-FN, relative to the design and the display of the state flag. INEXPEDIENT TO LEGISLATE

Rep. Howard C. Dickinson, Jr. for Executive Departments and Administration: This bill is identical to HB 552 (1995) which was studied by the Public Protection and Veteran's Affairs Committee in the last session. The chairman and several members of this former committee, including sponsors of the bill, asked that the bill be reported ITL. The committee unanimously agreed that the design of the state flag need not be changed at this time. Material related to the history of the NH state flag will be preserved for further referral. Vote 21-0.

HB 145-FN, relative to eligibility of certain group II retirement system members to transfer certain group I creditable service to group II creditable service. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would allow members of the NHRS group II with less than 5 years in group I to transfer this time to group II creditable service with the cost to be borne by the special account. In 1988, the legislature established the split benefits concept to allow those with service in both group I and II to receive the proper benefits from each group upon retirement, the so called split benefits retirement. The committee feels that this program is working well, is properly funded and does not mandate additional costs upon the state or political subdivisions to pick up additional contributions that would be required. Vote 20-0.

HB 188-FN, relative to the authority of the boxing and wrestling commission. OUGHT TO PASS

Rep. Jon P. Beaulieu for Executive Departments and Administration: This bill deletes the authority of the boxing and wrestling commission to oversee amateur boxing and wrestling. The commission retains its authority over professional boxing and wrestling. Under this bill, New Hampshire will join the other 49 states with amateur boxing governed by United States Amateur Boxing, Inc. Vote 21-0.

HB 237, authorizing the board of barbering, cosmetology, and esthetics to adopt rules relative to conditions and standards for persons engaged in demonstrating the use of any machine or other article for purposes of sale. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: The prime sponsor asked to have the bill withdrawn as it was no longer necessary. The committee agreed with the sponsor and voted the bill as inexpedient to legislate. Vote 21-0.

HB 103, relative to the standard of care owed by landowners to children. INEXPEDIENT TO LEGISLATE

Rep. Sandra B. Keans for Judiciary and Family Law: The committee believes this legislation will have a chilling effect on the way we do things in New Hampshire; recent proposals and initiatives by the legislature to get easements from landowners to open their lands to the public for recreational purposes; and generally expands the body of law governing liability. This legislation would be in conflict with at least three current sections of the statutes. Further, higher standards would be placed not only on individual landowners, but cities and towns as well. Selectmen concerned with opening the liability of the town would be reluctant to accept gifts of land to the community. Vote 18-0.

HB 114, requiring members of conservation commissions to be residents of the city or town which they represent. **OUGHT TO PASS**

Rep. Paul A. McGuirk for Municipal and County Government: This bill will conform to other statutes as regards residency requirements for elected or appointed boards and elected or appointed commissions in municipalities. Vote 16-1.

HB 160, authorizing the governing body of the town of Raymond to order an assessor's plat to clarify property ownership. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas E.P. Rice, Jr. for Municipal and County Government: This bill is the remedy for a long standing problem with lot lines in a trailer development in which the lots are all individually owned. When first built, roads were put in the wrong place. This bill allows all the affected lot lines and deeds to conform to the present situation. It also serves to clarify titles to these properties. The towns, the property owners, and the lending institutions all agree with this. It is the logical and easy way out of a sticky wicket. The first part of the amendment clarifies the definition of lowest responsible bidder. The second part of the amendment ties the metes and bounds of the subdivision lot lines to the New Hampshire state plane coordinate system, North American DATUM of 1983. Vote 17-0.

Amendment (0022h)

Amend paragraph I of section 5 of the bill by replacing it with the following:

I. All surveying services necessitated by such project shall be subject to competitive bidding, with the governing body responsible for determining the lowest responsible bidder, as defined in RSA 28:8-e, II.

Amend subparagraph II(b) of section 7 of the bill by replacing it with the following:

(b) A clear and concise description of the land so surveyed and mapped by metes and bounds beginning with some corner marked and established in the New Hampshire state plane coordinate system, North American DATUM of 1983.

HB 193, to amend the procedures for the election of officers in the Lebanon school district. **OUGHT TO PASS**

Rep. Joseph E. Stone for Municipal and County Government: When the Lebanon School District adopted the provisions of Senate Bill 2 (1995) at their last district meeting three problems arose. The time of elections, the filing period and the terms of office under the 1973 legislation were in conflict with the provisions of Senate Bill 2. This legislation corrects the problem. Vote 17-0.

HB 101-FN-L, requiring a certain road in the town of Lyman to be maintained year-round by the state. **INEXPEDIENT TO LEGISLATE**

Rep. Rep. Merle W. Schotanus for Public Works and Highways: This bill was found inexpedient because it could establish a precedent which would require the state Department of Transportation (New Hampshire DOT) to increase the level of maintenance on over four hundred miles of state roads. To alleviate the winter maintenance problem on its 4.2 miles of class II-B road, the town of Lyman could: apply for state aid (one third town, two thirds state match) to bring the road to state standards after which the NH DOT would perform all maintenance; or request legislation to re-classify the road to class V which would make it eligible for block grant highway funds to help offset the cost of winter maintenance. Since part of the road lies in the town of Lisbon, it is recommended that both towns work jointly and contact the NH DOT as soon as possible to determine procedures, timing and probable costs to reconstruct the road. The sponsor has talked with the committee and the town and their avenues will be explored, and the committee will work with the sponsors, towns and DOT to assist in the process. Vote 15-2.

HB 137-A, relative to the Abbott or Bridge Street bridge in Pelham and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Paul I. LaMott for Public Works and Highways: This bill is rejected because it would establish a precedent which requires the state to appropriate the funds required to meet the state match (80/20) for safety modifications to the historic Pelham stone bridge. This does not preclude the town proceeding with the historic renovation of the bridge for which the town has already raised the necessary matching funds (\$20,000). The remaining cost of safety improvements (\$85,000) is also eligible for state bridge aid once the requisite match (\$17,000) is raised by the town. Vote 17-0.

HB 155-L, relative to the maintenance of roads within certain village districts. **INEXPEDIENT TO LEGISLATE**

Rep. Winston H. McCarty for Public Works and Highways: This bill pertains to the funding of maintenance of roads in village districts within the towns of Madison and Waterville Valley. Some village districts were formed for the purpose of avoiding requirements of the towns in the construction of the roads but are now looking for additional funding. The committee was very reluctant to vote for this with all the private roads within the state in condominium - mobile home developments and other such areas. The fund from which requests are being made serves all towns and will be reduced if these requests are honored. Until such time as the districts and or associations formally petition the towns for takeover of the roads, this type of legislation should be found inexpedient to legislate. Vote 17-0.

HB 175-FN, authorizing the commissioner of the department of transportation to open the Hooksett toll to southbound traffic during the conclusion of the Winston Cup races. **INEXPEDIENT TO LEGISLATE**

Rep. Leon Calawa, Jr. for Public Works and Highways: The Commissioner of the Department of Transportation told the committee that they now can open eight lanes of traffic at peak hours. This can now satisfy up to seven hundred cars per hour, and he has the emergency power to open all gates in an emergency, if necessary. Testimony also showed that during race weeks the worst back-ups were not occurring at the toll booths, and a large percentage of the traffic passing through the toll booths during race times was not race traffic related. The committee voted unanimously that this bill be inexpedient to legislate primarily since this authority already rests with the Commissioner of DOT. Vote 17-0.

HB 199-FN, to include highways designated as part of the National Highway System within the definition of "federal aid primary system" for purposes of the control of outdoor advertising. **OUGHT TO PASS**

Rep. Katherine D. Rogers for Public Works and Highways: This bill would redefine New Hampshire's definition of "Federal Aid Primary System" to correspond and be in compliance with the federal definition. The two highways affected by this change are NH Route 106 from the intersection of Interstate 393 in Concord to the intersection of the NH Route 11 in Laconia, and United States Route 3 from Exit 20 in Tilton to Lochmere, near the Sanbornton town line. In becoming part of the National Highway System, these highways will become subject to outdoor advertising control in NH consistent with other National Highway System roads in the state.

Vote 16-1.

HB 109-FN, requiring the state to rebate to the seller a portion of the state car registration fee for a car sold after the seller registers it. **INEXPEDIENT TO LEGISLATE**

Rep. John W. Flanders, Sr. for Transportation: It is the feeling of the committee that the small amount of the refund would not be cost effective for either the Department of Safety or the consumer. Vote 17-0.

HB 116-FN-L, allowing for the surviving spouse of a former prisoner of war (POW) to retain the special number plates after the death of the former prisoner of war. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: The committee felt that the intent of the original law as well as the intent of other special plates, i.e., Pearl Harbor, was to honor the person affected and that the plate would not be transferable. Vote 17-0.

REGULAR CALENDAR

HB 129, relative to the definition of emergency services for health care insurance purposes. **OUGHT TO PASS WITH AMENDMENT**

Rep. Toni M. Crosby for Commerce: This bill as amended reflects the work of an interim study committee held this summer. The committee feels that the definition of emergency services for health care insurance purposes laid out in the amended bill provides the best consumer protection for the use of emergency services. Vote 18-0.

Amendment (0036h)

Amend RSA 417-F:3 as inserted by section 1 of the bill by replacing it with the following:

417-F:3 Prior Authorization. A participating provider or other authorized representative of the plan that gives prior authorization shall not rescind or modify the authorization after the health care provider has rendered the authorized emergency services care in good faith and the enrollee's, insured's, or subscriber's coverage was effective on the date of service.

Adopted.

Report adopted and ordered to third reading.

HB 161, relative to pecuniary benefit transactions by charitable trusts. **OUGHT TO PASS**

Rep. Gregory G. Carson for Commerce: This bill makes hospitals and educational institutions subject to the Charitable Trust Act. It permits hospitals and educational institutions to have on their boards individuals who are paid for work by those institutions, such as physicians and faculty members, as long as those individuals do not exceed 25% of the board composition. The bill also clarifies for all "non-profits" that they are charitable trusts under New Hampshire law. Vote 15-3.

Adopted and ordered to third reading.

HB 192, exempting certain people from laws relative to the licensing of engineers. **INEXPEDIENT TO LEGISLATE**

Rep. Keith R. Herman for Commerce: No state currently offers a license to "software engineers". Should the state of New Hampshire decide to establish an oversight board for software engineers, this committee would not have oversight over this issue. The minority wanted the bill re-referred, the committee majority feels it isn't necessary at this time. Vote 11-8.

Adopted.

HB 224, delaying the start date for the auto emissions inspection program. **OUGHT TO PASS**

Rep. Jeffrey C. MacGillivray for Science, Technology and Energy: The bill delays the start of the auto emissions inspection program by one more year, to not earlier than July 1, 1998. Additional information has reinforced the committee's previous understanding that this program would not effectively address the environmental problems it purports to solve. Another year may allow more cost-effective alternatives to be developed. Vote 16-0.

Adopted and ordered to third reading.

HB 150-FN, relative to the unlawful alteration of temporary motor vehicle registration plates. **OUGHT TO PASS**

Rep. Thomas J. Boriso for Transportation: This would prevent alterations of temporary paper plates on motor vehicles that is happening now. Thus, the committee felt that this should be included with other sticker type violations. Vote 13-4.

Adopted and ordered to third reading.

SUSPENSION OF RULES

Reps. Wheeler and Burling moved that the rules be so far suspended as to permit consideration at the present time, without the proper notice of hearing, of **SB 107**, giving the deputy legislative budget assistant the authority to perform the duties of the legislative budget assistant under certain circumstances.

Adopted by the necessary two-thirds.

REGULAR CALENDAR (Cont'd.)

SB 107, giving the deputy legislative budget assistant the authority to perform the duties of the legislative budget assistant under certain circumstances. **OUGHT TO PASS**

Rep. Neal M. Kurk for Finance: This bill updates the duties of the deputy legislative budget assistant when the position of legislative budget assistant is vacant or the LBA is unable to perform the duties of the position. The intent is to give the deputy LBA the same responsibilities already given to other deputy legislative officials. Vote 20-0.

Adopted and ordered to third reading.

HB 232, prohibiting the carrying of firearms and certain other weapons into certain state buildings by persons other than law enforcement personnel. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen J. Adams for Criminal Justice and Public Safety: The provisions of this bill would require a checking procedure at all entrances to the state house, legislative office building, and state house annex, sending a "chilling" message to the public. Also, if this bill were enacted, the logistics of enforcement and cost of implementation would be excessive. Vote 18-3.

Reps. Morello and Melcher spoke against.

Reps. Adams and Lyman spoke in favor.

On a division vote, 279 members having voted in the affirmative and 89 in the negative, the report was adopted.

HB 164, relative to certain discussions under the right-to-know law. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah L. Woods for Judiciary and Family Law: All testimony on this bill indicated that it would create problems and not address the concerns of the sponsor. Vote 18-0.

Adopted.

HB 182-FN, requiring the department of transportation to hold a public hearing relative to the construction of a truck safety station on route 4 in Chichester. **INEXPEDIENT TO LEGISLATE**

Rep. Robert E. McKinley for Public Works and Highways: The Department of Transportation presently owns the land which is the basis of this request to hold a public hearing relative to the construction of a truck safety inspection station. Since a public informational hearing is required by the DOT, and authorizing a public hearing for this issue would be of no benefit to the concerned parties, the committee on Public Works & Highways voted unanimously that this bill should be inexpedient to legislate. Vote 17-0.

Rep. Mary Brown spoke against and yielded to questions.

Rep. Gene Chandler spoke in favor and yielded to questions.

On a division vote, 257 members having voted in the affirmative and 109 in the negative, the report was adopted.

HB 217, relative to outdoor advertising hearings in the department of transportation. **OUGHT TO PASS**

Rep. Katherine D. Rogers for Public Works and Highways: This bill would delete the requirement for automatic administrative hearings on outdoor advertising control issues and transfer the initiation of such hearings to the licensee. This change will save the state time and money while at the same time preserve the right of due process. Vote 16-0.

Adopted and ordered to third reading.

AMENDMENTS TO HOUSE RULES

Rep. Channing Brown offered the following:

Amendment (0020h)

Amend House Rule 2 to read as follows:

2. The Speaker shall preserve decorum and order, may speak on points of order in preference to other members, and shall decide questions of order, subject to an appeal to the House by any ~~[member]~~ *two members*. The appeal shall be decided by a majority vote of those members present and voting.

AMENDED ANALYSIS

This amendment to House Rule 2 states that 2 members, instead of one, are required for an appeal of certain decisions of the Speaker.

Adopted.

Rep. Cobbin offered a floor amendment.

Floor Amendment (0021h)

Amend House Rule 35(b) to read as follows:

(b) ~~[The Office of Legislative Services shall not accept a request to draft any bill which is the same, or essentially the same, as any other drafting request already accepted in the same session.]~~ If duplicate or similar legislation is requested, the Director of Legislative Services shall notify the sponsors of each filing request and *may* mediate an agreement for the filing of a single bill. ~~[Filing requests resulting from legislative committee work shall take precedence over all other duplicate or similar filings. The name of the House member whose LSR request is denied due to duplication may be substituted on request for that of the original sponsor if the original sponsor withdraws the drafting request prior to the sign-off deadline.]~~

House Rule 45(c), relative to requiring the House to dispose of a majority report before considering an alternative report, is repealed.

AMENDED ANALYSIS

The amendment to House Rule 35 eliminates the duplicate bill prohibition and the requirement that requests filed as a result of legislative committee work take precedence over all other duplicate or similar filings.

The amendment to House Rule 45 deletes the requirement that the printed majority report of the committee be considered first and deletes the requirement that the House dispose of a majority report before considering an alternative report.

Rep. Cobbin requested that the question be divided. The Speaker ruled that the question was divisible. The question now being the adoption of the floor amendment to House Rule 35(b).

Rep. Cobbin spoke in favor.

Rep. Henderson spoke against.

The floor amendment to House Rule 35(b) failed.

The question now being the adoption of the floor amendment to House Rule 45(c)

Reps. Cobbin and Dickinson spoke in favor.

Reps. Henderson and Gene Chandler spoke against and yielded to questions.

Rep. Dickinson requested a roll call; sufficiently seconded.

RECESS

(Speaker Sytek in the Chair)

Rep. Lozeau moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 5

Wednesday, February 5, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

We give thanks, O God, that You are alive and at large in the world, helping us to become a people of passion for the common good. Hear our prayers on this day for each of these representatives, and especially for Representative Beverly Gage, for the Speaker of the House, Donna Sytek, and for all the staff members who support and enable their work. May their combined efforts further Your will, so that future generations may look upon the legacy of their labors and call them blessed. Amen.

Rep. John Flanders led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. George Brown, Dwyer, Beverly Gage, Gosselin, Hawkinson, Lefebvre, Lovejoy and Ralph Torr, the day, illness.

Reps. Ameen, Bickford, Boriso, Julie Brown, Cloutier, Thomas Colburn, Connolly, David Cote, Crosby, Dolan, Doucette, Gile, Grassie, Griffin, Heath, Holt, Lamach, Lundborn, Lynch, James McDonald, O'Rourke, Arthur Pelletier, Marsha Pelletier, Veazey and Vincent, the day, important business.

Rep. Allison, the day, illness in the family.

INTRODUCTION OF GUESTS

Christopher Weber, son of Rep. Weber. Kelley Ordway and Abram Claude, guests of the Merrimack Delegation.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

CACR 3, relating to authorizing counties to implement an income tax. Providing that a county may implement an income tax, provided that there is a binding referendum of the voters of the county and approval by the legislature, removed by Rep. Robertson.

Consent Calendar adopted.

HB 130, clarifying the authority of county commissioners to arrange for work by prisoners. **OUGHT TO PASS WITH AMENDMENT**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: This bill allows county commissioners to authorize the superintendent of the county correctional facility to arrange for uncompensated public service by prisoners at municipal or nonprofit owned grounds or property. Current law allows arrangements to be made for work by prisoners only at municipally owned recreational facilities or conservation projects. Vote 17-0.

Amendment (0048h)

Amend the bill by replacing section 1 with the following:

1 Uncompensated Public Service by Prisoners. Amend RSA 651:36-a to read as follows:
651:36-a ~~[Work]~~ **Uncompensated Public Service** by Prisoners. The county commissioners of any county may *authorize the superintendent of the county correctional facility* to make arrangements with officials of a city ~~[or]~~, town, *or nonprofit agency* to ~~[work]~~ **have** prisoners from the county correctional facilities *perform uncompensated public service* at ~~[municipally]~~ **municipal or nonprofit** owned ~~[recreational facilities or conservation projects]~~ **grounds or property**. Prisoners ~~[so worked]~~ **sent** from the county correctional facility shall be in the custody of the superintendent of county correctional facilities *or designee*.

AMENDED ANALYSIS

This bill allows county commissioners to authorize the superintendent of the county correctional facility to arrange for uncompensated public service by prisoners at municipal or nonprofit owned grounds or property. Current law allows arrangements to be made for work by prisoners only at municipally owned recreational facilities or conservation projects.

HB 152, relative to permissible fireworks. RE-REFER TO COMMITTEE

Rep. Walter J. Mikowski for Criminal Justice and Public Safety: This bill would exempt the Department of Safety from RSA 541-A, Administrative Rules, relative to fireworks. The reason for the bill was to shorten the time for approval of the current listing of permissible fireworks, submitted by the permissible fireworks review committee, RSA 160-B:23,III. The Department of Safety has committed itself to expediting the existing approval process without providing an exemption through law at this time. The committee decided to re-refer to give the department this opportunity. Vote 17-0.

HB 146, relative to gifts by agents under general powers of attorney. INEXPEDIENT TO LEGISLATE

Rep. Sandra B. Keans for Judiciary and Family Law: It was unclear to the committee why this legislation is needed. Currently, many estate attorneys write in provisions for gifting. We fear that the individual situation that was cited as being disallowed may be for reasons other than what came out in testimony. This legislation is not needed. Vote 15-0.

HB 153, exempting emergency medical technicians from jury duty. INEXPEDIENT TO LEGISLATE

Rep. Carol H. Holden for Judiciary and Family Law: This bill would exempt emergency medical technicians from jury duty. Testimony before the committee indicated that to do this it would be to further drain the pool of people eligible for jury duty. Vote 15-0.

HB 122, relative to the operation of games of chance conducted by charitable organizations. INEXPEDIENT TO LEGISLATE

Rep. Robert N. Kelley for Local and Regulated Revenues: This bill was loosely drawn and the committee felt that an opening was created for the professionalization of games of chance. This flies in the face of our regard for charitable operations of this ilk. No charity appeared in support of this bill - one individual appeared in support. Vote 16-1.

HB 227, relative to the North Hampton property taxes. OUGHT TO PASS

Rep. Stephen G. Avery for Local and Regulated Revenues: This is basically a housekeeping bill that legitimizes the adjustments to the North Hampton property tax rate. There was no opposition to this bill. Vote 16-0.

HB 216, relative to municipal budgets. OUGHT TO PASS

Rep. Katherine H Metzger for Municipal and County Government: Whenever a governing body or a budget committee fails to make a notation of whether or not to make recommendation on a special warrant article, a problem arises with the Department of Revenue Administration. This bill corrects this problem by providing that defects or deficiencies in these notations shall not affect the legal validity of any appropriations otherwise legally made. Vote 14-0.

HB 251-FN-L, reclassifying a portion of North Main Street in the town of Farmington from a class II to a class V highway. OUGHT TO PASS WITH AMENDMENT

Rep. Henry P. Sullivan for Public Works and Highways: This bill was a request of the Department of Transportation and the town of Farmington, to reclassify a portion of North Main Street in Farmington from a class II to a class V highway. The DOT has rebuilt this section of road and the highway will become a class V road, maintained by the town. The amendment adds a section of Passaconaway Road in Albany under the same stipulations as the original bill. Vote 18-0.

Amendment (0092h)

Amend the title of the bill by replacing it with the following:

AN ACT reclassifying a portion of North Main Street in the town of Farmington and a portion of Passaconaway Road in the town of Albany.

Amend the bill by inserting after section 1 the following and renumbering the original 2 to read as 3:

2 Classification Changed. Passaconaway Road, in the town of Albany, beginning at the Albany-Conway town line westerly for a distance of 1.24 miles to the existing class V highway shall be classified as a class V highway 60 days after completion of repaving and drainage work to be performed by the department of transportation.

AMENDED ANALYSIS

This bill reclassifies a portion of North Main Street in the town of Farmington from a class II to a class V highway. The bill also reclassifies a portion of Passaconaway Road in the town of Albany.

HB 115-FN, relative to payment from state funds for damage to cultivated blueberries caused by game. INEXPEDIENT TO LEGISLATE

Rep. Ronald Nowe for Wildlife and Marine Resources: The Committee felt that the subject matter contained in this bill deserved some comprehensive study which will be incorporated into a pending bill to study the entire subject contained in the game damage statutes. Vote 15-0.

HB 139, relative to fishing in a certain portion of the Pemigewasset river. INEXPEDIENT TO LEGISLATE

Rep. Dennis F. Abbott for Wildlife and Marine Resources: This bill attempts to establish special fishing regulations for a portion of the Pemigewasset River. There are presently sufficient rules which adequately control fishing on all bodies of water. This bill could lead to establishing laws which are better dealt with through the rulemaking process. The Committee did not wish to interfere with the rule making process at this time. Vote 15-0.

HB 159-FN, granting free hunting and fishing licenses to New Hampshire residents that are members of a federally recognized Indian tribe. INEXPEDIENT TO LEGISLATE

Rep. Robert L'Heureux for Wildlife and Marine Resources: Since there was no support for this legislation, the sponsor asked that the bill be voted ITL. Vote 15-0.

REGULAR CALENDAR

HB 112, requiring that all changes in state taxes be passed by a 60 percent majority of each house of the general court. INEXPEDIENT TO LEGISLATE

Rep. Charles L. Vaughn for Finance: This bill as amended could hinder the functioning of the three branches of government. The committee believes that a 50-plus-1 percent majority should remain the margin for the passage of legislation except constitutional amendments. Passage of this bill would empower 41 percent of this legislature with control. A further requirement that no new taxes on real estate be enacted would put government in an insupportable position if a financial crisis required legislative action. Vote 17-5.

Reps. Vaillancourt and Cobbin spoke against.

Reps. Vaughn and Kurk spoke in favor.

Rep. Cobbin requested a roll call; sufficiently seconded.

The question being the adoption of the report.

CACR 5, relating to the status of supreme court rules. Providing that the supreme court rules shall no longer have the force and effect of law. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Sandra Balomenos Keans for the Majority of Judiciary and Family Law: It appears that even the supporters of this legislation agree that if passed this would have no impact. As a co-equal branch of government the courts have the right to set their own administrative rules, just as the legislature sets its own rules. Whether that was fully a part of the question that the voters acted on in 1978 does not change the system. No constitutional question is ever written in its entirety. It was passed by the voters 19 years ago. No evidence was presented that showed any problems directly attributed to the wording of the question. Vote 15-3.

Rep. Paul M. Mirski for the Minority of Judiciary and Family Law: Twelve words. Following approval, in November of 1978, by two thirds of New Hampshire voters, of an amendment unifying New Hampshire's court system, twelve words were added to the text presented on the ballot. The sentence added proclaimed that "The rules so promulgated shall have the force and effect of law". "Shall", "force", "effect" and "law" are words which have powerful connotations when used in contracts, in legislation and in language. The addition of the language "the rules so promulgated shall have the force and effect of law", whether proponents thought it was sympathetic to the amendment or not, put words in the mouths of voters which there is no evidence that they intended to express. Advocates of passage of CACR 5 simply seek to correct an act of voter disenfranchisement perpetrated upon the people of New Hampshire by individuals who believed that they, and not the people, had the right to define and hone the context and constitutional law in New Hampshire.

Reps. Mirski, Adams and Pepino spoke against.

Reps. Jacobson and Moynihan spoke in favor and yielded to questions.

Rep. Holden spoke in favor.

Rep. Adams requested a roll call; sufficiently seconded.

HB 201-L, allowing municipalities to apply the amount of a property tax abatement refund to outstanding taxes owed by the taxpayer. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Douglass P. Teschner for the Majority of Local and Regulated Revenues: This bill, which is supported by the NH Municipal Association, allows local selectmen or assessors to apply funds from property tax abatements to overdue taxes then owed to that municipality by the taxpayer. Under a 1993 rule by the Board of Land and Tax Appeals, rebates awarded on appeal must be repaid to the taxpayer by check or cash. The bill arose out of a case in which taxpayers took such abatements in cash and then failed to make overdue tax payments to their community. This bill will reduce the possibility of this occurring in the future. The bill only applies to outstanding taxes, not to future taxes, and is enabling only. Vote 12-5.

Rep. Jean R. Wallin for the Minority of Local and Regulated Revenues: If an abatement has been granted to a taxpayer, taxes were judged to have been wrongfully collected. The minority feels that the individual taxpayer should have the freedom to decide how that money should be used. If someone has not paid their taxes, it is possible that the abatement amount needs to be used for mortgage payments, medical treatment, or food. Further, the minority feels there is no standard procedure for the local officials to follow when deciding who receives the cash and who has their abatement applied to back taxes.

Reps. Boutin and Linda Foster spoke against and yielded to questions.

Reps. Teschner and Pantelakos spoke in favor.

Reps. Coes and Wallin spoke against.

Rep. Hess spoke in favor and yielded to questions.

Rep. Teschner requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

HB 186-FN, relative to fees for number plates. OUGHT TO PASS WITH AMENDMENT

Rep. Roland M. Turgeon for Transportation: Due to the increase in the cost of material, manufacturing and mailing of reflectorized plates, the committee found it was necessary to increase the fee from \$1.50 to \$2.50 per plate on the issuance of the original plates to cover the cost on the new reflectorized plates. Vote 18-0.

Amendment (0028h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to fees for number plates and reducing the amount of the inventory fund in the department of safety.

Amend the bill by replacing section 1 with the following:

1 Fee Increased. Amend RSA 228:25, I to read as follows:

I. There is hereby established an inventory fund in the department of safety in the amount of [~~\$2,000,000~~] **\$1,000,000** which sum is hereby authorized as a revolving fund comprised of funds in the highway fund that are not otherwise appropriated. The prison shall purchase such raw materials as may be required and agreed to by the commissioner of safety in order for the commissioner of safety to issue fully reflectorized motor vehicle number plates. This purchase shall be a charge against the inventory fund and the prison shall be responsible for the control and accountability of the raw materials so charged. Said number plates shall be manufactured at the state prison. The prison shall be furnished out of said inventory account the raw materials necessary to manufacture said plates and upon receipt of the finished plates by the department of safety shall be reimbursed for their direct and indirect costs. The commissioner of safety shall, annually, request the commissioner of administrative services to review and approve said cost rates. Notwithstanding any other provision of law, the commissioner of safety shall charge in addition to the regular motor vehicle registration fee the sum of [~~\$1.50~~] **\$2.50** per plate at the time of issuing said reflectorized motor vehicle number plates or replacement reflectorized number plates. Said additional charge shall not give the registrant any title or other property interest in said plates. The commissioner of safety or [~~his~~] deputy may request from time to time delivery of [~~said~~] **the** number plates from the prison and shall reimburse [~~said~~] **the** inventory fund by a transfer from revenue. At least 6 months prior to subsequent general issue, a transfer from revenue shall be made for all remaining finished plates in inventory.

AMENDED ANALYSIS

This bill increases the annual registration fee for number plates from \$1.50 to \$2.50.

The bill also reduces the amount of the inventory fund in the department of safety from \$2,000,000 to \$1,000,000.

COMMUNICATIONS

February 11, 1997

Karen Wadsworth, Clerk of the House:

It is with a great sense of regret that I deliver to you the resignation of my seat in the House of Representatives. This decision comes as the result of personal matters that are in immediate need of my full attention, which would result in my absence from my House duties. This decision that I have chosen is difficult, as I have enjoyed the past 16-plus years serving my constituents, as well as the state. There have been great goals achieved by the state, and there are many more to accomplish. Unfortunately, I feel I must relinquish my current role in this future direction.

I thank all who have served with me, and ask for your understanding in this personal decision.

Rep. Ralph W. Torr, Strafford 19

The Speaker accepted the resignation with regret.

February 12, 1997

Madam Speaker, Honorable Members of the House, Madam Clerk:

One of the highest privileges that comes with the office of State Representative is the honor of standing with this body and pledging allegiance to the flag. One of the most significant benefits of this office is the educational opportunity we have to learn from each other and our collective experiences.

The highest honor of this office, however, is the opportunity to serve all the people of our state. I am fortunate to have been part of this process.

It is, therefore, with deep regret and sorrow that I resign effective February 13, 1997 as a representative of Hillsborough County, District 33 due to relocating in the United Kingdom. Please accept my sincere gratitude for all you have taught me and a truly memorable experience. My goal is to move from serving in the third largest legislative body, to serving in the largest legislative body. Parliament, here I come.

Rep. Joan C. Sullens, Hills. 33

The Speaker accepted the resignation with regret.

VACATES

Rep. Edwin Smith moved that the House vacate the reference to the Committee on State-Federal Relations and Veterans Affairs of **HJR 4**, urging the United States Congress and the Federal Energy Regulatory Commission to cooperate with state plans to restructure the electric utility industry and **HJR 5**, urging the United States Congress and the United States Environmental Protection Agency to make certain changes in the Clean Air Act which would result in more cost effective air pollutant emission reductions.

Adopted and referred to Science, Technology and Energy.

Rep. Jeb Bradley moved that the House vacate the reference to the Committee on Science, Technology and Energy of **HB 707**, relative to municipal taxation of utility property.

Adopted and referred to Local and Regulated Revenues.

Rep. Packard moved that the House vacate the reference to the Committee on Transportation of **HB 755**, increasing certain OHRV registration fees and requiring the department of fish and game to file an annual report to the legislature.

Adopted and referred to Resources, Recreation and Development.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

HB 280, relative to uniform contracts for roofing contractors. INEXPEDIENT TO LEGISLATE
Rep. Eric. N. Lindblade for Commerce: Uniform Commercial Code law already provides for contracts whenever two parties engage in a mutually beneficial action, to ensure that all specified conditions are adhered to. Vote 17-0.

HB 125, relative to methadone therapy. INEXPEDIENT TO LEGISLATE

Rep. Doris R. MacIntyre for Criminal Justice and Public Safety: The committee supports the existing methadone legislation which allows methadone treatment for heroin addicted pregnant women. We wish to monitor the outcome of our current legislation before we adopt such sweeping new legislation. Vote 12-0.

HB 233, making failure to provide child support a class B felony. INEXPEDIENT TO LEGISLATE

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: Making failure to provide child support a class B felony was heard at length by our committee and the recommended penalty and many related issues were discussed. But the question still remained. Should non payment of child support change from a misdemeanor to a class B felony? The answer to this is an absolute No. Would making non support a felony guarantee payment? No. Would longer incarceration improve payment? No; especially if the obligor is in jail. Would making non support a felony make restitution easier? Possibly, but RSA 546:5 already allows this. Lastly, would making non support a felony require jury trials for anyone who contested the issued? Absolutely. And this begs the question, can our court system handle this? We submit the answer to this is No and we further believe that there would be a large increase in jury trials adding a tremendous burden to our already crowded court system. The committee felt strongly on this issue as shown by its ITL. Vote 17-0.

HB 325, eliminating the correctional industries advisory board. OUGHT TO PASS

Rep. Andrew Christie, Jr. For Criminal Justice and Public Safety: RSA 622:28-b, effective August 8, 1993, established a correctional industries advisory board According to statute "the board shall meet at least annually to assist the commissioner of corrections in decisions relative to industry products, including marketing, selection, sales, manufacturing, purchasing, customer relations, product quality, pricing and other business matters." The board was never created, but the oversight duties are being handled efficiently by the Advisory Board for Vocational-Technical Education for the New Hampshire Department of Corrections. Therefore the committee established in RSA 622:28-b is not required. Vote 17-0.

HB 154, defining "legal resident" for purposes of school attendance. **OUGHT TO PASS WITH AMENDMENT**

Rep. Clair A. Snyder for Education: This bill delineates as far as possible what qualifies as a resident for school attendance. It should prevent the questions previously faced by school districts as to who was eligible to attend school in their district. The amendment further clarifies existing residency ambiguities. Vote 12-1.

Amendment (0097h)

Amend the bill by replacing section 6 with the following:

6 School Attendance; "Legal Residence" and "Legal Resident" Defined. RSA 193:12 is repealed and reenacted to read as follows:

193:12 Legal Residence Required.

I. Notwithstanding any other provision of law, no person shall attend school, or send a pupil to the school, in any district of which the pupil is not a legal resident, without the consent of the district or of the school board except as otherwise provided in this section.

II. For purposes of this section, the legal residence of a pupil shall be as follows:

(a) In the case of a minor, legal residence is where his or her parents reside, except that:

(1) If the parents live apart, legal residence is where either parent resides, but if a parent with sole custody lives outside the state of New Hampshire, the pupil does not have a legal residence in New Hampshire;

(2) If the minor is in the custody of a legal guardian appointed by a New Hampshire court or a court of competent jurisdiction in another state, territory, or country, legal residence is where the guardian resides.

(b) In the case of a student who has reached the age of majority, legal residence is where the student resides.

III. For the purposes of this title, "legal resident" of a school district means a natural person who is domiciled in the school district and who, if temporarily absent, demonstrates an intent to maintain a principal dwelling place in the school district indefinitely and to return there, coupled with an act or acts consistent with that intent. A married person may have a domicile independent of the domicile of his or her spouse. If a person removes to another town with the intention of remaining there indefinitely, that person shall be considered to have lost residence in the town in which the person originally resided even though the person intends to return at some future time. A person may have only one legal residence at a given time.

IV. For the purposes of this section, the legal residence of a child of homeless parents is where the child temporarily resides unless the parents and another school district agree that the child's attendance in school in that school district will be in the best interests of the child in that continuity of education will be provided and transportation will not be unduly burdensome to the school district. "A child of homeless parents" means a child whose parents:

(a) Lack a fixed, regular and adequate residence; or

(b) Have a primary nighttime residence in a supervised publicly or privately operated shelter for temporary accommodations such as public assistance hotels, emergency shelters, battered women's shelters, and transitional housing facilities, or a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings.

V. Nothing in this section shall limit or abridge the right of any child placed and cared for in any home for children to attend the public schools of the school district in which the home for children is located, as provided in RSA 193:28.

VI. The superintendent shall decide attendance issues under this section. Any person aggrieved by a decision of the superintendent may appeal such decision to the commissioner of the department of education, whose determination shall be final.

HB 219, repealing provisions relative to literacy instruction and the committee to study literacy and remedial instruction. **OUGHT TO PASS**

Rep. Charles B. Yeaton for Education: This bill repeals a section of law which calls for a committee to study literacy and remedial instruction. This law, RSA 189:54, has not received an appropriation and has no current or future purpose as these instructional functions are being carried out by other committees. Vote 16-0.

HR 9, urging local school districts to require interaction between educationally disabled pupils and nondisabled pupils for academic credit. INEXPEDIENT TO LEGISLATE

Rep. Phil A. Weber for Education: This resolution is a noble effort to build harmony for disabled students. However, it is the committee's belief that interaction between pupils regardless of abilities should evolve naturally within local school districts without state mandates. Vote 16-0.

HB 179, permitting elected city officials to serve as election officials. INEXPEDIENT TO LEGISLATE

Rep. Jane A. Clemons for Election Law: This committee heard no testimony that convinced us that this bill was needed. No city with or without voting machines sees a need for this bill at this time. Therefore, the committee was unanimous in this decision. Vote 15-0.

HB 205, relative to a generic ballot in unorganized places. OUGHT TO PASS WITH AMENDMENT

Rep. Lynn C. Horton for Election Law: This bill as amended applies only to unorganized places and spells out voting procedure for these places. Vote 17-0.

Amendment (0079h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to special ballots for unorganized places.

Amend the bill by replacing all after the enacting clause with the following:

1 Ballot Preparation Requirements For Unorganized Places Modified. Amend RSA 656:39 to read as follows:

656:39 Preparation of Special Ballots. The secretary of state shall prepare special state election ballots for inhabitants of ~~[unincorporated]~~ *unorganized* places as provided in RSA 668.

2 Ballot Preparation Requirements for Unorganized Places Modified. Amend RSA 668:5 to read as follows:

668:5 Preparation of Special Ballots. For any state election, the secretary of state shall prepare special ballots for the inhabitants of ~~[each]~~ *all* unorganized places. *For purposes of this section, "special ballots" shall mean the ballots to be used by all unorganized places in the same state representative district as opposed to separate ballots for each unorganized place. These special ballots shall have no location printed on them, but shall have a space where the name of an unorganized place shall be entered by the town clerk of the designated town.* [On the special ballots, the secretary shall have printed the words necessary to make the ballots distinct from the other ballots in the town in which they are designated to vote.] The secretary of state shall print only the names of candidates for offices for which the inhabitants of ~~[the]~~ *each* unorganized place are entitled to vote, as provided in RSA 668:4. *It shall be the duty of the town clerk to make ready in advance a sufficient number of ballots for each person on the official checklist of the unorganized places. If it is necessary because of election day registrations, extra ballots shall be prepared and the number attested to at the end of the voting.* In all other respects, such special ballots shall be printed and forwarded to the town clerk in the same manner as the other ballots for the designated town.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the secretary of state to prepare special ballots for unorganized places which include all unorganized places in the same state representative district on one ballot for any state election. Current law requires a special ballot for each unorganized place for state elections.

HB 321, correcting a reference to the American Podiatry Association. OUGHT TO PASS

Rep. Alphonse A. Haettenschwiler for Health, Human Services and Elderly Affairs: This bill is a minor housekeeping measure to make the reference in RSA 315:2, I conform with the current name of the national association from American Podiatry Association to the American Podiatric Medical Association. Vote 16-0.

CACR 11, relating to legislative authority to limit noneconomic damage awards. Providing that the general court shall have the authority to limit the amount of noneconomic damage awards granted in the state of New Hampshire. INEXPEDIENT TO LEGISLATE

Rep. Marjorie K. Smith for Judiciary and Family Law: No testimony in support of this legislation was presented by anyone other than the sponsor. The text was unclear and there was no demonstrable need for such an amendment. Vote 14-0.

HB 312, establishing a procedure for making and accepting offers of judgment in civil cases. **INEXPEDIENT TO LEGISLATE**

Rep. Cynthia A. McGovern for Judiciary and Family Law: The committee determined that this bill was unnecessary as roughly 90% of cases are currently settled out of court. Furthermore, there was some concern that this legislation would unfairly impose additional costs on parties seeking justice - something current practice does not do. Vote 15-0.

HB 320, requiring attorneys in divorce cases to provide clients with a statement of client's rights and responsibilities and a retainer agreement containing certain information, and subjects attorneys to certain other procedures in divorce cases. **INEXPEDIENT TO LEGISLATE**

Rep. Rep. Deborah L. Woods for Judiciary and Family Law: This bill was sponsored at the request of a single constituent who failed to follow-up with the sponsor in any way. The sponsor had thoughts of withdrawing the bill, but it was too late. Notwithstanding this, the bill has multiple problems and inconsistencies. Vote 15-0.

HB 331, adopting the uniform foreign depositions law and relative to admission of copies as evidence. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rep. Deborah L. Woods for Judiciary and Family Law: The first section of this bill is a housekeeping measure and the committee concurs with its passage. The second section of the bill, however, re: 520-A, apparently appeared "out of nowhere", not being requested by the sponsor. Therefore, the amendment deletes the second section of the bill. Vote 14-1.

Amendment (0137h)

Amend the title of the bill by replacing it with the following:

AN ACT adopting the uniform foreign depositions law.

Amend the bill by deleting section 2 and renumbering the original section 3 as 2.

AMENDED ANALYSIS

This bill adopts the uniform foreign depositions law.

HB 387-L, extending municipal immunity from liability for injuries from accidents caused by snow and ice in municipal parking lots. **INEXPEDIENT TO LEGISLATE**

Rep. Cynthia A. McGovern for Judiciary and Family Law: The sponsor requested that this bill be withdrawn. Vote 13-0.

HB 341, relative to filing lucky 7 applications with the sweepstakes commission. **OUGHT TO PASS**

Rep. Linda T. Foster for Local and Regulated Revenues: These "housekeeping" changes were suggested by the Sweepstakes Commission and are the result of a recent audit. The language regarding the Lucky 7 applications now mirrors the language regarding Bingo. There is no policy change. Vote 13-0.

HB 349, repealing certain pari-mutuel laws relative to racing funds, disbursements of the funds and records of receipts. **OUGHT TO PASS**

Rep. Jean R. Wallin for Local and Regulated Revenues: This is a housekeeping bill that removes references to certain outdated statutes. Vote 13-0.

HB 427-LOCAL, allowing a municipality to adopt a local meals and rooms tax. **INEXPEDIENT TO LEGISLATE**

Rep. Robert N. Kelley for Local and Regulated Revenues: This bill was voted as inexpedient to legislate. The sponsor appeared and requested the bill to be withdrawn. The committee complied with the request. Vote 12-0.

HB 210, requiring that an applicant to a planning or zoning board wishing to subdivide property supply the names of holders of conservation or preservation restrictions on the subdivision property, who will then be notified by the board. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert A. Lockwood for Municipal and County Government: This bill requires that an applicant to a planning or zoning board wishing to subdivide property supply the names of holders of conservation preservation or agricultural preservation restrictions of the subdivision property who will then be notified by the board. The amendment adds the category "Agriculture" to the original bill. The committee was unanimous in its agreement that passage of the bill is the right thing to do. Costs of this process shall be borne by the applicant. Vote 16-0.

Amendment (0176h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring that an applicant to a planning or zoning board wishing to subdivide property supply the names of holders of conservation, preservation, or agricultural preservation restrictions on the subdivision property, who will then be notified by the board.

Amend the bill by replacing all after the enacting clause with the following:

1 Conservation, Preservation, or Agricultural Preservation Restrictions; Names of Holders Required for Subdivision Application to Planning or Zoning Board. Amend RSA 676:4, I(b) to read as follows:

(b) The planning board shall specify by regulation what constitutes a completed application sufficient to invoke jurisdiction to obtain approval. A completed application means that sufficient information is included or submitted to allow the board to proceed with consideration and to make an informed decision. A completed application sufficient to invoke jurisdiction of the board shall be submitted to and accepted by the board only at a public meeting of the board, with notice as provided in subparagraph (d). The applicant shall file the application with the board or its agent at least 15 days prior to the meeting at which the application will be accepted. The application shall include the names and addresses of the applicant, **all holders of conservation, preservation, or agricultural preservation restrictions as defined in RSA 477:45**, and all abutters as indicated in the town records for incorporated towns or county records for unincorporated towns or unorganized places not more than 5 days before the day of filing. Abutters shall also be identified on any plat submitted to the board. The application shall also include the name and business address of every engineer, architect, land surveyor, or soil scientist whose professional seal appears on any plat submitted to the board.

2 Application for Subdivision; Notice by Planning or Zoning Board to Holders of Conservation, Preservation, or Agricultural Preservation Restrictions. Amend RSA 676:4, I(d) and (e) to read as follows:

(d) Notice to the applicant, **holders of conservation, preservation, or agricultural preservation restrictions**, abutters, and the public shall be given as follows: The planning board shall notify the abutters, the applicant, **holders of conservation, preservation, or agricultural preservation restrictions**, and every engineer, architect, land surveyor, or soil scientist whose professional seal appears on any plat submitted to the board by certified mail of the date upon which the application will be formally submitted to the board. Notice shall be mailed at least 10 days prior to submission. Notice to the general public shall also be given at the same time by posting or publication as required by the subdivision regulations. The notice shall include a general description of the proposal which is the subject of the application and shall identify the applicant and the location of the proposal. For any public hearing on the application, the same notice as required for notice of submission of the application shall be given. If notice of public hearing has been included in the notice of submission or any prior notice, additional notice of that hearing is not required nor shall additional notice be required of an adjourned session of a hearing with proper notice if the date, time, and place of the adjourned session was made known at the prior hearing. All costs of notice, whether mailed, posted, or published, shall be paid in advance by the applicant. Failure to pay such costs shall constitute valid grounds for the planning board to terminate further consideration and to disapprove the plat without a public hearing.

(e) Except as provided in this section, no application may be denied or approved without a public hearing on the application. At the hearing, any applicant, ~~[any]~~ **holder of conservation, preservation, or agricultural preservation restriction**, or any person with a direct interest in the matter may testify in person or in writing. Other persons may testify as permitted by the subdivision regulations or the board at each hearing. Public hearings shall not be required, unless specified by the subdivision regulations, when the board is considering or acting upon:

(1) Minor lot line adjustments or boundary agreements which do not create buildable lots, except that notice to abutters **and holders of conservation, preservation, or agricultural preservation restrictions** shall be given prior to approval of the application in accordance with subparagraph (d) and any abutter **or holder of conservation, preservation, or agricultural preservation restrictions** may be heard on the application upon request; or

(2) Disapprovals of applications based upon failure of the applicant to supply information required by the regulations, including ~~[abutters']~~ **identification of abutters or holders of con-**

ervation, preservation, or agricultural preservation restrictions; or failure to meet reasonable deadlines established by the board; or failure to pay costs of notice or other fees required by the board.

3 Design Review Phase; Notice to Holders of Conservation, Preservation, or Agricultural Preservation Restrictions. Amend RSA 676:4, II(b) to read as follows:

(b) Design review phase. The board or its designee may engage in nonbinding discussions with the applicant beyond conceptual and general discussions which involve more specific design and engineering details; provided, however, that the design review phase may proceed only after identification of and notice to abutters, *holders of conservation, preservation, or agricultural preservation restrictions*, and the general public as required by subparagraph I(d). Statements made by planning board members shall not be the basis for disqualifying said members or invalidating any action taken.

4 Expedited Review; Notice to Holders of Conservation, Preservation, or Agricultural Preservation Restrictions. Amend RSA 676:4, III to read as follows:

III. A planning board may, by adopting regulations, provide for an expedited review and approval for proposals involving minor subdivisions which create not more than 3 lots for building development purposes or for proposals which do not involve creation of lots for building development purposes. Such expedited review may allow submission and approval at one or more board meetings, but no application may be approved without the full notice to the abutters, *holders of conservation, preservation, or agricultural preservation restrictions*, and public required under subparagraph I(d). A hearing, with notice as provided in subparagraph I(d), shall be held if requested by the applicant ~~(or)~~, abutters, *or holders of conservation, preservation, or agricultural preservation restrictions* any time prior to approval or disapproval or if the planning board determines to hold a hearing.

5 Revocation of Application; Notice to Holders of Conservation, Preservation, or Agricultural Preservation Restrictions. Amend RSA 676:4-a, II to read as follows:

II. Prior to recording any revocation under this section, the planning board shall give notice, as provided by RSA 676:4, I(d), to the public, the applicant or the applicant's successor in interest, and all abutters *and holders of conservation, preservation, or agricultural preservation restrictions*. The notice shall include the board's reasons for the revocation. A hearing with notice as provided in RSA 676:4, I(d) shall be held at the request of any party receiving such notice, submitted within 30 days of receiving such notice, or if the planning board determines to hold a hearing.

6 Appeal to the Zoning Board of Appeals; Notice to Holders of Conservation, Preservation, or Agricultural Preservation Restrictions. Amend RSA 676:7, I(a) to read as follows:

(a) The appellant and every abutter *and holder of conservation, preservation, or agricultural preservation restrictions* shall be notified of the hearing by certified mail stating the time and place of the hearing, and such notice shall be given not less than 5 days before the date fixed for the hearing of the appeal. The board shall hear all abutters *and holders of conservation, preservation, or agricultural preservation restrictions* desiring to submit testimony and all nonabutters who can demonstrate that they are affected directly by the proposal under consideration. The board may hear such other persons as it deems appropriate.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that an applicant to a planning or zoning board wishing to subdivide property supply the names of holders of conservation, preservation, or agricultural preservation restrictions on the subdivision property. The board is then required to notify those holders of conservation, preservation, or agricultural preservation restrictions of the application for subdivision and other proceedings.

HB 215, relative to taxation of discretionary easements. **OUGHT TO PASS**

Rep. Kathrine H Metzger for Municipal and County Government: This bill just clarifies RSA 79-C that grandfathers discretionary easements granted prior to August 2, 1996. Everyone that spoke was in favor. There was no opposition. Vote 14-0.

HB 185-FN-A-L, requiring the state to maintain the veterans' portion of the Park Cemetery in Tilton and making a continuing appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Paul I. LaMott for Public Works and Highways: Although this bill is well intentioned, it is found inexpedient because the funds (\$500.00) requested are currently available to the New Hampshire Veteran's Home for cemetery maintenance in Tilton. The committee has been assured that cemetery maintenance and responsibility therefore will be assumed by the Adjutant General when the new state veteran's cemetery becomes operative in September 1997. The committee is receptive to looking at this idea in the future if the aforementioned plans do not work out. Vote 15-2.

HB 194-FN, requiring any person erecting, installing, maintaining or exercising control over a mooring on Ossipee Lake to obtain a mooring permit from the division of safety services, department of safety. **OUGHT TO PASS**

Rep. Michael D. Whalley for Resources, Recreation and Development: This bill requires any person erecting, installing, maintaining or exercising control over a mooring on Ossipee Lake to obtain a mooring permit from the Division of Safety Services, Department of Safety. Presently, state law requires that moorings on lakes Winnepesaukee, Winnisquam, Squam, Newfound, and Sunapee be permitted. The Resources, Recreation and Development Committee agrees with the sponsor and believes that the development of congregate mooring fields on Lake Ossipee have created a situation which warrants Lake Ossipee to be added to the list of lakes where mooring permits are required. Vote 15-0.

HB 285, relative to the official name of the "Old Man of the Mountain." **OUGHT TO PASS WITH AMENDMENT**

Rep. William E. Williams, Jr. for Resources, Recreation and Development: The committee recognized the importance of establishing the correct reference for one of our state's most treasured sites. Over the years, the name, "Old Man of the Mountain", has been altered to "Mountains" and/or "Man of the Mountains", etc. Since this historic site has its own recently dedicated museum at Cannon Mountain and appears on many state designations, its location and its correct name should be in statute. Vote 15-1.

Amendment (0091h)

Amend RSA 216-A:6-a as inserted by section 1 of the bill by replacing it with the following:
216-A:6-a Old Man of the Mountain; Official Designation. Pursuant to RSA 4:43, the general court hereby designates and names the granite formation on the eastern slope of Cannon Mountain in Franconia as the "Old Man of the Mountain."

AMENDED ANALYSIS

This bill designates the official name of the granite formation on the eastern slope of Cannon Mountain in Franconia as the "Old Man of the Mountain."

HR 11, urging the state conservation tree-planting program to utilize members of youth groups to plant trees. **INEXPEDIENT TO LEGISLATE**

Rep. Mary Ann N. Blanchard for Resources, Recreation and Development: There is merit to the sponsor's concerns about the need for tree planting to prevent erosion and mud slides. However, New Hampshire Forestry Practices, the efforts of the Urban Forestry experts and the cooperating extension forestry agents all insure vigorous efforts to replant trees in New Hampshire with cooperation from youth groups. Vote 16-0.

HB 424, postponing the implementation of alternative fuel motor vehicle fleet requirements for 2 years. **OUGHT TO PASS**

Reps. Naida Kaen and Terie T. Norelli for Science, Technology and Energy: This bill delays a federally-mandated program. The federal government is behind schedule in writing the rules for its implementation. The necessary infrastructure does not yet exist and the environmental effectiveness and cost-effectiveness is questionable. Vote 14-0.

HCR 3, urging the United States Congress to propose and support legislation overturning a U.S. Appeals Court decision limiting credit union membership. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas A. Varrell for State-Federal Relations and Veterans Affairs: This HCR as presented was only supported by the sponsor. There were no other speakers either supporting or opposing this HCR. At this time any resolution regarding overturning the United States Appeals Court decision is premature since this decision has not yet been reviewed at all levels of the judicial pro-

cess. There remain two options open to the federally chartered credit unions: these options are either to conform to their original charter which establishes the criteria for their field of membership; or by applying for a state credit union charter establishing an expanded, reduced or similar criteria for their field of memberships. Vote 17-0.

HB 123, relative to reduced speed limits in school zones during school openings and closings. **OUGHT TO PASS**

Rep. Gordon E. Bartlett for Transportation: By adding the word "each" to RSA 265:60, II, it further clarifies the time period for school zone speed limits. Vote 17-0.

HB 226, relative to the composition of the aviation users advisory board. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert H. Milligan for Transportation: After a discussion with the Director of Aeronautics of New Hampshire and the agreement by all parties involved, the term Assistant shall be dropped, all else shall remain the same. Vote 17-0.

Amendment (0055h)

Amend the bill by replacing section 1 with the following:

1 Designee Authorized. RSA 21-L:8, I(g) is repealed and reenacted to read as follows:

(g) The commissioner, or designee, who shall serve as an ex officio voting member of the board.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Assistant Commissioner Changed to Commissioner or Designee. Amend RSA 21-L:8, II to read as follows:

II. Except for the ~~assistant~~ commissioner, *or designee*, board members shall serve for a term of 4 years. Board members shall not serve more than 2 consecutive terms. The board shall annually elect from among its members a chairman.

AMENDED ANALYSIS

This bill requires the commissioner of transportation to serve on the aviation users advisory board and authorizes the commissioner to appoint a designee.

HB 267, prohibiting petroleum-powered motors on Little Dan Hole Pond in the town of Ossipee. **OUGHT TO PASS**

Rep. Ralph L. Akins for Transportation: Since 1904, Little Dan Hole Pond has been the drinking water supply for Center Ossipee, and use of petroleum motors were prohibited. As of August 1996, Center Ossipee has a new source of drinking water. Little Dan Hole is a shallow pond covering 70 acres. The bottom of the pond has a high concentration of organic matter. The concern is that without the drinking water restriction against petroleum motors, the use of these motors would stir up the bottom of the pond changing the quality of the water and eco-system of the pond. This bill would replace the restrictions against petroleum powered motors that lapsed in August of 1996. Vote 17-0.

HB 296, relative to airways toll moneys and aircraft operating fee revenues. **OUGHT TO PASS WITH AMENDMENT**

Rep. George N. Katsakiores for Transportation: This bill, as amended, provides that one quarter of aircraft operating fee revenues shall, upon application, be paid to cities or towns aeronautical funds and used for aeronautical purposes. The remaining funds shall be deposited into the general fund. Vote 17-0.

Amendment (0074h)

Amend RSA 422:42, II as inserted by section 2 of the bill by replacing it with the following:

II. Disbursements of revenue from the aircraft operating fee shall be made by the department after collection of such fees provided that one-quarter of aircraft operating fee revenues originating at a publicly or privately owned airport shall be available for public use and shall, upon application, be paid over to the aeronautical fund established for that airport and shall be used for aeronautical purposes.

REGULAR CALENDAR

HB 110, relative to the use of and school district liability for the use of district computer systems and networks. **OUGHT TO PASS WITH AMENDMENT**

Rep. Bernard J. Leubkert for Education: The majority of the committee saw the need for the school districts to have policies assigning legal responsibility for misuse of computer equipment. The amendment broadens the scope to allow policies to cover new technologies unforeseen today. Vote 12-3.

Amendment (0157h)

Amend the bill by replacing all after the enacting clause with the following:

I New Section; School District Liability for Use of Computer Systems and Networks. Amend RSA 194 by inserting after section 3-c the following new section:

194:3-d School District Computer Networks.

I. Every school district which has computer systems or networks shall adopt a policy which outlines the intended appropriate and acceptable use, as well as the inappropriate and illegal use, of the school district computer systems and networks including, but not limited to, the Internet.

II. All users of a school district's computer systems or networks shall assume legal and financial liability for any intentional violation of the district's policy. For purposes of this section; "user" means any person authorized to access the school district's computer systems or networks including, but not limited to, the Internet.

2 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill provides that every school district shall adopt a policy relative to the use of school district computer systems and networks and that the district shall not assume any financial or legal liability for the use of such computer systems or networks by an authorized user. Such systems or networks shall include, but not be limited to, the Internet.

Adopted.

Rep. Belvin yielded to questions.

Report adopted and ordered to third reading.

HB 230, establishing a committee to study the school building aid system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jane O'Hearn for Education: This legislation calls for a committee to study the issues relating to the school building aid system. The amendment brings House and Senate committee membership into balance and calls for analysis of various future funding sources. Vote 16-0.

Amendment (0067h)

Amend the bill by replacing sections 2 and 3 with the following:

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Two members of the house education committee, appointed by the speaker of the house.

(c) Two members of the house finance committee, appointed by the speaker of the house.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall examine issues relating to the school building aid system and study various revenue sources, including a portion of the real estate transfer tax, for such purpose.

AMENDED ANALYSIS

This bill establishes a legislative committee to study issues relating to revising the school building aid system and study various revenue sources, including a portion of real estate transfer tax, for such purpose.

Adopted.

Report adopted and ordered to third reading.

CACR 6, relating to term limits for state representatives and senators. Providing that the terms of office for members of the New Hampshire house and senate shall be limited to 12 consecutive years. **INEXPEDIENT TO LEGISLATE**

Rep. Natalie Flanagan for Election Law: This CACR was discussed and it was decided that the ballot box was still the best judge of term limits. Vote 13-2.

Rep. Cobbin requested a roll call; sufficiently seconded.

The question being the adoption of the report.

CACR 7, relating to term limits for United States Representatives and Senators. Providing that the terms of office for the members of the United States Congress from New Hampshire shall be limited to 12 consecutive years, so long as such restriction does not violate the United States Constitution. **INEXPEDIENT TO LEGISLATE**

Rep. Natalie Flanagan for Election Law: This CACR has been ruled unconstitutional by the Supreme Court. It is up to members of the Congress and U.S. Senate to vote to change this. Vote 13-2.

Adopted.

HB 362, creating a cause of action for civil damages for noncompliance with minimum housing standards. **INEXPEDIENT TO LEGISLATE**

Rep. Kevin H. Smith for Judiciary and Family Law: The committee feels that adequate provisions already exist in current law giving tenants the ability to obtain relief. Additionally, we feel the monetary penalty may open the landlord up to frivolous litigation. Vote 10-8.

Adopted.

HB 279, relative to elderly exemptions from the property tax. **INEXPEDIENT TO LEGISLATE**
Rep. Stephen G. Avery for Local and Regulated Revenues: The few dollars that local communities may receive if this bill were adopted would be more than offset by the increased administrative burden and costs that would be required. It would also complicate the process for setting local property tax rates because the April 1st town-wide valuation, on which the rate is based, could and often would change right up to the date the DRA set the tax rate if this were law. Vote 14-0.

Adopted.

HB 489-L, requiring an annual cost of living adjustment for elderly exemptions to the property tax. **INEXPEDIENT TO LEGISLATE**

Rep. Linda T. Foster for Local and Regulated Revenues: A completely revised elderly exemption will be voted on at local meetings in 1997 and will go into effect on Jan. 1, 1998. It allows municipalities to tailor the exemption to the needs of their individual communities. The committee believes that the new statute should be allowed to work before more changes are proposed. Vote 13-0.

Adopted.

HB 148, prohibiting a member of the state board of education from simultaneously serving as a state representative or senator. **INEXPEDIENT TO LEGISLATE**

Rep. Kenneth W. Malcolm for Legislative Administration: This bill singles out membership on one specific major policy board while other board memberships are not involved. Therefore, this bill is voted inexpedient. Vote 10-5.

Rep. Champagne spoke against and yielded to questions.

Rep. Channing Brown spoke in favor.

On a division vote, 209 members having voted in the affirmative and 139 in the negative, the report was adopted.

Rep. Musler declared a conflict of interest and did not participate.

SB 108, authorizing school boards of multi-town school districts which have adopted the official ballot referendum form of meeting to establish polling places in addition to the districts' central polling places for the 1997 and 1998 annual meetings. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Robert W. Brundige for Municipal and County Government: The majority of the committee feels that this bill enables the SB2 multi-district school district to allow the voters the opportunity in 1997 and 1998 to vote in their home districts to enable more voters to participate which was the original intent of SB2. Vote 12-4.

Rep. Paul A. McGuirk for the Minority of Municipal and County Government: The minority of the Municipal and County Government Committee believes that a multi-town school district should follow the same law as a town and seek voter approval before creating additional polling places (RSA 658:10) SB 108 is an attempt to circumvent voter participation in the decision making process and allows an elected board to expend scarce funds from existing educational programs for purposes which were not voted and approved by the voters.

Amendment (0192h)

Amend the bill by replacing section 1 with the following:

1 Additional Polling Places for Multi-Town School Districts for 1997 and 1998 Annual Meetings. To facilitate voting for the second session of 1997 and 1998 annual or special meetings only, the governing body of a multi-town school district which has adopted the official ballot referendum form of meeting may authorize the establishment of additional polling places within the district to best accommodate the voters. The school district moderator shall supervise the election process and appoint an assistant moderator for each additional polling place and the school district clerk shall appoint an assistant clerk for each additional polling place. Each assistant moderator and assistant clerk shall have their domicile in the town covered by the additional polling place where they will serve. The powers and duties of the assistant moderator and the assistant clerk shall be the same as those of the moderator and the clerk at the central polling place except as otherwise provided in the election laws. The inspectors of elections appointed as provided in RSA 658:2 shall be sworn in by the assistant moderator before entering upon their duties. All additional costs resulting from the establishment of additional polling places shall be borne by the school district. Adopted.

Rep. McGuirk spoke against and yielded to questions.

Reps. Brundige and Jeb Bradley spoke in favor and yielded to questions.

Rep. Wheeler requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

HB 214, relative to forest product purchasers and loggers. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE

Rep. Peter O. Crowell for the Majority of Resources, Recreation and Development: New Hampshire's Forest Resources Plan is an attempt by the industry to regulate itself by promoting good forestry practices such as supporting New Hampshire's Certified Professional Logger program; promoting free enterprise, market solutions to achieve sustainable forest management; encouraging wood-using industries to assert greater positive influence over the forest practices used to harvest wood they purchase. This bill undermines efforts by industry to police itself by insisting forest product purchasers cannot be selective in making their raw material purchases from whom they choose. Vote 11-5.

Rep. Rep. William E. Williams, Jr. for the Minority of Resources, Recreation and Development: This bill attempts to correct a possible discriminatory practice to be instituted by a major paper manufacturer. They have indicated their intention not to procure wood products from any uncertified logger. The logger certification program is an excellent one and is voluntary, not mandatory. By instituting this practice, the paper company has created a serious breach between itself and the independent logger. The minority believes this problem can be rectified by the committee through discussion with all parties and can resolve any existing negative feelings if this bill is re-referred. Majority report adopted.

REVENUE ESTIMATES

Rep. Weyler spoke on Revenue Estimates and yielded to questions.

Clerk's note: The Revenue Estimates are contained in House Resolution No. 19 and are printed in the Journal dated February 19, 1997.

RECESS

SENATE MESSAGE

The Senate is ready to meet in Joint Convention for the purpose of hearing Governor Jeanne Shaheen deliver her budget message.

JOINT CONVENTION

(Speaker Sytek presiding)

Executive Councilors Spaulding Griffin and Normand joined the Joint Convention.

Her Excellency, Governor Jeanne Shaheen, addressed the Joint Convention.

Madam Speaker, Mr. President, Honorable members of the Governor's Council and the House and the Senate, my fellow citizens of New Hampshire.

Before I begin my formal remarks this morning, I am very pleased to make an announcement. I am very pleased to announce that late yesterday afternoon the teams that have been negotiating the new contract for state employees reached an agreement. The agreement will cover the majority of state employees. Under the rules of collective bargaining I am not able to announce the details of the agreement. But, I can tell you that I believe that it is a good deal for both sides on all of the issues under consideration. I can also tell you that I believe the budget that I am submitting this

morning will support the agreement that has been reached. I want to congratulate the state negotiating team headed by Tom Manning. That team included Jeff Rafn, Doug Patch, John Ratoff and Barbara Reid. I also want to congratulate Ward Freeman, Charles Coombs and the rest of the state employee bargaining team. I hope you will join me in giving them all a round of applause. I also want to announce, before I go further - or want to recognize - those people who have worked so hard to put this budget together. First of all, my team who have been working since shortly after the election, mostly in a volunteer capacity, to help put together a budget. They are here this morning: Ralph Brickett who has served with the last nine governors - Ralph is standing up in the balcony. Actually, I will ask that you hold the applause to the end, although Ralph sort of deserves his own applause, I think. Anybody who can stay here through nine governors deserves a round of applause. And then there are Pat Oliver who was the budget director for Judd Gregg; Ned Densmore, who is a former state legislator and served on the House Appropriations Committee; and of course, my budget director, Charlie Connor. I have to tell you I got very nervous at one point when we were working on the budget because Don Hill talked about my liberal budget team. For those of you that remember Pat Oliver, Ralph Brickett and Ned Densmore, I wouldn't exactly call them a liberal budget team. I also want to recognize and thank Commissioner Don Hill and his dedicated staff at Administrative Services. They have worked nights and weekends, put in very long hours to make this budget possible and I hope you would join me in giving them a round of applause.

I come to this Chamber as a parent and former teacher who understands the importance of education. I come to this Chamber as a former owner of a small business who understands the importance of meeting a payroll and balancing a budget. I come to this Chamber as a former State Senator who has worked with you to address the challenges facing our state. I know what a difficult task is before you. Today, I come to this Chamber as a Governor who is making the tough choices with a clear eye on the bottom line. Today I am presenting a budget that I believe refocuses our priorities and invests in New Hampshire's future.

This is a balanced budget. In fact, this budget has a surplus. As promised, we have balanced the budget without a broad-based sales or income tax. This is an honest budget and this is a responsible budget. We inherited a \$37 million deficit. We have confronted and closed that deficit. This budget is based on sound fiscal policy. It not only eliminates the budget deficits of the past two years, but it also closes the structural deficit between revenues and expenditure. This is a budget that begins with honoring our existing commitments. Without our action to close the deficit, the financial rating agencies have suggested that our state's bond rating could be in jeopardy and we could face higher borrowing costs. This budget should reassure the rating agencies that we have restored integrity to the budget process.

This is a realistic budget. Too often in recent years our budgets have failed to address some of the very real needs of our state and our citizens. Too often, we have not recognized the difference between spending and investing. This is a budget that recognizes that we need to hold the line on spending but we must invest in New Hampshire's future. When agency and department heads came to me with their budget requests, I cut more than \$100 million from those requests and I held the line on spending. There is not one new program in this budget. And at the end of the upcoming biennium, there will be fewer positions in state government than at the end of the current biennium.

But this budget also recognizes that we must invest in New Hampshire's future: in our children, in the allure of our natural beauty, in the roads and bridges that are the lifeline of our state's economy and in helping our businesses to grow and create good jobs. For example, this budget recognizes that it makes sense to invest in promotion and advertising for tourism. For every dollar we invest in our tourism industry, we get \$7 in return to our economy. That is why we are investing \$100,000 in each year of this budget to promote New Hampshire internationally and to make New Hampshire a destination for people, not just from other states, but from other countries. But I know we need to do more. In the next few weeks we will be working with the tourism industry and state officials to develop new ways to significantly increase our efforts to promote and market our great state.

As with our operating budget, our capital budget focuses on funding our existing commitments. The Brown building at the State Hospital is a good example. To date, the State has invested almost \$8 million in this renovation project. But we cannot move a single state employee into the Brown building until we build a parking garage. My capital budget fulfills that commitment. I think that is common sense. This operating budget also recognizes that it makes sense to invest in the roads and bridges that are the economic lifeline of our state. New Hampshire now ranks near the bottom in the nation in the condition of our roads and bridges. At the rate we're going, our ten-year high-

way plan is going to take 20 years to complete. To reverse this trend, this budget invests the entire existing \$30 million highway fund surplus directly into construction of roads and bridges. In the next biennium, we propose to spend an additional \$10 million from that fund in each year for projects in our ten-year highway plan. Furthermore, instead of the "soft" money that we have used in the past to match federal dollars, I am proposing that we match federal funds with real "hard" state dollars to generate the maximum amount of construction possible. That investment will allow us to accelerate projects in the ten-year plan. In Manchester, for example, this will mean critical resurfacing, safety improvements and bridge repairs on I-93, four years ahead of schedule. In Northwood, for all of us who drive Route 4, this will improve the intersection of Routes 4, 202 and 43 a year early. In Henniker, it will help with bridge repair and rehabilitation on Route 114 over the Contoocook River. We are also adding \$4 million from the highway fund each year for the Betterment Program to resurface approximately 250 more miles of roads. That would double the effort currently planned for 1997. We are increasing assistance to local communities to help them repair and replace aging bridges. This budget includes an additional \$3.5 million each year to replace so-called "red list" bridges, those bridges in need of critical repair.

This budget not only improves our roads, but makes our streets safer from crime. To confront juvenile crime, we are addressing the historical shortage in basic operating expenses and space for Youth Development Services. I'm going to digress from my text a little bit, because one of the things that I was amazed about as we went through the budget is to learn that in past years, we have not budgeted a line for utility expenses at the Youth Development Center. We know we have to pay it, but we have not been willing to be honest and say that that is a cost we must incur let's budget it and let's pay it. That is in this budget. Our capital budget includes funding for restoring Pine Crest Cottage at the Youth Development Center to provide space for additional juvenile offenders. To prevent young adult offenders from becoming career criminals, we are investing in the Pathways Program that provides inmates with a rigorous and intensive program of technical education, substance abuse treatment, counseling and job training. We have also added three criminologists with expertise in DNA analysis to make sure law enforcement has the most advanced technology available.

Reflecting the lower welfare caseloads, this budget reduces the rate of growth at Health and Human Services. Although welfare caseloads are decreasing, we are expanding child care and job training assistance to help people get the support they need to go back to work and to stay working. And, yes, we are increasing our investment in home-based care for the developmentally disabled by \$4.8 million so that we can finally reduce the waiting list for services. This budget also provides incentives to shift from nursing home services to home-and-community-based care so that more of our elderly can stay in their homes and in their neighborhoods and maintain their independence and their dignity.

Now, as you know, the court system is exempt from complying with the Governor's budget request. However, I believe that the courts' requested level of funding can be reduced in each year and still allow for sufficient levels of growth. In addition, I will be working with the court system in the coming weeks to develop a strategy to address the backlog in the Manchester and Nashua District Courts, and to address that backlog without adding new judges, without adding new positions. I believe we don't need additional judges in order to address the problems in those courts.

We also recognize that the burden of local property taxes is putting too much pressure on the pocketbooks of many New Hampshire families. This budget sends more money back to New Hampshire's cities and towns. I don't know if all of you can see the pie chart that very graphically demonstrates the change in funding going back to cities and towns in this budget. This budget sends more money back to cities and towns — nearly \$68 million more during the next two years — much of it to help improve our schools.

And that is the hallmark of this budget. This budget is about education. It is about investing in New Hampshire's kids and investing in New Hampshire's future. There is simply nothing more important. That is why I have increased total state education funding in this budget by 40 percent. If we are going to compete in the global economy of the future, we must invest in education. Over the past decade, the gap between the rich and the poor has increased dramatically. Education is the key to future earnings capacity. The average high school graduate earns \$16,800 a year. With an associate's degree, income increases to \$24,000 a year. With a bachelor's degree, income increases to \$31,200 a year. If we are going to have the trained and skilled work force we need to compete in the future, New Hampshire must invest in education.

That investment begins with kindergarten. We must make kindergarten available to every five-year old in New Hampshire. We must keep that promise. Kindergarten changes lives. The facts are clear. Kindergarten improves the chances that children will do well in school and later in life. Kindergarten helps keep our kids in school. Children who attend kindergarten repeat grades less often. They are more likely to graduate from High School and they are less likely to become juvenile delinquents. Public kindergarten is a good investment.

Today I am proposing a kindergarten program to help every school district pay the cost of public kindergarten. I plan to double the current level of aid by sending \$1,000 per child to each and every school district for kindergarten. This plan would make over \$20 million available to our local school districts over the next two years. This program will make an enormous difference to cities and towns across New Hampshire. In communities without kindergarten, the plan will provide an incentive to start new kindergarten programs. In Dover it could mean \$300,000 for kindergarten; in Hudson it could mean \$415,000; and in Milford, more than \$245,000. In communities currently offering public kindergarten, this plan will provide much-needed relief. For Manchester it will mean more than \$1.1 million and for Nashua, more than \$1 million.

Most school districts that do not offer public kindergarten need new classrooms to provide it. That is why the kindergarten legislation I will introduce next week will propose full state funding – 100 percent state funding – to cover construction costs for new kindergarten programs. In addition, school districts that already operate public kindergarten programs will be eligible for kindergarten building aid. The state will cover 75 percent of the costs of new kindergarten construction for those school districts. The plan will be funded with state bonds for kindergarten construction, up to \$30 million during the five-year period beginning July 1, 1997 and ending June 30, 2002.

Earlier this week I visited Chichester Central School to talk about this new kindergarten construction plan. Chichester is just one community in our state where making kindergarten a reality demands an investment in construction of classrooms themselves. We must provide public kindergarten for every community in New Hampshire that wants it. I urge you to support this budget and stand with me to make kindergarten available to every five-year old in our state.

This budget also invests in other critical education programs. If you will look at the pie chart, you can see where the education dollar is going. We are increasing funding for reading recovery because we know kids who can read do better in school. We have fully funded the assessment program so that we can continue to test students on what they are learning in the classroom. Furthermore, we have made it possible to take the information that is learned from these tests and to use it to help schools improve students' performance. This budget invests \$100,000 over the next two years to expand the registered apprenticeship program so that apprenticeships will be available statewide as part of our developing system of school-to-work programs. Recognizing the increasing importance of technology, we are adding four new positions within the Department of Education to help local school districts implement technology into their schools. We are fully funding school building and catastrophic aid, programs that we have promised cities and towns that we would help them pay. An additional \$8 million will be available to local school districts from catastrophic aid alone.

We are increasing support for both our university system and our system of community technical colleges. We are not giving them as much as they want, but we are increasing support because we know that they are crucial to providing the skilled workers and the workforce development that we need to compete in the global economy of the future. We have restored funding for the community technical colleges' challenge grants, which provide critical training funds to business and industry. We have also restored funding for the Industrial Research Center at the University of New Hampshire. That Center is so important in providing research assistance to small and medium size businesses. Each of these investments dramatically increases education aid to cities and towns. In addition, this budget increases the local share of the rooms and meals tax as this legislature decided it should several years ago, by an additional \$11.4 million and provides an additional \$4.2 million in local environmental grants. And again, you can see on this chart the difference this budget will provide in assistance to local cities and towns.

If we are to make these investments in education, restore fiscal integrity and deliver on our promises that we have made to local communities, we must enact a 25-cent increase in New Hampshire's cigarette tax. Even with that 25-cent increase, our cigarette tax will still be lower than the taxes of every other New England state except Maine, where they are now considering a 37-cent increase.

Our cigarette tax will still be significantly lower than those of Massachusetts and Canada, where most of our cross-border traffic occurs. And passing the cigarette tax increase effective April 1st will allow us to responsibly narrow the outstanding \$37 million budget deficit that we have inherited. Raising the cigarette tax is not only good fiscal policy, it is good health policy. New Hampshire has the third highest teen smoking rate in the country. We know that raising the cigarette tax will deter our children from smoking and it will significantly reduce health care costs.

Together we can make an extraordinary difference for New Hampshire. Together we can invest in New Hampshire's children, in New Hampshire's communities, in New Hampshire's economy and in New Hampshire's future. Together we can make a difference in the state we serve and in the lives of the people we represent.

Let us agree that our children deserve an education that prepares them for the good jobs of tomorrow; that New Hampshire's children should not be the only children in America without public kindergarten. Let us agree that we must invest in New Hampshire, strengthening our economy, creating jobs, providing opportunity and securing a prosperous future. Let us agree that we must have a budget that is honest, that is balanced and responsible; making the tough choices and keeping the important promises. The people of New Hampshire expect and deserve nothing less. Thank you and I look forward to working with you in the coming months as we craft a budget together.

Sen. Barnes and Rep. Wheeler moved that the Joint Convention arise.

Adopted.

The Joint Convention adjourned.

RECESS

(Speaker Sytek in the Chair)

Rep. Lozeau moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 8

Wednesday, February 19, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

Many times we come before You, O God, not knowing exactly what to say, unable or unwilling to find the words that can express our deepest frustrations or our greatest yearnings. But stumbling over the thoughts of our hearts and the confusion of our minds we come before You as we are, with nothing less and nothing more than the offering of ourselves, in the hope that You will receive our glimpses of truth and fragments of faith and fashion them into a more abiding beauty for Your sake and in Your own good time. Amen.

Reps. McRae and Turner led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Clay, Crosby, Felch, Franks, Beverly Gage, Guay, Hawkinson, Cecelia Kane, Lovejoy, Morris, O'Connell, O'Rourke, Paul Taylor, Vincent and Carol Ann Williams, the day, illness.

SENATE MESSAGE

CONCURRENCE

HB 193, to amend the procedures for the election of officers in the Lebanon school district.

HOUSE RESOLUTION NO. 19

affirming unrestricted revenue estimates for fiscal years 1998 and 1999.

Whereas, the House Finance Committee has considered what the unrestricted revenue estimates should be for fiscal years 1998 and 1999 and has presented those estimates to the House of Representatives; now, therefore, be it

Resolved by the House of Representatives:

That the House wishes to go on record as affirming the following revenue estimates for fiscal years 1998 and 1999 and also takes note of the following revenue figures presented here for fiscal years 1996 and 1997:

Committee estimates are based on current rates.

LAID ON THE TABLE

Rep. Kurk moved that **HR 19**, affirming unrestricted revenue estimates for fiscal years 1998 and 1999, be laid on the table.
Adopted.

COMMITTEE REPORTS**CONSENT CALENDAR**

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 499, establishing a committee to study the provision by the state of certain economic, medical and social support services to individuals whose misconduct resulted in the need for service, removed by Rep. Rosen.

HB 315-L, expanding certain financial powers of village districts, removed by Rep. Cobbin.

HB 509-A, relative to repairing and resurfacing the access road to the Gunstock Ski Area, removed by Rep. Rice.

HB 403, prohibiting the use of trotlines to take fish, removed by Rep. Vaillancourt.
Consent Calendar adopted.

HB 180, establishing a study committee to examine changes to the law necessary to allow electronic corporations to incorporate in New Hampshire. **INEXPEDIENT TO LEGISLATE**
Rep. Gregory G. Carson for Commerce: This legislation addresses two possible issues to study: The creation of a new form of corporate entity, and the changing of current law in order to attract new businesses to New Hampshire. There was no interest from either the business or legal community in creating a new form of corporate entity. As to the second issue, there are other groups statutorily and private sector organized, currently addressing economic development, including electronic commerce based businesses. Vote 18-0.

HB 222-L, relative to pooled risk management programs. **OUGHT TO PASS**

Rep. Richard H. Krueger for Commerce: In 1987 legislation was passed establishing the criteria which determined the makeup of the boards of trustees for pool risk management entities. At that time boards were composed of elected or appointed officials. The risk pool management groups have over 300 members and serve the needs of schools, municipalities and county organizations. This enabling legislation would allow the boards of trustees to retain members who no longer wished to serve in elected or appointed positions continued participation, providing the benefits of their expertise, and to draw upon the expertise of members who had never held public office. Vote 17-0.

HB 359, regulating information regarding evictions contained in credit reports issued by consumer reporting agencies. **RE-REFER TO COMMITTEE**

Rep. Anthony Syracuse for Commerce: Many New Hampshire landlords currently subscribe to a service that provides information about prospective tenants. In particular, this background report notes whether an eviction proceeding has ever been initiated against the prospective tenant. The bill does not seek to adversely affect this valuable landlord service. Rather, the bill requires that such eviction-related information also specify the basis for commencing the eviction (e.g., non-payment of rent, sale of the property, landlord's family needs) and the outcome of the proceeding (i.e. eviction granted, eviction denied, settled out-of-court). Full disclosure of the circumstances surrounding an eviction proceeding not only protects tenants' rights but enhances the landlord knowledge. Indeed, a representative of the landlord service expressed a desire to provide the information the bill otherwise requires. Testimony indicated, however, that certain district courts have been unwilling or reluctant to supply such information to the landlord service. Accordingly, the committee would like additional time to facilitate the transfer of data between the court system and the landlord service, thereby satisfying both landlords and tenants. Vote 17-1.

HB 657-FN, eliminating the Pease development authority and transferring its duties and authority to a new Pease international tradeport division. **INEXPEDIENT TO LEGISLATE**

Rep. Gregory G. Carson for Commerce: There are several bills dealing with the PDA before the Commerce committee. The committee has chosen to address less severe options regarding changes in regard to the PDA. Vote 19-0.

HB 670-FN, relative to telemarketing registration and fraud prevention. **RE-REFER TO COMMITTEE**
Rep. Anthony Syracuse for Commerce: Sponsors of this bill requested re-referral. The Consumer Protection Bureau of the Attorney General's office supports the concept of a Fraud Prevention Act and recommends reworking the bill for next session. The committee wants more time to review the issues involved and put together a bill that will serve citizens well. Vote 19-0.

HB 221, prohibiting out-of-state sweepstakes conducted by mail. **INEXPEDIENT TO LEGISLATE**
Rep. Herbert R. Hansen for Criminal Justice and Public Safety: Investigation of this subject disclosed that it would be inappropriate to pass legislation that interfered with an individual's or business' right to utilize the U.S. mail service to promote their products, ideas or beliefs. Recipients of direct mail material may have much of it eliminated by notifying Mail Preference Service, Director Marketing Association, P.O. Box 9008, Farmingdale, New York 11735-9008. Vote 15-0.

HB 338, repealing certain requirements relative to the duty to deliver a copy of process to prisoners. **OUGHT TO PASS**

Rep. Herbert Hansen for Criminal Justice and Public Safety: RSA 534:26 is no longer pertinent in today's environment. It was originally passed over 100 years ago and today other practices of prisoner notification are used. Vote 16-0.

HB 348-FN, allowing the state fire marshal to investigate a building collapse or release of carbon monoxide. **OUGHT TO PASS**

Rep. Herbert Hansen for Criminal Justice and Public Safety: This bill authorizes the state fire marshal to investigate a building collapse or any incident involving the release of carbon monoxide other than from a motor vehicle. Current law limits such investigations to fires. Vote 15-0.

HB 289-L, authorizing annual school district meetings to be held at multiple locations. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rep. William A. Riley for Education: The bill, as amended, provides for two-way audio-visual closed circuit equipment to be installed in multilocation town and school district meetings for those municipalities which choose to use them. Vote 19-0.

Amendment (0170h)

Amend the bill by replacing section 2 with the following:

2 "Place" Changed to "Places." Amend RSA 197:4 to read as follows:

197:4 **[Place] Meeting Places.** School district meetings may be held at such suitable **[place] places, which have 2-way visual and audio closed circuit capacity**, as in the opinion of the officers calling the meeting will best accommodate the voters.

AMENDED ANALYSIS

Section 2 of this bill authorizes school districts to hold their annual district meetings at multiple locations which have 2-way audio and visual closed circuit capacity.

The remainder of this bill amends certain RSA provisions making them gender neutral in accordance with RSA 17-A:6 relative to gender neutral drafting.

HB 277, relative to the option to process absentee ballots before closing of polls. **OUGHT TO PASS WITH AMENDMENT**

Rep. Lynn Horton for Election Law: The amendment to this bill becomes the bill. It allows processing of absentee ballots starting at 1:00 p.m. instead of 2:00 p.m. Clerks say this will be helpful to them. Vote 14-1.

Amendment (0160h)

Amend the bill by replacing section 1 with the following:

1 Processing Absentee Ballots. Amend RSA 659:49 to read as follows:

659:49 Processing Absentee Ballots.

I. Processing of previously received absentee ballots shall begin at ~~[2:00 p.m.]~~ **1:00 p.m.** The processing of the absentee ballots shall not unnecessarily interfere with normal voting procedures, nor shall the polls be closed at any time during the processing of such ballots. Absentee ballots which are received after ~~[2:00 p.m.]~~ **1:00 p.m.** and prior to 5:00 p.m. shall be processed as soon after receipt as possible.

II. Notwithstanding the provisions of paragraph I, upon the written challenges of 10 or more voters who are present at the polls no later than ~~[2:00 p.m.]~~ **1:00 p.m.**, the moderator shall postpone the processing of all absentee ballots until after the polls close and prior to the counting of all ballots cast in the election.

AMENDED ANALYSIS

The bill changes the time to begin processing previously received absentee ballots and the time at which voters must be present to submit written challenges which postpone the processing of absentee ballots.

HB 140, relative to the sale of apples and relative to maple syrup and sap hydrometers and orders issued by the commissioner for noncompliance with the laws regulating maple and honey products. **OUGHT TO PASS WITH AMENDMENT**

Rep. Perley E Davis for Environment and Agriculture: This Bill reduces the number of days apples must be kept in storage with not more than 5% oxygen before the apples may be represented as having been exposed to a controlled or modified atmosphere. It allows the Commissioner of Agriculture, Market and Food to issue stop sale, use, or removed orders for non compliance with law regulating maple and honey products. Repeals a provision requiring the department to test and approve maple syrup and sap hydrometers. Vote 13-0.

Amendment (0143h)

Amend RSA 434:26 as inserted by section 1 of the bill by replacing it with the following:

434:26 Controlled Atmosphere. No person shall sell or exchange or offer or expose for sale or exchange or transport for sale any apples represented as having been exposed to "controlled atmosphere", "modified atmosphere", alone or with other words, or shall so use any such term or form of words or symbols of similar import on any container or lot of apples advertised, sold, offered for sale or transported for sale within this state unless such apples have been kept in a room or storage building with not more than 5 percent oxygen for a minimum of [90] 60 days. A record on a form approved by the commissioner shall be kept at a convenient location adjacent to [said] the room or storage building from the day of sealing to the day of opening of [said] the room or storage building, and shall be subject to review by the commissioner or [his] the commissioner's authorized agents at any time for a period of at least one year.

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect upon its passage.

HB 553-L, relative to a right to farm. **RE-REFER TO COMMITTEE**

Rep. Richard T. Trelfa for Environment and Agriculture: The right to farm comes very close to being inherent to any organized society. To make certain that all major issues are addressed, the committee elected to re-refer this bill to committee. Vote 16-0.

HB 158, creating a committee to study the establishment of a New Hampshire volunteer program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sylvia Holley for Executive Departments and Administration: This bill creates a committee to study establishing a program which places volunteers with state agencies to perform duties requested by the agency. Vote 17-0.

Amendment (0173h)

Amend subparagraph I(b) of section 2 of the bill by replacing it with the following:

(b) The committee shall solicit input from the following:

- (1) The commissioner of safety, or designee.
- (2) The commissioner of environmental services, or designee.
- (3) The commissioner of resources and economic development, or designee.
- (4) The commissioner of the department of employment security, or designee.
- (5) The commissioner of the department of health and human services, or designee.
- (6) A member of the governor's staff, appointed by the governor.

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect 30 days after its passage.

HB 264, relative to technical committees advising the director of the office of information technology management on technical issues. **OUGHT TO PASS**

Rep. Miriam Dunn for Executive Departments and Administration: This bill is the product of the "Task Force on Electronic Information in State Government: created by laws of 1996, chapter 216:3 (HB 1110). The technical committees, already established by statute and represented by personnel

from all branches of government, will advise the Office of Information Technology Management on various issues, including emerging internet and "intranet" needs and capabilities. All testimony was in support of the bill. Vote 16-0.

HB 319, relative to access to child immunization records. **INEXPEDIENT TO LEGISLATE**
Rep. Joseph Manning for Health, Human Services and Elderly Affairs: The need for immunization records is unquestioned; however, those records are best obtained, administratively, through the parents or guardians who have the knowledge of their whereabouts and must give their permission. Concern was expressed regarding maintaining the confidentiality of medical records. Another problem arises for children coming from out of state and out of the country. Vote 15-2.

HB 401, repealing the prospective repeal of the healthy kids corporation. **OUGHT TO PASS**
Rep. Charles W. Ferguson for Health, Human Services and Elderly Affairs: This repeals the sunset provisions of healthy kids corporation. Healthy Kids is a health insurance program offered to uninsured children. The corporation has proven its worth and should be continued permanently. Vote 17-0.

HB 189, exempting occupants of rooms in transitional housing units operated by charitable organizations from the definition of "tenant" for the purposes of landlord/tenant laws. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kevin H. Smith for Judiciary and Family Law: The committee opinion was that this bill will benefit those charitable organizations, which provide transitional housing, of being relieved from having to go through the entire eviction process. This is done only after a pre-agreed behavioral contract has been broken or violated. Vote 15-0.

Amendment (0043h)

Amend the title of the bill by replacing it with the following:

AN ACT excluding rooms and rental units leased or subleased from charitable organizations under a transitional housing program from the definition of "tenancy" for the purposes of landlord/ tenant laws.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Transitional Housing Rooms and Rental Units. Amend RSA 540:1-a, IV by inserting after subparagraph (d) the following new subparagraph:

(e) Rooms and rental units leased or subleased from charitable organizations pursuant to a transitional housing program where the occupant as part of the program has agreed to terms impacting a change in lifestyle such as, but not limited to, abstinence from drugs or alcohol, attendance at counseling, school, parenting classes or similar programs, gainful employment, or therapy.

2 Definition; Tenant. Amend RSA 540-A:1, II to read as follows:

II. "Tenant" means a person to whom a landlord rents or leases residential premises, including manufactured housing or a space in a manufactured housing park, *but shall not include occupants of places set forth in RSA 540:1-a, IV.*

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill excludes rooms and rental units leased or subleased from charitable organizations under a transitional housing program from the definition of "tenancy" for the purposes of the landlord/tenant laws.

HB 360, prohibiting discrimination in rental housing based on receipt by a tenant of a federal rent subsidy. **INEXPEDIENT TO LEGISLATE**

Rep. Paul M. Mirski for Judiciary and Family Law: The committee generally agreed that the qualification for a federal rent subsidy ought not to be elevated to the status of a civil right. The committee did feel that testimony on this and other low-income tenant/landlord questions required further consideration and the committee intends to address this subject in other forthcoming legislation. Vote 13-4.

HB 361, clarifying the status of tenants who reside in rooming or boarding houses for more than 90 consecutive days. **RE-REFER TO COMMITTEE**

Rep. Carol H. Holden for Judiciary and Family Law: The committee heard testimony on several bills dealing with landlord/tenant issues (HB 360, HB 361, HB 362, HB 363, and HB 364). It was the unanimous vote of the committee to use HB 361 to study the range of landlord/tenant issues and come back with recommendations in the 1998 session. Vote 17-0.

HB 363, relative to venue for actions against tenants. INEXPEDIENT TO LEGISLATE

Rep. Deborah L. Woods for Judiciary and Family Law: This is one of several bills dealing with landlord/tenant issues. The committee, is recommending re-referral of another one of these bills HB 361. It is the committee's intention to use HB 361 as a vehicle to review the issues raised in this and other related bills. Vote 17-0.

HB 364, relative to interest or penalty charges for failure to pay rent. INEXPEDIENT TO LEGISLATE

Rep. Wayne T. Moynihan for Judiciary and Family Law: This bill seeks to prohibit the imposition of interest or penalty payments against a tenant for failure to pay rent until 30 days after such rent shall have been due. This bill was one of a number of bills presented to the committee related to statutes and issues between landlord and tenants. The committee intends to address the issue presented in this bill, along with all other landlord tenant related issues, when it establishes a committee to study HB 361 which the committee has re-referred for study Vote 17-0.

HB 131, relative to notification regarding workers' compensation coverage for subcontractors. INEXPEDIENT TO LEGISLATE

Rep. Joseph D. Kenney for Labor, Industrial and Rehabilitative Services This bill would have required the insurance carrier for a subcontractor's workers' compensation insurance to notify the contractor to which a Certificate of Insurance was issued in the event the subcontractor's insurance is canceled. In speaking with various general contractors around the state it was their sentiment the current law of the insurance carrier notifying the subcontractor in the event of cancellation was appropriate. The main thrust would still have general contractors responsible for monitoring their own subcontractors' insurance policies. The Committee felt it was unnecessary to change the existing law based on the limited amount of testimony and statewide complaints. Vote 19-0.

HB 134, clarifying the distinction between homeworkers and independent contractors for the purposes of unemployment compensation. INEXPEDIENT TO LEGISLATE

Rep. Lawrence V. Guaraldi for Labor, Industrial and Rehabilitative Services: The Committee and original sponsor agreed the wording of the bill did not accomplish what the sponsor intended. Vote 19-0.

HB 284, establishing a study committee on the feasibility of combining the department of labor and the department of employment security. INEXPEDIENT TO LEGISLATE

Rep. Robert Clegg for Labor, Industrial and Rehabilitative Services: The Committee felt in the absence of any known problems, no study was necessary. In addition, the original sponsor requested the bill be Inexpedient to Legislate. Vote 18-1.

HB 339, establishing a freedom of employment association act. INEXPEDIENT TO LEGISLATE

Rep. Wanda G. McNamara for Labor, Industrial and Rehabilitative Services: The Committee unanimously felt the bill is too broad in scope and in part would fall beyond legislative authority. Vote 19-0.

HB 206-FN-L, requiring trailers and recreational vehicles used for storage or habitation to be either registered under the motor vehicle laws or subject to local property tax. INEXPEDIENT TO LEGISLATE

Rep. Laura C. Pantelakos for Local and Regulated Revenues: The committee felt that it would be impossible to police the registration of these trailers as vehicles, and that they don't fall within the definition of property usually subject to property tax. The committee also felt that the problem of old, run-down trailers was a local zoning issue which could be addressed under current law. Vote 13-1.

HB 228, relative to the definition of "club-veterans" under the liquor laws. OUGHT TO PASS WITH AMENDMENT

Rep. Robert N. Kelley for Local and Regulated Revenues: The committee received an amendment from the sponsor which corrected terminology in the basic bill relative to discharges from the armed forces. The bill, as amended, revises the definition of "club veterans" to simply reflect service in the armed forces with no time limit specified. Existing law is otherwise unchanged. Vote 15-0.

Amendment (0125h)

Amend RSA 175:1, XXII as inserted by section 1 of the bill by replacing it with the following:

XXII. "Club-veterans" means a facility operated under the authority of a group of individuals, incorporated under the laws of this state, and which may be affiliated with any national organization, whose members comprise persons who served ~~[for not less than 90 days]~~ in the armed forces of the United States during any war in which the United States was engaged, and received an honorable discharge from such service. The premises occupied by the club, whether owned or leased, shall not have been operated for pecuniary gain. The club shall be for the use of members and their guests and the property and fixtures of the club shall belong to the members. The members shall have the right to vote in club affairs and run for office.

HB 373, establishing a committee to study the feasibility of implementing alternative local taxes for funding of education. **INEXPEDIENT TO LEGISLATE**

Rep. Robert N. Kelley for Local and Regulated Revenues: The committee had a stimulating hearing on this bill. The funding of local education is a subject that has attracted, and continues to attract, strong attention. HR 62 instructs the house finance committee to study alternatives to funding public primary and secondary education and to report by Nov. 1, 1997. This bill would establish a committee to study the feasibility of implementing alternative local taxes by funding education and to report by Nov. 1, 1997. The committee felt that the purpose of this bill can be addressed more broadly in HR 62 and that this bill was therefore, unnecessary. Vote 16-1.

HB 423-L, relative to the elderly exemption from the property tax. **INEXPEDIENT TO LEGISLATE**
Rep. Richard Noyes for Local and Regulated Revenues: A completely revised elderly exemption law will be voted on at local meetings in 1997 and will go into effect on Jan. 1, 1998. It allows municipalities to tailor the exemption to the needs of their individual communities. The committee believes the new statute should be allowed to work before more changes are proposed. Vote 17-0.

HB 432, increasing the wager limit on games of chance from \$1 to \$5. **RE-REFER TO COMMITTEE**

Rep. Douglass P. Teschner for Local and Regulated Revenues: The bill, as originally proposed, would raise the bet limit at "Monte Carlo" nights conducted by charities from \$1 to \$5. The committee became concerned at hearing both testimony and subsequent information in executive session that the current law is not followed at some of these events. Questions about enforcement of charitable gambling were reinforced by press reports of an audit of a bingo charity in Rockingham county. The committee voted unanimously to re-refer this bill to consider thoroughly all the issues related to charitable gambling. Vote 17-0.

HB 510, relative to delivery of beverages by wholesale distributors. **INEXPEDIENT TO LEGISLATE**
Rep. Douglass P. Teschner for Local and Regulated Revenues: The sponsor requested that the bill be withdrawn, and the committee obliged. Vote 17-0.

HB 302, renaming Scott Pond in the town of Fitzwilliam, N.H. as West Scott Pond and East Scott Pond. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph E. Stone for Municipal and County Government: This bill as introduced renames Scott Pond in Fitzwilliam, NH as West Scott Pond and East Scott Pond. It was originally felt this was necessary because it has been designated West Scott Pond by the Department of Safety. The sponsors now realize this legislation is not necessary. They asked that the bill be voted out as inexpedient to legislate. Vote 15-0.

HB 309, increasing the time for a local legislative body to act on a proposed interim zoning regulation. **UGHT TO PASS**

Rep. Betsey L. Patten for Municipal and County Government: Under the growth management and interim regulations in RSA 674: 22&23 the posting date of the interim regulations starts the counting time by a local land use board to put the regulations before the local legislative body for a vote. Having no later than 90 days, instead of the current 45 days, to act on the interim regulations gives the land use board adequate time for legal posting, public hearings and possible reprint of the proposed interim regulations. Vote 15-0.

HB 126-FN-L, repealing road toll refunds for retail dealers. RE-REFER TO COMMITTEE
Rep. Katherine D. Rogers for Public Works and Highways: This bill would repeal the road toll refund of 1% presently afforded gasoline dealers. The 1% originally was awarded as recognition of shrinkage in the dispensing of petroleum products. With current vapor recovery technology, the issue of shrinkage is questionable. The committee believes that further study of this issue is warranted. If passed, this bill could increase the state highway fund revenue by as much as \$656,655 in FY 98 and each year thereafter, however, the cost to dealers could be extremely high (loss due to expensive vapor recovery equipment and loss of rebates.) The committee wants to study what is being done across the country and gain some objective scientific information on this topic. Vote 16-0.

HB 208-L, relative to the status of county highways which are being maintained by towns. OUGHT TO PASS WITH AMENDMENT

Rep. Merle W Schotanus for Public Works and Highways: The amendment replaces the original language of the bill and fills a gap in the road classification statutes to legally clarify the status of "county" roads laid out by courts or county commissioners prior to the time the state's modern road classification system was established. Vote 18-0.

Amendment (0178h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the status of roads laid out by the courts of common pleas or the county commissioners.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Roads Laid Out by Court of Common Pleas or County Commissioners. Amend RSA 229 by inserting after section 5 the following new section:

229:6 Roads Laid Out by Courts of Common Pleas or County Commissioners. All roads laid out by the courts of common pleas or the county commissioners, which have not been maintained by them for at least 20 years, are town-owned rights-of-way and are legally subject to the actions of the town's legislative body.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes that all roads laid out by the courts of common pleas or the county commissioners which have not been maintained by them for at least 20 years, are town-owned rights-of-way and are legally subject to the actions of the towns legislative body.

HB 347-FN-A, relative to landscaping at Weirs Beach in Laconia and making an appropriation therefor. INEXPEDIENT TO LEGISLATE

Rep. Paul I. LaMott for Public Works and Highways: This bill was found inexpedient because the Department of Transportation Railroad Fund has sufficient funds to accomplish some of the tasks required by this bill. Additionally, the department has assured the committee of its willingness to work with the city of Laconia on the problem of fencing of landscaping the railroad right of way near Endicott Park in Weirs Beach. Vote 19-0.

HB 307, relative to the adoption of local river corridor management plans by planning boards. OUGHT TO PASS WITH AMENDMENT

Rep. Mary Ann N. Blanchard for Resources, Recreation and Development: This bill as amended modifies the adoption process for local River Corridor Management Plans. These plans will now be linked to other local planning efforts. There are no regulatory consequences. Vote 15-0.

Amendment (0206h)

Amend the bill by replacing section 1 with the following:

1 Adoption of Local River Corridor Management Plans. Amend RSA 483:8-a, III(c) to read as follows:

(c) To develop or assist in the development and adoption of local river corridor management plans under RSA 483:10. ~~[Such adoption shall be subject to the approval of the municipal legislative body of the affected municipalities.]~~ *The local planning board, or, in the absence of*

a planning board, the local governing body, may adopt such plans pursuant to RSA 675:6 as an adjunct to the local master plan adopted under 674:4. No such plan shall have any regulatory effect unless implemented through properly adopted ordinances.

AMENDED ANALYSIS

This bill allows a local planning board or governing body to adopt local river corridor management plans as part of the local master plan if certain requirements are met.

HB 254, relative to shared tenant telecommunication services. OUGHT TO PASS WITH AMENDMENT

Rep. Jeb E. Bradley for Science, Technology and Energy: Shared tenant services are telecommunication services often provided by a landlord or other business entities to tenants within a complex or building. Currently the Public Utilities Commission has no authority to regulate such services. Passage of this bill will give limited regulatory authority to the Commission, only concerning rate disclosure by shared tenant service providers and number retention by entering or departing tenants. The Commission is not given authority to set rates. Vote 17-0.

Amendment (0261h)

Amend the bill by replacing all after the enacting clause with the following:

I New Subdivision; Shared Tenant Services; Commission Jurisdiction. Amend RSA 374 by inserting after section 22-g the following new subdivision:

Shared Tenant Services

374:22-h Definitions. In this subdivision:

I. "Number retention" means the ability of a telephone service customer to retain that customer's direct inward dialing telephone number at the same location, or a different location served by the central office that provides private branch exchange service to the shared tenant services provider, when switching service providers.

II. "Private branch exchange" means a telephone switch that can switch voice and data communications among the users of such switch, to the local telephone utility's central office or directly to inter-exchange carriers.

III. "Shared tenant services" means voice and data communications services under which tenants at a single building, business park, office park, or mall are provided with such services through a private branch exchange.

374:22-i Shared Tenant Services Authorized; Limited Regulation.

I. The public utilities commission shall authorize the provision of shared tenant services by providers meeting the minimum requirements established by the commission to operate shared tenant services networks.

II. Providers of shared tenant services shall be subject to the following limited regulation by the commission:

(a) Providers of shared tenant services shall disclose to tenants and prospective tenants all pricing information relative to their services in the manner prescribed by the commission.

(b) Providers of shared tenant services shall disclose to tenants and prospective tenants that they can at their option obtain basic exchange and other service from an authorized local telephone utility rather than from the shared tenant services provider.

(c) Without penalty and in accordance with the rules of the commission, telephone number retention and access to telecommunications services shall be permitted by providers of shared tenant service and authorized local telephone utilities into and out of shared tenant services properties.

(d) The commission shall have jurisdiction to hear matters pertaining to the unauthorized provision of shared tenant services, violations of commission rules relating to shared tenant services, and customer complaints against shared tenant service providers.

374:22-j Rulemaking. The public utilities commission shall adopt rules, pursuant to RSA 541-A, relative to:

I. Minimum requirements for shared tenant services, including disclosure of available options and terms and prices of shared tenant services.

II. Customer access to services of authorized local telephone utilities.

III. Telephone number retention and recovery of costs, if any, associated with number retention.

IV. The charges a local telephone utility establishes for a shared tenant services provider to purchase services for use by the provider's tenants.

V. Procedures for complaints to the commission regarding shared tenant services.

374:22-k Penalty. Any person who violates the provisions of this subdivision shall be subject to a civil penalty not to exceed \$1,000 per day of such violation.

2 New Section; Exemption from Public Utility Regulation. Amend RSA 362 by inserting after section 362:3-a the following new section:

362:3-b Shared Tenant Services. Authorized providers of shared tenant services as defined in RSA 374:22-h shall not be deemed to be telecommunications carriers within the meaning of the Communications Act of 1934 or public utilities within the meaning of this title.

3 Effective Date. This act shall take effect January 1, 1998.

HCR 4, petitioning the Congress of the U.S. to propose an amendment to the Constitution of the U.S. for submission to the states to establish a mechanism for nullification of federal laws and regulations when the states determine that such laws or regulations exceed the authority of the federal government under the Constitution of the U.S. **INEXPEDIENT TO LEGISLATE**
Rep. Peter F. Bergin for State-Federal Relations and Veterans Affairs: The federal government enacts laws and regulations which are passed on the states for enactment. If the state finds that these laws or regulations are not applicable or unenforceable it now has a mechanism to change them. It can petition the Congress, the courts or the regulatory agency. Vote 14-0.

HCR 6, petitioning the Congress of the United States to propose an amendment to the Constitution of the United States for submission to the states to provide the states a method of offering amendments to the Constitution of the United States. **INEXPEDIENT TO LEGISLATE**
Rep. Charles L. Clark for State-Federal Relations and Veterans Affairs: The committee feels a proper mechanism exists for states to initiate congressional actions to amend the Constitution. Vote 14-0.

HCR 7, petitioning the Congress of the United States to propose an amendment to the Constitution of the United States for submission to the states to prohibit the federal government from imposing regulatory mandates, unfunded mandates, and spending conditions, which conditions are unrelated to the actual expenditures of funds allocated by Congress. **RE-REFER TO COMMITTEE**
Rep. Thomas A. Varrell for State-Federal Relations and Veterans Affairs: This resolution shows a degree of merit since it essentially addresses the constant violations of our 10th amendment by the federal government. Since time is of the essence with regard to this House Concurrent Resolution, the committee wishes to work further to see if some of the apparent problems with this bill can be resolved. Vote 14-0.

HB 304-L, relative to permitting local law enforcement agencies to receive grants-in-aid from the bureau of trails for enforcement of public trail restrictions. **INEXPEDIENT TO LEGISLATE**
Rep. Ralph L. Akins for Transportation: The trails grant-in-aid program money is a separate account funded by OHRV registration fees. These funds are designated to be used solely for trail grooming, maintenance and construction. The money is needed to maintain a statewide trail system for safe operational condition, and is already in very short supply. The committee felt that adding the proposed new use was not in keeping with the intent of this funds purpose, and would also greatly reduce the money available for which these funds are needed. Vote 13-1.

HB 357-FN, requiring the director of motor vehicles to recommend vehicle light use during any period windshield wipers are in operation during inclement weather. **INEXPEDIENT TO LEGISLATE**
Rep. Michael P. Kelly for Transportation: The committee found considerable merit to issues surrounding general safety and avoidance of personal injury. However, the committee felt that manufacturers were already introducing this feature in new models, making this bill a moot issue. Finally, this proposed legislation is preempted by Federal law. Daytime running lights are optional by Federal Standard #108. Vote 13-0.

HB 419, requiring daytime running lights on motor vehicles. **INEXPEDIENT TO LEGISLATE**
Rep. Robert Letourneau for Transportation: It was the unanimous decision of the committee that this law would not be in the best interest of the motoring public because of several compelling reasons. First, the enforcement would be very difficult, not only on the citizens of New Hampshire but on the many people who come from out of state to live here may not be able to comply with this law. Second, the committee felt that the manufacturers were already starting to include this

feature in new models so it would be a moot point and a waste of state resources. Finally, this proposed legislation is preempted by federal law. Daytime running lights are made explicitly optional by Federal Standard #108, and as such they cannot be rendered mandatory by state authority. Vote 15-0.

HB 390, relative to quarantine of captive wildlife. **OUGHT TO PASS WITH AMENDMENT**
Rep. Robert J. L'Heureux for Wildlife and Marine Resources: This bill grants the state veterinarian the authority to quarantine captive wildlife when he has reason to believe that they may be infected with a contagious or infectious disease. The same authority the state veterinarian now exercises over domestic animals and some specific wild animals in captivity, such as deer and elk. This law is necessary to protect our states wildlife resources as well as our citizens from some rather exotic diseases. The amendment changes the effective date to "upon passage". Vote 14-0.

Amendment (0254h)

Amend the bill by replacing section 3 with the following:
3 Effective Date. This act shall take effect upon its passage.

REGULAR CALENDAR

HB 157, prohibiting certain inducement practices in offering small consumer loans. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric N. Lindblade for Commerce: The purpose of this legislation is to give added protection to people who are recipients of unsolicited checks from finance companies, which in truth, turn out to obligate the receiver of the check to pay the face value of the check plus interest, usually at very high rates. Vote 18-1.

Amendment (0169h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring persons marketing small consumer loans by offering inducement checks to print a disclosure on the inducement checks.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Inducement Checks Disclosure. Amend RSA 399-A:3 by inserting after paragraph VIII the following new paragraph:

IX. No licensee shall induce any potential borrower to enter into a closed-end loan agreement without including the following information clearly printed on the endorsement side of the check:

(a) A statement which reads, "By endorsing this check, you become legally liable for repaying all moneys, including interest, as specified in the following loan agreement/disclosure statement;"

(b) The amount financed;

(c) The annual percentage rate;

(d) The number of installments; and

(e) The amount of each installment payment.

AMENDED ANALYSIS

This bill requires persons marketing small consumer loans by offering inducement checks to print on each check a disclosure regarding the loan which will result from endorsing the check.

Adopted.

Report adopted and ordered to third reading.

HB 292-L, limiting the damages which may be received by an uninsured motorist from an insured motorist's automobile liability coverage. **INEXPEDIENT TO LEGISLATE**

Rep. Richard H. Krueger for Commerce: The effect of this bill if enacted, would allow an insured motorist, who was at fault in an accident causing bodily injury to an uninsured vehicle, not be responsible for those injuries to that uninsured motorist. No matter where we travel in these United States, if we cause an accident resulting in bodily injury, every court in the land would find us liable for those injuries because we were at fault. We cannot allow a negligent insured motorist to avert the responsibility for bodily injury to another person just because that injured person was in an uninsured vehicle. Vote 16-3.

Adopted.

HB 398, allowing Delta Dental Plan of New Hampshire to issue plans to individuals. **OUGHT TO PASS**
Rep. Toni M. Crosby for Commerce: This bill allows Delta Dental Plan of NH to market and issue dental insurance to individuals. Individuals unable to purchase group dental through their employer would now be able to purchase an individual dental plan. Dental and oral diseases may well be the most prevalent and preventable conditions affecting NH citizens. Having dental insurance promotes good dental health. Vote 18-0.

Adopted and ordered to third reading.

HB 229-FN-A-L, establishing a reading recovery training program and making an appropriation therefor. **OUGHT TO PASS**

Rep. Robert H. Guest for Education: Reading recovery is an early intervention program which provides intensive instruction by specially-trained teachers to first-grade pupils who are at risk of reading problems.

The demand at the local level for expanding the program has grown to where two more teacher leaders are needed. This state appropriation pays for these teacher leaders. The school districts pay salaries and benefits of the teachers who train the children. The state department of education coordinates the program. More than 88 school districts opted to join the program in the past year. The program is voluntary on the part of school districts and parents. Vote 16-3.

Adopted and referred to Finance.

HB 262-FN-A-L, establishing a National Information Infrastructure oversight committee, authorizing the department of education to hire a technology consultant, and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jane O'Hearn for Education: The legislation establishes a National Information Infrastructure oversight committee for the purpose of developing and implementing a technology plan for New Hampshire secondary schools. The development of this plan is necessary to insure that all New Hampshire secondary schools have access to the Internet. The amendment addresses the consultant, who shall now come from qualified staff in the Department of Education. This legislation is a result of a 1996 interim study. Vote 15-3.

Amendment (0153h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a National Information Infrastructure oversight committee.

Amend the bill by replacing section 3 with the following:

3 Duties. The committee shall oversee the department of education which shall develop and implement a secondary school National Information Infrastructure technology plan using qualified staff from the department of education. The committee shall also determine the means of funding such plan.

Amend the bill by deleting section 6 and renumbering the original section 7 to read as 6.

AMENDED ANALYSIS

This bill establishes a National Information Infrastructure oversight committee to oversee the department of education in developing and implementing a secondary National Information Infrastructure school technology plan.

Adopted.

Report adopted and ordered to third reading.

HB 149-FN, relative to the regulation of the profession of physical therapy. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jon P. Beaulieu for Executive Departments and Administration: This bill as amended removes the oversight of physical therapy from the board of medicine and establishes the New Hampshire board of physical therapy to regulate physical therapists and specifies the board's rulemaking authority. The board will have rulemaking authority under RSA 541-A which will include investigatory process, hearing and disciplinary process relative to physical therapy. Vote 17-0 .

Amendment (0162h)

Amend RSA 328-A:9, I as inserted by section 4 of the bill by replacing it with the following:

I. The board shall undertake disciplinary proceedings upon its own initiative or upon written complaint of any person who alleges that a person licensed by the board has committed any of the following:

(a) Knowingly provided false information during any application for professional licensure or institutional practice privileges, whether by making any affirmative statement which was false at the time it was made or by failing to disclose any fact material to the application.

(b) Engaged in dishonest or unprofessional conduct or has been grossly or repeatedly negligent in practicing physical therapy or in performing activities ancillary to the practice of physical therapy or any particular aspect or specialty of physical therapy or harmed a patient as a result of performing those activities.

(c) Displayed a pattern of behavior which is incompatible with the basic knowledge and competence expected of persons licensed to practice physical therapy or any particular aspect or specialty of physical therapy.

(d) Employed or allowed an unlicensed person to practice physical therapy in the licensee's place of practice.

(e) Included in advertising any statement tending to deceive or mislead the public.

(f) Has been convicted of any criminal act under the laws of the United States or any state.

Amend RSA 328-A:9-a, IV(a) as inserted by section 5 of the bill to by replacing it with the following:

IV.(a) The board may administer oaths or affirmations, preserve testimony, and issue subpoenas for witnesses and for documents and things only in a formal investigation or an adjudicatory hearing, except that subpoenas for medical records, as provided in paragraph VI, may be issued at any time.

Amend RSA 328-A:9-a, V-IX as inserted by section 5 of the bill by replacing them with the following:

V. Prior to the issuance of any subpoena by the board, the department of justice shall review it and have the oversight and responsibility to ensure that such subpoena is properly served. The board shall reimburse the department of justice for any extraordinary costs incurred in connection with the review of subpoenas.

VI. The board may at any time subpoena medical records from its licensees and from hospitals and other health care providers licensed or certified in this state. Such subpoenas shall be served by certified mail or by personal delivery to the address shown on the respondent's current license or certificate, and shall require no witness or other fee. At least 15 calendar days' notice shall be allowed for complying with a subpoena duces tecum issued under this paragraph.

VII. All licensees shall notify the board of their current business and residence addresses. A licensee shall receive adequate notice of any hearing or other action taken under this chapter if notice is mailed in a timely fashion to the most recent home or business address furnished to the board by the licensee.

VIII. The board may at any time require a licensee or license applicant to provide a detailed, good faith written response to allegations of possible professional misconduct being investigated by the board. The board may also require the licensee or applicant, or the facility or institution in which the licensee or applicant practices physical therapy, to provide the board with complete copies of records concerning any patient whose treatment may be material to allegations of possible professional misconduct being investigated by the board. Licensees and applicants shall respond to either type of request within 15 calendar days from the date of the request, or within such greater time period as the board may specify.

IX. Any person may file a written complaint with the board which charges that a licensee or licensee applicant has engaged in professional misconduct or should not be licensed. Such complaints shall be treated as petitions for the commencement of disciplinary proceedings, shall be investigated by the board, and shall be exempt from the time limitations of RSA 541-A:29. Some or all of the allegations in a complaint may be consolidated with another complaint or with issues which the board wishes to investigate or hear on its own motion. If an investigation of a complaint results in an offer of settlement by the licensee, the board may settle the allegations against the licensee without the consent of a complainant provided that material facts are not in dispute and the complainant is given an opportunity to comment on the terms of the proposed settlement.

Amend RSA 328-A:9-c as inserted by section 5 of the bill by replacing it with the following:
 328-A:9-c Temporary Suspension; Imminent Threat. In cases involving imminent danger to life or health, the board may order suspension of a license pending hearing for a period of no more than 120 days. In such cases, the basis for the board's finding of imminent danger to life or health shall be in writing and combined with a hearing notice which complies with RSA 328-A:9-b. A licensee may be allowed additional time to prepare for a hearing, but any additional time for preparation shall result in an extension of license suspension equal to the additional time extended.

Amend RSA 328-A:14, IV as inserted by section 6 of the bill by replacing it with the following:
 IV. Establishing standards and procedures for the approval of education programs and establishing continuing education requirements.

Amend RSA 328-A:14, IX as inserted by section 6 of the bill by replacing it with the following:

IX. How an applicant shall be examined.

Amend RSA 328-A:14, XII as inserted by section 6 of the bill by replacing it with the following:

XII. Publishing a schedule of administrative fines under RSA 328-A:9, II(f).

Adopted.

Rep. Mirski spoke against.

Rep. Beaulieu spoke in favor.

Report adopted and ordered to third reading.

HB 197-FN, relative to the regulation of wetland scientists. **OUGHT TO PASS WITH AMENDMENT**
 Rep. Kipp A. Cooper for Executive Departments and Administration: This bill establishes qualifications for the certification of wetland scientists and places them under the Board of Natural Science. This certification is to protect the citizens of New Hampshire and the profession from unqualified practitioners of wetland science. This bill will increase the number of qualified scientists available to certify wetlands for local boards and commissions. Both soil scientists and wetland scientists are in support of this legislation as is the State Planning Department, the Department of Environmental Services and the Municipal Association. Vote 17-0.

Amendment (0186h)

Amend RSA 310-A:75 as inserted by section 1 of the bill by replacing it with the following:

310-A:75 Purpose. The general court finds it in the best interests of the citizens of the state of New Hampshire to establish the board of natural scientists *to certify and regulate* the [~~profession~~] *professions* of soil scientists *and wetland scientists*. This certification is to guard the citizens of New Hampshire and the [~~profession~~] *professions* from unqualified practitioners of soil science and *wetland science and* to foster intelligent application of the knowledge of soil properties *and wetland characteristics* in planning and implementing land use decisions *consistent with New Hampshire department of environmental services rules or standards adopted by the board*.

Amend the bill by replacing section 3 with the following:

3 Reference; Definition Modified. Amend RSA 310-A:76, II to read as follows:

II. "Certified soil scientist" means a person who, by reason of special knowledge of pedological principles acquired by professional education and practical experience, as specified by RSA 310-A:84, *I and II*, is qualified to [~~practice soil science;~~] *identify, classify, and prepare soil maps according to the standards of the National Cooperative Soil Survey, or standards adopted by the New Hampshire department of environmental services, or standards adopted by the board*, and who has been duly certified by the board.

Amend RSA 310-A:76, II-a as inserted by section 4 of the bill by replacing it with the following:

II-a. "Certified wetland scientist" means a person who, by reason of their special knowledge of hydric soils, hydrophytic vegetation, and wetland hydrology acquired by course work and experience, as specified by RSA 310-A:84, II-a and II-b, is qualified to delineate wetland boundaries *and prepare wetland maps* in accordance with standards for identification of wetlands adopted by the [~~commissioner~~] *New Hampshire department of environmental services or the United States Army Corps of Engineers or its successor*, and who has been duly certified by the board.

Amend RSA 310-A:79, IV as inserted by section 8 of the bill by replacing it with the following:

IV. The determination of a hydric soil boundary or test pit evaluation to the extent permitted pursuant to RSA 485-A:35 for the purposes of septic system design or subdivision application pursuant to RSA 485-A or rules adopted under RSA 485-A. *For this work, a municipality shall not require qualifications different from those established pursuant to RSA 485-A:35.*

Amend the bill by replacing all after section 11 with the following:

12 Board Quorum Modified. Amend RSA 310-A:81, V to read as follows:

V. The board shall hold at least 3 regular meetings each year and special meetings at such times as it may deem necessary. Notice of all meetings shall be given in such a manner as rules adopted by the board may provide. The board shall biennially elect or appoint a chairperson, vice-chairperson, and secretary. ~~[Three members shall constitute a quorum.]~~ ***A quorum of the board shall consist of at least 4 members.***

13 Board's Responsibilities Regarding Roster Modified. Amend RSA 310-A:81, VII to read as follows:

VII. The secretary of the board shall ~~[publish]~~ ***provide, upon request***, a roster listing the names and places of business of all soil scientists ***and wetland scientists*** certified under this subdivision by the board ~~[during February of each even-numbered year]~~. Copies of this roster shall be ~~[mailed to each person so certified;]~~ placed on file with the secretary of state[;] and furnished to the public upon request at a fee to be established by the board. The board may include in such roster any other information it deems appropriate.

14 Rulemaking Authority for Qualifications Modified. Amend RSA 310-A:82, II to read as follows:

II. The qualifications of applicants ~~[in addition to those requirements]~~ under RSA 310-A:84, ~~[including]~~ ***and*** satisfactory evidence of good professional character.

15 Eligibility for Certification as Soil Scientist Modified. Amend the introductory paragraph of RSA 310-A:84, I to read as follows:

I. To be eligible for certification as a soil scientist, a person shall be of high ethical professional standards, have successfully passed an examination designed to determine the person's proficiency and qualifications, ***including references to soil characteristics in the New England region***, to be engaged in the practice of soil science, and shall have one of the following qualifications:

16 Soil Scientist Qualifications for Certification Modified. Amend RSA 310-A:84, I(c) to read as follows:

(c) Be a graduate of an accredited college curriculum leading to a baccalaureate or associate degree, ***or have earned the equivalent number of credits***, and have a specific record of an additional 6 or more years in the practice of soil science.

17 New Paragraphs; Qualification for Certification Added. Amend RSA 310-A:84 by inserting after paragraph II the following new paragraphs:

II-a. To be eligible for certification as a wetland scientist, a person shall meet the ethical standards as established in this chapter, have successfully passed an examination designed to determine proficiency and qualifications, ***including references to wetland characteristics in the New England region***, to be engaged in the practice of wetland science, shall have ***satisfactorily completed*** a minimum of one year full-time experience in the practice of wetland science, and shall have a minimum of 24 combined ***credit or non-credit*** semester hours from any of the following environmental sciences: botany, soil science, hydrology, wetland science, biology, forestry, wildlife, ecology, water resources, plant science, agronomy, geology, or earth science.

II-b. Experience in the practice of wetland science shall be actual field experience gained in an acceptable apprenticeship program.

18 Apprenticeship Eligibility Modified. Amend RSA 310-A:85 to read as follows:

310-A:85 Apprentice.

I. To be eligible for recognition as an apprentice soil scientist, a person shall have the following qualifications:

[I.] (a) Be of responsible character;

[II.] (b) Have completed the formal education under RSA 310-A:84, I; and

II. Any person who has successfully passed the examination or has otherwise qualified as a certified soil scientist, apprentice soil scientist, certified wetland scientist, or apprentice wetland scientist, shall, upon payment of a fee, be issued a certificate attesting that the applicant is a certified soil scientist, apprentice soil scientist, certified wetland scientist, or apprentice wetland scientist.

III. Applications that meet the requirements of RSA 310-A:84 shall be approved.

20 Certificates Modified. Amend RSA 310-A:87 to read as follows:

310-A:87 Certificates. Certificates shall show the full name of the certified soil scientist ~~[or]~~, apprentice soil scientist, **certified wetland scientist, or apprentice wetland scientist**, have a serial number, and be signed by the chairperson and the secretary of the board under seal of the board. Each certified soil scientist **or certified wetland scientist** shall obtain a seal of the design authorized by the board bearing the name of the certified ~~[soil scientist]~~ **individual**, the legend "Certified Soil Scientist" **or "Certified Wetland Scientist, as appropriate,** and a place for the certified ~~[soil scientist's]~~ **individual's** signature. Plans and reports prepared by a certified ~~[soil scientist]~~ **individual** shall be stamped with the seal and signed by the certified ~~[soil scientist]~~ **individual** during the life of the certificate.

21 Provision for Renewal of Certificate Modified. Amend RSA 310-A:89 to read as follows:

310-A:89 Certificate Renewal. Certificates may be renewed by written application prior to the expiration date and by payment of the prescribed renewal fee. The secretary shall notify each certified ~~[soil scientist]~~ or apprentice ~~[soil scientist]~~ **individual** one month prior to expiration of such certificate.

22 Board's Rulemaking Authority Modified. Amend RSA 310-A:92, I(d)-(e) to read as follows:

(d) Biennial renewal for **individuals** certified ~~[soil scientist]~~ **under this subdivision.**

(e) Application for certification as an apprentice soil scientist **or apprentice wetland scientist.**

23 Misconduct Sufficient to **Support** Disciplinary Proceedings Modified. Amend RSA 310-A:93, II(c)-(d) to read as follows:

(c) Any unprofessional conduct, or dishonorable conduct unworthy of, and affecting the practice of soil science **or wetland science.**

(d) Unfitness or incompetency by reason of ~~[negligent habits or other causes; or negligent or willful acts performed in a manner inconsistent with the interests of persons relying on the professional expertise of the certified soil scientist]~~ **negligence or willful misconduct by a certified soil scientist or certified wetland scientist in the performance of professional duties.**

24 Scope of Penalty Application Expanded. Amend RSA 310-A:95 to read as follows:

310-A:95 Violations; Penalties. Any person who practices or offers to practice soil science **or wetland science** in this state for others without a certificate in accordance with this subdivision, or any person presenting or attempting to use the certificate or seal of another, or any person who gives any false or forged evidence of any kind to the board or to any board member in obtaining or attempting to obtain a certificate, or any person who falsely impersonates any other certified soil scientist **or certified wetland scientist**, or any person who attempts to use an expired or non-existent or revoked certificate or authorization, or any person who violates any of the provisions of this subdivision, shall be guilty of a class B misdemeanor if a natural person, or guilty of a felony if ~~[a business organization]~~ **any other person.**

25 Terminology Modified. Amend RSA 310-A:96 to read as follows:

310-A:96 Restraint of Violations. The superior court shall have jurisdiction in equity to restrain violations of RSA 310-A:95 on proceedings brought by the attorney general, the board, or any society of ~~[licensed]~~ **certified** soil scientists **or certified wetland scientists** duly incorporated under the laws of this state.

26 Active Wetland Scientists. Any person who, on the effective date of this section, is actively engaged in the practice of wetland science, as described in RSA 310-A:76, may apply, for one year after the board's adoption of rules relative to wetland scientists, to the board for certification without examination. The board shall approve such application, provided the applicant meets the requirements under RSA 310-A:84, II-a. Workshops in any of the referenced environmental sciences will be counted towards the combined semester hours. Twelve and one-half hours of study in a workshop, credit, or non-credit course relates to one semester hour. The board may waive 6 combined credit or non-credit semester hours for each one year of experience. A total of 18 combined credit or non-credit semester hours may be exchanged for a total of 3 years' experience.

27 Transition Period of the Board. The first 2 soil scientists to complete their current terms shall be replaced by the wetland scientist members of the board. The 2 additional public members shall be appointed no later than 60 days after the effective date of this act.

28 Repeal. The following are repealed:

I. RSA 310-A:93, II(f), relative to mental or physical incompetency to practice soil science constituting misconduct.

II. RSA 310-A:91, relative to waiver of examination requirements for certain soil scientists.

29 Effective Date. This act shall take effect July 1, 1997.

Adopted.

Report adopted and referred to Finance.

HB 259-FN, requiring all state forms requesting racial or ethnic status to allow for or include a biracial or multiracial option. **INEXPEDIENT TO LEGISLATE**

Rep. Kipp A. Cooper for Executive Departments and Administration: While the committee was sympathetic to the intent of the sponsor, it was discovered that most, if not all, forms used by the state requiring this information are mandated by the federal government. Any change to these state forms could result in the loss of federal funds. It was also discovered that the federal government is currently studying the issue of adding more racial and ethnic categories to forms requesting this information. Vote 15-2.

Adopted.

HB 278, relative to the doctrines of adverse possession and prescription. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Deborah L. Woods for the Majority of Judiciary and Family Law: Wrongful taking of land by adverse possession is not a problem in New Hampshire. People are not intentionally encroaching on their neighbor's land in the hopes that they will own it after 20 years. Most parcels of land in New Hampshire are described by metes and bounds. Many of these descriptions are at least decades old and the properties have never been professionally surveyed. It is virtually impossible in some cases to determine title boundaries. If a dispute arose, this law may be the only way to solve the dispute. This common sense common law still serves a purpose in our state and should not be repealed. Vote 11-1.

Rep. David A. Bickford for the Minority of Judiciary and Family Law: Adverse possession is a means of taking possession of another's land by wrongfully occupying it for 20 years or more; often known as squatter's rights. Prescription is acquiring easements or right of ways over another's land after 20 years. These are old case laws (not statute) that were useful during colonial expansion. The laws encouraged colonists to till and lay claim to unproductive soil thereby expanding the empire. Manifest Destiny is behind us. These laws do more damage than good today by allowing neighbors to encroach upon another with the prospect of free ownership after 20 years if the rightful owner does not eject them or show proof of permission. The state and towns can purchase property they need by eminent domain. The state, towns and railroads have found it important to protect themselves by statute from adverse possession and prescription and so too should New Hampshire citizens.

Majority report adopted.

HB 323, establishing a right to work act which provides for freedom of choice on whether to join a labor union. **WITHOUT RECOMMENDATION**

Rep. Robert E. Clegg for Labor, Industrial and Rehabilitative Services: When an employer signs a Union Security clause, it sets in place a policy by which the employer requires, as a condition of employment, that money be taken from an employee's paycheck to support a private organization (the union). Supporters of this bill feel this practice is discriminatory. No employer should be able to abrogate the rights of his/her employees by such a policy. Supporting the bill: Reps. Gary L. Daniels, Wanda G. McNamara; Robert E. Clegg; Joseph D. Kenney; Lawrence V. Guaraldi; M. Virginia Burke; Richard E. Dolan; Gerard H. Lavoie; Roy D. Maxfield; and George D. Murch III. Vote 10-10.

Rep. Benjamin Baroody for Labor, Industrial and Rehabilitative Services: The only motion on which the Committee voted was Ought to Pass with Amendment. The motion would have failed 9-10, but the Committee Chairman voted and created a tie. In this country, no one can be forced to join or be a member of a labor union. The union must, by law, represent everyone covered by the

contract whether they are a member or not. Through Union Security clauses employees can be required to equally share the cost of collective bargaining. This can occur only when the employer agrees to it. This bill would interfere with the rights of employers as well as the employees. Major employers in New Hampshire have consistently opposed this legislation. This bill is not about individual freedom or discrimination. People who have religious objections to joining or paying fees to a union are already protected by law. The bill would allow individuals to get all the benefits of the contract without paying for them and put into law the practice of protecting free-loaders. Opposing the bill: Reps. Benjamin Baroody; Robert F. Turner; Franklin C. Bishop; Lars T. Christiansen; Edgar H. Mears; Lorraine R. Palmer; Jane P. Kelley; Rebecca C. Hutchinson; Gloria Seldin; and Donald D. Welch. Vote 10-10.

Rep. Daniels moved Ought to Pass with Amendment and offered a floor amendment.

Floor Amendment (0316h)

Amend RSA 273-D:6 as inserted by section 1 of the bill by replacing it with the following:

273-D:6 Agreements in Violation, and Actions to Induce Such Agreements, Declared Illegal. Any agreement, understanding or practice, written or oral, implied or expressed, between any labor organization and employer which violates the rights of employees as guaranteed by the provisions of this chapter is hereby declared to be unlawful, null and void, and of no legal effect. Any strike, picketing, boycott, or other action, by a labor organization for the sole purpose of inducing or attempting to induce an employer to enter into any agreement prohibited under this chapter is hereby declared to be for an illegal purpose and is a violation of the provisions of this chapter.

Amend RSA 273-D:11 as inserted by section 1 of the bill by replacing it with the following:

273-D:11 Duty to Investigate. It shall be the duty of the attorney general to investigate any complaints of violation of this chapter, and to prosecute all persons violating any of its provisions, and to use all means at the attorney general's command to insure effective enforcement of the provisions of this chapter.

Rep. Daniels spoke in favor.

Adopted.

Reps. Mears, Dickinson and Turner spoke against and yielded to questions.

Reps. Larrabee, Murch and Daniels spoke in favor and yielded to questions.

Rep. Turner requested a roll call; sufficiently seconded.

The question being the adoption of the amended committee report.

INEXPEDIENT TO LEGISLATE

Rep. Laura C. Pantelakos for Local and Regulated Revenues: The committee unanimously voted this bill inexpedient to legislate after much discussion and debate, and after consideration of a proposed amendment. Although the idea of a 3 percent cap on local property taxes might sound like a good idea, after hearing from many towns and cities, all of whom opposed the bill, the committee decided that this decision should be left to the option of our local cities, towns, and local taxpayers, and should not be mandated by state law. PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Mary Brown requested that her protest be entered on the Journal.

Considering the fact that property taxes in New Hampshire are doubling every eight years; and considering the fact that rates are rising more than three times the rate of inflation; and considering that there appears to be no prospect of managing and controlling that rate of increase, I feel it is the duty of this legislative body to address the issue on the state level. A property tax cap is one option that should not be dismissed out of hand.

The adverse effects of excessively high property taxes are detrimental to the individual tax payer, to the community whose tax base thus erodes, and ultimately to the economic well-being of this state. It is short-sighted not to at least study this suggestion. To allow property taxes to increase unchecked may ultimately lead to a statewide broadbased tax, ironically the tax we most wish to avoid.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Cobbin requested that his protest be entered on the Journal.

The Chairman of Local and Regulated Revenues claims this bill would be a mandate jingling the chain of threatened judicial review to guarantee the people are denied the relief they desire and need. I further adopt, by reference, Rep. Mary Brown's protest as my own.

REGULAR CALENDAR (CONT'D.)

HB 471, relative to the method of refund of the road toll paid by private school bus companies. **OUGHT TO PASS**

Rep. Katherine D. Rogers for Public Works and Highways: This bill would clean-up a process that became muddy last year when New Hampshire entered the International Fuel Tax Agreement (IFTA) and placed the tax on diesel fuel at the pump. It would allow private school bus companies to apply for a refund directly to the NH Department of Safety instead of having to traverse a long and indirect bureaucratic trail that currently exists. Vote 15-2.
Adopted and ordered to third reading.

HR 14, exempting the house committee to study the investigation of the late Judge Fairbanks from the December 13, 1996 deadline for filing legislation. **INEXPEDIENT TO LEGISLATE**
Rep. Robert L. Wheeler for Rules.: This resolution is unwarranted because no member of the Fairbanks Study Committee requested it. Additionally this does not prevent members from requesting suspension of the Rules in order to file legislation at any time in the future. Vote 10-0.
Adopted.

HB 120-FN, amending certain license fees and making various technical changes to the fish and game laws. **OUGHT TO PASS WITH AMENDMENT**

Rep. Dennis F. Abbott for Wildlife and Marine Resources: This bill was the request of the NH Fish and Game Department in an effort to make numerous changes to various licenses and permits. Twenty fees are changed to reflect equity with neighboring states, some are eliminated entirely while others are adjusted to encourage greater sales. This bill is not intended to be a substantial revenue producer but merely a bill to keep licenses and fees current and repeal those which are no longer useful. Vote 15-0.

Amendment (0198h)

Amend the bill by replacing section 3 with the following:

3 Reference to Helper's Requirements Removed. Amend RSA 211:20 to read as follows:

211:20 Helper's License. Any person licensed under the provisions of RSA 211:18 may get a helper's license which entitles him to have the help of a person in the taking of lobsters or crabs [~~if the helper meets the requirements set forth by RSA 211:23~~]. The helper's license may be transferred to any one helper employed by the licensee, but may not be transferred to a person who previously had a lobster license which [~~was suspended~~] *is under suspension*. A helper may assist, set, or haul pots or traps or any other device used in the taking of lobsters and crabs only in the presence of and aboard the boat of a person licensed under the provisions of RSA 211:18, and who holds a valid helper's license. The fee for a helper's license is \$10.

Amend the bill by replacing section 6 with the following:

6 References Added; Nonresident Commercial Salt Water License Fee Changed; Helper's License Requirement Removed. Amend RSA 211:49-a, I and II to read as follows:

I. Any person who does not qualify as a resident under RSA 207:1, who takes, possesses, lands, or transports by any method, from or on the waters of this state, regardless of where the catch was taken, any marine species by any method for the purpose of selling the same, shall first procure a valid license from the executive director to do so. A nonresident shall not take [~~lobsters~~] *clam worms, lobster, or crabs, excluding green crabs* from the waters *and from the area* under the jurisdiction of this state. A nonresident shall not take sea urchins *or scallops* unless the state in which such person is a resident provides a reciprocal licensing privilege for residents of this state.

II. The fee for an annual license shall be [~~equivalent to the price of a nonresident license fee in the state from which the operator of the vessel claims residence, but such fee shall be not less than \$200~~] *\$300*. The license shall be for the operator of the boat, vessel, flotation device, or gear,

and helpers ~~[up to 3 in number]~~; provided, however, that helpers shall not be allowed for the taking of sea urchins *or scallops* by diving. ~~[An additional annual helper's license shall be possessed for each helper in excess of 3 at a fee of \$10 per license. Said helper's license or licenses may be transferred to any helper employed by the operator.]~~

Amend the bill by replacing all after section 22 with the following:

23 Minors Hunting; Reference to Nonresident Minors Added. Amend RSA 207:2-a to read as follows:

207:2-a Minors Hunting

I. No person shall knowingly permit any minor, *including a nonresident minor*, less than 16 years of age to hunt using a firearm, bow and arrow, or crossbow and bolt, except when accompanied by a person at least 18 years of age who is properly licensed for said activity. In accordance with RSA 626:8, II(b), such person shall be held criminally liable and fully accountable for any damage incurred or for any violations which may be committed by the minor under the age of 16 while hunting using a firearm, bow and arrow, or crossbow and bolt.

II. No minor, *including a nonresident minor*, under the age of 16 shall hunt using a firearm, bow and arrow, or crossbow and bolt, except when accompanied by a person at least 18 years of age who is properly licensed for said activity.

24 Nonresident Hunting License; Nonresident Minors Added. Amend RSA 214:9, VI to read as follows:

VI. If the applicant is a nonresident, *including a nonresident minor*, and wishes to hunt, \$69.50, and the agent shall thereupon issue a nonresident hunting license which shall entitle the licensee to hunt, shoot, kill and take, except by the use of traps, and to transport wild birds and wild animals under the restrictions of this title.

25 Repeal. The following are repealed:

I. RSA 211:18-b, relative to green crabs.

II. RSA 211:39-a, relative to wholesale dealer's license of lobsters and crabs.

III. RSA 214:9, II-a, relative to resident warmwater fishing licenses.

IV. RSA 214:9, VII, relative to nonresident minor's hunting license.

V. RSA 214:9, VIII(d), relative to nonresident minor's fishing license.

VI. RSA 214:9, VIII-a, relative to nonresident warmwater fishing licenses.

VII. RSA 214:9, XIII(b), relative to group fishing license restrictions.

VIII. RSA 214:9, XIV, relative to coyote hunting at night licenses.

IX. RSA 214:30, relative to rights of special licensees.

X. RSA 214:31, relative to applications for special licenses.

26 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill:

I. Changes references to green crabs, clam worms, lobster and crab licenses, and helper's licenses.

II. Adds new provisions clarifying scientific permits and taxidermy permits.

III. Amends license fees for various retail and wholesale dealers, family fishing licenses, summer camp or educational facility fishing licenses, fur buyers, scientific permits, various commercial and recreational marine licenses, and the super sporting license.

IV. Adds a minimum age to purchase a license for nonresident fishing.

V. Changes the fee for a nonresident, commercial salt water license.

VI. Makes a variety of housekeeping and technical changes to the fish and game laws.

VII. Repeals the coyote night hunting license, clam worm license, green crab license, wholesale dealer license for lobster and crab, nonresident and resident warmwater fishing license, nonresident minor's hunting license, group fishing license, and special licenses.

This bill is a request of the fish and game department.

Adopted.

Report adopted and ordered to third reading.

HB 200-FN, prohibiting the use of leghold traps and "conibear" traps. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Dennis F. Abbott for the Majority of Wildlife and Marine Resources: This bill faced strong opposition from the Fish and Game Department, Farm Bureau, Department of Transportation, NH Wildlife Federation, local officials and a multitude of sportspersons not involved in trapping not

to mention the trapping community as well. Testimony offered by supporters of this measure regarding domestic animals, particularly dogs, being captured in traps was compelling, but the severity and frequency of these incidents certainly does not warrant the prohibition of trapping as conducted in this state. Most incidents involving dogs can be attributed to free running animals which are themselves in violation of current laws. Conversely there have been tragic incidents involving injury and death to animals but these occurrences are the exception. There were approximately fourteen reported incidents of animals caught in traps during the preceding six years. Trapping has been and should continue to be a lawful pursuit for it serves a useful purpose as a management tool for controlling wildlife overpopulation and solving nuisance complaints in our growing and complex society. A prohibition regarding the use of traps would also have a significant financial impact on many towns, cities and private citizens. Trapping is also one of the most regulated activities and it is pursued by a diminishing number of sportspersons in this state. And as one individual testified at the all day hearing "most New Hampshire residents oppose laws that restrict their freedoms" and this bill seeks to do that Vote 14-1.

Rep. Shannon L. Bernier for the Minority of Wildlife and Marine Resources: This bill is not anti-trapping. It simply would regulate the two most inhumane trapping devices, the leghold and conibear traps. The cruelest of all, the leghold trap, is still used today by 388 people in New Hampshire. Why? Not because of economic necessity; it no longer exists. Not because of the need for game management; equally as effective and more humane methods now exist. The minority asserts that this is a matter of stopping cruelty.

Reps. Wallin, Katherine Rogers, Bernier and Vaillancourt spoke against.

Rep. Abbott spoke in favor and yielded to questions.

Reps. Pfaff and Mock spoke in favor.

Rep. Mock requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

Rep. Twardus voted nay and meant to vote yea.

Rep. Morris wished to be recorded in favor.

HB 681, relative to penalties for certain violations of fish and game laws and granting rulemaking authority to the executive director relative to registration agent fees for wild turkey permits. **OUGHT TO PASS**

Rep. Mark A. Cegelis for Wildlife and Marine Resources: This bill accomplishes three things: a) It increases the penalty from a violation to a misdemeanor for killing a moose during the closed season or for exceeding the bag limit. This places this valuable resource in par with the white-tailed deer, b) It allows the executive director to determine an agents fee for issuing a permit to hunt wild turkeys, and c) It reduces the penalty from a misdemeanor to a violation for a violation

of rules pertaining to lands and waters under the executive directors control, i.e. State game refuges, lands under the control of the director, division of forests and lands, (DRED) and federal authority or lessees as outlined in 212:19. Vote 15-0.

Adopted and ordered to third reading.

HB 499, establishing a committee to study the provision by the state of certain economic, medical and social support services to individuals whose misconduct resulted in the need for service. **IN-EXPEDIENT TO LEGISLATE**

Rep. Charles W. Ferguson for Health, Human Services and Elderly Affairs: The committee found many problems with the bill. The duties of the study committee were very vague. The term "willful misconduct" in the bill dealt with conduct which in some instances might not be illegal, but which the sponsor thought was willful. An example was not wearing a helmet on a motorcycle and suffering an accident. This bill would prohibit care and treatment for such an accident. Vote 17-0. Rep. Rosen spoke against.

Rep. Ferguson spoke in favor.

Adopted.

HB 315-L, expanding certain financial powers of village districts. **OUGHT TO PASS**

Rep. Robert W. Brundige for Municipal and County Government: This bill grants village districts the same authority granted to selectmen regarding their financial powers in RSA 31:95-b, RSA 31:95-e and RSA 33:7,II which makes the village districts operate more efficiently. Vote 17-0.

Rep. Cobbin spoke in favor.

Adopted and ordered to third reading.

HB 509-A, relative to repairing and resurfacing the access road to the Gunstock Ski Area. **IN-EXPEDIENT TO LEGISLATE**

Rep. Steve Vaillancourt for Public Works and Highways: This bill would appropriate \$280,000 for the repair and resurfacing of the access road to the Gunstock Ski Area. While the committee agrees that the more properly named "Belknap Recreation Area" is an economic benefit to the county and the state, the committee agrees with the Department of Transportation that this is essentially a "private driveway" and that to use state highway trust fund moneys on private roads would be an unwise precedent. The $\frac{3}{4}$ mile road is in poor condition and in need of repairs, but state funds should not be used. Vote 19-0.

Rep. Rice spoke against.

Rep. Gene Chandler spoke in favor.

Adopted.

HB 403, prohibiting the use of trotlines to take fish. **OUGHT TO PASS**

Rep. Dennis F. Abbott for Wildlife and Marine Resources: This bill was the request of the NH Fish and Game Department in an effort to prohibit the use of trotlines as a means of fishing. A trotline is a long line with many hooks baited along its length generally used in commercial fishing situations. They have no place as an accepted method of recreational freshwater fishing in this state. Vote 14-0.

Adopted and ordered to third reading.

RECONSIDERATION

Having voted with the prevailing side, Rep. Dickinson moved that the House reconsider its action whereby it adopted Inexpedient to Legislate on **HB 323**, establishing a right to work act which provides for freedom of choice on whether to join a labor union.

Rep. Dickinson spoke against.

Reconsideration lost.

SUSPENSION OF RULES

Reps. Wheeler and Burling moved that the Rules be so far suspended as to permit the Rules Committee to meet without the proper notice following today's session for the purpose of considering the introduction of bills after the deadline.

Adopted by the necessary two-thirds.

RESOLUTION

Rep. Wheeler offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, February 26, 1997 at 1:00 p.m. Adopted.

LATE SESSION**Third reading and final passage**

HB 222-L, relative to pooled risk management programs.

HB 338, repealing certain requirements relative to the duty to deliver a copy of process to prisoners.

HB 348-FN, allowing the state fire marshal to investigate a building collapse or release of carbon monoxide.

HB 289-L, authorizing annual school district meetings to be held at multiple locations.

HB 377, relative to the option to process absentee ballots before closing of polls.

HB 140, relative to the sale of apples and relative to maple syrup and sap hydrometers and orders issued by the commissioner for noncompliance with the laws regulating maple and honey products.

HB 158, creating a committee to study the establishment of a New Hampshire volunteer program.

HB 264, relative to technical committees advising the director of the office of information technology management on technical issues.

HB 401, repealing the prospective repeal of the healthy kids corporation.

HB 189, excluding rooms and rental units leased or subleased from charitable organizations under a transitional housing program from the definition of "tenancy" for the purposes of landlord/tenant laws.

HB 228, relative to the definition of "club-veterans" under the liquor laws.

HB 309, increasing the time for a local legislative body to act on a proposed interim zoning regulation.

HB 208-L, relative to the status of roads laid out by the courts of common pleas or the county commissioners.

HB 307, relative to the adoption of local river corridor management plans by planning boards.

HB 254, relative to shared tenant telecommunication services.

HB 390, relative to quarantine of captive wildlife.

HB 157, requiring persons marketing small consumer loans by offering inducement checks to print a disclosure on the inducement checks.

HB 398, allowing Delta Dental Plan of New Hampshire to issue plans to individuals.

HB 262-FN-A-L, establishing a National Information Infrastructure oversight committee.

HB 149-FN, relative to the regulation of the profession of physical therapy.

HB 471, relative to the method of refund of the road toll paid by private school bus companies.

HB 120-FN, amending certain license fees and making various technical changes to the fish and game laws.

HB 681, relative to penalties for certain violations of fish and game laws and granting rulemaking authority to the executive director relative to registration agent fees for wild turkey permits.

HB 315-L, expanding certain financial powers of village districts.

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill numbered 193.

Rep. Nowe, Sen. Barnes for the Committee

UNANIMOUS CONSENT

Rep. Fuller Clark addressed the House.

Rep. Lockwood moved that the remarks made by Rep. Jacobson be printed in the Journal.

Adopted.

Rep. Jacobson addressed the House.

Thank you Madam Speaker. Fifty-two years ago today, I and some 60,000 fellow Marines assaulted the island of Iwo Jima. Originally scheduled for a three-day battle, it turned out to be a 36-day

battle, one of the bloodiest, if not the bloodiest, battle of the war. Part of the reason was that we fought the war differently from other battles that we had fought. The Japanese fought it under the ground. They had 11 miles of tunnels. We fought it above the ground. No single spot of the island was free of danger. The result was that thousands of my fellow Marines were killed in the battle and many more thousands were wounded. Each year that I have been in the legislature, I have stopped for these few moments to honor those who gave the utmost. They gave their lives so that I and all of you can be free. They made the ultimate sacrifice. After 36 days, I boarded a ship for Honolulu and from that moment on to this day, I have had nothing but lucky days. Thank you.

RECESS MOTION

Rep. Wheeler moved that the House stand in recess for the purpose of introduction of bills, enrolled bill reports and enrolled bill amendments only.

RECESS

(Speaker Sytek in the Chair)

Rep. Channing Brown moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 9

Wednesday, February 26, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, Reverend Anna C. Beach of the Bow Mills United Methodist Church.

O creator God, we thank You for this day, for the beautiful land that You have given us, and for the freedom we enjoy. We thank You that we are Your children, created in Your image, and that You have assured us that, while we are intent upon following Your will, You will hear our needs. We pray for Your blessing and guidance upon these men and women who have gathered here to discern the needs of Your people in New Hampshire. May their deliberations be carried out in a spirit of truth and justice. Grant them sincerity to persistently seek the things that endure, refusing those which perish. May they seek the truth in the issues debated and voted upon today and every day of this legislative session. May each person here grow in that love which is the life of all people. We pray for this state and its people and communities where many find themselves amid the perplexities of change. We ask that You help these leaders of the people to be ever mindful of the needs of the persons whom they represent. In the midst of controversial issues, give them open minds and hearts that will enable them to consider the greatest good for the people of this state. We know, O God, that even when people try their best to do what is right, there is always the possibility of misjudgment. We ask that where an error has been made that You direct corrective action; and where anything is amiss that You give guidance for reform. We also ask that You give the strength and ability to those assembled here to protect the spirit of the laws passed by their predecessors that still uphold the basic foundation of freedom that has sustained the people of New Hampshire. Give this body wisdom and understanding, and inspire the minds of all to whom have been given the responsibility of government and leadership. Give to them the vision of truth and justice, that by their counsel, peace and justice may be served. Give them strength and charity that, as leaders, they may do their work, seeking not the good of any party or faction, but of all people. Endow each person here with a right understanding, pure purposes and sound speech. Enable them to rise above all self-seeking and party zeal to the nobler concern of the public good. We ask Your special blessing upon our Governor as she leads this state towards the new century. Help us, in good times and in distress, to trust Your mercy and yield to Your power, this day and for ever. Amen.

Rep. Ziegler led the Pledge of Allegiance.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 151, establishing comprehensive medical, physical and psychological standards for law enforcement officers, removed by Rep. Dolan.

HCR 10, urging recognition of the contributions made by the Irish potato famine immigrants and observation of the 150th anniversary of the Great Hunger, removed by Rep. Dwyer.

HB 310, repealing RSA 14-B, relative to the legislative ethics committee, removed by Rep. Hemon. Consent Calendar adopted.

HB 104-FN, requiring a plea bargaining agreement to be submitted to the court for judgment at least 2 weeks prior to the trial date. **INEXPEDIENT TO LEGISLATE**

Rep. Bruce F. Hunter for Criminal Justice and Public Safety: The committee felt this would interfere with the courts authority to establish its own rules governing the operations of the court as a separate but equal branch of government. There was testimony that the superior courts have plea bargain rules in place even though they differ slightly in their time frame. There was no factual testimony that this proposal would clear the court dockets faster or reduce costs to the courts. We felt it also might infringe on the defendants right to enter a plea at any time prior to or during a trial. Lastly, if this bill were to pass, it would add a hearing to the courts caseload placing a further financial burden on the court and all parties involved. Vote 17-0.

HB 249, clarifying the authority of local police officers to serve cease and desist orders against planning and zoning violations. **OUGHT TO PASS WITH AMENDMENT**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: The original bill added law enforcement officials to those who may serve cease and desist orders and our amendment adds building inspector, code enforcement officer or zoning administrator. We felt if they could issue cease and desist orders, they should also be able to serve them if necessary. Vote 17-0.

Amendment (0099h)

Amend the title of the bill by replacing it with the following:

AN ACT clarifying the authority of certain officials and law enforcement officers to serve cease and desist orders against planning and zoning violations.

Amend RSA 676:17-a, II as inserted by section I of the bill by replacing it with the following:

II. The order shall be served upon the record owner of the property or the record owner's agent, and upon the person to whom taxes are assessed for the property, if other than the owner, and upon any occupying tenant of the property, and upon any other person known by the enforcing officer to exercise control over the premises in violation, and upon all persons holding mortgages upon such property as recorded in the office of the register of deeds, in the same manner provided for service of a summons in a civil action in district court. *Personal service may be made by a building inspector, code enforcement officer, zoning administrator, sheriff, deputy sheriff, local police officer, or constable.* If the owner is unknown or cannot be found, the order shall be served by posting it upon the property and by 4 weeks' publication in a newspaper in general circulation in the municipality.

AMENDED ANALYSIS

This bill clarifies the authority of certain officials and law enforcement officers to serve cease and desist orders against planning and zoning violations.

HB 313, clarifying the authority of security officers on the New Hampshire hospital campus. **OUGHT TO PASS WITH AMENDMENT**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: As it stands now, the security officers only have authority in the buildings used by three state agencies. Numerous other buildings are vacant and if people go in there for any reason, the security force has no authority to act. By passing this proposal, we would allow the security officers to have authority on the whole 106 acre campus. Our amendment deletes section 2 of the original bill which repealed their training requirements. Vote 16-0.

Amendment (0269h)

Amend the bill by deleting section 2 and renumbering the original section 3 to read as 2.

HB 358, allowing victims of domestic violence to terminate a lease if a protective order has been secured. **INEXPEDIENT TO LEGISLATE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: The committee felt that to promote this bill would create as many new problems as the sponsor indicated the current legislation allows. Additional testimony from landlords and the landlord association indicated that hardship cases are already handled informally between tenants and landlords. Vote 15-0.

HB 392, changing references to the "BOCA Basic Building Code" to "BOCA National Building Code." **OUGHT TO PASS**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill also makes changes in references and specifies how and when certain rules will take effect as well as authorizing the commissioner to amend specifications to more exactly fit New Hampshire's requirements. Vote 15-0.

HB 318, making technical changes to the provisions relating to school administrative units. **OUGHT TO PASS**

Rep. David E. Larrabee for Education: This bill is a housekeeping measure making technical changes to provisions relating to organizing, re-organizing, or withdrawing from School administrative units. The term of an SAU study committee was aligned to the original legislative intent, the State Board of Education's recommendations only role was clarified as were voting procedures. Vote 16-0.

HB 162, eliminating the opportunity of a political party to submit a person's name for candidacy after the filing period for individuals has passed. **INEXPEDIENT TO LEGISLATE**

Rep. C. Donald Stritch for Election Law: The Committee felt that this bill addressed one part of the bi-annual election process—the filing period in June. It does not address the primary "open window" nor was a mechanism offered that would solve ballot vacancies due to health, re-location, and/or death. Presently, the appropriate political party has the option to fill such vacancies with the said appointed candidate being processed in the same manner as another declared candidate. In the absence of this process another mechanism should be available. Vote 15-0.

HB 183, relative to the state representative districts of towns. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas I. Arnold, Jr. for Election Law: The N.H. Constitution permits the districting of towns. The Legislature has never provided a process for effecting districts. This bill provides the mechanism for a town with multiple representatives to institute any combination of representative districts and at-large election of state representatives. This bill is enabling, not mandatory. Vote 14-0.

Amendment (0193h)

Amend RSA 662-A:4, I-VIII as inserted by section 1 of the bill by replacing it with the following:

I. The redistricting commission shall consist of 5 members, all of whom shall be registered voters of the town appointed by the town moderator.

II. The town clerk shall within 7 days after the appointment of the commission members, notify those appointed to the commission of the date, time and place of the organizational meeting of the commission. Such date, time and place shall be fixed by the clerk and 7 days' notice of the organizational meeting shall be given. The commission shall organize by electing from its members a chairperson, vice chairperson and a secretary and shall file notice thereof with the town clerk. Vacancies occurring on the commission shall be filled by vote of the commission from the voters of the town. Members shall serve without compensation.

III. The commission may adopt rules governing the conduct of its meetings and proceedings. A town shall provide its redistricting commission, free of charge, with suitable office space and with reasonable access to facilities for holding public hearings, may contribute clerical and other assistance to such commission, and shall permit it to consult with and obtain advice and information from municipal officers, officials and employees during ordinary working hours. A town may from time to time appropriate additional funds to the commission.

IV. The commission shall proceed to determine how to divide the town into representative districts. Any such division shall be based on population figures determined at the latest federal decennial census. Any proposal for division recommended by the commission shall provide for equality of representation in accordance with the principle of one-person, one-vote.

V.(a) Within 14 days after its organizational meeting, the redistricting commission shall hold a public meeting for the purpose of receiving information, views, comments and other pertinent material relative to its functions.

(b) Within 90 days after its appointment, the commission shall prepare a preliminary report including the text of the proposal for new districts which the commission intends shall be submitted to the voters and any explanatory information the commission deems desirable. The preliminary report shall be submitted to the secretary of state for approval pursuant to RSA 662 A:5.

(c) Within 225 days after its appointment, the commission shall submit to the town officers its final report, which shall include the full text and explanation of the redistricting proposal and such comments as the commission deems desirable.

(d) All public hearings before the commission shall be held within the town at such times and places as may be specified in a notice published at least 7 days prior to the hearing in a newspaper having general circulation in the town. Hearings may be adjourned from time to time without further published notice.

VI. Upon the filing of the final report, the town officers shall order the redistricting proposal to be submitted to the voters at the next regular town election pursuant to RSA 662-A:6.

VII. Upon the submission of the final report, the commission shall be dissolved.

HB 252, relative to posting of bylaws in advance of any town election. OUGHT TO PASS WITH AMENDMENT

Rep. Thomas I. Arnold, Jr. for Election Law: This bill requires that towns which adopt bylaws governing distribution of campaign materials and/or elections shall post them permanently in the town clerk's office so candidates will "know the rules" and 72 hours prior to an election at each polling place so individuals engaged in distribution of campaign materials or other electioneering activities will "know the rules". Vote 15-0.

Amendment (0262h)

Amend the bill by replacing section 1 with the following:

1 Requirement for Posting of Bylaws Added. Amend RSA 31:41-c to read as follows:

31:41-c Electioneering. Towns shall have the power to make bylaws regulating the distribution of campaign materials or electioneering or any activity which affects the safety, welfare and rights of voters at any election held for any purpose in such town. Such power shall not extend to the display of printed or written matter attached to any legally parked motor vehicle, nor shall such power extend to activities conducted wholly on private property so as not to interfere with people approaching or entering a polling place. Failure to conform to bylaws adopted under this section shall constitute a violation. Bylaws adopted under this section ~~may~~ *shall be permanently posted in the town clerk's office immediately following adoption, and posted at each polling place 72 hours in advance of any town election*~~[-at the town clerk's office].~~

AMENDED ANALYSIS

This bill requires that bylaws regulating the distribution of campaign materials or electioneering or any activity which affects the safety, welfare, and rights of voters at any election held for any purpose in a town be permanently posted in the town clerk's office immediately following adoption, and posted at each polling place 72 hours in advance of any town election. Current law makes such posting optional.

HB 308, relative to opening hours for polling places. INEXPEDIENT TO LEGISLATE

Rep. Nick Hart for Election Law: The Committee felt polling hours should be more uniform. In almost every city and town which voted on this question, those in favor of 8 a.m. to 7 p.m. won overwhelmingly. The Committee responded to the voters' wishes. Vote 16-0.

HB 333-FN-L, establishing a fine for political advertising placed or affixed prior to the date permitted by statute or placed on or affixed to any public property. **RE-REFER TO COMMITTEE**
Rep. Raymond C. Buckley for Election Law: The sponsor requested that we re-refer this bill while our committee studies constitutional questions as they relate to political advertising. Vote 16-0.

HB 345, relative to the hours polls are open in cities and towns. **INEXPEDIENT TO LEGISLATE**
Rep. Nick Hart for Election Law: The Committee felt the voters wanted to stabilize the voting hours when they voted on the average 3 to 1 for polling hours of 8 a.m. to 7 p.m. Vote 15-1.

HB 407, relative to absentee voting. **INEXPEDIENT TO LEGISLATE**

Rep. Nick Hart for Election Law: The Committee felt there was some merit in this bill. However, the possibility of irregularities outweighed the benefits for the very few who would be served by the bill. Vote 14-0.

HR 10, requesting that certain media entities refrain from prematurely proclaiming the winners in state and federal elections. **OUGHT TO PASS WITH AMENDMENT**

Rep. Lynn C. Horton for Election Law: This resolution urges television and radio broadcasters located both in and out of state to refuse to broadcast reports of exit polls and predictions or calls about the outcome of elections while the polls are still open. Vote 18-0.

Amendment (0203h)

Amend the resolution by replacing all after the title with the following:

Whereas, the state of New Hampshire is dedicated to conducting elections of the highest possible quality and to allowing the public to have the most accurate and truthful information about elections that is available; and

Whereas, television and radio are 2 of the most common sources of information available to, and utilized by, the citizens of New Hampshire regarding the conduct and outcome of elections; and

Whereas, television and radio networks and stations contemporaneously monitor in various ways the votes reportedly cast at polls throughout the state; and

Whereas, those same entities report to the public their predictions or their "calls" as to which candidate will win any particular race long before all polls have closed and therefore, long before any accurate assessment of the outcome of any race could be obtained; and

Whereas, such reporting by television and radio entities is by its very nature inaccurate and often misleading, and is, therefore, harmful to the candidates running for public office as well as the voters interested in valid and precise information about the outcome of elections; and

Whereas, refusal on the part of television and radio entities to broadcast reports based upon exit polls and similar sources predicting or "calling" the outcome of elections long before all the polls are closed would prevent the adverse effect on the candidates and the general public; now, therefore, be it

Resolved by the House of Representatives:

That the house of representatives hereby urges television and radio broadcasters located both in the state and out of the state to refuse to broadcast, within the scope of their authority, reports of the purported outcome of exit polls and predictions or "calls" about the outcome of elections as the voting process is being conducted; and

That copies of this resolution, signed by the speaker of the house, be forwarded by the house clerk to the ABC, CBS, CNN, FOX, and NBC networks, and to all television and radio stations and broadcasting companies operating within the state of New Hampshire.

HB 256-FN, establishing uniform adjudicative proceedings for state agencies and establishing a pilot program for adjudicative hearings. **RE-REFER TO COMMITTEE**

Rep. Merton S. Dyer for Executive Departments and Administration: The committee voted to re-refer this bill to the committee. This bill goes back to SB 90 of the 95 session. The department of health and human services indicated to the subcommittee that under reorganization they would be willing to conduct a pilot program as outlined in the bill. The agency will supply a hearings officer to the administratively attached boards to assist them in conducting an adjudicative hearing. The "Board" members sitting for the hearing will make the decision with input from the attorney generals office. The person conducting the hearing will not participate in the deliberations. The office of the attorney general will provide general guideline for hearings to the "board" members and the hearings office at health and human services will conduct informational sessions for "Board" members. The ad-hoc committee consisting of agency hearings officials, members of the ED&A committee and representatives of health and human services will monitor the progress. We request re-referral to hold the bill in the event we find any legislation might be required after a few months trial. If the pilot program is successful, legislation will be considered that would expand the program, through the department of administrative service to other small boards and commissions. Vote 18-0.

HB 265, repealing certain rulemaking authority of the commissioner of transportation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill, with the amendment, will assist the Department of Transportation with complying with a recent audit of the Department of Transportation. The bill, with the amendment, will make rulemaking optional until such time as the federal government ceases to oversee issuing of securities for certain carriers and relative to investigating railroad accidents. Vote 18-0.

Amendment (0242h)

Amend the bill by replacing all after section 1 with the following:

2 Condition Added. Amend RSA 21-L:12, II to read as follows:

II. Issuing securities for certain carriers, as authorized by RSA 288:76-92 *in the event that federal responsibility in this area is repealed.*

3 Condition Added. Amend RSA 21-L:12, XXV to read as follows:

XXV. Procedures for notification and investigation of railroad accidents, as authorized by RSA 367:56 *in the event that federal responsibility in this area is repealed.*

4 Repeal. RSA 21-L:12, XLI, relative to the sale of abandoned aircraft, is repealed.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill conditionally repeals provisions concerning the rulemaking authority of the commissioner of transportation relative to issuing securities for certain carriers, and procedures for investigating railroad accidents.

It also repeals such rulemaking provisions relative to minimum notification requirements regarding railroad accidents, and the sale of abandoned aircraft.

HB 269, relative to the compensation of sweepstakes commissioners who are members of a multi-state lottery commission. **OUGHT TO PASS**

Rep. Robert K. Dodge for Executive Departments and Administration: This bill sets the compensation of sweepstakes commissioners for multi-state lottery commission meetings. This is in addition to their normal salary under RSA 94:1-a, II and is set at \$50 per actual day worked plus reasonable expenses for duties performed as a multi-state lottery commissioner. Vote 16-0.

HB 316, allowing cosmetologists to employ shampoo assistants. **INEXPEDIENT TO LEGISLATE**

Rep. Sylvia A. Holley for Executive Departments and Administration: This bill would register shampoo assistants to do shampooing, rinsing, pulling rods and other cleansing or sink related duties. There appears to be a need for this type of employee but the duties outlined in the bill do not rise to the level requiring registration. The Board of Barbering and Cosmetology should seek other means to comply with board statute and administrative rules for the employment of ancillary personnel. Vote 18-0.

HB 425, relative to the regulation of pharmacists. **OUGHT TO PASS**

Rep. Nancy C. Stickney for Executive Departments and Administration: This bill provides for a foreign pharmacy graduate to obtain a license to practice pharmacy within this state. In addition to passing a board exam to test competency, it also requires the graduate to show proficiency in the English language and requires a period of supervised practice. Vote 20-0.

HB 434, relative to milk products of sheep and goats and milk producer permits and allowing the commissioner of the department of health and human services to impose certain administrative fines. **OUGHT TO PASS WITH AMENDMENT**

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: Health and Human Services requested this bill to clarify the role of the department in insuring the safety of dairy products sold in New Hampshire and shipped to other states.

The amendment changed 25% to 2.5% regarding fat content in goats' milk. The amendment also exempts permanent milking facilities at fairgrounds from having to obtain a new permit each time they are used. Vote 14-0.

Amendment (0159h)

Amend RSA 184:79, XXII as inserted by section 3 of the bill by replacing it with the following:

XXII. The term "milk" means the lacteal secretion, practically colostrum free, obtained by the complete milking of one or more healthy cows, sheep, or goats. Cow's milk shall contain not less than 8-1/4 percent milk solids not fat and not less than 3-1/4 percent milk fat. Goat's milk sold in retail packages shall contain not less than 7-1/2 percent milk solids not fat and not less than 2.5 percent milk fat.

Amend RSA 184:89 as inserted by section 4 of the bill by replacing it with the following:

184:89 Application; Issue. The commissioner may issue a permit to any milk producer upon receipt of a written application upon a form furnished by the commissioner and setting forth such information concerning the applicant and ~~[his]~~ *the applicant's* operation and facilities as may by rules be required. A permit will be granted upon the condition that the applicant shall at all times conduct ~~[his]~~ *its* operation and maintain ~~[his]~~ *its* facilities in accordance with the requirements of this subdivision and all rules adopted ~~[hereunder]~~ *under this subdivision. Permits shall not be transferable with respect to persons or locations.* All permits once issued shall remain in effect until revoked *or until 6 months following the date on which milk production ceased at the permitted facility. Permanent milking facilities at fairgrounds or other locations which are used at least annually shall be exempt from the 6-month period.* ~~[Permits shall not be transferable with respect to persons or location.]~~ A current listing of all valid permit holders shall be available for review in the ~~[office of the commissioner]~~ *department of health and human services.*

HB 437-FN-L, relative to certain health officers. OUGHT TO PASS

Rep. Alphonse A. Haetenschwiler for Health, Human Services and Elderly Affairs: This bill permits the Department of Health and Human Services to establish the qualifications for a district health officers as provided for in RSA 127. It also establishes a mechanism to appoint deputy town health officers under RSA 128. Vote 15-0.

HB 597-FN-A, creating a tax on gross receipts of health care services. INEXPEDIENT TO LEGISLATE

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: This bill attempted to address the issue of the elder-care costs which are the largest part of the Health and Human Services budget. Medicaid is how we fund elder services. It was the unanimous sense of the committee that this tax would only increase health care costs and was not equitable by taxing only one segment of the population. Vote 15-0.

HB 300, establishing a study committee on judicial pensions. OUGHT TO PASS WITH AMENDMENT

Rep. Sandra B. Keans for Judiciary and Family Law: The issue of judicial pensions has been of continuing concern because they are paid as a direct draw against the general fund. The committee believes that the matter is worthy of an in-depth study. As amended, the group would include 2 house members, 2 senate members, 2 public members and 2 members appointed by the chief justice of the supreme court. Vote 14-0.

Amendment (0277h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a commission to study judicial salaries and retirement benefits.

Amend the bill by replacing all after the enacting clause with the following:

1 Commission Established. There is established a commission to study judicial salaries and retirement benefits.

2 Membership and Compensation.

I. The commission members shall be as follows:

- (a) Two members of the senate, appointed by the senate president.
- (b) Two members of the house of representatives, appointed by the speaker of the house.
- (c) Two public members, appointed by the governor.
- (d) Two members appointed by the chief justice of the New Hampshire supreme court.

II. House and senate commission members shall receive mileage at the legislative rate when attending to the duties of the commission.

3 Duties. The commission shall study alternative retirement systems to the current non-contributory system for New Hampshire judges and examine the costs and consequences of establishing an alternative retirement system for judges in this state.

4 Chairperson; Quorum. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named house member. The first meeting of the commission shall be held within 45 days of the effective date of this section. Six members of the commission shall constitute a quorum.

5 Report. The commission shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, the chief of justice of the New Hampshire supreme court, and the state library on or before November 1, 1997.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a commission to study judicial salaries and retirement benefits.

CACR 19, relating to the election of the speaker of the house, senate president and other officers. Providing that the speaker of the house, senate president, and other officers shall be elected from among the respective body's membership. **INEXPEDIENT TO LEGISLATE**

Rep. Carol H. Holden for Legislative Administration: CACR 19 would amend Article 22 of the constitution to provide that Speaker of the House and the Senate president shall be elected from among the respective body's membership. Article 22 was adopted on June 2, 1784. It was amended in 1792 by adding that the House shall be judge of all returns, elections and qualifications of members. For 213 years, the Speaker of the House and the Senate president have been members of their respective bodies. The committee did not feel that it was necessary to put this question to the voters. Vote 16-0.

HB 111-FN, relative to preservation and access to records of legislation in the state archives. **REFER TO COMMITTEE**

Rep. Gregory G. Carson for Legislative Administration: The committee feels strongly about the preservation of and access to legislation in the state archives. Several questions, however, arose as to the application of the technology used for such preservation. The committee desires to spend additional time on this legislation. Vote 14-0.

HB 332, repealing the law which prohibits an entity which conducts horse or dog racing from employing a member of the general court. **OUGHT TO PASS**

Rep. Warren C. Henderson for Legislative Administration: Current state law prohibits an entity which conducts horse or dog racing in New Hampshire from employing a member of the general court. The committee found that this was an unreasonable exclusion applied to one type of business which might have a special interest in legislation but not applied to dozens of other types of business which might have a similar type of special interest in the legislative process. This existing law was seen by some as infringing on the basic right to serve in elected office for those who are employed by companies in the horse or dog racing industry. Passage of the bill would eliminate the prohibition and resolve the inequity. Vote 12-0.

HB 494-FN, relative to house bills and constitutional authority. **INEXPEDIENT TO LEGISLATE**

Rep. Donnalee Lozeau for Legislative Administration: The committee found merit in the intent of this legislation, however, the expense far outweighed the benefit. Further, the General Court is given broad authority in the passing of legislation. On the rare occasion when questions arise as to constitutionality of legislation, there are well established means for addressing such questions. Vote 14-1.

HB 144-FN, relative to cash incentives paid to servants and agents, excluding commission employees, authorized to sell tickets. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen G. Avery for Local and Regulated Revenues: This bill as amended allows the sweepstakes commission to pay 1% of the prize awarded, up to a maximum of \$30,000 for powerball, or a maximum of \$15,000 for other prizes as an inducement for sales agents. The rest of the bill is gender neutral language. Vote 13-0.

Amendment (0164h)

Amend the bill by replacing section 2 with the following:

2 Cash Incentives Paid to Servants and Agents. Amend RSA 284:21-s to read as follows:

284:21-s Incentive Awards for Ticket Sellers. The sweepstakes commission is authorized to pay ~~[graduated] cash [awards only, to a maximum sum of \$1,000;] incentives, not to exceed one percent of the prize awarded or a maximum of \$30,000 for powerball prizes or \$15,000 for other prizes,~~ as an inducement to servants and agents, excluding sweepstakes commission employees, ~~[who actually sell tickets for persons]~~ authorized to sell tickets pursuant to RSA 284:21-h, II(d), provided such sweepstakes ticket selling servant or agent sells the winning sweepstake ticket for which the commission has authorized an incentive award.

Referred to Finance.

HB 170-L, exempting temporary, demountable, plastic-covered greenhouses from property taxation. RE-REFER TO COMMITTEE

Rep. Richard Noyes for Local and Regulated Revenues: The committee believes a need exists for clarification of the tax status of temporary greenhouses, a device being used increasingly in New Hampshire agriculture. The correct handling whereby municipal authorities can know which are taxable, and which are not, requires more study than is possible before the deadline for this bill. Vote 12-0.

HB 173-L, prohibiting further establishment or expansion of casino or video gambling in New Hampshire for 2 years. INEXPEDIENT TO LEGISLATE

Rep. Douglass P. Teschner and Rep. David W. Hess for Local and Regulated Revenues: The sponsor requested that the bill be withdrawn, and the committee unanimously obliged. While many committee members are opposed to any expansion of gambling, the committee was unanimous in its view that this regulation was "the wrong bill at the wrong time". Vote 12-0.

HB 539-L, relative to the tax lien process for quarterly tax bills in the city of Concord. OUGHT TO PASS

Rep. Jean R. Wallin for Local and Regulated Revenues: Because the city of Concord has adopted quarterly tax billing and collection procedures, as well as a July 1 to June 30 fiscal year, it is necessary to move the date when real estate is subject to a tax lien from December 1 to April 1. This applies to the city of Concord only. Vote 12-0.

HB 551-L, allowing municipalities to grant retired persons over 65 years of age a property tax credit and a property tax cap. INEXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Local and Regulated Revenues: A completely revised elderly exemption law will be voted on at local town meetings in 1997 and will go into effect on January 1, 1998. It will allow cities and towns to tailor the exemption to the needs of their individual communities. The committee believes that the new statute should be allowed to work before more changes are proposed. Vote 13-0.

HB 591-FN, relative to eliminating the authority of the sweepstakes commission to hold sweepstakes races at horse and dog tracks. INEXPEDIENT TO LEGISLATE

Rep. Robert N. Kelley for Local and Regulated Revenues: The sponsor requested the bill to be withdrawn from further processing. The committee honored his requested. Vote 12-0.

HB 663-FN-L, imposing a \$100 per year surtax on occupiers of rental property and condominium units to fund state aid to education and prohibiting future increases in individual residential property taxes to meet educational costs. INEXPEDIENT TO LEGISLATE

Rep. Jean R. Wallin for Local and Regulated Revenues: This bill levies a statewide tax of \$100 per year only on tenants in rental property and freezes residential property taxes at the 1996 level to pay for our schools. The Department of Revenue Administration estimates the tax would have to be \$299 in order to produce enough money to meet educational needs in New Hampshire. The committee feels this bill is both ill advised and probably unconstitutional. Vote 12-0.

HB 776-FN, prohibiting any person under 18 years of age from sitting in a cocktail lounge. INEXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Local and Regulated Revenues: The committee feels that there is not a problem currently, and the present law covers 18 year olds in cocktail lounges. The Liquor Commission also testified in opposition to the bill. Vote 12-0.

HCR 9, urging the governor and general court to take action to bring about property tax relief. **OUGHT TO PASS**

Rep. Linda T. Foster for Local and Regulated Revenues Property tax relief is a continuing theme in both election and non-election years. The committee hopes that this House Concurrent Resolution may facilitate the discussion and help to offer some solutions to the problem. Vote 12-0.

HB 174-L, relative to budgetary official ballot. **RE-REFER TO COMMITTEE**

Rep. Robert A. Lockwood for Municipal and County Government: The bill is concerned with voting processes in village and school districts that were adopted in the budgetary official ballot bill(HB141) passed in the last session of the General Court. The proposed changes would strike the language "To raise and appropriate money for the support of" and substitute the words "on all/ or some warrant articles", regarding issues that could be placed on the official ballot. The committee was concerned that by eliminating the phrase beginning "To raise and appropriate" etc., it would prohibit putting such articles on the warrant, and that adding the phrase, "some or all warrant articles" was vague and ambiguous. This bill will be studied along with several other proposed changes to school and municipal election laws passed only last year so that amendments will not be contradictory and/or confusing. Vote 13-0.

HB 287-L, relative to publication of annual reports by school districts. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: School boards and village districts are empowered to implement these procedures at the present time. The committee feels this bill in its present form is confusing and is an unfunded mandate. Vote 14-0.

HB 295-L, authorizing a cooperative school district board to establish polling places in each member town. **RE-REFER TO COMMITTEE**

Rep. Betsey L. Patten for Municipal and County Government: There are a number of requests to allow communities to change their polling places. It is the feeling of the House Committee on Municipal and County Government that these requests need to be studied together with the Education Committee and the Election Law Committee, hence the motion to re-refer. Vote 12-0.

HB 299, relative to property tax assessments of new buildings during the property tax year. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas E P Rice Jr. for Municipal and County Government: This vote is due to the fact that no money is lost and it would be burdensome to assess during this period. New property will make its tax contribution soon enough. Vote 14-0.

HB 311-L, giving municipalities the option of authorizing their governing bodies to enter into discretionary easements on certain agricultural buildings. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: Discretionary easements are authorized in RSA 79-c. Testimony was received that it was the intent of the legislature that discretionary easements be granted to land only. The committee agreed with the original intent Vote 12-0.

HB 344-L, relative to planning board procedures on plats. **OUGHT TO PASS**

Rep. Betsey L. Patten for Municipal and County Government: According to RSA 676:4,I(b) a planning board has to specify what constitutes a completed application to invoke jurisdiction and to obtain approval. Use of the word submission in both sentences of RSA 676:4,I(c) (1), rather than acceptance, suggests to some that the planning board must begin considering an application upon its submission, regardless of whether the application is complete and has been accepted by the board. Changing the word "submission" to "acceptance of completed application" tightens up the regulation so both parties can determine when the 90-day clock starts. Vote 12-0.

HB 366-L, relative to noncompliance with zoning ordinances. **RE-REFER TO COMMITTEE**

Rep. Cynthia J. Dokmo for Municipal and County Government: The committee wishes to re-refer this bill in order to study existing code/zoning enforcement statutes to determine if they adequately meet their purpose. Vote 12-0.

HB 422-L, exempting initial bond issues from the 10 percent limitation on exceeding appropriations recommended by the budget committee. **INEXPEDIENT TO LEGISLATE**

Rep. Marilyn A. Fraser for Municipal and County Government: This bill appears to be a local issue which can be corrected by the local legislative body. The prevailing reason being that towns under the 10% limit have chosen by ballot to abide by the Municipal Budget Act and thus the guidance of the budget committee and its recommendations. Vote 14-0.

HB 343-L, relative to authority by governmental entities over driveways and other accesses to public ways. OUGHT TO PASS

Rep. Leon Calawa, Jr. for Public Works and Highways: This bill simply clarifies existing statutes regarding authority over driveways and other access to public ways. Vote 18-0.

HB 475, requiring a study on overweight and over-dimension vehicle permits and, in particular, permits for manufactured housing units. INEXPEDIENT TO LEGISLATE

Rep. Winston H. McCarty for Public Works and Highways: All the testimony at the committee hearing related to problems of overweight and overwide vehicles that would be better addressed by proper law enforcement and movers of large and heavy loads adhering to existing laws and regulations. Vote 21-0.

HB 391, making the office of emergency management the administrator of the grant program for the civil air patrol in New Hampshire. OUGHT TO PASS

Rep. John M. Pratt for State-Federal Relations and Veterans Affairs: Some of the parties concerned, the Division of Aeronautics, the Office of Emergency Management and the Civil Air Patrol supported this minor adjustment. Vote 12-0.

HB 678, relative to the expansion of veterans' home services. OUGHT TO PASS WITH AMENDMENT

Rep. Rita G. MacAuslan for State-Federal Relations and Veterans Affairs: This bill amends RSA 119:1 for housekeeping and clarification purposes. It addresses future anticipated services which may be provided by the Veteran's Home. There was overwhelming testimony in support of this bill and no opposition. Vote 12-0.

Amendment (0265h)

Amend RSA 119:1 as inserted by section 1 of the bill by replacing it with the following:

119:1 Establishment. There is established in this state a home known as the New Hampshire veterans' home for the support, care, and treatment of veterans who have served on active duty in time of war for a period of at least 90 days in the armed forces of the United States as defined by 38 U.S.C. section 101 and have been honorably discharged therefrom. The veteran shall have been a resident of the state of New Hampshire for at least one year next preceding the veteran's application. The care of veterans under this section includes nursing care, *assisted living, domiciliary, day care, dementia, chemical dependency and psychiatric services, and other related services and programs* for any veteran otherwise eligible for admittance. *Such services and programs shall be provided at the veterans' home or contracted through other organizations and facilities, both within and outside of New Hampshire.*

HCR 1, requesting Congress to propose an amendment to the U.S. Constitution to prevent federal courts from instructing states or political subdivisions of states to levy or increase taxes. INEXPEDIENT TO LEGISLATE

Rep. George R. Rubin for State-Federal Relations and Veterans Affairs: The committee felt that there should be a separation of the legislative and judicial branches. This is fundamental to the United States Constitution. However, the committee did not get sufficient information in case law to justify the resolution being forwarded to the U.S. Congress. Vote 12-1.

HCR 5, petitioning Congress of the United States to enact legislation that requires Congress to specify the constitutional authority for the enactment of law and that prohibits agency rules or regulations from preempting or otherwise interfering with state or local powers without express statutory authority. INEXPEDIENT TO LEGISLATE

Rep. Rita G. MacAuslan for State-Federal Relations and Veterans Affairs: This resolution's imprecise language and generalizations make it inexpedient to legislate. The proposed amendment is too broad to implement due to its wording. The concept would require Congress to ensure that any conflicts with any state's statutes, laws, or rules be documented before federal legislation is passed. This would ensure no federal laws were ever enacted, since they would have to be tailored to "fit" all fifty states. Vote 14-0.

HCR 8, urging congressional delegates to propose Congressional term limits. **INEXPEDIENT TO LEGISLATE**

Rep. Peter F. Bergin for State-Federal Relations and Veterans Affairs: Under the rules of the United States House of Representatives, bills introduced and defeated cannot be reintroduced in this session. Therefore, it would not be prudent to submit this resolution at this time. Vote 11-2.

HJR 3, requiring the attorney general to bring suit against the United States Government for violating the United States Constitution and the New Hampshire constitution by enacting a military firearms ban. **RE-REFER TO COMMITTEE**

Rep. Margaret E. Lynott for State-Federal Relations and Veterans Affairs: Any action by the New Hampshire Legislature on HJR 3 is premature at this time, since the Brady Bill, which established the Military Firearms Ban, is currently being considered by the United States Supreme Court. Any decision made by this body would be inappropriate until the Supreme Court reaches a decision. Vote 15-0.

HR 15, urging that there be statewide access to Channel 9 (WMUR) as the official disaster reporting station for New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Edwin O. Smith for State-Federal Relations and Veterans Affairs: The committee felt that the cable company serving Whitefield, Lancaster and Groveton is quite short sighted in not carrying Channel 9 on its cable. We also felt that addressing the problem through this legislation was not the forum to solve the problem. If the cable company continues to be uncooperative, maybe future legislation will be necessary. Vote 12-1.

HB 306, relative to highway speed limits. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas J. Boriso for : By changing the words *prima facie* in RSA 205:62 to maximum as proposed in this bill, if you are caught traveling even one mile over the speed limit you will be in violation of the law. It would be unwise to trust speedometers or radar guns to be that accurate. No one from law enforcement appeared in favor of this bill. Vote 13-0.

HB 382, requiring vehicles transporting loads on ways where the speed limit is 30 miles per hour or greater to cover the load. **OUGHT TO PASS**

Rep. Robert J. Letourneau for Transportation: This bill is a housekeeping measure. This bill simply and clearly defines the speed at which a truck must cover its load, *on any way that is posted 30 MPH or more*. The committee felt that trucks loaded with gravel were avoiding the intent of the law as written by stating that they were only going 30 MPH when stopped by police and that they were not required to cover their loads at that speed. The committee also felt that this would be a tool for police officers to enforce this law in the interest of public safety. Vote 12-0.

HB 445, extending the reporting date of the paperless title system study committee. **OUGHT TO PASS**

Rep. Brenda L. Ferland for Transportation: The committee felt that the study committee needed more time to look at the pilot programs now going on in other states. The program has a lot of merit. Vote 13-0.

HB 473, relative to the use of watercraft and boats on the waters of Chocorua Lake in the town of Tamworth. **OUGHT TO PASS**

Rep. Robert J. Letourneau for Transportation: While all bodies of water in the White Mountain National Forest have prohibitions on any motorized watercraft, except four, defined by statute RSA 270:29, Chocorua Lake is not in the White Mountain National Forest. In order to protect the pristine condition of this lake, one of New Hampshire's most scenic and photographed areas, the majority of the committee felt that the bill ought to pass. This bill is of a housekeeping nature, closing a gray area in the law that could have allowed certain petroleum powered watercraft on the lake. This bill also makes this lake accessible to the elderly and handicapped to enjoy by allowing electric powered motors to operate up to 6 miles per hour, while prohibiting use or operation of any watercraft with a petroleum powered motor aboard or attached to it upon the waters of this lake. Vote 12-1.

HB 631-FN, authorizing the department of safety to issue special amateur radio operator plates and related fees. **INEXPEDIENT TO LEGISLATE**

Rep. Sherman A. Packard for Transportation: This group as any other affinity group in New Hampshire already has the means to get special plates under RSA 261-A, the special plate legislation passed last session. This bill is also asking for a special exemption in the form of a reduction in the fee structure that is also set up in RSA 261-A. Vote 11-2.

HB 654, expanding the weight and length law exemptions to include vehicles used by cities and towns for trash removal. **INEXPEDIENT TO LEGISLATE**

Rep. John S. Langone for Transportation: The committee feels it is a safety factor, and would be unenforceable on interstate highways. If passed, it would open door to all commercial carriers to increase weights beyond safety limits. Vote 13-0.

HB 371, relative to the authority of the department of fish and game to regulate the management, preservation, propagation and taking of state fish, game and wildlife resources. **RE-REFER TO COMMITTEE**

Rep. Robert J. L'Heureux for Wildlife and Marine Resources: Present law authorizes the Fish and Game Department to regulate wildlife management in New Hampshire. The committee voted to re-refer this bill to introduce a House Resolution in the next session to re-emphasize this Fish and Game authority. Vote 11-0.

HB 675-FN, relative to bass fishing tournaments. **INEXPEDIENT TO LEGISLATE**

Rep. Mark A. Cegelis for Wildlife and Marine Resources: Under RSA 211:16-b the Executive Director of the Fish and Game Department has the authority to regulate all criteria as it relates to all fishing tournaments. We are confident that the Fish and Game Department will develop a comprehensive strategy to deal with this issue. The majority agrees that micro-management of the Fish and Game Department is not the way to go, and we are optimistic that the department will address all of the concerns raised by members of the committee relative to taking fish during spawning seasons. Vote 9-1.

REGULAR CALENDAR

HB 143-L requiring that SAU budgets be approved by vote at school district meetings. **RE-REFER TO COMMITTEE**

Rep. Jane O'Hearn for Education: The objective of HB 143 is to allow direct voting of school administrative unit (SAU) budgets, in multidistrict SAUs. The states 31 single district SAUs already have complete administrative budget control by their legislative bodies. Under the provisions of RSA 194-C any single school district may withdraw from an SAU and administer its own affairs. Despite several amendments no solution has been found to the timing problems of SAU budget voting in SAUs containing both SB-2 districts and open meeting districts. The possibility exists that no SAU budget would be approved by such mixed governance districts by the end of a fiscal year. Given the likelihood of the continued evolution of official ballot voting (SB-2) the committee felt re-referring HB 143 would provide a vehicle to further study the issue. Vote 9-8. Adopted.

CACR 8, relating to increasing the executive council membership and the number of executive council districts. Providing that the executive council shall be increased from 5 to 10 members, and the number of executive council districts shall be increased from 5 to 10. **RE-REFER TO COMMITTEE**

Rep. Joseph A. Foster for Election Law: During the hearing held on this CACR, not only were concerns raised about the geographic size of the districts certain Councilors represent but also about the scope of their duties and powers. The size of certain districts, some believe, make it difficult for the Councilors to adequately serve their constituents while others raised concerns about the Council's load (200 items per meeting) and the scope of its power (nominations). Should the Senate, as in nearly every other state, be involved in the nomination process? Should the Council's involvement in appropriations be amended? Is it still necessary? To answer these and other concerns the Committee wishes to study the powers, duties, and the districts of the Council. Vote 13-3. Adopted.

CACR 9, relating to requiring that the attorney general be elected by the legislature. Providing that the attorney general be chosen by joint ballot of the senators and representatives. **RE-REFER TO COMMITTEE**

Rep. Thomas I. Arnold, Jr. for Election Law: In recent years it has been the perception of many that the Attorney General's office, the chief law enforcement officer for the people, has failed to consistently communicate with the people's representative—this House. One method to address this problem is to remove the Governor's power of appointment and, instead, have the Legislature elect the Attorney General as now occurs with the Secretary of State and the State Treasurer. There may be other methods to address this problem and election by the House could present problems of its own. For this reason, the Committee recommends the bill be re-referred so the benefits of the CACR can be examined more closely. Vote 12-4.

Adopted.

HB 248-L, prohibiting all persons except candidates who appear on the ballot from performing electioneering activities within 100 feet of the door of the polling place and relative to campaign signs held by candidates. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Lynn C. Horton for the Majority of Election Law: After a lot of discussion, it was determined that if the moderator does his or her job problems with signs and blocking the way to the polls should be taken care of under current law. Vote 13-2.

Rep. Raymond C. Buckley for the Minority of Election Law: This bill is a thoughtful compromise to the age-old problem of the mass of sign holders at the polling locations gathered at the polling place doorway. The Secretary of State testified in favor of this bill detailing numerous instances of citizens choosing not to vote because of the intimidating crowd of candidates and supporters at the doorway. This bill would permit only candidates on the ballot to be within 100 feet of the doorway. All others would be required to stand outside this 100 foot zone.

Majority report adopted.

HB 225-FN, requiring the commissioner of health and human services to establish a needle exchange pilot program. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Robert W. Foster for the Majority of Health, Human Services and Elderly Affairs: This bill requests the commissioner of Health and Human Services to establish with the assistance of an advisory committee, a two year needle exchange pilot program to reduce the spread of AIDS. The pilot program is to be implemented in one community. This is an option not a mandated program. The department of Health and Human Services has given full support to this bill. Vote 14-3.

Rep. Robert K. Boyce for the Minority of Health, Human Services and Elderly Affairs: This bill while well intended might send a message that the State of New Hampshire condones, facilitates and legitimizes the use of illegal drugs. While the number of reported cases of AIDS has been dropping, over the past few years drug abuse among high school children has been rising. Drug abuse represents a greater threat to our society than any disease. This bill does not address the problem.

Amendment (0131h)

Amend the bill by replacing all after section I with the following:

2 Pilot Program Established; Needle Exchange.

I. The commissioner of the department of health and human services shall establish, with the assistance of an advisory committee, a 2-year pilot program offering the free exchange of new hypodermic needles and syringes for used hypodermic needles and syringes as a means to prevent the transmission of human immunodeficiency virus (HIV) among intravenous drug users. The pilot program may be implemented in one community in New Hampshire. Any individual who either administers or participates in the needle exchange program established under this act shall be immune from prosecution for violating RSA 318:52-c through RSA 318:52-e.

II. In order to implement this pilot program the commissioner, with the advice of the advisory committee established in section 3 of this act, shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The community where the pilot program may be implemented and the manner of implementation in such community.

(b) Counseling and rehabilitation services to be offered to persons participating in the program.

(c) Any other matter necessary to the administration of this act.

III. The local governing body shall have the option to determine if the pilot program will be implemented in the community.

IV. The commissioner of health and human services may accept grants and moneys from any source and may expend such grants and moneys for the purposes of the program.

3 Advisory Committee.

I. There is established an advisory committee to assist the commissioner of health and human services in establishing and monitoring the pilot program, including the rulemaking process, authorized under section 2 of this act. The committee members shall be as follows:

(a) Two members of the house of representatives, appointed by the speaker of the house.

(b) Two members of the senate, appointed by the president of the senate.

(c) A public member, appointed by the governor.

(d) The medical director of the department of health and human services, or designee.

(e) An outreach worker affiliated with either a local public health department or an AIDS organization, appointed by the commissioner of health and human services.

(f) One representative of the New Hampshire Medical Society, appointed by such society.

(g) One representative of the New Hampshire Police Chiefs' Association, appointed by such association.

(h) A representative of the New Hampshire Pharmacists Association, appointed by such association.

(i) A representative of the New Hampshire Nurses Association, appointed by such association.

II. Members of the advisory committee shall serve without compensation, except that the legislative members shall receive mileage at the legislative rate.

4 Report. The commissioner of the department of health and human services shall make an interim report on or before January 1, 1999, and a final report on or before the termination date of the pilot program to the speaker of the house, the senate president, the speaker of the house, the senate clerk, the house clerk, the governor, and the state library on the activities, findings, and recommendations relative to the pilot program.

5 Funding. The pilot program established in this act shall be funded through appropriations currently available to the department of health and human services and through grants solicited by the department from federal, local, charitable and private sources. Moneys raised under this section shall be continually appropriated to the department for the purposes of this act.

6 Applicability. The commissioner of the department of health and human services shall initiate rulemaking, pursuant to RSA 541-A, for the pilot program established in section 2 of this act, and such rules shall be filed with the director of legislative services under RSA 541-A before the pilot program is implemented.

7 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill requires the commissioner of the department of health and human services to establish, with the assistance of an advisory committee, a 2-year needle exchange pilot program to reduce the spread of AIDS in New Hampshire. The pilot program may be implemented in one community in New Hampshire. The community shall have the option of deciding whether the pilot program should be implemented in its community. The commissioner is granted rulemaking authority to implement the provisions of the bill.

Adopted.

Rep. McGough requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

Referred to Finance.

CACR 4, relating to returning annual legislative sessions to biennial legislative sessions. Providing that the general court shall meet biennially. **INEXPEDIENT TO LEGISLATE**
Rep. Peter Hoe Burling for Legislative Administration: The issue of biennial sessions has become an annual favorite, at least for some. The majority of the committee, however, remains convinced that annual sessions are required to do the business of the state. Vote 11-4.

Rep. Loren Jean requested a roll call; sufficiently seconded.

The question being the adoption of the report.

and the report was adopted.

Rep. Bergin voted yea and intended to vote nay.

HB 168, establishing a joint committee on unfunded mandates. **INEXPEDIENT TO LEGISLATE**
 Rep. Donnalee Lozeau for Legislative Administration: The consensus of the committee was that a joint committee on unfunded mandates such as that which this bill envisions would not substantively improve our ability to monitor compliance with Article 28A of the State Constitution. While the committee solidly supports legislative vigilance to prevent the imposition of unfunded mandates on New Hampshire cities and towns, the joint committee proposed in this bill has no mechanism to enforce compliance in cases where violations may be identified. Vote 16-0.
 Adopted.

HB 383, requiring the nomination and election of the secretary of state and treasurer to be without regard to party affiliation of the candidate. **OUGHT TO PASS**
 Rep. Amanda A. Merrill for Legislative Administration: The majority of the committee believes it is worthwhile to clarify in statute that our Secretary of State and State Treasurer shall be elected on the basis of personal qualifications, not party affiliation. Vote 12-1.
 Adopted and ordered to third reading.

HB 184-A, requiring the state to reopen Mittersill ski area and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**
 Rep. Gene G. Chandler for Public Works and Highways: This bill, if passed would appropriate 1.5 million dollars to reopen Mittersill Ski Area and do a master plan of the area. A couple of major problems exist with this idea, the first being that 1.5 million dollars is woefully short of being enough of an investment to properly reactivate Mittersill, let alone do a master plan. There is little question that Mittersill should be reactivated and become a vital part of the ski operation at Can-

non, but until such time as a number of state ski area questions are resolved or the state is willing to commit the many millions necessary to do the necessary work at the areas, another study or master plan would only gather dust. Since the majority of the committee voted inexpedient and a number of the minority wanted to explore re-referral, there wasn't much support in the committee for passage of this measure Vote 12-6.

Adopted.

HB 644-FN-A, changing the rate of taxation for certain fuels subject to the road toll. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE**

Rep. Winston H. McCarty for the Majority of Public Works and Highways: Despite the committee being aware that there is a small difference in the energy content of various types of fuel, the difference seems too insignificant to make any changes at this time in the fuel tax to compensate for these differences. The paper work and bureaucracy would be so complex to figure and collect fuel tax, and according to the proposed plans it did not seem worthwhile at this time. Only the prime sponsor spoke in favor of the bill. Vote 15-5.

Rep. Katherine D. Rogers for the Minority of Public Works and Highways: The intent of this bill was to make road tolls on motor fuel per gallon proportional to the energy content of a gallon of each fuel. The sponsor offered an amendment to bring this bill into revenue neutrality. The minority believes this concept warrants further study. We need to look for methods to move people toward the use of less-polluting fuel alternatives and this bill presents one such method.

Rep. MacGillivray spoke against.

Rep. Schotanus spoke in favor and yielded to questions.

Majority report adopted.

HB 607-FN, relative to special number plates for certain veterans. **INEXPEDIENT TO LEGISLATE**

Rep. John W. Flanders, Sr. For Transportation: It was felt by the committee that the process already in place, RSA 261A, covers this problem and the Commissioner of Public Safety has the authority to grant any special plates under certain provisions. Vote 13-0.

Rep. Root spoke against.

Reps. Hoadley and Kenney spoke against and yielded to questions.

Reps. John Flanders and Packard spoke in favor.

Rep. Kenney requested a roll call; sufficiently seconded.

The question being the adoption of the report.

HB 132-FN, allowing New Hampshire residents on active duty in the armed forces or coast guard to be issued hunting and fishing licenses at no charge. RE-REFER TO COMMITTEE

Rep. Allen K. MacNeil for Wildlife and Marine Resources: This proposed legislation was intended to provide a free hunting and fishing license to any person who was a legal resident of the state prior to entering the service, and in addition was stationed outside the state. Then the questions became more numerous than the answers. For example, must that prior resident still maintain residency? Does it cover persons living in New Hampshire, but working at a base out-of-state? And on and on. The committee felt that with a lot of work, (and negotiating) perhaps a satisfactory bill could be put in place to address the real intent of the sponsor and other supporters. Vote 11-2. Adopted.

HB 151-FN-L, establishing comprehensive medical, physical and psychological standards for law enforcement officers. OUGHT TO PASS WITH AMENDMENT

Rep. Herbert R. Hanson for Criminal Justice and Public Safety: This bill recommends psychological screening of final applicants for police positions beginning 1999. It also recommends the same medical examination and physical fitness requirements for hiring part time police officers as currently exist for full-time officers beginning next year, and recommends that all police officers hired after January 1, 2001, have medical examination and physical fitness tests at three year intervals during their careers. The bill grandfatheres existing officers and will not result in any present officer losing their job because of this new requirement. The amendment prevents any unfunded mandate on units of government by making requirements that would affect them subject to vote of the local governing body. It also prevents the Police Standards and Training Council from requesting communities to reconsider their vote more frequently than at 5-year intervals. Vote 17-0.

Rep. David Welch moved Recommit to Committee and spoke in favor.

Adopted.

SPECIAL ORDER

Rep. Dwyer moved that **HCR 10**, urging recognition of the contributions made by the Irish potato famine immigrants and observation of the 150th anniversary of the Great Hunger, be made a Special Order for Wednesday, March 5, 1997 as the first order of business and spoke in favor.

Adopted without objection.

REGULAR CALENDAR (CONT'D.)

HB 310, repealing RSA 14-B, relative to the legislative ethics committee. INEXPEDIENT TO LEGISLATE

Rep. Donnalee Lozeau for Legislative Administration: This bill would abolish the legislative ethics committee. The bill did not address any alternative body or other means of addressing legislative ethics issues. The committee found that every consequence of abolishing the ethics committee would be negative. The fundamental principle of self-policing is one key measure of our faith in the legislative process. While no such process is perfect, the committee feels that the goals of the legislative ethics committee are essential to maintaining the integrity of our process and public faith in our institution. Vote 12-0.

Rep. Hemon spoke against.

Reps. Burling and Lozeau spoke in favor.

Rep. McCann requested a Quorum Count.

The Speaker gavelled the proceedings to continue.

Rep. McCann spoke against.

Adopted.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. McCann requested that his protest be entered on the Journal.

I hereby submit my protest to the Inexpedient to Legislate vote on HB 310, repealing RSA 14-B ethics guidelines for the New Hampshire General Court.

Testimony was received which showed the Committee, by its rules, violated RSA 91-A in the New Hampshire Right to Know Law. Such violation occurs in RSA 14-B:4, 1 and in procedural rules 3, I, III, V, VI, VII and X. Also RSA 14-B violates the prior restraint clause of the United States Constitution. For these reasons, I protest the above captioned vote.

A review of the June 1996 book of RSA 14-B Ethics Guidelines and Procedural Rules produced the following examples of statutory and Constitutional problems:

RSA 14-B:1 violates Part I, Article 30 of the New Hampshire Constitution which reads: "The freedom of deliberation, speech and debate in either house of the legislature is so essential to the rights of the people, that it cannot be the foundation of any action, complaint, or prosecution in any other court or place whatsoever."

Further, conduct of the Ethics Committee during Complaint 96-1 attempts to expand the scope of jurisdiction of the Ethics Committee by involving itself in "type of bill." Page 3, paragraph 8 of the transcript of Complaint 96-1 reads as follows: "Sen. Russman: Mr. Chairman, I guess that I'm not so sure but what – the issue is fairly narrow as to whether to file this type of bill is in violation of the ethical guidelines. I'm not sure it matters what the reasoning was one way or the other. It's like if you're doing – potentially if you're doing 65 in a 50 zone, the question is, you know, were you or were you not? I guess I'm not so sure that that is required to have those people here, what they might lend to it one way or the other."

RSA 14-B:2 II appears to violate the right to challenge a committee member for bias or conflict of interest.

RSA 14-B:3 I (d) appears to violate RSA 91-A regarding open public meetings. Page 1, paragraph 3 of the transcript of Complaint 96-1 reads as follows: "Russell Hilliard: We're here to conduct a hearing this morning on Complaint 96-1. I consulted before the meeting with a representative of Rep. Hemon, and it's agreed that the hearing will take place in open session."

Rule of Procedure 2-II violates RSA 91-A regarding public meetings. Committee business transacted by phone does not constitute a public meeting. See Revised Rules of the Joint Legislative Committee on Administrative Rules and subsequent rulings of that body. Rule 3-I violates RSA 91-A regarding open public meetings.

In addition to violation of the Constitution and statute, the procedures used in Complaint 96-1 show that the Ethics Committee, by its own actions or lack thereof, does not follow RSA 14-B or the Rules of Procedure.

For the purpose of this protest, I will simply cite the areas of law and rule not followed by the Ethics Committee in considering Complaint 96-1, the full transcript of which I have reviewed. I also attended two of the three open hearings.

The following RSAs were not followed: RSA 14-B:4 I, RSA 14-B:4 IV, RSA 14-B:4 V and RSA 14-B:4 VI. The following Rules were not followed: Rules 4-I, 6-I, 7-I, 7-IV(b) and 8-V.

RESOLUTION

HB 382, requiring vehicles transporting loads on ways where the speed limit is 30 miles per hour or greater to cover the load.

HB 445, extending the reporting date of the paperless title system study committee.

HB 473, relative to the use of watercraft and boats on the waters of Chocorua Lake in the town of Tamworth.

HB 383, requiring the nomination and election of the secretary of state and treasurer to be without regard to party affiliation of the candidate.

UNANIMOUS CONSENT

Rep. Mirski moved that the remarks made by Rep. Feng be printed in the Journal.

Adopted.

Rep. Feng addressed the House.

Thank you Madam Speaker and distinguished members of the House. Last week, we heard about Wentworth-by-the-Sea. Today, I would like to talk to you about the historical significance behind

what we call the Treaty of Portsmouth. Before I proceed, I will relate to you some of the historic background of this particular treaty, but first I would like to offer you an analogy. You have an old lady living in a mansion with quite a lot of acreage. During her younger years, she squandered her money and lived a very extravagant lifestyle and she has disowned a lot of her relatives. When she became old, she was left defenseless. This was well known around the community, and there were quite a lot of murderers and robbers around that area. They came to that particular mansion and stole from and burgled that particular lady. There seemed to be a path between all those invaders. They said that if you want to steal from this old lady that they would keep their hands off a particular portion of the mansion. However, later there was one especially strong and younger invader and he did not want to play by the rules. One day, he invaded that lady's mansion at the same time as an older and much more cunning invader was invading the house. A fight ensued. The old lady finally said that she would have to call the police. The police did arrive, but strangely enough the police were very good hearted and said that since the two invaders fought each other and the younger intruder won that he should have gotten all the prizes from the fight and that the old cunning invader should yield. This went on for a while and the younger invader was getting more greedy and more bold. One day, the police said this cannot happen and we have to do something about it. When the policemen confronted this particular burglar, the burglar turned on him and almost fatally wounded the policeman. This had a lot of implications, because the cunning, old invader wanted to take his own revenge. So, he got together with the policeman and he subdued that particular invader. Here, I end this analogy.

Let me roll history back about 200 years to the beginning of the 1800s. The English had already colonized India and they had a company called the East India Trading Company. With their naval power, they started coming into China. Lesson one is that a country, especially the United States, today should learn these lessons. Number one is that you have to keep your economic power and number two is that you have to keep your military power. China, at the time, was called the Tiger of the East. They were powerful on the surface. They were powerful even in certain specific areas. This goes on for about 40 years. The British government was using India to grow their opium and were sending it to China. Most Chinese were addicted to opium. If you have read history, you might have read that. Finally, the government, this very weak old government, said that they could not do this anymore; they were going to have to ban opium. This was in 1844. I will advance the history a little further, and we had an opium war. China was defeated by the British. In those days, it was what we called gunboat diplomacy. A treaty was made in which China gave the territorial rights to Hong Kong to the British. That was in 1844. At the same time, China also ceded their right to Vietnam. Vietnam became a protectorate of the French. Macao was given to the Portuguese. Now, I will go a little bit further in history again. In 1860, the Russians in the north said they were going to extend the Siberian Railroad all the way through the northeast province of China because that part has one of the peninsulas which will provide deepwater ports for Russia. We all know Russia was a landlocked country. They didn't have any access to seaports. In order to extend their naval power they needed that particular port. So, they first coerced China into giving them the right to extend the Siberian Railroad into Chinese territory. At just about that time, Japan had emerged from feudalism and was gradually becoming an industrial power. But, Japan was a very small island. They did not have the resources to satisfy their intention to conquer the world. The first thing they did was go into Korea. At that time, Korea was also a protectorate of the Chinese. In 1895, the Korean people asked the Chinese to help them to expel the Japanese. A war was fought and China lost again. At that time, the Japanese demanded that the northeast provinces be part of their territory and also that the Chinese give them Taiwan — today the Republic of China. However, Russia was not very happy about that so with the help of the British they forced the Japanese to vacate that particular item in the treaty. Ten years later, this sowed the seeds for the Russian and Japanese War, which happened in 1904 and 1905. At the turn of the century, the 1900s, the Chinese were so unhappy with what were called the foreign devils that they started literally killing the foreigners. That started what was called a United Army from eight western countries. They invaded China but China had no way to defend itself. Everybody from that time on got a piece of the territory. The British got their hundred-year lease of Hong Kong officially. The United States did not demand any of the territorial rights in China. As a matter of fact, the United States was afraid that after the war China would be so divided up that the country would no longer be there. After that war, there were individual treaties to every one of the eight countries involved and China paid restitution to

every country. The United States said they would take the money but that they would use it to build universities in China. Today, there are three very famous universities. They are the equivalent of Yale, Harvard and MIT. The Chinese are grateful for that. However, in 1905 the Japanese still weren't satisfied with the provisions made in 1895 so they declared war on Russia. Again; they defeated Russia. That was the treaty made here in Portsmouth. I have to make a comment about something quite strange. The two countries fought a war over territory that did not belong to either of them, but they got a piece of it. Of course, that was in 1905 and as you all know, 30 years later the Japanese turned on America and attacked her Pearl Harbor. It is ironic that from several of these incidents we can draw lessons from history. Number one, as I said before, is that we must keep our country strong economically and militarily. That is the only way you can prevent anyone from trying to invade you. Number two is that we cannot appease aggressors. The aggressor must be put down immediately to show your willingness to confront the aggressor. Again, number three is you do not appease. Of course, before the end of the war the Russians, the Americans, the British had one particular conference called the Yalta Conference. Russia demanded that because they had gotten into the war to defeat the Japanese, they must be given the northeast provinces. In those days, the full Japanese military were put into reserve to fight the American invasions. They never used those troops. All their weapons were given to the Communists. That is the reason that in two years the communists defeated the Nationalist Chinese. By the way, I am a Nationalist Chinese soldier. I was a Lieutenant in the Nationalist Chinese Army and I fought in 1958. I really appreciate you giving me the opportunity to relate to you this 200-year history. It is a short version, but I appreciate it very much. I probably would not be here to address you if it were not for the Seventh Fleet ordered by President Eisenhower to the Taiwan Straits in 1958 to help defend the Quemoy Islands. Thank you, Madam Speaker.

RECESS MOTION

Rep. Wheeler moved that the House stand in recess for the purpose of introduction of bills, enrolled bill reports and enrolled bill amendments only.

Adopted.

The House recessed at 2:20 p.m.

RECESS

(Speaker Sytek in the Chair)

Rep. Lozeau moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 10

Wednesday, March 5, 1997

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, Reverend Carolyn H. Keilig.

Eternal and unchanging God, be with us as we work this day. May our wisdom be as solid as the granite of our beloved state. Yet, let us balance that wisdom with the willingness to be open, and the ability to seek out fresh ideas, like a gentle but persistent ocean breeze. With another New Hampshire mud season at hand, may we not get mired down in the things that divide us, but rather let us seek out common ground, for the good of all. Give each of us the strength to serve You, and those of this state, all of whom You love. Amen.

Rep. Robert Lawton led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. George Brown, Burnham, Brennan, David Cote, Felch, Beverly Gage, Guay, Cecelia Kane, Laflam, Lovejoy, MacIntyre, O'Connell, Paul Taylor and Vincent, the day, illness.

Reps. Allen, Ameen, Asselin, Briefs, Dowd, Feng, Feuerstein, Lavoie, Morello, O'Keefe, Palmer, Spear and Vogl, the day, important business.

Rep. Ham, the day, death in the family.

Rep. Guaraldi, the day, illness in the family.

INTRODUCTION OF GUESTS

Glenn Northrup and Tom O'Connor, guests of Rep. Daneault. Sue and Jessica Warren, guests of Rep. Birney. Nashua Mayor Don Davidson and Manchester Mayor Ray Wieczorek, guests of the House.

AMENDMENT TO HOUSE RULES

The Rules Committee offered the following:

Amendment (0588h)

Amend House Rule 64 by replacing the entry for March 5 with the following:

MARCH 6, Thursday

Last day to report all bills going to a second committee, except the capital budget.

Amend House Rule 64 by replacing the entries for March 12 and March 19 with the following:

MARCH 13, 1997, Thursday

Last day to report all other bills, except the operating budget, the capital budget, and all bills in the Finance Committee.

Last day to refer bills to a second committee, except the capital budget.

MARCH 19, 1997, Wednesday

Last day to act on bills not in a second committee, except the budgets and all bills in the Finance Committee.

Amend House Rule 64 by inserting the following entry after the March 19 entry:

MARCH 20, 1997, Thursday

Last day to report the capital budget from the Public Works Committee.

Amend House Rule 64 by replacing the April 2 entry with the following:

APRIL 2, 1997, Wednesday

Last day to report all remaining House bills, except the operating budget.

Amend House Rule 64 by inserting the following entry after the April 2 entry:

APRIL 3, 1997, Thursday

Last day to report the operating budget.

AMENDED ANALYSIS

This amendment changes the reporting deadline for bills going to a second committee from March 5 to March 6 and the reporting deadline for all other bills, except the capital budget and operating budget, from March 12 to March 13, and delays the reporting and action deadlines for bills in the Finance Committee until April 2 and April 10, respectively.

The amendment also makes March 20 the last day to report the capital budget from the Public Works Committee and changes the last day to report the operating budget from April 2 to April 3. Reps. Wheeler and Burling moved that the amendment be adopted.

Rep. Wheeler spoke in favor.

Adopted.

SPECIAL ORDER

HCR 10, urging recognition of the contributions made by the Irish potato famine immigrants and observation of the 150th anniversary of the Great Hunger.

INEXPEDIENT TO LEGISLATE

Rep. George W. Wright for Education: The committee determined that this resolution is unnecessary. Remembrance can compensate for a troubled past, but it can also hobble the future. Vote 17-1.

Rep. Weatherspoon spoke against and yielded to questions.

Reps. Cushing, William McCarthy, Sabella and Manning spoke against.

Rep. Belvin spoke in favor and yielded to questions.

Rep. Sabella requested a roll call; sufficiently seconded.

The question being the adoption of the report.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 464-FN, regarding notice provisions for waxes applied to fresh fruit, removed by Rep. Hall.

HB 121, relative to quality review for accountancy and requiring the board of accounting to adopt administrative rules, removed by Rep. Dodge.

HB 286-FN-A, lowering the rate of the interest and dividends tax, removed by Rep. Jacobson.

CACR 20, relating to the appointment and terms of probate court judges. Providing that all probate court judges be full-time and subject to term limits, removed by Rep. McCann.

HB 365, providing that communications made during family mediation shall be privileged, removed by Rep. Wallin.

HB 394, restricting the jurisdiction of the probate courts over estates, removed by Rep. McCann.
HR 12, urging that impeachment proceedings be instituted posthumously against the late John C. Fairbanks, removed by Rep. McCann.

HB 479, establishing a committee to study the merits of installation of dual pipe and tank septic systems, removed by Rep. Lefebvre.

Consent Calendar adopted.

HB 263-FN, relative to viatical settlements which are settlements between an insurance provider and a policy holder with a life-threatening illness. **RE-REFER TO COMMITTEE**

Rep. Tara G. Reardon for Commerce: Viatical settlements are a relatively new product. Although the committee recognizes the importance of regulation in this area to protect the consumer, the subject is complex and warrants further study. The committee also notes that these settlements may have multi-departmental impact. In the interim, the consumer has protections under federal law. Vote 14-0.

HB 324, relative to the qualifications of bank examiners. **OUGHT TO PASS**

Rep. George Hurt for Commerce: This legislation removes an antiquated 1925 law that severely limits a New Hampshire bank examiners access to credit. This legislation allows, after certain disclosures to the Bank commissioner, bank examiners fair access to credit such as mortgages and personal loans. Vote 12-0.

HB 353, establishing a committee to study issues regarding prosecutions and sentencing of, and incarceration treatment for, persons convicted of sex-related crimes. **RE-REFER TO COMMITTEE**

Rep. L. Randy Lyman for Criminal Justice and Public Safety: The committee heard testimony on more than one bill dealing with incarceration, treatment and sentencing for persons convicted of sex-related crimes. It was the unanimous vote of the committee to use HB 353 as the vehicle to study these complex issues and come back with recommendations in the 1998 session. Vote 11-0.

HB 438-FN, allowing the court to impose certain chemical treatments on repeat child molesters. **INEXPEDIENT TO LEGISLATE**

Rep. L. Randy Lyman for Criminal Justice and Public Safety: This bill seeks to establish a voluntary chemical treatment program for repeat child molesters. The committee is recommending ITL with the intention of addressing this issue under the committee to be established by HB 353. Vote 11-0.

HB 625-FN, establishing heightened criminal penalties for threatening or assaulting a teacher. **INEXPEDIENT TO LEGISLATE**

Rep. Frank M. Schanda for Criminal Justice and Public Safety: The sponsor of this bill asked to withdraw the bill, but under our rules, every bill has an opportunity to be heard. No one was present to testify. The committee voted the bill inexpedient to legislate. Vote 12-0.

HB 652, establishing a committee to study certification of police and fire dispatchers. **OUGHT TO PASS**

Rep. Bruce F. Hunter for Criminal Justice and Public Safety: This bill calls for a legislative study committee to consider the possibility of establishing a certification process for police and fire dispatchers. Testimony convinced the committee that minimum standards are necessary and voted in favor of studying the matter in a formal manner. Vote 12-0.

HB 253-FN-L, relative to special education services. **INEXPEDIENT TO LEGISLATE**

Rep. Jane E. O'Hearn for Education: The committee found the objectives of this bill requiring the state board of education to adopt rules for special education program approval, were already appropriately covered by existing standards. The department of education found it costly and difficult to judge costs and qualifications when they were not direct participants in the development of an Individualized Educational Plan (IEP) with an out-of-district placement. Vote 16-0.

HB 317, clarifying certain provisions of law relating to compulsory attendance for home education pupils and relative to dual enrollment provisions. **INEXPEDIENT TO LEGISLATE**

Rep. Arthur J. Pelletier for Education: Since the introduction of this bill, discussions with the department of education and the Home Education Advisory Council determined that the proposed legislation would not result in further clarification of existing law. Vote 16-0.

HB 388, providing that one member of the state board of education shall be a currently certified and employed New Hampshire public school teacher. **INEXPEDIENT TO LEGISLATE**
 Rep. Richard L. Hill for Education: The committee felt this bill was in conflict with the current law and opinion of the justices (1973) 113 NH 457, 309 A2d 215 regarding the prohibition of public or private teachers from being a member of the state board of education. The state board of education has seven civic minded members, one from each council district and two who serve at large. Vote 20-0.

HB 450, relative to accessing directory information as defined by the Family Educational Rights and Privacy Act. **OUGHT TO PASS WITH AMENDMENT**
 Rep. William A. Riley for Education: This is a privacy bill as amended. It gives parents and students who are 18 years old control over what personal information they will allow to be printed in a local education agency directory published for general distribution. Vote 16-0.

Amendment (0320h)

Amend the bill by replacing section 1 with the following:

1 New Section; Directory Information Which May Be Disclosed. Amend RSA 189 by inserting after section 1-d the following new section:

189:1-e Directory Information. A local education agency which maintains education records may provide information designated as directory information consistent with the Family Educational Rights and Privacy Act (FERPA), provided that no item or items of information shall be disclosed without prior written approval of the pupil's parent or the pupil if the pupil is at least 18 years of age. Such approval shall be renewed on an annual basis. Items of directory information, which is information not generally considered harmful or an invasion of privacy if disclosed, shall include:

- I. Name, address, and telephone number of a student.
- II. Field of study.
- III. Weight and height of athletes.
- IV. Most recent previous school attended.
- V. Date and place of birth.
- VI. Participation in officially recognized activities and sports.
- VII. Date of attendance, degrees, and awards.

AMENDED ANALYSIS

This bill specifies items of directory information, which is information not generally considered harmful or an invasion of privacy if disclosed consistent with the Family Educational Rights and Privacy Act (FERPA) with written approval of the pupil's parent or the pupil if the pupil is at least 18 years of age.

HB 748-FN, clarifying the school building aid law relative to kindergarten programs. **OUGHT TO PASS WITH AMENDMENT**

Rep. Suzan L. R. Franks for Education: This act as amended will clarify the school building aid and kindergarten aid laws as requested by the State Department of Education. The amendment will allow this act to take effect upon passage. Vote 20-0.

Amendment (0408h)

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.
 Referred to Finance.

HB 235-FN-L, requiring a special election to be held when a vacancy occurs in the office of county sheriff. **INEXPEDIENT TO LEGISLATE**

Rep. Nick Hart for Election Law: The Committee felt the expense for special elections for these offices was not necessary. The Superior Court has appointed qualified persons to fill these vacancies. Vote 17-0.

HB 408, relative to using name stickers on election ballots. **RE-REFER TO COMMITTEE**
 Rep. Raymond C. Buckley for Election Law: The Supreme Court is expected to rule on a N.H. case relative to stickers used in this past election. The Committee would like to have this bill re-referred to deal with the court ruling. Vote 17-0.

HB 800, redistricting the executive council districts. INEXPEDIENT TO LEGISLATE

Rep. Thomas I. Arnold, Jr. for Election Law: The Committee recognized the concerns represented by this bill and will combine them into the consideration of CACR 8 which was re-referred by the House. Vote 14-0.

HB 213, establishing a committee to study the issues of licensing of psychologists, pastoral counselors, clinical social workers, mental health counselors, and marriage and family therapists. INEXPEDIENT TO LEGISLATE

Rep. Miriam D. Dunn for Executive Departments and Administration: The issues in this bill are now under consideration in other legislation moving through this session. Therefore, a separate study committee does not seem necessary. Vote 16-0.

HB 282, relative to enforcement of compliance by agencies with statutory authority for administrative rulemaking and other grounds for final objection by the joint committee on administrative rules. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: The intent of the bill is to allow the Joint Legislative Committee on Administrative Rules to insure that all rules that are proposed for adoption comply with the legislative authority. The committee felt that the method to insure compliance outlined in the bill was very severe and dependent upon the governor taking action at the request of the JLCAR. This action might or might not be taken and if not, there is no method of resolution. At the present time, JLCAR has among its motions a joint resolution which will send the proposed rules to the full legislature for resolution. This will hold up adoption until resolved by the legislature. Vote 16-0.

HB 303, relative to accountancy. RE-REFER TO COMMITTEE

Rep. Myron S. Steere, III for Executive Departments and Administration: This bill makes a number of changes in the definition and requirements in RSA 309-B concerning public accounting. The sponsor and committee agreed further research and discussion was required to prepare the bill for presentation in the next session. Vote 15-0.

HB 322, relative to bingo and lucky 7 inspectors. INEXPEDIENT TO LEGISLATE

Rep. Ray F. Langer for Executive Departments and Administration: It is the opinion of the committee that this legislation is not necessary. An assignment as supervisor by the Commissioner of Safety, under RSA 21-P:11 does not change the retirement status of the State Police officer. The police officer remains a police officer in group II of the retirement system regardless of the assignment. Vote 14-0.

HB 393, relative to the mental health practice act, including establishing a clients' bill of rights. INEXPEDIENT TO LEGISLATE

Rep. Miriam D. Dunn for Executive Departments and Administration: Other legislation in this session deals with the mental health practice act. A client "bill of rights" is not now required of other health professions, but is being used voluntarily by some entities in the mental health field. Vote 17-0.

HB 461-FN, authorizing the New Hampshire hospital and the department of transportation to settle claims when the amount is less than \$500. INEXPEDIENT TO LEGISLATE

Rep. Merton S. Dyer for Executive Departments and Administration: This bill deals with the threshold amount for claims against the New Hampshire Hospital and the Department of Transportation that are remanded to the Board of Claims. The committee has now in its possession SB 60 which also deals with the threshold amount for the New Hampshire State Hospital. By keeping this bill in preference to HB 461, the committee can hold a public hearing on the bill and include an amendment that was presented for the house bill but which did not have an adequate hearing. Vote 17-0.

HB 600, consolidating administrative support for the regulation of health professionals. RE-REFER TO COMMITTEE

Rep. Gerald O. Gosselin for Executive Departments and Administration: The intention is to consolidate the administrative support services for health boards in the areas of secretarial services, issues of licenses, providing one central contact point for consumer information, etc. It was felt that this bill should be re-referred as there were too many factors to consider in the short time frame allowed. In addition,

implementation, would require planning and meetings with the commissioner and staff of the licensure and registration staff of health and human services. Many small licensing boards need assistance in the performance of their duties, and some feel that the consolidation of specialized services could be equally helpful to many of the large boards, too. Even implementing a single unit that could issue health care licenses through a single data base would be a start. Vote 17-0.

HB 108-FN-A, relative to the rate of the legacies and successions tax as it applies to siblings of the decedent together with their spouses and lineal ascendants and descendants of siblings of the decedent together with their spouses. RE-REFER TO COMMITTEE

Rep. David J. Alukonis for Finance: The Finance Committee has received testimony on four legislative proposals regarding the legacies and successions tax, each of which addressed a slightly different issue, or perceived inequity. The committee has determined that the issue should be reviewed and has determined that this bill should be re-referred while the three other bills (HB 603, HB 757, HB 789) should be reported as Inexpedient to Legislate. Vote 19-0.

HB 127-FN-L, designating a portion of the meals and rooms tax for distribution to cities and towns based on the amount of land in current use. INEXPEDIENT TO LEGISLATE

Rep. Paul J. Dwyer, Sr. For Finance: The committee was not persuaded that current land use taxation imposed an unfair burden on any group of taxpayers. Moreover, the connection between current land use concerns and the rooms and meals tax as a remedy is problematic. Vote 18-0.

HB 240-FN-A, increasing certain state employee salaries and making an appropriation therefor, and reducing the number of state employees. INEXPEDIENT TO LEGISLATE

Rep. Robert G. Holbrook for Finance: When the state is involved with collective bargaining, it is not appropriate to legislate important components of a future contract. Vote 17-1.

HB 491, establishing a house committee to study the institution of a state property tax. INEXPEDIENT TO LEGISLATE

Rep. David J. Alukonis for Finance: Pursuant to House Resolution 62, passed by the House in 1996, the Finance Committee is currently charged with studying existing and alternative methods of taxation in this state. The aspects of this bill which have merit will be considered by the current study committee. Vote 19-0.

Rep. Lockwood wished to be recorded against.

HB 513-FN, limiting the operational expenses of the sweepstakes commission to 10 percent of the gross revenue. INEXPEDIENT TO LEGISLATE

Rep. Stephen T. DeStefano for Finance: This bill would limit the operation expenses at the Sweepstakes Commission to 10%. By one definition, the Sweepstakes Commission's operating expenses in 1983 were 24.7% and have been lowered to 14.1% in 1996. By another definition, they are now 2% and compare favorably with the experience of other states of similar size. The committee felt that this bill did not solve the problem it purported to address. Vote 19-0.

HB 574-FN-A-L, imposing a flat tax to replace certain state and local taxes. INEXPEDIENT TO LEGISLATE

Rep. David J. Alukonis for Finance: Pursuant to House Resolution 62, passed by the House in 1996, the Finance Committee is currently charged with studying existing and alternative methods of taxation in this state. The aspects of this bill which have merit will be considered by the current study committee. Vote 19-0.

Rep. Lockwood wished to be recorded against.

HB 603-FN-A, exempting the first \$300,000 in value of the total estate of a decedent from the legacies and successions tax. INEXPEDIENT TO LEGISLATE

Rep. Avis B. Nichols for Finance: The Finance Committee has received testimony on four legislative proposals regarding the legacies and successions tax, each of which addressed a slightly different issue, or perceived inequity. The Committee has determined that the issue should be reviewed and has determined that House Bill 108 should be re-referred while this bill, along with two others (HB 757, HB 789), should be reported as Inexpedient to Legislate. Vote 19-0.

HB 617-FN-A-L, relative to payments for catastrophic aid for special education and making an appropriation therefor. INEXPEDIENT TO LEGISLATE

Rep. Charles L. Vaughn for Finance: This legislation addresses the issue of prepayment of state catastrophic aid to school districts. Although prepayments are devoutly to be wished by districts, the committee decided this bill was difficult to carry out. School districts compile costs for each child for school years ending in June. Then, the Department of Education reviews requests for reimbursement and makes payments plus interest costs on or before the following January 1st. It would be difficult to do it six months earlier, perhaps on the same day costs were submitted. Vote 19-0.

HB 728-FN-A, relative to designating a portion of the meals and rooms tax revenue for the promotion and development of tourism. **INEXPEDIENT TO LEGISLATE**

Rep. Kenneth L. Weyler for Finance: This bill asks for a dedicated fund. Further restricting the general fund revenues makes for a difficult time in balancing the budget. As much as the committee would like to see tourism promoted, the state presently spends over 2 million dollars on this. There are many other areas also in competition. Vote 19-0.

HB 738-FN-A-L, relative to the distribution of revenue from the meals and rooms tax. **INEXPEDIENT TO LEGISLATE**

Rep. Charles L. Vaughn for Finance: This bill requires the state to give to cities, towns and unincorporated towns 50% of the 123 million collected in 1997 from the meals and rooms tax. Thus, the state over the next biennium would have 123 million less in general revenue funds. Consensus of the committee was that this shortfall of state revenues would be catastrophic. Vote 19-0.

HB 757-FN, relative to the applicability of the legacies and successions tax. **INEXPEDIENT TO LEGISLATE**

Rep. David J. Alukonis for Finance: The committee has received testimony on four legislative proposals regarding the legacies and successions tax, each of which addressed a slightly different issue, or perceived inequity. The committee has determined that the issue should be reviewed and has determined that House Bill 108 should be re-referred while this bill, along with two others (HB 603, HB 789), should be reported as Inexpedient to Legislate. Vote 19-0.

HB 761-FN-A, establishing a credit against the business profits tax for businesses that provide qualified internship or apprenticeship programs. **INEXPEDIENT TO LEGISLATE**

Rep. Kenneth L. Weyler for Finance: There are already efforts underway by the Departments of Labor, Education and Economic Security to collectively establish intern/apprenticeship programs. They established a total of 426 apprenticeships with 111 new sponsors last year. This credit would not only cut revenue, but require new auditors to approve qualified programs. Vote 18-1.

HB 789-FN-A, exempting siblings from the legacies and successions tax in certain situations. **INEXPEDIENT TO LEGISLATE**

Rep. David J. Alukonis for Finance: The committee has received testimony on four legislative proposals regarding the legacies and successions tax, each of which addressed a slightly different issue, or perceived inequity. The committee has determined that the issue should be reviewed and has determined that House Bill 108 should be re-referred while this bill, along with two others (HB 603, HB 757), should be reported as Inexpedient to Legislate. Vote 18-0.

HB 255, establishing a committee to study access to dental care for low-income, uninsured, and underinsured persons. **OUGHT TO PASS WITH AMENDMENT**

Rep. Barbara French for Health, Human Services and Elderly Affairs: This has been an issue of grave concern for the legislature for at least 10 years. Our committee strongly supports, timely, appropriate dental care. Vote 16-0.

Amendment (0296h)

Amend subparagraph 1(b)(6) as inserted by section 3 of the bill by replacing it with the following:
(6) Delta Dental Plan of New Hampshire, Inc.

HB 266, relative to the Alzheimer's Special Care Disclosure Act. **RE-REFER TO COMMITTEE**

Rep. Eleanor H. Amidon for Health, Human Services and Elderly Affairs: The committee heard much testimony regarding the specialized care of Alzheimer patients. After considering all factors included in the many critical decisions concerning the care of these patients, it was felt that further time was needed to properly address the problem. Vote 15-0.

HB 454, relative to food service establishments. OUGHT TO PASS

Rep. Alphonse Haettenschwiler for Health, Human Services and Elderly Affairs: This bill makes minor changes to RSA 143-A relative to food service establishments to permit places serving only coffee and accompanying light refreshments and non-hazardous food to be exempt from food service licensing. It also permits the department to issue a temporary food service license prior to the actual operation with a permanent license inspection to follow within 45 days. Vote 15-0.

HB 739-FN, relative to copies of vital records. INEXPEDIENT TO LEGISLATE

Rep. Robert K. Boyce for Health, Human Services and Elderly Affairs: This bill was opposed by city and town clerks. Genealogists have available to them all records prior to 1901 and marriage and death records prior to 1938 and to all records with permission of the family. Vote 13-0.

HB 759-FN-A-L, funding the developmental disabilities waitlist from the health care transition fund and making an appropriation therefor. INEXPEDIENT TO LEGISLATE

Rep. Thomas E. Donovan Jr. For Health, Human Services and Elderly Affairs: The bill attempted to address the wait list issue for developmental disabilities utilizing funding from the Health Care Transition Fund. Though the committee is very supportive to the wait list issue, it was felt by the prime sponsor of this bill and by the committee other pending legislation will better suit the needs of the individuals with developmental disabilities. Vote 14-0.

HJR 1, urging the preservation and continued development of community services to people with developmental disabilities and their families. OUGHT TO PASS

Rep. Dan Burnham for Health, Human Services and Elderly Affairs: This House Joint Resolution reaffirms the resolve of the legislature to continue providing service to the developmentally disabled through the establishment area agency system and providing funds for their services. It also resolves: That services and support for persons with developmental disabilities and their families should continue to be provided by and through the area agency system established by RSA 171-A. Vote 15-0. Referred to Finance.

CACR 16, relating to the election of judges and judicial pensions. Providing that judges be elected for specified terms and that no judge shall receive a pension from public funds. INEXPEDIENT TO LEGISLATE

Rep. Sandra B. Keans for Judiciary and Family Law: The committee has several bills dealing with the same issues. HB 300 which we recommend for passage sets up a study committee dealing with pensions. HB 397 is recommended as well. It sets up a study committee to deal with Part Second, Articles 73a, and 72a of the constitution which is the other part of this bill. The committee believes through other studies we will cover all the issues in this bill. Vote 14-0.

HB 330, relative to openness in the civil litigation process. INEXPEDIENT TO LEGISLATE

Rep. Carol H. Holden for Judiciary and Family Law: This bill would have established a presumption that all court records in civil cases would be open to the public. Testimony indicated that there were problems with the bill with regard to the juvenile statutes (RSA 169:C). The committee weighed the risks and the benefits and found the bill as inexpedient to legislate by a vote of 10-2. Vote 10-2.

HB 375, relative to the statement which must be signed by applicants for notary public or justice of the peace. OUGHT TO PASS

Rep. Alf E. Jacobson for Judiciary and Family Law: This bill sets down the principle that conviction and not arrest is the basic ground for denial in application for notary public or justice of the peace. Vote 12-0.

HB 397, establishing a house study committee to examine the adoption of articles 41, 72-a and 73-a of the second part of the New Hampshire constitution. OUGHT TO PASS WITH AMENDMENT

Rep. David A. Bickford for Judiciary and Family Law: This bill establishes a special committee to review parts of the N.H. Constitution; namely, articles 73-A, 72-a and 41 of Part II. These articles have been a subject of controversy and the committee will have an opportunity to research the issues in contention. Vote 12-1.

Amendment (0389h)

Amend the bill by replacing section 1 with the following:

1 House Committee Established. There is established a committee to study the 1966 adoption of part II, article 41 of the constitution, relative to the powers of the governor; the 1966 adoption of part II, article 72-a of the constitution, relative to the judicial powers of the courts; and the 1977 adoption of part II, article 73-a, relative to the supreme court and its administration. The committee shall examine why the wording for these articles in the questions approved by the voters differed from the wording for these articles which is currently in the constitution.

Amend paragraph I of section 2 of the bill by replacing it with the following:

I. The members of the committee shall be 7 members of the judiciary and family law committee of the house of representatives, appointed by the speaker of the house.

HB 433, relative to discharge from New Hampshire hospital. **OUGHT TO PASS**

Rep. Cynthia A. McGovern for Judiciary and Family Law: This bill reflects current practice - hospital administrators and other medical professionals agree. There was no opposition. Passage does not affect any other procedure with regard to admittance or treatment at New Hampshire Hospital. Vote 12-0.

HB 448, relative to the trust fund for the prevention of child abuse and neglect. **OUGHT TO PASS**

Rep. Deborah L. Woods for Judiciary and Family Law: This bill makes amendments to a very successful program and allows it to continue its good work. It changes the name of the fund to better reflect those being served. It increases the amount allowed to be spent for administration costs and changes the make up of the committee Vote 12-0.

HB 456-FN, relative to child custody when a parent has intentionally killed the other parent. **INEXPEDIENT TO LEGISLATE**

Rep. Kevin H. Smith for Judiciary and Family Law: The committee's opinion was that the system that is already in place is adequate and this bill essentially wanted us to legislate a court's decision. Vote 13-0.

HB 460-FN, relative to authorizing treatment for persons involuntarily admitted to New Hampshire hospital. **INEXPEDIENT TO LEGISLATE**

Rep. Sandra B. Keans for Judiciary and Family Law: The committee believes the bill may be unconstitutional. Beyond that, there seems to be no true need for this legislation. Currently, the Merrimack Probate Judge goes to the state hospital grounds to conduct involuntary admission cases. There is no reason that he could not do temporary guardianships on site as well. Families of patients were overwhelmingly against this legislation because nowhere in the proposed bill does it mention that an emergency must exist. Vote 12-0.

HB 523, relative to the appointment of guardians ad litem. **OUGHT TO PASS**

Rep. David C. Allison for Judiciary and Family Law: The committee supports the position, as provided in this bill, that children of non-married parents should be subject to the same standards, requirements and rules regarding guardian ad litem questions as are children of parents who are married. Vote 16-0.

HB 533-FN, making technical corrections in the liquor laws. **OUGHT TO PASS**

Rep. Betsy McKinney for Local and Regulated Revenues: After a public hearing and a work session with the chairman of the State Liquor Commission the committee unanimously voted ought to pass. However, the bill encompasses more than merely technical changes as follows: (1) grocery stores will now be able to sell "fortified" wines such as sherry and port; (2) the requirement that 80% of the Commission's advertising budget be spent out of State is removed and the Commission is empowered to buy advertising where and as it deems best. Other changes are the definition of performing arts licenses and establishing a sliding scale license fee for beverage manufacturers based on the number of barrels produced. The stimulation and streamlining of the liquor commission is enhanced by this bill. Vote 13-0.

Referred to Finance.

HB 590-FN-L, allowing property taxpayers to choose whether to participate in the funding of nonprofit organizations through their property taxes. **INEXPEDIENT TO LEGISLATE**

Rep. Linda T. Foster for Local and Regulated Revenues: The committee believes that this issue is more appropriately discussed at the local level and that there is adequate occasion for that discussion. Furthermore, the taxpayer "savings" are negligible and the administrative costs of this bill would, in all practicality, negate these savings, if not far exceed them Vote 13-0.

HB 474-L, allowing local treasurers to invest in collateralized money markets with major investments. INEXPEDIENT TO LEGISLATE

Rep. Robert W. Brundige for Municipal and County Government: Testimony was received from a representative of the Government Finance Officers Association stating that government funds should be invested with emphasis on safety, liquidity and yield. This bill places the emphasis on yield only. The bank commissioner noted that there is no definition of "collateralized money markets with major investments" in current law. Vote 13-0.

HB 529, relative to excluding from the definition of subdivision the placement and maintenance of wireless communication facilities. RE-REFER TO COMMITTEE

Rep. Betsy L. Patten for Municipal and County Government: Having easements for wireless communication facilities excluded from subdivision approval is timely but complex. Zoning regulations and site plan review may be impacted by recently enacted federal laws. The committee would like the opportunity to get technical assistance from the Science and Technology Committee. Vote 13-0.

HB 542-FN-L, requiring municipalities to include certain information with property tax bills. INEXPEDIENT TO LEGISLATE

Rep. Richard C. Leone for Municipal and County Government: The majority of the committee believes that since a local phone number is already on the tax bills, this requirement would be unnecessary. The committee also considers this to be in violation of part 1, article 28 A of the New Hampshire Constitution relative to unfunded mandate Vote 13-1.

HB 274 FN-A, relative to refinancing the cost and rehabilitation of the Cheshire Bridge. RE-REFER TO COMMITTEE

Rep. John R. Cloutier for Public Works and Highways: This bill deals with removing the toll from the Cheshire Bridge. Based on previous history prior commitments and the loss of revenue which would have various state-wide effects, the committee originally voted the bill inexpedient to legislate by a 15-6 margin. The committee had a wish to help in the toll situation, and even kept the bill in its possession for some time hoping the sponsors and others could agree to something which would work for all parties. A motion in committee to reconsider our previous motion passed, and a new motion for re-refer was made and approved by the committee. Re-referring the bill allows the sponsors and supporters to investigate other avenues to accomplish their goal of removing the toll. One major avenue which will be explored will be federal funding through our Congressional delegation, and by keeping the issue alive the committee will be in a position to recommend any necessary legislation to help deviate the toll situation. Vote 20-0.

HB 305-A, relative to the rehabilitation of the Walker building and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Leon Calawa, Jr. for Public Works and Highways: This bill needs more study so as to fit the request of the Department of Revenue Administration to move into 40,000 square feet of the Walker Building. This study will try to answer the questions of cost, parking and the future use of the building which Revenue Administration is leaving. Also, the committee will try to answer many of the questions asked of the future use of all vacant state buildings on the Hospital Grounds. Vote 17-0.

HB 400, authorizing the state to enter into a lease-purchase agreement with Cheshire county for the new Jaffrey-Peterborough district courthouse. RE-REFER TO COMMITTEE

Rep. Merle W. Schotanus for Public Works and Highways: This bill, relative to a lease-purchase for a new Jaffrey-Peterborough District Courthouse was re-referred to committee because it will be reviewed and considered in the context of the Fiscal Year 1998-1999 Capital Budget. Re-referral allows the committee to review the whole situation of the Jaffrey-Peterborough District Court should timing of the Capital Budget preclude a decision during this session. Vote 17-0.

HB 413, expanding the authority of the commissioner of the department of transportation to use a certain appropriation to purchase airports. OUGHT TO PASS WITH AMENDMENT

Rep. William E. Leber for Public Works and Highways: This bill allows the Commissioner of Transportation to use an appropriation made in 1990 for the purchase of rail properties to purchase privately owned airports that are important to the state airport system if and when they are offered for sale. The laws of 1989 provided for the state to have the right of first refusal for the sale of any airport but did not provide funding or bonding authority. This bill corrects that and is supported by the Department of Transportation. The amendment provides a time limit for the sale or transfer of any airport acquired under this provision to local municipality, county or airport authority. The committee strongly supports protection of the airport system. Vote 17-0.

Amendment (0358h)

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Sale or Transfer of Airports Purchased by State. Amend RSA 422:46 to read as follows:

I. All airports within the state offered for sale by any person after July 2, 1989, shall be offered for sale to the state of New Hampshire in the first instance. The state of New Hampshire, acting through the director of aeronautics with the approval of governor and council, shall have a right to match any verifiable bona fide offer made for such airports within the limits of funds available to the director for this purpose.

II. Airports purchased under this section shall be held and maintained as airports in the statewide airport system and shall be offered for sale or transfer to a local municipality, county, or airport authority. If the state is unable to sell or transfer an airport to a local municipality, county, or airport authority within 10 years, the airport shall be offered for sale to private enterprise.

AMENDED ANALYSIS

This bill allows the commissioner of the department of transportation to use an appropriation made in 1990 for the purchase of rail properties to purchase privately-owned airports offered for sale.

This bill also sets certain requirements relating to the subsequent sale or transfer of airports after purchase by the state.
Referred to Finance.

HB 486, relative to a study of Route 3A. OUGHT TO PASS WITH AMENDMENT

Rep. Lou D'Allesandro for Public Works and Highways: This bill requires that the commissioner of transportation and the commissioner of safety, or their designees, shall conduct a study of the state-owned portion of Route 3A from Manchester to Concord which shall include, but not be limited to, possible road improvements and the number of traffic stops of commercial vehicles. The commissioners, or their designees, shall issue a report, together with findings and recommendations for legislation to the speaker of the house and president of the senate on or before November 1, 1997. Vote 19-2.

Amendment (0369h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to a study of a certain portion of Route 3A.

Amend the bill by replacing section 1 with the following:

1 Study and Report Required. The commissioner of transportation and the commissioner of safety, or their designees, shall conduct a study of the state-owned portion of Route 3A from Manchester to Concord which shall include, but not be limited to, possible road improvements and the number of traffic stops of commercial vehicles. The commissioners, or their designees, shall issue a report, together with findings and recommendations for legislation to the speaker of the house and president of the senate on or before November 1, 1997.

AMENDED ANALYSIS

This bill requires the commissioners of transportation and safety, or their designees, to conduct a study of a certain portion of Route 3A.

HB 524-FN-A, extending the reporting dates and the prospective repeal date for the state veterans cemetery oversight committee, establishing the New Hampshire state veterans cemetery, relative to the administration of the cemetery, and making appropriations therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Leon Calawa, Jr. for Public Works and Highways: SB 182-FN better addresses the administration, operation and maintenance of the New Hampshire state veterans cemetery, making HB 524-FN-A no longer necessary. Vote 19-0.

HB 791-FN-A, making an appropriation to the department of administrative services for funding, siting, and design of the new Jaffrey-Peterborough district courthouse. INEXPEDIENT TO LEGISLATE

Rep. Merle W. Schotanus for Public Works and Highways: This bill was recommended for a friendly inexpedient to legislate as HB 400 dealing with the same subject was re-referred to committee, and the subject of the Jaffrey-Peterborough District Court will be considered and discussed in context with this year's Capital Budget. Vote 17-0.

HB 293, regulating the marking and identification of swim floats. INEXPEDIENT TO LEGISLATE
Rep. Michael D. Whalley for Resources, Recreation and Development: The committee feels that the regulation of swim floats is unnecessary at this time. The Department of Safety testified that very few swim floats break loose from their anchor and cause a problem. The Department of Safety presently has the authority to order the owners of swim floats that create a hazard to navigation to remove them. Vote 15-0.

HB 336, clarifying certain definitions relating to dams. OUGHT TO PASS WITH AMENDMENT
Rep. Robert J. Laflam for Resources, Recreation and Development: This bill changes the definition of "dam" to include artificial barriers which create surface impoundment's for liquid industrial and commercial wastes. A "dam in disrepair" is defined as a dam which is a menace to public safety and incapable of safely impounding flood waters to its crest. Vote 16-0.

Amendment (0370h)

Amend RSA 482:2, II as inserted by section 1 of the bill by replacing it with the following:

II. "Dam" means any artificial barrier, including appurtenant works, which impounds or diverts water, and which has a height of 4 feet or more, or a storage capacity of 2 acre-feet or more, or is located at the outlet of a great pond. A roadway culvert shall not be considered a dam if its invert is at the natural bed of the water course, it has adequate discharge capacity, and it does not impound water under normal circumstances. Artificial barriers which create surface impoundments for *liquid* industrial or *liquid* commercial wastes or municipal sewage, regardless of height or storage capacity, shall be considered dams.

AMENDED ANALYSIS

This bill:

I. Changes the definition of "dam" to include artificial barriers which create surface impoundments for liquid industrial and commercial wastes.

II. Changes the definition of "dam in disrepair" to mean a dam which is a menace to public safety and incapable of safely impounding flood waters to its crest. Currently, a dam in disrepair means a dam which is a menace to public safety or incapable of safely impounding flood waters.

HB 618-FN, relative to increasing certain state park fees. RE-REFER TO COMMITTEE

Rep. Deborah F. Merritt for Resources, Recreation and Development: The Commissioner of the Department of Resources and Economic Development will be developing a state plan for reviewing fees. The committee wishes to re-refer this bill in order to review the plan, and if necessary develop legislation to take appropriate action. Vote 16-0.

HB 643-FN, establishing an industry average performance system for air pollution control and establishing certain pollution control funds. RE-REFER TO COMMITTEE

Rep. Jeb E. Bradley for Science, Technology and Energy: This legislation is an extremely creative attempt to bring market forces to bear in reducing air pollution. Simply put, clean industries and technologies would receive fund transfers from dirty industries. Polluters could pay, or reduce emissions and be rewarded. This concept would fundamentally alter air pollution control in New Hampshire and as such requires diligent study both by regulators and affected industries. The impact of a single state going forward with such a concept also needs a great deal of study. The committee will work with all affected stakeholders if this bill is re-referred for study. Vote 18-0.

HB 119-FN, increasing the fee to hunt migratory waterfowl. **INEXPEDIENT TO LEGISLATE**
Rep. Rudy Lessard for Wildlife and Marine Resources: This bill requests an increase in the migratory waterfowl stamp. The committee felt that an increase is not warranted at the present time. The issue of dedicated funds will be examined in HB 177-FN which has been referred to committee for study. Vote 11-1.

HB 176-FN, increasing the license fee to hunt wild turkey. **INEXPEDIENT TO LEGISLATE**
Rep. Shannon L. Bernier for Wildlife and Marine Resources: This bill was sponsored on behalf of the Fish and Game Department. The Fish and Game Department withdrew its support of the bill prior to the hearing. Therefore, support for the bill was minimal resulting in the vote of inexpedient to legislate. Vote 12-0.

HB 177-FN, increasing the wild black bear license and tag fee. **RE-REFER TO COMMITTEE**
Rep. Dennis F. Abbott for Wildlife and Marine Resources: This bill was sponsored on behalf of the Fish and Game Department. They withdrew their support of this bill prior to the hearing without notifying the sponsor. The committee wishes to study this bill so that the issue of dedicated funds and other issues related to bear management can be examined. The large amount of moneys in the various (26) dedicated funds dictate an examination of the growth of these special funds. Vote 12-0.

HB 493, relative to prohibiting the sale of opportunities for the taking of fish and game by certain property owners. **INEXPEDIENT TO LEGISLATE**
Rep. Michael S. Rollo for Wildlife and Marine Resources: The committee felt that this bill, if passed, could have serious repercussions relative the rights of property ownership. Consequently, issues of constitutional rights became an issue against passage. Since the bill also was prohibiting opportunities for taking fish and game, the question of licensed guides doing what they are hired to do became a stumbling block. The committee was not willing to put a summers worth of study into a subject which has been studied in past sessions. Vote 13-0.

HB 585, relative to prohibiting littering, as enforced by the fish and game department. **OUGHT TO PASS WITH AMENDMENT**
Rep. Michael S. Rollo for Wildlife and Marine Resources: This bill allows conservation officers to enforce the litter law under Fish and Game statutes in Title XVIII. Up to this point, littering violations have been prosecuted under RSA 265:102 but that statute did not include a violation on private property, state lands, and federal lands under the control of the Department of Resources and Economic Development or the Fish and Game Department. Vote 13-0.

Amendment (0395h)

Amend the bill by replacing section 1 with the following:

I New Section; Littering; Penalty. Amend RSA 207 by inserting after section 36-a the following new section:

207:36-b Littering; Penalty.

I. No person shall put, place or leave, or cause to be put, placed or left, in or upon any way, public property, private property, into or on the ice over any public water, or into or on any waters of the state, any bottles, glass, crockery, cans, scrap metal, junk, paper, garbage, old automobile or parts thereof, or refuse of any nature whatsoever, or any noxious thing.

II. Paragraph I shall not apply to any person who is the owner or tenant in lawful possession of such property, or has first obtained consent of the owner or tenant in lawful possession, or unless the act is done under the personal direction of said owner or tenant, all in a manner consistent with the public welfare.

III. Any person violating any provision of this section shall be guilty of a violation.

AMENDED ANALYSIS

This bill establishes a littering violation in the fish and game laws.

HB 683-FN, relative to one-day fishing licenses for residents and nonresidents. **INEXPEDIENT TO LEGISLATE**

Rep. Ronald J. Nowe for Wildlife and Marine Resources: This is a repeat bill from last session which was found to be ITL. Fish and Game presented statistics indicating a loss of revenues in

other fishing license categories, resulting in a net loss. There are, in fact, some advantages to a one-day fishing license and the department has promised to study the issue within their Comprehensive Funding Team. Vote 12-0.

HB 706, establishing a commission on animal damage control to review the fish and game laws relating to damage by game birds and game. **OUGHT TO PASS WITH AMENDMENT**
Rep. Robert J. L'Heureux for Wildlife and Marine Resources: This bill establishes a commission consisting of 2 senators, 4 representatives, the Commissioner of Agriculture, Markets, and Food and the Executive Director of Fish and Game or their designees, and the representative for New Hampshire from the U.S. Department of Agriculture to study the statutes and problems of damage to agricultural crops by wildlife. The amendment adds 1 representative of the N.H. Plant Growers Association, 2 members of the N.H. Wildlife Federation and 1 member of the Fish and Game Commission. The amendment also terminates the Commission after it files its report on or before November 1, 1997. Vote 13-0.

Amendment (0412h)

Amend paragraph II of section 2 of the bill by inserting after subparagraph (d) the following new subparagraphs:

(e) A representative of the New Hampshire Plant Growers Association.

(f) Two members of the New Hampshire Wildlife Federation, appointed by the federation director.

(g) A member of the fish and game commission, appointed by the chairman of the commission.

Amend the bill by replacing all after section 5 with the following:

6 Termination of Commission. The commission established by this act shall terminate according to the provisions of RSA 14:49.

7 Effective Date. This act shall take effect upon its passage.

HB 763-FN, prohibiting nonresidents from hunting on Sunday if the state of residence of the nonresident prohibits hunting on Sunday for New Hampshire residents. **INEXPEDIENT TO LEGISLATE**

Rep. Rose Marie Rogers for Wildlife and Marine Resources: The committee felt that this bill would be extremely difficult to administer. In addition, it would create a significant loss of revenue and it would break with New Hampshire tradition. Vote 12-0.

REGULAR CALENDAR

HB 247, requiring automobile insurance companies to offer uninsured motorist coverage as an insurance option, not a requirement. **INEXPEDIENT TO LEGISLATE**

Rep. Richard H. Krueger for Commerce: This bill would burden the insurer to counsel the insured regarding a personal and private decision, that is: dollar amount of coverage for uninsured motorist. Vote 9-4.

Adopted.

HB 258-FN, requiring financial institutions to display certain information on fees, charges, and available products in their lobbies. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric N. Lindblade for Commerce: This bill requires that the bank commissioner provide a matrix for all banks to place in their lobbies informing the public of their fees, charges and products related to deposit accounts. The purpose is to help consumers compare products, fees and charges so as to make a reasoned choice of a bank. Vote 14-0.

Amendment (0281h)

Amend RSA 383:13-a as inserted by section 1 of the bill by replacing it with the following:

383:13-a Requirement to Display Information. All financial institutions regulated by the bank commissioner shall provide information on its fees, charges, and products related to deposit accounts to the bank commissioner on a semi-annual basis. The bank commissioner shall compile and provide the information on a uniform matrix to all state-regulated financial institutions for distribution to the general public. The uniform matrix shall be developed by the bank commissioner and shall be conspicuously placed in the lobby of each main office and branch of the institution located in this state, in order

to enable the consumer to make intelligent choices among the institution's various deposit accounts and deposit account related services. The bank commissioner shall adopt rules, pursuant to RSA 541-A, relative to the uniform matrix required under this section.

AMENDED ANALYSIS

This bill requires financial institutions regulated by the bank commissioner to provide certain information on fees, charges and products related to deposit accounts to the bank commissioner. The bank commissioner will compile this information on a uniform matrix and provide it to all state-regulated financial institutions for display in their lobbies. The bank commissioner is granted rulemaking authority to develop such uniform matrix.

Adopted.

Report adopted and ordered to third reading.

HB 261, recodifying the insurance laws pertaining to hospital service corporations, medical service corporations, and nonprofit health service corporations (Blue Cross/Blue Shield). **OUGHT TO PASS WITH AMENDMENT**

Rep. Keith R. Herman for Commerce: This bill recodifies the health insurance laws to consolidate and simplify the RSAs. The Insurance Department is in full support of this bill. Two sections of current law are being repealed. The only change in the amendment from current law is a change in the reserve requirement for Blue Cross Blue Shield from 16% to 20%. This change is supported by the Insurance Department. Vote 14-0.

Amendment (0330h)

Amend the bill by replacing all after the enacting clause with the following:

1 Health Service Corporations. RSA 420-A is repealed and reenacted to read as follows:

CHAPTER 420-A

HEALTH SERVICE CORPORATIONS

420-A:1 Definitions. In this chapter:

I. "Commissioner" means the insurance commissioner.

II. "Covered dependent" means the spouse, an adult dependent, or a child or an adopted child of the subscriber who is named in the subscription certificate issued to the subscriber and with respect to whom appropriate premium is specified in the certificate.

III. "Health service corporation" means a nonprofit sharing corporation without capital stock organized under the laws of the state for the purpose of establishing, maintaining and operating a health service plan or plans whereby the expense of health-related care may be partially or wholly provided to its subscribers by the payment of benefits for facilities, professional services, appliances, medicines or supplies furnished directly or indirectly by the health service corporation to its subscribers.

IV. "Provider" means any physician, hospital, or other institution, organization, or other person who furnishes health care services.

V. "Subscriber" means a person to whom a subscription certificate is issued by the health service corporation and which sets forth the kinds and extent of health services for which the health service corporation is liable to make payment and which constitutes the contract between the subscriber and the health service corporation.

420-A:2 Applicable Statutes. Every health service corporation shall be governed by this chapter and the relevant provisions of RSA 161-H, and shall be exempt from this title except for the provisions of RSA 400-A:39, RSA 401-B, RSA 402-C, RSA 415-A, RSA 415-F, RSA 415:6, II(4), RSA 415:18, V, RSA 415:18, VII(g), RSA 415:18, VII-a, RSA 415:18-a, RSA 415:22, RSA 417, RSA 417-E, and all applicable provisions of title XXXVII wherein such corporations are specifically included. Every health service corporation and its agents shall be subject to the fees prescribed for health service corporations under RSA 400-A:29, VII.

420-A:3 Incorporation. Persons desiring to form a health service corporation may incorporate under RSA 292, but subject to the following provisions:

I. The certificate of incorporation of each health service corporation shall have endorsed upon it or attached to it the approval of the commissioner, if the commissioner finds the same to be in accordance with this chapter.

II. The certificate shall include a statement of the territory in which the health service corporation will operate and a statement of the purposes of such corporation.

420-A:4 License to Health Service Corporation.

I. No health service corporation organized under the laws of this state shall do business unless it has obtained a license from the commissioner.

II. No health service corporation organized under the laws of any other state or country shall be licensed to do business in this state except as provided in RSA 420-A:29.

III. Application for such license shall be made in the form required by the commissioner and shall contain the information the commissioner deems necessary. The application shall be accompanied by a copy of each of the following documents:

(a) Articles of incorporation.

(b) Bylaws.

(c) Proposed contracts to be issued to subscribers showing a table of rates to be charged and the benefits to which they will be entitled.

(d) Proposed contracts, if any, between the health service corporation and providers.

(e) Financial statements.

IV. The commissioner shall issue a license when the commissioner finds:

(a) The applicant is established as a bona fide nonprofit health service corporation;

(b) The applicant has paid an annual license fee in accordance with RSA 400-A:29;

(c) The contracts between the applicant and providers, if any, obligate the respective providers to provide the service or thing to which the subscriber may be entitled under the terms of the contract to be issued to subscribers;

(d) The rates to be charged and the benefits to be provided are reasonable and nondiscriminatory;

(e) The financial condition of the applicant is sound and provides assurance of its ability to meet its obligations; and

(f) The applicant is reliable, entitled to public confidence and has complied with the laws of the state applicable to it.

V. Any such license may be revoked for cause shown and after notice and hearing upon failure to maintain the requirements of this chapter.

VI. All such licenses shall expire on April 1, but may be renewed upon payment of the annual license fee.

420-A:5 Directors. The directors of a health service corporation:

I. Shall at all times include representation from the following groups:

(a) The general public exclusive of those falling within subparagraphs (b) and (c) and paragraph II.

(b) Physicians actively engaged in practice.

(c) Administrators or trustees of hospitals, if any, which have contracted with the health service corporation to render nonprofit hospital service or indemnity to subscribers.

II. May include representatives of other health care providers. The number of directors described in paragraph I(a) shall exceed the combined total of the number of directors described in paragraph I(b) and (c) and this paragraph.

420-A:6 Liability of Directors, Officers, and Trustees.

I. A health service corporation may indemnify any person who serves as director, officer, or trustee of such corporation by contract or by including an indemnity provision in its articles of agreement or bylaws substantially in accordance with RSA 293-A:8.50 through 293-A:8.58. Indemnity may be offered for any and all damages occurring on or after January 1, 1991.

II. A health service corporation may amend its articles of agreement to contain a provision eliminating or limiting the personal liability of a director, officer, or trustee to such corporation and its members and subscribers for monetary damages for breach of fiduciary duty as a director, an officer, or both, except with respect to:

(a) Any breach of the director's, officer's or trustee's duty of loyalty to the corporation and its members and subscribers.

(b) Acts or omissions which are not in good faith or which involve intentional misconduct or a knowing violation of law.

(c) Actions for which a director, officer, or trustee derived an improper personal benefit.

III. Paragraph II shall not be construed to eliminate or limit the liability of a director, an officer, a trustee or any combination thereof, for any act or omission occurring prior to July 13, 1991.

420-A:7 License to Agents.

I. No person, for himself or in behalf of any person, shall sell or offer to sell any such health service as is provided for in this chapter without being licensed therefor by the commissioner.

II. Upon written notice by a health service corporation licensed to do business in this state of its appointment of a person to act as its agent under this chapter, the commissioner shall, if the commissioner is first satisfied that the appointee is a suitable person and intends to hold himself out in good faith as an agent, upon payment of the proper fee by the applicant, issue to the appointee a license to act as such agent.

III. A license previously issued may be renewed upon the application of the health service corporation upon payment of the proper fee.

IV. The commissioner may at any time after granting such license, for cause shown and after notice and hearing, determine such licensee to be unsuitable to act as such agent, and shall thereupon revoke such license and notify both the health service corporation and the agent of such revocation.

V. Unless revoked by the commissioner, or unless the health service corporation by written notice to the commissioner cancels the agent's authority to act for it, such license issued to an agent, or any renewal of such license, shall expire on June 14 of the second year after its issue.

VI. If a person acts or aids in any manner in the negotiation of health insurance contracts, or solicits or receives any risk or application for such service, without a license from the insurance commissioner, or if the license granted to such person or to the health service corporation for which the person acts as agent has been revoked, such person shall be guilty of a violation; but any contract issued on an application thus procured shall bind the health service corporation if otherwise valid. This paragraph shall not apply to any office employee of the health service corporation, or to any persons rendering their services without compensation.

420-A:8 Filing and Approval of Contracts and Rates.

I. No health service corporation shall enter into any contract with subscribers until it shall have filed with the commissioner a copy of the form of such contract, including all riders and endorsements to the contract and until the commissioner's approval thereof shall have been obtained. Any form of contract not disapproved by the commissioner within 90 days after the filing shall be deemed to have been approved as filed.

II. No health service corporation shall enter into any contract with subscribers until it shall have filed with the commissioner a full schedule of rates to be paid by the subscribers and shall have obtained the said commissioner's approval. The commissioner may refuse such approval if the commissioner finds such rates are excessive, inadequate or discriminatory. For the purpose of determining the proper rates to be charged for such services, the commissioner may employ a competent actuary who shall be paid by the health services corporation for which the services are rendered.

420-A:9 Contracts with Subscribers. Every contract between a health service corporation and a subscriber shall be in writing, a copy of which shall be furnished to the subscriber and shall contain the following provisions:

I. A statement of the amount payable to the health service corporation by the subscriber and the manner in which such amount is payable.

II. A statement of the nature and extent of the benefits to be provided, and, if any benefits are to be limited or excepted, an enumeration of such limitations or exceptions shall be printed with the same prominence as the statement of the benefits conferred.

III. A statement that a maternity benefits rider will be made available at the subscriber's request, if maternity care is not covered under the contract. Nothing in this paragraph shall be construed to apply to supplemental health insurance and disability insurance policies.

IV. A statement of the terms and conditions upon which the contract may be canceled or otherwise terminated at the option of either party.

V. A statement that the contract includes the endorsements thereon and attached papers, if any, and that it comprises the entire contract.

VI. A provision that no statement by the subscriber in the application for a contract shall void the contract or be used in any legal proceeding thereunder unless such application or an exact copy of it is included or attached to the contract.

VII. A statement of the period of grace which will be allowed the subscriber for making any payment due under the contract. Such period shall be not less than 10 days.

VIII. Notwithstanding any provision of any policy of insurance issued under the provisions of this section, whenever such policy provides for reimbursement for any service which may be legally performed by a person licensed as an advanced registered nurse practitioner, reimbursement under such policy shall not be denied when such service is rendered by a person so licensed.

IX. No health service corporation shall, when issuing or renewing a policy or contract of insurance or any certificate under such policy or contract covered by this chapter, deny coverage or limit coverage to any resident of this state on the basis of health risk or condition except that a waiting period consistent with insurance department rules may be imposed for pre-existing medical conditions. If a health service corporation accepts an application for group coverage, such acceptance shall be subject to the following:

(a) If the group has coverage in effect through another plan, the health service corporation shall accept all persons covered under the existing plan. If the group does not have coverage in effect through another plan, the health service corporation shall accept all persons for which the group seeks coverage.

(b) Once a group policy has been issued, any person becoming eligible for coverage shall become covered by enrolling within 31 days after becoming eligible. Any person so enrolling shall not be required to submit evidence of insurability based on medical conditions. If a person does not enroll at this time, such person is a late enrollee.

(c) Once a group policy has been issued, the health service corporation shall provide the group with an annual open enrollment period for late enrollees. During the open enrollment period, any late enrollee shall be permitted to enroll without submitting any evidence of insurability based on medical conditions. For late enrollees only, the pre-existing condition provisions shall apply for 18 months from the date of enrollment.

X. An insurer issuing policies of group insurance shall allocate the costs associated with maternity and childbirth over both males and females covered by its entire block of business in this state. In cases in which, because of the amount written in the state, allocation to an entire block of business needs to occur, the carrier may apply for a waiver from the commissioner.

XI. A statement allowing subscribers with medicare supplement insurance benefits a period of at least one year after the incurrence of a covered expense within which the subscriber shall furnish any proof of loss required by the insurer. Failure to furnish such proof within such time shall not invalidate or reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof and such proof was furnished as soon as was reasonably possible.

XII. A provision that such contract shall be signed by the president and secretary before it shall become effective.

XIII. A statement that all benefits payable shall be paid to the participating providers except those in reimbursement of payments made by the subscriber to a non-participating provider and for which the corporation was liable at the time of payment.

420-A:10 Part-Time Employees. A health service corporation shall not exclude part-time employees and shall offer the same insurance benefits to part-time employees as it offers to the employee groups of which the part-time employees would be members if they were full-time employees. The insurer shall offer to include the part-time employees as part of the employer's employee group, at the full rate to be paid by the employer, at a rate prorated between the employer and the employee, or at the employee's expense. A part-time employee shall be any employee who regularly works at least half of the weekly hours of the full-time employee in the employee group of which the part-time employee would be a member if such employee were a full-time employee, but who works a minimum of at least 15 hours per week.

420-A:11 Cancellation or Nonrenewal of Group Insurance Contracts. No group accident or health insurance contract, authorized under this chapter, may be cancelled or nonrenewed by the health service corporation, except for nonpayment of premium, unless the group contract holder receives either a notice of cancellation or nonrenewal or an offer of renewal in accordance with this section. The notice of cancellation or nonrenewal or offer of renewal shall be delivered to the group contract holder or mailed to the group contract holder's last address as shown in the records of the health service corporation at least 45 days prior to the renewal date of the contract. Notice of cancellation for lack of participation, if permitted by the terms

of the contract, shall be delivered to the group contract holder or mailed to the group contract holder's last address as shown in the records of the health service corporation, at least 30 days prior to the effective date of the cancellation.

420-A:12 Cancellation or Nonrenewal of Non-Group Insurance Contracts. No non-group accident or health insurance contract, authorized under this chapter, may be cancelled or nonrenewed by the health service corporation except for nonpayment of premium, unless the insured receives either a notice of cancellation or nonrenewal or an offer of renewal in accordance with this section. The notice of cancellation or nonrenewal or offer of renewal shall be delivered to the insured or mailed to the insured's last address as shown in the records of the health service corporation at least 30 days prior to the renewal date of the contract.

420-A:13 Coverage for Autologous Bone Marrow Transplant. Every health service corporation, and every other similar corporation licensed under the laws of another state, shall provide to each group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state and whose principal place of employment is in this state, coverage for expenses arising from the treatment of breast cancer by autologous bone marrow transplants according to protocols reviewed and approved by the National Cancer Institute.

420-A:14 Coverage for Scalp Hair Prostheses.

I. Every health service corporation and every other similar corporation licensed under the laws of another state, which provides coverage for other prostheses, shall provide to each group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state and whose principal place of employment is in this state, coverage for expenses for scalp hair prostheses worn for hair loss suffered as a result of alopecia areata, alopecia totalis, or permanent loss of scalp hair due to injury. Such coverage, however, shall be subject to a written recommendation by the treating physician stating that the hair prosthesis is a medical necessity. Such coverage shall be subject to the same limitations and guidelines as other prostheses.

II. For the purposes of this section:

(a) "Prostheses" means artificial appliances used to replace lost natural structures. Prostheses include, but are not limited to, artificial arms, legs, breasts or glass eyes.

(b) "Scalp hair prostheses" means artificial substitutes for scalp hair that are made specifically for a specific individual.

420-A:15 Coverage During Adoption Proceedings. All contracts issued by a health service corporation which provide coverage for a family member of the subscriber shall, as to such family member's coverage, also provide that health insurance benefits applicable for children are payable with respect to any minor from the date such minor is placed in the custody of the subscriber pursuant to an adoption proceeding under the provisions of RSA 170-B. Such health insurance benefits shall terminate upon dismissal or withdrawal of the petition for adoption.

420-A:16 Notification of Allowable Benefit. All health service corporations and every other similar corporation licensed under the laws of another state shall provide to each subscriber, on request, a written statement of the dollar amount of allowable benefit for any procedure which is requested by the appropriate procedure code.

420-A:17 Coverage for Nonprescription Enteral Formulas.

I. Every health service corporation and every other similar corporation licensed under the laws of another state that issues or renews any policy of individual or group blanket accident or health insurance providing benefits for medical or hospital expenses shall provide to each individual or group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state, coverage for the provision of nonprescription enteral formulas for the treatment of impaired absorption of nutrients caused by disorders affecting the absorptive surface, functional length, or motility of the gastrointestinal tract. Such coverage shall be provided when the prescribing physician has issued a written order stating that the enteral formula is needed to sustain life, is medically necessary, and is the least restrictive and most cost effective means for meeting the needs of the patient.

II. Every health service corporation and every other similar corporation licensed under the laws of another state that issues or renews any policy of individual or group blanket accident or health insurance providing benefits for medical or hospital expenses, shall provide to each individual or group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state, coverage for the provision of nonprescription enteral formulas and

food products required for persons with inherited diseases of amino acids and organic acids. Such coverage shall be provided when the prescribing physician has issued a written order stating that the enteral formula or food product is medically necessary and is the least restrictive and most cost effective means for meeting the needs of the patient. Coverage for inherited diseases of amino acids and organic acids shall, in addition to the enteral formula, include food products modified to be low protein in an amount not to exceed \$1,800 annually for any insured individual.

III. The benefits included in this section shall not be subject to any greater deductible than any other benefits provided by the insurer. The coinsurance required by the enrolled participant shall not exceed the amount allowed under the contract for the reasonable and customary charge for the service provided.

420-A:18 Investments. No health service corporation shall invest its funds otherwise than as provided in RSA 411-A relating to the investments and holding of real estate by domestic life insurance companies; provided that not exceeding 10 percent of a health service corporation's total admitted assets may be invested in such investments as are prudent for a domestic life insurance company to make, and provided further that, notwithstanding RSA 411-A:12, no such health service corporation may acquire and hold directly or indirectly through its subsidiaries or affiliates more than 10 percent of the outstanding voting stock of any life insurance company formed under the laws of this or another state or any corporation owning or holding the stock of such life insurance company.

420-A:19 Prohibiting Limitations on Liability; Disclosure of Information.

I. No contract between a health service corporation and a physician, for the purpose of delineating the rights and obligations of the parties within the provider network, shall limit the liability of the health service corporation for any actions of the physician for which the health service corporation might otherwise be liable.

II. No contract between a health service corporation and a health care provider shall limit what information such health care provider may disclose to patients or to prospective patients regarding the provisions, terms, or requirements of the health service corporation's products as they relate to the needs of such provider's patients except for trade secrets of significant competitive value.

420-A:20 Reports and Examinations. Every health service corporation shall annually, on or before March 1, file in the office of the commissioner a statement, verified by at least 2 of its principal officers, showing its condition on the preceding December 31, which shall be in such form and contain such matters as the commissioner may prescribe. Examination of the financial condition of each health service corporation by the commissioner shall be made as often as the commissioner deems necessary. The commissioner or designee shall have the power of visitation and examination into the affairs of any health service corporation and free access to all of the books, papers and documents that relate to the business of the corporation, and may summon and qualify witnesses under oath and examine its officers, agents or employees or other persons in relation to the affairs, transactions and condition of the corporation. All costs of such examination shall be paid by the health service corporation.

420-A:21 Reserves. Every health service corporation shall collect reasonable rates as described in RSA 420-A:22, designed to permit it to accumulate and maintain a contingency reserve fund.

420-A:22 Annual Review. Annually, in the month of April, the commissioner may review the rates of every health service corporation, and shall, not later than 60 days after April 1 of each year, provided that the corporation has filed all pertinent data, make adjustments thereto, if any, as are just and reasonable. Whenever the contingency reserve fund of a health service corporation shall be less than 8 percent of its annual premium income, the commissioner shall permit the corporation to charge rates designed to enable it to increase its contingency reserve fund by an amount equal to at least 2 percent of the annual premium income of the corporation. If the liabilities of a health service corporation exceed its assets, however, the commissioner shall permit the corporation to charge rates designed to enable the corporation to accumulate such a reserve fund by an amount equal to at least 5 percent of the annual premium income of the corporation until such time as the assets of the corporation equal its liabilities. In no event shall the commissioner permit a health service corporation to charge rates which would result in a reserve fund in excess of 20 percent of the annual premium volume of the corporation. This section shall not preclude the granting of appropriate rate changes at any other times. In connection with a rate decision, the commissioner may also make reasonable supplemental orders to the health service corporation and

may attach reasonable conditions and limitations to such orders as the commissioner finds, on the basis of competent and substantial evidence, necessary to insure that benefits and services are provided at minimum cost under efficient and economical management of the corporation.

420-A:23 Appeals. All orders and decisions of the commissioner concerning matters within the commissioner's jurisdiction under this chapter shall be subject to rehearing and appeal as provided in RSA 541. RSA 541:18 and 19 shall apply to orders and decisions of the insurance commissioner affecting the rates of health service corporations.

420-A:24 Agreements with Providers. Any health service corporation may enter into agreements with eligible persons whereby such persons become providers of a plan operated by the corporation. Any health service corporation may enter into contracts for the payment of health services to the subscribers or members of similar non-profit health service corporations of other states subject to the supervision of such other states, or of counties of this state in which the corporation does not transact business. The corporation shall maintain in its office complete records of all health services rendered to subscribers and covered dependents in such form as will include the kind of services rendered, the amounts claimed for such services by the providers and the amount paid by the corporation.

420-A:25 Administrative Services. Any health service corporation may contract to furnish administrative services to any health-related organization, agency, entity or plan.

420-A:26 Nonliability of Corporation. No health service corporation holding a license under this chapter shall be liable for injuries resulting from negligence, malfeasance, nonfeasance or malpractice on the part of any officer or employee or on the part of any provider in the course of rendering health care service or supplies to subscribers.

420-A:27 Taxation. Except as otherwise expressly provided for by law, every health service corporation doing business pursuant to this chapter is hereby declared to be a nonprofit and benevolent organization and to be exempt from all taxes, other than taxes on real property situated within this state, fees on motor vehicles registered in this state, fees prescribed by this chapter, and the premium tax under RSA 400-A:32. Except for payments made by the state of New Hampshire no tax shall be levied on any premiums, fees-for-service and other payments for health, dental, and employee benefit coverages from political subdivisions of the state of New Hampshire, or from employees or retirees of such political subdivisions, either directly or indirectly. Nor shall any tax be levied on any revenues of such a health service corporation that are derived from any business of the corporation where the corporation has assumed no insurance risk and is providing administrative services, only.

420-A:28 Relationship of Provider and Patient. Nothing in this chapter shall be deemed to alter the relationship of physician and patient. No health service corporation shall in any way influence the subscriber in the free choice of hospital or physician or other provider. Nothing in this chapter shall be deemed to abridge the right of any hospital, physician or other provider to decline patients in accordance with lawful standards and practices of such provider.

420-A:29 Foreign Corporations, Reciprocity. Any corporation organized under the laws of another state or country which except as to state of organization is a health service corporation and which the commissioner finds has fully complied with the laws of such other state or country, shall be entitled to do business within this state subject to this chapter after obtaining a license as provided in RSA 420-A:4; provided, however, that no such corporation organized under the laws of another state or country shall be entitled to such license, or to do business in this state, unless such other state or country grants substantially similar rights and privileges to health service corporations organized under the laws of this state. The commissioner shall determine whether rights and privileges granted by other states or countries are substantially similar to those granted by this state, and the commissioner's determination shall be final.

420-A:30 Exceptions. Fraternal benefit societies and life or accident insurance companies are not affected by this chapter.

420-A:31 Rules. The commissioner is authorized and empowered to adopt such rules in accordance with RSA 541-A which are reasonable and necessary to administer and enforce the provisions of this chapter.

420-A:32 Workers' Compensation Law Not Affected. No provision of this chapter or any contract for hospital service by such health service corporation shall in any way affect the operation of workers' compensation laws of the state.

2 Reference Change. Amend RSA 135-C:10, I(c) to read as follows:

(c) Receive payments for services under RSA 415:18-a[, ~~RSA 419:5-a, and RSA 420:5-a~~].

3 Reference Change. Amend RSA 330-A:16-d, II to read as follows:

For purposes of this chapter, multiple-employer welfare arrangements, ~~[nonprofit hospital and medical service corporations,]~~ nonprofit health service corporations, health maintenance organizations, and preferred provider agreements subject to RSA 420-C shall be deemed to be engaged in the business of insurance.

II. "Form" means policies, contracts, riders, endorsements, and applications as provided in RSA 415, RSA 415-E, ~~[RSA 419, RSA 420,]~~ RSA 420-A, RSA 420-B, and RSA 420-C.

10 Reference Change. Amend the introductory paragraph of RSA 415-D:5, I to read as follows:

I. To establish specific standards, including standards of full and fair disclosure, that set forth the manner, content and required disclosures for the sale of long-term care insurance policies and certificates. These standards shall be in addition to, and in accordance with, applicable laws of this state, including RSA 415~~[-419, 420,]~~ and 420-A, as applicable, which may cover but shall not be limited to:

11 Reference Change. Amend RSA 415-D:10, II to read as follows:

II. The provisions of RSA 415:2, 415:3, 415:4~~[-419, 420,]~~ and 420-A, as applicable, shall be applicable to group long-term care insurance policy and certificate forms and any application, rider, endorsement, or amendment used with such forms.

12 Reference Change. Amend RSA 417-D:1, II to read as follows:

II. "Insurer" means any entity issuing accident or health insurance or accident and health insurance policies, contracts, certificates, or other evidence of coverage pursuant to RSA 415, 415-A, ~~[419, 420,]~~ 420-A, or 420-B.

13 Reference Change. Amend RSA 417-E:1, II to read as follows:

II. Notwithstanding any other provision of law, each insurer that issues or renews any policy of group or blanket accident or health insurance and each ~~[hospital service corporation under RSA 419, medical service corporation under RSA 420 and] nonprofit health services corporation under RSA 420-A~~ and health maintenance organization under RSA 420-B providing benefits for disease or sickness in the state of New Hampshire shall provide benefits for treatment and diagnosis of certain biologically-based mental illnesses under the same terms and conditions and which are no less extensive than coverage provided for any other type of health care for physical illness.

14 Reference Change. Amend RSA 417-E:1, IV to read as follows:

IV. The benefits required under this section shall begin when benefits provided under RSA 415:18-a~~[-419:5-a, 420:5-a,] and RSA 420-B:8-b~~, as applicable are exhausted.

15 Reference Change. Amend RSA 420-B:19, II to read as follows:

II. Notwithstanding any provisions of the laws of this state relating to insurance corporations engaged in the business of insurance, or any provisions of RSA ~~[419, 420, or]~~ 420-A relating to ~~[hospital service corporations, medical service corporations and]~~ health service corporations, an insurer or ~~[hospital, medical, or]~~ health service corporation may contract with a health maintenance organization to provide insurance or similar protection against the cost of care provided through health maintenance organizations and to provide coverage in the event of failure of the health maintenance organization to meet its obligations. The enrolled participants of a health maintenance organization constitute a permissible group under such laws. Under the contracts set forth in this paragraph, the insurer or ~~[hospital, medical, or]~~ health service corporation may make benefit payments to health maintenance organizations for health care services rendered by providers pursuant to the health care plan.

16 Reference Change. Amend RSA 420-F:18 to read as follows:

420-F:18 Prohibited Practices. ~~[RSA 420-A:21 through RSA 420-A:32]~~ **RSA 417** shall be construed to apply to Delta and the contracts which Delta issues, except to the extent that the commissioner determines that the nature of Delta, and the contracts which Delta issues, renders such provisions inappropriate.

17 Reference Change. Amend RSA 420-G:10, I to read as follows:

I. This chapter shall apply to any entity licensed, controlled or regulated by RSA 415, RSA 415-E, ~~[RSA 419, RSA 420,]~~ RSA 420-A, RSA 420-B or RSA 420-C which offers or provides individual or small employer health insurance plans or health benefits plans for delivery in this state. This chapter shall also apply to any multi-employer plan, trust, association, claims administrator, claims paying agent or any other entity whether fully insured, partially insured, or self-funded which offers or provides individual or small employer health insurance plans or health benefits plans for delivery in this state. This chapter shall not apply to pooled risk management programs which meet the standards established by RSA 5-B.

18 Repeal. The following are repealed:

I. RSA 419, relative to hospital service corporations.

II. RSA 420, relative to medical service corporations.

HB 342, relative to the payment of recording fees for mortgage discharges. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric N. Lindblade for Commerce: This bill requires mortgagors to spell out at the signing of the mortgage that they will charge a reasonable fee as part of the cost of recording the mortgage. Vote 13-0.

Amendment (0225h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the payment of recording fees for mortgage discharges and relative to notification of the discharge to the payor of the final payment in satisfaction of the mortgage.

Amend RSA 479:7, II as inserted by section 1 of the bill by replacing it with the following:

II. The mortgagee, within 60 days after said mortgage is satisfied **and having reasonable charges tendered to the mortgagee**, shall cause the discharge of the mortgage to be recorded in

the registry of deeds where the land lies. *The recording fees associated with the discharge of mortgage may be charged to the mortgagor, if the mortgagor received written disclosure that such fees would be so charged. The mortgagee shall provide written confirmation of the discharge within the 60-day period to the payor of the final payment in satisfaction of the mortgage.*

AMENDED ANALYSIS

This bill allows a lender, after written disclosure to the borrower, to collect from the borrower the cost assessed by the register of deeds to record a discharge of a mortgage. The bill also requires the lender to provide written confirmation of the discharge to the payor of the final payment in satisfaction of the mortgage.

Adopted.

Report adopted and ordered to third reading.

HB 166, extending the time frame for the annual school district meeting date to the last Saturday in April. **OUGHT TO PASS**

Rep. Phil A. Weber for Education: This bill expands the time window available to annual meeting school districts for the holding of the annual meeting from March 1-25 to March 1 to the last Saturday in April. This expansion gives school boards additional flexibility. Cities without annual meetings are unaffected. Vote 11-4.

Reps. Metzger and Belvin spoke against.

The report failed.

Rep. Belvin moved Re-refer to Committee.

Adopted.

HB 167, changing the teacher nomination notification date from April 15 to May 15. **RE-REFER TO COMMITTEE**

Rep. Phil A. Weber for Education: The notification date for teachers in annual school meeting districts was moved in the last session from March 30th to April 15th. Given the recent nature of that change and other uncertainties of official ballot voting (SB-2) the committee decided additional study would yield a better solution to the timing of teacher notification, that balances the interests of teachers, school boards, and school administrators. Vote 8-7.

Adopted.

HB 242, requiring voter approval for any type of random drug testing within a school district. **RE-REFER TO COMMITTEE**

Rep. Richard L. Champagne for Education: HB 242 is a reaction to local school board policy relative to drug testing. The committee feels strongly that the appeal process to the State Board of Education (RSA 21-N:11) proceed prior to any legislative action. Vote 19-1.

Adopted.

HB 270-L, allowing school districts to transfer permanent paper records onto electronic alternate media and destroy printed records. **RE-REFER TO COMMITTEE**

Rep. Suzan Franks for Education: During testimony many concerns regarding permanent records surfaced. The committee believes further study on the electronic maintenance of school records will be most helpful in developing a policy that will serve the interest of school districts, the State Board of Education, and the public. Vote 16-3.

Adopted.

HB 783-FN-A-L, relative to funding vocational student organizations and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jane E.O'Hearn for Education: Vocational Service Organizations (VSOs) provides an important part of any pupil's educational development. It provides an opportunity for pupils to explore career opportunities and develop career skills. There are over 6,000 New Hampshire members of the VSO and 12,000 New Hampshire students receive classroom training from them. The Carl Perkins Act provides federal money that is drying up. The committee found this organization of such importance that it merits adequate support and funding. The amendment eliminates state liability for insurance purposes. Vote 13-4.

Amendment (0339h)

Amend section 1 of the bill by deleting subparagraph IV(f).

Adopted.

Report adopted and referred to Finance.

HCR 2, urging all school districts in the state of New Hampshire to implement peer mediation programs. **OUGHT TO PASS WITH AMENDMENT**

Rep. Susan B. Durham for Education: New Hampshire law requires character and civic education; there was testimony that having Peer Mediation in place helps the effectiveness of that curriculum. The New Hampshire Bar Association supports this program. The Dept. of Education supports this resolution which might help spread the voluntary adoption of Peer Mediation throughout the state. The amendment was to emphasize the primary role of teachers in maintaining school discipline. Vote 9-8.

Amendment (0325h)

Amend the resolution by replacing all after the title with the following:

Whereas, conflict is a natural human state often accompanying personal growth or changes in our institutions, and is better approached with skills than avoidance; and

Whereas, more appropriate and effective systems are needed to deal with conflict in the school setting than expulsion, suspension, court intervention, or detention; and

Whereas, the use of mediation to resolve school-based disputes can result in improved communication between and among students, teachers, administrators, and parents and can, in general, improve the school climate, as well as provide a forum for addressing common concerns; and

Whereas, the use of mediation as a conflict resolution method can result in a reduction of violence, vandalism, chronic school absence, and suspension; and

Whereas, mediation training helps both young people and teachers to deepen their understanding about themselves and others and provides them with lifetime dispute resolution skills; and

Whereas, mediation training increases students' interest in conflict resolution, justice, and the American legal system, while encouraging a higher level of citizenship activity; and

Whereas, recognizing that young people are competent to participate in the resolution of their own disputes encourages student growth and gives students skills, such as listening, critical thinking and problem-solving, which are basic to all learning; and

Whereas, mediation training, with its emphasis upon listening to others' points of view and the peaceful resolution of differences, assists in preparing students to live in a multi-cultural world; and

Whereas, mediation provides a system of problem solving that is uniquely suited to the personal nature of young peoples' problems and is frequently used by students for problems they would not take to parents, teachers, or principals; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring:

That all school districts in the state of New Hampshire implement peer mediation programs in all of their schools; and

That the clerk of the house of representatives transmit copies of this resolution to the governor, the department of education, all school administrative units and local school districts in the state, and the state library.

Adopted.

Report adopted and ordered to third reading.

CACR 1, relating to a 4-year term for the office of governor. Providing that the governor shall be elected every 4 years. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph A. Foster for Election Law: This CACR, as amended, seeks to start the process to amend the New Hampshire Constitution to provide for a four-year term for the governor commencing with the election to be held in the year 2002. The majority of the committee believes extending the term from two years to four years will allow the office holder to concentrate on the business of governing rather than on the business of re-election so soon after taking office. As the situation now stands, a sitting governor must file for re-election less than 18 months after taking office and for all practical purposes must start much earlier. The majority also concluded that, if the term is extended to four years, it is best to have the governor elected in non-Presidential years to ensure greater voter turnout in these elections and to give the governor's race the full attention it deserves. Vote 15-3.

Amendment (0344h)

Amend the title of the resolution by replacing it with the following:

RELATING TO: a 4-year term for the office of governor.

PROVIDING THAT: the governor shall be elected every 4 years beginning in the year 2002.

Amend the resolution by replacing paragraph I with the following:

I. That article 42 of the second part of the constitution be amended to read as follows:

[Art.] 42 [Election of Governor; Return of Votes; Electors; If No Choice, Legislature to Elect One of Two Highest Candidates; Qualifications for Governor.] The governor shall be chosen ~~[biennially]~~ *to serve a 2-year term in the year 2000 and, beginning in the year 2002, shall be chosen every 4 years* in the month of November; and the votes for governor shall be received, sorted, counted certified and returned, in the same manner as the votes for senators~~[-and]~~. The secretary shall ~~[lay the same before]~~ *present the results* to the senate and house of representatives~~[-]~~ on the first Wednesday following the first Tuesday of January to be *examined* by them ~~[examined, and,]~~. In case of an election by a plurality of votes ~~[through]~~ *throughout* the state, the ~~[choice shall be by them declared and published]~~ *general court shall declare and publish the name of the winner*. ~~[And]~~ The qualifications of electors of the governor shall be the same as those for senators; and if no person shall have a plurality of votes, the senate and house of representatives shall, by joint ballot elects one of the ~~[two]~~ 2 persons, having the highest number of votes, who shall be declared governor. ~~[And]~~ No person shall be eligible to this office, unless at the time of his election, he shall have been an inhabitant of this state for 7 years next preceding, and unless he shall be of the age of 30 years.

Amend the resolution by replacing paragraph IV with the following:

IV. That the wording of the question put to the qualified voters shall be: Are you in favor of amending the constitution to require that, beginning in the year 2002, the governor be elected for a term of 4 years, instead of a term of 2 years?

AMENDED ANALYSIS

This constitutional amendment concurrent resolution provides that, beginning in the year 2002, the term of the governor shall be 4 years.

Adopted.
Rep. MacGillivray requested a roll call; sufficiently seconded.
The question being the adoption of the report.

CACR 22, relating to changing the minimum age requirement for state senator from 30 to 25. Providing that persons at least 25 years of age shall be eligible to be elected to the state senate. **OUGHT TO PASS**
Rep. Susan W. Almy for Election Law: The committee felt that the voters should be allowed to judge for themselves whether particular candidates are mature enough to act as their state senators. There is a wide variation in individuals at all age groups and there have been stellar examples of public service by under -30's in our own state in the past. The committee voted to bring this choice before the electorate. Vote 17-1.

On a division vote, 296 members having voted in the affirmative and 46 in the negative, the report was adopted by the constitutionally required three-fifths.

and CACR 22 was read a third time and passed by the constitutionally required three-fifths. Reps. McCann and Simmons did not vote and wished to be recorded in favor.

Third reading and final passage

CACR 22, relating to changing the minimum age requirement for state senator from 30 to 25. Providing that persons at least 25 years of age shall be eligible to be elected to the state senate.

REGULAR CALENDAR (CONT'D.)

HB 220, to establish new state representative districts for the city of Laconia. **INEXPEDIENT TO LEGISLATE**

Rep. Janet S. Arndt for Election Law: The subject matter of the bill has been presented in prior sessions of the legislature; it has never been enacted into law. The city will be redistricted after the 10-year federal census in the year 2000. Laconia failed to develop its ward lines within the specified time limit and now wants the legislature to correct this situation. Vote 10-9.

Rep. Turner spoke against and yielded to questions.

Reps. MacGillivray and Arndt spoke in favor.

On a division vote, 211 members voting in the affirmative and 134 in the negative, the report was adopted.

HB 647-FN-A-L, relative to a centralized computer checklist of voters and making an appropriation therefor. **RE-REFER TO COMMITTEE**

Rep. Thomas Arnold, Jr. for Election Law: The committee recognized the benefits to be derived from a computerized state-wide checklist but found the anticipated cost to be an obstacle. Re-referral will provide the time for a thorough technical analysis and investigation as to whether or not the system can be self-supporting. Vote 15-2.

Adopted.

HB 281, relative to regulation of medical assistants. RE-REFER TO COMMITTEE

Rep. Andrew R. Peterson for Executive Departments and Administration: Although the committee felt this to be an important issue that requires the attention of the legislature, this bill does not address some of the committee's concerns. New Hampshire would be the first state to establish certification of medical assistants. Due to some of the issues raised by the sponsors and the public, the committee voted to re-refer to allow sufficient time to consider these issues. Vote 13-4. Adopted.

HB 466-FN, requiring administrative rules to be available to the public at the state library before they take effect. INEXPEDIENT TO LEGISLATE

Rep. Andrew R. Peterson for Executive Departments and Administration: Although the committee agreed with the intent of the bill to encourage that all rules be filed at the state library in a timely fashion, we found the requirements and penalties of the legislation to be too harsh. Costs of compliance by agencies is indeterminable inasmuch as there are more than 100 boards, commissions and agencies, the committee felt that the state library is already involved with filing of all rules, and electronic format (i.e. WEBSTER) is already being considered in other bills before the legislature this year. Vote 13-4.

Rep. Cobbin spoke against.

Rep. Peterson spoke in favor and yielded to questions.

Adopted.

HB 223-FN-L, providing that catastrophic aid for special education shall be fully funded. RE-REFER TO COMMITTEE

Rep. David J. Alukonis for Finance: The Committee believes that the rising costs of catastrophic aid, which are being experienced by local school districts, should be fully funded in accordance with promises previously made by the State of New Hampshire. However, the proper venue to consider this item is in the deliberations of the operating budget which the Finance Committee is currently undertaking. It should be noted that, in the Governor's Budget, this program has been fully funded in conformity with the forecasts made by the Department of Education. Additionally, the Department is currently examining the rationale for the recent escalation of catastrophic aid costs, and, in view of this effort, the Committee would like to re-refer this bill pending the results of the Department's Study. Vote 18-0.

Adopted.

HB 288, requiring a vote of 60 percent of the house and senate to pass any spending bill. INEXPEDIENT TO LEGISLATE

Rep. Arthur P. Klemm, Jr. for Finance: The Committee felt that both the House and the Finance Committee consider any spending bill very carefully and its impact on our existing revenues and expenditures before it is recommended for passage and that this bill would give the will of the minority control over the will of the majority and therefore the bill was found to be Inexpedient to Legislate. Vote 16-3.

Rep. Klemm yielded to questions.

Rep. Cobbin spoke against.

Rep. Jacobson spoke in favor.

Rep. Cobbin requested a roll call; sufficiently seconded.

The question being the adoption of the report.

and the report was adopted.

Reps. McCann and Simmons did not vote and wished to be recorded in favor.

HB 719-FN-A, increasing the number of state troopers and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Mary E. Brown for Finance: The committee felt that it would be more prudent to postpone any decision to add state troopers until the Department of Safety's complete budget is reviewed. If more troopers are found to be needed, they can be added during the budgeting process. Also, the manner in which the bill is drafted would result in complete funding for these additional state troopers from general funds. It was agreed that funding would be more appropriate from the high-way funds. Vote 17-2.

Adopted.

HB 582-FN, relative to medicaid rate setting. **OUGHT TO PASS**

Rep. Eleanor H. Amidon for Health, Human Services and Elderly Affairs: The Committee affirms the necessity of updating medicaid reimbursement rates for home health services and setting a new method of reimbursement to those who deliver all services to the elderly and chronically ill enabling them to stay at home. Vote 15-0.

Adopted and referred to Finance.

HB 722-FN, opting the state out of a provision of federal law relating to benefits for persons convicted of drug-related offenses. **OUGHT TO PASS**

Rep. Joseph A. Guthrie for Health, Human Services and Elderly Affairs: The passage of this bill will allow the State to provide benefits to persons convicted of drug related offenses. The result will be to assure that benefit will be provided to such persons and their families without down-shifting the cost to the cities and towns. Vote 15-0.

Adopted and ordered to third reading.

RECESS**(Speaker Sytek in the Chair)**

CACR 17, relating to the appointment of supreme, superior, and probate court judges. Providing that supreme, superior, and probate court judges be appointed for specified terms. **INEXPEDIENT TO LEGISLATE**

Rep. Carol H. Holden for Judiciary and Family Law: This CACR, if adopted, would require that supreme, superior, and probate judges be appointed for an initial term of 10 years with option to be reappointed for one subsequent 10-year term. The age limitation of 70 years for judges was adopted by the people after the 1791 Constitutional Convention. In 1851, the people rejected proposals that would have removed the age limitations and called for the election of judges. Subsequent constitutional conventions and legislatures have also considered, but failed to adopt, amend-

ments dealing with judicial tenure. In 1966, the voters adopted an amendment that established independent constitutional courts to keep the courts free from political interference. The committee felt that extreme caution should be exercised in politicizing the judiciary. Vote 9-3. Adopted.

HB 218-L, clarifying that local health officers are state employees for purposes of defense and indemnification of lawsuits filed against them. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas M. Colburn for Judiciary and Family Law: The committee determined that there were sufficient provisions in RSA 99-D:2 to cover the concerns this bill sought to address, and that health officers are currently covered by the state for official state duties. Vote 12-1. Adopted.

HB 260, defining "marriage" to mean a legal union between one man and one woman as husband and wife. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Sandra B. Keans for the Majority of Judiciary and Family Law: This bill has constitutional problems as written. Also, RSA:457 already prohibits marriage between a man and a man and a woman and a woman. There is confusion about what would happen if other states allowed those types of marriages. The answer is nothing. Right now, if two 13 year olds go to Mississippi and get married, it would not be recognized under New Hampshire law and would continue to be illegal. There is no way New Hampshire laws could be impacted without a federal court decision. Further, the sponsor said the purpose of marriage should be defined around children. The committee disagreed because there are many childless marriages, some by chance, and some by choice. Vote 13-3.

Rep. Paul M. Mirski for the Minority of Judiciary and Family Law: Evolutions in birth control, family planning advocacy and family planning techniques have served to free marriage from the virtually certain expectation of children. The primary benefit has been the liberation of women from traditional marital and maternal roles. The inadvertent cultural effect however, has been to cause the redefinition of the institution of marriage in a manner which primarily serves narcissistic and self indulgent adult interests rather than the interests and needs of children. Divorce rates and contemporary same-sex "marriage" issues reflect this change. Virtually all contemporary research on the subject of the welfare of children raised in single parent households indicates they suffer a significantly greater propensity toward emotional maladjustment, poor academic achievement, anti-social and criminal behavior, sexual promiscuity and out-of-wedlock births than children raised in a traditional nuclear family environment with both biological parents present. We presently face a children's crisis of national proportions. Reassertion of the traditional cultural definition of marriage as the legal union between a man and a woman is perhaps the most important first step we can take to begin to protect and repair the American family.

Rep. Mirski requested a Quorum Count.

The Speaker declared a quorum present.

Rep. Mirski spoke against and yielded to questions.

Rep. Sabella spoke in favor.

Rep. Adams spoke against.

Rep. Keans spoke in favor and yielded to questions.

Rep. Adams requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

and the report was adopted.

Rep. David Lawton did not vote and wished to be recorded against.

HB 431, relative to the appointment of attorneys and guardians ad litem, and eliminating certain de novo hearings under certain laws related to child protection. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Barbara Hull Richardson for the Majority of Judiciary and Family Law: This bill brings the child protection laws into compliance with all other juvenile laws by eliminating de novo hearings. This bill also provides for appeals to the supreme court in cases involving child abuse and neglect and children in need of services, and outlines services which are to be provided by counsel for delinquent children. Vote 14-1.

Rep. Paul M. Mirski for the Minority of Judiciary and Family Law: Removing the right to de novo hearings in Superior Court - forcing all appeals to the Supreme Court - further erodes the rights of New Hampshire citizens to the fair and accurate adjudication of their interests which the de novo appeals process presently provides.

Majority report adopted and ordered to third reading.

HB 666-FN-L, relative to binding interest arbitration for law enforcement and firefighter contracts. INEXPEDIENT TO LEGISLATE

Rep. Roy D. Maxfield for Labor, Industrial and Rehabilitative Services: Forcing cities and towns to agree to binding arbitration on all labor issues including benefits and wages would interfere with local control and mandate expenses which a municipality may legally choose not to undertake (28-A violation). Current law allows for independent fact finding relief to settle labor disputes for fire and police unions. The committee listened to testimony supporting the bill from police and fire union representatives primarily concerned with the labor impasse in Manchester. The NH Municipal Association and police chiefs from three communities across the state spoke in opposition to the bill. Vote 6-4.

Adopted.

RECONSIDERATION

Having voted with the prevailing side, Rep. Gibbons moved that the House reconsider its action whereby it adopted the committee report on **HB 666**, relative to binding interest arbitration for law enforcement and firefighter contracts and spoke in favor.

Rep. Daniels spoke against.

Rep. Burling spoke in favor.

Rep. Cobbin requested a roll call; not sufficiently seconded.

On a division vote, 213 members having voted in the affirmative and 116 in the negative, reconsideration prevailed and the question was the adoption of the Committee report.

Rep. Gibbons spoke against and yielded to questions.

Rep. Daniels spoke in favor and yielded to questions.

Rep. Wheeler requested a roll call; sufficiently seconded.

The question being the adoption of the report.

Rep. Pfaff declared a conflict of interest and did not participate.

HB 169, prohibiting former state legislators from serving as lobbyists for 2 years after leaving the legislature. **OUGHT TO PASS**

Rep. Warren C. Henderson for Legislative Administration: It is a widely-held belief that a citizen legislature should be made up of ordinary people who come from all walks of life, serve in elected office for a period of time, and then return home to live under the laws they helped create. This fundamental is undermined by the "revolving door" which currently permits members to go directly from serving in the legislature to leveraging their contacts and knowledge as a paid lobbyist before the legislature.

Imposing a simple two-year "cooling off period" before a legislator may become a paid lobbyist will help to discourage any member from even considering trying to position themselves as a legislator in a way which would increase their marketability as a lobbyist. Further, imposing such a restriction will strongly convey to the public our conviction to do the right things, and to do them only for the right reasons. As legislators we strive to represent the public good from our respective points of view. Adoption of this 2-year moratorium on becoming a paid lobbyist is consistent with this principle. Vote 11-3.

Reps. Cobbin, Dickinson and DePecol spoke against.

Reps. Carson and Burling spoke in favor and yielded to questions.

Rep. Henderson spoke in favor.

Rep. Boutin requested a Quorum Count.

The Speaker declared a quorum present.

Rep. Hess requested a roll call; sufficiently seconded.

and the report was adopted.

Ordered to third reading.

HB 622-FN, requiring legislative approval of certain out-of-court settlements of claims against the state.

MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: RE-REFER TO COMMITTEE.

Rep. Donnalee Lozeau for the Majority of Legislative Administration: This bill requires that all out-of-court settlements that would have a substantial impact on the state budget must be approved either by the legislative fiscal committee or by a majority vote of the legislature. One percent of current total general fund revenues is approximately \$8.7 million. Under this bill, the majority of the legislature during the legislative session or the legislative fiscal committee if the legislature is not in session must approve proposed settlements that range in amounts from $\frac{1}{4}$ to $\frac{1}{2}$ of one percent of the prior fiscal year's general fund revenues. Additionally, a majority of the legislature must at all times approve proposed settlements that are more than $\frac{1}{2}$ of that amount. The legislative budget assistant is authorized to determine the amount of total general fund revenues for the prior fiscal year as well as the financial impact the settlement would have on the state budget. Vote 9-5.

Rep. Amanda A. Merrill for the Minority of Legislative Administration: HB 622-FN proposes a major policy change. Numerous questions were raised during the committee's executive session about both the technical details of the legislation and its potential policy implications. Additional questions remain, and the importance of the legislation makes it imperative that we take sufficient time to address those concerns. HB 622-FN is a prime candidate for re-referral.

Rep. Lozeau moved Recommit to Committee and spoke in favor.

Adopted.

HB 709, establishing a committee to study the possibility of imposing property taxes on property used by nonprofit academic institutions primarily for housing. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE**

Rep. Stephen G. Avery for the Majority of Local and Regulated Revenues: The majority of the committee felt that there are adequate opportunities for municipalities to address this issue with academic institutions and reach amicable solutions. The legislature passed a voluntary request process last session, and the majority of the committee feels that this legislation is not necessary at this time. Vote 9-4.

Rep. Carol T. Burney for the Minority of Local and Regulated Revenues: Faculty and other rental housing owned by an educational institution may contribute to the school population, and, therefore, the overall tax burden borne by a municipality. The minority believed that this was an issue worth studying. Majority report adopted.

HB 522-L, requiring a separate vote of the legislative body of a local governing unit before monies may be appropriated to organizations that conduct registered lobbying activities. **INEXPEDIENT TO LEGISLATE**

Rep. John A. Vogl for Municipal and County Government: The committee unanimously agreed that this bill submits municipal boards to unnecessary micromanagement and is thus inexpedient to legislate. Testimony was heard and agreed to, that such organizations which receive public money serve far broader purposes than legislative advocacy such as providing legal advice, assistance for training and administration, and legislative information. It was expressed that the lobbying component of such organizations is slight in consideration of the holistic benefit. The committee feels that board members are taking full advantage of all the resources provided, freely agree to join, and if so decided, are freely able to break membership. Vote 14-0.

Adopted.

HB 405-L, relative to standardizing the requirements for the design and specifications of septic systems. **MAJORITY: RE-REFER TO COMMITTEE. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. William E. Williams, Jr. for the Majority of Resources, Recreation and Development: This bill is a simple issue of a standard for all sewage and wastes disposal systems throughout the state. The question of "local control" has been raised and has not been properly reviewed nor has the implication of a present study of alternate systems. Vote 9-6.

Rep. Deborah F. Merritt for the Minority of Resources, Recreation and Development: This bill would no longer allow municipalities to adopt septic system standards more stringent than the state standard. Municipalities would be required to request that DES reject *individual* applications for areas with a high concentration of septic tanks, or have the state adopt rules to protect resources that may be unique to a single municipality (aquifers, pristine water bodies, special natural resources). The minority believes that better education of municipalities will result in appropriate septic standards, and this erosion of *local control* is not necessary. No amount of study will change the current intent of this bill.

Majority report adopted.

HB 755-FN, increasing certain OHRV registration fees and requiring the department of fish and game to file an annual report to the legislature. **OUGHT TO PASS**

Rep. Peter O. Crowell for Resources, Recreation and Development: The bill is a wonderful example of private groups and individuals developing the recreational industry of snowmobiling that is pumping much life into the wintertime economy of the state much as the ski industry has done. The snowmobile groups have asked for and endorsed an increase in ATV registration fees to be applied directly to the grooming and maintenance of trails to be enjoyed by all of the trail using public. It was refreshing for the committee to see such a unified effort by private non-profit recreational volunteer groups. Vote 17-0.

Adopted and referred to Finance.

HB 297, relative to the cutting of vegetation by utilities on private property. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jeffrey C. MacGillivray for Science, Technology and Energy: Under current law, when public utilities such as electric companies plan to use herbicides to clear rights-of-way, each landowner has the right to demand that vegetation be cut, instead of herbicide spraying, if the landowner is willing to pay any additional cost. As amended, the bill addresses the amount of the additional charge by requiring that any such charge be approved by the Public Utilities Commission in advance. This bill will determine a cost basis for future policy, while leaving the more general question of herbicide use in utility rights-of-way to future legislation. Vote 17-1.

Amendment (0398h)

Amend RSA 374:2-a as inserted by section 1 of the bill by replacing it with the following:

374:2-a Alternative to Herbicide Use. Every public utility that uses herbicides to clear or maintain its rights-of-way shall offer, as an alternative to herbicide use, to cut back such vegetation, if requested by the owner of the land on which the right-of-way exists. The utility shall be permitted to charge the landowners who opt for the cutting of vegetation on their property an amount which *has been approved by the public utilities commission and which* reflects the increased cost the utility incurs in providing such an alternative. *No utility shall indicate to any such landowner that such a charge may exist until the charge has been approved by the commission.*

AMENDED ANALYSIS

This bill requires the approval of the public utilities commission before a utility may charge a landowner for the cutting of vegetation, as an alternative to herbicide use, to clear or maintain its rights-of-way.

Adopted.

Report adopted and ordered to third reading.

HB 627-FN, establishing a conservation number plate trust fund, and a special motor vehicle license plate and associated fees, to support New Hampshire's natural and cultural resources. RE-REFER TO COMMITTEE

Rep. Sherman A. Packard for Transportation: This is one of two bills that would take a certain portion of the registration fee, when obtaining a special plate with the money going to a state agency other than the Department of Safety. With the passage in the last session of HB 151, currently RSA 261-A, the committee felt that it had solved the special plate issue. But with the introduction of HB 627-FN, HB 729-FN-A and HB 607-FN, all of which delegate money to entities other than the Department of Safety, we are asking for re-referral on these bills so that the committee can come up with some type of vehicle to facilitate the new language in these proposals. Vote 15-0.

Adopted.

HB 729-FN-A, establishing a kindergarten special number plate and fee, with the fees continually appropriated to the department of education. RE-REFER TO COMMITTEE

Rep. Sherman A. Packard for Transportation: This is one of are two bills that would take a certain portion of the registration fee, when obtaining a special plate with the money going to a state agency other than the Department of Safety. With the passage of HB 151 in last year's session, currently RSA 261-A, the committee felt that it had solved the special plate issue. Vote 15-0.

Rep. Packard yielded to questions.

Adopted.

REMARKS

Rep. Burling moved that the questions of Reps. O'Rourke and Burling and the response of Rep. Packard and Speaker Sytek be printed in the Journal.

Adopted.

Rep. O'Rourke: The report on HB 729 refers to HB 607 on which I have a notice of reconsideration. They are referring HB 729 to a study bill, I guess. It is going to be re-referred to committee. I was just wondering if this bill is going to be the same as the kindergarten bill, HB 627?

Rep. Burling: May I address the question Madam Speaker? I want to try and restate the question because I think it is an excellent question. The question goes to the heart of what I think is an understanding that has evolved over the last few hours. Let me try it this way. My understanding is that we have not only the kindergarten plate, the conservation plate and the veterans plate now before us, but we have some generic issues about how the committee would like to deal with the creation of a mechanism for handling plate issues. Is that correct, Rep. Packard?

Rep. Packard: Yes, that is correct, Rep. Burling.

Rep. Burling: Would I be correct then in understanding, on behalf of myself and Rep. O'Rourke, that by the action of re-referring these two bills, what we intend to do is send back to the committee the question with regard to all three types of plates and to empower the committee to handle all those, particularly the veterans' plate, which became the source of some discussion last week? Would I be correct in assuming that?

Rep. Packard: You would be correct, yes. We want to facilitate a vehicle so that regardless of the subject matter, it will be addressed by the vehicle that we put together.

Rep. Burling: So, if I may put this in the form of a parliamentary inquiry to you: If I were interested, as I was last week, in supporting the veterans' rights to continue with a review of that license plate for veterans, what I would do now is vote to re-refer. Your committee will have jurisdiction over all three kinds of plates and you will come back to us with an answer.

Rep. Packard: Yes, I will.

Rep. Burling: Thank you, Madam Speaker. Let me ask a parliamentary inquiry, if I may and perhaps you can straighten us out. My understanding and my sense of this group is that we want to give back to the Committee jurisdiction over three bills - conservation, kindergarten and the very important veterans' plate. A concern has been raised as to whether we can do that without taking up the reconsideration motion. It is my belief that we can do that and that the committee, if we do nothing further, will have jurisdiction over those three plates and the establishment of a system, even without the reconsideration. Could you tell me what is correct and give me some guidance. Speaker Sytek: The way you have stated it is correct. It is my understanding from the conversation on the floor that the committee would like the bill re-referred. They would like to develop a generic mechanism by which any entity that wanted to use plates as a way of raising money would be able to access this generic provision. Anybody, whether it was kindergarten or veterans or a conservation plate would use this generic formula. I believe that has been the discussion so far. The question of the status of another bill is not germane to this discussion at the moment.

REGULAR CALENDAR (CONT'D.)

HB 243, requiring a conviction of a person wounding or killing a human being while hunting before the person's hunting license can be revoked. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. L'Heureux for Wildlife and Marine Resources: This bill originally only addressed the issue of requiring a conviction before a hunting license could be revoked by the Executive Director of the Fish and Game Department. The amendment does that and goes on to clarify the laws pertaining to hunting related shootings. It specifically increases the penalty from a violation to a misdemeanor for failure to report a hunting accident. Vote 12-1.

Amendment (0319h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to criminal penalties and license revocation following a conviction for shooting and wounding or killing a human being while hunting.

Amend the bill by replacing all after the enacting clause with the following:

I License Revocation for Shooting and Wounding or Killing Human Being. RSA 207:37-b is repealed and reenacted to read as follows:

207:37-b Hunting License Revoked.

I. Any person while on a hunting trip or in pursuit of wild animals or wild birds or while target practicing, who is convicted of shooting and wounding or killing a human being shall not be issued a license to hunt or, if the person holds a hunting license, the license shall be revoked and the person shall not be granted a license to hunt for the following period:

(a) If the shooting and wounding of a human being results in death or serious bodily injury, as defined in RSA 625:11, VI, the license revocation shall be for a period of 10 years.

(b) If the shooting and wounding of a human being results in less than serious bodily injury as defined in RSA 625:11, VI, the license revocation shall be for a period of 5 years.

II. A hunting license revocation under paragraph I shall commence immediately upon indictment or arrest. Upon conviction, the period of revocation shall be computed from the date of indictment or arrest.

III. A license to hunt may be granted or restored following a hearing before the executive director and the commission at any time following the full revocation period under paragraph I and following application for a license and successful completion of a hunter education program pursuant to RSA 214:23-a.

IV. A person convicted of negligently shooting and wounding or killing a human being while hunting or target practicing in another state or province shall not be issued a license to hunt in this state for any period of time that the person's privilege to hunt is suspended by the state or province where the offense was committed.

2 New Section; Shooting Human Beings While Hunting. Amend RSA 207 by inserting after section 37-b the following new section:

207:37-c Shooting Human Beings While Hunting.

I. Any person, while on a hunting trip, or in pursuit of wild animals or wild birds, or while target practicing, who negligently shoots and wounds any human being, shall be guilty of a misdemeanor.

II. Any person, while on a hunting trip, or in pursuit of wild animals or wild birds, or while target practicing, who shoots and causes the death of any human being, shall be charged pursuant to the appropriate criminal code statute.

III. The provisions of this section shall apply to any person hunting or target practicing with a firearm, bow and arrow or crossbow and bolt.

IV. In addition to the penalties provided in this section, the person shall be subject to license revocation under RSA 207:37-b.

3 Hunting Related Shootings; Penalty Changed. Amend RSA 207:38-a to read as follows:

207:38-a Hunting [~~Accidents~~] **Related Shootings**. Any person while hunting or in the field who shall cause any injury by shooting another human being shall report immediately to the nearest conservation officer or law enforcement officer giving his *or her* name, address, date of birth, hunting license number and any other information needed to identify that person. Whoever violates the provisions of this section shall be guilty of a [~~violation~~] **misdemeanor**.

4 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill:

(1) Provides for a misdemeanor penalty for the negligent shooting and wounding of a human being while hunting;

(2) Provides that the death of a person caused by a shooting while hunting shall be charged according to the criminal code;

(3) Requires a conviction of a person shooting and wounding or killing a human being before revocation of the person's hunting license;

(4) Increases the penalty for violations of the requirement to report hunting related shootings. Adopted.

Rep. Cegelis offered a floor amendment.

Floor Amendment (0452h)

Amend RSA 207:37-b as inserted by section 1 of the bill by inserting after paragraph IV the following new paragraph:

V. For purposes of this section, "target practicing" shall mean target practicing in a woodland as defined in RSA 207:33.

Amend RSA 207:37-c as inserted by section 2 of the bill by inserting after paragraph IV the following new paragraph:

V. For purposes of this section, "target practicing" shall mean target practicing in a woodland as defined in RSA 207:33.

Rep. Cegelis spoke in favor.

Rep. Mock spoke against and yielded to questions.

The floor amendment failed.

Report adopted and ordered to third reading.

RECONSIDERATION

Having voted with the prevailing side, Rep. Carson moved that the House reconsider its action whereby it ordered to third reading **HB 169**, prohibiting former state legislators from serving as lobbyists for 2 years after leaving the legislature and spoke against.

MOTION TO LAY ON THE TABLE

Rep. Boutin moved that the motion to reconsider **HB 169**, prohibiting former state legislators from serving as lobbyists for 2 years after leaving the legislature be laid upon the table.

The motion failed.

The question now being the motion to reconsider.

Reconsideration failed.

REGULAR CALENDAR (CONT'D.)

HB 464-FN, regarding notice provisions for waxes applied to fresh fruit. **INEXPEDIENT TO LEGISLATE**

Rep. Ronald G. Russell for Commerce: The committee felt that the majority of stores in our state have posted signs in proper places. Federal law is already in place. State law can be more restrictive, however, we do not have the work force to police this activity. We found that most waxes are sprayed on in the country of origin and today's market is worldwide. Vote 13-1.

Rep. Hall spoke against and yielded to questions.

Rep. Hunt spoke in favor.

On a division vote, 242 members having voted in the affirmative and 59 in the negative, the report was adopted.

HB 121, relative to quality review for accountancy and requiring the board of accounting to adopt administrative rules. **OUGHT TO PASS WITH AMENDMENT**

Rep. Myron S. Streere, III for Executive Departments and Administration: The quality of peer review requires a review of the quality and consistency of accounting work for each permittee once every three years. The committee agreed that the adoption of administrative rules by the Board of Accountancy should be required and that the rules provide for the conduct and charges for quality reviews not be excessive. Vote 15-0.

Amendment (0177h)

Amend the bill by replacing section 2 with the following:

2 Rulemaking Authority Modified. Amend RSA 309-B:3, VIII(g) to read as follows:

(g) Rules regarding quality review that shall be required under this chapter. *Such rules shall include conduct and cost parameters to insure that charges for the "off-site" quality review process are not excessive.*

AMENDED ANALYSIS

This bill requires the board of accountancy to adopt administrative rules. Current law gives the board discretion as to whether or not to adopt administrative rules. The bill also requires that rules adopted regarding quality reviews shall include conduct and cost parameters to insure that charges for the "off-site" quality review process are not excessive.

Rep. Dodge spoke against.

Rep. Steere spoke in favor.

Adopted.

Report adopted and ordered to third reading.

HB 286-FN-A, lowering the rate of the interest and dividends tax. **INEXPEDIENT TO LEGISLATE**

Rep. Charles L. Vaughn for Finance: The purpose of this legislation, according to its sponsors, was to bring revenue neutrality to changes made in the Interest and Dividends Tax by the last Legislature. To determine if the original rate changes in Interest and Dividends were indeed revenue neutral, the Finance Committee is holding HB 195, increasing the exemption amount under the interest and dividends tax, while awaiting results from Revenue Administration. This bill, if passed, will decrease state general unrestricted revenue by 17.6 million for the biennium. Vote 18-1.

Rep. Jacobson spoke against.

Rep. Vaughn spoke in favor and yielded to questions.

Rep. Mirski requested a roll call; sufficiently seconded.

The question being the adoption of the report.

CACR 20, relating to the appointment and terms of probate court judges. Providing that all probate court judges be full-time and subject to term limits. **INEXPEDIENT TO LEGISLATE**
Rep. Carol H. Holden for Judiciary and Family Law: This CACR would require that all probate court judges shall be full time and shall be appointed for a term of 10 years with the possibility of being reappointed for another 10-year term. Testimony indicated that there are four full time probate court justices. Part II, Article 4, of the constitution gives the legislature the power to authorize full time probate court justices. With regard to tenure, the committee felt the changes proposed would politicize the judiciary. Vote 11-1.

Adopted.

HB 365, providing that communications made during family mediation shall be privileged. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah L. Woods for Judiciary and Family Law: Testimony on this bill indicated further work needed to be done on this. An amendment was not received by the committee in a timely fashion to make this bill workable. Vote 12-0.

Rep. Wallin moved Recommit to Committee and spoke in favor.

Rep. John McCarthy spoke in favor.

Adopted.

HB 394, restricting the jurisdiction of the probate courts over estates. **INEXPEDIENT TO LEGISLATE**

Rep. Alf E. Jacobson for Judiciary and Family Law: No evidence was presented that the proposed changes in probate court procedure in this bill are necessary. Vote 12-0.

Adopted.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. McCann requested that his protest be entered on the Journal.

The Judiciary and Family Law Committee was misled by Judge Maher and the judge who is the head of the Probate Courts. They launched into a personal attack on a sitting Representative. I submit my letter to the Committee Chairman about this issue at this point in my protest.

February 24, 1997

Dear Chairman McCarthy:

At last Thursday's hearing (2/2/97) on HB 394 something happened which should not have, personalities were interjected into the debate.

HB 394 merely attempts to give some legislative direction to the sometimes complicated question of probate jurisdiction. As you will recall, I spoke a second time saying that I agreed with everything Judge Maher and the other speaker said. I stated that when the system as described worked, I had no problem.

However, when I mentioned the problem of the "Hemon Estate", Judge Maher asked for "privilege" and then launched into a personal attack of Rep. Roland Hemon, Strafford District 11.

Rep. Hemon is not a sponsor of HB 394, and even if he was he should not be the subject of such slander.

I would ask that you and the Judiciary Committee request Judge Maher to issue a formal apology to Rep. Hemon for his unethical conduct before the Judiciary Committee.

Representative Bill McCann, Strafford District 11.

Based on the unethical conduct of the head of the Probate Court system, I protest this vote.

REGULAR CALENDAR (CONT'D)

HR 12, urging that impeachment proceedings be instituted posthumously against the late John C. Fairbanks. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah L. Woods for Judiciary and Family Law: The majority of the committee believes that a posthumous impeachment of Judge Fairbanks may be feel-good legislation, but serves no valuable purpose whatsoever except to drag out this matter. To be sure, we will not, nor should we, forget the name Fairbanks or what he did. It is important, however to move proactively to insure it does not happen again. Vote 12-2.

Rep. Cobbin spoke against.

Adopted.

HB 479, establishing a committee to study the merits of installation of dual pipe and tank septic systems. **INEXPEDIENT TO LEGISLATE**

Rep. William E. Williams, Jr. for Resources, Recreation and Development: There was very little testimony to support this bill. It was apparent that existing scientific knowledge did not support the efficiency of this type of system and in fact, may well be detrimental to proper operation of a septic system. Vote 17-0.

Rep. Lefebvre moved Recommit to Committee and spoke in favor.

Rep. William Williams spoke against.

The motion failed

HB 585, relative to prohibiting littering, as enforced by the fish and game department.

HB 706, establishing a commission on animal damage control to review the fish and game laws relating to damage by game birds and game.

HB 258-FN, requiring financial institutions to display certain information on fees, charges, and available products in their lobbies.

HB 261, recodifying the insurance laws pertaining to hospital service corporations, medical service corporations, and nonprofit health service corporations. (Blue Cross/Blue Shield)

HB 342, relative to the payment of recording fees for mortgage discharges and relative to notification of the discharge to the payor of the final payment in satisfaction of the mortgage.

HCR 2, urging all school districts in the state of New Hampshire to implement peer mediation programs.

HB 722-FN, opting the state out of a provision of federal law relating to benefits for persons convicted of drug-related offenses.

HB 431, relative to the appointment of attorneys and guardians ad litem, and eliminating certain de novo hearings under certain laws related to child protection.

HB 169, prohibiting former state legislators from serving as lobbyists for 2 years after leaving the legislature.

HB 297, relative to the cutting of vegetation by utilities on private property.

HB 243, relative to criminal penalties and license revocation following a conviction for shooting and wounding or killing a human being while hunting.

HB 121, relative to quality review for accountancy and requiring the board of accounting to adopt administrative rules.

RECESS MOTION

Rep. Wheeler moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 4:40 p.m.

RECESS

(Rep. David Welch in the Chair)

RESOLUTION

Its introduction having been approved by the Rules Committee:

Rep. Hunter offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bill numbered 52 shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL

RECESS

(Speaker Sytek in the Chair)

Rep. Wheeler moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 11

Wednesday, March 12, 1997

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Reverend Lynne Hubley from the First Baptist Church in Bradford.

God of truth and wisdom, we come before You today seeking Your presence in our midst. May that presence provide strength and clarity and direction to these Representatives who have many tasks and challenges before them. We are grateful to live in a country where we can choose our leaders. Enable these particular leaders in this session to use the gifts and the power that You have given them wisely and always for the common good of the people whom they are serving. May their work and efforts be fruitful and may they be unified, despite their differences, and strive to work as one body. We pray to You, O God, as one who hears all our prayers. Amen.

Rep. Fuller Clark led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Blanchard, George Brown, Kathleen Colburn, Cobbin, Dolan, David Flanders, Felch, Beverly Gage, Gibbons, MacIntyre, Nowe, O'Connell, Paul Taylor, Turgeon and Vincent, the day, illness. Reps. Abbot, Amen, Adams, Channing Brown, Crowell, Feng, Guthrie, Mirski, Rubin and Kathleen Taylor, the day, important business.

Rep. Irene Pratt, the day, illness in the family.

INTRODUCTION OF GUESTS

Hope Micklon, Anne Basset and Hideki Sumiyoshi, daughter and guests of Rep. Micklon. Former NH Representative Janet Gail Barry, guest of Rep. Burke. Jessica Clegg and Yoko Hamasaki, daughter and guest of Rep. Clegg. John Pelletier, son of Reps. Marsha and Arthur Pelletier. Hampton Girl Scout Troop and troop leader Pat McKenzie, guests of the Hampton Delegation.

COMMITTEE REPORTS**CONSENT CALENDAR - PART I**

Rep. Wheeler moved that the Consent Calendar - Part I with the relevant amendments as printed in the day's House Record be adopted.

HB 619, establishing a sunset review process for state agencies and making an appropriation therefor, removed by Rep. Weber.

HB 734, requiring district courts to hold evening sessions, removed by Rep. John McCarthy.

HB 758, raising the speed limit on all New Hampshire interstate highways from 65 to 75 miles per hour and from 55 to 65 in other locations, removed by Rep. Vaillancourt.

Consent Calendar adopted.

HB 190, relative to interstate banking and branching. **OUGHT TO PASS WITH AMENDMENT** Rep. David T. Mittelman for Commerce This bill is the result of a study committee on interstate banking and branching as established by 1996 Chapter Law 104. It simply grants the Banking Department additional provisions relative to the examination of out-of-state banks and bank holding companies. Vote 15-0.

Amendment (0591h)

Amend RSA 384:60-c as inserted by section 1 of the bill by replacing it with the following:
384:60-c Application and Investigation Fee Required. An out-of-state bank or out-of-state bank holding company acquiring a New Hampshire bank or seeking to establish a New Hampshire branch pursuant to this subdivision shall file an application with the bank commissioner on a form prescribed by the bank commissioner. A \$1,500 investigation fee shall accompany each application for approval to establish a New Hampshire branch and each application to acquire a New Hamp-

shire bank. The commissioner shall examine such application, and if the commissioner determines that the applicant meets the requirements of this subdivision for the establishment of a New Hampshire branch or the acquisition of a New Hampshire bank, the bank commissioner shall approve the application. A duplicate original of the commissioner's approval shall be filed by the applicant with the secretary of state.

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

HB 268-FN, relative to the powers of the Pease development authority. **OUGHT TO PASS**

Rep. Gregory G. Carson for Commerce: This bill establishes an oversight committee made up of House and Senate members and a designee of the state treasurer. In addition, it addresses the sharing of business inquiries with Department of Resources and Economic Development and land transfers. Vote 13-0.

Referred to Finance.

HB 442, requiring insurers to cover certain costs associated with reconstructive surgery after a mastectomy. **OUGHT TO PASS WITH AMENDMENT**

Rep. Toni M. Crosby for Commerce: The amended version of this bill reported out of committee with a unanimous vote deals with the issue of reconstructive surgery after a mastectomy to establish symmetry between the breasts. The committee is proud to join 13 other states in recognizing the importance of the option of reconstructive breast surgery to women's health. Vote 15-0.

Amendment (0628h)

Amend RSA 417-D:2-b as inserted by section 1 of the bill by replacing it with the following:

417-D:2-b Reconstructive Surgery. Every insurer subject to this chapter that provides individual or group coverage for mastectomy surgery shall provide coverage for reconstruction of the breast on which surgery has been performed and surgery and reconstruction of the other breast to produce a symmetrical appearance if the patient elects reconstruction.

HB 655-FN, requiring the department of agriculture, markets, and food to maintain records concerning commercial transactions of the bovine somatotropin growth hormone. **INEXPEDIENT TO LEGISLATE**

Rep. Tim S. McGough for Commerce: This bill would have required the Department of Agriculture, Markets and Food to maintain records concerning commercial transactions of the bovine somatotropin growth hormone. The sponsors requested that this bill be found inexpedient, so the committee concurred. Vote 13-3.

HB 806-FN-L, relative to the business finance authority **OUGHT TO PASS**

Rep. Gregory G. Carson for Commerce: This legislation makes the Business Finance Authority an independent entity instead of an agency of the state like the NH Housing Finance Authority, the Community Development Finance Authority, the Municipal Bond Bank and the Higher Education and Health Facilities Authority. In addition, RSA 162-A:4 is amended to make the state treasurer a voting ex officio member of the board. Vote 16-0.

Referred to Executive Departments and Administration.

HB 414, authorizing the commissioner of the department of safety to adopt rules imposing late fees for the impaired driver intervention programs. **RE-REFER TO COMMITTEE**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: The committee felt that this bill should be re-referred as the issue of late fees needs to be addressed. However, the efficiency and effectiveness of these programs are going to be looked at in HB 271 (re-referred) and we felt that they should be joined for study. Vote 13-0

HB 604-FN-L, relative to accessing information in delinquency cases. **RE-REFER TO COMMITTEE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: The committee voted unanimously to re-refer this bill in order to combine it with other bills covering juveniles and juvenile delinquency. Vote 12-0.

HB 605-FN-L, relative to procedures regarding delinquent children under RSA 169-B. **RE-REFER TO COMMITTEE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: The committee voted unanimously to re-refer this bill in order to combine it with other bills covering juveniles and juvenile delinquency Vote 12-0.

HB 724-FN, allowing the office of reimbursements in the department of health and human services to set rates for the multiple DWI offender intervention detention center program. **OUGHT TO PASS**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill is the result of audit recommendations that programs for increasing the effectiveness of collection programs be implemented as well as increase the changes for the multiple DWI offender intervention detention center program in order to cover the actual costs. Vote 17-0.

Referred to Finance.

HB 436-FN-L, establishing restrictions in building aid for conversions of area schools to cooperative school districts, and relative to increasing or decreasing grades in cooperative school districts. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard L. Champagne for Education: This bill is a housekeeping matter requested by the State Dept. of Education. It clarifies certain aspects of current law and prevents possible double-dipping in school district building aid. Vote 15-0.

Amendment (0460h)

Amend the bill by replacing section 4 with the following:

4 Effective Date.

I. Section 1 of this act shall take effect July 1, 1998.

II. The remainder of this act shall take effect 60 days after its passage.

Referred to Finance.

HB 786-FN, relative to election filing fees and primary petitions. **INEXPEDIENT TO LEGISLATE**
Rep. David R. Boutin for Election Law: The committee studied this bill and came to the conclusion that as drafted it made gaining access to the ballot more difficult as well as making it more costly to run a political campaign. The committee voted unanimously to recommend "inexpedient to legislate." Vote 15-0.

HB 196-FN, providing for the regulation of horticultural growing media. **OUGHT TO PASS WITH AMENDMENT**

Rep. Harold P. Melcher for Environment and Agriculture: The committee supported this Department of Agriculture bill to regulate the labeling and sale of potting soil, and to collect fees to cover the cost. Vote 17-0.

Amendment (0204h)

Amend RSA 433-A:6 and 433-A:7 as inserted by section 1 of the bill by replacing them with the following:

433-A:6 Registration and Inspection Fees; Fund Established. The commissioner shall collect a \$50 annual registration and inspection fee for each product registered. The fees collected under this section shall be deposited with the state treasurer into the agriculture products and scale testing fund established in RSA 435:20, IV. Moneys from the fund shall be used to offset costs associated with registration and inspection of horticultural growing media.

433-A:7 Exemptions.

I. Distribution of horticultural growing media planted with live plant material is exempt from the labeling and registration requirements imposed pursuant to this chapter.

II. Distribution of horticultural growing media that is sold to consumers at the site of production and is not distributed by other means or intended for commercial use is exempt from the registration requirements imposed pursuant to this chapter.

III. Distribution of custom media is exempt from registration requirements imposed pursuant to this chapter provided it is prepared for a single end user.

IV. Distribution of horticultural growing media with applied plant nutrients shall be exempt from the requirements of RSA 431:1-20.

Amend RSA 433-A:11, IV as inserted by section 1 of the bill by replacing it with the following:

IV. Distribute an adulterated horticultural growing medium. Such medium shall be deemed to be adulterated if:

(a) It contains any deleterious or harmful ingredient in sufficient amount to render it injurious to beneficial plant, animal, human or aquatic life or to soil or water when applied in accordance with directions for use on the label, or if adequate warning statements or directions for use which may be necessary to protect plant life, animal, human, or aquatic life or soil or water are not shown upon the label.

(b) Its composition falls below or differs significantly from that which it is purported to possess by its labeling.

(c) It contains viable weed seed exceeding the amounts specified in RSA 433:4, I(c)-(e).

Amend RSA 433-A:12, I as inserted by section 1 of the bill by replacing it with the following:

I. Any person who, individually or through a servant or agent, violates any provision of this chapter or rule adopted under this chapter shall be guilty of a misdemeanor. For any subsequent offense, a person shall be guilty of a misdemeanor if an individual, or guilty of a felony if any other person.

Amend the bill by replacing section 2 with the following:

2 Agricultural Product and Scale Testing Fund. Amend RSA 6:12, I(zz) to read as follows:

(zz) One-half the registration fees collected under RSA 435:20 *and all fees collected under RSA 433-A:6*, which shall be credited to the agricultural product and scale testing fund, established under RSA 435:20, IV.

AMENDED ANALYSIS

This bill provides for the registration and inspection of horticultural growing media.

The bill establishes fees for registration and inspection and penalties for violations.

Referred to Finance.

HB 498-FN-A, establishing a New Hampshire farm museum and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. William R. Phinney for Environment and Agriculture: This bill recognizes the New Hampshire Farm Museum in Milton, New Hampshire as the first official State of New Hampshire Farm Museum. The amendment has removed the need for fiscal review. Vote 19-0.

Amendment (0524h)

Amend the title of the bill by replacing it with the following:

AN ACT recognizing the New Hampshire Farm Museum in Milton, New Hampshire as the first official state of New Hampshire farm museum.

Amend the bill by replacing all after the enacting clause with the following:

1 New Hampshire Farm Museum.

I. The New Hampshire Farm Museum in Milton, New Hampshire is recognized as the first official state farm museum. The museum shall retain its status as an independent, self-sufficient nonprofit entity.

II. The commissioner of agriculture, markets, and food, the commissioner of cultural affairs, and the commissioner of education shall be invited to serve as ex officio members of the museum.

III. The museum trustees shall continue to employ a director of the museum and such staff as may be necessary to perform all museum duties. The director shall continue to serve at the pleasure of the trustees at a salary established by the trustees.

IV. The museum shall continue to institute promotional programs to solicit and receive gifts, grants, or donations, of any kind, made for the development or operation of the museum. The museum may continue to accept gifts of money and property, including real property, for use in institutional programs. The museum has established its own endowment fund.

2 Effective Date. This act shall take effect August 9, 1997.

AMENDED ANALYSIS

This bill recognizes the New Hampshire Farm Museum in Milton, New Hampshire as the first official state farm museum.

HB 593-FN-L, extending the grant program for closure of landfills to municipalities and adding the closure of the refuse-to-energy facility at Pease to the state water pollution control revolving fund priority projects. **RE-REFER TO COMMITTEE**

Rep. Richard T. Trelfa for Environment and Agriculture: The committee felt time did not permit analysis of financial impact source and availability of funds and impact on closure of existing unlined landfills. Re-referral will permit the time for necessary studies. Vote 14-0.

HB 124-FN, relative to dental care insurance for state employees and retired state employees. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: The request of this bill was to provide dental benefits, similar to state employee dental benefits, to retirees with the cost to come from the general fund. The committee worked with the providers of dental coverage and received written assurance that as of July 1, 1997, dental coverage would be offered to retired state employees, to be paid by the retired employee requesting such coverage. Delta Dental will provide the coverage and will handle individual billings to those selecting coverage. Therefore, no legislation is required. Vote 20-0.

HB 457-FN, requiring all state agencies, departments, and commissions in all 3 branches of government to have a presence on "WEBSTER" by January 1, 1998, and designating the state library as the official repository of public information. **OUGHT TO PASS WITH AMENDMENT**

Rep. Andrew R. Peterson for Executive Departments and Administration: The bill, requiring that all agencies, departments, and commissions have a presence on the state information system (commonly known as "The Webster"), was viewed as an important first step in bringing the state into the electronic age and enhancing access to information by its citizens. The amendment was technical, designating the state library as the official repository of "state government" rather than "public" information and removed references to the Webster by name, as it is only a part of the New Hampshire automated information system. Vote 13-0.

Amendment (0507h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring all state agencies, departments, and commissions in all 3 branches of government to have a presence on the New Hampshire automated information system by January 1, 1998, and designating the state library as the official repository of state government information.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The purpose of this act is to build on the historical role of the New Hampshire state library as a compiler, indexer, and disseminator of state government information. It is also to provide a mechanism for state agencies to make more government information available electronically. The intent of the legislature in enacting this bill is to update and enhance the New Hampshire automated information system, which is the result of a cooperative effort of many state agencies and is coordinated by the New Hampshire state library with the technical assistance of the New Hampshire department of regional community-technical colleges.

2 Official Repository of Public Information; State Library Designated. Amend RSA 201-A:1 to read as follows:

201-A:1 State Library. There shall be a state library as provided for in RSA 21-K:5. *The state library shall be the official repository of state government information.*

3 New Paragraph; Definition Added. Amend RSA 201-A:21 by inserting after paragraph I the following new paragraph:

I-a. The "New Hampshire automated information system" or "automated information system" means the system or method by which a component of state government or its authorized agent disseminates state government information products to the public via a telecommunications network or successor technology.

4 New Paragraph; Purpose of New Hampshire Automated Information System Modified. Amend RSA 201-A:23 by inserting after paragraph II the following new paragraph:

III. Provide electronic access to state government information to libraries, state agencies, and the general public.

5 Presence of State Entities on Automated Information System Required. On or before January 1, 1998, every state department, agency, institution, and commission shall have a presence on the New Hampshire automated information system containing basic information including, but not limited to, the name of the department, agency, institution, or commission, and its mission, address, telephone number, and contact person.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Designates the state library as the official repository of public information.

II. Requires that, on or before January 1, 1998, every state department, agency, institution, and commission shall have a presence on the New Hampshire automated information system.

III. Defines the "New Hampshire automated information system" or "automated information system". Referred to Finance.

HB 465-FN, requiring the legislature to consider a list of factors in determining whether to regulate a previously unregulated profession. RE-REFER TO COMMITTEE

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would establish a committee to study what information the legislature should require when considering licensure of new entities. The committee asks that this bill be re-referred to the committee as the ED&A is presently using a lengthy questionnaire to develop this same information and we wish to see the effect of the voluntary action on the part of the their asking for licensure. Vote 17-0.

HB 519-FN, relative to regulating heating installers. INEXPEDIENT TO LEGISLATE

Rep. Kipp A. Cooper for Executive Departments and Administration: This bill would place the regulation of heating installers under the Plumbers Board. Testimony from the sponsor and a constituent related problems with the design and installation of a heating and cooling system. Many were opposed to the bill as the regulation of heating installers would conflict with current law, more uniform application of the "BOCA" code and training of inspectors would be a better approach. Licensure alone will not guarantee quality performance. The committee felt that this bill would not address the problems outlined by the sponsor and that other means of quality assurance should be sought. Vote 17-0.

HB 520, establishing the bureau of gaming enforcement within the division of state police. INEXPEDIENT TO LEGISLATE

Rep. Ray F. Langer for Executive Departments and Administration: The sponsor, when presenting the bill, indicated it was not drafted exactly the way he intended. Currently, game statutes on the books are enforced by the Bingo and Lucky 7 inspectors. The state police have authority to investigate both legal and illegal gambling at the present time. The commissioner of safety could assign state police to do additional investigation if it is warranted. The committee vote indicated that it did not feel the bureau was needed at this time Vote 18-0.

HB 535, relative to the regulation of architects. RE-REFER TO COMMITTEE

Rep. Kipp A. Cooper for Executive Departments and Administration: The committee is asking for re-referral on this bill because of some of the complex problems that arose when we discussed the amendment that was proposed. The bill should have clarified the rule-making, granted board authority to assess fines and conduct investigations, adjust fees to meet the required 125% rule for boards and allowed the board to adjust the way the examination is conducted to meet current methods of offering the exam. The bill had some opposition from licensed professional engineers as they were concerned they would not be able to continue to do design work. This concern was addressed in the amendment to the satisfaction of all parties. What concerned the committee was the apparent conflict between this bill dealing with the architects and the rules of conduct of the joint board of which the architects are members. Most of the problems arose from a difference of opinion between the committee, the attorneys in the attorney general's office and the attorneys at legislative rules over the content of rules and statutes. This inconsistency must be addressed and can best be done by re-referral. There is one portion of the bill dealing with administration of the examination for licensure that may cause the board a problem but the committee hopes to find an interim remedy. Vote 14-0.

HB 572-FN, relative to town, city, and county treasurers and to the state treasurer. OUGHT TO PASS WITH AMENDMENT

Rep. Sylvia A. Holley for Executive Departments and Administration: This bill is a request from the department of the treasury to reflect changes that will improve the operation of the department and transfer certain activities to the agency that can better handle the details. The amendment, a request of the department of revenue administration, makes minor changes in the bill that more accurately reflect how they will carry out the functions related to distribution of railroad tax to the communities. The amendment was used because the bill had been completed before the department of revenue administration had a chance to give their input Vote 15-0.

Amendment (0405h)

Amend the bill by replacing sections 10-11 with the following:

10 Apportionment Railroad Taxes. Amend the introductory paragraph of RSA 82:31 to read as follows:

The commissioner of revenue administration shall ~~seasonably~~ **annually** apportion all railroad taxes ~~[received by him]~~ **paid** in each **fiscal** year~~[-and shall certify such apportionment to the state treasurer]~~ for distribution in the following manner:

11 Railroad Corporation Director Returns and Railroad Tax Distribution. Amend RSA 82:32-33 to read as follows:

82:32 Directors' Return. The directors of each railroad corporation shall, on July 1 in the year 1942 and in every fifth year thereafter, make a return, under oath, to the commissioner of revenue administration showing the share of the capital of the corporation expended in each town for buildings and right of way~~[-and the commissioner of revenue administration shall certify the apportionment for payment by the state treasurer based upon expenditures from such returns]~~.

82:33 When Distributed. **By July 30 each year**, the ~~[state treasurer]~~ **commissioner of revenue administration** shall pay to each town its proportion of each railroad tax ~~[whenever the same shall have been paid to him:]~~ **paid during the previous fiscal year** to be appropriated as other town money.

Referred to Finance.

HB 630-FN-L, providing an additional service retirement option for group I teacher members of the retirement system. RE-REFER TO COMMITTEE

Rep. Myron S. Steere, III for Executive Departments and Administration: The committee and sponsor agree the bill will require further actuarial and committee study to ensure the proposed early retirement option is revenue neutral to the state retirement system. Vote 18-0.

HB 699-FN, relative to holiday pay for part-time state employees. INEXPEDIENT TO LEGISLATE

Rep. Myron S. Steere, III for Executive Departments and Administration: This bill would authorize holiday pay for part time personnel. In 1986-87, holiday pay was authorized by the legislature for direct care nurses but was not authorized for any other part time employee of the state. The Department of Transportation has paid holiday pay to toll takers in the past but this ended in 1996 as there was no authorization for back payment. The cost of paying holiday pay for nearly 4,000 part time employees that might work the holiday could be very high and could add an estimated \$1.4 million to the wage accounts of the state. The department, that presented testimony to the committee, indicated that there is no shortage of applicants for part time positions at this time. Given the availability of employees and the cost to the state, the committee voted this bill inexpedient to legislate Vote 18-0.

HB 733-FN, relative to the state government information dissemination and access act. INEXPEDIENT TO LEGISLATE

Rep. Sylvia A. Holley for Executive Departments and Administration: This bill already defines the goal of the state library and its program of disseminating information electronically to the public. Unfortunately, the committee felt the mandates the bill creates were too many, too costly, and inappropriate at this time. With the passage of HB 457, the Webster bill, the State of New Hampshire departments, agencies and commissions are on their way toward information sharing. To move too quickly would be unwise. Vote 15-0.

HB 737-FN-L, relative to redefining earnable compensation for the purpose of determining retirement system benefits. **OUGHT TO PASS WITH AMENDMENT**
 Rep. Merton S. Dyer for Executive Departments and Administration: The original bill would have capped earnable compensation with no transition period. The amendment supported by the committee will establish a chapter study committee to make a comprehensive study of earnable compensation and the effects upon the funding percentages of the New Hampshire Retirement System. Vote 18-0.

Amendment (0578h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the New Hampshire retirement system relative to redefining earnable compensation.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The amount of earnable compensation, as defined for the purposes of the New Hampshire retirement system, used in the calculation of a member's average final compensation is unclear and subject to varying interpretations. It is the purpose of this act to establish a committee to clearly define earnable compensation for the purpose of determining retirement system benefits.

2 Committee Established. There is established a committee to study the New Hampshire retirement system relative to redefining earnable compensation.

3 Membership; Compensation; Chairperson.

I. The committee shall consist of 10 members, as follows:

(a) Five members of the house of representatives, 3 of whom shall be from the house executive departments and administration committee, appointed by the speaker of the house.

(b) Five members of the senate, appointed by the president of the senate.

II. The members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The members of the committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member.

4 Duties and Report. The committee shall:

I. Study the components of the definition of earnable compensation as outlined in RSA 100-A:1, XVII.

II. Study the issues of compensation in general and income averaging for final compensation purposes, relative to the New Hampshire retirement system.

III. Have full power and authority to require from the several departments, agencies, and officials of the state such information and assistance as it deems necessary.

IV. Report its findings and any recommendations for proposed legislation as may be necessary for the 1998 session of the general court concerning the New Hampshire retirement system to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

5 Cost of Actuarial Studies. The cost of any actuarial studies required by the committee established in this act shall be a charge upon the funds of the New Hampshire retirement system.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the New Hampshire retirement system relative to redefining earnable compensation.

HB 741-FN-A, relative to access to state telephone numbers. **INEXPEDIENT TO LEGISLATE**
 Rep. Merton S. Dyer for Executive Departments and Administration: This bill would make all in-state telephone calls to state offices, agencies, boards and commissions toll-free. The cost of such toll calls would be appropriated from the existing funds of the department of administrative services. Many departments and agencies now have 800 numbers which are readily available. To implement this bill as written would be very expensive. The cost, along with the availability of 800 numbers, caused the committee to vote this bill inexpedient to legislate. Vote 16-0.

HB 751-FN-L, relative to spousal benefits for certain retired group II members of the New Hampshire retirement system. **RE-REFER TO COMMITTEE**

Rep. Merton S. Dyer for Executive Departments and Administration: SB 78 of 1987 (Chapter 216 of the Laws of 1987) established a 50% spousal benefit for widows of retired members of group II of the retirement system. This bill was effective on April 1, 1987 and did not include those retired prior to that date. The bill under consideration would provide the same benefits to those retired prior to April 1, 1987. The way the bill is structured, it would double or triple the spousal benefits of those that had elected reduced benefits to provide a spousal benefit. This was not exactly what was intended and might be in violation of federal retirement rules and regulations. To answer these questions and draft an equitable bill, actuary information will be required and will require considerable study. For these reasons the committee is asking for re-referral. Vote 18-0.

HB 753-FN, relative to the board of auctioneers and the conduct of auctions. RE-REFER TO COMMITTEE

Rep. Myron S. Steere, III for Executive Departments and Administration: The committee asks that this bill be re-referred to the committee to observe the actions of the Auctioneers Board and the new rules. There are some problems in the field but elimination of licensure and transfer from the Auctioneers Board to the supervision of the Secretary of State will not correct the major complaints. Their new rules and possible assistance from the Secretary of State's office in handling hearings along with the new rules may correct the problems without legislation. Vote 18-0.

HB 762-FN, relative to the regulation of naturopathic medicine. RE-REFER TO COMMITTEE

Rep. Gerald O. Gosselin for Executive Departments and Administration: The purpose of this bill was to define and delineate the use of the term naturopathy and naturopathic doctor. The hearing produced a great deal of testimony on both sides. The bill also has corrections of dates in the original statute chapter. With re-referral, the committee will be able to deal with the dates and have sufficient time to thoroughly act on the testimony presented to the committee. Vote 18-0.

HB 790-FN, relative to the board of medicine. INEXPEDIENT TO LEGISLATE

Rep. Rep. Maurice E. Goulet for Executive Departments and Administration: This bill establishes the Board of Medicine as an independent stand alone board. The committee believes that this board and all other health boards should continue to be administratively attached to the Department of Health and Human Services. This is an appropriate linkage and no testimony was presented to refute that position. The bill also provides for the hiring of an executive director and two investigators for the board. Currently, the board has a very capable administrator and the board's investigations are being done by the attorney general's office. Continuing this policy means that investigation of complaints to the board will be done in a non-prejudicial manner. Finally, the committee on Health, Human Services & Elderly Affairs has just passed HB 537 which, if it becomes law, will remove a number of health professionals from the Board of Medicine. This should result in providing the Board of Medicine more opportunity to clearly focus on the core issues that they face in the regulation of physicians, podiatrists and physicians assistants. Vote 17-1.

HB 704, relative to provisional licenses for manufacturers of beverages and requiring approval of the source of water used to manufacture beverages. OUGHT TO PASS WITH AMENDMENT

Rep. Alphonse Haettenschwiler for Health, Human Services and Elderly Affairs: This bill insures that manufacturers will only use water in their products that comes from a source which has been approved by the department of environmental services. It also permits the department of health and human services to issue a temporary license to a new beverage manufacturer. Vote 16-0.

Amendment (0457h)

Amend the bill by inserting after the enacting clause the following and renumbering the original sections 1-6 to read as 2-7, respectively:

1 Definition Clarified. Amend RSA 143:9 to read as follows:

143:9 Beverages and Beverage Concentrates. The term "beverage" as used in this subdivision shall include all still and carbonated drinks; fruit juices and all beverages compounded therefrom; all bottled waters, whether for medicinal or table use; and all packaged liquids intended for use in the manner of drink. Milk and unmixed products thereof, and fruit juices and waters retailed exclusively by the producer or manufacturer direct, are not included. *The term "beverage" as used in this subdivision, shall not apply to a beverage as defined in RSA 175:1, VIII.* The term "beverage concentrate" as used in this subdivision shall include all concentrated fruit juices, fruit-fla-

vored and other syrups, and compounds and mixtures in concentrated form, put up in packages for retail sale and which are intended as a basis for the preparation of a beverage. Flavoring extracts for general culinary use are not included.

HB 234-FN-L, relative to disposition by counties of funds of deceased patients of county nursing homes. RE-REFER TO COMMITTEE

Rep. Janet G. Wall for Judiciary and Family Law: The bill would raise the limit a patient may have in a personal account in a nursing home from \$2,000 to \$2,500 to comply with federal regulations. The process of reporting the death of a patient and probating those funds needs further review. To make certain what changes, if any, need to be made in current procedures, the committee voted unanimously to re-refer this bill. Vote 15-0.

HB 250-FN-L, establishing a formal hearing process for board of tax and land appeals or court appeals limited to a review of the record for certain property tax abatement applications. INEXPEDIENT TO LEGISLATE

Rep. Janet G. Wall for Judiciary and Family Law: The committee found that the bill did not make it clear how the new process would be applied in New Hampshire's cities and failed to address the issue of uniform requirements throughout the state for those applying for abatements. The full burden of responsibility for providing complete and final information and for meeting deadlines would fall onto the taxpayers without municipal officials having equal obligations. The committee believes a better process can be worked out at local levels with taxpayers and officials sharing information and meeting deadlines. Vote 12-0.

HB 570-FN, establishing a procedure for appointment of independent counsel in New Hampshire. INEXPEDIENT TO LEGISLATE

Rep. Alf E. Jacobson for Judiciary and Family Law: There was no evidence presented at the hearing that would require such an enlargement of the investigative capacity which cannot be accomplished by present legislative or executive functions. Vote 12-0.

HB 616-FN, relative to jury selection reforms. OUGHT TO PASS WITH AMENDMENT

Rep. Alf E. Jacobson for Judiciary and Family Law: The principal purpose of this bill is to blend the voters' lists and driver's license list into a master jury list. Amendment strikes Section V from eligibility list. Vote 18-0.

Amendment (0517h)

Amend the bill by deleting section 5 and renumbering the original sections 6-9 to read as 5-8, respectively.

Amend RSA 500-A:7-a as inserted by section 5 of the bill by replacing it with the following:
500-A:7-a Qualifications for Jurors.

I. A juror shall be 18 years of age or older on or before the first day of reporting for jury duty.

II. A juror shall be a citizen of the United States and a resident of the county of jury service.

III. A juror shall have the ability to read, speak, and understand the English language.

IV. A juror shall not be subject to any physical or mental disability which would bar effective jury service.

AMENDED ANALYSIS

This bill changes the method for compiling the master jury list. The voter lists and the driver's license list will be blended annually into a master jury list by the administrative office of the courts.

This bill repeals most jury exemptions.

This bill also authorizes the chief justice of the superior court to designate one county for a "one day, one trial" pilot program, which will guarantee that each juror is required to report for jury duty on only one day and to sit on the trial of only one case.

Referred to Finance.

HB 688-FN-A, establishing a committee to study all investigations of the late John C. Fairbanks, authorizing staff for the committee, and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Alf E. Jacobson for Judiciary and Family Law: This bill extends the work of the original Fairbanks Committee to include the judicial conduct of Fairbanks as well as some remaining questions. In addition, the role of the committee is extended to include more recent cases that are similar to that of Fairbanks. Vote 16-1.

Amendment (0537h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study all investigations of the late John C. Fairbanks and other members of the legal profession.

Amend the bill by replacing all after the enacting clause with the following:

I Committee on Investigations of the Late John C. Fairbanks and Others.

I. There is established a committee which shall study, but shall not be limited to the study of, any and all investigations of the late John C. Fairbanks, Attorney Charles E. Chretien, and the late William M. Hibbard. The committee shall consist of 7 members of the house judiciary and family law committee, appointed by the speaker of the house.

II. The committee shall consider the scope and quality of all investigations conducted by any federal, state, or local agency, court, or judicial conduct committee.

III. The committee shall have the same investigatory powers as the general court. The committee may take evidence under oath, issue subpoenas for records, and compel testimony.

2 Meetings; Mileage. The first-named member shall call the first meeting of the committee within 30 days of the effective date of this section. The committee shall elect a chairperson at its first meeting. Committee members shall receive mileage at the legislative rate.

3 Report. The committee shall submit a report of its findings and any recommendations for legislation to the speaker of the house, the senate president, the governor, the house clerk, the senate clerk, and the state library on or before January 1, 1998.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a house committee to study all investigations of the late John C. Fairbanks, attorney Charles E. Chretien, and the late William M. Hibbard.

HB 727-FN, relative to rate-setting for certain services, placements, and programs for children by the department of health and human services. **INEXPEDIENT TO LEGISLATE**

Rep. Carol H. Holden for Judiciary and Family Law: The bill was withdrawn at the request of the sponsor. The committee felt that the bill had merit, but passage was not recommended as the fiscal impact could not be determined Vote 13-0.

HB 736-FN, increasing jurors' fees. **RE-REFER TO COMMITTEE**

Rep. Evelyn S. Letendre for Judiciary and Family Law: The committee felt some time was needed to study this bill along with other new issues addressed by the Judicial Council's report of 12/15/96 concerning jury reformation. Vote 12-0.

HB 667, relative to confidentiality issues concerning the exchange of information between the departments of revenue administration and employment security and relative to payment of employer contributions. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert E. Clegg, Jr. for Labor, Industrial and Rehabilitative Services: This bill allows the sharing of information between the Department of Revenue Administration and the Department of Employment Security (DES). The bill further clarifies when delinquent DES contributions are to be credited and further increases penalties from Misdemeanor to Class B or Class A Felony for failure to pay tax under RSA 282. Vote 15-0.

Amendment (0441h)

Amend the bill by replacing section 2 with the following:

2 Contributions Received After Computation Date. Amend RSA 282-A:86 to read as follows:

282-A:86 Computation Date. The computation date shall be January 31. The total for all past years of all benefits charged as of the computation date against an employer's separate account shall be subtracted from the total of all contributions paid on an employer's own behalf and credited as of the computation date to [his] *the employer's* separate account for all past years. *Delin-*

quent contributions received after January 31, 1997, shall be credited to the employer's separate account on the next computation or recomputation date. If benefits so charged exceed contributions so credited, the excess shall be computed as a percent of the employer's average annual payroll which percent shall determine ~~his~~ *the* contribution rate as provided in RSA 82-A:87, II. If contributions so credited exceed benefits so charged, the excess shall be computed as a percent of the employer's average annual payroll which percent shall determine ~~his~~ *the* contribution rate as provided in RSA 282-A:87, I.

Amend RSA 282-A:166, I(c) as inserted by section 4 of the bill by replacing it with the following:

~~HH-~~ (c) Who fails or refuses to make any such contribution or other payment having in ~~his~~ possession or control funds to do so allowing said funds to be expended for any other purpose except *payment to trade creditors* or payment of wages to employees other than corporate officers or relatives *other than for necessities*; or Referred to Criminal Justice and Public Safety.

HB 769-FN, relative to unemployment compensation. OUGHT TO PASS

Rep. George D. Murch III for Labor, Industrial and Rehabilitative Services: This bill requires the Department of Employment Security to withhold and deduct unemployment compensation consistent with an individual's receipt of overissuance of food stamp coupons. It also recalculates the manner in which an employer's account is credited with timely administrative contributions. This legislation is needed to satisfy newly enacted federal welfare reform. Failure to pass could jeopardize \$160 million in federal welfare funds. Vote 15-0.

HB 807-FN, relative to the Littleton employment security district office. INEXPEDIENT TO LEGISLATE

Rep. Richard E. Dolan for Labor, Industrial and Rehabilitative Services: This bill would cause serious hardship on the citizens this office services. There would be no appreciable savings realized by the closure of the Littleton office. Vote 15-0.

HB 629-FN, establishing a pilot program for the recording of committee proceedings of the general court INEXPEDIENT TO LEGISLATE

Rep. Donnalee Lozeau for Legislative Administration: The committee felt that there was a more efficient way to experiment with the recording of legislative proceedings than that envisioned by this bill. The Speaker has agreed to implement the experimental use of recording equipment to record the proceedings of the committee on Science, Technology and Energy during this biennium. This experiment should help iron out any "bugs" which may exist in the recording procedures. In the end, this will help determine the true costs and feasibility of recording House committee proceedings. Vote 12-0.

HB 720-FN, relative to evening hours for sessions and hearings of the New Hampshire house of representatives INEXPEDIENT TO LEGISLATE

Rep. Robert L. Wheeler for Legislative Administration: The committee felt that the cost of this bill does not have a commensurate benefit. Vote 13-0.

HB 796-FN, relative to lobbyist registration INEXPEDIENT TO LEGISLATE

Rep. Gregory G. Carson for Legislative Administration: This bill is very similar to legislation filed last session which was referred to interim study by this committee - HB 385 is the result of that study. The committee chose HB 385 as the mechanism to address lobby reform this session. Vote 12-0.

HB 507-A, relative to the expansion of veterans' home facilities and making an appropriation therefor. INEXPEDIENT TO LEGISLATE

Rep. Lou D'Allesandro for Public Works and Highways: There is in the Capital Budget an item for the Home. The committee believes that other alternatives should be explored in order to address this problem. These alternatives may include but not be limited to actions taken by the federal government in Manchester, New Hampshire, and White River Junction, Vermont. Further discussion of this bill will take place in the context of the Capital Budget. Vote 18-1.

HB 778-A, relative to erosion prevention on a certain portion of the Connecticut River and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Merle W. Schotanus for Public Works and Highways: This bill was introduced to seek funding help to control a seriously eroded area of the Connecticut River bank near New Hampshire Rt. 12 in North Walpole, New Hampshire. The committee concluded it is prudent to re-refer the bill to allow the governor's office, U.S. Army Corps of Engineers, our congressional delegation, and the New England Power Company to work out a solution to the problem before it becomes necessary to take legislative action. Vote 21-0.

HB 560-FN, relative to penalties for introduction of boats and seaplanes from waters infested with milfoil or zebra mussels into clean lakes or ponds. RE-REFER TO COMMITTEE

Rep. Peter O. Crowell for Resources, Recreation and Development: New Hampshire public inland waters are under attack from numerous foreign growths and organisms, i.e. milfoil and zebra mussels, that are infecting the quality of our beautiful lakes, ponds, and rivers. The committee feels that it needs more time to craft meaningful legislation dealing with the migration of these organisms into the state. Vote 15-0.

HB 561-FN, relative to certain marine patrol personnel. RE-REFER TO COMMITTEE

Rep. Rudolf A. Adler for Resources, Recreation and Development: This bill originally sought to make the auxiliary marine patrol a required part of the Division of Safety Services and further to set the number of auxiliaries in statute. Public, subcommittee, and committee discussions made it clear that the present organization of this department within the Department of Safety required an in depth review with future corrective legislation. Vote 17-0.

HB 581-FN, authorizing the department of environmental services to issue permits in emergency situations, expanding the exemptions for excavating and dredging permits, and establishing a notification process for the replacement and repair of existing legal structures. RE-REFER TO COMMITTEE

Rep. Michael W. Downing for Resources, Recreation and Development: The Department of Environmental Services is currently in the process of developing a set of rules that addresses these issues. The committee wishes to re-refer this bill in order to review the rules, and if necessary, develop legislation to clarify and define the emergency permitting process. Vote 16-0.

HB 677-FN, increasing the wetlands excavating and dredging permit fee for major and minor projects. OUGHT TO PASS WITH AMENDMENT

Rep. William E. Williams, Jr. for Resources, Recreation and Development: This bill was originally requested by the Department of Environmental Services to allow increased personnel to more adequately process excavating and dredging permits. While there may be rules changes in the future, this bill adequately funds the necessary personnel. Vote 16-0.

Amendment (0496h)

Amend the bill by replacing section 1 with the following:

1 Wetlands Excavating and Dredging Permit Fee Increased for Minor and Major Projects. Amend RSA 482-A:3, I to read as follows:

I. No person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the department. The permit application together with a detailed plan and a map showing the exact location of the proposed project, along with 4 copies of the permit application, plan and map, shall be submitted to the town or city clerk, accompanied by a filing fee in the form of a check made out by the applicant to the state of New Hampshire. The permit application fee shall be \$50 for minimum impact projects. Fees for minor and major projects shall be assessed based on the area of dredge ~~(or)~~, fill, ~~or construction~~ proposed and the number of boat slips requested. The rates shall be \$100 per boat slip and ~~[\$0.025 per square foot]~~ *\$0.05 per square foot for minor projects and \$0.075 per square foot for major projects*. At the time the permit application is submitted to the city or town clerk, the applicant shall provide postal receipts or copies, verifying that abutters, as defined in the rules of the department, and except as further provided in said rules, have been notified by certified mail. The postal receipts or copies shall be retained by the municipality. The town or city clerk shall immediately sign the application and forward by certified mail, the application, plan, map and filing fee to the department. The town or city clerk shall then immediately send a copy of the permit application, plan and map to the local governing body, the municipal

planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to exceed \$10 plus the cost of postage by certified mail. One copy shall remain with the city or town clerk, and shall be made reasonably accessible to the public. The foregoing procedure notwithstanding, applications and fees for projects by agencies of the state may be filed directly with the department, with 4 copies of the application, plan and map filed at the same time with the town or city clerk to be distributed as set forth above.

Referred to Finance.

HB 687, establishing an Alan B. Shepard park commission. OUGHT TO PASS WITH AMENDMENT

Rep. Mary Ann N. Blanchard for Resources, Recreation and Development: This bill establishes a commission to develop plans and make recommendations for a state or private park recognizing astronaut Alan B. Shepard at the site of the Shepard homestead in the town of Derry. Any future funding for implementation of this project which might involve state funds will be submitted to a future session of this legislature. Vote 17-0.

Amendment (0448h)

Amend the bill by replacing all after the enacting clause with the following:

1 Commission Established. There is established a commission to develop plans for the establishment of a state or private park recognizing Alan B. Shepard at the site of the Shepard homestead in the town of Derry.

2 Membership and Compensation.

I. The 7 members of the commission shall be as follows:

- (a) Three members of the senate, appointed by the president of the senate.
- (b) Three members of the house of representatives, appointed by the speaker of the house.
- (c) The director of the division for parks and recreation, department of resources and economic development.

II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

3 Duties. The commission shall:

I. Develop plans for the establishment of a state or private park recognizing Alan B. Shepard at the site of the Shepard homestead in the town of Derry which may include any plans resulting from legislation enacted in 1973, 591, and shall negotiate the terms and conditions under which a park or museum or both will be established.

II. Be responsible for recommending legislation and funding requirements as it deems necessary.

4 Chairperson; Quorum. The members of the study commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named house member. The first meeting of the commission shall be held within 45 days of the effective date of this section. Four members of the commission shall constitute a quorum.

5 Repeal. Sections 1-4, relative to the Alan B. Shepard park commission, are repealed.

6 Effective Date.

I. Section 5 of this act shall take effect July 1, 2000.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a commission to develop plans for a state or private park at the Shepard homestead lands in the town of Derry.

HB 698, relative to the oil discharge and disposal cleanup fund, the fuel oil discharge cleanup fund, and the motor oil discharge cleanup fund. OUGHT TO PASS WITH AMENDMENT

Rep. Deborah F. Merritt for Resources, Recreation and Development: This bill will allow the oil fund disbursement board to request the Attorney General to issue subpoenas and request information. It will provide for eligibility for reimbursement from the oil discharge and disposal cleanup fund, the fuel oil discharge cleanup fund and the motor oil discharge cleanup fund in a transfer of ownership. These changes were a request of the Attorney General's Office. Vote 12-0.

Amendment (0504h)

Amend the bill by deleting section 5 and renumbering the original sections 6-10 to read as 5-9, respectively.

AMENDED ANALYSIS

This bill:

(a) Allows the oil fund disbursement board to request the attorney general to issue subpoenas and request information.

(b) Provides for eligibility for reimbursement from the oil discharge and disposal cleanup fund, the fuel oil discharge cleanup fund, and the motor oil discharge cleanup fund in a transfer of ownership.

(c) Provides that the board shall assume an owner's right to recover for cleanup and certain other costs, to the extent they were paid for from the fund.

(d) Adds criminal penalties.

HB 744-FN, relative to administrative fines for violations of safety regulations regarding water pollution and waste disposal, authorizing the attorney general to enjoin any youth camp, public swimming pool, or spa operating without approval, and relative to the legal status of local river management advisory committees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul E. St. Hilaire for Resources, Recreation and Development: This bill better defines the legal status of local river management advisory committees. The bill also authorizes the attorney general to enjoin any youth camp, public swimming pool or spa, that operates without the approval of the Department of Environmental Services. This bill also sets the fee structure for water sampling. Vote 17-0.

Amendment (0511h)

Amend the bill by replacing section 1 with the following:

1 Water Samples; Injunctive Relief; Youth Camp or Public Swimming Pool. Amend RSA 485-A:26 and 27 to read as follows:

485-A:26 Swimming Pools and Bathing Places. No person shall install, operate or maintain an artificial swimming pool or bathing place open to and used by the public, or as a part of a business venture, unless the construction, design and physical specifications of such pool or bathing place shall have received prior approval by the department. A fee of \$100 shall be paid to the department upon submission of such plans for review. Fees collected under this section shall be deposited with the state treasurer as unrestricted revenue. The commissioner shall adopt rules relative to safety standards to protect persons using said facilities. Nothing in this section shall be deemed to affect the powers of local health officers or the department of health and human services, with respect to nuisances. *The department may take samples of the water of any such facility for analysis to determine compliance with water quality requirements. The costs of such sampling and analysis shall be paid by the owner or operator of such facility consistent with the fee structure established in RSA 131:3-a.*

485-A:27 Injunction. Any person operating or maintaining [~~such~~] a *youth camp or public* swimming pool or bathing place without the same having been approved by the department may be enjoined [~~in term time or vacation;~~] by the superior court or any justice of the court upon petition brought by the attorney general.

Amend the bill by replacing all after section 2 with the following:

3 New Paragraph; Local River Management Advisory Committees; Government Instrumentality Status. Amend RSA 483:8-a by inserting after paragraph IV the following new paragraph:

V. In order to establish the tax exempt status of local river management advisory committees established under this section, such advisory committees are deemed to be governmental instrumentalities having a distinct legal existence separate from the state and shall not be considered as departments of state government. The exercise by a local river management advisory committee of any authority granted by this section shall be deemed to be the performance of public and essential governmental functions not otherwise fulfilled by state government.

4 Effective Date.

I. Section 3 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill:

(a) Authorizes the department of environmental services to take water samples of public swimming pools to determine compliance with water quality requirements.

(b) Authorizes the attorney general to enjoin any youth camp, public swimming pool, or spa operating without approval of the department of environmental services.

(c) Authorizes administrative fines for violations of safety regulations regarding water pollution and waste disposal.

(d) Declares that local river management advisory boards are separate governmental instrumentalities from the state.

This bill is a request of the department of environmental services.

Referred to Finance.

HB 587-FN, relative to the system benefits charge and interim stranded costs recovery charges in electric utility restructuring. RE-REFER TO COMMITTEE

Rep. Jeffrey C. MacGillivray for Science, Technology and Energy: The bill discusses the system benefit charge which will be added to restructured electric bills to fund programs such as low-income assistance and energy efficiency. The committee believes that it may be appropriate in the future to give additional legislative direction to the Public Utilities Commission regarding the amount and distribution of this charge, but much more study is needed. The committee will continue to work on this bill. Vote 14-0.

HB 610-FN, relative to the regulation of small telephone companies by the public utilities commission. RE-REFER TO COMMITTEE

Reps. Jeb E. Bradley and Jeffrey MacGillivray for Science, Technology and Energy: Two issues were raised by this bill: the amount of time needed to get new telephone tariffs approved and the amount of time needed for rate case hearings for the small telephone companies. The committee is dealing with the tariff approval in HB 452. There was no consensus on the rate case issue. An amendment was proposed that would have eliminated rate regulation if the small telephone companies do not raise rates more than 5 percent in any calendar year. While the committee was sympathetic to the plight of the small telephone companies, this amendment was not perceived as the solution. With re-referral the committee will continue to look at this situation. Vote 13-1.

HB 335-FN-L, relative to motor vehicle license and registration suspensions. INEXPEDIENT TO LEGISLATE

Rep. John S. Langone for Transportation: Knowing how important it is to keep people from driving after their licenses have been suspended, the committee realized that this bill just did not do what the sponsor want it to do. Vote 16-0.

HB 412, relative to motor carrier safety rules and repealing certain obsolete statutes relating to motor vehicles. OUGHT TO PASS

Rep. Brenda L. Ferland for Transportation: When this bill first appeared before the committee, it was worded as to seem to be giving the commissioner too much authority to amend rules as he/she wanted to. Upon further study it was determined that the commissioner wants to amend rules as they come down from the federal government. In the New Hampshire statutes he/she has the right to adopt federal amendments. This bill has three amendments that were determined to be statutes no longer needed. In short, this bill is a continued action bill for the commissioner. Vote 16-0.

HB 589-FN, establishing livery plates and associated fees. OUGHT TO PASS WITH AMENDMENT

Rep. John W. Flanders, Sr. for Transportation: After testimony was given, it was clear that creating a special plate was not necessary to correct the problem, which is that certain vehicles for hire were exempt from regulations. By removing that exemption in RSA 376:3 it will correct the problem the sponsors were concerned about. By doing this it changed the title but did not change the intent of the bill. Vote 17-0.

Amendment (0541h)

Amend the title of the bill by replacing it with the following:

AN ACT removing a common carrier exemption.

Amend the bill by replacing section 1 with the following:

1 Motor Carrier Exemptions. Amend RSA 376:3 to read as follows:

376:3 Exemptions. There shall be exempt from the provisions of this chapter (1) motor vehicles while employed solely in transporting school children and teachers to or from the school for which such arrangements are within the supervision or control of the local or appropriate state school board authorities; or (2) taxicabs, ~~[and other motor vehicles having a manufacturer's rated seating capacity of not more than 7 persons;]~~ unless, after investigation, the department shall be of the opinion that the service provided is in competition with the schedules of a common carrier by highway or railroad; or (3) motor vehicles owned or operated by hotels which are used exclusively for the transportation of hotel patrons between hotels and local railroad or other common carrier stations; or (4) motor vehicles while engaged exclusively in work for any branch of the government of the United States or for any department of this state, or for any county, city, town or village; or (5) motor vehicles while engaged exclusively in the delivery of the United States mail; or (6) vans engaged in vanpooling not less than 8 people and not more than 15 people to and from work on a nonprofit basis and in which the operating costs and a reasonable vehicle depreciation cost for such vehicle are paid principally by those people utilizing such arrangement.

AMENDED ANALYSIS

This bill removes the exemption from motor carriers of passengers laws for motor vehicles with a seating capacity of not more than 7 persons.

HB 626, requiring an inexperienced driver and a person 16-17 years of age to obtain a special learner's permit and examination permit prior to obtaining a driver's license. **INEXPEDIENT TO LEGISLATE**

Rep. Ralph L. Akins for Transportation: The committee decided to combine the subject matter in this bill with HB 459, which the committee voted to pass with amendment, and which addresses the same issues as this bill. Vote 11-0.

HB 637-FN, relative to license suspension and revocation. **INEXPEDIENT TO LEGISLATE**

Rep. John S. Langone for Transportation: The sponsor stated that this bill as drafted is not as he envisioned, and suggests that the bill be found inexpedient as it will be incorporated into HB 459, which the committee voted to pass with amendment and also addresses the same issues which are in this bill. Vote 11-0.

HB 740-FN-L, requiring the state to pay a witness fee and mileage payment for a local law enforcement officer called as a witness for a division of motor vehicles administrative hearing, to be funded by an increase in the motor vehicle uniform fine schedule. **INEXPEDIENT TO LEGISLATE**

Rep. Roland M. Turgeon for Transportation: The committee feels that there would be a costly fiscal impact especially on small towns which are operating with a small complement of officers, and also another fee on court costs. Vote 17-0.

HB 760-FN, relative to OHRVs and OHRV registration fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Letourneau for Transportation: This committee has heard four bills this year concerning the use of OHRVs. Of those, two dealt directly with problems surrounding the use of these machines. It is clear to this committee that the Fish and Game department is being asked to do more to ensure our citizens and tourists with safe recreational opportunities 365 days a year, covering over 5,000 miles of trails, 970 lakes and 8,000 miles of highway, and these non-trail responsibilities have been the scene of many fatalities. This small increase, supported by its users, will help the state balance its books in providing that service. Vote 17-0.

Amendment (0518h)

Amend the introductory paragraph of RSA 215-A:23, V(b) as inserted by section 5 of the bill by replacing it with the following:

(b) ~~[Forty-five percent of]~~ *From* the balance, after the deduction authorized in subparagraph (a), *\$6.30 of each resident fee or \$8.10 of each nonresident fee* shall be appropriated to the department of resources and economic development for administration of the bureau for the following:

Amend the introductory paragraph of RSA 215-A:23, V(c) as inserted by section 5 of the bill by replacing it with the following:

(c) ~~[Fifty-five percent of]~~ *From* the balance, after the deduction authorized in subparagraph (a), *\$9.70 of each resident fee or \$11.90 of each nonresident fee* shall be appropriated to the fish and game department for the following:

Amend the bill by deleting sections 2-4 and renumbering the original sections 5-8 to read as 2-5, respectively.

AMENDED ANALYSIS

This bill:

- (a) Increases the registration fees for certain off highway recreational vehicles.
- (b) Prescribes the distribution of OHRV registration fees.
- (c) Amends the definition of antique snow traveling vehicle.
- (d) Increases the minimum amount of damage to property in an OHRV accident before requiring reporting of the accident.
- (e) Changes racing meet permits to event permits.

This bill is a request of the department of fish and game.

Referred to Finance.

HB 780-FN, establishing a cattle trailer license plate for agricultural use. INEXPEDIENT TO LEGISLATE

Rep. John S. Langone for Transportation: The committee felt that it was not necessary to create a separate plate for trailers hauling cattle. The sponsor stated that this would affect less than 200 trailers, and through testimony it seems that town clerks are not unified in their assessment of the fees charged for trailers. This bill will not correct this problem. The committee felt that there was existing RSA to handle this problem. Vote 16-0.

HB 747-FN-A, establishing a fund for the acquisition or care of land or easements for wildlife habitats, continually appropriating the fund, and requiring an additional fee for each hunting or fishing license to be credited to the fund. RE-REFER TO COMMITTEE

Rep. Ronald J. Nowe for Health, Human Services and Elderly Affairs: The intent of this bill was to assess a \$3 additional fee to each hunting and fishing license sold. The moneys raised were intended to be placed in a special "Wildlife Habitat Fund" to be used by the department of fish and game for "the acquisition or care of lands or easements as wildlife habitats". However, the bill was only one page in length, and therefore, left a multitude of unanswered questions and technicalities which must be addressed. Vote 12-0.

REGULAR CALENDAR - PART I

HB 340, relative to the real estate commission and its licensing and bonding requirements. OUGHT TO PASS WITH AMENDMENT

Rep. Martha Fuller Clark for Commerce: This bill, as amended, establishes reciprocity for licensure for persons with certain credentials from other jurisdictions and requires that such persons sit only for the New Hampshire portion in the licensure examination. It also establishes requirements for licensees seeking inactive status and revises the bonding requirements with regard to active licensed real estate brokers. Language in the original bill requiring that the New Hampshire real estate commission provide an annual newsletter to all its licensees and that the commission be given the power to appoint the executive director as prosecutor for certain district court cases involving violation of the Real Estate Practice Act was found inappropriate to legislate. Newsletters are not the business of the legislature. If there are difficulties with prosecutions of violations to the Real Estate Practice Act, the commission should work with the Attorney General's office. Vote 15-0.

Amendment (0456h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section: Reciprocity for Licensure. Amend RSA 331-A by inserting after section 11 the following new section:

331-A:11-a Reciprocity For Licensure. If an applicant holds an active real estate license in good standing, and issued by examination in accordance with the laws of another jurisdiction, that applicant may apply for an original New Hampshire license by first taking the New Hampshire portion of the licensing examination, provided the jurisdiction that issued such nonresident license has previously entered into a licensing reciprocity agreement which has been approved by the

commission, and provided that all of the other requirements of this chapter applicable to residents of New Hampshire have been met. This section applies to nonresident salesperson applicants only when such applicants are applying for an original New Hampshire salesperson license.

2 New Section; Inactive License Status. Amend RSA 331-A by inserting after section 12 the following new section:

331-A:12-a Inactive Licensure Status.

I. Any licensee who does not want to perform as a broker or salesperson as defined in RSA 331-A:2, and who wants to preserve the license while not engaged in any brokerage activities, including the receiving of referral fees or any other form of compensation, may surrender that license to the commission for placement on inactive status. The commission shall place the licensee on inactive status only upon application by the licensee. While on inactive status, the licensee shall renew the license biennially by satisfying the renewal requirements under RSA 331-A:19 and the continuing education requirements adopted by the commission, but is not required to maintain a place of business, or in the case of licensed broker, to maintain a surety bond pursuant to RSA 331-A:14.

II. Any licensee on inactive license status may have the license reinstated to active status by demonstrating compliance in the previous biennium with the continuing education requirements adopted by the commission and applying to change status from inactive to active, and, in the case of a licensed broker, providing evidence of a surety bond as required by RSA 331-A:14.

3 Bonding Requirements. Amend RSA 331-A:14 to read as follows:

331-A:14 Bonds. No *active* broker's license shall be issued or renewed until the applicant gives to the commission a surety bond in the form approved by the commission in a sum of not less than \$25,000, executed by the applicant and by a surety company authorized to do business in this state. The bond shall be payable to the state of New Hampshire, for the benefit of any person aggrieved, and shall be conditioned upon the faithful accounting by the broker for all funds entrusted to the broker in the broker's capacity as [a] *an active* licensed real estate broker. Any person so aggrieved may bring suit on the bond in [his] *the aggrieved person's* own name; provided, however, that the aggregate liability of the surety to all persons shall, in no event, exceed the sum of such bond. The commission may revoke the license of any *active* broker whenever the bond filed by the broker ceases to be in full force and effect.

4 Nonresidents and Reciprocity. Amend RSA 331-A:22 to read as follows:

331-A:22 Nonresidents and Reciprocity.

I. A nonresident of this state may become a [real estate] broker or salesperson in this state by conforming to all of the conditions of this chapter applicable to residents of this state. *If an applicant already holds an active real estate license in good standing, issued by examination in accordance with the laws of another jurisdiction, that applicant need pass only the New Hampshire state portion of the licensing examination to satisfy the examination requirement for an original New Hampshire license with the state of New Hampshire, provided the jurisdiction that issued such nonresident license has previously entered into a licensing reciprocity agreement which has been approved by the commission, and provided that all of the other requirements of this chapter applicable to residents of New Hampshire have been met.*

II. Upon making application, such nonresidents shall file an irrevocable consent and power providing that legal actions may be commenced against them in the proper court of any county of this state in which a cause of action may arise or in which the plaintiff may reside by service of process or pleading authorized by the laws of this state on a member of the commission or its executive director, the consent or power stipulating that such service of process or pleading shall be taken in all courts to be valid and binding as if personal service had been made upon the nonresident in this state.

III. This section applies to nonresident license applicants only.

5 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill:

I. Establishes reciprocity for licensure for persons with certain credentials from other jurisdictions and requires that such persons sit only for the New Hampshire portion of the licensure examination.

II. Establishes requirements for licensees seeking inactive status and revises bonding requirements. Adopted.

Report adopted and ordered to third reading.

HB 548-FN, limiting access to certain business records RE-REFER TO COMMITTEE

Rep. Gregory G. Carson for Commerce: The committee is very concerned as to possible abuse of current interstate agreements. This issue is highly sensitive and should be considered carefully. The committee desires additional time to address this legislation. Vote 16-0.

Adopted.

HB 599-FN, relative to youth access to tobacco products MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Gregory G Carson for the Majority of Commerce: The committee unanimously supports the limiting of youth access to tobacco products- without exception. The vote by the committee hinged on a single issue, the use of vending machines to sell tobacco products. The vote was not a partisan issue. The majority of the committee felt the strict limitations posed by this legislation eliminates vending machines as a source of tobacco products to New Hampshire youth. On passage of this legislation into law, all vending machines used to sell tobacco products will be required to have lock out devices, which, by design, cannot be left in an unlocked position and dispenses a single pack per activator. Further, the machines must be in full view of the person activating the machine and violations of this section carry the same penalties for violating any other section of this law. Lastly, this bill allows those vendors, who have already taken the proactive step and purchased the lockout equipped machines, to continue their use in accordance with New Hampshire law. Vote 8-7.

Rep. Martha Fuller Clark for the Minority of Commerce: The entire committee supports in a non-partisan manner the overall intent of this legislation which is to deny youth access to all tobacco products because of the risk of addiction, disability and death from the use of such products. However, the minority felt that a vital piece of this legislation was to ban all cigarette vending machines, a position supported by the Department of Health and Human Services.

Amendment (0640h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Definitions Added. Amend RSA 78:1 by inserting after paragraph XVII the following new paragraphs:

XVIII. "Licensee" means the person in whose name the license is issued.

XIX. "Sampler" means any person who distributes free tobacco products to consumers for promotional purposes.

XX. "Vending machine" means any self-service device which, upon insertion of money, tokens, or any other form of payment, dispenses tobacco, cigarettes, or any other tobacco product.

2 Vending Machines; Fees Increased. Amend RSA 78:2, I and I-a to read as follows:

I. Each manufacturer, wholesaler, sub-jobber, vending machine operator ~~[and]~~, retailer, *and sampler* shall secure a license from the commissioner before engaging in the business of selling *or distributing* tobacco products in this state or continuing to engage in such business. Each whole-sale, sub-job and retail outlet shall have a separate license regardless of the fact that one or more outlets may be owned or controlled by a single person. Each tobacco products vending machine to be operated in this state shall be licensed by the commissioner and shall be appropriately identified as being licensed. The commissioner shall adopt rules pursuant to RSA 541-A relative to the licensing and identification of each tobacco products vending machine, and the information required in an application for a license. The commissioner shall issue a license upon application stating such information necessary to identify the outlet and the character of business transacted. The fees for licenses shall be: \$100 for a manufacturer's license; \$250 for a wholesaler's license; \$150 for a sub-jobber's license; \$70 for a vending machine operator's license; ~~and \$10~~ \$50 for a retailer's license; *\$50 for a sampler's license; and \$50 for each vending machine location*, for the purpose of helping to pay the cost of administering this chapter. Each license shall be prominently displayed on the premises described in it. Any person who shall sell, offer for sale or possess with intent to sell any tobacco products without such license as provided in this section shall be subject to the penalty provisions of RSA 21-J:39.

I-a. Notwithstanding RSA 21-J:14, information regarding licenses issued pursuant to this section **and enforcement actions taken pursuant to this chapter and RSA 126-I** shall be public [record] records.

3 New Paragraph; Sign. Amend RSA 78:2 by inserting after paragraph I-a the following new paragraph:

I-b. The commissioner, when issuing or renewing a retailer's license under RSA 78:2, shall furnish a sign which shall read or be substantially similar to the following: "State Law prohibits the sale of tobacco products to persons under age 18 and the purchase, possession, or use of tobacco products by persons under age 18. Warning: violators of these provisions may be subject to a fine." The sign shall be posted at any location where tobacco products are sold or distributed. The commissioner shall adopt rules, under RSA 541-A, relative to placement of these warning signs in areas where tobacco products are sold or distributed.

4 Renewal. Amend RSA 78:4 to read as follows:

78:4 Term of License; Renewals. Licenses issued under RSA 78:2 shall expire on June 30 in each even-numbered year, unless sooner revoked or unless the business in respect to which the license was issued should change ownership. Licenses may be renewed upon signed application as provided in RSA 78:2 and upon paying the prescribed fee, *provided that a license shall not be renewed if there are unpaid fees, fines, or penalties resulting from violations of this chapter or RSA 126-I attributable to the license or the licensee.*

5 Suspension and Revocation of License. Amend RSA 78:6 to read as follows:

78:6 *Suspension and Revocation of License* by Commissioner. The commissioner may adopt rules pursuant to RSA 541-A relative to accomplishing the purpose of RSA 78. The commissioner may *suspend or* revoke any license issued under RSA 78:2 for failure to comply with the provisions of this chapter and with any rules which the commissioner may adopt. *The commissioner shall suspend or revoke any license issued under RSA 78:2 if ordered to do so pursuant to RSA 126-I.*

6 Sampler Added. Amend RSA 78:12 to read as follows:

78:12 Affixing Stamps. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the form for records of all tobacco products manufactured, produced, purchased, and sold. Each manufacturer, wholesaler, sub-jobber, vending machine operator and retailer shall keep complete and accurate records of all such tobacco products. Such records shall be safely preserved for 3 years in such manner as to insure permanency and accessibility for inspection by the commissioner and [his] *the commissioner's* authorized agents. The commissioner and [his] *the* authorized agents may examine the books, papers and records of any manufacturer, wholesaler, sub-jobber, vending machine operator or retailer doing business in this state, for the purpose of determining whether the tax imposed by this chapter has been fully paid, and they may investigate and examine the stock of tobacco products in or upon any premises where such tobacco products are possessed, stored or sold, for the purpose of determining whether the provisions of this chapter are being obeyed. *Each sampler shall keep complete and accurate records of tobacco products distributed free to consumers in New Hampshire for promotional purposes. The commissioner and the commissioner's authorized agents may examine such records.*

7 Vending Machines. RSA 78:12-d is repealed and reenacted to read as follows:

78:12-d Vending Machines. No person shall sell a tobacco product by use of a vending machine, or install or maintain a tobacco vending machine with the intent of making sales, except as provided in the following paragraphs:

I. Vending machines are permitted if they are equipped with a lock-out device which prevents the machine from being operated until the person responsible for monitoring sales from the machine disables the lock. The locking device must be of a design which prevents it from being left in an unlocked condition, and which will allow only a single sale when activated. Locking devices are not required on machines located in areas where minors are prohibited by law.

II. Vending machines are allowed only in establishments where an employee or agent of the business will be present to monitor the machine when the establishment is open for business.

III. Any vending machine permissible under paragraphs I and II shall be located such that it is well within the premises and close enough to the person controlling the machine that such person can determine the age of any person requesting permission to use the machine.

IV. No sales of tobacco are permitted from a vending machine which also offers for sale any non-tobacco product.

V. Vending machine operators shall supply the commissioner with a list specifying the location of each licensed machine.

VI. Tobacco vending machines shall be posted with a sign informing customers of current state law regarding tobacco sales to minors. Tobacco vendors who sell tobacco products from a vending machine shall maintain a sign at the location where the device which operates the locking device is located which informs the clerk that it is illegal to sell tobacco products to minors.

VII. Violations of this section shall be civil infractions punishable by administrative action by the commissioner against the licensee. Fines for violations of paragraphs I-V shall be no more than \$100 for a first offense, no more than \$200 for a second offense, and no more than \$300 for a third or subsequent offense within any 2-year period. Fines for violations of paragraph VI shall be punishable by a fine of no more than \$50.

8 New Chapter; Youth Access to and Use of Tobacco Products. Amend RSA by inserting after chapter 126-H the following new chapter:

CHAPTER 126-I

YOUTH ACCESS TO AND USE OF TOBACCO PRODUCTS

126-I:1 Purpose. The purpose of this chapter is to protect the children of New Hampshire from the possibility of addiction, disability, and death resulting from the use of tobacco products by ensuring that tobacco products will not be supplied to minors.

126-I:2 Definitions. In this chapter:

I. "Cigarette" means any roll for smoking made wholly or in part of tobacco, and wrapped in any material except tobacco.

II. "Commission" means the liquor commission.

III. "Licensee" means the person in whose name a license issued pursuant to RSA 78:2 was granted.

IV. "Manufacturer" means any person engaged in the business of importing, exporting, producing, or manufacturing tobacco products who sells the product only to licensed wholesalers.

V. "Minor" means a person under the age of 18.

VI. "Person" means any individual, firm, fiduciary partnership, corporation, trust, or association, however formed.

VII. "Public educational facility" means any enclosed place or portion of such place, which is supported by public funds and which is used for the instruction of students enrolled in preschool programs and in grades kindergarten through 12. This definition shall include all administrative buildings and offices and areas within facilities supportive of instruction and subject to educational administration including, but not limited to, lounge areas, passageways, rest rooms, laboratories, study areas, cafeterias, gymnasiums, libraries, maintenance rooms, and storage areas.

VIII. "Retailer" means any person who sells tobacco products to consumers.

IX. "Sampler" means any person who distributes free tobacco products to consumers for promotional purposes.

X. "Sub-jobber" means any person doing business in this state who buys stamped tobacco products from a licensed wholesaler and who sells all the sub-jobber's tobacco products to other licensed sub-jobbers, and retailers.

XI. "Tobacco product" means any product containing tobacco including, but not limited to, cigarettes, smoking tobacco, cigars, chewing tobacco, snuff, pipe tobacco, smokeless tobacco, and smokeless cigarettes.

XII. "Vending machine" means any self-service device which, upon insertion of money, tokens, or any other form of payment, dispenses tobacco, cigarettes or any other tobacco product.

XIII. "Vending machine operator" means any person operating one or more tobacco product vending machines on property or premises other than the operator's own.

XIV. "Wholesaler" means any person doing business in this state who shall purchase all the wholesaler's unstamped tobacco products directly from a licensed manufacturer and who shall sell all of the wholesaler's products to licensed wholesalers, sub-jobbers, vending machine operators, retailers, samplers and those persons exempted from the tobacco tax under RSA 78:7-b.

126-I:3 Proof of Age of Purchaser.

I. For the purposes of this chapter, any person responsible for monitoring sales from a tobacco vending machine or any person making the sale of tobacco products, which vending machine or other sale is to be made to any person who does not appear to be at least 27 years of age, shall require the purchaser to furnish any of the following documentation that such person is 18 years of age or over:

(a) A motor vehicle driver's license issued by the state of New Hampshire, or a valid driver's license issued by another state, or province of Canada, which bears the date of birth, name, address and picture of the individual.

(b) An identification card issued by the director of motor vehicles under the provisions of RSA 260:21, or any picture identification card issued by another state which bears the date of birth, name and address of the individual.

(c) An armed services identification card.

(d) A valid passport from a country with whom the United States maintains diplomatic relations.

II. Photographic identification presented under this section shall be consistent with the appearance of the person, and shall be correct and free of alteration, erasure, blemish, or other impairment.

III. The establishment of all of the following facts by a person responsible for monitoring sales from vending machine or a person or sampler making a sale or distribution of tobacco products to a person under 18 years of age shall constitute prima facie evidence of innocence and a defense to any prosecution for such sale:

(a) That the person falsely represented in writing and supported by some official documents that the person was 18 years of age or older;

(b) That the appearance of the person was such that an ordinary and prudent person would believe such person to be at least 18 years of age or older; and

(c) That the sale was made in good faith relying on such written representation and appearance in the reasonable belief that the person was actually 18 years of age or over.

126-I:4 Sale and Distribution of Tobacco Products to Minors Prohibited.

I. No person shall sell, give, or furnish or cause or allow or procure to be sold, given, or furnished tobacco products to a minor. The prohibition established by this paragraph shall not be deemed to prohibit minors employed by any manufacturer, wholesaler, sub-jobber, vending machine operator, sampler, or retailer from performing the necessary handling of tobacco products during the duration of their employment.

II. Violations of this section shall be civil infractions punishable by administrative action of the commission against the licensee. The fines for violations of this section shall not exceed \$250 for the first offense, \$500 for the second offense, and \$750 for the third and all subsequent offenses. In addition, for the fourth and subsequent offenses, the license to sell tobacco products of the manufacturer, wholesaler, sub-jobber, vending machine operator, or retailer where the offense occurred shall be suspended for a period not to exceed the term of such license or shall be revoked as provided in RSA 78:6.

III. In addition to the civil penalty described in paragraph II, a person who violates this section shall be guilty of a violation for a first offense and a misdemeanor for each subsequent offense.

126-I:5 Distribution of Free Samples.

I. No person may distribute or offer to distribute samples of tobacco products in a public place. This prohibition shall not apply to sampling:

(a) In an area to which minors are denied access.

(b) In a store to which a retailer's license has been issued.

(c) At factory sites, construction sites, conventions, trade shows, fairs, or motorsport facilities in areas to which minors are denied access.

II. The commission shall adopt rules pursuant to RSA 541-A concerning the distribution of free samples of tobacco products to prevent their distribution to minors.

III. Violations of this section shall be civil infractions punishable by administrative action of the commission against the licensee. The fines for violations of this section shall not exceed \$250 for the first offense, \$500 for the second offense, and \$750 for the third and all subsequent offenses. In addition, for the fourth and subsequent offenses the sampler's license shall be suspended for a period not to exceed the term of such license or shall be revoked, as provided in RSA 78:6.

126-I:6 Possession and Use of Tobacco Products by Minors.

I. No person under 18 years of age shall purchase, attempt to purchase, possess, or use any tobacco product.

II. The prohibition on possession of tobacco products shall not be deemed to prohibit minors employed by any manufacturer, wholesaler, sub-jobber, vending machine operator, sampler, or retailer from performing the necessary handling of tobacco products during the duration of their employment.

III. A minor shall not misrepresent his or her age for the purpose of purchasing tobacco products.

IV. Notwithstanding RSA 169-B and RSA 169-D, a person 12 years of age and older who violates this section shall not be considered a delinquent or a child in need of services.

V. Any minor who violates this section shall be guilty of a violation and shall be punished by a fine not to exceed \$100 for each offense or shall be required to complete up to 20 hours of community service for each offense, or both. Where available, punishment may also include participation in an education program.

126-I:7 Use of Tobacco Products on Public Educational Facility Grounds Prohibited.

I. No person shall use any tobacco product in any public school facility or on the grounds of any public educational facility.

II. Any person who violates this section shall be guilty of a violation and, notwithstanding RSA 651:2, shall be punished by a fine not to exceed \$100 for each offense.

126-I:8 Special Provisions.

I. No person shall sell, give, or furnish tobacco products to a minor who has a note from an adult requesting such sale, gift, or delivery.

II. All tobacco products shall be sold in their original packaging bearing the Surgeon General's warning.

III. The sale of single cigarettes is prohibited.

IV. Violations of this section shall be civil infractions punishable by administrative action of the commission against the licensee. The fines for violations of this section shall not exceed \$250 for the first offense, \$500 for the second offense, and \$750 for the third and all subsequent offenses. In addition for the fourth and subsequent offenses, the license to sell tobacco products of the manufacturer, wholesaler, sub-jobber, vending machine operator, or retailer where the offense occurred shall be suspended for a period not to exceed the term of such license or shall be revoked, as provided in RSA 78:6.

V. In addition to the civil penalty described in paragraph II, a person who violates this section shall be guilty of a violation for the first offense and a misdemeanor for each subsequent offense.

126-I:9 Enforcement Authority. The commission shall have the primary responsibility for enforcing this chapter. Local, county, and state law enforcement officers shall also have jurisdiction to enforce this chapter. Such authority may be delegated to agents working under their authority.

126-I:10 Rulemaking. The commission shall adopt rules, pursuant to RSA 541-A, relative to the hearings and appeals process and relative to the proper administration of this chapter.

126-I:11 Fines.

I. All fines imposed by any court and collected for the violation of the provisions of this chapter shall be paid to the state, county, or town, the officials of which instituted the prosecution.

II. All fines imposed by the commission shall be deposited into the general fund.

126-I:12 Penalties.

I. Violations of this chapter may be prosecuted by local, county, or state law enforcement officials.

II. The commission may issue administrative warnings and assess fines and may order the commissioner of revenue administration to suspend or revoke a license issued pursuant to RSA 78 for a specified period of time for violations of this chapter.

III. On or before April 1 of each even-numbered year, the commission shall provide the department of revenue administration with a list of the names and addresses of all persons against whom fines and penalties were assessed pursuant to this chapter and who have not paid said fines and penalties in full by the date of the list. The commission shall update the information provided to the department of revenue administration prior to June 30 of each even numbered year and thereafter as requested by the commission.

126-I:13 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end the provisions of this chapter are severable.

126-I:14 Preemption. Nothing in this chapter shall be construed to restrict the power of any county, city, town, village, or other subdivision of the state to adopt local laws, ordinances, and regulations that are more stringent than this chapter and RSA 78.

9 Repeal. The following are repealed:

I. RSA 78:12-b, relative to prohibition of the sale and distribution of tobacco products to persons under 18 years of age.

II. RSA 78:12-c, relative to possession of tobacco by persons under 18 years of age and misrepresentation of age for the purpose of procuring tobacco products.

10 Effective Date. This act shall take effect January 1, 1998.

Adopted.

Rep. Syracuse offered the Minority amendment.

Amendment (0641h)

Amend the bill by replacing all after the enacting clause with the following:

1 Vending Machine Operators Deleted. Amend RSA 78:1, V to read as follows:

V. "Wholesaler" means any person doing business in this state who shall purchase all ~~[of his]~~ unstamped tobacco products directly from a licensed manufacturer, and who shall sell all ~~[of his]~~ *the wholesaler's* products to licensed wholesalers, sub-jobbers, ~~[vending machine operators;]~~ retailers, and those persons exempted from the tobacco tax under RSA 78:7-b.

2 Vending Machine Operators Deleted. Amend RSA 78:1, VII to read as follows:

VII. "Sub-jobber" means any person doing business in this state who buys stamped tobacco products from a licensed wholesaler and who sells all ~~[of his]~~ *the subjobber's* tobacco products to other licensed sub-jobbers~~[-vending machine operators;]~~ and retailers.

3 Vending Machines Deleted. Amend RSA 78:1, XI to read as follows:

XI. "Retailer" means any person who sells tobacco products to consumers~~[-and any vending machine in which tobacco products are sold]~~.

4 New Paragraphs; Definitions Added. Amend RSA 78:1 by inserting after paragraph XVII the following new paragraphs:

XVIII. "Licensee" means the person in whose name the license is issued.

XIX. "Sampler" means any person who distributes free tobacco products to consumers for promotional purposes.

5 Vending Machines Deleted; Fees Increased. Amend RSA 78:2, I and I-a to read as follows:

I. Each manufacturer, wholesaler, sub-jobber, ~~[vending machine operator and]~~ retailer, *and sampler* shall secure a license from the commissioner before engaging in the business of selling *or distributing* tobacco products in this state or continuing to engage in such business. Each wholesale, sub-job and retail outlet shall have a separate license regardless of the fact that one or more outlets may be owned or controlled by a single person. ~~[Each tobacco products vending machine to be operated in this state shall be licensed by the commissioner and shall be appropriately identified as being licensed. The commissioner shall adopt rules pursuant to RSA 541-A relative to the licensing and identification of each tobacco products vending machine, and the information required in an application for a license.]~~ The commissioner shall issue a license upon application stating such information necessary to identify the outlet and the character of business transacted. The fees for licenses shall be: \$100 for a manufacturer's license; \$250 for a wholesaler's license; \$150 for a sub-jobber's license; ~~[\$70 for a vending machine operator's license; and \$10]~~ *\$50* for a retailer's license; *and \$50 for a sampler's license*, for the purpose of helping to pay the cost of administering this chapter. Each license shall be prominently displayed on the premises described in it. Any person who shall sell, offer for sale or possess with intent to sell any tobacco products without such license as provided in this section shall be subject to the penalty provisions of RSA 21-J:39.

I-a. Notwithstanding RSA 21-J:14, information regarding licenses issued pursuant to this section *and enforcement actions taken pursuant to this chapter and RSA 126-I* shall be public ~~[record]~~ *records*.

6 New Paragraph; Sign. Amend RSA 78:2 by inserting after paragraph I-a the following new paragraph:

I-b. The commissioner, when issuing or renewing a retailer's license under RSA 78:2, shall furnish a sign which shall read or be substantially similar to the following: "State Law prohibits the sale of tobacco products to persons under age 18 and the purchase, possession, or use of to-

bacco products by persons under age 18. Warning: violators of these provisions may be subject to a fine." The sign shall be posted at any location where tobacco products are sold or distributed. The commissioner shall adopt rules, under RSA 541-A, relative to placement of these warning signs in areas where tobacco products are sold or distributed.

7 Renewal. Amend RSA 78:4 to read as follows:

78:4 Term of License; Renewals. Licenses issued under RSA 78:2 shall expire on June 30 in each even-numbered year, unless sooner revoked or unless the business in respect to which the license was issued should change ownership. Licenses may be renewed upon signed application as provided in RSA 78:2 and upon paying the prescribed fee, *provided that a license shall not be renewed if there are unpaid fees, fines, or penalties resulting from violations of this chapter or RSA 126-I attributable to the license or the licensee.*

8 Suspension and Revocation of License. Amend RSA 78:6 to read as follows:

78:6 *Suspension and* Revocation of License by Commissioner. The commissioner may adopt rules pursuant to RSA 541-A relative to accomplishing the purpose of RSA 78. The commissioner may *suspend or* revoke any license issued under RSA 78:2 for failure to comply with the provisions of this chapter and with any rules which the commissioner may adopt. *The commissioner shall suspend or revoke any license issued under RSA 78:2 if ordered to do so pursuant to RSA 126-I.*

9 New Section; Sale of Tobacco Products. Amend RSA 78 by inserting after section 12-d the following new section:

78:12-e Vending Machines Prohibited. No person shall sell a tobacco product by use of a vending machine, or install, maintain, or operate a vending machine with the intent of making such sales. In this section "vending machine" means any self-service device which, upon insertion of money, tokens, or any other form of payment, dispenses a product.

10 Vending Machine Operator Deleted. Amend RSA 78:14 to read as follows:

78:14 Unstamped Tobacco Products. No sub-jobber[~~vending machine operator~~] or retailer, and no other person who is not licensed under the provisions of this chapter, shall sell, offer for sale, display for sale, ship, store, import, transport, carry or possess with or without intent to sell, any tobacco products not properly stamped under RSA 78:12 or 78:13, except as provided in RSA 78:12, II. This section shall not prevent any unlicensed person able to purchase unstamped tobacco products by statute from possessing such products for [his] *such person's* own use or consumption. The provisions of this section shall not apply to common carriers transporting unstamped tobacco products. Any person who violates the provisions of this section shall be guilty of a felony.

11 Vending Machine Operators Deleted. Amend RSA 78:14-a to read as follows:

78:14-a Possession of Tobacco Products of Foreign States. Licensed wholesalers[;] *and* sub-jobbers [~~and vending machine operators~~] may possess tobacco products bearing a foreign state's tax stamp or indicia with an intent to sell such products only if the licensee is currently and legitimately doing business in that state.

12 Vending Machines Deleted. Amend RSA 78:12 to read as follows:

78:12 Affixing Stamps. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the form for records of all tobacco products manufactured, produced, purchased, and sold. Each manufacturer, wholesaler, sub-jobber, [~~vending machine operator~~] and retailer shall keep complete and accurate records of all such tobacco products. Such records shall be safely preserved for 3 years in such manner as to insure permanency and accessibility for inspection by the commissioner and [his] *the commissioner's* authorized agents. The commissioner and [his] *the* authorized agents may examine the books, papers and records of any manufacturer, wholesaler, sub-jobber, [~~vending machine operator~~] or retailer doing business in this state, for the purpose of determining whether the tax imposed by this chapter has been fully paid, and they may investigate and examine the stock of tobacco products in or upon any premises where such tobacco products are possessed, stored or sold, for the purpose of determining whether the provisions of this chapter are being obeyed. *Each sampler shall keep complete and accurate records of tobacco products distributed free to consumers in New Hampshire for promotional purposes. The commissioner and the commissioner's authorized agents may examine such records.*

13 New Chapter; Youth Access to and Use of Tobacco Products. Amend RSA by inserting after chapter 126-H the following new chapter:

CHAPTER 126-I YOUTH ACCESS TO AND USE OF TOBACCO PRODUCTS

126-I:1 Purpose. The purpose of this chapter is to protect the children of New Hampshire from the possibility of addiction, disability, and death resulting from the use of tobacco products by ensuring that tobacco products will not be supplied to minors.

126-I:2 Definitions. In this chapter:

I. "Cigarette" means any roll for smoking made wholly or in part of tobacco, and wrapped in any material except tobacco.

II. "Commission" means the liquor commission.

III. "Licensee" means the person in whose name a license issued pursuant to RSA 78:2 was granted.

IV. "Manufacturer" means any person engaged in the business of importing, exporting, producing, or manufacturing tobacco products who sells the product only to licensed wholesalers.

V. "Minor" means a person under the age of 18.

VI. "Person" means any individual, firm, fiduciary partnership, corporation, trust, or association, however formed.

VII. "Public educational facility" means any enclosed place or portion of such place, which is supported by public funds and which is used for the instruction of students enrolled in preschool programs and in grades kindergarten through 12. This definition shall include all administrative buildings and offices and areas within facilities supportive of instruction and subject to educational administration including, but not limited to, lounge areas, passageways, rest rooms, laboratories, study areas, cafeterias, gymnasiums, libraries, maintenance rooms, and storage areas.

VIII. "Retailer" means any person who sells tobacco products to consumers.

IX. "Sampler" means any person who distributes free tobacco products to consumers for promotional purposes.

X. "Sub-jobber" means any person doing business in this state who buys stamped tobacco products from a licensed wholesaler and who sells all the sub-jobber's tobacco products to other licensed sub-jobbers, and retailers.

XI. "Tobacco product" means any product containing tobacco including, but not limited to, cigarettes, smoking tobacco, cigars, chewing tobacco, snuff, pipe tobacco, smokeless tobacco, and smokeless cigarettes.

XII. "Wholesaler" means any person doing business in this state who shall purchase all the wholesaler's unstamped tobacco products directly from a licensed manufacturer and who shall sell all of the wholesaler's products to licensed wholesalers, sub-jobbers, retailers, sampler's and those persons exempted from the tobacco tax under RSA 78:7-b.

126-I:3 Proof of Age of Purchaser.

I. For the purposes of this chapter, any person making the sale of tobacco products to any person who does not appear to be at least 27 years of age shall require the purchaser to furnish any of the following documentation that such person is 18 years of age or over:

(a) A motor vehicle driver's license issued by the state of New Hampshire, or a valid driver's license issued by another state, or province of Canada, which bears the date of birth, name, address and picture of the individual.

(b) An identification card issued by the director of motor vehicles under the provisions of RSA 260:21, or any picture identification card issued by another state which bears the date of birth, name and address of the individual.

(c) An armed services identification card.

(d) A valid passport from a country with whom the United States maintains diplomatic relations.

II. Photographic identification presented under this section shall be consistent with the appearance of the person, and shall be correct and free of alteration, erasure, blemish, or other impairment.

III. The establishment of all of the following facts by a person or sampler making a sale or distribution of tobacco products to a person under 18 years of age shall constitute prima facie evidence of innocence and a defense to any prosecution for such sale:

(a) That the person falsely represented in writing and supported by some official documents that the person was 18 years of age or older;

(b) That the appearance of the person was such that an ordinary and prudent person would believe such person to be at least 18 years of age or older; and

(c) That the sale was made in good faith relying on such written representation and appearance in the reasonable belief that the person was actually 18 years of age or over.

126-I:4 Sale and Distribution of Tobacco Products to Minors Prohibited.

I. No person shall sell, give, or furnish or cause or allow or procure to be sold, given, or furnished tobacco products to a minor. The prohibition established by this paragraph shall not be deemed to prohibit minors employed by any manufacturer, wholesaler, sub-jobber, sampler, or retailer from performing the necessary handling of tobacco products during the duration of their employment.

II. Violations of this section shall be civil infractions punishable by administrative action of the commission against the licensee. The fines for violations of this section shall not exceed \$250 for the first offense, \$500 for the second offense, and \$750 for the third and all subsequent offenses. In addition, for the fourth and subsequent offenses, the license to sell tobacco products of the manufacturer, wholesaler, sub-jobber, or retailer where the offense occurred shall be suspended for a period not to exceed the term of such license or shall be revoked as provided in RSA 78:6.

III. In addition to the civil penalty described in paragraph II, a person who violates this section shall be guilty of a violation for a first offense and a misdemeanor for each subsequent offense.

126-I:5 Distribution of Free Samples.

I. No person may distribute or offer to distribute samples of tobacco products in a public place. This prohibition shall not apply to sampling:

(a) In an area to which minors are denied access.

(b) In a store to which a retailer's license has been issued.

(c) At factory sites, construction sites, conventions, trade shows, fairs, or motorsport facilities in areas to which minors are denied access.

II. The commission shall adopt rules pursuant to RSA 541-A concerning the distribution of free samples of tobacco products to prevent their distribution to minors.

III. Violations of this section shall be civil infractions punishable by administrative action of the commission against the licensee. The fines for violations of this section shall not exceed \$250 for the first offense, \$500 for the second offense, and \$750 for the third and all subsequent offenses. In addition, for the fourth and subsequent offenses the sampler's license shall be suspended for a period not to exceed the term of such license or shall be revoked, as provided in RSA 78:6.

126-I:6 Possession and Use of Tobacco Products by Minors.

I. No person under 18 years of age shall purchase, attempt to purchase, possess, or use any tobacco product.

II. The prohibition on possession of tobacco products shall not be deemed to prohibit minors employed by any manufacturer, wholesaler, sub-jobber, sampler, or retailer from performing the necessary handling of tobacco products during the duration of their employment.

III. A minor shall not misrepresent his or her age for the purpose of purchasing tobacco products.

IV. Notwithstanding RSA 169-B and RSA 169-D, a person 12 years of age and older who violates this section shall not be considered a delinquent or a child in need of services.

V. Any minor who violates this section shall be guilty of a violation and shall be punished by a fine not to exceed \$100 for each offense or shall be required to complete up to 20 hours of community service for each offense, or both. Where available, punishment may also include participation in an education program.

126-I:7 Use of Tobacco Products on Public Educational Facility Grounds Prohibited.

I. No person shall use any tobacco product in any public school facility or on the grounds of any public educational facility.

II. Any person who violates this section shall be guilty of a violation and, notwithstanding RSA 651:2, shall be punished by a fine not to exceed \$100 for each offense.

126-I:8 Special Provisions.

I. No person shall sell, give, or furnish tobacco products to a minor who has a note from an adult requesting such sale, gift, or delivery.

II. All tobacco products shall be sold in their original packaging bearing the Surgeon General's warning.

III. The sale of single cigarettes is prohibited.

IV. Violations of this section shall be civil infractions punishable by administrative action of the commission against the licensee. The fines for violations of this section shall not exceed \$250 for the first offense, \$500 for the second offense, and \$750 for the third and all subsequent offenses. In addition for the fourth and subsequent offenses, the license to sell tobacco products of the manufacturer, wholesaler, sub-jobber, or retailer where the offense occurred shall be suspended for a period not to exceed the term of such license or shall be revoked, as provided in RSA 78:6.

V. In addition to the civil penalty described in paragraph II, a person who violates this section shall be guilty of a violation for the first offense and a misdemeanor for each subsequent offense.

126-I:9 Enforcement Authority. The commission shall have the primary responsibility for enforcing this chapter. Local, county, and state law enforcement officers shall also have jurisdiction to enforce this chapter. Such authority may be delegated to agents working under their authority.

126-I:10 Rulemaking. The commission shall adopt rules, pursuant to RSA 541-A, relative to the hearings and appeals process and relative to the proper administration of this chapter.

126-I:11 Fines.

I. All fines imposed by any court and collected for the violation of the provisions of this chapter shall be paid to the state, county, or town, the officials of which instituted the prosecution.

II. All fines imposed by the commission shall be deposited into the general fund.

126-I:12 Penalties.

I. Violations of this chapter may be prosecuted by local, county, or state law enforcement officials.

II. The commission may issue administrative warnings and assess fines and may order the commissioner of revenue administration to suspend or revoke a license issued pursuant to RSA 78 for a specified period of time for violations of this chapter.

III. On or before April 1 of each even-numbered year, the commission shall provide the department of revenue administration with a list of the names and addresses of all persons against whom fines and penalties were assessed pursuant to this chapter and who have not paid said fines and penalties in full by the date of the list. The commission shall update the information provided to the department of revenue administration prior to June 30 of each even numbered year and thereafter as requested by the commission.

126-I:13 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end the provisions of this chapter are severable.

126-I:14 Preemption. Nothing in this chapter shall be construed to restrict the power of any county, city, town, village, or other subdivision of the state to adopt local laws, ordinances, and regulations that are more stringent than this chapter and RSA 78.

14 Reference to Tobacco Vending Machines Deleted. Amend RSA 186-B:10, IV to read as follows:

IV. "Vending facility" means a vending machine, cafeteria, snack bar, cart service, shelter, counter or any other facility for the vending of newspapers, periodicals, confections, ~~[tobacco products,]~~ foods or beverages, or any combination of them, whether dispensed automatically or manually, and which are prepared on or off the property.

15 Repeal. The following are repealed:

I. RSA 78:1, IX, relative to a definition of vending machine operator.

II. RSA 78:1, X, relative to a definition of licensed vending machine operator.

III. RSA 78:2, II and III relative to vending machines.

IV. RSA 78:3, relative to tampering with seals on vending machines.

V. RSA 78:12-b, relative to prohibition of the sale and distribution of tobacco products to persons under 18 years of age.

VI. RSA 78:12-c, relative to possession of tobacco by persons under 18 years of age and misrepresentation of age for the purpose of procuring tobacco products.

VII. RSA 78:12-d, relative to vending machines.

16 Effective Date. This act shall take effect January 1, 1998.

Rep. Syracuse spoke in favor and yielded to questions.

Rep. Carson spoke against and yielded to questions.

On a division vote, 156 members having voted in the affirmative and 180 in the negative, the minority amendment failed.

On a division vote, 261 members having voted in the affirmative and 76 in the negative, the majority report was adopted.

Referred to Finance.

Rep. Carney declared a conflict of interest and did not participate.

HB 742-FN, establishing half-price greens fees for active military and retired military personnel at the golf course at the former Pease Air Force Base **INEXPEDIENT TO LEGISLATE**

Rep. Elsa M. Luker for Commerce: The issue is who owns the course and who sets fees. The Pease Development Authority leases the property and pays upkeep; this decision is one that the P.D.A. should make and currently does. Vote 12-1.

Adopted.

HB 275-A-L, establishing the equipment grant program, and making an appropriation therefor. **UGHT TO PASS**

Rep. Susan B. Durham for Education: The interim study committee that met over the summer found that schools are in dire need of up to date equipment for science and vocational programs. State bonding for such equipment is a legitimate way for the state and local schools to work together in 50-50 matches to relieve this circumstance. This bill appropriates \$16,000,000 over four years using state bonding authority. Vote 11-9.

Rep. MacGillivray requested a roll call; sufficiently seconded.

The question being the adoption of the report.

HB 525-L, relative to Braille instruction for functionally blind pupils. **OUGHT TO PASS WITH AMENDMENT**

Rep. Clair A. Snyder for Education: This bill provides for Braille instruction for the functionally blind student under special education I.E.P.'s for whom other methods are insufficient for them to become literate and to therefore become gainfully employed. Vote 14-2.

Amendment (0523h)

Amend the bill by replacing section 2 with the following:

2 New Section; Special Education Services; Braille Literacy for Functionally Blind Pupils. Amend RSA 186-C by inserting after section 7-a the following new section:

186-C:7-b Braille Instruction for Functionally Blind Pupils. In developing the individualized education program for a functionally blind pupil, there shall be:

I. A presumption that proficiency in Braille reading and writing is essential for the pupil's satisfactory educational progress. Every functionally blind pupil shall be entitled to Braille reading and writing instruction unless all members of the pupil's special education team concur that instruction in Braille or the use of Braille is not appropriate for the pupil.

II. Instruction in Braille shall be provided by a teacher certified by the state department of education to teach pupils with visual impairment.

III. An initial learning media assessment by a teacher certified in the education of pupils with visual impairment shall be conducted. This assessment shall be conducted every 3 years and reviewed annually.

Adopted.

Report adopted and referred to Finance.

HB 538, requiring every pupil receiving state-funded scholarships or grants for postsecondary education to pass a drug test as a condition for receiving such funds, and requiring repayment of such moneys upon conviction of a drug-related offense. **RE-REFER TO COMMITTEE**

Rep. Bernard J. Luebker for Education: The majority of the committee strongly support the intent of this bill, but saw several defects which would need to be fixed in order for it to be effective. The intent is to send an unambiguous message of disapproval to New Hampshire Scholarship funded students concerning violations of the state's drug and alcohol laws. Vote 13-4.

Adopted.

HB 577-FN-A-L, relative to funding statewide kindergarten and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Susan B. Durham for Education: The committee vote is not against kindergarten, rather turning down this bill is a way to bring order to debate. The Governor's kindergarten bill HB 50-FN-A-LOCAL should have the debate. A subcommittee has been appointed which will consider all ideas about achieving kindergarten for all 5 year olds in New Hampshire, incorporating useful ideas from HB 577-FN-A-LOCAL into HB 50-FN-A-LOCAL. Vote 16-1.

Adopted.

HB 601-FN-A, to develop a statewide technology program for educational institutions and establishing a 5 percent tax on video rentals to fund the program. **INEXPEDIENT TO LEGISLATE**

Rep. Michael Marcinkowski for Education: Although the intent is laudable, the bill introduces a new and discriminatory tax against one segment of the entertainment industry, video rentals, and not the entertainment industry in general. It also taxes the segments of the population least able to bear additional surcharges, the low and middle income families who look to video rentals as a means of entertaining their families. Additionally it would in fact not raise sufficient funds for its stated purpose. Vote 14-5.

Adopted.

HB 612-FN, requiring the state board of education and the department of education to establish suitable tests of academic knowledge to be administered as a prerequisite for certification of new teachers in New Hampshire. **RE-REFER TO COMMITTEE**

Rep. Jane O'Hearn for Education: The committee's vote to re-refer recognized that it is the responsibility of the State Board of Education to adopt rules pursuant to the certification of teachers. Therefore, the committee can request, by a majority vote, to be put on the agenda for a meeting with the State Board of Education asking that this issue of testing for certification be addressed by the state board. A motion was introduced and passed by the committee for the purpose of addressing the State Board of Education, to achieve a suitable test of academic knowledge for New Hampshire's public school teachers. Vote 13-7.

Adopted.

HB 613-FN-A-L, establishing a flat county property tax to fund basic education. **INEXPEDIENT TO LEGISLATE**

Rep. Phil A. Weber for Education: The House Finance Committee will be studying alternative forms of funding public education. Bills establishing new taxes in any form are issues best left to the Finance Committee. Vote 17-3.

Adopted.

HB 656-L, repealing the provision which requires the state board to approve schools before a district is qualified to receive state aid to education. **INEXPEDIENT TO LEGISLATE**

Rep. Stanley N. Searles, Sr. for Education: It is believed that the state approval of schools is a very necessary step in maintaining the state's minimum education standards. Despite school district financial hardship, removing minimum standards moves New Hampshire in the wrong direction in achieving an adequate education for all New Hampshire pupils. Vote 17-3.

Adopted.

HB 661-FN-L, allowing high school pupils to attend the public secondary school of their choice. **INEXPEDIENT TO LEGISLATE**

Rep. Jane O'Hearn for Education: This bill deals with open enrollment which is presently addressed in RSA 194-B:2. This bill would make open enrollment mandatory and causes concerns with funding from sending districts to receiving districts, violation of AREA agreements, and raises questions of continuous enrollment in a receiving school. Vote 14-3.

Adopted.

HB 700-FN, relative to the renovation of regional vocational education centers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stanley Searles for Education: A number of New Hampshire's twenty Vocational High Schools are in need of renovation and/or construction. The cost in today's technical society is more than the local communities can bear. This bill offers the opportunity to keep the States original investment in a proper state. This bill increases an existing non-lapsing appropriation by \$24,000,000. Vote 15-6.

Amendment (0558h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the renovation of regional vocational education centers and making an appropriation therefor.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Appropriation Increased; Renovation Added. Amend RSA 188-E:10 to read as follows:

188-E:10 [~~Construction~~] *Appropriation for Construction and Renovation*. The treasurer of the state of New Hampshire is hereby authorized to make available to the department of education for purposes of constructing *and renovating* regional vocational education centers an amount not to exceed [~~\$85,000,000~~] **\$109,000,000**. This appropriation shall be nonlapsing. Authorization for expenditures of such funds shall be made by the department of education to the treasurer in accordance with this chapter. The treasurer is authorized to issue bonds in accordance with the provisions of RSA 6-A for the purpose of funding this appropriation.

AMENDED ANALYSIS

This bill authorizes grants for the renovation of regional vocational centers, as well as for the construction of such centers.

The bill also appropriates an additional \$24,000,000 for construction and renovation of regional vocational centers.

Adopted.

On a division vote, 244 members having voted in the affirmative and 91 in the negative, the report was adopted.

Referred to Finance.

HB 779-FN, proclaiming 1999 as the "year of public education" in New Hampshire and establishing the 350th anniversary of public education celebration commission. **INEXPEDIENT TO LEGISLATE**

Rep. Bernard J. Luebker for Education: The majority of the committee, while recognizing the prominent role of public education to societal advancements in the United States, were concerned with several aspects of this bill such as: New Hampshire was part of Massachusetts at the time of the formation of the Hampton Public School in 1649; historical start of "Public Schools" may have been during the 1800's; and that such celebration would be another distraction from the pursuit of contemporary education. Vote 13-5.

Rep. Cushing spoke against.

Rep. O'Hearn spoke in favor.

Adopted.

HB 784-FN-L, changing the age requirements for providing public education, including special education. RE-REFER TO COMMITTEE

Rep. Phil A. Weber for Education: Special Education has become the paramount issue in public education. The committee wants to earnestly and comprehensively study all aspects of Special Education and this bill affords us such an opportunity. Vote 14-1.

Adopted.

HB 187-FN-A, relative to groundwater monitoring for pesticides and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Harold P. Melcher for Environment and Agriculture: This bill makes provision to prevent groundwater pollution before it becomes significant. Vote 18-0.

Amendment (0576h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to groundwater monitoring for pesticides.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Rulemaking Added; Groundwater Protection Plan. Amend RSA 430:31, IV by inserting after subparagraph (w) the following new subparagraph:

(x) Development and administration of state management plans to protect groundwater from pesticide contamination, for pesticides that are classified as restricted-use under the Federal Insecticide, Fungicide, and Rodenticide Act section 3(d)(1)(C)(ii) subject to restrictions under United States Environmental Protection Agency approved management plans funded through the fund established in RSA 430:34, V.

2 New Subparagraph; Groundwater Samples. Amend RSA 430:43, VI by inserting after subparagraph (b) the following new subparagraph:

(c) Samples in conjunction with management plans to protect groundwater from pesticide contamination, including soil, surface waters, monitoring wells, and other wells;

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows the pesticide control board and the division of pesticide control to develop plans for protection of groundwater from certain pesticides to be funded through the fund established in RSA 430:34, V.

Adopted.

Report adopted and ordered to third reading.

HB 191, reducing the number of categories of pesticides from 3 to one. OUGHT TO PASS

Rep. David J. Babson Jr. for Environment and Agriculture: The committee felt that a return to a single category of pesticide registration was the simplest and least expensive program to operate for the state. Further, the committee felt there was no need to separate "commercial" and "general use" pesticides for the purpose of registration. Vote 13-5.

Adopted and ordered to third reading.

HB 207-FN-A, relative to pesticide registration fees and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Betty B. Hall for Environment and Agriculture: The subject matter of this bill is dealt with in HB 191. The committee wishes to retain this bill for future consideration. Vote 13-6.

Adopted.

HB 638-FN, requiring random on-site inspection and testing of certain sludge and biosolid samples. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter R. Leishman for Environment and Agriculture: The committee received much testimony regarding random on-site inspection of sludge or biosolids, and agree with the thrust of the bill that the department of environmental services is the appropriate state agency to oversee and to conduct random test before land application of sludge or biosolids. Vote 18-0.

Amendment (0529h)

Amend the bill by inserting after the enacting clause the following and renumbering the original sections 1 and 2 to read as 2 and 3, respectively:

1 Septage and Sludge Permit System; Fee for Random Testing Program Added. Amend RSA 485-A:4, XVI-a to read as follows:

XVI-a. To regulate the removal, transportation, and disposal of septage and sludge through administration of a permit system. As a condition of any permit issued under this chapter, the department may require payment of a reasonable fee, established by rules adopted under RSA 485-A:6, X-a. *A portion of the fee, as determined in rules adopted by the commissioner, shall be used for the purposes of the random testing and inspection program established in paragraph XVI-b. The remainder of the funds collected under this paragraph shall be deposited with the treasurer as unrestricted revenue.*

AMENDED ANALYSIS

This bill requires the commissioner of the department of environmental services to implement a program of random on-site inspection of sludge or biosolid samples before any land application by persons obtaining a permit for land application of sludge or biosolids. This bill also allows for a portion of the septage and sludge permit fee to be used for purposes of the program.

Adopted.

Report adopted and referred to Finance.

HB 731-FN-A-L, relative to the taxation of sand, gravel, loam, and other similar substances. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: RE-REFER TO COMMITTEE.**

Rep. Donald R. Philbrick for the Majority of Environment and Agriculture: The committee felt that although there was a shortness of time to deal with this bill, it was important to keep this bill going forward. This bill has been studied for two summers, a law was suspended to accommodate this process, and there is a great need to resolve the issues contained in this bill. This committee dealt with the policy issues and now the bill needs to go to the appropriate committee to deal with the fiscal issues. Vote 14-5.

Rep. Betty B. Hall for the Minority of Environment and Agriculture: This bill replaces local tax assessing powers with regard to sand and gravel with an excavation and an activity tax. The committee did not have time to study the environmental impact. The taxes will change incentives and disincentives to remove sand and gravel from our towns. The bill should also be reviewed by the Local and Regulated Revenue Committee. Only after both committees have had adequate time to recommend policy and the house concurs should the bill go to the Finance Committee.

Amendment (0546h)

Amend RSA 72-B:3 as inserted by section 2 of the bill by replacing it with the following:

72-B:3 Release from Taxes. The following excavations of earth shall not require filing an intent to excavate, or be subject to the taxes imposed by this chapter:

I. Any excavation of earth from a parcel of land that is put back on the parcel, or other parcel that is contiguous and in common ownership, in the construction, reclamation, reconstruction, or alteration of such parcel of land.

II. Excavation by the federal government, state government, cities, towns, school districts, and other political subdivisions which remove earth for their own use, on lands under their ownership and within their own jurisdiction.

III. Excavation of earth that is used exclusively for the agricultural or forest management of the owner.

Amend RSA 72-B:13 as inserted by section 2 of the bill by replacing it with the following:

72-B:13 Appeal and Abatement. An owner may, within 90 days of notice of the excavation tax, appeal to the assessing officials in writing for an abatement from the original assessment, but no

owner shall be entitled to an abatement unless such owner has complied with the provisions of RSA 72-B:8 and 72-B:9. If the assessing officials neglect or refuse to abate, an owner may, at the owner's election within 6 months of notice of such tax and not afterwards, petition the superior court of the county where the operation took place, or the appeals board as provided for in RSA 72-B:14. The petition to the appeals board shall be filed with the commissioner.

Amend RSA 72-B:17, I as inserted by section 2 of the bill by replacing it with the following:

I. The department shall administer and enforce this chapter, be responsible for educating municipal officials regarding the chapter, and have enforcement authority in regard to the proper filing of the permit to excavate form under RSA 72-B:8, authority to check on the volumes turned in on the report of excavated materials form under RSA 72-B:9, the authority to issue cease and desist orders, the authority to monitor the operational and reclamation standards contained in RSA 155-E:4-a, 5 and 5-a, and the authority to rescind the certificate issued pursuant to RSA 72-B:8 of any excavation in violation of such standards. The department shall otherwise assist the towns, cities and unorganized places in the enforcement of this chapter. It is the intent of this section to authorize the commissioner and the commissioner's agents to have enforcement authority and the right to stop any operation in violation of RSA 72-B and to report the same to local authorities. Any person failing to comply with a cease and desist order issued under this section shall be guilty of a misdemeanor.

Adopted.

Majority report adopted and referred to Finance.

Rep. Ann Torr declared a conflict of interest and did not participate.

HB 771-FN-A-L, exempting remediation waste from the hazardous waste generator fee, increasing grant awards made pursuant to the used oil collection center program and relative to the hazardous waste disposal facility siting board. **OUGHT TO PASS WITH AMENDMENT**

Rep. M Kathryn Aranda for Environment and Agriculture: This bill, as amended, recognizes the need for both retrospective and future increases in funding for used oil collection centers and lowers the automotive oil fee to \$.02 per/gallon. This lower fee level will not deter the department's operations in this area. Vote 19-0.

Amendment (0499h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to hazardous waste operator permit application costs, adding an exemption to the hazardous waste cleanup fund fee, increasing grant awards made pursuant to the used oil collection center program, and relative to the automotive oil fee.

Amend the bill by replacing all after the enacting clause with the following:

I Hazardous Waste Operator Permits; State Costs Exceeding Permit Fee. Amend RSA 147-A:4, II to read as follows:

II. A permit application fee not to exceed \$5,000 shall accompany each permit, permit modification, and permit renewal application. The amount of the fee shall reflect the relative effort necessary for review of the application. Permit application fees shall be used by the department for review of applications. In addition to the application fee, the applicant shall be responsible for all reasonable hearing costs incurred by the department. State costs which exceed the [~~\$5,000~~] permit application fee shall be charged monthly to the applicant at an hourly rate which includes, but is not limited to, staff salaries and benefit costs, current operating expenses, legal costs and travel. The hourly rate shall also be used to calculate any department costs associated with implementing and enforcing the terms and conditions of a permit issued by the department. Permit fees received by the department under this section shall be placed in the hazardous waste cleanup fund as established under RSA 147-B:3, shall be accounted for separately and shall be used in processing applications and enforcing and implementing conditions of a permit.

2 New Paragraph; Exemption From Fees Added. Amend RSA 147-B:9 by inserting after paragraph III the following new paragraph:

IV. Wastes resulting from the remediation of environmentally contaminated properties by persons who meet one of the following eligibility criteria:

(a) The person is not liable under RSA 147-B for any release or threatened release of a contaminant or contaminants at the property and is either:

(1) A prospective purchaser of environmentally contaminated property, or

(2) A person who holds a mortgage interest or other security interest in environmentally contaminated property, including a municipality with respect to property on which there are overdue real estate taxes due to the municipality.

(b) The person is a current owner of environmentally contaminated property, whose liability under RSA 147-B is based solely on the person's status as owner, who did not generate the hazardous waste which constitutes the contamination on the property, and who has not operated, managed, or controlled, either directly or indirectly, the hazardous waste facility on the property.

3 Collection Center Grants. Amend RSA 147-B:13, I(a) to read as follows:

(a) Award grants *of up to \$2,500 to a political [subdivisions] subdivision* of the state to pay ~~[no more than \$1,500 of]~~ for the cost of establishing or improving used oil collection centers at public facilities such as fire stations, police barracks, highway departments, county garages, solid waste facilities or other suitable public locations; and provide technical assistance to persons who organize such programs. ~~[If the cost of establishing or improving any such used oil collection center is \$1,500 or less, the department shall award a grant for the entire cost.]~~ In providing funding under this subparagraph, priority shall be given to *reimburse political subdivisions that have established a collection center under this program followed by* political subdivisions without public collection centers followed by political subdivisions that have inadequate collection centers. *Political subdivisions that use the same center may combine their awards, but in no case shall the amount awarded to a collection center exceed \$5,000.*

4 Automotive Oil Fee Changed in 1998. Amend RSA 147-B:12, I to read as follows:

I. A fee of ~~[\$.01]~~ \$.02 per gallon of automotive oil shall be assessed at the time of import to this state. Persons licensed under RSA 146-A:11-b, II shall be liable for payment of this additional fee which shall be collected and enforced by the department of safety in the manner described in RSA 146-A:11-b. The department may waive all or any portion of penalties or interest for good cause. All fee revenues shall be deposited in the hazardous waste cleanup fund in accordance with RSA 147-B:6, I-d.

5 Position Authorized; Reference Deleted. Amend 1994, 364:12 to read as follows:

364:12 Positions Authorized; Motor Vehicle Prohibition. The department of environmental services may use revenues collected under RSA 147-B:12 to employ a waste management specialist III. The department may also use such revenues ~~[until June 30, 1998;]~~ to employ a waste management specialist II. The revenues shall not be used to purchase any motor vehicles.

6 Effective Date.

I. Section 4 of this act shall take effect July 1, 1998 at 12:01 a.m.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

(a) Clarifies the costs charged to an applicant for a hazardous waste operator permit.

(b) Exempts certain wastes resulting from remediation of contaminated property from the hazardous waste cleanup fund fee.

(c) Increases the grant awards available to municipalities in the used oil collection center program.

(d) Amends the automotive oil fee in 1998 and provides for continuation of a position funded by the fee.

This bill is a request of the department of environmental services.

HB 588-FN, relative to certification of operators of solid waste plants, water treatment plants and wastewater treatment plants, and adding late renewal fees. OUGHT TO PASS WITH AMENDMENT

Rep. James P. Pilliod for Executive Departments and Administration: This bill amends RSA 149.M:6 XIII to make certification of solid waste operators to be renewed annually and would require a late fee if not renewed in a timely fashion. RSA 332.E:4,II-V would be amended to increase certification fees for water treatment operators and provide for a late renewal penalty. Wastewater treatment operators would also have a late renewal fee imposed Vote 18-0.

Amendment (0415h)

Amend RSA 332-E:6, II and III as inserted by section 5 of the bill by replacing them with the following:

II. Renewal, when appropriate, shall be on a biennial basis.

III. Certificates shall be renewed every 2 years unless revoked for cause, replaced by one of the higher grade, or invalidated.

HB 725-FN, relative to the certification of dietitians. **INEXPEDIENT TO LEGISLATE**

Rep. Andrew R. Peterson for Executive Departments and Administration: The committee heard from 23 witnesses over a morning long hearing on this bill, which has been considered in various forms and rejected by the legislature thrice since 1987 (most recently in the form of a licensure bill in 1995). This bill required certification (as opposed to licensure) and yet contains many of the exclusionary (monopoly) aspects which were previously found problematic. The dietitians could not show any documented evidence of harm to public health and safety. The present system allow for voluntary certification by the American Dietetic Association. The ADA grants the title, RD, (Registered Dietitian) upon fulfilling certain education and clinical requirements. The title, which can be withdrawn by the ADA for cause, represents a level of professional standing analogous to the status of a CPA vis-à-vis a public accountant. The committee felt that nutritionists, who are also certified by a national organization, were due greater consideration in any measure upgrading the status of food health professionals, if, in fact, one is necessary at all. The bill affords dietitians the exclusive right to use the term "N.H. Certified Nutritionist". This would create a potentially confusing situation with regard to the certified nutritionists that are currently in practice. It would legislate, in the opinion of the committee, undue official recognition towards one group of professionals over another operating in the same field. Vote 11-2.

Adopted.

HB 756-FN, relative to the registration of alternative providers of mental health services. **OUGHT TO PASS WITH AMENDMENT**

Rep. Miriam D. Dunn for Executive Departments and Administration: This bill is one result of the committee's study of HB 357 from the prior session. "Alternative provider" is broadly defined under RSA 330-A, the Mental Health Practice Act. Such providers who are non-licensed and non-certified are to register with the Department of Health and Human Services, Office of Program Support, Licensing & Regulations which will oversee rulemaking and disciplinary action. The amendment deletes a requirement for "disclosure of information", an issue currently under consideration in other mental health provider bills. Vote 11-3.

Amendment (0531h)

Amend the bill by deleting RSA 330-A:34 as inserted by section one of the bill and renumbering the original RSA 330-A:35-37 to read as RSA 330-A:34-36.

Amend RSA 330-A:34, VI-VIII as inserted by section 1 of the bill by replacing them with the following:

VI. The imposition of administrative fines authorized under RSA 330-A:36, III(c).

VII. Providing notice by appropriate publication to persons subject to this subdivision of the enactment of this subdivision.

HB 775-FN-A, relative to the regulation of ophthalmic dispensing and making an appropriation therefor. **WITHOUT RECOMMENDATION**

Reps. Merton S Dyer, Nancy C. Stickney, Andrew R. Peterson, Myron S. Steere, III, Kipp A. Cooper, Ray F. Langer, John P. Beaulieu, Howard C. Dickinson, Jr., Maurice E. Goulet and Robert S. Mercer for Executive Departments and Administration: This bill is being reported out without a recommendation as the committee had 2 tie votes, re-refer and ought to pass, with very little indication that further votes would resolve the issue for a positive report. This bill has been before the committee in the past and an attempt was made to work out a viable compromise between the

various parties. The present bill is not in proper form to pass, but with the time remaining, it was impossible to go back to the drawing board. Among the problems that some members of the committee see in the bill are that one member of the board of ophthalmic dispensing will come from the New Hampshire Society of Independent Opticians. This organization is not registered with the secretary of state and little is known about it. The bill grandfatheres those who have practiced for at least two years prior to January 1, 1998, but what happens to those that made a large financial investment after January 1, 1996 but will not be able to practice their chosen trade? A larger issue: will certification with continuing education produce better quality control and will there be an increased cost to the consumer or a restriction of services because of these changes Vote 10-10. Reps. Miriam D. Dunn, Sylvia A. Holley, Robert K. Dodge, James P. Pilliod, Robert P. Asselin, Timothy N. Robertson, Robert E. Murphy, Gerald O. Gosselin, Theresa A. Drabinowicz and Mary Stuart Gile for Executive Departments and Administration: Ophthalmic dispensers (opticians) are now registered by the department of health and human services with an advisory council to the commissioner. There are no requirements for education or training for the filling of eye glass prescriptions issued by ophthalmologists and optometrists. This bill requires certification with, for the first time, education, job-training and an examination. Certification is supported by New Hampshire independent opticians, by the New Hampshire Medical Society, by the Opticians Association of America, by over 100 consumer signed petitions - as well as by 8 sponsors, bi-partisan, from the house and senate. It is opposed once again by the large chains. The public deserves qualified opticians.

Rep. Dunn moved Ought to Pass, spoke in favor and yielded to questions.

Rep. Hunt spoke against.

Rep. Sargent spoke in favor.

Rep. Goulet spoke against and yielded to questions.

On a division vote, 171 members having voted in the affirmative and 176 in the negative, the motion failed.

Rep. Dyer moved Inexpedient to Legislate.

On a division vote, 192 members having voted in the affirmative and 158 in the negative, the motion was adopted.

RECONSIDERATION

Having voted with the prevailing side, Rep. Holt moved that the House reconsider its action whereby it adopted Inexpedient to Legislate on **HB 775**, relative to the regulation of ophthalmic dispensing and making an appropriation therefor.

Reconsideration failed.

REGULAR CALENDAR - PART I (CONT'D.)

HB 785-FN, relative to alcohol and other drug abuse professionals. **OUGHT TO PASS WITH AMENDMENT**

Rep. Nancy C. Stickney for Executive Departments and Administration: This bill upgrades the certified alcohol and other drug abuse professionals and establishes a board of licensure. The amendment administratively attaches the board to the office of the commissioner of the department of health and human services. It also addresses other areas of a technical nature: 1) the confidentiality issues by inserting "unless otherwise required by law", 2) provides in statute protection that applies to child abuse laws, and 3) clarifies the counselor/client sexual relations issue to agree with other statutes in the mental health services. Vote 11-7.

Amendment (0535h)

Amend RSA 330-C:3, XVII as inserted by section 1 of the bill by replacing it with the following:

XVII. "Practice of substance abuse counseling" is the rendering or offering to render professional service for any documented fee or other consideration to individuals, families, or groups. Those professional services include the application of the specific knowledge, skills, counseling theory, and application of techniques to assess, diagnose, define goals, and develop a treatment plan of action aimed toward prevention, education, or treatment in the recovery process of substance abuse within the continuum of care service network. The practice further includes but is not limited to networking and making referrals to medical, social services, mental health services, psychiatric, or legal resources when so indicated.

Amend RSA 330-C:4, III as inserted by section 1 of the bill by replacing it with the following:

III. A person who violates the provisions of this section shall be guilty of a misdemeanor, and each violation shall be deemed a separate offense. The board may enforce the provisions of paragraph II by seeking injunctive relief from the superior court.

Amend RSA 330-C:6, IV as inserted by section 1 of the bill by replacing it with the following:

IV. The term of office shall be 3 years. Any person appointed to fill a vacancy shall fill the unexpired term of office. Upon expiration of the term of office, a member shall continue to serve until a successor has been appointed and qualified. No person shall be appointed for more than 2 consecutive 3-year terms.

Amend RSA 330-C:7-14 as inserted by section 1 of the bill by replacing them with the following:

330-C:7 Administrative Attachment. The board shall be an administratively attached agency under RSA 21-G:10 to the office of the commissioner of the department of health and human services.

330-C:8 Rulemaking; Powers and Duties of the Board.

I. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

(a) Qualifications of alcohol and drug abuse counselors including, but not limited to:

- (1) Education and training.
- (2) Experience required.
- (3) Required knowledge of alcohol and drug abuse counseling.
- (4) Adherence to ethical standards.
- (5) Continuing education and renewal.
- (6) Test requirements.

(b) Qualifications of clinical supervisors including, but not limited to:

- (1) Education and training.
- (2) Experience required.
- (3) Licenses required.
- (4) Required knowledge of clinical supervision.
- (5) Continuing education and renewal.
- (6) Testing requirements.

(c) The imposition of administrative fines authorized under RSA 330-C:13, III(h);

II. The board shall establish peer advisory committees to carry out the testing requirements of this chapter in accordance with rules adopted pursuant to RSA 541-A.

III. The board shall be responsible for all disciplinary procedures under this chapter in accordance with rules adopted pursuant to RSA 541-A.

IV. The board shall adopt rules pursuant to RSA 541-A for any other matters as may be necessary for the administration of this chapter, including but not limited to:

(a) The criteria and process for recognizing educational institutions.

(b) Fees, renewal fees, late renewal fees and any other additional application requirements for licenses.

(c) Adjudicative procedures for all hearings conducted by the board.

330-C:9 Licenses.

I. The board shall issue a clinical supervisor license or an alcohol and drug counselor license, whichever is appropriate, to an applicant who files an application, pays the required fee, and meets the qualifications established under RSA 330-C:8.

II. An applicant shall prove to the board's satisfaction all of the following:

(a) For licensure as an alcohol/drug counselor (LADC):

- (1) 6,000 hours of supervised alcohol and drug abuse work experience.
- (2) 270 hours of training and education.
- (3) 300 hours of supervised practical training, which may be included as part of the requirements under subparagraph (a)(1).

(4) Passing of written ICRC test.

(5) Passing of oral ICRC test.

(6) Passing of ICRC written test for clinical supervisors.

(b) For licensure as a clinical supervisor (LCS):

(1) Licensure as an alcohol and drug counselor.

(2) 10,000 hours experience as an AODA counselor.

(3) 4,000 hours of experience as a clinical supervisor in alcohol and drug abuse specialty, which may be included in the experience as part of the requirements under subparagraph (b)(2).

(4) Minimum 200 hours of face-to-face clinical supervision.

(5) 30 hours of training in clinical supervision covering assessment, evaluation, counselor development, management, administration, and professional responsibility.

(6) Passing of International ICRC written test for clinical supervisors.

(c) United States citizenship or status as a legal resident alien.

(d) Absence of a sanction from the National Association of Alcohol and Drug Abuse Counselors, or from a state agency for a violation of a code of ethics, or other related state board sanctions which shall be waived by the board upon presentation of satisfactory evidence that such sanction does not impair the availability of the person to conduct with safety to the public the practice authorized by this chapter. The applicant shall bear the burden of proving that the sanction does not impair the applicant's ability to conduct with safety to the public the practices authorized by this chapter.

(e) That the applicant has not been convicted of a felony in any jurisdiction. A person may be licensed in spite of a felony conviction if the board, upon presentation of satisfactory evidence, finds that such conviction does not impair the ability of the person to conduct with safety to the public the practice authorized by this chapter. The applicant shall bear the burden of proving that the conviction does not impair the applicant's ability to conduct with safety to the public the practices authorized by this chapter.

(f) That the applicant has not been declared mentally incompetent by any court, and, if so, that there has been a subsequent court determination that the applicant is competent.

(g) Freedom from use of any controlled substance or any alcoholic beverages to the extent that the use impairs the ability of the applicant to conduct with safety to the public the practices authorized by this chapter. The applicant shall bear the burden of proving that the applicant is free from use of any controlled substance or any alcoholic beverage which impairs the applicant's ability to conduct with safety to the public the practices authorized by this chapter.

III. The board shall license any applicant who is similarly licensed in another state, provided the other state's licensing requirements are substantially equivalent to or greater than those of this state.

330-C:10 Fees and Renewals.

I. Licenses shall be renewed every 24 months after initial licensure upon payment of a fee.

II. Licensees shall have a grace period of 30 days after the expiration of their licenses in which to renew retroactively if they otherwise are entitled to have their licenses renewed and pay to the board the renewal fee and any late fee set by the board under rules adopted pursuant to RSA 541-A.

III. A suspended license shall be subject to expiration and may be renewed as provided in this chapter, but such renewal shall not entitle the licensee, while the license remains suspended and until it is reinstated, to engage in the licensed activity, or in any other conduct or activity in violation of the order under which the license was suspended.

IV. A license revoked on disciplinary grounds shall be subject to expiration as provided in this chapter, and it may not be renewed. If such license is reinstated after its expiration, the licensee, as a condition of reinstatement, shall pay a reinstatement fee that shall equal the renewal fee in effect on the last regular renewal date immediately preceding the date of reinstatement, plus any late fee set by the board.

V. Any person who fails to renew a license issued under this chapter by the end of the 30-day grace period as provided in paragraph II may have such license reinstated as long as the person:

(a) Submits an application for reinstatement to the board within 5 years after the expiration date of the license; and

(b) Meets the requirements established by the board as conditions for license renewal.

330-C:11 Continuing Education.

I. As a prerequisite to renewal of licensure, a licensee shall present satisfactory evidence to the board of having met the continuing education requirements of this chapter.

II. The continuing education requirement for renewal of licensure shall be:

(a) For alcohol/drug counselor (ADC), 48 hours of approved continuing education of training in the 24 months subsequent to the date of licensure and later re-licensure.

(b) For clinical supervisor (CS), 6 hours of training on clinical supervisor which may be incorporated into the hours needed for ADC re-licensing.

330-C:12 Confidentiality. No licensee under this chapter or an employee of a licensee shall disclose any information which was acquired from clients or persons consulting with the licensee or employee of the licensee in the course of rendering professional services unless otherwise required by law.

330-C:13 Disciplinary Action; Criminal Penalty.

I. Misconduct sufficient to support disciplinary proceedings under this section includes:

- (a) Violating any provision of this chapter or any substantive rule adopted under this chapter or order issued by the board.
- (b) Engaging in the practice of chemical dependency counseling or supervision in a manner harmful or dangerous to the client or public.
- (c) The practice of fraud or deceit in procuring or attempting to obtain a license under this chapter.
- (d) Failing to obtain the continuing education credits necessary for renewal of license.
- (e) Engaging in sexual relations, soliciting sexual relations, or committing an act of sexual abuse or sexual misconduct with a current client or with a person who was a client within the past 6 years.
- (f) Failing to remain free from the use of any controlled substance or any alcoholic beverage to the extent that the use impairs the ability of the applicant to conduct with safety to the public the practices authorized by this chapter.
- (g) Conviction of a felony which has not been waived by the board.
- (h) Having a disciplinary action pending or having a license in another state or territory of the United States under revocation, suspension, or probation.
- (i) Failing to maintain confidentiality pursuant to RSA 330-C:12.
- (j) Engaging in false or misleading advertising.
- (k) Having a mental disability which significantly impairs professional ability or judgment and which is independently verified to the board.
- (l) Violating any of the provisions of this chapter.

II. All complaints relative to a licensee's business or professional practice shall be submitted to the board. Each complaint received shall be recorded by the board and contain the following information:

- (a) Licensee's name.
- (b) Name of the complaining party.
- (c) Date of complaint.
- (d) Brief statement of complaint.

III. The board, after notice and a public hearing, may take disciplinary action in any one or more of the following ways:

- (a) Revocation of the license.
- (b) Suspension of the license for any period of time.
- (c) Censure of the licensee.
- (d) Issuance of a letter of reprimands.
- (e) Placement of a licensee on probationary status. The board may require the licensee to submit to any of the following:

(1) Regular reporting to the board concerning the matters which are the basis of the probation.

(2) Continuing professional education until a satisfactory degree of skill has been achieved in those areas which are the basis of probation.

- (f) Refusal to renew a license.
- (g) Revocation of probation which has been granted by the board and imposition of any other discipline provided in this section if the requirements of probation have not been fulfilled or have been violated.

(h) By assessing administrative fines in amounts established by the board which shall not exceed \$2,000 per offense, or in the case of a continuing offense, \$250 for each day the violation continues.

IV. The board may reinstate any licensee to good standing under this chapter if, after hearing, the board is satisfied that reinstatement of the licensee is in the public interest.

V. Upon the suspension or revocation of a license issued under this chapter, a licensee shall surrender the license to the board.

VI. The board may make available annually a list of the names and addresses of all persons licensed under this chapter, and of all persons who have been disciplined by the board within the preceding 12 months.

VII. Any person convicted of violating the provisions of this chapter shall be guilty of a class A misdemeanor.

330-C:14 Investigations.

I. The board may investigate possible misconduct by licensees and other matters within the scope of this chapter. Investigations may be conducted formally, after issuance of a board order setting forth the general scope of the investigation, or informally, without such an order. In either case, board investigations and the information gathered in such investigations shall be exempt from the public disclosure provisions of RSA 91-A, except to the extent such information may later become the subject of a public disciplinary hearing. The board may disclose information acquired in an investigation to law enforcement or health licensing agencies in this state or any other jurisdiction, or in response to specific statutory requirements or court orders.

II. The board may retain legal counsel, expert witnesses, special advisors, or other qualified persons to assist with any investigation or adjudicatory proceeding. To the extent the board's existing appropriation does not include funds covering such expenditures, the board may request the governor and council to expend funds not otherwise appropriated on the condition that such funds be recovered in the board's next budget at the rate of 125 percent.

III. The form taken by an investigation is a matter reserved to the discretion of the board. The board may conduct investigations on an ex parte basis.

IV.(a) The board may administer oaths or affirmations, preserve testimony and, after consultation with an attorney employed by the state of New Hampshire, may issue subpoenas for witnesses and for documents and things only in a formal investigation or an adjudicatory hearing, except that subpoenas for medical records and pharmacy records, as provided in paragraph V, may be issued at any time.

(b) The board may serve a subpoena on any licensee of the board by certified mail, but shall serve a subpoena on any other person in accordance with the procedures and fee schedules required in 42 C.F.R. 2.

(c) Persons licensed by the board shall not be entitled to a witness fee or mileage expenses for travel within the state, which are necessary to respond to a subpoena issued by the board.

(d) Any board-issued subpoena related to a board hearing or investigation shall be valid if annotated "Fees Guaranteed by the New Hampshire Board of Licensing for Alcohol and Drug Abuse Professionals".

(e) A minimum of 48 hours' notice shall be given for compliance with a subpoena issued under this chapter.

V. The board may at any time subpoena client records from its licensees, or other health care providers, or health care facilities licensed or certified in this state to the extent that the records sought are relevant to matters within the board's regulatory authority. Such subpoenas shall be served by certified mail or by personal delivery to the address shown on the respondent's current license or certificate, and shall require no witness or other fee. A minimum of 15 days' advance notice shall be allowed for complying with a subpoena duces tecum issued under this paragraph.

VI. All licensees shall have the duty to notify the board of their current business and residence addresses. A licensee shall receive adequate notice of any hearing or other action taken under this chapter if notice is mailed in a timely fashion to the most recent home or business address furnished to the board by the licensee.

VII. On its own motion or in response to a complaint received by the board, the board may informally mail a copy of a complaint to any licensee who is the subject of the complaint and require the licensee to provide a detailed and good faith written response to the allegations identified by the board. Complete copies of office records concerning any patient identified in the complaint shall be provided by the licensee. The licensee shall respond to such request within a reasonable time period of not less than 15 days, as the board may specify in its written request.

VIII. Any person may file a written complaint with the board which charges that a licensee has committed misconduct. The board may dismiss complaints when the undisputed allegations do not warrant disciplinary actions and may settle complaints informally with the consent of the licensee. Some or all of the allegations in a complaint may be consolidated with another complaint or with issues which

the board wishes to investigate or hear on its own motion. If an investigation of a complaint results in an offer of settlement by the licensee, the board may settle the allegations against the licensee without the consent of a complainant, provided that material facts are not in dispute and the complainant is given an opportunity to comment upon the terms of the proposed settlement.

330-C:15 Hearings.

I. Any complaint not dismissed or settled informally shall be heard by the board. Such hearing shall be an open public hearing. Any member of the board shall have the authority to preside at such a hearing and to issue oaths or affirmations to witnesses.

II. The board shall furnish the respondent and the complainant, if any, at least 15 days' written notice of the date, time, and place of a hearing, except as otherwise provided in this chapter. Such notice shall include an itemization of the issues to be heard, and, in the case of a disciplinary hearing, a statement as to whether the action has been initiated by a written complaint or upon the board's own motion, or both. If a written complaint is involved, the notice shall provide the complainant with a reasonable opportunity to intervene as a party.

III. The board may, before or after the commencement of an adjudicatory hearing, dispose of disciplinary or certification allegations arising under this chapter by order of dismissal, settlement, default, consent order, or summary judgment order. In disciplinary hearings, the board may hold prehearing conferences which shall be exempt from the provisions of RSA 91-A, but all final disciplinary actions, including those which occur without holding a public hearing, shall be publicly released at the time they are served upon the parties.

IV. The respondent shall be heard in the respondent's defense either in person or by counsel and may produce witnesses and testify in the respondent's behalf. A stenographic record of the hearing shall be taken and preserved. The hearing may be adjourned from time to time.

V. Every final disciplinary action and other adjudicatory decisions made final by the board shall be reduced to writing and served upon the parties. Such decisions shall not be public until they are served upon the parties.

VI. The board shall have no obligation or authority to appoint or provide an attorney to any person appearing at a board hearing or investigation.

VII. Final certification and disciplinary actions of the board may be appealed to the supreme court under the procedures set forth in RSA 541. However, no sanction imposed by the board shall be stayed during appeal.

Amend the section heading of section 2 of the bill by replacing it with the following:

2 Initial Board Appointments; Meeting and Election of Chairperson.

HB 488-FN, relative to involuntary admission to the state hospital on an emergency basis. **OUGHT TO PASS WITH AMENDMENT**

Rep. Margaret Case for Health, Human Services and Elderly Affairs: The bill includes very specific criteria in the definition of involuntary admission into the mental health service system. This would add one additional category. The intention of the bill is to alleviate the danger to the patient and to the community at large. Safeguards against potential abuse are already present in current statute. Vote 16-3.

Amendment (0287h)

Amend the bill by replacing section 1 with the following:

1 New Subparagraph; Definition Revised. Amend RSA 135-C:27, I by inserting after subparagraph (c) the following new subparagraph:

(d) The person meets all of the following criteria:

(1) The person has been determined to be severely mentally disabled in accordance with rules authorized by RSA 135-C:61 for a period of at least one year;

(2) The person has had at least one involuntary admission, within the last 2 years, pursuant to RSA 135-C:34-54;

(3) The person has no guardian of the person appointed pursuant to RSA 464-A;

(4) The person is not subject to a conditional discharge granted pursuant to RSA 135-C:49, II;

(5) The person has refused the treatment determined necessary by a mental health program approved by the department; and

(6) A psychiatrist at a mental health program approved by the department has determined, based upon the person's clinical history, that there is a substantial probability that the person's refusal to accept necessary treatment will lead to death, serious bodily injury, or serious debilitation if admission is not ordered.

HB 537-FN, relative to the practice of allied health professionals. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alphonse Haettenschwiler for Health, Human Services and Elderly Affairs: This bill finally brings five health groups under one executive directive for administrative activities. Consolidation of board and commission has been an on-going process since 1979 and hopefully will reach fruition this year. It also replaces and modifies certain laws governing the practice of athletic training, occupational therapy, respiratory care, physical therapy, and speech-language pathology. The bill establishes governing boards for each of these areas of practice and a board of directors consisting of the chairpersons of each of the governing boards. It imposes certain duties and gives certain authority to the governing boards and the board of directors, respectively, for the purposes of regulating these professions.

The bill also gives the board of directors the authority to hire an unclassified executive director. Vote 16-0.

Amendment (0533h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Allied Health Professionals. Amend RSA by inserting after RSA 328-E the following new chapter:

CHAPTER 328-F

ALLIED HEALTH PROFESSIONALS

328-F:1 Purpose. The purpose of this chapter is to regulate allied health professionals in the state to assure that the services provided are effective and of a quality consistent with the standard of care within each profession, and to safeguard the public against harm which may be caused by unqualified, impaired, or unlicensed practitioners.

328-F:2 Definitions.

I. "Board of directors" means the chairpersons or their appointees of all the governing boards which shall be responsible for the administrative operation of the office of licensed allied health professionals.

II. "Governing boards" means individual licensing boards of athletic trainers, certified occupational therapy assistants, occupational therapists, physical therapists, physical therapy assistants, respiratory care practitioners, and speech-language pathologists.

III. "Occupational therapy" means "occupational therapy" as defined in RSA 326-C:1, IV.

IV. "Office of licensed allied health professionals" means an agency of multiple governing boards in professions of the allied health field.

V. "Physical therapy" or "physiotherapy" means "physical therapy" or "physiotherapy" as defined in RSA 328-A:1, VI.

VI. "Practice of athletic training" means "practice of athletic training" as defined in RSA 326-G:1, V.

VII. "Respiratory care" means "respiratory care" as defined in RSA 326-E:1, VI.

VIII. "Speech-language pathology" means "speech-language pathology" as defined in RSA 326-F:1, IV.

328-F:3 Governing Boards Established; Board of Directors; Office of Licensed Allied Health Professionals.

I. There shall be established governing boards of athletic trainers, occupational therapists, respiratory care practitioners, physical therapists, and speech-language pathologists.

II. The governing boards' chairpersons or their appointees shall make up the board of directors of the office of licensed allied health professionals. The board of directors shall have author-

ity to hire an unclassified executive director to serve the members of the governing boards in the execution of their duties, as well as classified and other technical and clerical staff to run the office's business in an efficient manner.

III. There shall be an office of licensed allied health professionals established in Concord. It shall be an administratively attached agency, under RSA 21-G:10, to the department of health and human services.

Governing Boards

328-F:4 Governing Boards; Memberships; Appointments.

I. Each governing board shall be composed of 5 persons, each to be appointed by the governor with the approval of the council, to a term of 3 years. Members shall serve until the expiration of the term for which they have been appointed or until their successors have been appointed and qualified. No board member shall be appointed to more than 2 consecutive terms. Any professional members of all governing boards shall maintain current and unrestricted New Hampshire licenses.

II. The initial appointees to the governing boards shall serve as follows: one initial appointee who is a licensed professional shall serve a term of one year, one initial appointee who is a licensed professional shall serve a term of 2 years, one initial public member shall serve a term of 2 years, and the remaining 2 initial appointees shall serve terms of 3 years. An initial appointment of less than 3 years shall not be considered a full term.

III. Each public member of a governing board shall be a person who is not, and never was a member of the applicable allied health profession or the spouse of any such person, and who does not have, and never has had a material financial interest in either the provision of that allied health service, a health insurance company, or health maintenance organization, including representation of the board or profession for a fee at any time during the 5 years preceding appointment.

IV. The athletic trainers governing board shall consist of 3 licensed athletic trainers, who have actively engaged in the practice of athletic training in this state for at least 3 years, one physician educated in the current practice of sports medicine, and one public member.

V. The occupational therapy governing board shall consist of 2 licensed occupational therapists and one occupational therapy assistant, who have actively engaged in the practice of occupational therapy in this state for at least 3 years, one physician knowledgeable in the practice of occupational therapy, and one public member.

VI. The physical therapy governing board shall consist of 2 licensed physical therapists and one physical therapist assistant, who have actively engaged in the practice of physical therapy in this state for at least 3 years, and 2 public members.

VII. The respiratory care practitioner governing board shall consist of 3 licensed respiratory care practitioners, who have actively engaged in the practice of respiratory care in this state for at least 3 years, one physician knowledgeable in the practice of respiratory care, and one public member.

VIII. The speech-language pathology governing board shall consist of 4 licensed speech-language pathologists who have actively engaged in the practice of speech-language pathology in this state for at least 3 years, and one public member. At least one speech-language pathologist shall be employed in an educational setting and at least one employed in a clinical setting.

328-F:5 Duties. Each governing board shall:

I. Examine and investigate persons who apply for the authority to practice in New Hampshire and license those who are found qualified under the standards of this chapter.

II. Investigate and examine existing licensees and commence disciplinary action concerning licensees in accordance with the standards of this chapter.

III. Investigate and prepare reports on any matter within the scope of this chapter.

IV. Assess, compromise, and collect civil penalties against persons engaged in unauthorized practice or other violations of this chapter.

V. Report final disciplinary actions to appropriate national databases.

328-F:6 Compensation; Expenses. Members of the governing boards shall receive \$50 per day for meetings, and shall be reimbursed for travel expenses incurred in connection with the work of the board.

328-F:7 Removal of Members; Vacancies. The governor and council may remove any member of the governing boards for misconduct, incompetence, neglect of duty, or other sufficient cause

after the member has been given a written statement of the charges and an opportunity to be heard regarding such charges. Any vacancy in the membership of the board shall be promptly filled for the unexpired term.

328-F:8 Organization and Meeting. Each governing board shall meet monthly, or more often as its business requires. A majority of each board shall constitute a quorum.

328-F:9 Records. A true record of all of each board's official acts shall be made and preserved by the executive director. The records shall be public and shall be open to inspection at all reasonable times, except for records compiled in connection with disciplinary investigations and records otherwise exempt from disclosure under RSA 91-A, RSA 329:18, or other applicable statutes.

328-F:10 Records of Licensees and Disciplinary History.

I. Each governing board shall maintain a current list of living or deceased persons who has ever been licensed to practice under this chapter. The list shall show the licensee's last known place of employment, last known place of residence, and the date and number of the license.

II. Each governing board shall maintain a current list of persons against whom the board has taken any disciplinary actions. This list shall include the names, type and cause of action, date and penalty incurred, and the length of penalty. This list shall be available for public inspection during regular business hours. This list shall be supplied to similar boards in other states upon request.

328-F:11 Rulemaking.

I. The governing board of athletic training shall adopt rules as provided in RSA 326-G:7.

II. The governing board of occupational therapy shall adopt rules as provided in RSA 326-C:11.

III. The governing board of physical therapy shall adopt rules as provided in RSA 328-A:14.

IV. The governing board of respiratory care practitioners shall adopt rules as provided in RSA 326-E:3.

V. The governing board of speech-language pathology shall adopt rules as provided in RSA 326-F:13.

Board of Directors

328-F:12 Responsibilities.

I. The board of directors shall be responsible for preparing and submitting the biennial budget, setting fees, and allocating appropriated funds to each governing board.

II. Annually, the board of directors shall submit to the governor a report of the transactions of the preceding year and a complete statement of the receipts and expenditures of the boards.

III. The board of directors shall meet at least quarterly and more often if needed.

IV. The board of directors shall provide a forum for multi-disciplinary practice issues, but shall not set policy.

328-F:13 Board of Directors; Rulemaking Authority. The board of directors shall adopt rules, pursuant to RSA 541-A, relative to:

I. The application procedure for any license issued under this chapter.

II. The design and content of all forms required under this chapter.

III. The procedural requirements for the reinstatement of licenses after lapses, inactive status, voluntary surrender, or disciplinary action consistent with this chapter.

IV. Procedures to be followed for the filing of charges and conduct of hearings with respect to disciplinary proceedings.

V. The establishment of fees required under this chapter.

VI. Procedural requirements for assessing, compromising, and collecting administrative fines against licensees as authorized under this chapter.

328-F:14 Receipts and Disbursements. The board of directors shall receive and account for all moneys derived under the provisions of this chapter, and shall pay such moneys to the state treasurer to be deposited in the general fund.

328-F:15 Fees. The board of directors shall establish fees for examination of applicants, licensure, registration, renewal of license, transcribing and transferring records, and other services, including investigations and hearings conducted under this chapter.

Licensing Provisions

328-F:16 Interim License.

I. The governing boards may issue interim licenses to applicants who are qualified. Such interim licenses shall be available to the following applicants:

(a) A student awaiting results of an examination.

(b) Applicants licensed in other states who are awaiting a final governing board decision.

(c) Applicants educated outside the United States awaiting results of an examination.

II. No interim license shall exceed 9 months nor shall it be renewed.

328-F:17 Applicants From Other States.

I. A governing board may grant a license to any applicant who is licensed in any other state, provided the other state's licensure requirements are substantially equivalent to or higher than those of this state.

II. The applicant shall certify under oath that all credentials and licenses are in good standing and are not currently under investigation or disciplinary action.

III. The applicant shall provide verification of continuing education or evidence of continued competency which the rules of the governing boards require.

328-F:18 Action on License Applications.

I. The individual governing boards shall make no final decision concerning the qualifications of a new or reinstatement applicant in its profession until it has received the results of all required examinations and all third-party certifications required to be submitted with the license application, and the time periods specified by RSA 541-A:29 shall be calculated from the date the last of the required documents is received by the governing board.

II. No application shall be granted unless the professions' governing board finds that the applicant possesses the necessary educational, character, and other professional qualifications to practice in their occupation, and that no circumstances exist which would be grounds for disciplinary action against a licensed allied health professional, and that no credentials or prior licenses have been revoked for disciplinary actions.

III. Each individual governing board shall grant an unrestricted permanent license to persons it finds to have the necessary professional qualifications. The governing boards may also, by consent or after notice and the opportunity to be heard, resolve issues concerning professional qualifications by granting a temporary license, or a temporary or permanent license with restrictions.

IV. Licenses shall be signed and dated by the chairperson of each governing board, stating that the licensee is authorized to practice their profession, be numbered consecutively, and be recorded.

V. Persons holding interim or provisional licenses shall be subject to the disciplinary provisions of this chapter and such additional professional character and competency requirements as the governing boards may require by rule.

328-F:19 Renewal. Every person licensed to practice under this chapter shall apply to the office for biennial renewal of license on forms provided by the office and shall pay a renewal fee established by the office of allied health practitioners.

328-F:20 Notice of Renewal.

I. On or before October 15 of each renewal year, the office shall mail each licensee an application for renewal of license.

II. Any licensee who fails to file an application for renewal by December 31 of the renewal year shall be required to pay double the renewal fee. Any failure, neglect, or refusal on the part of any person licensed by the board to renew the license within 60 days of December 31 of the renewal year shall automatically result in the lapse of such license. Licenses lapsed under this section shall not be restored except upon payment of a reinstatement fee as established by the office of licensed allied health professionals, and showing of such evidence of professional competence as the governing board may reasonably require.

328-F:21 Change of Address. Licensees shall maintain their current business and home address on file with the applicable board. Any changes in address shall be provided to the office no later than 30 days from the date of the change.

328-F:22 Reinstatement. Any person whose license has lapsed may be restored to active status upon the filing of a written request for reinstatement of license, accompanied by the reinstatement fee, and proof of satisfaction of continuing education requirements established by the governing boards, and such other evidence of professional competence as the governing boards may reasonably require.

Disciplinary Action; Hearings

328-F:23 Disciplinary Action.

I. Any governing board may undertake disciplinary proceedings (a) upon its own initiative, or (b) upon written complaint of any person which charges that a person licensed by the board has committed misconduct as set forth in paragraph IV of this section and which specifies the grounds therefor.

II. Every licensed hospital, clinic or other health care facility, educational facility or agency within the state shall report to the appropriate governing board any disciplinary or adverse action relating to professional practice against a person licensed by the board within 30 days after such action is taken.

III. Every professional society within the state comprised primarily of persons licensed by the board shall report to the board any disciplinary action against a member relating to professional ethics, professional incompetence, moral turpitude, or drug or alcohol abuse within 30 days after such disciplinary action is taken.

IV. Each governing board, after hearing, may take disciplinary action against any person licensed by it upon finding that the person:

(a) Has knowingly provided false information during any application for professional licensure or institutional privileges, whether by making any affirmative statement which was false at the time it was made or by failing to disclose any fact material to the application.

(b) Is impaired through the use of drugs or intoxicants or is proven to be unable to safely provide care to the public due to a compromise of physical or mental functional abilities.

(c) Has displayed a pattern of behavior which is incompatible with basic knowledge and competence expected of persons licensed to practice their profession or any particular aspect or specialty thereof.

(d) Has engaged in dishonest or unprofessional conduct, or has been grossly or repeatedly negligent in practicing their profession in performing activities ancillary to their occupation or any particular aspect or specialty thereof, or has intentionally injured a patient while practicing or performing such ancillary activities.

(e) Has employed, allowed or is aware of an unlicensed person practicing a profession licensed by this chapter.

(f) Has failed to provide adequate safeguards in regard to aseptic techniques and universal precautions.

(g) Has included in advertising any statement of a character tending to deceive or mislead the public or any statement claiming professional superiority.

(h) Has willfully or repeatedly violated any provision of this chapter or any substantive rule of the board.

(i) Has been convicted of any criminal act excluding minor traffic violations under the laws of the United States or any state.

(j) Has failed to maintain adequate clinical record documentation on diagnostic and therapeutic treatment provided or has unreasonably delayed clinical record transfer.

(k) Has failed to adhere to the recognized standards of ethics of their profession.

(l) Has failed to report to the governing boards any act or omission of a licensee or applicant or any person which violates the provisions of this chapter.

(m) Has interfered with, or refused to cooperate in, an investigation or disciplinary proceeding by willful misrepresentation of facts or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any legal action.

(n) Has engaged in sexual misconduct. Sexual misconduct includes engaging in or soliciting sexual relationships, whether consensual or nonconsensual, while an allied health professional/patient relationship exists; or sexual harassment which includes making sexual advances, requesting sexual favors, and engaging in other verbal conduct or physical contact of a sexual nature.

V. The governing board, upon making an affirmative finding under IV, may take disciplinary action in any one or more of the following ways:

(a) By reprimand.

(b) By suspension, limitation, or restriction of a license or probation for a period of time as determined reasonable by the governing board.

(c) By revocation of license.

(d) By requiring the person to submit to the care, treatment, or observation of a physician, counseling service, health care facility, professional assistance program or any combination thereof which is acceptable to the governing board.

(e) By requiring the person to participate in a program of continuing education in the area or areas in which the person has been found deficient.

(f) By requiring the person to practice under supervision, in a public institution, public or private health care program, or private practice for a period of time specified by the governing board.

(g) By assessing administrative fines in amounts established by the board which shall not exceed \$2,000 per offense, or, in the case of continuing offenses, \$200 for each day that the violation continues, whichever is greater.

VI. The governing boards may issue a non-disciplinary reprimand to licensees. Such reprimand shall not constitute disciplinary action in the meaning of paragraph V, but is consistent with the purpose and intention of that paragraph and best interest of the public. The letters of concern may be released to the public or other licensing authority at the discretion of the issuing governing board. The letters may be used as evidence in subsequent disciplinary proceedings by the board.

VII. Disciplinary action taken by the governing boards under this section may be appealed to the supreme court under RSA 541. However, no sanction imposed by the governing board shall be stayed during appeal.

VIII. No civil action shall be maintained against the board of directors or any member of the governing boards or its agents or employees with regard to any action or activity taken in the performance of any duty or authority established by this chapter. No civil action shall be maintained against any organization or its members or against any other person for or by reason of any good faith statement, report, communication, or testimony to the governing board or determination by the governing board in relation to proceeding under this chapter.

IX. Allegations of professional misconduct or other violations of this chapter enforceable by the governing board shall be brought within 6 years from the time the governing board could reasonably have discovered the act, omission or failure complained of, except that conduct which resulted in a criminal conviction or in a disciplinary action by a relevant licensing authority in another jurisdiction may be considered by the governing board without time limitation in making licensing or disciplinary decisions if the conduct would otherwise be a ground for discipline under this chapter. The governing board may also consider licensee conduct without time limitation when the ultimate issue before the governing board involves a pattern of conduct or the cumulative effect of conduct which becomes apparent as a result of conduct which has occurred within the 6-year limitation period prescribed by this paragraph.

X. Upon receipt of an administratively final order from the licensing authority of another jurisdiction which imposes disciplinary sanctions against a licensee, or a person applying for such license, the governing board may issue an order directing the licensee or applicant to appear and show cause why similar disciplinary sanctions or, in the case of an applicant, license denial or restriction, should not be imposed in the state. In any such proceeding, the decision of the foreign licensing authority may not be collaterally attacked, but the licensee or applicant shall be given the opportunity to demonstrate why a lesser sanction should be imposed. The governing board may issue any disciplinary sanction or take any action with regard to a license application pursuant to this section otherwise permitted by this chapter, including sanctions or actions which are more stringent than those imposed by the foreign jurisdiction. The governing board may adopt summary procedures for handling proceedings brought under this chapter, but shall furnish the respondent at least 10 day's written notice and a reasonable opportunity to be heard. The governing board may require a licensee to suspend practice in this state as a condition of postponing a hearing date established for allegations brought under this section.

328-F:24 Investigations.

I. One member of a governing board and an employee of the administrative prosecutions unit may investigate possible misconduct by licensees and applicants for licensure, as well as the unauthorized practice of each licensed profession and other matters within the scope of this chapter. Investigations may be conducted formally, after issuance of a board order setting forth the general scope of the investigation, or informally, without such an order. In either case, board investigations and the information gathered in such investigations shall be exempt from the public disclosure provisions of RSA 91-A, except to the extent such information may later become the subject of a public disciplinary hearing. The office may disclose information acquired in an investigation to law enforcement or health licensing agencies in this state or other jurisdiction, or in response to specific statutory requirements or court orders.

II. The board of directors may retain expert witnesses or other qualified persons to assist with any investigation or adjudicatory proceeding. Members of the governing boards are not eligible for retention. The board of directors may also retain special legal counsel in instances when recommended by the attorney general. To the extent the board's existing appropriation does not in-

clude funds covering such expenditures, the board may request the governor and council to expend funds not otherwise appropriated on the condition that such funds be recovered in the board's next budget at the rate of 125 percent.

III. The form taken by an investigation is a matter reserved to the discretion of the governing boards. The governing boards may conduct investigations on an ex parte basis.

IV.(a) The governing boards may administer oaths or affirmations and preserve testimony. The governing boards, with the advice and consent of the department of justice, may issue subpoenas for witnesses and for documents and things only in a formal investigation or an adjudicatory hearing, except that subpoenas for medical records and insurance billing records may be issued at any time.

(b) The office may serve a subpoena on any licensee of the governing boards by certified mail, but shall serve a subpoena on any other person in accordance with the procedures and fee schedules used in superior court.

(c) Persons licensed by the office shall not be entitled to a witness fee or mileage expenses for travel within the state which is necessary to respond to a subpoena issued by the board.

(d) Any governing board issued subpoena related to a hearing or investigation shall be valid if annotated "Fees Guaranteed by the New Hampshire office of allied health professionals".

(e) A minimum of 48 hours' notice shall be given for compliance with a subpoena issued under this chapter.

V. The governing boards may at any time, with the advice and consent of the department of justice, subpoena medical, clinical, pharmacy, billing or other records related to the diagnosis or treatment from its licensees, or other health care providers, educational institutions, health care facilities and health insurance and health maintenance organizations, and medical and hospital service corporations licensed or certified in this state to the extent that the records sought are relevant to matters within the office's regulatory authority. Such subpoenas shall be served by certified mail or by personal delivery to the address shown on the respondent's current license or certificate, and shall require no witness or other fee. A minimum of 15 days' advance notice shall be allowed for complying with a subpoena duces tecum issued under this paragraph.

VI. All licensees shall have the duty to notify the office of their current business and residence addresses. A licensee shall receive adequate notice of any hearing or other action taken under this chapter if notice is mailed in a timely fashion to the most recent home or business address furnished to the governing board by the licensee.

VII. The governing boards may at any time require a licensee or license applicant to provide a detailed good faith written response to allegations of possible professional misconduct being investigated by the governing board. The board may also require the licensee, applicant, facility, institution, or agency to provide the governing board with complete copies of records concerning any patient whose treatment may be material to allegations of possible professional misconduct being investigated by the governing board. Licensees and applicants shall respond to either type of request within 15 days from the date of the request, or within such greater time period as the governing board may specify.

VIII. Any person may file a written complaint with the governing board which charges that a licensee or license applicant has engaged in professional misconduct or should not be licensed. Such complaints shall be treated as petitions for the commencement of disciplinary proceedings, shall be investigated by the governing board, and shall be exempt from the time limitations of RSA 541-A:29. Some or all of the allegations in a complaint may be consolidated with another complaint or with issues which the governing board wishes to investigate or hear on its own motion. If an investigation of a complaint results in an offer of settlement by the licensee, the governing board may settle the allegations against the licensee without the consent of a complainant, provided that material facts are not in dispute and the complainant is given the opportunity to comment on the terms of the proposed settlement.

328-F:25 Hearings.

I. Allegations of misconduct or lack of professional qualifications which are not settled informally shall be heard by the appropriate governing board. Such hearings shall be an open public hearing. Any member of the governing board, or other person qualified to act as a hearing officer and duly designated by the governing board, shall have the authority to preside at such a hearing and to issue oaths or affirmations to witnesses.

II. The governing board shall furnish the respondent and the complainant, if any, at least 15 days' written notice of the date, time and place of a hearing, except as otherwise provided in this

chapter. Such notice shall include an itemization of the issues to be heard, and, in the case of a disciplinary hearing, a statement as to whether the action has been initiated by a written complaint or upon the board's own motion, or both. The complainant shall be provided with a reasonable opportunity to intervene as a party.

III. The governing boards may at any time dispose of allegations in a complaint, investigation, or disciplinary hearing by settlement, default, or consent order, by issuing an order of dismissal for failing to state a proper basis for adverse action or by summary judgment order based upon undisputed material facts. The governing board shall have discretion to decline or defer prosecution of a complaint which, after appropriate investigation, does not contain allegations of a substantial nature, and may reexamine the allegations in the complaint at any time within the limitations period of this chapter. In disciplinary and licensing proceedings, the governing board may hold prehearing conferences which shall be exempt from the provisions of RSA 91-A, but all final disciplinary actions, including those which occur without holding a public hearing, shall be publicly released at the time they are served upon the parties.

IV. Final disciplinary actions and final actions in other adjudicatory proceedings shall be reduced to writing and served upon the parties. Such decisions shall not be public until they are served upon the parties. However final disposition shall be effective and enforceable as determined by the governing board in accordance with RSA 541-A regardless of when such disposition became public.

V. The governing boards shall have no obligation or authority to appoint or provide an attorney to any person appearing at a board hearing or investigation.

328-F:26 Temporary Suspension Where Imminent Threat. In cases involving imminent danger to life or health, the governing boards may order suspension of a license pending hearing for a period of no more than 120 days. In such cases, the basis for the board's finding of imminent danger to life or health shall be reduced to writing and combined with a hearing notice which complies with this chapter. A licensee may be allowed additional time to prepare for a hearing, but any additional time for preparation shall result in an extension of license suspension commensurate with the additional time extended.

328-F:27 License Required; Exceptions.

I. Nothing in this chapter shall be construed to restrict persons licensed under any other law of this state from engaging in a profession or practice for which they are licensed.

II. No person, not licensed under this chapter, shall practice or hold oneself out as being able to practice any professions under this chapter without obtaining a license for such practice. Holding oneself out shall include the use of letters intended to designate an individual as a licensed allied health professional under this chapter.

III. This chapter shall not apply to visiting instructors licensed in another jurisdiction or holding valid credentials in another country whose activities are limited to providing instruction at a specific time and place.

328-F:28 Confidential Communications. The confidential relations and communications between a practitioner licensed under provisions of this chapter and the patient of such practitioner are placed on the same basis as those provided by law between attorney and client, and, except as otherwise provided by law, no such allied health practitioner shall be required to disclose such privileged communications. Confidential relations and communications between a patient and any person working under the supervision of a physician or surgeon that are customary and necessary for diagnosis and treatment are privileged to the same extent as though those relations or communications were with such supervising physician and surgeon. This section shall not apply to investigations and hearings conducted by the board of allied health practitioners, or any other statutory created health occupational licensing or certifying board conducting licensing, certifying, or disciplinary proceedings.

2 Salary Group; Position Added. Amend RSA 94:1-a, I by inserting in group K:

Executive director of the board of directors as defined in RSA 328-F:2, I.

I. A physical therapist I licensed under this chapter **and RSA 328-F** shall not practice physical therapy without a written prescription or referral from a person licensed to practice medicine, dentistry, podiatry, chiropractic, or naturopathy, or from a person licensed as a physician assistant or advanced registered nurse practitioner.

II. A person licensed under this chapter **and RSA 328-F** as a physical therapist assistant shall practice only under the direction and supervision of a licensed physical therapist.

54 Reference Added. Amend RSA 328-A:11, I to read as follows:

I. A person licensed under this chapter **and RSA 328-F** as a physical therapist II may evaluate and develop a working diagnosis for treatment by physical therapy without a referral, but shall obtain consultation with a person licensed to practice medicine, dentistry, podiatry, chiropractic, or naturopathy, or with a person licensed as a physician assistant or advanced registered nurse practitioner in order to continue treatment beyond 75 consecutive days. This consultation can be made by telephone, fax, in writing or in person but does not necessitate a written referral. This consultation must be documented in the patient's medical record. For patients whose problem is outside the scope of physical therapy, or if at any time, a patient requires further medical evaluation or diagnostic testing, or if there is no documented improvement within 30 days of the initiation of treatment, the patient shall be appropriately referred to a physician, podiatrist, dentist, chiropractor, naturopath, physician assistant, or advanced registered nurse practitioner.

55 Rulemaking Authority Modified. Amend the introductory paragraph of RSA 328-A:14 to read as follows:

The board[, ~~in cooperation with the physical therapy advisory committee,~~] shall adopt rules, pursuant to RSA 541-A, relative to:

AMENDED ANALYSIS

This bill replaces and modifies certain laws governing the practice of athletic training, occupational therapy, respiratory care, physical therapy, and speech-language pathology. The bill establishes governing boards for each of these areas of practice and a board of directors consisting of the chairpersons of each of the governing boards. It imposes certain duties and gives certain authority to the governing boards and the board of directors, respectively, for the purposes of regulating these professions.

The bill also gives the board of directors the authority to hire an unclassified executive director. This bill also makes certain provisions of law gender neutral in accordance with RSA 17-A:6. This bill is a request of the board of medicine.

HB 557-FN-L, establishing a welfare reserve fund and relative to a city or town's liability for general assistance. **INEXPEDIENT TO LEGISLATE**

Rep. Carol Moore for Health, Human Services and Elderly Affairs: The committee overwhelmingly voted this bill Inexpedient to Legislate. We are aware that welfare reform is only four weeks old, that any so called "surplus" money may need to be accessed now in order to be used for childcare and transportation costs in order to support getting people off welfare, and that this bill is simply too restrictive at this time. Vote 16-2.

Adopted.

HB 567-FN-L, relative to administration of vital records. **OUGHT TO PASS**

Rep. Marion Copenhaver for Health, Human Services and Elderly Affairs: The committee heard very compelling testimony that the Bureau of Vital Statistics join in the electronic age in the administration of their vital records. All the testimony was favorable and had the support of town clerks. Vote 17-2.

Adopted and ordered to third reading.

HB 592-FN-A-L, establishing a brain and spinal cord injury trust fund and an advisory council on brain and spinal cord injuries and continually appropriating a special fund. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eleanor H. Amidon for Health, Human Services and Elderly Affairs: This bill was amended to remove the establishment of a trust fund which would jeopardize the creation of an advisory council on brain and spinal cord injuries, thus enabling them to apply for and receive any grants available. Vote 16-0.

Amendment (0443h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing an advisory council on brain and spinal cord injuries.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court desires to prevent significant injuries resulting from alcohol and speed-related motor vehicle collisions, violent acts, and other causes that result in brain and spinal cord injuries. It is also the intent of the general court to provide effective care, rehabilitation, and family support for New Hampshire citizens who are seriously injured and who have inadequate resources to meet their long-term needs. Therefore, the general court hereby establishes the New Hampshire brain and spinal cord injury advisory council.

2 New Chapter; New Hampshire Brain and Spinal Cord Injury Advisory Council. Amend RSA by inserting after chapter 137-J the following new chapter:

CHAPTER 137-K

NEW HAMPSHIRE BRAIN AND SPINAL CORD INJURY ADVISORY COUNCIL

137-K:1 Purpose. The purpose of this chapter is to support injury prevention efforts and to help meet the needs of individuals who have sustained brain and spinal cord injuries, who would otherwise be dependent on the public for their care and rehabilitation.

137-K:2 Advisory Council.

I. There is established the New Hampshire brain and spinal cord injury advisory council in the department of health and human services. The advisory council shall consist of the following members:

(a) Three members nominated by the New Hampshire Brain Injury Association, appointed by the governor and who are the survivor, parent, spouse, or guardian of a person who is afflicted with a brain or spinal cord injury.

(b) Two members appointed by the governor who represent the professional community working in brain and spinal cord injury in treatment, rehabilitation, and community-based programs.

(c) One senate member or designee, appointed by the senate president.

(d) One house member, appointed by the speaker of the house of representatives.

(e) Two members appointed by the New Hampshire Brain Injury Association.

(f) One member representing the bureau of vocational rehabilitation, appointed by the commissioner of education.

(g) One member representing the Injury Prevention Center at Dartmouth Medical School, appointed by the department head responsible for the program.

II. The following members shall serve 3-year terms, provided that the initial terms of the members appointed under paragraph I shall be as follows: One member in subparagraphs I(a) and (b) and one member in subparagraph (e) shall serve for one year; one member in subparagraph I(a), one member in subparagraph I(b), and one member in subparagraph I(e) shall serve for 2 years; and one member in subparagraph I(a) and the member in subparagraph I(g) shall serve for 3 years. The remaining members shall serve terms coterminous with their terms of office. The members shall be appointed within 30 days of the effective date of this section. In the event of death or resignation of any members of the advisory council, a successor shall be appointed by the person or entity that made the original appointment, and the successor appointed to the vacancy shall serve for the remainder of the unexpired term. The members of the advisory council shall serve without compensation, however the legislative members shall receive mileage at the legislative rate for each day of actual attendance at called meetings.

III. The council shall elect a chairperson and vice-chairperson from among its membership at its first meeting which shall be held not later than 45 days after the effective date of this section.

IV. The advisory council shall:

(a) Meet at least quarterly to identify unmet needs which should be considered for support.

(b) Investigate the needs of citizens with brain and spinal cord injuries, identifying the gaps in services to these citizens, and issue an annual report to the governor, the speaker of the house, the senate president, and the commissioner of health and human services by November 1 of each year.

(c) Recommend to the commissioner priorities and criteria for disbursement of any monies received under paragraph V.

(d) Hold at least 2 public hearings annually, in different regions of the state, to generate input from the public on unmet needs.

(e) Consider the feasibility of establishing a brain and spinal cord injury trust fund.

V. The advisory council is authorized to solicit and receive any gifts, grants or donations made for the purposes of this chapter and the commissioner may disburse and administer the same for the purposes consistent with this chapter.

137-K:3 Rulemaking. The commissioner of health and human services shall, after consultation with the advisory council established in RSA 137-K:2, adopt rules under RSA 541-A relative to:

I. Direct assistance, service coordination, family support activities for individuals with serious brain or spinal cord injuries and their families and injury prevention activities which may be supported by any grants received under this chapter.

II. Eligibility criteria for direct assistance and family support services.

III. Procedures for disbursements of grants.

IV. Eligibility criteria and service requirements for care and rehabilitation services for individuals with serious brain and spinal cord injuries provided by the department through existing programs.

V. Any other matter necessary for the administration of this chapter.

3 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and referred to Finance.

HB 646-FN-A, relative to eligibility for child day care services for persons receiving public assistance and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Carol Moore for Health, Human Services and Elderly Affairs: The committee felt strongly that the appropriation in this bill will greatly aid poor families to afford quality day care. Since we are attempting to get and keep people off welfare, (stipulating that this happens within two years), families who now spend up to 25% of their incomes for day care would be helped to a certain extent enabling them to keep their jobs. This bill appropriates \$500,000 in FY 1998 and \$500,000 in FY 1999. Vote 14-1.

Amendment (0552h)

Amend the bill by replacing section 2 with the following:

2 Appropriation. The sum of \$500,000 for the fiscal year ending June 30, 1998 and the sum of \$500,000 for the fiscal year ending June 30, 1999 are hereby appropriated to the department of health and human services for the purposes of providing public assistance for child day care to at least those families whose gross monthly income is 190 percent or less of the federal poverty guidelines and who meet all other eligibility requirements. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

Adopted.

Report adopted and referred to Finance.

HB 686-FN-A, relative to financing of child day care facilities and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph Manning for Health, Human Services and Elderly Affairs: This bill encourages the expansion of child care facilities. In order to assure the successful transition from welfare to workfare and thus eventually reducing state and local expenditure, it is fiscally sound to encourage the growth of child care facilities necessary to make workfare work. This bill makes a bonded appropriation of \$1,200,000 for fiscal year 1998. Vote 19-0.

Amendment (0472h)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. The purpose of this act is to establish the child day care revolving loan fund to be used to provide low interest loans for child day care providers to establish child day care programs and facilities which will improve the quality, availability, and safety of licensed and legally-operating child day care homes and centers, and to assist providers to comply with the federal Americans With Disabilities Act.

2 New Section; Child Day Care Revolving Loan Fund Established. Amend RSA 170-E by inserting after 5-a the following new section:

170-E:5-b Child Day Care Revolving Loan Fund.

I. There is established the child day care revolving loan fund to provide low interest loans for child care providers. The primary purposes of these low interest loans include:

(a) To construct wheelchair and handicap access ramps, van conversions, and bathroom renovations to accommodate children with disabilities.

(b) To pay for expansion or construction costs to serve more children under the state voucher program for low income families to meet the expected increase of families receiving Aid to Families With Dependent Children entering the work force.

(c) To renovate or upgrade current facilities to maintain or exceed code requirements.

(d) To renovate or expand facilities to serve infants and toddlers.

(e) To allow after-school programs to expand to expand and purchase start-up supplies, including storage, for school-age children.

(f) To enable day care providers to secure a more stable environment and continuity of services through ownership or extended lease arrangements.

(g) To allow providers to access advance payments to pay staff during the start-up of state reimbursed child care programs.

(h) To allow the purchase or lease of vans to transport children.

II. Criteria for consideration of loan applicants shall include the provider's commitment to enroll low-income children, Title XX children, and children with disabilities, or legally-operating provider who provide services to these populations. In addition, applicants shall:

(a) Be fiscally sound as shown in a financial statement.

(b) Meet state and local operating and zoning regulations, including public health, fire, and safety requirements, or present a local exemption from regulations.

(c) Demonstrate a commitment to providing quality day care through one or more of the following:

(1) Local resource and referral relationship.

(2) Family day care support group participation.

(3) Enrollment in the United States Department of Agriculture food program.

(4) Documentation of training in the Child Care Basics program.

(d) Agree to accept children with disabilities, and those children eligible for state-subsidized care shall receive priority and shall be placed at the top of a waiting list.

(e) Address a geographic or community need for projected day care services.

III.(a) The department of health and human services shall, after consultation with the state child care advisory committee established in RSA 126-A:17, be authorized to adopt rules pursuant to RSA 541-A, relative to the implementation and administration of the child day care revolving loan program under this act.

(b) The department shall also notify providers of the availability of the loans and shall provide guidelines for loan application. Notification shall be made publicly, as well as through child care associations and the child care resource and referral network of New Hampshire.

IV. Loan recipients shall repay any loan funded pursuant to this section on such terms and conditions as are recommended by the department of health and human services. The term of the loan shall be no less than 5 and no longer than 20 years and shall, to the extent possible and consistent with this section, be determined so as to match the useful life of the improvements funded by the loan. The terms and conditions shall be contained in the binding agreement between the state and the child day care provider and may include provisions for a lien on the property, and shall be sufficient to fully reimburse the state for the principal and interest payments on that portion of the bonds used to fund the loan. The department of health and human services shall administer the funds utilizing current personnel.

3 Appropriation. The sum of \$1,200,000 is hereby appropriated, in addition to any other sums appropriated, to the department of health and human services, to be deposited in the child day care revolving loan fund, established in RSA 170-E:5-b for the fiscal year ending June 30, 1998, for the purposes outlined in this act. This appropriation shall be nonlapsing.

4 Bonds Authorized. To provide for the appropriation made in section 3 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding \$1,200,000 for such purposes and may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A.

5 Effective Date. This act shall take effect July 1, 1997.

Adopted.

On a division vote, 233 members having voted in the affirmative and 87 in the negative, the report was adopted.

Referred to Finance.

HB 690, establishing a long-term care institute. OUGHT TO PASS WITH AMENDMENT
Rep. Peter Batula for Health, Human Services and Elderly Affairs: This bill establishes a long term care institute whose purpose is to educate and encourage the public to address the need for long term care at an earlier age. The effects of this bill may also have a tendency to lower insurance coverage rates simply by the increased number of participants who prepare for this need. This bill requires no state funds, relying on grants. Vote 12-6.

Amendment (0439h)

Amend RSA 126-I:3, I(l) as inserted by section 2 of the bill by replacing it with the following:

(l) A representative of the New Hampshire Association of Residential Care Homes, appointed by such association.

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and ordered to third reading.

HB 697-FN-A-L, establishing a homeless prevention fund, to be funded by a temporary homeless prevention state property tax, and making appropriations to the fund for fiscal years 1998 and 1999. RE-REFER TO COMMITTEE

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: The majority felt that the bill as presented had serious fiscal problems and should be studied to address these. The committee does not have this fiscal expertise, but is supportive of the basic policy addressing the homeless. Vote 18-0.

Adopted.

HB 718, changing that which constitutes the practice of medicine. **OUGHT TO PASS WITH AMENDMENT**

Rep. Carol Moore for Health, Human Services and Elderly Affairs: The majority of the committee felt that this bill, which limits the use of laser surgery to those doctors who are trained to provide this type of treatment, is very important. At present, anyone can gain access to lasers which are very dangerous if misused. Vote 17-2.

Amendment (0454h)

Amend the bill by replacing section 1 with the following:

1 Practice of Medicine; Use of Laser for Surgery Added. Amend RSA 329:1 to read as follows:

329:1 Practice. Any person shall be regarded as practicing medicine under the meaning of this chapter who shall diagnose, ~~[operate on];~~ *treat, perform surgery, or* prescribe ~~[for or otherwise treat any]~~ *any treatment of medicine for any disease or human ailment* ~~[whether physical or mental]~~. *"Surgery" means any procedure, including but not limited to laser, in which human tissue is cut, shaped, burned, vaporized, or otherwise structurally altered, except for those procedures otherwise specifically authorized for dentists licensed under RSA 317-A and podiatrists licensed under RSA 315.*

HB 765-FN, establishing an osteoporosis prevention, education, and treatment program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Barbara C. French for Health, Human Services and Elderly Affairs: This bill would address the 1.5 million fractures that occur annually at an estimated cost of \$10 billion or \$27 million each day in the United States. With this legislation the first step towards this goal is realized. Vote 13-6.

Amendment (0455h)

Amend RSA 126-I:3, I as inserted by section 2 of the bill by replacing it with the following:

I. There is established an osteoporosis advisory council. The advisory council shall consist of the following members: the commissioner of health and human services, or designee; one member of the house of representatives, appointed by the speaker of the house; one member of the senate, appointed by the senate president; and 11 members appointed by the governor, one representing a women's health organization, 6 health care providers representing the following professions: radiology, orthopedics, nursing, physical therapy, naturopathic medicine, and nutrition; a person with osteoporosis; a public health educator; a social worker; and an expert in bone and osteoporosis research, prevention, and treatment. The term of office for the 11 members appointed by the governor shall be 3 years and until a successor is appointed, provided that for initial appointments 3 members shall serve a 1-year term, 4 members shall serve a 2-year term, and 4 members shall serve a 3-year term. The terms of the remaining members shall be coterminous with their terms in office. Vacancies shall be filled in the same manner and for the unexpired terms. Members of the council shall serve without compensation, however the legislative members shall receive mileage at the legislative rate. The advisory council shall assist in the development and implementation of the program established under this chapter. The advisory council may make recommendations relating to the adoption of rules and necessary legislation.

HB 792-FN-L, prohibiting trusts, annuities, and other legal devises from being used to shelter wealth for the purposes of medicaid eligibility. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles Ferguson for Health, Human Services and Elderly Affairs: The amendment removes the term "annuities" that had been added to the trust provision passed in 1995 in HB 32 (Chapter 310, Laws of 1995). It removes the sunset provision and corrects some of the previous language and makes the trust provision permanent law. Vote 16-0.

Amendment (0479h)

Amend the title of the bill by replacing it with the following:

AN ACT prohibiting trusts and other legal devises from being used to shelter wealth for the purposes of medicaid eligibility.

Amend the bill by replacing all after the enacting clause with the following:

I Eligibility for Assistance; Trust Void as Against Public Policy. RSA 167:4, II and III are repealed and reenacted to read as follows:

II.(a) It is hereby found and determined by the general court that the medicaid eligibility laws of this state are in need of amendment to assure that otherwise ineligible individuals are prevented from artificially impoverishing themselves to receive benefits to which they are not otherwise entitled and to facilitate recovery of improperly obtained benefits and to assure the fiscal integrity of the funds appropriated for medicaid.

(b) Notwithstanding any provision of law to the contrary, in this section:

(1) "Trust" means a trust, or *similar legal* device, established other than by will by an individual or an individual's spouse under which *the* individual or spouse may be a beneficiary of all or part of *the payments from the trust, and shall include trusts, conservatorships, and guardianships.*

(2) "Grantor" means the individual, institution, or entity that established, created, or funded the trust and shall also include fiduciaries and third parties.

(c) Notwithstanding any provision of law to the contrary, a provision in a trust, other than a testamentary trust, or any trust allowed under federal law, which limits the availability of, or provides directly or indirectly for the suspension, termination, or diversion of the principal, income or beneficial interest of either a public or medical assistance recipient or his or her spouse in the event that the recipient or spouse should apply for public assistance or medical assistance or require medical, hospital or nursing care or long-term custodial, nursing or medical care shall be void as against the public policy of the state of New Hampshire, without regard to the irrevocability of the trust or the purpose for which the trust was created, and without regard to whether the trust was created pursuant to court order.

(d) This paragraph is remedial in nature and is enacted to prevent individuals otherwise ineligible for medical assistance benefits from making themselves eligible *by creating trusts in order to preserve their assets.*

III. Paragraph II of this section shall not apply to any trust in existence on or before *November 1, 1995.*

2 Repeal. The following are repealed:

I. 1995, 310:170, VIII, relative to the prospective repeal of RSA 167:4, II and III.

II. 1995, 310:203, VI, relative to the effective date of the prospective repeal of RSA 167:4, II and III.

3 Effective Date.

I. Section 2 of this act shall take effect June 29, 1997.

II. The remainder of this act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill repeals a prospective repeal of a provision of law prohibiting the use of trusts as a method of sheltering wealth for the purposes of medicaid eligibility and modifies such provision. The prospective repeal would have been effective June 30, 1997.

Adopted.

Report adopted and ordered to third reading.

HB 515-FN, establishing the New Hampshire commission on the status of fatherhood. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Marjorie K. Smith for the Majority of Judiciary and Family Law: The committee shares the sponsor's concern about issues relating to responsible fatherhood. However, the committee concluded that the Commission on the Status of the Family is the appropriate place where these issues could be addressed. Two members of the Judiciary and Family Law Committee serve on the Commission and have committed to bring these concerns about fathers to the Commission. Vote 11-7.

Rep. David A. Bickford for the Minority of Judiciary and Family Law: The absence of fathers in our children's lives is at a chronic and inexcusable low. The average child can expect to live a significant portion of his or her life in a home without a father. A recent study indicates 52% of divorced families had not seen their fathers in the past year. This bill establishes a Commission to: secure appropriate recognition for fathers' contribution toward parenting and it's value to children; support efforts to encourage responsible and effective fatherhood; increase public awareness about

the importance of fatherhood through public education campaigns and effective use of the "bully pulpit"; and help turn the hearts of fathers back to their children. This bill was encouraged by the Council of Governor's Policy Advisors, and recommended by the New Hampshire Dept. of Health & Human Services and the UNH Family Research Lab.

Rep. Bickford requested a Quorum Count.

The Speaker declared a quorum present.

Reps. Bickford and Jacobson spoke against.

Reps. Marjorie Smith and Woods spoke in favor.

Rep. Bickford requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Bickford requested that his protest be entered on the Journal.

I protest the action of the House because of the following:

Dr. Louis Sullivan former U.S. Secretary of Health and Human Services declares fatherlessness America's number-one social problem. The most disturbing social trend of our time is the dramatic increase of fatherless children in America and New Hampshire is no exception. In 1960, eight million; today, 23 million. A recent study indicates 52 percent of adolescents in divorced families had not seen their fathers in the past year. Perhaps even more disturbing than divorce rates is the increasing trend of "father flight;" men abandoning their children even before they are born. Forty percent of children in father-absent homes have not seen their fathers at all during the previous year. Only one in six sees their fathers an average of once or more per week. More than half of all children who do not live with their fathers have never been in their fathers' homes. Fifty-seven percent of unwed fathers consistently visit their children during the first two years of life, but by the time their children reach 2½ old that percentage drops to less than 25 percent. A 1992 Gallup poll found that 50 percent of all adults agreed that fathers today spend less time with their children than their fathers did with them.

Research over the past three decades has been clear that active father involvement in child rearing yields positive benefits for children. Significant increases in academic achievement, social competence, self-esteem and adolescent and adult adjustment are all positively affected by having an involved father. A study that looked at violent misbehavior in schools found that perpetrators are 11 times more likely to have uninvolved fathers than non-perpetrators. Another study found that across the country 70 percent of incarcerated inmates were without fathers for a significant amount of time in their lives.

I do not make these remarks to diminish a mothers' contribution as a parent. They are just as important as fathers, perhaps even more so. However, fathers' parenting skills are becoming an untapped resource. So, before fatherhood hits the endangered species list, I recommend we create this commission to study the status of it, report back to us on it, and let it act as a "bully

pulpit" to activate and encourage fathers to be a valuable resource by becoming involved parents; and yes, another state has done the same. Florida enacted a Commission on the Status of Fatherhood last year.

Responsible fatherhood is a positive message to encourage fathers to financially support their children and be a good parent by example. HB 515 is not about demanding people live together that can get along but it is about fathers remaining parents and not drifting away. The Commission on the Status of Fatherhood is a carrot approach instead of the big stick policies the Office of Child Support Enforcement must use.

I have a letter with me from the NH Department of Health and Human Services stating that they want this commission. Part of the reason I expect is because 97 percent of non-custodial parents assigned to their Child Support Enforcement branch are fathers. Once a father is deemed a non-custodial parent, he often concludes it is because he is not in the "best interests of his children." This is a chilling and depressing message. Then he is required to sign up at the Office of Child Support for his money only and told to keep them informed of his whereabouts like a person on probation. This is when some fathers despair and lose their direction. Others do as the state tells them. They pay child support and become non-parent. A Commission on the Status of Fatherhood would offer direction and demonstrate good faith that the state cares about them as parents to their children. This is why it should stand by itself and not be a second thought of the Commission on the Status of the Family which has no provision for father representation on its board of commissioners. This bill was encouraged by the Council of Governor's Policy Advisors, NH Health and Human Services and Plymouth State College Professor of Education and school guidance counselor instructor Dr. Gary Goodnow who testified and recommends this bill as good social policy. The entire staff of the University of NH Family Research Department stands behind this bill and sent Professor Kerry Cielinski to speak in favor of it.

RECESS

(Speaker Sytek in the Chair)

REGULAR CALENDAR - PART I (CONT'D.)

HB 530-FN-A, establishing civil action filing fee surcharges to fund civil legal assistance to low-income persons and continually appropriating a special fund. **OUGHT TO PASS**

Rep. Marjorie K. Smith for Judiciary and Family Law: This bill creates a non-lapsing and continually appropriated fund to be used by New Hampshire Legal Assistance to provide civil legal representation to New Hampshire's poor. The funds will come from surcharges, ranging from \$2 to \$10, which will be collected by the clerk of court in civil actions filed in district, superior and probate courts. New Hampshire Legal Assistance (NHLA) has been providing free legal assistance in civil actions to low income New Hampshire residents since 1971. Because of unprecedented Congressional budget cuts, NHLA was forced to close two of its five offices and eliminate many positions. There is now no legal assistance office in the north of the state. The majority, committed to the principle that the poor should not be denied access to the legal system, concluded that this funding mechanism provides an opportunity to generate about \$185,000 next year to meet these urgent legal needs of New Hampshire's poor. Vote 11-7.

Rep. MacGillivray spoke against.

Rep. Marjorie Smith spoke in favor.

HB 606-FN-L, relative to procedures regarding children in need of services under RSA 169-D. **UGHT TO PASS WITH AMENDMENT**

Rep. David C. Allison for Judiciary and Family Law: A key purpose of this bill revises certain procedures relative to cases involving children in need of services which will require parents and children to become more accountable, more responsible. The committee worked collaboratively with the state's juvenile justice system and the Division of Children, Youth and Families in crafting this legislation. The bill will facilitate preventive and early intervention in court diversion programs. Vote 10-3.

Amendment (0622h)

Amend the bill by replacing all after the enacting clause with the following:

1 Applicability; Purpose. RSA 169-D:1, I and II are repealed and reenacted to read as follows:

I. To recognize that certain behaviors occurring within a family or school environment indicate that a child is experiencing serious difficulties and is in need of services and corrective action in order to protect the child from the irreversibility of certain choices, and to protect the integrity of the family and the authority it must maintain in order to fulfill its responsibility to raise the next generation. To further provide the child with the treatment, care, guidance, counseling, discipline, supervision, and rehabilitation necessary to assist the child in becoming a responsible and productive member of society;

II. To recognize that we must no longer bring the weight of family problems down on the child alone but that parents must be made aware of their contribution to the problem, must account for their role in the solution to the problem, and must accept the responsibility to participate in any program of care ordered by the court in order to assure that the outcome may have a good probability of success, while, at the same time, supporting families in their mission to teach values to youth and to exercise reasonable control of their children.

2 Applicability; Purpose. RSA 169-D:1, V is repealed and reenacted to read as follows:

V. To achieve the foregoing purposes and policies by providing each child coming within the provisions of this chapter with a program of care, treatment, guidance, counseling, discipline, supervision, and rehabilitative resources which the child needs.

3 New Paragraph; "Diversion" Defined. Amend RSA 169-D:2 by inserting after paragraph IV the following new paragraph:

IV-a. "Diversion" means a decision made by a person with authority which results in specific official action of the legal system not being taken or being postponed in regards to a juvenile and, in lieu of such inaction or postponement, providing an individually designed program for delivery of services for the juvenile by a specific provider or a plan to assist the juvenile in finding a remedy for his or her inappropriate behavior. The goal of diversion is to prevent further involvement of the juvenile in the formal legal system. Diversion of a juvenile may take place either at pre-filing as an alternative to the filing of a petition, or at any time after the filing of the petition.

4 "Child in Need of Services" Defined. RSA 169-D:2, IV(c) is repealed and reenacted to read as follows:

(c) A child who has committed an offense which if committed by an adult would be a violation under the criminal code of this state, or who has violated an ordinance or by-law of a city or a town, or a child under 16 who has committed an offense which if committed by a person 16 years of age or older would be a violation under the motor vehicle code of this state; and

5 Definition; Services. Amend RSA 169-D:2, II to read as follows:

II. "Services" means care, guidance, counseling, discipline, supervision, treatment and rehabilitation or any combination thereof. *"Services" also includes, but is not limited to, diagnostic needs assessment, restitution programs, community service, job training and placement, specialized tutoring, constructive academic exercises, constructive recreational activities, general counseling, and counseling during a crisis situation.*

6 New Sections; Filing of Petitions; Filing by Parents, School Officials, Health Care Providers, Mental Health Practitioners, and Guardians Ad Litem; Filing by Law Enforcement Agency. Amend RSA 169-D by inserting after section 4-a the following new sections:

169-D:4-b Petition Filed by Parent, School Official, Health Care Provider, Mental Health Practitioner, or Guardian Ad Litem.

I. A petition alleging a child is in need of services may be filed by a parent, legal guardian or custodian, school official, health care provider, mental health practitioner, or guardian ad litem at the court in the judicial district in which the child is found or resides. The petition shall be in writing and verified under oath.

II. To be legally sufficient, the petition shall set forth with particularity, but not be limited to, the date, time, manner, and place of the conduct alleged, and shall state the statutory provision alleged to have been violated.

III. If the parents of a child are filing the petition, they shall include information which shows that the child and family have sought to resolve the expressed problem through available community alternatives, that the problem still remains, and that court intervention is needed.

IV. No acts which qualify as delinquent acts as described in RSA 169-B:2, IV shall be included in any petition filed under this chapter.

V. Except as provided in paragraph VI, when a school official is filing the petition, information shall be included which shows that the legally liable school district has sought to resolve the expressed problem through available educational approaches; that the school district has sought to engage the parents or guardian in solving the problem, but they have been unwilling or unable to do so; that the problem remains; and that court intervention is needed.

VI. When a school official is filing a petition involving a child determined to be educationally disabled pursuant to RSA 186-C, the official shall include information which demonstrates that the legally liable school district:

(a) Has determined that the child is educationally disabled; and

(b) Has reviewed for appropriateness the child's current individualized education program (I.E.P.) and placement, and has made modifications where appropriate.

VII. After a legally sufficient petition has been filed, the court shall, unless the case is referred to diversion or a consent order is entered and approved, schedule an initial appearance, to be held within 30 calendar days of filing, and issue a summons including a copy of the petition, to be served personally upon the person having custody or control of the child or with whom the child may be, requiring that person to appear with the child on the specified date and time. If personal service is not possible, service shall occur at the usual place of abode of the person having custody or control of the child or with whom the child may be. If the person so notified is not the parent or guardian of the child, a parent or guardian shall be notified by first class mail, with proof of mailing, provided the parent or guardian and their residence are known, or if there is neither parent nor guardian whose residence is known, some relative, if any, if their residence is known.

VIII. If the child or the parent or guardian is not a resident of this state, or if the court determines it would be more efficient, service may be made by first class mail, with proof of mailing.

IX. A copy of the petition shall be attached to each summons or incorporated in such summons.

X. The summons shall state as follows: "Parents and other individuals chargeable by law for the child's support and necessities may be liable for expenses incurred in this proceeding including the costs of certain evaluations and placements. RSA 186-C, regarding children with educational disabilities, grants children certain rights to special education and related services at public expense and gives their parents the right to appeal school district decisions regarding services to be provided."

169-D:4-c Petition Filed by Law Enforcement Agency.

I. A law enforcement agency may file a petition alleging a child is in need of services with a judge or clerk of the court in the judicial district in which the child is found or resides. The petition shall be in writing and verified under oath.

II. The petitioning law enforcement officer, including a juvenile service officer, may issue a summons in hand to the child and to the child's parent, guardian or such other person having custody and control of the child or with whom the child may be living. If personal service is not possible, service shall occur at the usual place of abode of the person having custody or control of the child or with whom the child may be living. If the person summoned is not the parent or guardian of the child, the parent or guardian shall be notified by the law enforcement agency as soon as practicable provided the parent or guardian and their residence are known or if neither the parent nor guardian or their residence is known, some adult relative, if any, whose residence is known. If the person notified is not the parent or guardian of the child, a parent or guardian shall be notified by certified mail, provided the parent or guardian and their residence are known, or if there is neither parent nor guardian whose residence is known, some relative, if any, if their residence is known.

III. The summons shall contain:

(a) The title and statutory citation invoking the process for children in need of services.

(b) A statement as follows: "Parents and other individuals chargeable by law for the child's support and necessities may be liable for expenses incurred in this proceeding including the costs of certain evaluations and placements. RSA 186-C, regarding children with educational disabilities, grants children certain rights to special education and related services from school districts at public expense and gives their parents the right to appeal school district decisions regarding programs to be provided."

(c) Brief instructions regarding court procedure as approved by the administrative judge of the district court.

IV. The petitioning law enforcement agency shall file a copy of the summons, along with a legally-sufficient petition, with the court no later than 5 business days after the issuance of the summons.

V. To be legally sufficient, the petition shall set forth with particularity, but not be limited to, the date, time, manner, and place of the conduct alleged, shall state the statutory provision alleged to have been violated, and shall be entitled, "In the interest of _____, a child."

VI. After a legally sufficient petition has been filed, the court shall, unless the case is referred to diversion or a consent order is entered and approved, schedule an initial appearance to be held not later than 30 calendar days after the filing of the petition. Notice shall include a copy of the legally sufficient petition and a scheduling order, and shall be made by regular mail directed to the parent or guardian or person having custody or control of the minor.

7 Notice of Petition to Department. RSA 169-D:5-a is repealed and reenacted to read as follows:

169-D:5-a Notice of Petition to Department of Health and Human Services. The court shall serve the department of health and human services with a copy of any petition filed under RSA 169-D:4-b and 4-c, and the department shall have legal standing at and receive notice of all proceedings under this chapter from the time of such service.

8 Warrant for Failure to Appear. RSA 169-D:7, II is repealed and reenacted to read as follows:

II. If the child, parent, guardian, or other person ordered to appear, fails to appear for any scheduled hearing, a bench warrant may be issued for the child's appearance or for the appearance of anyone having custody or control of the child, or for both. Additionally, the court may proceed against the child or anyone having custody or control of the child for their failure to appear, as authorized by RSA 263:56-a.

9 Diversion Substituted for Release Without Court Referral. RSA 169-D:9 is repealed and reenacted to read as follows:

169-D:9 Diversion.

I. At any time before or during a proceeding brought pursuant to this chapter, a child and the child's family may be referred to a court-approved diversion program or other community resource. Referral may be made by a law enforcement agency or juvenile service officer with the consent of the law enforcement agency prior to or after filing a petition with the court, upon the court's own motion, or at the request of any party with the approval of the court. The administrative judge of the district court shall have authority to approve diversion procedures for use by the courts in all juvenile matters throughout the state.

II. Referral after filing is appropriate if:

(a) The facts bring the case within the jurisdiction of the court.

(b) Referral of the case is in the best interest of the public and the minor.

(c) The minor and parent, guardian, or other custodian consent with the knowledge that consent is not obligatory.

III. Referral after filing shall stay the proceedings for a period not to exceed 3 months from the date of referral, unless extended by the court for an additional period not to exceed 3 months and does not authorize the detention of the child and the court may, on its own motion or that of any party, designate or utilize a multi-disciplinary team to consider the facts and circumstances of the case, the needs of the child and family and available services and resources.

IV. During the period of referral, the court may require further conditions of conduct on the part of the child and the child's parents.

10 Initial Appearance. RSA 169-D:11 is repealed and reenacted to read as follows:

169-D:11 Initial Appearance.

I. Unless the matter is referred to diversion pursuant to RSA 169-D:9 or continued for good cause, an initial appearance shall be held within 30 calendar days of the filing of a legally sufficient petition.

II.(a) At the initial appearance, the court shall:

- (1) Advise the child in writing and orally of any formal charges.
- (2) Appoint counsel pursuant to RSA 169-D:12.
- (3) Establish any conditions for release.
- (4) Set a hearing date.

(b) However, no plea shall be taken until the child has had the opportunity to consult with counsel or until a waiver is filed pursuant to RSA 169-D:12.

III. After hearing, the court may, with the consent of the child, dispose of the petition by ordering the child to participate in an approved court diversion program.

11 Release Pending Adjudicatory Hearing. RSA 169-D:13 is repealed and reenacted to read as follows:

169-D:13 Release Pending Adjudicatory Hearing.

I. Following the initial appearance, a child alleged to be in need of services may be ordered by the court subject to such conditions as the court may order, to be:

- (a) Retained in the custody of a parent, guardian, or custodian.
- (b) Released in the supervision and care of a relative.
- (c) Placed in a foster home, as defined in RSA 169-C:3, XIII, which is specifically licensed to accept children in need of services with expenses chargeable as provided in RSA 169-D:29.
- (d) Placed with a friend.
- (e) Placed in a group home, crisis home or shelter care facility licensed pursuant to RSA 170-E with expenses charged according to RSA 169-D:29.

II. The adjudicatory hearing shall be held within 30 calendar days of the initial appearance unless continued for good cause. No adjudicatory hearing for a child placed outside the child's home may be continued more than once for good cause or for a period longer than 14 days, except by agreement of all the parties.

III. All orders issued pursuant to this section shall set forth the findings, as to the form of release or any conditions, in writing and shall state any custody provisions under paragraph I.

12 Adjudicatory Hearing. Amend RSA 169-D:14, III to read as follows:

III. If the court finds the child is in need of services, it shall, unless a report done on the same child less than 3 months previously is on file, order the department of health and human services or other appropriate agency to make an investigation and written report consisting of, but not limited to, the home conditions, school record and the mental, physical and social history of the child. Evaluations performed at the Philbrook center may occur only upon receiving prior approval for such evaluation from the commissioner of the department of health and human services or designee. When ordered by the court, such investigation shall include a physical ~~and~~ **examination**, mental ~~examination~~ **health evaluation, or substance abuse evaluation** of the child, parents, guardian, or person having custody. The court shall inform the parents, guardian or person having custody and child of their right to object to the physical examination ~~or~~, mental health evaluation, **or substance abuse evaluation**. Objections shall be submitted in writing to the court having jurisdiction within 5 days after notification of the time and place of the examination or evaluation. The court may excuse the child, parents, guardian, or person having custody upon good cause shown. No disposition order shall be made by the court without first reviewing the investigation report, if ordered.

13 Dispositional Hearing. Amend RSA 169-D:14, V to read as follows:

V. The court shall hold a final dispositional hearing within 30 days of the adjudicatory hearing ***unless continued for good cause. No dispositional hearing for a child placed outside the child's home may be continued more than once for good cause or for a period longer than 21 days, except by agreement of all the parties.***

14 New Subparagraph; Dispositional Hearing May Include Certain After-School or Evening Programs. Amend RSA 169-D:17, I by inserting after subparagraph (d) the following new subparagraph:

(e) Requiring any child to attend structured after-school or evening programs which address some of their compliance issues, as well as supervise the child during the time of the day in which they most value their freedom and the time which is most often used to perform unruly acts.

15 Application for Review. RSA 169-G:2, I is repealed and reenacted to read as follows:

I. The department of health and human services or department of youth development services may file with the clerk of the district court, where the dispositional order was issued, an application for review of the order by the review panel. The application shall be filed within 7 days after the date of the dispositional order, but not after such date, except for good cause shown. The filing of an application for review shall stay the implementation of the dispositional order.

16 Repeal. The following are repealed:

I. RSA 169-D:5, relative to the filing of petitions for children in need of services.

II. RSA 169-D:6, relative to the issuance of summons and notice in cases involving children in need of services.

17 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

HB 609-FN-L, enacting the Uniform Interstate Family Support Act (UIFSA), and relative to child support. MAJORITY: RE-REFER TO COMMITTEE. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Sandra B. Keans for the Majority of Judiciary and Family Law: The committee understands the importance of getting this legislation on the books in order to be in compliance with the new Uniform Interstate Family Support Act which deals with the establishment of paternity and the establishment and enforcement of child support obligations. If New Hampshire does not comply many millions of dollars can potentially be lost. However, the original 34-page bill was heard Thursday, Feb. 27, 1997. Since then the committee has been presented with three re-writes. The last arrived Thursday, March 6, 1997 at the executive session. The majority believes we must study this further to make sure that all confidential information handled by the department will remain secure. Further, some committee members believe that the federal deadline for New Hampshire to pass this legislation (the first day of the next quarter after the end of the legislative session) is at least not until January 1998 - maybe January 1999 - because New Hampshire is on a two-year budget. The committee believes this bill deserves fair, thorough consideration and is fully committed to do just that. Vote 11-3.

Rep. Carol H. Holden for the Minority of Judiciary and Family Law: The purpose of this bill is to enact the Uniform Interstate Family Support Act (UIFSA) and to improve procedures and processes related to the establishment of paternity and the establishment and enforcement of child support obligations. It will increase the income available to households with children and enable families to become self-sufficient and leave public assistance. The amendment addresses all of the concerns raised at the public hearing by the public and by committee members. While we did not have a great deal of time, there was sufficient time to make sure this was a good bill.

Rep. John McCarthy moved Recommit to Committee and spoke in favor.

Majority report adopted.

HB 521-L, relative to the definition of terms and conditions of employment and to the subjects of bargaining in the public employee labor relations law. RE-REFER TO COMMITTEE

Rep. Richard E. Dolan for Labor, Industrial and Rehabilitative Services: During deliberation we found numerous concerns about the process used in collective bargaining between public employees and government entities. Since RSA 273 is the controlling statute, we feel this is an excellent vehicle to study the aforementioned concerns. Vote 15-0.

Adopted.

HB 579-FN-L, providing that a person who, having obtained a restraining order against an abuser and having made all reasonable efforts to preserve employment, leaves a job in order to protect himself or herself from domestic abuse, shall not be denied unemployment compensation. RE-REFER TO COMMITTEE

Rep. Joseph D. Kenney for Labor, Industrial and Rehabilitative Services: This bill provided that a person who, having obtained a restraining order against an abuser and having made all reasonable efforts to preserve employment, leaves a job in order to protect himself or herself from domestic abuse shall not be denied unemployment. Because of the social impact of this bill and the responsibility of who will administer it, the committee felt the need to do comprehensive research and work with state departments to develop logical policy. Vote 15-0.
Adopted.

HB 440-FN, changing the legislative mileage formula. **OUGHT TO PASS WITH AMENDMENT**
Rep. Donnalee Lozeau for Legislative Administration: In 1991, the IRS advised the State that legislative mileage reimbursement payments must be reported as income. Its conclusion was based in part on the rate paid for this reimbursement. This bill would provide each member of the legislature with the option of receiving reimbursement at the federally approved rate. In creating this option, the committee hopes that members may again have the opportunity to have their mileage treated as reimbursement. The amendment clarifies that this option will take effect beginning with those members of the general court elected in the 1998 state general election. Vote 11-0.

Amendment (0461h)

Amend the bill by inserting after section 1 the following and renumbering the original sections 2 and 3 to read as 3 and 4, respectively:

2 Application. The provisions of section 1 of this act relative to the travel allowance for members of the general court shall apply beginning with the members of the general court elected in the 1998 state general election.

AMENDED ANALYSIS

This bill changes the mileage formula used to reimburse general court members beginning with the 1998 general election by allowing each member to choose to be paid either for each day of attendance or for actual mileage at the rate used by the Internal Revenue Service.

HJR 6, requiring the joint legislative historical committee to acquire and cause to be displayed a portrait of suffragist Marilla Marks Ricker **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Robert R. Cushing for the Majority Legislative Administration: This resolution requires a portrait of Marilla Marks Ricker be displayed in the State House. Marilla Ricker was the first woman to attempt to vote in the United States, the first woman admitted to the New Hampshire bar, and the first woman to run for governor of New Hampshire. A lifelong Republican, she attempted to vote each year for thirty years, only to be denied the right to vote on account of her sex. With vision and the courage to persevere in the face of enormous odds, unjust law, and unpopular opinion, she lived a life that changed the course of history in New Hampshire for all people. Everyone who testified on HJR6 supported the resolution. A petition in support from Exeter students pointed out that at present over 200 portraits of men hang in the State House, but there are only four portraits of women. The majority believes that with the passage of this measure, at long last, Marilla Marks Ricker would enter the State House to be honored as a pioneer of justice. Vote 7-6.

Reps. Warren C. Henderson, Gregory G. Carson, Loren Jean and Ronald Nowe for the Minority of Legislative Administration: The minority of the committee believes that this well-intended resolution would set several bad precedents. For decades, the Joint Legislative Historical committee has worked directly with groups interested in honoring historical figures with portraits hung in the State House. The subjects of these portraits were chosen by their admirers, funds were privately raised and the portraits were ceremoniously hung in conjunction with the Historical Committee. This bill would replace that traditional process with a single subject selection by legislative mandate at taxpayer expense without established criteria for selection. Converting the creation of historical portraits into another government function ill-serves our heritage. The legislature may properly recognize the great courage and commitment of citizens such as Marilla Ricker, but it should not preempt the proper roles of the Historical Committee and the general public.

On a division vote, 181 members having voted in the affirmative and 163 in the negative, the majority report was adopted.

HB 566-FN-A-L, preserving a municipality's authority to tax an electric generation plant as real estate when the plant is unregulated and increasing the franchise tax. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephanie Eaton for Local and Regulated Revenues: A strong majority of the committee supported the creation of a level playing field among competing electric generating plants in the current environment of utility deregulation. This bill will allow municipalities to tax electrical generating plants whether or not they're owned by regulated utilities, and closes a loophole in the current law. This bill is the result of an effort to compromise the interest of three competing groups, i.e., New Hampshire municipalities, PSNH and the independent power producers. Vote 13-2.

Amendment (0422h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the applicability of the property tax to electric plants and pipelines.

Amend the bill by replacing all after the enacting clause with the following:

1 Property Taxation of Electric Generation Plant. Amend RSA 72:8 to read as follows:

72:8 Electric Plants and Pipe Lines. *All* Structures, machinery, dynamos, apparatus, poles, wires, fixtures of all kinds and descriptions, and pipe lines [owned by a person or corporation operating as a public utility as defined in RSA 362:2 generating, producing, supplying and distributing electric power or light, or in transporting] ***employed in the generation, production, supply, distribution, transmission, or transportation of electric power*** or natural gas, crude petroleum and refined petroleum products or combinations thereof, shall be taxed as real estate in the town in which said property or any part of it is situated.

2 Applicability. Nothing in this act shall affect any agreement entered into under RSA 362-A:6 between a qualifying facility and a city, town, or village district for payment in lieu of taxes which is in existence on April 1, 1997.

3 Repeal. RSA 362-A:6, relative to tax exemption for qualifying small power production facilities and qualifying cogeneration facilities, is repealed.

4 Effective Date. This act shall take effect April 1, 1997, and shall apply to all taxes assessed on and after April 1, 1997.

AMENDED ANALYSIS

This bill repeals the tax exemption for qualifying small power production facilities and qualifying cogeneration facilities for taxes otherwise applicable to public utilities.

The bill also subjects real property and fixtures, used in the generation, production, supply, distribution, transmission, or transportation of electric power, to the property tax whether or not such real property or fixtures is owned by a public utility.

Adopted.

Report adopted and ordered to third reading.

HB 668-FN-L, licensing, regulating, and taxing video gambling machine use. **INEXPEDIENT TO LEGISLATE**

Rep. Jean R. Wallin for Local and Regulated Revenues: This bill addresses an important issue in New Hampshire, the licensing, regulating and taxing of video gambling machines. However, both the sponsor and a majority of the committee feel this bill is badly drawn and will not accomplish the purpose for which it is intended. It is internally contradictory and not enough time is available to correct the flaws in the bill. There will be other bills on video gambling next session, if not next year. Vote 8-4.

Adopted.

HB 781-FN, relative to lucky 7 tickets and bingo games and requiring manufacturers and distributors of bingo supplies to be licensed. **OUGHT TO PASS WITH AMENDMENT**

Rep. Betsy McKinney for Local and Regulated Revenues: This bill as amended was a request of the Sweepstakes Commission to address concerns of a recent audit. The bill does the following: (1) Redefines "charitable organization" to comply with the definition of exempt organizations under

IRS Code Sec. 501.C., (2) Requires that the charitable purpose be carried out at the same location as the charity, but allows bingo games and the sale of Lucky 7's to take place in another location; (3) Expands licensing of bingo suppliers and manufacturers the same way Lucky 7 distributors are currently licensed, and requires licensing for any out-of-state suppliers, distributors and manufacturers. Vote 13-2.

Amendment (0453h)

Amend the bill by replacing section 4 with the following:

4 New Section; Distributors and Manufacturers of Bingo Supplies and Equipment. Amend RSA 287-E by inserting after section 8 the following new section:

287-E:8-a Distributors and Manufacturers of Bingo Supplies and Equipment. The commission shall license distributors and manufacturers of bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines sold, leased, or rented in this state. A distributor with a current New Hampshire license for distribution of lucky 7 tickets shall be authorized to distribute bingo paper supplies and electronic bingo player systems and lucky 7 vending machines, and shall not be required to file for licensing under this section. All bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines shall be purchased, leased, or rented from a licensed distributor and manufactured by a licensed manufacturer. A license shall be issued to a distributor or manufacturer under the following conditions, provided that the commission may, by rule, establish additional qualifications for licenses:

I. The applicant for a distributor's license shall pay to the commission an annual license or license renewal fee of \$10,000. Such fee shall authorize the distribution of bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines within the state of New Hampshire and the warehousing of bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines for subsequent sale out of state. A distributor with a current New Hampshire license for distribution of lucky 7 tickets shall not be required to pay the additional licensing fee under this section.

II. The applicant shall certify that neither the applicant nor any partner, officer, or director has been convicted of a felony, which has not been annulled by any court, within 10 years from the date of application.

III. Each licensee shall post a bond in the amount of \$50,000, conditioned upon the licensee's compliance with the rules of the commission. A distributor with a current New Hampshire license for distribution of lucky 7 tickets shall not be required to post the additional bond under this section.

IV. An applicant for a license as a distributor shall be a resident of this state whose principal place of business is within this state, and shall have been a resident of this state for at least 2 years immediately prior to the date of application.

V.(a) The commission shall issue a special license to manufacturers of bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines leased, rented, or sold in the state.

(b) he fee for such special license shall be \$5,000 per year or for any part of a year.

Adopted.

HB 536, requiring certain dam owners to develop emergency action plans, prohibiting the construction of any dam without a permit and clarifying the process for issuing orders for dam repair. **OUGHT TO PASS WITH AMENDMENT**

Rep. David M. Lawton for Resources, Recreation and Development: The majority of the committee strongly supports This bill which addresses problems highlighted by the recent dam breach in Alton and seeks to improve the overall safety of the dams in our state by requiring emergency action plans for dams found to be a menace to public safety. The amendment resolves the conflict with Part 2, Article 28a of the NH Constitution by requiring the local legislative body to vote to approve funding to develop an emergency action plan for those municipally-owned dams. Vote 13-4.

Amendment (0516h)

Amend the bill by inserting after section 5 the following and renumbering the original section 6 to read as 7:

6 Unfunded Mandate Compliance.

I. On or before July 1, 1998, the department of environmental services shall determine which political subdivisions own dams; the department shall notify by certified mail the governing body of each such political subdivision that the emergency action plan constitutes a mandated program and the approximate costs thereof.

II. In political subdivisions where the legislative body is the town meeting, the selectmen shall place a warrant article on the ballot at the next regular town meeting to determine if the voters will approve the emergency action plan for funding. The town clerk shall certify to the department the results of said vote.

III. In political subdivisions where the legislative body is a town or city council, board of aldermen or county delegation, that body shall within 60 days of receipt of the certified mail from the department vote to approve or disapprove the emergency action plan for funding and certify to the department of environmental services the results of said vote.

IV. The question before the legislative body shall be stated as, "Shall the town/city of _____ approve for funding those provisions of RSA 482:11-a which constitute a new state mandate requiring the development of an emergency action plan for any dam, the failure of which may threaten life or property?"

V. The department shall not implement these new provisions in any political subdivision which fails to pass the resolution. The department may request any political subdivision that has not accepted these provisions to reconsider the question no more frequently than at 5-year intervals. Adopted.

Report adopted and ordered to third reading.

HB 459-FN, establishing a graduated driver's license and related penalties for persons under 18 years of age. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Letourneau for Transportation: This bill was the result of many hours of work from both the public sector and the legislative process. It is also the fruit of the combination of many bills presented to the committee during this session. This committee feels that this bill is a step in the right direction to create a safer driving environment for all of our citizens, and an effort to curb the rise in teenage driving fatalities in New Hampshire. Vote 13-1.

Amendment (0646h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a youth operator's license for persons under 18 years of age.

Amend the bill by replacing all after the enacting clause with the following:

1 Original and Youth Operator's Licenses. Amend RSA 263:14 to read as follows:
263:14 Original *and Youth Operators* Licenses.

I. The director, upon receiving proper application for an original driver's license, may in [his] *the director's* discretion issue a license designated as an original, with such designation to be effective until the fourth anniversary of the license holder's date of birth following the date of issuance to allow such applicant to gain proper driving habits, attitudes and experience.

II.(a) *The director shall issue a youth operator's license to applicants who are 16 years of age or older and under 18 years of age. In addition to any other requirements established by law, no such license shall be issued unless the applicant furnishes written consent from the applicant's parent or legal guardian and a certificate of successful completion of a driver education course as provided in RSA 263:19. The fee for the youth operator's license shall be \$32. The term of the license shall be 2 years.*

(b) *The holder of a youth operator's license shall not operate a motor vehicle between the hours of 1:00 a.m. and 5:00 a.m., nor shall such holder operate a motor vehicle when the number of occupants exceeds the number of safety restraints in the vehicle.*

(c) *During the first 90 days after issuance of the license, the holder of a youth operator's license shall not operate a motor vehicle unless accompanied by a licensed responsible adult who is at least 25 years of age.*

(d) *Violation of RSA 263:14, II,(b) or (c) shall subject the violator to a fine not to exceed \$100 and a license suspension not to exceed 30 days. Subsequent violations shall subject the violator to a fine of not more than \$200 and a license suspension of up to 90 days.*

(e) *This paragraph shall not apply to drivers licensed under RSA 263:21.*

(f) *The restrictions set forth in RSA 263:14, II(b), (c), and (d) shall not apply to drivers who are over 18 years of age.*

III. The director, after hearing, may suspend or revoke ~~[any such]~~ **an** original license **or any license held by a person under 20 years of age** for good cause upon receipt of proper evidence or information of misconduct, misuse or abuse of such driving privileges.

2 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill establishes a youth operator's license for persons under 18 years of age.
Adopted.

Report adopted and referred to Finance.

HB 671-A, establishing a committee to study the organization, structure, and administration of the department of fish and game, and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. L'Heureux for Wildlife and Marine Resources: This bill establishes a committee consisting of 5 senators appointed by president of the senate, 5 house members appointed by the speaker (one of whom shall be from house finance and two of whom shall be from the wildlife committee) to study the organizational structure of the fish and game department including its costs of operation as well as commission membership and appointment procedures. All aspects of the department operations will be addressed. The appropriation is intended to be used to hire expert consultants in the field of fish and game administration, if necessary. The committee felt the input of such experts would lend credence to their recommendations and legislative proposals. Suggested legislative initiatives are to be submitted by November 1, 1997. The amendments increased the wildlife committee membership from one to two members, reduced the appropriation from \$25,000 to \$10,000, and changes the effective date to "upon passage". Vote 12-1.

Amendment (0579h)

Amend paragraph I(b) of section 2 of the bill by replacing it with the following:

(b) Five members of the house of representatives, appointed by the speaker of the house, one of whom shall be from the house finance committee and 2 of whom shall be from the wildlife and marine resources committee.

Amend the bill by replacing all after section 5 with the following:

6 Appropriation. The sum of \$10,000 is hereby appropriated to the committee established under section 1 of this act for the fiscal year ending June 30, 1998, for the purposes of the committee. This appropriation shall be a charge on the fish and game fund.

7 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and ordered to third reading.

HB 619-FN-A, establishing a sunset review process for state agencies and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Howard C. Dickinson, Jr. for Executive Departments and Administration: The "sunset" process was used for several sessions during the 1980's with little effect and at great expense in both time and money. Furthermore, any member or committee can write "sunset" legislation for a specific state agency today without involving the whole of state government. Vote 16-0.

Rep. Dickinson yielded to questions.

Adopted.

HB 734-FN, requiring district courts to hold evening sessions. **OUGHT TO PASS**

Rep. Janet G. Wall for Judiciary and Family Law: This bill requires district courts to hold 2 evening sessions a month which may be in lieu of comparable daytime hours. With changes that have occurred in our economy, seeing many individuals being paid with hourly wages; and since many citizens along New Hampshire's borders work out of state, this bill will allow those workers to fulfill their obligations to the court without losing wages. Furthermore, police officers, who generally prosecute these cases, will be able to fulfill their professional duties, without interruption, which will benefit the areas they serve. In small towns this will also benefit many part-time police officers who, in order to appear in court, must take time off from their full-time day jobs. Vote 12-0.

Rep. John McCarthy spoke against.

On a division vote, 128 members having voted in the affirmative and 216 in the negative, the report failed. Rep. John McCarthy moved Ought to Pass with Amendment and offered a floor amendment.

Floor Amendment (0678h)

Amend RSA 502-A:1-b as inserted by section 1 of the bill by replacing it with the following:

502-A:1-b Evening Sessions Required. Each district court shall hold at least 2 regular evening sessions per month. Such evening sessions may be in lieu of 2 one-half day sessions per month. The sessions shall commence no earlier than 5:00 p.m. and shall be scheduled by the clerk of court for such length of time as justice may require.

Rep. John McCarthy spoke in favor.

Adopted.

Report adopted and referred to Finance.

HB 758-FN, raising the speed limit on all New Hampshire interstate highways from 65 to 75 miles per hour and from 55 to 65 in other locations. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: After receiving overwhelming testimony from both the private sector and various state agencies it was very obvious to this committee that this was a very serious safety concern for the motoring public in our state. The major issue facing our committee this year is the rise in teenage driving fatalities, and how to cope with it within the legislative process. We felt strongly that if this bill were to pass it would send the wrong message to our young drivers while putting our older citizens at risk. The committee vote of Inexpedient to Legislate, will send the correct message. Vote 16-0.

Rep. Vaillancourt spoke against.

Rep. Letourneau spoke in favor and yielded to questions.

Adopted.

Rep. Lozeau declared a conflict of interest and did not participate.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Vaillancourt requested that his protest be entered on the Journal.

Madam Speaker, what can I say? You speed; I speed; we all speed, or at least according to surveys, some 80 to 90 percent of us willfully break the 65-mile-an-hour speed limit every time we get behind the wheel of our cars. Now, I could stand up here for a half hour and cite statistics, but would it matter? I suspect not.

This bill reflects an attempt not to allow people to go faster, but to make our laws reflect those four sacred words I uttered from this podium back in January "consent of the governed." Clearly, there is no consent for a 65-mile-an-hour speed limit, or else 90 percent of us would not break the law every day.

Laws must reflect consent of the governed or they lead to unequal enforcement and a lack of respect for other laws, good laws, necessary laws. Albert Einstein, a man known more for his expertise in science than in political science, offered the astute observation, "Nothing is more destructive of respect for the government and the law of the land than passing laws which cannot be enforced." This is such a law.

It's time to make laws we can all respect. Instead of breaking the law, we as legislators should be making a law that reflects consent of the governed. Thank you.

COMMITTEE REPORTS**CONSENT CALENDAR - PART II**

Rep. Wheeler moved that the Consent Calendar - Part II with the relevant amendments as printed in the day's House Record be adopted.

HB 151, establishing comprehensive medical, physical and psychological standards for law enforcement officers, removed by Rep. Hansen.

HB 569, creating a New Hampshire securities transfer excise tax and a continually appropriated fund, removed by Rep. Hemon.

Consent Calendar adopted.

HB 301, relative to real estate broker's and agent's representation of buyers. **INEXPEDIENT TO LEGISLATE**

Rep. Martha Fuller Clark for Commerce: SB 611, Chapter 196 became effective in August 1996. It was the first revision to the Real Estate Practice Act in 25 years. It defines the relationship

between real estate agents and the client. SB 611 gives consumers a choice in structuring their real estate agreements and should be allowed to work without change at this time. Additionally, administrative rules is developing rules on implementing Chapter 196 which should take care of the concerns raised in this bill. Vote 14-0.

HB 435-FN-L, relative to liens placed on property by towns and cities for money spent on assisted persons. **INEXPEDIENT TO LEGISLATE**

Rep. William Tsiros for Commerce: Existing laws are adequate and provide the power to towns to place liens. Any change on priority of liens will upset the mortgage industry. Also, it will make it more attractive to ask for local welfare, rather than go for a second mortgage. Vote 14-0.

HB 526, clarifying that no other business entity may assume a name which is the same as or deceptively similar to the registered name of a New Hampshire real estate trust. **INEXPEDIENT TO LEGISLATE**

Rep. Dennis P. Vachon for Commerce: This bill would require the registration of all trade names used by real estate trusts. New Hampshire law disfavors real estate trusts, as evidenced by recent law changes requiring title to real estate owned by such trusts to be held in the name of a person or entity as trustee of the trust. The committee found no large scale problem justifying a further change in the law. Real estate trusts are free under current law to register their trade name if concerned that others will use it. Vote 15-0.

HB 541, relative to long term care insurance **RE-REFER TO COMMITTEE**

Rep. George Hurt for Commerce: Long term care insurance is a unique form of insurance coverage and not everyone is able to afford this type of insurance protection. Testimony indicated that long term care was not available until age 40, where most premiums were affordable. However, further evidence was given to support the majority of purchases is usually between ages 60-70, but with substantial premium increase, more restrictive coverages and fewer options. Due to the vicissitudes and the complexity of this type of insurance coverage, the committee felt this legislation deserved to be studied in depth. Vote 14-0.

HB 136, establishing a committee to study the authority, functions, duties and responsibilities of the fire standards and training commission. **OUGHT TO PASS WITH AMENDMENT**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill amends RSA 21-P:12-a which establishes the Division of Fire Standards and Training, the duties of the director of the fire academy and defines the role of the Fire Standards and Training Commission. During 1996, the curriculum for the fire academy was presented to the firefighting community and a controversy between the career firefighters and volunteer firefighters called attention to the need for a system of hearings to allow volunteers to become informed and to have input into matters of concern to them. All parties, the Department of Safety, the Fire Standards and Training Commission, the career and volunteer firefighters have agreed to a rewriting of the statutes to guarantee an open process for establishing curriculum and training guidelines for certification of New Hampshire firefighters. The original bill called for a study committee. On March 4, 1997, a second public hearing on the amendment was held and attended by representatives from the commission, Department of Safety and firefighting community. All parties agreed to this amendment. Vote 18-0.

Amendment (0465h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the division of fire standards and training and the fire standards and training commission.

Amend the bill by replacing all after the enacting clause with the following:

1 Division of Fire Standards and Training. Amend RSA 21-P:12-a to read as follows:

21-P:12-a Division of Fire Standards and Training; Disposition of Funds.

I. There is established within the department a division of fire standards and training under the supervision of an unclassified director of fire standards and training who shall administer and supervise a fire service training and research program throughout the state. [~~This division shall establish training standards and offer instruction in methods of determining and dealing with the causes of fire and the prevention of fire, techniques in firefighting and rescue, research in techniques in firefighting and fire protection, and the administration and management of fire departments.~~] The director of

fire standards and training shall be nominated by the commissioner of safety, after consultation with the fire standards and training commission, for appointment by the governor, with consent of the council, and shall serve a term of 4 years until a successor is appointed. The commission shall take a recorded vote regarding its concurrence or non-concurrence in the commissioner's nomination decision. If the commission votes not to concur in the decision, it shall submit a letter to the commissioner so stating, and the commissioner shall in turn submit that letter to the governor and council. The director of fire standards and training shall be academically and technically qualified to hold the position, and shall receive the salary specified in RSA 94:1-a.

II. The director shall:

(a) *Be responsible for the operations of the fire academy including, establishing training programs and offering instruction in methods of determining and dealing with the causes of fire and the prevention of fire, techniques in firefighting and rescue, research and techniques in firefighting and fire protection, and the administration and management of fire departments.*

(b) *Establish fees to be collected for tuition and services. Such fees shall be subject to the approval of the commissioner of the department of safety.*

(c) *Establish, maintain, approve, and certify programs, courses, institutions, and facilities for study for all fire service personnel and recruits according to accepted curricula.*

(d) *Provide all fire service personnel with professional instruction and training.*

(e) *Develop and promote new methods and practices of firefighting, rescue operations, fire prevention, and fire administration.*

(f) *Disseminate information relative to fire and rescues, techniques of firefighting and rescuing, fire prevention, fire administration, and other related subjects to all interested agencies and individuals throughout the state.*

(g) *Be authorized to employ part-time instructors or assistants and compensate them for organizing, developing, and conducting approved fire training and rescue courses or other work as directed at an hourly rate established by the commission and for mileage and expenses incurred in performing their official duties.*

(h) *With the approval of the commissioner, accept in the name of the state any and all donations, fees for tuition, rents, services and any and all moneys and grants from any governmental unit, public agency, institution, person, firm, or corporation and receive, utilize, expend, and dispose of such funds subject to budgetary provisions, consistent with the rules of the department of safety and the purposes or conditions of the donations or grant.*

III. The receipt of a donation or grant under subparagraph II(h) shall be noted in the biennial report of the department of safety, which will also identify the nature of the donation or grant and the conditions of the donation or grant, if any. Any moneys received by the division pursuant to subparagraph II(h) shall be deposited in the state treasury to the account of the department of safety and shall not lapse. In addition, the division may receive, hold, and use gifts, bequests, and devises either outright or in trust for purposes consistent with this chapter.

2 Fire Standards and Training Commission. Amend RSA 21-P:25, I to read as follows:

I. The New Hampshire fire standards and training commission is hereby established and directed to [administer and supervise a fire service training and research program throughout the state. ~~The program shall offer instruction in~~] *establish minimum educational and training standards for employment as a full-time firefighter, establish minimum selection standards for full-time fire service personnel, establish and publish educational and training standards for fire service personnel, and certify fire service personnel as meeting the educational and training standard. This commission shall also act in an advisory capacity to the director of the division of fire standards and training with reference to the instruction methods of determining and dealing with the causes of fire, the prevention of fire, techniques of firefighting and rescue, research techniques in firefighting and fire protection, and the administration and management of fire departments. [The program shall be open to, but not limited to, all fire personnel within the state.] The commission shall meet at least 4 times annually.*

3 Definition; Director. Amend RSA 21-P:25, II(b) to read as follows:

(b) *"Director" means the director of the division of fire standards and training.*

(c) *"Fire service personnel" means firefighters, fire officers, rescue personnel connected with fire departments, fire prevention officers, inspectors, investigators, fire instructors, public education specialists, fire alarm personnel, or any other personnel who are members of fire departments or fire-related state agencies, whether full or part-time.*

4 Rulemaking. Amend the introductory paragraph of RSA 21-P:27, I to read as follows:

I. The commission *and the commissioner of safety*, shall adopt rules, pursuant to RSA 541-A, relative to:

5 Reference Change. Amend RSA 21-P:27, I(a) to read as follows:

(a) The conduct of ~~[its]~~ *the meetings of the commission*.

6 Rulemaking Authority. Amend RSA 21-P:27, I(d)-(e) to read as follows:

(d) Procedures for the conduct of investigations ~~[authorized under this subdivision]~~ *regarding the certification of firefighters*.

(e) Matters necessary for the proper administration of ~~[this subdivision]~~ *the commission*, including the issuance of certificates evidencing the satisfaction of educational and training requirements.

7 Powers and Duties. RSA 21-P:28, I is repealed and reenacted to read as follows:

I. The commission, within budgetary limitations, shall:

(a) Certify fire service personnel as meeting minimum educational and training standards.

(b) Act upon request as the advisory committee to the state board of education concerning any fire educational programs.

(c) Require submission of reports and information from fire departments within the state that may be pertinent to the functioning of the commission.

(d) In coordination with the division of fire standards and training, make such investigations as may be necessary to determine whether governmental units are complying with the provisions of this subdivision.

8 New Paragraph; Certification, Education, and Training. Amend RSA 21-P:29 by inserting after paragraph II the following new paragraph:

III. Prior to any final vote regarding minimum standards, selection procedures, or certification, the commission shall:

(a) Provide notice of the proposed action to members of the fire service.

(b) Allow a 60-day period for the receipt of written comments on the proposal.

(c) Hold public hearings, one in the daytime hours and another during the evening hours, in such a way as to maximize input from members of the fire service.

9 Reimbursement of Expenses. Amend RSA 21-P:30 to read as follows:

21-P:30 Reimbursement of Expenses. The ~~[commission]~~ *division, with the approval of the commissioner*, may reimburse fire departments or fire-related state agencies for expenses incurred in the training of their fire personnel in attendance at approved training programs to the extent it considers reasonable ~~[given the amount of available funds]~~ *provided there are funds available and allocated for that purpose*, and provided that any such department or agency adheres to the selection and training standards adopted by the commission.

10 Reference Changed. Amend RSA 100-A:3, III-c to read as follows:

III-c. Notwithstanding the provisions of RSA 100-A:1, VIII, any permanent fireman who has been a group II member and who has 10 years' fire service experience, or any person included in the definition of "fire service personnel" as defined in RSA 21-P:25, ~~[H(b)]~~ *II(c)* who has 10 years' fire service experience, who is or becomes the director of the division of fire safety, the administrator of the fire standards and training commission, any fire instructor, supervisor, instructor, or other technical specialist who has hazardous materials, firefighting, or rescue training functions and who has as a job requirement satisfied the fire standards and training commission's entrance and certification requirements for physical condition, education, and training shall be construed to be a permanent fireman for the purposes of membership in group II and shall remain in the system for the duration of ~~[his]~~ service in that capacity with the fire standards and training commission.

11 Repeal. The following are repealed:

I. RSA 21-P:27, I(f), relative to the establishment of fees and rulemaking authority of the fire standards and training commission.

II. RSA 21-P:28, II(d), relative to acceptance of donations, fees, rents, and other moneys by the fire standards and training commission.

III. RSA 21-P:31, relative to the expenditure of funds for fire standards and training purposes.

12 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Establishes the duties of the director of the division of fire standards and training.

II. Imposes duties upon the fire standards and training commission.

III. Requires the fire standards and training commission to abide by certain procedural requirements prior to any final vote on minimum standards, selection procedures, or certification.

IV. Modifies the mechanism and circumstances by which fire departments and fire-related state agencies are reimbursed for expenses.

V. Repeals certain laws relative to fire standards and training.

HB 209, relative to information required when applying for a New Hampshire driver's license. **INEXPEDIENT TO LEGISLATE**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: The bill, as introduced, required all new residents applying for a driver's license to reply to questions relative to an applicants possible criminal background in sex related crimes. The committee was concerned with the appearance of these questions on the driver's license application form and the fact that they maybe offensive to many people new to New Hampshire. The Department of Safety has agreed to supply posters of our sexual offender registration laws to the town and city clerks and the motor vehicle office in Concord and its substations. Vote 13-0.

HB 271, establishing a committee to examine the effectiveness and efficiency of the multiple DWI offender intervention detention center program. **RE-REFER TO COMMITTEE**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: This program was audited by the Legislative Budget Assistant and found to be over two million dollars in the red. We felt it would be better to re-refer this and study it ourselves along with at least one other bill that has similar content to decide whether we need to make a policy change or change the program funding or both. Vote 13-0.

HB 367-FN-L, requiring notification to parents when a minor violates the tobacco laws. **OUGHT TO PASS WITH AMENDMENT**

Rep. L. Randy Lyman for Criminal Justice and Public Safety: The original bill required law enforcement officers to notify parents or guardians in writing when their child or children under 18 years of age violate RSA 78:12-c, V. The existing RSA 78:12-c makes it a violation for such minor children to possess and/or misrepresent their age to purchase or possess tobacco products. The amendment requires parents to be notified, but not in writing. Vote 13-0.

Amendment (0428h)

Amend the bill by replacing section 1 with the following:

1 New Subparagraph; Notification to Parent or Guardian. Amend RSA 78:12-c, V to read as follows:

V.(a) Any person under 18 years of age who violates this section shall be guilty of a violation and shall be punished by a fine not to exceed \$100 for each offense or shall be required to complete up to 20 hours of community service for each offense, or both. Where available, punishment may also include participation in an educational program.

(b) The parent or guardian of any person under 18 years of age who violates this section shall be notified of such violation by the local law enforcement officer or agency.

HB 386, removing personal liability of employees of licensing entities for failure to comply with state laws regarding licenses to carry pistols and revolvers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Bruce F. Hunter for Criminal Justice and Public Safety: This bill removed a provision of law enacted just last year and which became effective on January 1, 1997. That provision made employees of licensing entities personally liable for the failure to comply with laws regarding the issuance of licenses to carry pistols and revolvers. The committee feels that we should allow this to work for awhile to see if it actually does need to be changed. -The committee amendment eliminated the original bill and defines what a "suitable" person should be. The applicant should be a person who is not prohibited by law from possession of a handgun. Currently in New Hampshire law, there is no requirement for a criminal record check before a concealed weapons permit is issued. The amendment makes that record check a requirement and the licensing authority, the chief of police in most towns, will now be enabled to define whether or not an applicant for a concealed weapon permit is a law-abiding citizen, and therefore, suitable for issuance of the license. A second public hearing on HB 386 was held on February 25, 1997, by the committee. All testimony was in favor of the amendment Vote 16-0.

Amendment (0347h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the definition of "suitable person" for purposes of licensing a suitable person to carry a loaded pistol or revolver.

Amend the bill by replacing section 1 with the following:

1 Definition of "Suitable Person;" License to Carry Pistol or Revolver. Amend RSA 159:6 to read as follows:

159:6 License to Carry. The selectmen of a town or the mayor or chief of police of a city or some full-time police officer designated by them respectively, upon application of any resident of such town or city, or the director of state police, or some person designated by such director, upon application of a nonresident, shall issue a license to such applicant authorizing the applicant to carry a loaded pistol or revolver in this state for not less than 4 years from the date of issue, if it appears that the applicant has good reason to fear injury to the applicant's person or property or has any proper purpose, and that the applicant is a suitable person to be licensed. *A "suitable person to be licensed" means a person who is not prohibited by law from owning or possessing pistols or revolvers.* Hunting, target shooting, or self-defense shall be considered a proper purpose. The license shall be valid for all allowable purposes regardless of the purpose for which it was originally issued. The license shall be in duplicate and shall bear the name, address, description, and signature of the licensee. The original shall be delivered to the licensee and the duplicate shall be preserved by the people issuing the same for 4 years. When required, license renewal shall take place within the month of the fourth anniversary of the license holder's date of birth following the date of issuance. The license shall be issued within 14 days after application, and, if such application is denied, the reason for such denial shall be stated in writing, the original of which such writing shall be delivered to the applicant, and a copy kept in the office of the person to whom the application was made. The fee for licenses issued to residents of the state shall be \$10, which fee shall be for the use of the law enforcement department of the town granting said licenses; the fee for licenses granted to out-of-state residents shall be \$20, which fee shall be for the use of the state. The director of state police is hereby authorized and directed to prepare forms for the licenses required under this chapter and forms for the application for such licenses and to supply the same to officials of the cities and towns authorized to issue the licenses. No other forms shall be used by officials of cities and towns. The cost of the forms shall be paid out of the fees received from nonresident licenses.

AMENDED ANALYSIS

This bill defines "a suitable person to be licensed" to carry a loaded pistol or revolver.

HB 416, relative to sentencing for juvenile delinquents. OUGHT TO PASS WITH AMENDMENT Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill authorizes the court to commit a delinquent minor to the custody of the department of youth development services for the remainder of minority. The bill also expands such commitment, without limiting it, to placement in a facility certified for the commitment of minors, administrative release to parole, or administrative release consistent with the cap on youth development center population. This bill also requires that the commissioner of the department of youth development services notify the court, within 5 business days, of any commitment and of any subsequent changes in placement made within 60 days of the original placement which will help provide positive information as to the immediate location of the youth. Vote 12-0.

Amendment (0449h)

Amend the bill by replacing all after the enacting clause with the following:

1 Commitment of Minor to Custody of Department of Youth Development Services Allowed and Expanded. Amend RSA 169-B:19, I(j) to read as follows:

(j) Commit the minor to the *custody of the department of youth development [center] services* for the remainder of minority. *Commitment may include, but is not limited to, placement by the department of youth development services at a facility certified for the commitment of minors pursuant to RSA 169-B:19, VI, administrative release to parole pursuant to RSA 621:19, or administrative release consistent with the cap on youth development center population under RSA 621:10, provided that the appropriate juvenile services officer is notified.*

2 Reference Removed. Amend RSA 169-B:19, VI to read as follows:

VI. ~~[Notwithstanding RSA 169-B:19, I(j), a]~~ A minor committed to the youth development center for the remainder of minority may be placed at any facility certified by the commissioner of the department of health and human services for the commitment of minors. The commissioner of the department of youth development services shall be responsible for notifying the court, *within 5 business days*, of any such placement and of any subsequent changes in placement *made within 60 days of the original placement*.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill authorizes the court to commit a delinquent minor to the custody of the department of youth development services for the remainder of minority. The bill also expands such commitment, without limiting it, to placement in a facility certified for the commitment of minors, administrative release to parole, or administrative release consistent with the cap on youth development center population.

This bill also requires that the commissioner of the department of youth development services to notify the court, within 5 business days, of any commitment and of any subsequent changes in placement made within 60 days of the original placement.

HB 420, relative to administrative review of suspended or revoked motor vehicle licenses. REFER TO COMMITTEE

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: This bill attempts to amend the administrative license suspension (ALS) process by making 3 changes which were approved two years ago by this house. These three changes are designed to make the review hearing a more reasonable and responsive process. However, we felt we should re-refer this bill because a superior court recently ruled that the ALS hearing process is flawed. We believe this decision will be appealed to the supreme court and therefore we should wait for an answer before we further amend his statute. Vote 17-0.

HB 462-FN, relative to acknowledgment of DWI laws by persons under 21 years of age. OUGHT TO PASS WITH AMENDMENT

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: The committee amended the bill to inform all motor vehicle license applicants under 21 years of age of certain alcohol related laws and their penalties. We also added notification of illegal transportation and illegal possession laws. We also removed the signed acknowledgment portion of the bill as this is where the fiscal impact was. The Department of Safety said it could accomplish the notification within its budget. Vote 13-0.

Amendment (0467h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring the department of safety to inform persons under 21 years of age of the DWI laws.

Amend the bill by replacing section 1 with the following

1 New Section; Informing License Applicants Under 21 Years of Age of the DWI laws. Amend RSA 263 by inserting after section 17 the following new section:

263:17-a Informing Persons Under 21 Years of Age of the DWI laws. Before issuing a driver's license or permit to any person under 21 years of age, the department shall inform the applicant of the following:

I. It is unlawful to drive with an alcohol concentration of 0.02 percent or greater.

II. The penalty for violations relating to paragraph I is an automatic 6-month license suspension for a first offense and a 2-year license suspension for a second offense; a minimum mandatory fine of \$350; and mandatory attendance and successful completion of the impaired driver intervention program prior to restoration of driving privileges.

III. A refusal to take, or a failure to complete, a preliminary breath test or, upon arrest, any physical or chemical test for the purpose of determining a level of alcohol in your system shall result in an automatic 6-month license suspension for a first refusal and a 2-year license suspension for a subsequent refusal.

IV. The fee for reissuance of a driver's license after suspension for any of the reasons stated above.

V. It is unlawful to transport any alcoholic beverage, except when accompanied by a parent, legal guardian or legal age spouse, or when such transportation is within the course of legal employment.

VI. It is unlawful to be in possession of any alcoholic beverage, except when such possession is within the course of legal employment.

VII. Any other information concerning driving responsibility that the director deems necessary.

AMENDED ANALYSIS

This bill requires the department of safety to inform any person under 21 years of age of the state's DWI laws before issuing a driver's license.

HB 514-FN, relative to penalties for driving while intoxicated or under the influence of drugs for persons under 21 years of age. **INEXPEDIENT TO LEGISLATE**

Rep. L. Randy Lyman for Criminal Justice and Public Safety: This bill has the effect of weakening the DWI laws for offenders under 21, the legal drinking age. At the discretion of the court, a judge could suspend a portion of the minimum mandatory fine if the blood alcohol count was more than 0.02, but less than 0.08. There was testimony on both sides of this issue but in the end, the committee recommended inexpedient to legislate as we felt we should not weaken any of the D.W.I. laws. Vote 13-0.

HB 767-FN, relative to violation of court orders regarding child custody. **RE-REFER TO COMMITTEE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: The testimony that the committee heard indicated that the intent of the bill was sound, but that it needed additional work to be satisfactory. Consequently, the committee voted unanimously to re-refer the bill. Vote 17-0.

HB 703-FN-L, relative to criminal history checks for school personnel. **INEXPEDIENT TO LEGISLATE**

Rep. Arthur Pelletier for Education: The sponsor recommended that the committee find the bill inexpedient as the subject matter was adequately addressed in HB 102. Vote 19-0.

HB 808, changing the optional term of the school district clerk, moderator and treasurer. **OUGHT TO PASS**

Rep. Richard L. Hill for Education: This bill allows all school districts to vote for either a one year, two year or a three year term for school district clerk, moderator and treasurer. This is a change from present RSA 671:6-a III from either one year term or a three year term. Vote 13-0.

HB 372, relative to age and domicile requirements for candidacy for public office. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph A. Foster for Election Law: This bill will assist certain cities and towns which have found it difficult to staff the polls on election day by permitting anyone 17 years of age or older who is otherwise qualified to work at the polls. Current law requires individuals to be at least 18 years old. This bill also repeals a law that relates to obsolete voting machines. Vote 14-0.

Amendment (0413h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to age requirements for assistant election officials.

Amend the bill by deleting section 1 and renumbering the original sections 2-4 to read as 1-3, respectively.

AMENDED ANALYSIS

I. Requires that assistant election officers be at least 17 years of age before initiating official duties.

II. Removes the law relative to listing of names of candidates on primary ballots.

HB 430, relative to registration of political committees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas I. Arnold, Jr. for Election Law: This bill requires political committees to have either a treasurer or agent who is a citizen of New Hampshire upon whom service may be made. It also eliminates certain laws related to advertising which are unenforceable due to recent supreme court decisions. It further modifies registration and reporting requirements for political committees. The committee determined that each of these changes is beneficial. Vote 17-0.

Amendment (0500h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to registration of political committees and to political expenditures and contributions.

Amend the bill by replacing all after the enacting clause with the following:

1 Registration of Political Committees. Amend RSA 664:3, I-II to read as follows:

I. Any political committee, except the political committee of a political party, shall register with the secretary of state as provided in this section. The committee shall register with the secretary of state ~~[before receiving any contribution]~~ **not later than 24 hours after receiving any contribution in excess of \$500 or before making any expenditure**~~[-and in no event shall any political committee register with the secretary of state later than the second Wednesday following any primary election] in excess of \$500.~~ The registration shall be accompanied by a fee of \$50, which shall be deposited by the secretary of state into the general fund; provided, however, that the political committee of a candidate which registers under this section shall not be required to pay the \$50 fee. **Each political committee shall designate a treasurer or agent who is a citizen of this state and who is authorized to receive all process and other legal documents on behalf of the political committee, and through whom may be obtained access to all books and records of the political committee.** The political committee shall file with the secretary of state a statement of the purpose of the committee and shall indicate whether the committee will be making independent expenditures in support of or in opposition to any candidate including ~~[the full name of each candidate;]~~ a statement of the name, address, occupation, and principal place of business of its ~~[chairman]~~ **chairperson**, treasurer **or agent**, and other officers~~[-and a declaration signed by its chairman and treasurer that the political committee will not exceed the expenditure limitations allowed under RSA 664:5, V].~~

II. No member of a political committee **which is required to register under RSA 664:3, I**, except members of political committees of political parties, shall do any act directly or indirectly on behalf of the committee to promote the success or defeat of a political party, a measure or a candidate, ~~[until the statements required by paragraph I are filed. Only those political committees that have filed a declaration with respect to independent expenditures as provided in paragraph I may make such expenditures]~~ **unless the requirements of RSA 664:3, I are met.**

2 Prohibited Political Expenditures. Amend RSA 664:5, I-II to read as follows:

I. By a political committee, except the political committee of a political party, unless the political committee ~~[files with the secretary of state pursuant to]~~ **meets the requirements of RSA 664:3, I.**

II. By a political committee **which is organized** to support a candidate in any election, or to such candidate or ~~[his]~~ **the candidate's** fiscal agent unless the committee secures and files the written consent of the candidate or ~~[his]~~ **the candidate's** fiscal agent with the secretary of state in accordance with RSA 664:3, III.

3 Reporting by Political Committee. Amend RSA 664:6, IV-a to read as follows:

IV-a. Any political committee whose independent expenditures, **in aggregate**, exceed \$500 shall file an itemized statement with the secretary of state not later than 24 hours after such expenditures are made, and thereafter each time a further \$500 is expended. Such itemized statements shall cover the period during which independent expenditures totaling \$500 were made. **Each statement shall include a certification by the political committee that the independent expenditure meets the definition in RSA 664:2, XI.** Each statement shall contain the date of ~~[the]~~ **each** independent expenditure; the name and address of the person to whom the expenditure was made; the name of the candidate on whose behalf or against whom each expenditure was made; the amount of each expenditure; the purpose of each expenditure and the aggregate amount of all previous independent expenditures. If the independent expenditure is made in support of or to oppose more than one candidate, the statement made under this paragraph shall allocate the way in which the expenditure was made among the candidates on a reasonable basis. For the purposes of this paragraph, "reasonable basis" means a statement which reflects the benefit or the burden reasonably expected to be derived or suffered by each candidate. The filing requirements of this paragraph shall be in addition to all other filing requirements under this section, and shall not be limited to the filing periods during which expenditures must otherwise be reported.

4 Committee Treasurer. Amend RSA 664:13 to read as follows:

664:13 Committee Treasurer. ~~[Each political committee shall have a treasurer, who shall be a citizen of this state, and shall receive and pay out all money handled by the committee.]~~ If ~~[there be]~~ a *political committee* has no treasurer, or if ~~[he]~~ *the treasurer* fails to make a report, it shall be the duty of each member of said committee who received or pays out any money in behalf of said committee to make such a report or to cause the same to be made. No member of such committee shall make or permit any unlawful expenditure or act by said committee, in whole or in part, or consent thereto, or aid, abet or conspire to make or permit the same.

5 Repeal. The following are repealed:

I. RSA 664:5, IV, relative to purchase of advertising space promoting success or defeat of a candidate.

II. RSA 664:5, V, relative to limiting independent expenditures by political committees.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Changes the deadline for political committees to register with the secretary of state.

II. Requires each political committee to designate a treasurer or agent.

III. Modifies other registration requirements for political committees and certain reporting requirements for such committees.

IV. Repeals certain laws relative to campaign advertising and to independent political committee expenditures.

HB 441, relative to the ballot law commission. INEXPEDIENT TO LEGISLATE

Rep. Susan W. Almy for Election Law: This bill has two parts, to set term limits for the Ballot Law Commission and to require Commission meetings to be held in person rather than by telecommunication. The first part was considered inadvisable and the second is an issue that should be considered by the Executive Departments and Administration Committee rather than Election Law. Vote 14-0.

HB 443, relative to push-polling. RE-REFER TO COMMITTEE

Rep. Joseph A. Foster for Election Law: The bill would place several restrictions on the practice of "push-polling." Though the committee agrees that the practice of push-polling raises serious concerns, it was unsure of the bill's constitutionality in light of the United States Supreme Court's decision in McIntyre v. Ohio Elections Commission. In addition, the term "push-polling" as defined in the bill may encompass legitimate practices traditionally used by campaigns. For this reason, the Committee recommends that the bill be re-referred so that it can be studied further with other bills previously re-referred to the Committee which raised similar constitutional questions. Vote 16-0.

HB 481, relative to financial reporting requirements for political candidates. OUGHT TO PASS WITH AMENDMENT

Rep. C. Donald Stritch for Election Law: The committee felt that this bill closed important loopholes in the election fund raising/expenditure process and also enhances public confidence in our reporting procedures. Vote 16-1.

Amendment (0567h)

Amend RSA 664:7 as inserted by section I of the bill by replacing it with the following:

664:7 Reporting by Candidates. Each candidate at the primary or general election for governor, *executive* councilor, *senate president*, *speaker of the house*, state senator, representative to general court, or county officer, *who has received contributions exceeding \$500*, or who has expenditures exceeding \$500, shall file statements before and after an election in like manner and detail as prescribed in RSA 664:6, II, II-a, III, IV, and V, excepting, however, the *contributions to and* expenditures of political committees of the party to which the candidate belongs in elections other than primaries. *In addition, each candidate for executive councilor, state senator, representative to the general court, or county officer who is subject to this section shall file a duplicate statement with the city or town clerk in the city or town in which the candidate is domiciled.*

HB 484, relative to registration of certain voters who vote by absentee ballot. RE-REFER TO COMMITTEE

Rep. David R. Boutin for Election Law: The committee heard testimony supporting the intent of the bill. However, there are some outstanding issues that need further consideration so as not to minimize the intent of other state statutes regarding handicapped access to polling areas. The sponsor of the bill requested that the bill be re-referred, and the committee concurred unanimously. Vote 17-0.

HB 596-FN, repealing the law prohibiting the bribing or intimidating of voters. OUGHT TO PASS WITH AMENDMENT

Rep. Nick Hart for Election Law: This bill repeals some obsolete provisions and eliminates duplicate jurisdictions between the county attorneys and the Attorney General. Vote 13-0.

Amendment (0410h)

Amend the title of the bill by replacing it with the following:

AN ACT repealing certain laws relative to bribery or intimidation of voters.

Amend the bill by replacing all after the enacting clause with the following:

1 Repeal. The following are repealed:

I. RSA 666:9, relative to examination on complaint of candidates accused of violating the law against bribery.

II. RSA 666:10, relative to procedure in the enforcement of election laws.

III. RSA 666:11, relative to the county attorney's duty to prosecute for bribery or intimidation of voters.

2 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill removes certain laws relative to bribery or intimidation of voters which are duplicate of laws relative to the powers of the attorney general and county attorneys.

HB 634-L, relative to removal from office of certain municipal officials by voters. INEXPEDIENT TO LEGISLATE

Rep. Jackie K. Weatherspoon for Election Law: The committee believes this bill is flawed in a number of areas. For example, the committee did not feel they could make judgments on a person's physical appearance as grounds for removal from office. The committee also believes there is legislation in place that could address removal from office. Therefore, the committee voted Inexpedient to Legislate. Vote 16-0.

HB 659, modifying restrictions on televised political advertising. RE-REFER TO COMMITTEE

Rep. Nick Hart for Election Law: The committee felt this bill was in a new area of campaigning. Exploring all aspects of this bill and its constitutionality will be possible in a study committee. Vote 15-1.

HB 782, exempting the lists of recipients of official absentee ballots from certain public inspection access requirements. INEXPEDIENT TO LEGISLATE

Rep. Raymond C. Buckley for Election Law: This bill does not solve the problem as intended by the sponsor. After weighing an individual's right to privacy in regards to absentee voting versus the public's right to know, the committee chose to continue the current practice of disclosing the list of absentee voters. Vote 18-0.

HB 396-L, prohibiting current use tax designation for property granted a change in zoning classification for 5 years after the reclassification. RE-REFER TO COMMITTEE

Rep. Richard T. Trelfa for Environment and Agriculture: The committee strongly recommends that because of the numerous issues that should be studied further concerning current use taxation, this bill should be re-referred, allowing time to adequately address these concerns. Vote 14-0.

HB 803-FN-L, relative to property valuation for purposes of payment of tax on a change of use under the current use laws. INEXPEDIENT TO LEGISLATE

Rep. William R. Phinney for Environment and Agriculture: HB 396 has been re-referred back to committee. The issues included in HB 803-FN-LOCAL will be considered in the study resulting from HB 396. Vote 18-0.

CACR 14, relating to pensions for the governor, commissioners of state departments, and judges. Providing that no governor, commissioner of a state department, or judge shall receive a pension from public funds. **INEXPEDIENT TO LEGISLATE**

Rep. Myron S. Steere, III for Executive Departments and Administration: The prime sponsor testified in opposition to this CACR. He said this was a sledge hammer approach and he will consider another approach in future legislation. There was some support for the CACR, but this will not answer their concerns. Vote 18-0.

HB 447, eliminating the grandfather clause for licensure of professional engineers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kipp A. Cooper for Executive Departments and Administration: It was the committee's belief that the elimination of the grandfather clause would exclude certain individuals with partial education and experience from sitting for the professional engineer's examination. The amendment keeps the grandfathering clause intact and adds the requirement that anyone applying for licensure under this section must also pass the professional engineer's examination. Vote 13-0.

Amendment (0489h)

Amend the bill by replacing all after the enacting clause with the following:

1 Requirement to Pass Examination. Amend RSA 310-A:12, III-IV to read as follows:

III. Applicants with a minimum of 25 years of engineering experience of which at least 10 years shall have been in responsible charge of engineering work satisfactory to the board may apply for licensure under this section on the basis of education and experience, *provided that they have successfully passed the professional engineers examination required by RSA 310-A:17.*

IV. Whenever the evidence presented in an application under paragraph I, II, or III does not appear to the board conclusive and warranting the issuance of a license, the applicant *[may] shall* be required to pass an oral or written examination, or both, as the board may determine.

2 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill modifies the law which allows certain persons with engineering experience to apply for licensure on the basis of partial education and experience by adding the condition that such persons pass the professional engineers examination.

This bill also makes certain other applicants for licensure as professional engineers subject to mandatory passage of an examination.

HB 500, relative to membership on the retirement system board of trustees. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill as amended by the sponsor would have changed the method of selecting firefighter members for the Board of Trustees of the New Hampshire Retirement System by allowing the Professional Firefighters of New Hampshire and the New Hampshire Permanent Firemen's Association to submit a list of names to the governor of appointment. The committee heard from members of both organizations on this bill. Inasmuch as there is a great deal of dual membership in these organizations, the committee felt that this was a situation that they should resolve among themselves and the legislature should not be involved. Vote 14-0.

HB 113-FN-A, reducing the rate of the communications services tax. **INEXPEDIENT TO LEGISLATE**

Rep. Charles L. Vaughn for Finance: The committee was not provided evidence that the increase in economic growth in communication services would offset the loss of \$6.5 million of state revenues over the biennium. Vote 19-2.

HB 516-FN, increasing the fuel oil discharge cleanup fund fee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert G. Holbrook for Finance: This bill, as amended, increases the import fee to \$.005 per gallon of fuel oil to provide more adequate funds to pay incoming applications of fuel oil contamination as a backlog now exists. Also, it provides for transfer of \$1,000,000 from the Oil Pollution Control Fund to the Fuel Oil Disbursement Fund to provide funds to eliminate the backlog,

and 50% of fees collected shall be returned to the Oil Pollution Control Fund until the Oil Pollution Control Fund reaches \$2,000,000. Further, this amended bill provides that each facility making claim from the Fuel Oil Disbursement Fund shall pay the first \$500 as is similar to policies in all disbursement funds. Vote 19-0.

Amendment (0433h)

Amend the bill by replacing all after section 1 with the following:

2 Fund Transfer. Within 30 days after the effective date of this section, the department of environmental services shall transfer \$1,000,000 from the oil pollution control fund, as established by RSA 146-A:11-a, to the fuel oil discharge cleanup fund, as established by RSA 146-E:3, I. This shall be a one-time only transfer to the fuel oil discharge cleanup fund. Notwithstanding any provision of law to the contrary, 1/2 of the \$.005 per gallon collected for fuel oil storage facilities pursuant to RSA 146-E:3 after the effective date of this section shall be deposited in the oil pollution control fund until the \$1,000,000 has been returned in full.

3 Eligible Expenses; On-premise-use Facility Cleanup Liability. Amend RSA 146-E:6, I to read as follows:

I. The fund shall be available to owners of on-premise-use facilities, owners of land upon which on-premise-use facilities are located, and bulk storage facilities as defined in this chapter. The oil fund disbursement board may adopt rules for administering disbursements from the fund using the same rulemaking process and authorities established in RSA 146-D:5, I, including the development of additional eligibility criteria. Owners of bulk storage facilities shall be liable to the fund for initial cleanup costs in the manner described in RSA 146-D:6, II. *Owners of on-premise-use facilities shall be liable to the fund for the initial \$500 of cleanup costs at each facility owned, to the extent such amount is expended from the fund, or for such lesser amount as is expended.*

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill increases the fee assessed on fuel oil imported into the state.

This bill provides for the transfer of \$1,000,000 from the oil pollution control fund to the fuel oil discharge cleanup fund, which shall be returned from a portion of the revenue collected from fees assessed on fuel oil imported into this state.

This bill makes owners of on-premise-use facilities liable for the initial \$500 of cleanup costs expended by the fuel oil discharge cleanup fund.

HB 563-FN-A, relative to a tax on telecommunications easements. RE-REFER TO COMMITTEE Rep. Rep. Kenneth L. Weyler for Finance: A complication developed in review of this bill. The easements are mostly on state-owned land that are abandoned railroad rights-of-way. The commissioner of transportation is gathering information on this property and has asked for more time. Vote 21-0.

HB 645-FN, requiring the commissioner of health and human services to produce certain quarterly reports. RE-REFER TO COMMITTEE

Rep. W. Gordon Allen for Finance: The Committee agreed with the intent of the bill to get the legislature information on what the Department of Health and Human Services owes its vendors, so budgets can be more realistic and accurate. However, because of reassurances from the Department that they will provide the payables at year end, the Committee decided on re-referral pending the receipt of the numbers. Vote 20-0.

HB 689-FN, relative to a certain portion of registration fees of a nonprofit corporation. RE-REFER TO COMMITTEE

Rep. Earle W. Chandler for Finance: The bill proposes a funding mechanism for a private nonprofit education foundation. There has been no review by the education committee or the education department. For those reasons, and the unique method of funding, the committee would like further study. Vote 20-1.

HB 705, relative to the confidentiality of the records of the department of revenue administration. INEXPEDIENT TO LEGISLATE

Rep. Avis B. Nichols for Finance: The Department of Revenue Administration needs to work with other states when auditing companies for BPT if they do business in those states as well as in New Hampshire. The Department also needs to work with other states when auditing for interest and dividends tax which could not be done if states did not share information with each other. Vote 20-0.

HB 714, repealing certain duties of the secretary of state relative to the state treasurer's insurance bond and accounts of bonds issued by the state treasurer. **OUGHT TO PASS WITH AMENDMENT**
Rep. Margaret A. Lynch for Finance: This bill was requested by the Secretary of State as a "house-keeping measure." It repeals provisions requiring the State Treasurer's insurance bond to be kept by the Secretary of State and requiring the Secretary of State to keep accounts of state bonds. The amendment reinstates the requirement that the State Treasurer provide a \$200,000 bond before entering into the duties of the office, which was inadvertently repealed in the original bill. Vote 20-0.

Amendment (0417h)

Amend the title of the bill by replacing it with the following:

AN ACT deleting certain duties of the secretary of state relative to the state treasurer's insurance bond and accounts of bonds issued by the state treasurer.

Amend the bill by replacing all after the enacting clause with the following:

1 Bonds Not Kept in Office of Secretary of State. Amend RSA 6:3 to read as follows:

6:3 Bond. Before entering upon the duties of ~~[his]~~ *the* office, ~~[he]~~ *the state treasurer* shall give bond in the sum of \$200,000, with sufficient sureties, to be approved by the governor and council, conditioned for the faithful discharge of the duties of ~~[his]~~ *the office of state treasurer*, including ~~[his]~~ duties as custodian of trust funds of state institutions and of the several funds of the state employees' retirement, teachers' retirement, policemen's retirement, firemen's retirement systems and the New Hampshire Retirement System. ~~[Said bond shall be deposited and safely kept in the office of the secretary.]~~ Upon the failure of the legislature to elect a state treasurer on the first Wednesday of December of the biennium, the state treasurer previously elected shall give a new bond in the sum of \$200,000 with sureties, to be approved by the governor and council, which bond shall be conditioned upon the satisfactory discharge of the duties of said office until a successor is elected~~[, and shall be deposited and safely kept in the office of the secretary of state]~~.

2 Repeal. RSA 6-A:3, relative to accounts of state bonds kept by the secretary of state, is repealed.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill revises and repeals provisions requiring the state treasurer's insurance bond to be kept by the secretary of state and requiring the secretary of state to keep accounts of state bonds.

HB 732-FN, making revisions relative to parental reimbursement for children's services to the department of health and human services. **INEXPEDIENT TO LEGISLATE**

Rep. Frances L. Riley for Finance: Testimony indicated that the system of parental reimbursement to the department for services rendered to their children is working efficiently. Passage of this bill would have proved discriminating and confusing, and would result in additional staff and equipment costs. With the approval of the sponsor, the committee voted the bill Inexpedient to Legislate. Vote 19-0.

HB 746-FN, relative to fees collected by the insurance department. **OUGHT TO PASS WITH AMENDMENT**

Rep. Arthur P. Klemm, Jr. for Finance: This bill eliminates the dedicated funds provision in RSA 402 for the Insurance Department's company and producer licensing fees. The bill ensures that all Insurance Department revenues become unrestricted general funds, which is the department's current practice. The amendment provides that certain expenses associated with insurance company liquidation expenses will be paid out of the assets of the liquidated company as administrative expense. Vote 20-0.

Amendment (0377h)

Amend the bill by replacing sections 2 and 3 with the following:

2 Costs and Expenses of Litigation Paid From the Insurer's Estate. Amend RSA 402-C:6 to read as follows:

402-C:6 Costs and Expenses of Litigation. In any proceeding under this chapter, the court may award such costs and other expenses of litigation as justice requires, without regard to the limitations otherwise prescribed by law. If costs and expenses are taxed against the commissioner, they shall be paid ~~[from the fund created by RSA 402:56-a]~~ *pursuant to RSA 402-C:44, 1.*

3 Costs for Special Reports Paid From the Insurer's Estate. Amend RSA 402-C:9, II to read as follows:

II. Special Reports.

(a) Causes of Delinquency. The commissioner shall include in ~~[his]~~ *the* annual report, not later than the second annual report following the initiation of any formal proceedings under this chapter, a detailed analysis of the basic causes and the contributing factors making the initiation of formal proceedings necessary, and shall make recommendations for remedial legislation. For this purpose the commissioner may appoint a special assistant qualified in insurance, finance and accounting to conduct the study and prepare the analysis, and may determine ~~[his]~~ *the special assistant's* compensation, which shall be paid ~~[from the fund created under RSA 402:56-a]~~ *pursuant to RSA 402-C:44, I.*

(b) Final Study. The commissioner shall include in ~~[his]~~ *the* annual report, not later than the second annual report following discharge of the receiver, a detailed study of the delinquency proceeding for each insurer subjected to a formal proceeding, with an analysis of the problems faced and their solutions. ~~[He]~~ *The commissioner* shall also suggest alternative solutions, as well as other material of interest, for the purpose of assisting and guiding liquidators or rehabilitators in the future. For this purpose the commissioner may appoint a special assistant qualified to conduct the study and prepare the analysis, and may determine ~~[his]~~ *the special assistant's* compensation, which shall be paid ~~[from the fund created under RSA 402:56-a]~~ *pursuant to RSA 402-C:44, I.*

HB 804, relative to the definition of "communication services" for purposes of the communications services tax. RE-REFER TO COMMITTEE

Rep. David J. Alukonis for Finance: The committee concurred with the sponsor who suggested that the bill be re-referred in order to await and evaluate changes in federal statutes and the federal tax code regarding certain communication services. Vote 20-0.

HB 426, establishing a committee to study the rules and regulations regarding the administration of medications in long-term care facilities. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph Manning for Health, Human Services and Elderly Affairs: This bill establishes two committees to investigate and recommend the most effective and least restrictive methods for the administration of medication and the licensing of assistant personnel in long-term care facilities. Vote 16-0.

Amendment (0151h)

Amend section 3 of the bill by replacing subparagraph I(b) with the following:

(b) The committee shall solicit information from the following:

- (1) The New Hampshire board of nursing.
- (2) New Hampshire Nurses Association.
- (3) The commissioner of health and human services, or designee.
- (4) New Hampshire Health Care Association.
- (5) The New Hampshire pharmacy board.
- (6) The New Hampshire Association of Residential Care Homes (NHARCH).
- (7) Any other entity or person the board deems relevant to its study.

HB 472, establishing the council for children and adolescents with chronic health conditions. OUGHT TO PASS WITH AMENDMENT

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: The committee unanimously supports the establishment of this council by statute. There are 17,000 chronically ill children in New Hampshire whose special needs will be represented by this council. Both the Department of Health and Human Services and the Department of Education will develop policies affecting this population. The council is needed to assist schools, Department of Health and Human Services and the Departments of Education and Insurance by researching and securing grants outside the state and federal venue. Vote 15-0.

Amendment (0279h)

Amend RSA 126-I:1 as inserted by section 2 of the bill by replacing it with the following:
126-I:1 Council Established; Membership; Terms.

I. There is established the council for children and adolescents with chronic health conditions and their families which shall consist of the following members:

- (a) One member of the senate, appointed by the senate president.
- (b) One member of the house of representatives, appointed by the speaker of the house.
- (c) One representative of the department of health and human services, appointed by the commissioner.
- (d) One representative of the department of education, appointed by the commissioner.
- (e) One representative of the insurance department, appointed by the commissioner.
- (f) A director from a community-based agency which has been charged by the council with providing support and services to children and adolescents with chronic health conditions and their families.
- (g) Up to 6 representatives of professional and community organizations, which shall represent a cross-section of disciplines and constituencies such as, but not limited to, physicians, nurses, and educators, appointed by the council in accordance with its bylaws.
- (h) Up to 13 members who are the parent or guardian of a child or adolescent with a chronic health condition, appointed by the council in accordance with its bylaws.
- (i) One parent or guardian of a child or adolescent with a chronic health condition, appointed by the governor.

II. Terms of office shall be for 3 years, except that legislative members who shall serve the terms of their office. No member shall serve more than 2 full consecutive terms. One third of the total members' terms shall expire annually as established in the bylaws.

III. Members shall elect annually from among their number a chairperson and such other officers as they may determine.

IV. Legislative members shall receive mileage at the legislative rate.

HB 476, establishing the New Hampshire council on drug abuse prevention. **INEXPEDIENT TO LEGISLATE**

Rep. Robert Chabot for Health, Human Services and Elderly Affairs: The committee felt that there is no need to mandate cooperation when different agencies can and should do the same thing voluntarily. Vote 14-3.

HB 490, relative to the confidentiality of medical records. **RE-REFER TO COMMITTEE**

Rep. Carol Moore for Health, Human Services and Elderly Affairs: The committee felt that confidentiality of medical records in this age of computers is a very important concern, but requires more study. The many concerns brought up in the hearing can then be addressed. Vote 16-0.

HB 621, exempting wilderness/back country rescuers from RSA 151-B. **RE-REFER TO COMMITTEE**

Rep. Robert Foster for Health, Human Services and Elderly Affairs: This is a well intended bill that would exempt wilderness/backcountry rescuers from the provisions of RSA 151-B relative to emergency medical service. However, after much testimony and meeting with interested parties, it was voted that more work was needed to make this bill more comprehensive. Vote 15-0.

HB 298, permitting legislators to take time off from their regular employment to fulfill public responsibilities. **INEXPEDIENT TO LEGISLATE**

Rep. Robert E. Clegg, Jr. for Labor, Industrial and Rehabilitative Services: The ability to come to an agreement with an employer already exists. Those who run for legislative office know the time requirements and, therefore, should make an agreement with the employer for time off. Vote 14-1.

HB 794-FN-L, requiring employers who require certain employees to be armed to provide body armor to the employees. **INEXPEDIENT TO LEGISLATE**

Rep. Franklin C. Bishop for Labor, Industrial and Rehabilitative Services: This bill requires that employers who require employees to carry firearms as a condition of employment provide body armor to the employee at no cost to the employee. The committee felt the cost incurred by this bill to all employers, including the state and its political subdivisions, would be excessive, considering that it would be a mandate imposed under the NH Constitution Part First, art. 28-a. Many of the employers are currently doing this. In all reality this should be a local management decision. Vote 15-0.

CACR 2, relating to reimbursement for travel expenses for members of the general court. Providing that members of the general court shall be reimbursed for actual and reasonable travel expenses incurred for legislative business with certain limitations. **INEXPEDIENT TO LEGISLATE**

Rep. Gregory G. Carson for Legislative Administration: The issues in this CACR were resolved by HB 440-FN. The committee felt this issue is better addressed by statute and not constitutional amendment. Vote 13-0.

HB 351-L, limiting the total of tax deferrals for the elderly and disabled on a particular property to a percentage of its equity value. **OUGHT TO PASS WITH AMENDMENT**

Rep. Linda T. Foster for Local and Regulated Revenues: This bill clarifies how municipalities calculate the amount of taxes which can be deferred under RSA 72:38-a. It also affirms that the deferral process shall not prohibit any abatement pursuant to RSA 72:16. Vote 18-0.

Amendment (0426h)

Amend the bill by replacing section 1 with the following:

1 Total of Tax Deferrals for Elderly and Disabled Limited. Amend RSA 72:38-a, I to read as follows:

I. Any resident property owner may apply for a tax deferral if the person:

(a) Is either at least 65 years old or eligible under Title II or Title XVI of the federal Social Security Act for benefits for the disabled; and

(b) Has owned the homestead for at least 5 years; and

(c) Is living in the home.

The assessing officials may annually grant a person qualified under this paragraph a tax deferral for all or part of the taxes due, plus annual interest at 5 percent, if in their opinion the tax liability causes the taxpayer an undue hardship or possible loss of the property. The total of tax deferrals on a particular property shall not be more than 85 percent of its ~~[assessed]~~ *equity* value. *The total of tax deferrals shall be determined by the following formula:*

Assessed Value = Equalized Assessed Value

Equalization Ratio

Equalized Assessed Value - Total of Priority Liens = Equity Value

Equity Value X .85 = Total Amount Which May be Deferred

At any time during the tax deferral process, the governing body may consider an abatement pursuant to RSA 76:16.

AMENDED ANALYSIS

This bill limits the total of tax deferrals for the elderly and disabled on a particular property to 85 percent of the property's equity value. Equity value is the equalized assessed value of the property reduced by any priority liens.

HB 399-L, changing the name and qualifications for the optional property tax exemption for the totally and permanently disabled. **OUGHT TO PASS WITH AMENDMENT**

Rep. Linda T. Foster for Local and Regulated Revenues: This bill, as amended, refers to the language contained in Sections II and XVI of the federal Social Security Act to designate eligibility relative to a disability related property tax exemption. The exemption itself and the amount of the exemption remains a local option. Vote 18-0.

Amendment (0536h)

Amend the title of the bill by replacing it with the following:

AN ACT changing the name of the optional property tax exemption for the totally and permanently disabled.

Amend the bill by replacing all after the enacting clause with the following:

1 Exemption for the Disabled. Amend RSA 72:37-b to read as follows:

72:37-b Exemption for the ~~[Totally and Permanently]~~ Disabled.

I. Upon its adoption by a city or town as provided in RSA 72:37-c, any person who is eligible under Title II or Title XVI of the federal Social Security Act for benefits to the ~~[totally and permanently]~~ disabled shall receive a yearly exemption in an amount to be chosen by the town or city.

II. The exemption in paragraph I may be applied only to property which is occupied as the principal place of abode by the ~~[totally and permanently]~~ disabled person. The exemption may be applied to any land or buildings appurtenant to the residence or to manufactured housing if that is the principal place of abode.

2 Procedure for Adoption. Amend RSA 72:37-c to read as follows:

72:37-c Procedure for Adoption.

I. Any town or city may adopt the provisions of RSA 72:37-b for an optional exemption for the ~~[totally and permanently]~~ disabled in the following manner:

(a) In a town, the question shall be placed on the warrant of a special or annual town meeting under the procedures set out in RSA 39:3, and shall be voted on by ballot. In a city, the legislative

body may consider and act upon the question in accordance with their normal procedures for passage of resolutions, ordinances, and other legislation. The legislative body of a city may vote to place the question on the official ballot for any regular municipal election, or in the alternative, shall place the question on the official ballot for any regular municipal election upon submission to the legislative body of a petition signed by 5 percent of the registered voters.

(b) The selectmen or city council shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.

(c) The wording of the question shall be: "Shall we adopt an exemption for the [~~totally and permanently~~] disabled? The exemption, based on assessed value, for qualified taxpayers shall be (here insert dollar amount). To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than (here insert dollar amount) or, if married, a combined net income of not more than (here insert dollar amount); and own net assets not in excess of (here insert dollar amount) excluding the value of the person's residence."

II. If a majority of those voting on the question vote "Yes," the exemption for the [~~totally and permanently~~] disabled shall apply within the town or city on the date set by the selectmen or the city council; provided, however, that upon adoption the exemption shall take effect no later than April 1 next following the referendum.

III. A municipality may change the amounts of the exemption for the [~~totally and permanently~~] disabled in the manner described in paragraph I. The wording of the question shall be the same as set out in subparagraph I(c), except the word "adopt" shall be changed to "modify."

IV.(a) A town or city may consider rescinding its action in the manner described in paragraph I. The wording of the question shall be the same as set out in subparagraph I(c), except the word "adopt" shall be changed to "rescind."

(b) If a majority of those voting on the question vote "Yes," then as of the next April 1, following the action taken to rescind, the exemption for the [~~totally and permanently~~] disabled shall not apply within the town or city.

3 Applicability. Any municipality which has adopted an exemption for the totally and permanently disabled under RSA 72:37-b prior to the effective date of this act shall be construed to have adopted the exemption for the disabled under the provisions of this act.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the property tax exemption for the "totally and permanently disabled" to an exemption for the "disabled."

HB 620, allowing a municipality to adopt plans to delay reassessments on businesses which expand in central business districts and on historic buildings listed with the National Register of Historic Places. **INEXPEDIENT TO LEGISLATE**

Rep. Jean R. Wallin for Local and Regulated Revenues: This bill is a laudable attempt to halt the erosion of downtown areas. However, the committee feels that many safeguards are missing in the bill, such as limits on the length of time the deferral may remain in place and a recapture provision for taxes deferred. Without recapture, it is possible that the bill is unconstitutional. Vote 16-2.

HB 636-L, relative to municipal authority to grant tax abatements for the purpose of facilitating the transfer of contaminated property acquired by a municipality through tax deed to a buyer participating in the brownfields program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Lauren Carney for Local and Regulated Revenues: This bill clarifies a municipality's ability to acquire environmentally contaminated property, without liability for the contamination, in order to convey the property to an eligible person in the brownfields program. It also allows municipalities to grant tax abatements under more relaxed rules to facilitate the transfer of the property. Vote 12-1.

Amendment (0348h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to facilitating the transfer of contaminated property acquired by a municipality to a buyer eligible to participate in the brownfields program.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Abatement for Brownfields Property. Amend RSA 76 by inserting after section 19 the following new section:

76:19-a Abatement for Brownfields Property.

I. Upon application of a person who qualifies as eligible to participate in the brownfields program established under RSA 147-F, the governing body of the municipality may make an abatement of prior years' taxes and accrued interest to the applicant as it shall deem just and equitable.

II. Notwithstanding RSA 76:16, I, an application pursuant to paragraph I may be made at any time during the year.

III. Nothing in this section shall affect the authority of the governing body of a municipality to grant an abatement pursuant to any other provision of law.

2 Municipal Eligibility for Participation in Brownfields Program. Amend RSA 147-F:4, I(b) to read as follows:

(b) The person, *including a municipality*, is a current owner of eligible property whose liability under RSA 147-B is based solely on the person's status as owner and who did not cause or contribute to the contamination at the property.

3 New Paragraph; Sale by Municipality to an Eligible Purchaser. Amend RSA 147-F:5 by inserting after paragraph III the following new paragraph:

III-a. A municipality that acquires an environmentally contaminated property by tax deed in order to convey the property to an eligible person in the brownfields program shall be entitled to the liability protection provided in RSA 147-F:7.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill clarifies a municipality's ability to acquire environmentally contaminated property, without liability for the contamination, in order to convey the property to an eligible person in the brownfields program and allows municipalities to grant tax abatements to facilitate the transfer of the property.

HB 648-L, relative to a local option fee for local or regional transportation infrastructure improvements. **OUGHT TO PASS WITH AMENDMENT**

Rep. Carol T. Burney for Local and Regulated Revenues: This bill allows municipalities to implement a local option fee to fund a capital reserve fund to be used only for transportation improvements at the local or regional level. This is enabling legislation only and provides a very useful tool to towns and municipalities who choose to adopt it. Vote 17-1.

Amendment (0399h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a local option fee for local or regional transportation improvements.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Local Option Fee for Transportation Improvements. Amend RSA 261:153 by inserting after paragraph V the following new paragraph:

VI.(a) Beginning on July 1, 1997, in addition to the motor vehicle registration fees collected under paragraphs I and V, the legislative body of a municipality may vote to collect an additional fee for the purpose of supporting a municipal and transportation improvement fund, which shall be a capital reserve fund established for this purpose and governed by the provisions of RSA 34 and RSA 35 for cities and towns, respectively. Of the amount collected, up to 10 percent, but not more than \$0.50 of each fee paid, may be retained by the local official designated by the municipal government or by the town or city clerk for administrative costs. The remaining amount shall be deposited into the municipal transportation improvement fund established to allow a community to fund, wholly or in part, improvements in the local or regional transportation system including roads, bridges, bicycle and pedestrian facilities, parking and intermodal facilities and public transportation. The funds may be used for engineering, right-of-way acquisition, and construction costs of transportation facilities, and for operating and capital costs of public transportation only. The funds may be used as matching funds for state or federal funds allocated for local or regional transportation improvements. Such funds shall be appropriated by the legislative body of the municipality for the purposes provided in this paragraph only and shall not be used to offset any other non-transportation appropriations made by the municipality.

(b) The maximum fee charged under this paragraph shall be \$5. The municipality shall establish the required fee, up to the maximum amount allowable, based on anticipated funding needs for transportation improvements. The additional fee shall be collected from all vehicles, both passenger and commercial, with the exception of all terrain vehicles as defined in RSA 215-A:1, I-b and antique motor vehicles or motorcycles, as defined in RSA 259:4.

(c) Any town or city may adopt the provisions of subparagraphs (a) and (b) for an optional additional motor vehicle registration fee to fund municipal transportation improvements in the following manner:

(1) In a town, the question shall be placed on the warrant of a special or annual town meeting under the procedures set out in RSA 39:3, and shall be voted on by ballot. In a city, the legislative body may consider and act upon the question in accordance with their normal procedures for passage of resolutions, ordinances, and other legislation. The legislative body of a city may vote to place the question on the official ballot for any regular municipal election, or in the alternative, shall place the question on the official ballot for any regular municipal election upon submission to the legislative body of a petition signed by 5 percent of the registered voters.

(2) The selectmen or city council shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.

(3) A town or city may choose to restrict the use of the municipal transportation improvement fund to one or more of the transportation system modes provided for in paragraph VI(a). Any such restriction shall be so stated in the wording of the question.

(d) If a majority of those voting on the question vote "Yes," the additional motor vehicle registration fee shall apply within the town or city on the date set by the selectmen or the city council.

(e)(1) A town or city may consider rescinding its action in the manner described in subparagraph (c). The wording of the question shall be the same as that was adopted by the town or city, except the word "adopt" shall be changed to "rescind."

(2) If a majority of those voting on the question vote "Yes," following the action taken to rescind, the additional motor vehicle registration fee shall not apply within the town or city.

2 Establishment of Reserves Authorized; Transportation Improvements; Cities. Amend RSA 34:1 to read as follows:

34:1 Establishment of Reserves Authorized. Any city may raise and appropriate money as provided by RSA 34:2 for the establishment of a capital reserve fund for the financing of all or part of the cost of ~~(a)~~:

I. The construction, reconstruction, or acquisition of a specific capital improvement, or the acquisition of a specific item or of specific items of equipment~~[-or-(b)];~~

II. The construction, reconstruction, or acquisition of a type of capital improvement or the acquisition of a type of equipment~~[-or-(c)];~~

III. A reappraisal by appraisers of the department of revenue administration or such other appraisers, appraisal firms or corporations approved by the commissioner of revenue administration, of the real estate in such city for tax assessment purposes~~[-or-(d)];~~

IV. The acquisition of land~~[-or-(e)];~~

V. The acquisition of a tax map of such city~~[-]; or~~

VI. *Municipal and regional transportation improvement projects including engineering, right-of-way acquisition and construction costs of transportation facilities, and for operating and capital costs for public transportation.*

3 Establishment of Reserves Authorized; Transportation Improvements; Towns. Amend RSA 35:1, V, to read as follows:

V. Extraordinary legal fees and expenses related to present or foreseeable litigation involving the town or its officers and employees~~[-]; or~~

VI. *Municipal and regional transportation improvement projects including engineering, right-of-way acquisition and construction costs of transportation facilities, and for operating and capital costs for public transportation.*

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows municipalities to implement a local option fee to fund a capital reserve fund to be used for transportation improvements at the local or regional level.

HB 707-L, relative to municipal taxation of utility property. RE-REFER TO COMMITTEE
Rep. Stephen G. Avery for Local and Regulated Revenues: The committee had two bills dealing with the deregulation issues of electrical power rates, HB 707-L and HB 566-FN-A-L. HB 566 was amended and voted OTP/A by the committee to take care of the most pressing issues. There are far more questions to be asked on this complicated issue and the committee wants the time to look at all aspects of deregulation. Therefore, we would ask your support on re-referral. Vote 14-0.

HB 801-FN-L, changing the interest rate on delinquent property taxes and subsequent taxes. IN-EXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Local and Regulated Revenues: While the committee understands why the sponsor wanted to reduce the rates on delinquent property taxes, it was pointed out that it is the rest of the taxpayers in the municipality that end up footing the bill. The cost of collection of past due taxes is 60% of the total cost of collecting all taxes. The committee overwhelmingly supports leaving the rates as they are, hence the ITL vote. Vote 16-1.

HB 244, allowing a municipality to prohibit sexually oriented businesses. INEXPEDIENT TO LEGISLATE

Rep. Robert W. Brundige for Municipal and County Government: The committee abides by the previous Supreme Court rulings that laws of this type are unconstitutional. The committee also feels that municipalities can control activities of this sort through their zoning ordinances. Vote 13-1.

HB 380-L, relative to the sale of town-owned property. OUGHT TO PASS WITH AMENDMENT
Rep. Norma A. Sabella for Municipal and County Government: The bill will allow towns with 10,000 or more inhabitants to have the authority not only to sell land, but land and building or both, as long as such authority has been given to the governing body by the legislative body. Provisions are made for public hearings as well as a petitioned request of 50 registered voters prior to the governing body's vote. Furthermore the proposed sale shall be inserted in the warrant for the town meeting. Vote 16-0.

Amendment (0435h)

Amend the bill by replacing all after the enacting clause with the following:

1 Sale of Town-Owned Land, Buildings, or Both. Amend the section heading of RSA 41:14-a and RSA 41:14-a, I to read as follows:

41:14-a Sale of Town-Owned Land, *Buildings, or Both*.

I. If adopted in accordance with RSA 41:14-c, in towns with 10,000 or more inhabitants, the selectmen shall have the authority to sell town-owned land, *buildings, or both*; provided, however, they shall first submit any such proposed sale to the planning board and to the conservation commission for review and recommendation by those bodies, where a board or commission or both, exist. After the selectmen receive the recommendation of the planning board and the conservation commission, where a board or commission or both exist, they shall hold 2 public hearings at least 10 but not more than 14 days apart on the proposed sale; provided, however, upon the written petition of 50 registered voters presented to the selectmen, prior to the selectmen's vote, according to the provisions of RSA 39:3, the proposed sale shall be inserted as an article in the warrant for the town meeting. The selectmen's vote shall take place no sooner than 10 days nor later than 14 days after the second public hearing which is held.

2 Effective Date. This act shall take effect 60 days after its passage.

HB 468-L, eliminating a requirement that registers of deeds keep original copies of officers' returns of attachments and writs of execution on file permanently. OUGHT TO PASS WITH AMENDMENT

Rep. Robert W. Brundige for Municipal and County Government: This bill allows registers of deeds to utilize modern technology in the in the maintenance of their records. It also eliminates the necessity for them to maintain unwieldy and unnecessary files and file cabinets. Vote 18-0.

Amendment (0527h)

Amend the bill by replacing all after the enacting clause with the following:

1 Requirement for Keeping Original Copies of Returns of Attachments on File Eliminated. Amend RSA 511:4 to read as follows:

511:4 Return.

I. The officer's return is sufficient evidence that the copy has been so left, and of the time thereof, but the register of deeds shall certify thereon the time when the copy was received and ~~[shall]~~ *may* keep it on file *or record it as provided in paragraph II.*

II. The register of deeds may cause the originals of copies filed under paragraph I to be photographed and preserved on microfilm or optical disk or both, in addition to or in lieu of other recording methods.

2 Requirement for Keeping Original Copies of Writs of Execution on File Eliminated. Amend RSA 529:30 to read as follows:

529:30 Register's Duty.

I. The register of deeds shall certify upon each copy the time when it was received, and ~~[shall]~~ *may* keep it on file *or record it as provided in paragraph II.* ~~[He]~~ *The register of deeds* shall also enter a record of it upon the index ~~[of attachments]~~, as in the case of attachments of real estate with the exception that the record shall state that the writ is a writ of execution.

II. The register of deeds may cause the originals of copies filed under paragraph I to be photographed and preserved on microfilm or optical disk or both, in addition to or in lieu of other recording methods.

3 Effective Date. This act shall take effect January 1, 1998.

HB 543-L, relative to valuation of aeronautical facilities for purposes of payments in lieu of property taxes. RE-REFER TO COMMITTEE

Rep. Thomas E P Rice Jr. for Municipal and County Government: We wish this bill re-referred so that we may get input from the legislative Aviation group which has shown willingness to study this matter with us. Vote 18-0.

HB 641, relative to property tax bills for land parcels having multiple owners. RE-REFER TO COMMITTEE

Rep. Marilyn A. Fraser for Municipal and County Government: This bill as stated would establish property tax billing procedures for land parcels which have multiple owners. All members felt that the implications and ramifications of this bill needs further analysis. Vote 14-0.

HB 642, requiring that all property taxes be paid prior to approval of a subdivision plat. RE-REFER TO COMMITTEE

Rep. Paul A. McGuirk for Municipal and County Government: This bill is a property tax issue that the committee wishes to study in conjunction with three or four other tax issues that have come before our committee this session. One sub-committee will study all tax issues to develop good policy. Vote 13-3.

HB 676-FN-L, establishing procedures for the distribution of proceeds from the sale of tax-deeded property by a municipality. RE-REFER TO COMMITTEE

Rep. Kathleen N. Taylor for Municipal and County Government: This bill establishes procedures for the distribution of proceeds from the sale of tax-deeded property by a municipality. The committee wishes to study this bill further to develop fair and equitable policies. Vote 14-0.

HB 708, extending the reporting date for the committee studying the issues surrounding the definition of "facility" for the purposes of eligibility for certain property tax exemptions. OUGHT TO PASS

Rep. Paul A. McGuirk for Municipal and County Government: The study committee formed during the previous session needs more time to consider the complex issues involving "facility" definition for taxation purposes of certain pollution devices and/or equipment. The committee is agreeable to this request to extend the report date to November 1, 1997. Vote 18-0.

HB 715-L, placing time limits on covenants that have been placed on deeds by developers. INEXPEDIENT TO LEGISLATE

Rep. Thomas E P Rice Jr. for Municipal and County Government: Time limits would raise havoc with things like maintaining open space, density, and preservation of desirable futures. Also it would frustrate the best intentions of the grantor and those who bought property because of the existing covenants. Vote 18-0.

HB 534, establishing a committee to study the New Hampshire highway and bridge infrastructure. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gerald P. Merrill for Public Works and Highways: This bill establishes a committee to study the New Hampshire highway and bridge infrastructure. The amendment sets up the membership as six senators and six representatives, four of whom shall be members of the Public Works & Highways Committee. Vote 16-0.

Amendment (0451h)

Amend subparagraph I(b) as inserted by section 3 of the bill by replacing it with the following:

(b) Six members of the house of representatives, at least 4 of whom shall be members of the house public works and highways committee, appointed by the speaker of the house.

Amend paragraph III as inserted by section 4 of the bill by replacing it with the following:

III. Any other issues relative to the statement of purpose in section 1 of this act, which the committee deems appropriate.

Amend the bill by replacing section 7 with the following:

7 Effective Date. This act shall take effect upon its passage.

HB 181, prohibiting the sale or distribution of exotic aquatic weeds. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter O. Crowell for Resources, Recreation and Development: The state lakes and ponds are under attack by many exotic plants. This legislation enables the Department of Environmental Services to continue their eradication program at a faster rate. The program will be funded with an increase of \$1.50 in the boat registration fee. Exotic aquatic plants are banned from purchase, sale, or transportation within the State of New Hampshire. Vote 17-0.

Amendment (0647h)

Amend the title of the bill by replacing it with the following:

AN ACT prohibiting the sale or distribution of exotic aquatic weeds and increasing certain fees.

Amend the bill by replacing all after the enacting clause with the following:

1 Increasing Lake Restoration and Preservation Fee. Amend RSA 270-E:5, II(a) to read as follows:

(a) [~~\$:~~50] \$2 for each registration specified in paragraph I. The fees collected under this subparagraph shall be paid into the lake restoration and preservation fund established under RSA 487:25.

2 Exotic Aquatic Weeds; Definition. Amend RSA 487:16, II to read as follows:

II. The term "exotic aquatic weeds" includes only those species of vascular aquatic plants which were not part of New Hampshire's native aquatic flora before 1950 [~~and which are considered to be nuisance species~~]. Cabomba caroliniana and Myriophyllum heterophyllum are *examples of* exotic aquatic weeds.

3 New Section; Prohibition. Amend RSA 487 by inserting after section 16 the following new section:

487:16-a Exotic Aquatic Weed Prohibition. No exotic aquatic weeds shall be offered for sale, distributed, sold, imported, purchased, propagated, transported, or introduced in the state. The commissioner may exempt any exotic aquatic weed from any of the prohibitions of this section consistent with the purpose of this subdivision.

4 New Subparagraphs; Emergency Response Protocol; Designation of Control Areas. Amend RSA 487:17, II by inserting after subparagraph (b) the following new subparagraphs:

(c) Develop an emergency response protocol to eradicate small new infestations. The protocol may include contractual agreements with one or more licensed pesticide applicators that would enable the prompt treatment of exotic aquatic weeds with herbicides consistent with the criteria provided in subparagraph (b).

(d) Designate, in consultation with the department of fish and game and the division of safety services, department of safety, restricted use of exotic aquatic weed control areas.

5 New Paragraphs; Rulemaking. Amend RSA 487:24 by inserting after paragraph VII the following new paragraphs:

VII-a. Administration and enforcement of, and exemptions to, the exotic aquatic weed prohibition under RSA 487:16-a.

VII-b. Criteria governing the emergency response protocol under RSA 487:17, II(c).

VII-c. Designation of restricted use exotic aquatic weed control areas under RSA 487:17, II(d).

6 Lake Restoration and Preservation Fee. Amend RSA 487:25, I to read as follows:

I. An additional fee of [~~\$50~~] \$2 to those already collected under the provisions of RSA 270-E:5 for each private boat registered shall be paid to the director of the division of motor vehicles. The director of the division of motor vehicles shall pay over said additional fees to the state treasurer who shall keep said fees in a special fund to be expended by the department of environmental services. *The department shall use \$50 of the fee for lake restoration and preservation measures, [including] exclusive of exotic aquatic weed control, and \$1.50 of the fee for the control of exotic aquatic weeds.* The special fund shall be nonlapsing. All funds received under this section are continually appropriated to the department for the purposes of this subdivision.

7 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill prohibits the advertising for sale, distribution, or sale of exotic aquatic weeds and allows the department of environmental services to develop an emergency response protocol and control areas for exotic aquatic weeds.

This bill also increases the additional boat registration fees designated for lake restoration and preservation.

HB 350, exempting permits by rule and permits by notification from certain excavating and dredging permit requirements. RE-REFER TO COMMITTEE

Rep. William E. Williams, Jr. for Resources, Recreation and Development: This bill was requested by the Department of Environmental Services and refers to permits by rule and permits by notification. Since DES is undergoing a major change in their rules, it seemed proper to re-refer this bill until the rules are in place. Vote 16-0.

HB 710-FN, requiring boating safety education. RE-REFER TO COMMITTEE

Rep. Rudolf A. Adler for Resources, Recreation and Development: This bill once again visits the pressing need for increased awareness of boating safety issues. The testimony received was unanimous in support of the concepts, however, the committee opinion was to re-refer the bill in order to present the house with a more comprehensive plan to improve boater safety through a workable and cooperative public/private education program. Vote 17-0.

HB 257, offering priority to qualified veterans for participation in training programs funded by the state or federal government. OUGHT TO PASS WITH AMENDMENT

Rep. Peter F. Bergin for State-Federal Relations and Veterans Affairs: This bill offers priority to qualified veterans for participation in training programs funded by the state or federal government. The committee felt that it was important to give veterans a priority in state and federal training programs. Vote 16-0.

Amendment (0375h)

Amend RSA 115-B:1, II as inserted by section 2 of the bill by replacing it with the following:

II. "Eligible veteran" means a person who:

(a) Served on active duty and was discharged or released from active duty with an honorable discharge;

(b) Was discharged or released from active duty because of a service-connected disability; or

(c) As a member of a reserve component under an order to active duty, served on active duty during a period of war or in a campaign or expedition for which a campaign badge or ribbon is authorized and was discharged or released from such duty with an honorable discharge.

Amend RSA 115-B:1, IV as inserted by section 2 of the bill by replacing it with the following:

IV. "Reserve component" includes any branch of the military which is called up to active duty, including any military defense forces.

Amend RSA 115-B:5 as inserted by section 2 of the act by replacing it with the following:

115-B:5 Discrimination Complaints. Complaints of discrimination arising under this chapter shall be investigated and remedied to the extent allowed by law. Complaints shall be made to the state veterans' council by the veteran or such veteran's authorized representative.

HB 212, removing the provision allowing a motor vehicle operator to produce a license within 48 hours of demand by a police officer. **INEXPEDIENT TO LEGISLATE**

Rep. John S. Langone for Transportation: The committee feels this bill is unnecessary. With regard to the paragraph giving police officers the authority to take drivers into custody who cannot display photographic identification, existing law already grants such authority. Pursuant to RSA 594:10 a police officer has the authority to arrest a driver charged with a motor vehicle violation, provided the violation is committed in his or her presence. If the driver cannot produce a driver's license upon a valid request, and the police officer observed the driver driving the motor vehicle, all the elements of an offense under RSA 263:2 have been committed in his or her presence. Additionally, the removal of the 48 hour exception to the law does not interfere with the police officer's discretion in administering motor vehicle laws. Thus, a police officer maintains the discretion to take no action until the driver can produce a valid driver's license. Vote 18-0.

HB 415, establishing speed limits for OHRVs traveling on the frozen surface of Back Lake in the town of Pittsburg. **OUGHT TO PASS WITH AMENDMENT**

Rep. John S. Langone for Transportation: The committee feels this bill will help solve the problem of excessive night speeds of OHRVs on Back Lake. The sponsor and supervisor of the New Hampshire Department of Transportation are all in favor of the bill as amended. Vote 17-0.

Amendment (0424h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a nighttime speed limit for OHRVs traveling on the frozen surface of Back Lake in the town of Pittsburg.

Amend RSA 215-A:4-a as inserted by section 1 of the bill by replacing it with the following:

215-A:4-a Night Speed Limit for OHRVs on Frozen Surface of Back Lake. No person shall operate any OHRV in excess of 35 miles per hour during night hours, on the frozen surface of Back Lake in the town of Pittsburg. As used in this section, "night hours" means the hours between ½ hour after sunset and ½ hour before sunrise. Any person who violates this section shall be guilty of a violation.

AMENDED ANALYSIS

This bill establishes a nighttime speed limit for OHRVs traveling on the frozen surface of Back Lake in the town of Pittsburg.

HB 586, changing the expiration date of OHRV registrations. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Letourneau for Transportation: Testimony for this bill showed that there is no negative impact to the users of OHRV's in this legislation. It does, however, provide a tool by which the Department of Resources and Economic Development can get hard numbers rather than estimates to calculate the grant-in-aid funds for the next season. Vote 16-0.

Amendment (0327h)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect January 1, 1998.

HB 598-FN, relative to liens on aircraft for nonpayment of aircraft registration fees. **OUGHT TO PASS**

Rep. Robert H. Milligan for Transportation: After notification is made to an aircraft owner of non-registration and no compliance is acted upon by the owner, then a lien may be imposed on such aircraft. When payment is received such lien shall be released. Vote 16-0.

Referred to Finance.

HB 695, establishing a committee to study the educational requirements of student drivers. **OUGHT TO PASS**

Rep. Peter R. Cote for Transportation: This bill sets up a study committee for the purposes of reviewing the driver training program with an eye toward avoiding the continued tragedies and injury to teenage and new drivers on the highways due to automobile accidents involving such new drivers. Vote 15-1.

HB 797, requiring emergency vehicles to stop for school buses, and requiring the use of both audible and visual emergency signals, in certain circumstances. **OUGHT TO PASS**

Rep. Ralph L. Akins for Transportation: A representative from the New Hampshire Professional Fire Fighters Association along with a New Hampshire police chief testified in favor of this bill. Their testimony indicated that this procedure was currently an accepted common practice and common sense. This bill would formally make this procedure a standard safety policy. Vote 14-0.

REGULAR CALENDAR PART II

HB 241, relative to genetic testing. **OUGHT TO PASS WITH AMENDMENT**

Rep. Keith R. Herman for Commerce: Genetic testing is a subject of great concern and caution for the committee. Access to affordable long-term care insurance is essential to the economic well being of New Hampshire families and the state as a whole. We should encourage, whenever possible, the purchase of insurance. A genetic mutation does not guarantee a medical problem. The use of genetic testing for long-term care insurance will only limit access to those who may need insurance. The amendment to this bill prohibits the use of genetic testing for long term care. Vote 12-2.

Amendment (0540h)

Amend the bill by replacing all after the enacting clause with the following:

I Long-term Care Insurance Coverage. Amend RSA 141-H:4 and RSA 141-H:5 to read as follows:

141-H:4 Use of Genetic Testing in Health Insurance *and Long-term Care Insurance*. [~~A health~~]
An insurer in connection with providing health insurance *or long-term care insurance* shall not:

I. Require or request directly or indirectly any individual or a member of the individual's family to undergo genetic testing.

II. Require or request directly or indirectly any individual to reveal whether the individual or a member of the individual's family has undergone genetic testing or the results of the testing, if undergone by the individual or a member of the individual's family.

III. Condition the provision of health insurance coverage, *long-term care insurance coverage*, or health care benefits on whether an individual or a member of the individual's family has undergone genetic testing or the results of the testing, if undergone by the individual or a member of the individual's family.

IV. Consider in the determination of rates or any other aspect of health insurance coverage, *long-term care insurance coverage*, or health care benefits provided to an individual whether an individual or a member of the individual's family has undergone genetic testing or the results of the testing, if undergone by the individual or a member of the individual's family.

141-H:5 Use of Genetic Testing in Life[;] *and* Disability Income[; ~~and Long-term Care~~] Insurance

I. Except as provided in paragraph II of this section, the provisions of this chapter shall not apply to the provision of life insurance[;] *or* disability income insurance[; ~~or long-term care insurance~~].

II. A person in the business of providing life[;] *or* disability income[; ~~or long-term care~~] insurance who obtains information with respect to any genetic testing of an individual or a member of the individual's family shall not use that information in writing a type of insurance coverage other than life[;] *or* disability income[; ~~or long-term care~~] insurance.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that an insurer providing long-term care insurance shall not require persons to undergo genetic testing unless under the terms of an employee benefit plan.

Adopted.

Rep. Vachon offered a floor amendment.

Floor Amendment (0664h)

Amend the bill by replacing all after the enacting clause with the following:

I Amount of Benefits Added. Amend RSA 141-H:3, V to read as follows:

V. This section shall not prohibit or limit genetic testing for evidence of insurability with respect to [~~life~~;] disability income[;] or long-term care insurance under the terms of an employee benefit plan. *This section shall not prohibit or limit genetic testing for evidence of insurability with respect to life insurance if the cumulative potential benefits payable under any such policies issued to any one individual exceed \$250,000 and such policies are not a part of a group benefit or group policy.*

2 Long-term Care Insurance Coverage. Amend RSA 141-H:4 and RSA 141-H:5 to read as follows:

141-H:4 Use of Genetic Testing in Health Insurance *and Long-term Care Insurance*. [~~A health~~
~~An~~ insurer in connection with providing health insurance *or long-term care insurance* shall not:

I. Require or request directly or indirectly any individual or a member of the individual's family to undergo genetic testing.

II. Require or request directly or indirectly any individual to reveal whether the individual or a member of the individual's family has undergone genetic testing or the results of the testing, if undergone by the individual or a member of the individual's family.

III. Condition the provision of health insurance coverage, *long-term care insurance coverage*, or health care benefits on whether an individual or a member of the individual's family has undergone genetic testing or the results of the testing, if undergone by the individual or a member of the individual's family.

IV. Consider in the determination of rates or any other aspect of health insurance coverage, *long-term care insurance coverage*, or health care benefits provided to an individual whether an individual or a member of the individual's family has undergone genetic testing or the results of the testing, if undergone by the individual or a member of the individual's family.

141-H:5 Use of Genetic Testing in Life[;] *and* Disability Income[; ~~and Long-term Care~~] Insurance

I. Except as provided in paragraph II of this section, *when the cumulative potential benefits payable under one or more life insurance policies issued to one individual exceed \$250,000 and such policies are not a part of a group benefit or group policy*, the provisions of this chapter shall not apply to the provision of life insurance[;] *or* disability income insurance[; ~~or long-term care insurance~~].

II. A person in the business of providing [life;] disability income[; ~~or long-term care~~] insurance who obtains information with respect to any genetic testing of an individual or a member of the individual's family shall not use that information in writing a type of insurance coverage other than [life;] disability income[; ~~or long-term care~~] insurance. *A person in the business of providing life insurance who obtains information with respect to any genetic testing of an individual or a member of the individual's family shall not use that information in writing any type of insurance coverage except for life insurance when the cumulative potential benefits payable under policies issued to one individual exceed \$250,000 and such policy is not a part of a group benefit or group policy.*

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that an insurer providing long-term care insurance shall not require persons to undergo genetic testing unless under the terms of an employee benefit plan.

This bill also states that the law prohibiting genetic testing for life insurance purposes does not apply when the cumulative potential benefits of such a policy issued to one individual exceeds \$250,000 and such policy is not a part of a group benefit or group policy.

Rep. Vachon spoke in favor.

Rep. Herman spoke against and yielded to questions.

On a division vote, 138 members having voted in the affirmative and 192 in the negative, the floor amendment failed.

Report adopted and ordered to third reading.

HB 102, relative to criminal history checks for all school employees and applicants. **OUGHT TO PASS WITH AMENDMENT**

Rep. Michael Marcinkowski for Education: The committee spent considerable time discussing the implications of this bill and the majority concluded that pupil safety was paramount. In addition it identifies the responsibility for a criminal history check to be best handled at the point of employment. The amendment included charter schools, and a provision to allow the current yearly criminal history check for contracted school bus drivers. Vote 17-2.

Amendment (0298h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to school employee background investigations.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. It is the intent of this act to provide safe environments for pupils and to provide criminal history checks for those persons who are regularly in contact with pupils in the performance of their duties. It is not the intent to unduly burden volunteers and other such persons, contractors, or subcontractors who are not regularly in contact with pupils.

2 School Employee Background Investigations. RSA 189:13-a is repealed and reenacted to read as follows:

189:13-a School Employee Background Investigations.

I. The employing school administrative unit, school district, or charter school shall complete a background investigation, including a criminal history records check, on every selected applicant for employment in any position in the school administrative unit, school district, or charter school prior to a final offer of employment.

II. The selected applicant for employment with a school administrative unit, school district, or charter school shall submit to the employer a notarized criminal history records release form and a complete set of fingerprints taken by a qualified law enforcement agency or an authorized employee of the school administrative unit, school district, or charter school.

III. The school administrative unit, school district, or charter school shall submit the criminal history records release form to the New Hampshire state police which shall conduct a criminal history record inquiry through its records and through the Federal Bureau of Investigation.

IV. The school administrative unit, school district, or charter school may require the selected applicant for employment to pay the actual costs of the background investigation, including a criminal history records check.

V. Any person who has been convicted of murder, child pornography, aggravated felonious sexual assault, felonious sexual assault, or kidnapping in this state, or under any statute prohibiting the same conduct in another state, territory or possession of the United States, shall not be hired by a school administrative unit, school district, or charter school.

VI. This section applies to any employee or selected applicant for employment with private businesses and agencies which contract with school administrative units, school districts, or charter schools to provide services, including but not limited to cafeteria workers, school bus drivers, custodial personnel or, any other service where the contractor or employees of the contractor provide services directly to students of the district or charter school. The cost for background investigations, including criminal history records checks, for employees or selected applicants for employment with such contractors shall be borne by the contractor.

3 Application.

I. A school employee background investigation, including a criminal history records check, shall be performed, under RSA 189:13-a, for an employee working under a contract existing on the effective date of this act, only if the employee was hired after the effective date of this act.

II. A school employee background investigation, including a criminal history records check, shall be performed under RSA 189:13-a for each employee working under a contract entered into after the effective date of this act.

III. The provisions of RSA 189:13-a shall not prohibit more frequent criminal history records checks required by law, in addition to those required under RSA 189:13-a.

4 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

HB 501, including blindness in the special education provisions, and allowing attorneys to act as neutrals in special education dispute resolution. **OUGHT TO PASS**

Rep. Susan B. Durham for Education: There are two components to the bill. The first concerns the Alternative Dispute Resolution Process, instead of the expense of a formal hearing to adjudicate the appropriateness of an I.E.P. (Individualized Education Plan). A study has shown that special education disputes are more likely to be settled without a formal hearing when the administrative officer assigned to the case is a lawyer. The second component, including blindness in the definition for special education, is for clarity in the visually impaired definition. Vote 14-6.

Adopted and referred to Finance.

HB 314, relative to spending caps for state political candidates. **INEXPEDIENT TO LEGISLATE**
Rep. C. Donald Stritch for Election Law: The committee felt that the present penalties were sufficient at this time and do not need adjustment. Vote 13-2.

Adopted.

HB 354, repealing the exemption for social activities from political expenditure and contribution reporting requirements. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS. Rep. C. Donald Stritch for the Majority of Election Law: The committee felt that the present exemptions for certain political activities could better be addressed under a subcommittee study included in HB 356. Vote 8-7.

Rep. Raymond C. Buckley for the Minority of Election Law: The Minority believes no credible argument can be made for this blatant election law loophole. This bill repeals the loophole allowing candidates to hide the names of contributors by claiming the cost of the event was equal to the ticket price. This loophole needs to be closed. The public deserves full disclosure.

Reps. Buckley and Arndt spoke in favor.

Majority report adopted.

HB 355, relative to prohibited political contributions. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. C. Donald Stritch for the Majority of Election Law: This bill reduces that amount of contribution that may be made in behalf of a person's own candidacy. This is another bill the committee feels should be fully examined via the re-referral under HB 356. Vote 8-7.

Rep. Jane A. Clemons for the Minority of Election Law: The Minority feels this bill brings us in compliance with the U.S. congressional allowance for political contributions to a candidate by decreasing the \$5,000 amount to \$1,000. The Minority also feels this bill is a step toward credibility with the New Hampshire citizens, as we continue to promise political campaign reforms and have so far accomplished nothing.

Rep. Buckley spoke in favor.

Majority report adopted.

HB 356, relative to reporting requirements for political candidates and political committees. MAJORITY: RE-REFER TO COMMITTEE. MINORITY: OUGHT TO PASS.

Rep. C. Donald Stritch for Election Law: The committee felt that the \$500 level for political reporting was sufficient but felt that the subject should be further studied by the committee. There are some issues regarding financing, fund raising, and expenditures that need further thought. The committee would like to peruse the contents of HB 355 and HB 356. Vote 8-7.

Rep. Raymond C. Buckley for the Minority of Election Law: The Minority supports passage of HB 356 which increases disclosure of campaign contributions. It lowers the initial reporting requirement from \$500 to \$250. It also requires disclosure of all contributions of \$10 or more, down from the current \$25. HB 356 would increase disclosure and should be passed now.

Majority report adopted.

HB 374-FN-L, establishing 400 separate districts for the election of state representatives and re-numbering state representative districts. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Thomas I. Arnold, Jr. for the Majority of Election Law: The majority of the committee found that although individual districts are a desirable goal, this particular bill encouraged collusion between/among entrenched incumbents which would result in a) incumbents "never" opposing one another, and b) newcomer aspirants would "always" face an incumbent. Vote 10-5.

Rep. Raymond C. Buckley for the Minority of Election Law: This bill would establish 400 one-on-one house races without changing the actual borders of any legislative district. Simply, HB 374 would require each house candidate to choose which singular race they wish to run in—same voters, same physical district—the only difference would be ballot placement creating one on one races. The minority believes that this bill would make each house candidate and legislator more accountable to the public.

Majority report adopted.

HB 379-FN, relative to reporting of contributions to candidates for speaker of the house and senate president. OUGHT TO PASS WITH AMENDMENT

Rep. Lynn C. Horton for Election Law: The committee believes that the time has come for the contributions for Speaker of the House and President of the Senate to be reported and to become public record. Vote 15-0.

Amendment (0328h)

Amend the bill by replacing the title with the following:

AN ACT requiring all candidates for speaker of the house or senate president to file certain reports of contributions and to register as political committees.

Amend the bill by replacing section 1 with the following:

1 New Section; Reporting of Contributions to Candidates for Senate President or Speaker of the House Required. Amend RSA 664 by inserting after section 7 the following new section:

664:7-a Reporting by Candidates for Senate President or Speaker of the House of Representatives.

I. Each candidate seeking election by the senate for senate president or seeking election by the house of representatives for speaker of the house of representatives, who has expenditures exceeding or receipts exceeding \$500, shall:

(a) File statements before and after such election in like manner and detail prescribed in RSA 664:6, II, II-a, and III, up to and including the additional dates of 7 days prior to, and 7 days following, the date of the respective election; and

(b) Register as a political committee, pursuant to RSA 664:3, on the date that such person becomes a candidate for senate president or speaker of the house of representatives, notwithstanding the definition of the term "political committee" in RSA 664:2, III.

II. In this section, and notwithstanding RSA 664:2, II, the term "candidate" means a person who seeks nomination for election, or election, for speaker of the house of representatives or for senate president, and for purposes of this section, a person shall be deemed to seek nomination for election, or election if such person:

(a) Has received gifts or contributions aggregating in excess of \$500 or has made expenditures aggregating in excess of \$500; or

(b) Has given his or her consent to another person to receive gifts or contributions or make expenditures on behalf of such person and if such other person has received such gifts or contributions aggregating in excess of \$500 or has made such expenditures aggregating in excess of \$500.

AMENDED ANALYSIS

This bill requires all candidates for house speaker or senate president to file certain reports of contributions and to register as political committees.

Adopted.

Report adopted and ordered to third reading.

HB 417, relative to ballot certification for political parties. **OUGHT TO PASS WITH AMENDMENT**

Rep. Raymond C. Buckley for Election Law: This bill expands the definition of the term "party" for purposes of elections, including what is required for ballot certification. This bill also provides for choosing party candidates for election by caucus or convention rather than state primary election for parties with membership of less than 3 percent of the total voter registration. Vote 12-2.

Amendment (0384h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to ballot certification for political parties and choosing certain party candidates by caucus or convention.

Amend the bill by replacing all after section 1 with the following:

2 New Section; Choosing Candidates by Party Caucus or Convention. Amend RSA 653 by inserting after section 8 the following new section:

653:8-a Choosing Candidates by Means other than State Primary Election. Notwithstanding any other provision of law to the contrary, any party, as defined in RSA 652:11, which has a membership of less than 3 percent of the total registered voters in the state shall choose its candidate by holding a caucus or convention rather than by means of the state primary election. A list of candidates so nominated by caucus shall be submitted to the secretary of state no later than the Wednesday 3 weeks before the primary.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the definition of the term "party" for purposes of elections, including what is required for ballot certification. This bill also provides for choosing of certain party candidates for election by caucus or convention rather than state primary election.

Adopted.

Report adopted and ordered to third reading.

HB 503-FN-L, relative to direct recall elections. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Lynn C. Horton for the Majority of Election Law: Direct recall elections have some merit. However, this bill includes members of congress which we have no authority to do. Most towns have their own recall procedures which takes care of local officials. The committee felt that this complicated bill is not needed at this time. Vote 13-2.

Rep. Raymond C. Buckley for the Minority of Election Law: This bill is an important tool for citizens to utilize to ensure public accountability by their elected officials. This reform bill has been crafted to allow voters to recall local, county, state, and congressional elected officials in a reasonable and responsible manner. No one appeared in opposition to this, and the minority believes the public deserves to have the right to recall.

Reps. Ferguson and D'Allesandro spoke against.

Rep. Holden spoke in favor.

Rep. Arnold spoke in favor and yielded to questions.

Rep. Arnold requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

HB 546, relative to the form of the presidential primary election ballots. **OUGHT TO PASS**
Rep. Nick Hart for Election Law: The secretary of state indicated that this bill will save the state approximately \$30,000 for each presidential primary. It also will be much easier for the voters to find their choice of candidate on a list of 50 or 60 candidates. Vote 10-5.

Adopted and ordered to third reading.

HB 576, relative to anonymous political campaign literature or communications. **INEXPEDIENT TO LEGISLATE**

Rep. Dana S. Hilliard for Election Law: This bill would rescind the requirement that the author (individual, candidate, PAC, etc.) of political flyers and advertisements be disclosed on the literature. The committee concurs that the Supreme Court's decision in McIntyre v. Ohio Elections Commission requires a critical review of certain laws relative to campaign literature. However, the scope of the bill may go beyond constitutional requirements. The bill as drafted would not only apply to citizens desiring to distribute anonymous political handbills but would also apply to political candidates who publish ads attacking their opponents. Further, the bill purports to grant immunity from prosecution of libel claims if they arise from anonymous political literature. Based on these and other concerns the committee voted unanimously that the bill is inexpedient to legislate. However, the committee notes that the issues raised by McIntyre will be studied in connection with HB 333 which was re-referred. Vote 13-0.

Adopted.

Rep. Root declared a conflict of interest and did not participate.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. McCann requested that his protest be entered on the Journal.

I protest the vote on HB 576. The Supreme Court of the United States ruled in McIntyre v. Ohio Elections Commission in such a manner which would make NH laws unconstitutional. The committee report acknowledges that. Until the committee brings back HB 333, New Hampshire is in violation of the first amendment of the Constitution. I protest this serious violation of our right to free speech.

REGULAR CALENDAR - PART II (CONT'D.)

HB 766-FN, forbidding the acceptance of anything of value by state officials, appointed officials, and legislative employees. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE.**

Rep. Thomas I. Arnold, Jr. for the Majority of Election Law: The committee agreed that the goals expressed by the sponsor are beneficial but found that the legislation, as proposed, would not achieve those goals. The legislation would have the potential for making individuals subject to a jail term for accepting "anything of value." The committee feels this opportunity for mischief cannot be risked. Vote 9-5.

Rep. Raymond C. Buckley for the Minority of Election Law: The minority believes this bill deserves further study. The issue of public officials receiving gifts and holding testimonials without reporting the expenditures of such proceeds is deeply troubling. The minority believes that while the committee studies the larger issues of campaign finance reform we should also study this important issue.

Majority report adopted.

HB 428-FN-L, known as the Maggie Boyle Terninko Act, repealing RSA 430:49, the law preempting local regulation of pesticides. **INEXPEDIENT TO LEGISLATE**

Rep. Karen K. McRae for Environment and Agriculture: The Committee voted inexpedient to legislate because the current programs, already in place, working and a comprehensive, cohesive statewide policy affords owners, applicators and citizens a reasonable solution to their problems. Vote 17-2.

Adopted.

HB 463-FN, relative to aerial spraying of herbicides. **INEXPEDIENT TO LEGISLATE**

Rep. David L. Babson Jr. for Environment and Agriculture: The committee felt this bill was too restrictive, requiring those who wish to aerial spray to hold a public hearing on projects which may not go forward. It also required notification of projects 180 days in advance to allow time for public hearings. The committee felt the current 60 day requirement was adequate. Vote 16-2.

Adopted.

HB 575, authorizing the commissioner of the department of environmental services to accept environmental standards developed by the International Standards Organization (ISO) in place of certain permits and certification requirements. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter R. Leishman for Environment and Agriculture: This bill, as amended, allows the commissioner of Department of Environmental Services to accept ISO 14000 certification if and when it is judged to ensure compliance with existing state standards. It also allows the department to research becoming an ISO registrar. Vote 18-0.

Amendment (0491h)

Amend the bill by replacing all after the enacting clause with the following:

1 Findings. The general court finds that the promulgation of the environmental management standards by the International Standards Organization (ISO 14000) is important for success in international trade, and that authority for a New Hampshire entity, either public or private, to certify managerial practices of private companies relative to ISO 14000 standards will be important to New Hampshire's competitive position internationally.

2 New Paragraph; Duties of Commissioner; International Environmental Management Standards. Amend RSA 21-O:3 by inserting after paragraph IX the following new paragraph:

X.(a) Have the authority to:

(1) Accept the international environmental management standards developed by the International Standards Organization 14000 series (ISO 14000).

(2) Determine, at the commissioner's discretion, whether ISO 14000 certification of certain entities ensures adequate compliance with existing standards or requirements established by the department.

(3) Investigate the possibility of seeking certification of the department as an ISO 14000 registrar.

(4) Disseminate information on the availability and benefits of ISO 14000 certification.

(b) File reports of the department's activities and recommendations for legislative action pursuant to this paragraph with the house environment and agriculture committee before July 1, 1998, and before July 1, 1999.

3 Repeal. RSA 21-O:3, X, relative to international environmental management standards, is repealed.

4 Effective Date.

I. Section 3 of this act shall take effect July 1, 2000.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill authorizes the commissioner of the department of environmental services to accept certain international environmental management standards developed by the International Standards Organization (ISO 14000), to disseminate information concerning ISO 14000 certification, and to investigate seeking certification of the department as an ISO 14000 registrar. The bill requires the commissioner to file reports with the house environment and agriculture committee.

Adopted.

Report adopted and ordered to third reading.

CACR 18, relating to references to the governor in the constitution. Providing that all references to the governor in the constitution shall be gender neutral. **OUGHT TO PASS**

Rep. Merton S. Dyer for Executive Departments and Administration: This concurrent constitutional amendment, if approved by the legislature and 2/3 of those voting on the amendment, will make references to the governor gender neutral in the constitution. The committee heard from those who would make all references in the constitution gender neutral. That would be a major undertaking while this change applies only to the governor and it is appropriate to make this change at this time. Vote 17-0.

On a division vote, 300 members having voted in the affirmative and 32 in the negative, the report was adopted by the Constitutionally required three-fifths.

SUSPENSION OF RULES

Rep. Wheeler moved that the Rules be so far suspended as to permit third reading and final passage at the present time of **CACR 18**, relating to references to the governor in the constitution. Providing that all references to the governor in the constitution shall be gender neutral.

Adopted by the necessary two-thirds.

MOTION ON CACR

Rep. Wheeler moved that **CACR 18**, relating to references to the governor in the constitution. Providing that all references to the governor in the constitution shall be gender neutral be read a third time and passed.

On a division vote, 303 members having voted in the affirmative and 26 in the negative, CACR 18 was adopted by the constitutionally required three-fifths.

Third reading and final passage

CACR 18, relating to references to the governor in the constitution. Providing that all references to the governor in the constitution shall be gender neutral.

REGULAR CALENDAR - PART II (CONT'D.)

HB 562-FN-A, imposing a tax on gambling winnings over \$5 to fund kindergarten and continually appropriating a special fund. **INEXPEDIENT TO LEGISLATE**

Rep. Kenneth L. Weyler for Finance: The sweepstakes commission already contributes more than \$53 million to education. The commission did not support further taxes as it would alter the odds in payouts. Much of the gambling revenues are from people who gamble regularly. This group is very sensitive to the odds, and reductions in payouts could lead to a decline in their participation and in revenue. The 12-9 vote reflects the desire of some members of the committee to re-refer this bill as a vehicle for some other revenue enhancements. The committee felt that, if necessary, other means were available. Vote 12-9.

Rep. McCann moved Recommit to Committee.

Rep. Vaillancourt spoke in favor and yielded to questions.

Reps. Weyler, Vaughn and Kurk spoke against.

Rep. McCann spoke in favor.

On a division vote, 121 members having voting in the affirmative and 217 in the negative, the motion failed.

Report adopted.

HB 470, implementing recommendations of the Centers for Disease Control and Prevention relative to the laws requiring a prescription to possess hypodermic needles and modifying the drug paraphernalia laws applying to syringes. **OUGHT TO PASS**

Rep. Patricia O'Keefe for Health, Human Services and Elderly Affairs: This bill would remove the prescription requirement to purchase syringes and it decriminalizes the possession of syringes. The Center for Disease Control (CDC) considers access to sterile syringes critical in the slowing of the spread of the HIV virus. New Hampshire is one of only 9 states that require such a prescription. This bill is supported by the Dept. of Health and Human Services, the New Hampshire Medical society, and former U.S. Surgeon General C. Everett Koop. Vote 12-5.

Rep. Emerton moved Recommit to Committee and spoke in favor.

Rep. Carson spoke in favor.

Adopted.

HB 584-L, relative to the duties of school nurses. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alphonse Haettenschwiler for Health, Human Services and Elderly Affairs: This bill provides school districts with the ability to hire licensed practical nurses and certified nursing assistants to work under the direct supervision of a registered nurse. It requires the Board of Nursing in consultation with the Department of Education to establish standards for currently licensed registered and practical nurses and certified nursing assistants' education and scope of practice in primary and secondary school settings. It also allows, with parental authorization, the possession and administration of epinephrine for the emergency treatment of anaphylaxis by licensed practical nurses employed or contracted by public school systems. Vote 17-0.

Amendment (0194h)

Amend the bill by replacing all after the enacting clause with the following:

1 School Health Personnel. RSA 200:31 is repealed and reenacted to read as follows:

200:31 School Health Personnel. Any school board may employ or contract for their district a licensed practical nurse (LPN) or certified nursing assistant (CNA) who shall hold an unencum-

bered current license in New Hampshire, to work under the direct supervision of the school registered nurse in accordance with rules adopted under RSA 541-A, by the board of nursing, in the same building as the registered nurse (RN), who shall hold an unencumbered current license in New Hampshire.

2 Possession and Administration of Epinephrine. Amend RSA 318:42, VII-a to read as follows:

VII-a. The possession and administration, with written parental authorization, of flu vaccine, immunizations, and mantoux tests for the purpose of disease prevention and tuberculosis screening, and epinephrine for the emergency treatment of anaphylaxis by registered nurses employed or contracted by public school systems. *The possession and administration, with written parental authorization, of epinephrine for the emergency treatment of anaphylaxis by licensed practical nurses employed or contracted by public school systems.*

3 New Paragraph; Rulemaking Authority; Board of Nursing. Amend RSA 326-B:4-a by inserting after paragraph XV the following new paragraph:

XVI. In consultation with the department of education, establish standards for currently licensed registered and practical nurses and certified nursing assistants' education and scope of practice in primary and secondary school settings.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows licensed practical nurses to work in schools under the direct supervision of school registered nurses licensed in New Hampshire. It also allows licensed practical nurses to possess and dispense, with written parental authorization, epinephrine for treatment of anaphylaxis.

This bill is a request of the department of education.

Adopted.

Report adopted and ordered to third reading.

HB 723-FN-A, establishing a New Hampshire health access corporation, continually appropriating a special fund, and allowing the healthy kids corporation to cover adults. OUGHT TO PASS Rep. Robert Foster for Health, Human Services and Elderly Affairs: This bill establishes a health care access corporation modeled after the successful Healthy Kids Corporation and allows Healthy Kids Corporation to cover adults. This bill creates a non-profit entity which offers subsidized health insurance coverage on a buy-in basis under Medicaid waiver to allow coverage to low and moderate income adults which are previously without health insurance. If medical waiver is approved, the Health Care Finance Administration will match individual premium payments for eligible persons. The bill will also allow for expanded coverage for children. Vote 16-0.

Adopted and ordered to third reading.

HB 385, relative to reporting and registration requirements for lobbyists and employees of lobbyists. OUGHT TO PASS WITH AMENDMENT

Rep. Amanda A. Merrill for Legislative Administration: This bill clarifies the requirements of the lobbyist reporting law and adds reporting requirements for employers of lobbyists. The bill is the result of work begun last session and continued through an interim study subcommittee. Vote 13-0.

Amendment (0571h)

Amend RSA 15:2, II as inserted by section 1 of the bill by replacing it with the following:

II. "Employer" means any person who engages the services of a lobbyist for compensation. Employer includes an organization which communicates through or uses the services of a lobbyist but shall not include a lobbying firm or a law firm providing lobbying services.

Amend RSA 15:6, II(b) as inserted by section 1 of the bill by replacing it with the following:

(b) Total compensation paid to lobbyists to be reported in the following categories:

- (1) \$0 - 5,000;
- (2) \$5,001 - 10,000;
- (3) \$10,001 - 25,000;
- (4) \$25,001 - 50,000;
- (5) \$50,001 - 75,000;
- (6) \$75,000 - 100,000;
- (7) over \$100,000; and

Amend RSA 15:11 as inserted by section 1 of the bill by replacing it with the following:

15:11 Testimonial Privilege. No individual shall be excused from testifying in a proceeding instituted against another person under this chapter for the reason that the testimony might result in self-incrimination; but no testimony so given by the individual shall be used directly or indirectly as evidence against the individual in any prosecution, nor shall that individual be prosecuted for any offenses so disclosed.

Adopted.

HB 504-L, relative to the property tax obligation for real estate used as rental housing by qualified nonprofit charitable organizations. RE-REFER TO COMMITTEE

Rep. Laura C. Pantelakos for Local and Regulated Revenues: The majority of the committee felt we should review this bill further as it deals with the issue of affordable housing. Vote 9-8.

Adopted.

HB 556-L, authorizing municipalities to refund a portion of fees for municipal registration permits. INEXPEDIENT TO LEGISLATE

Rep. Betsy McKinney for Local and Regulated Revenues: While the purpose of this bill is laudable, the sponsors acknowledged and the committee agreed that the sums of money that would be refunded if this bill became law were relatively small while the record-keeping required of town and city clerks would create an unnecessary and far greater administrative burden on local communities. The committee also believed this bill could create a problem with commercial registrations, and could be abused. Vote 10-3.

Adopted.

HR 17, relative to certain historical theaters in New Hampshire. OUGHT TO PASS WITH AMENDMENT

Rep. Mary Ann N. Blanchard for Resources, Recreation and Development: This house resolution urges the state of New Hampshire, through the historical resources council in conjunction with the division of historical resources, to recognize the important cultural and economic significance of certain historic theaters through letters of commendation to the owners of such restored theaters. Vote 11-4.

Amendment (0497h)

Amend the resolution by replacing all after the title with the following:

Whereas, certain historical theaters in New Hampshire are of special cultural and artistic value; and

Whereas, these theaters are an irreplaceable part of New Hampshire's past; and

Whereas, the preservation of these theaters is a priority of the people of this state; and

Whereas, these theaters play a vital economic and cultural role in their respective communities and for the state as a whole; now, therefore, be it

Resolved by the House of Representatives:

That the state of New Hampshire, through the historical resources council in conjunction with the division of historical resources, recognize the important cultural and economic significance of our historic theaters through letters of commendation to the owners of such restored theaters including, but not limited to, the Palace Theater in Manchester, the Music Hall in Portsmouth, the Capital Center for the Arts in Concord, the Barn Theater in New London, the IOKA Theater in Exeter, the Colonial Theater in Keene, and the Claremont Opera House in Claremont.

AMENDED ANALYSIS

This house resolution urges the state of New Hampshire, through the historical resources council in conjunction with the division of historical resources, to recognize the important cultural and economic significance of certain historic theaters through letters of commendation to the owners of such restored theaters.

Report adopted and ordered to third reading.

HB 238-FN, requiring certain vehicles to travel only in the right-hand lanes on highways. **INEXPEDIENT TO LEGISLATE**

Rep. Peter F. Leonard for Transportation: The committee feels that this is a safety concern issue. There are only 35 miles of three lane split highways in New Hampshire, and of those, there are many left turn exits. This creates a dangerous circumstance for merging vehicles. Vote 15-2. Adopted.

HB 239, requiring a child under 13 years of age to wear protective headgear when riding a bicycle. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: The committee feels strongly about safety and supports the concept of children's use of bicycle helmets. However, we also recognized that this bill is ill-conceived for several reasons: (1) Most children are already wearing them; (2) It is not enforceable, are we going to have the police confiscate bicycles? (3) The majority of the committee believes that this is a government intrusion into the personal lives of parents. Therefore, we believe that this bill is Inexpedient to Legislate. Vote 13-4. Adopted.

HB 151-FN-L, establishing comprehensive medical, physical and psychological standards for law enforcement officers. **OUGHT TO PASS WITH AMENDMENT**

Corrected Statement: Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill recommends psychological screening of final applicants for police positions beginning in 1999. It also recommends the same medical examination and physical fitness requirements for hiring part time police officers as currently exist for full-time officers beginning next year, and recommends that all police officers hired after January 1, 2001, have medical examination and physical fitness tests at three-year intervals during their careers. The bill grandfathers existing officers and will not result in any present officer losing their job because of this new requirement. The amendment requires the Police Standards and Training Council to notify local and county law enforcement agencies of any additional standards recommended by the council and states that those standards only take effect when the political subdivision approves them. Vote 17-0.

Amendment (0559h)

Amend the bill by replacing section 1 with the following:

1 Statement of Purpose. The legislature finds that the public safety and welfare requires that persons serving as police officers and state corrections and probation-parole officers be physically and emotionally fit to perform the exacting and demanding essential tasks required of law enforcement officers. The legislature recognizes physical fitness as a necessary component to ensure that only reasonable and necessary force is used in making arrests and assuming and maintaining custody and control of prisoners and that officers must be capable of performing strenuous duties in search and rescue operations and subduing violent persons. The legislature further recognizes that requiring officers to maintain minimum fitness levels should minimize and reduce costs to the state, its political subdivisions and the New Hampshire retirement system due to excessive sick leave, worker's compensation claims, and disability retirements. The legislature further recognizes that police and corrections duties and the supervision of probationers and parolees should only be performed by officers who are free from inappropriate behavior traits. Therefore, it is in the best interests of the people of the state and its political subdivisions to request certain minimum medical and psychological standards for persons serving in these critical positions.

Amend RSA 188-F:27, III-i - III-l as inserted by section 3 of the bill by replacing them with the following:

III-i. A licensed physician, psychiatrist, psychologist, or person acting under the licensee's supervision, whose examination administered under this chapter results in an employment decision adverse to a police, corrections, or probation-parole officer shall be immune from suit resulting from such examination or decision, providing such examination is conducted in good faith, not in a wanton or reckless manner.

III-j. To the extent required to comply with federal or state law, the council may grant a waiver, with respect to employment at a specific agency, to an officer who cannot meet the standards in paragraphs III-d - III-g.

III-k. Nothing in this section shall prevent individual hiring agencies from adopting physical fitness programs for their officers that are more stringent or frequent than those required in this section.

III-l. Except as provided in paragraph III-h and notwithstanding other provisions of law to the contrary, a hiring authority may assess a testing fee to cover all or part of the cost of any medical or psychological examination in cases where the person has been given a conditional offer of employment. A hiring authority may also make repayment of a testing fee part of any training or hiring contract that establishes a minimum term of employment for such an officer.

Amend the bill by replacing all after section 3 with the following:

4 Applicability. On or before July 1, 1998, the police standards and training council shall notify each affected local and county law enforcement agency as to those provisions of RSA 188-F:27, III-j through III-l, that assign additional standards. Such standards shall take effect in those localities when they are approved for funding by the legislative body of the political subdivision.

5 Severability. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the act which can be given effect without the invalid provisions or applications, and to this end the provisions of this act are severable.

6 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill requires that all part-time and full-time police officers, state corrections officers, and probation parole officers meet certain medical, physical and psychological standards established in rules adopted by the police standards and training council, subject to the approval of the employing political subdivision.

This bill is a request of the department of postsecondary technical education.

Floor Amendment (0691h)

Amend the bill by replacing section 4 with the following:

4 Applicability. On or before July 1, 1998, the police standards and training council shall notify each affected local and county law enforcement agency as to those provisions of RSA 188-F:27, III-a through III-l, that assign additional standards. Such additional standards shall take effect in those localities only if they are approved for funding by the political subdivision.

HB 569-FN-A-L, creating a New Hampshire securities transfer excise tax and a continually appropriated fund. **INEXPEDIENT TO LEGISLATE**

Rep. David J. Alukonis for Finance: The proposal would impose a tax on the sale of stocks, bonds, futures, and other financial securities and return the proceeds to property tax payers on the basis of household income. The committee believes that the imposition of this tax and the distribution of its proceeds could likely be considered unconstitutional due to the requirement that revenues be distributed according to certain "brackets" of household income. Additionally, it was also feared that the proposal could have a significantly negative impact on the decision by various mutual fund companies which have decided to, or are in the process of, relocating their operations to New Hampshire. Vote 21-0.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Hemon requested that his protest be entered on the Journal.

Madam Speaker and members of the House: Lend me your ears for I wish to reveal to you a very well kept secret. All of this talk about crisis in the budget and of mounting deficits and impending financial doom for the state, stated here, in the media and everywhere is pure propaganda and false. The real and true state of affairs is where there is no will, there is no way. HB 569 is the way, which has been scuttled by the forces of Wall Street and their agents.

HB 569 proposes a securities excise tax which aims directly at Wall Street and its' agents activities in siphoning the wealth of this state and nation to fund wild speculation and activities of this market that have little basis in fact, and a very heavy basis in mob psychology reminiscent of the frenetic '20s leading to the 1929 crash, (today they call them euphemistically, corrections) and the subsequent Depression.

This tax which is not a sales tax or an income tax, has the possibility of yielding from the transfer of stocks alone some \$193 million per year. Add to this the possibilities of derivatives, future, options, swaps and whatever else the fecund human mind can invent as a financial instrument, we could be looking at \$500 million and more per year. As the bill is written, the money would be distributed so as to relieve the heavy property tax burden of the people of this state by taking money from the wealthy and well-off, who already have too much of this nation's wealth, and always think that they deserve more by right. The Finance Committee thought it was unconstitutional to relieve the poorer elements of the population as opposed to the wealthier. In other words, HB 569 discriminates against the rich. How deplorable. The rich, who are rich because they have by one means or another appropriated ever larger amounts of the nation's wealth are being deprived of yet another windfall thus depriving them of yet another opportunity to get richer. How sad. HB 569 is indeed a deplorable bill for this reason. At least, that is what the blurb seems to be saying. We cannot help the poorer elements of the people, because we are denying equal opportunity to the rich. The Finance Committee, in its blurb, states that the distribution plan as found in the bill could likely be considered unconstitutional. They did not say it was unconstitutional, only it could likely be unconstitutional. The blurb reveals something that is not likely unconstitutional, but is unconstitutional. The blurb says, and I quote: "Additionally, it was also feared that the proposal could have a significantly negative impact on the decision by various mutual fund companies which have decided to, or are in the process of, relocating their operations in New Hampshire." Are these outsiders supposed to be determining New Hampshire taxing policies? Or are the sovereign people of the state of New Hampshire the masters of their own destiny, captains of their own ship of state? The Finance Committee by kow-towing to these outsiders seems to be answering the first of these questions with a positive yes; the outsiders should determine our taxing policies. The Finance Committee by kow-towing to these outsiders seems to be answering the second of these questions with a negative, no; we the people are not masters of our own destiny nor are we captains of our own ship of state. I hope, that this House will disagree with this policy statement of the Finance Committee.

Article 10, Part I of the New Hampshire Constitution: "Government being instituted for the common benefit, protection, and security of the whole community, and not for the private interest or emolument of any one man, family, or class of men..." Or class of men. Mutual fund companies, for instance? Showing preference to foreign, outside entities over those of our local constituents and the sovereign people of New Hampshire is not good government. How do these mutual fund companies, Merrill Lynch, Dean Witter, etc., make money? Through fees and commissions, of course. And are not these fees and commissions a securities transfer excise tax by another name? In other words, those who buy or sell securities pay a securities transfer tax to those various corporate entities who broker the transfer. Why should these corporate entities be able to tax securities transfer of any kind, and the government on the other hand be denied this source of income to be used for the general welfare instead of private gain? Such denial is without foundation, and is quite arbitrary, unreasonable, and disgraceful, considering the great benefits to be derived by the people of this state. Article 10, Part I of the New Hampshire Constitution defines this kind of an act namely, HB 569, as good government; a kind of act for which governments are instituted. Money is money.

If the Finance Committee did not like the idea of property tax relief, the money raised could have been used for other purposes. For instance, Public Service and Northeast Utilities are again giving the people of this state a hard time, even threatening bankruptcy. With the amount of money the securities transfer tax could generate, we the people could buy Public Service and the Northeast Utilities interest and produce and distribute our own electricity without taking sass from anyone. Public Service and Northeast Utilities are expendable, and the securities transfer tax can make this a reality. This possible revenue source deserves more consideration and study than it has received. A possible \$500 million per year income should not be ignored. The committee recommendation of ITL should be defeated in order that a substitute motion to Re-refer may be entered. Thus, the Finance Committee or Sub-committee thereof could study the tax more carefully after the current hurly-burly is over and time for leisurely study is at hand. Thank you.

VACATES

Reps. Metzger and Musler moved that the House vacate the reference to the Committee on Municipal and County and Government on **SB 30**, relative to time of dog licensure and **SB 32**, relative to dogs at large.

Adopted and referred to the Committee on Environment and Agriculture.

RESOLUTION

Rep. Wheeler offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, March 18, 1997 at 10:00 a.m.

Adopted.

- HB 708**, extending the reporting date for the committee studying the issues surrounding the definition of "facility" for the purposes of eligibility for certain property tax exemptions.
- HB 534**, establishing a committee to study the New Hampshire highway and bridge infrastructure.
- HB 181**, prohibiting the sale or distribution of exotic aquatic weeds and increasing certain fees.
- HB 257**, offering priority to qualified veterans for participation in training programs funded by the state or federal government.
- HB 415**, establishing a nighttime speed limit for OHRVs traveling on the frozen surface of Back Lake in the town of Pittsburg.
- HB 586**, changing the expiration date of OHRV registrations.
- HB 695**, establishing a committee to study the educational requirements of student drivers.
- HB 797**, requiring emergency vehicles to stop for school buses, and requiring the use of both audible and visual emergency signals, in certain circumstances.
- HB 241**, relative to genetic testing.
- HB 102-L**, relative to school employee background investigations.
- HB 379-FN**, requiring all candidates for speaker of the house or senate president to file certain reports of contributions and to register as political committees.
- HB 417**, relative to ballot certification for political parties and choosing certain party candidates by caucus or convention.
- HB 546**, relative to the form of the presidential primary election ballots.
- HB 575**, authorizing the commissioner of the department of environmental services to accept environmental standards developed by the International Standards Organization (ISO) in place of certain permits and certification requirements.
- HB 584-L**, relative to the duties of school nurses.

(Speaker Sytek in the Chair)

Rep. Lozeau moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 12

Tuesday, March 18, 1997

The House assembled at 10:00 a.m, the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

Almighty God, whose ways are not our ways and whose thoughts are not our thoughts, intercede for us with sighs even deeper than words. When we are anxious, grant us Your peace; when we are at odds with each other, show us the way to reconciliation; when daily struggles darken Your designs, make us persistent in seeking Your will; so that through our fragile lives, we may nevertheless reveal to the world something of Your grace and glory. Amen.

Rep. Hall led the Pledge of Allegiance.

Consent Calendar adopted.

HB 327, relative to pledges for loans, finance charge disclosure statements, and debt adjusters. **OUGHT TO PASS WITH AMENDMENT**

Rep. David T. Mittelman for Commerce: This bill as amended requires pawnbrokers who accept more than four motor vehicle titles to comply with Truth in Lending provisions. The bill also clarifies certain financial disclosure requirements and limits a nonprofit debt collection exemption to charitable entities. Vote 10-0.

Amendment (0685h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to pledges for loans, finance charge disclosure statements, debt adjusters, and consumer credit transactions.

Amend RSA 398:2, II as inserted by section 1 of the bill by replacing it with the following:

II. In excess of 4 motor vehicles or titles to motor vehicles, as defined in RSA 361-A:1, V; Amend the bill by replacing all after section 3 with the following:

4 Clarification; Statutory Rate of Interest on Business Transactions. Amend RSA 336:1, I to read as follows:

I. The annual rate of interest in all business transactions in which interest is paid or secured, unless otherwise agreed upon in writing, shall equal 10 percent. *No consumer credit transaction, as defined in RSA 358-K:1, V, shall be subject to this paragraph. If agreed upon in writing, interest on business transactions may include charging other than simple interest.*

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill prohibits certain pledges as security for loans; authorizes a finance charge disclosure statement which is in conformity with Federal Reserve Board regulations for consumer credit transactions; and limits an exemption from regulation for nonprofit organizations offering debt adjustment services.

The bill clarifies that consumer credit transactions are not subject to the statutory rate of interest on business transactions.

HB 334, establishing guidelines for assessing the eligibility of certain providers for third party reimbursement. **OUGHT TO PASS**

Rep. Keith R. Herman for Commerce: This bill is the result of work done last session by members of the commerce committee. The intent of the legislation is to create some consistency in determining eligibility to receive third party reimbursement. The process to date has been extremely arbitrary. While these guidelines in no way mandate or guarantee third party reimbursement eligibility, it should allow future legislators to better judge the merits. Vote 10-0.

HB 370, updating and making technical corrections in certain banking laws. **OUGHT TO PASS WITH AMENDMENT**

Rep. David T. Mittelman for Commerce: This bill as amended primarily clarifies existing regulatory authority and updates certain citation references within the banking statutes. These technical changes reflect the modern needs and practices of both the industry and the Banking Department. Vote 16-0.

Amendment (0688h)

Amend the bill by replacing all after section 5 with the following:

6 Petition. RSA 388:1 is repealed and reenacted to read as follows:

388:1 Petition. Any state-chartered savings bank, building and loan association, cooperative bank, or trust company, by vote of a majority of its members if it is a mutual institution or by vote of a

majority of the holders of its voting stock if it is a stock institution, and any other state-chartered banking institution or any national bank or federally chartered savings association or bank, by the same vote, may apply by petition to the superior court in the county in which either of the institutions is located for a decree authorizing a union of such institutions by merger or consolidation. The superior court may authorize any appropriate action relating to the merger or consolidation, including without limitation, the organization of any corporation for consolidating such institutions and the dissolution of such of them as are to be liquidated in the consolidation.

7 Power to Merge and Consolidate. Amend RSA 393:55 to read as follows:

393:55 Power to Merge or Consolidate. Cooperative banks, savings and loan associations, *and* building and loan associations [~~and mutual savings banks~~] organized under the laws of this state may merge or consolidate [~~with one another and transfer their engagements, funds and property to one another with the written approval and upon terms prescribed by the bank commissioner, pursuant to the procedure as follows:~~

I. That the governing bodies of the corporations involved approve the merger or consolidation, its terms and conditions by a majority vote of those present and voting at a regular meeting or a special meeting called for that purpose:

II. That the voters of the corporations approve the merger or consolidation by majority vote of those present and voting at the annual meeting or at a special meeting called for that purpose; provided that:

(a) Notice of the meeting and the purpose for which it is held is mailed to all the eligible voters at their last-known address as shown on the books of the corporations at least 14 days prior to the meeting:

(b) Notice of the meeting shall have been published once a week for 3 successive weeks in one of the newspapers published in the municipalities where the corporations' principal offices are located, if any, otherwise in such newspapers as the commissioner may order; the last notice published at least 14 days prior to the date of the meeting named in the call:

III. The reorganized cooperative bank, association or mutual savings bank shall be liable for all obligations existing prior to such merger or consolidation and may retain and service all accounts lawfully held by it on the date of such consolidation or merger.

IV. The merger or consolidation shall not prejudice the right of any creditor of any of the corporations involved therein to have payment of his debt out of the assets thereof; nor shall any creditor be thereby deprived of, or prejudiced in, any right of action then existing against the officers or directors of said corporations for any neglect or misconduct:

V. The terms and conditions of the merger or consolidation shall be set forth in an agreement signed by the duly authorized officers of the corporations and under their respective seals and shall provide for the mode of carrying the same into effect, when the merger or consolidation shall be effective, the manner of converting the savings capital and accounts of one corporation into the savings capital and accounts of the other corporation, together with such other provisions and details as shall be necessary to perfect the merger or consolidation:

VI. After the meetings of the voters of the corporations as provided for have been held, then that fact shall be certified on said agreement by the secretaries of the corporations, and the original and sufficient duplicate originals of the agreement so signed, adopted and certified, shall be forwarded to the commissioner for his approval or disapproval, one copy to be forwarded to each corporation. If approved, a copy thereof, certified by the commissioner, shall be filed in his office within 60 days after the day of the meeting at which said agreement was adopted by the voters of the corporations. From the time of filing the copy of such agreement with the commissioner, said agreement shall thenceforth be taken and deemed to be the agreement and act of merger or consolidation of said constituent corporation for all purposes of the laws of this state] *in accordance with the procedures and requirements set forth in RSA 388.*

8 Fidelity Bond Coverage. RSA 383:14 is repealed and reenacted to read as follows:

383:14 Fidelity Bond Coverage.

I. Each institution under the supervision of the commissioner shall purchase fidelity bond coverage for protection or indemnity against losses from dishonest or criminal acts of officers, employees, and agents of the institution, and acts such as robbery, burglary, or forgery by persons not associated with the institution.

II. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to fidelity bond coverage for the protection and indemnity of financial institutions under the commissioner's supervision.

9 Irregularities. RSA 384:12 is repealed and reenacted to read as follows:

384:12 Irregularities. A clerk neglecting to give such notification to the bank commissioner or giving a false notification or knowingly giving or causing to be given a notice containing the name of a person who has not taken the oath of office shall be fined \$100.

10 New Section; Interim Banks. Amend RSA 384 by inserting after section 63-a the following new section:

384:63-b Interim Banks. Notwithstanding any other law to the contrary, if a state-chartered stock savings bank, stock building and loan association, stock cooperative bank, or trust company is organized on an interim basis for the sole purpose of effecting either a reorganization of a state-chartered stock savings bank, stock building and loan association, stock cooperative bank, or trust company into a holding company structure or the acquisition of another banking institution by a bank holding company or savings and loan holding company, the holding company may organize and be the sole incorporator of such interim state-chartered bank, and only such persons who will serve as directors, trustees, or executive officers of the resulting bank who are not already serving as directors, trustees, or executive officers of the existing bank will be required to submit personal and financial information to the bank commissioner for review pursuant to applicable rules and regulations.

11 Repeal. RSA 393:55-a, relative to the power of federal savings and loan associations to merge with certain state banking associations, is repealed.

12 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill updates certain banking laws to comply with recently enacted federal laws and regulations and makes technical corrections.

HB 376, relative to prescription drug copayments required by insurance companies and relative to filling prescription drug prescriptions. INEXPEDIENT TO LEGISLATE

Rep. Tim S. McGough for Commerce: This bill would have prohibited insurance companies from recovering the additional cost of brand name medication when many prescriptions are not available in generic equivalents, which is clearly unfair. Vote 11-0.

HB 404, establishing a committee to study providing universal catastrophic health coverage by establishing a statewide catastrophic risk pool. OUGHT TO PASS

Rep. Anthony Syracuse for Commerce: The full commerce committee discussed this bill as a committee of the whole. No one spoke in opposition. The Commissioner of Health and Human Services and the NH Insurance Department are in support of the bill. The concept of a statewide catastrophic risk pool may provide an opportunity to keep rates down. Vote 9-2.

HB 409, requiring nonprofit educational organizations and certain hospitals to file certain forms with the director of charitable trusts. RE-REFER TO COMMITTEE

Rep. David T. Mittelman for Commerce: The committee addressed the subject matter of this bill in HB 161. Re-referral will allow study of lingering issues relative to charitable trusts. Vote 9-2.

HB 410, allowing mental health counselors and marriage and family therapists to obtain third party payments for services rendered which would otherwise qualify for such payments. RE-REFER TO COMMITTEE

Rep. Keith R. Herman for Commerce: The committee has dealt with this issue many times over the past few years. Each time, it has denied the request for mental health counselors and marriage & family therapists from receiving third part reimbursement. The committee has received no new information regarding the merits of mandating reimbursement. This year the committee feels it is important to look into the process by which the legislators license health providers and grant third party reimbursement eligibility to those providers. Currently, two house committees deal with these issues separately. The intent of the committee is to look into this process over the summer. Vote 8-3.

HB 449, regulating the self storage industry INEXPEDIENT TO LEGISLATE

Rep. Eric N. Lindblade for Commerce: The Uniform Commercial Code in our statutes already provides adequate remedy, as well as other sections of law referring to the rights of landlords and abandoned property. Vote 13-1.

HB 451, providing that health care providers shall determine the appropriate course of patient treatment RE-REFER TO COMMITTEE

Rep. Keith R. Herman for Commerce: While the subcommittee did not feel that HB 451 should pass in its current form, it did recognize the growing concerns over how NH citizens are receiving medical care. This bill provides a mechanism in which practical and philosophical discussion can take place on the merits and problems of our current health care delivery mechanism. The committee unanimously feels that these issues need further work. Vote 13-0.

HB 453, relative to the bank commissioner's regulation of sales finance companies and retail sellers. OUGHT TO PASS WITH AMENDMENT

Rep. David T. Mittelman for Commerce: This bill as amended makes technical changes to laws relative to retail sellers (i.e., automobile dealers) and sales finance companies (i.e., automobile financiers). In essence, HB 453 prohibits certain fraudulent activities and provides the Banking Department with greater power and flexibility to enforce existing laws. Vote 14-1.

Amendment (0697h)

Amend the bill by replacing all after section 3 with the following:

4 Definition; "Sales Finance Company." Amend RSA 361-A:1, XI to read as follows:

XI. "Sales finance company" means a person engaged, in whole or in part, directly or indirectly in the business of providing financing to one or more retail buyers, or in the business of purchasing retail installment contracts from one or more retail sellers. The term includes but is not limited to a *savings* bank, trust company, *credit union*, *cooperative bank*, finance company, lending agency, industrial bank, or investment company, if so engaged. The term does not include the pledgee of an aggregate number of such contracts to secure a bona fide loan thereon, *nor does it include a retail seller who (1) makes a retail installment contract and assigns such contract either within 5 business days, if the contract requires monthly payments, or within 2 business days, if the contract requires payments more frequently than monthly, of the contract's execution by the retail buyer and retail seller, or (2) makes 4 or fewer retail installment contracts in any year or has 4 or fewer retail installment contracts outstanding at any time, the aggregate outstanding principal balance of which does not exceed \$10,000 at any time; or (3) makes retail installment contracts to employees for the purchases of motor vehicles solely from the retail seller employer.*

5 Licensing Requirements; Retail Sellers and Sales Finance Companies. Amend RSA 361-A:2, to read as follows:

I. No person shall engage in the business of a sales finance company or retail seller in this state without a license therefor as provided ~~herein~~ *in this chapter*. No *savings* bank, trust company, *credit union*, *cooperative bank*, or industrial bank shall be required to obtain such license but shall comply with ~~all of the~~ *the* ~~other~~ *other* provisions of ~~this chapter~~ *RSA 361-A:8-10*, *unless otherwise exempted in this chapter*.

6 New Paragraph; Licensing Requirements; Retail Sellers and Sales Finance Companies. Amend RSA 361-A:2 by inserting after paragraph II the following new paragraph:

II-a. Sales finance company license applicants shall at the same time file with the commissioner a \$25,000 surety bond to the state for the use of the state and any person who may have a cause of action against the principal in the bond under the provisions of this chapter, and conditioned that the principal will conform to and abide by each provision of this chapter and will pay to the state and to any such person any sum that may become due or owing under this chapter from the principal of the bond to the state or to such person. Recovery against the bond may be made by the state after due notice and hearing in accordance with the provisions of RSA 541-A, and by any such person who may have obtained a final judgment in a court of competent jurisdiction naming said principal. The surety bond shall include a provision requiring the surety to give written notice to the commissioner 10 days in advance of the cancellation or termination of the bond. A separate bond shall be required for each different name under which a sales finance company conducts its business in this state.

7 Licensing Requirements; Retail Sellers and Sales Finance Companies. Amend RSA 361-A:2, 1/(a) to read as follows:

V.(a) Upon the filing of the application for a sales finance company license and payment of the required fee, if the bank commissioner determines that the applicant's financial resources and responsibility, experience, personnel, and record of past or proposed conduct warrant the public's

confidence and that the business will be operated lawfully, honestly, and fairly within the purposes of this chapter, the bank commissioner shall enter an order approving such application and shall issue a license to the applicant to engage in the business of a sales finance company under and in accordance with the provisions of this chapter. Each *sales finance company* license shall expire on December 31 of each calendar year, **and each retail seller license shall expire on April 30 of each calendar year**. No sales finance company licensee shall transact any business provided for by this chapter under any other trade names unless the licensee holds a separate license for the business conducted under the other trade name.

8 Rulemaking. Amend RSA 361-A:2, VI to read as follows:

VI. The bank commissioner ~~shall~~ **may** adopt rules, pursuant to RSA 541-A, relative to ~~licensing under this section~~ **the administration and enforcement of this chapter**.

9 New Paragraph; Annual Report; Penalties for Failure to Disclose or Underdisclosure. Amend RSA 361-A:2-b by inserting after paragraph IV the following new paragraph:

V. A licensee who files an annual report under this section which fails to disclose or materially underdiscloses retail installment contracts made during the reporting year may, after opportunity for hearing pursuant to RSA 541-A, be subject to a fine of not more than \$1,000 and to license revocation or suspension pursuant to RSA 361-A:3.

10 Suspension or Revocation of Licenses. Amend RSA 361-A:3, I(b) to read as follows:

(b) Willful failure to comply with any provision of this chapter ~~[relating to retail installment contracts]~~;

11 New Section; Cease and Desist Orders. Amend RSA 361-A by inserting after section 3 the following new section:

361-A:3-a Cease and Desist Orders. Whenever the commissioner has reasonable cause to believe that any person is engaging in the business of a sales finance company or retail seller without obtaining a license as provided in this chapter, the commissioner may, in addition to all actions provided for in this chapter, enter an order requiring such person to cease and desist from such violation. If any person refuses to obey such order, an action may be brought by the commissioner or by the attorney general on the commissioner's behalf in any superior court in this state to enjoin such person from engaging in or continuing such violation or from doing any act or acts in furtherance of such violation. In any such action, an order or judgment may be entered awarding a temporary or permanent injunction, and awarding the commissioner or the attorney general or both costs in bringing such action. The court shall have the power to enforce obedience to such injunction, in addition to all the court's customary powers, by a fine not exceeding \$10,000 or by imprisonment, or both.

12 Fine Increased; Powers of Bank Commissioner. Amend RSA 361-A:5 to read as follows:

361-A:5 Powers of Bank Commissioner. The bank commissioner shall have the power to issue a subpoena to compel the attendance of witnesses and the production of documents, papers, books, records, and other evidence before ~~[him]~~ **the commissioner** in any matter over which ~~[he]~~ **the commissioner** has jurisdiction, control or supervision pertaining to the provisions of this chapter. ~~[He]~~ **The commissioner** shall have the power to administer oaths and affirmation to any person whose testimony is required. If any person shall refuse to obey any such subpoena or to give testimony or to produce evidence as required thereby, any justice of the superior court may, upon application and proof of such refusal, order the issuance of a subpoena, or subpoena duces tecum, out of the superior court, for the witness to appear before the superior court to give testimony, and to produce evidence as required thereby. Upon filing such order in the office of the clerk of the superior court, the clerk shall issue such subpoena, as directed, requiring the person to whom it is directed to appear at the time and place therein designated. If any person served with any such subpoena shall refuse to obey the same, and to give testimony, and to produce evidence as required thereby, the bank commissioner may apply to any justice of the superior court who, after proof of such refusal, shall issue such citation, directed to any sheriff, for the arrest of such person, and, upon ~~[his]~~ **such person's** being brought before such justice, proceed to a hearing of the case. The ~~[justice]~~ **court** shall have power to enforce obedience to such subpoena, and the answering of any question and the production of any evidence that may be proper, by a fine not exceeding ~~[\$100]~~ **\$10,000** or by imprisonment ~~[in the county jail]~~, or by both.

13 Assistants; Payment. Amend RSA 361-A:6 to read as follows:

361-A:6 Assistants. For the enforcement of the provisions ~~[hereof]~~ **of this chapter**, the bank commissioner is authorized to appoint, subject to the provisions of the personnel law, such per-

sonnel as are necessary. The salary, traveling expenses, and all expenses of administration and enforcement of the provisions [hereof] of this chapter shall be paid out of fees received from licenses issued ~~hereunder~~ *under this chapter, and funds collected pursuant to RSA 383:11.*

14 Examinations. Amend RSA 361-A:6-a, II to read as follows:

II. The affairs and records of every sales finance company licensee or person shall be subject at any time to periodic, special, regular, or other examination by the banking department with or without notice to the licensee *or person. Those licensees or persons that maintain their files and business documents in another state shall appoint a New Hampshire agent and shall return such files and documents to their principal New Hampshire office or the office of their New Hampshire agent for examination no later than 21 calendar days after being requested to do so by the banking department. Failure to provide files and documents within the time established by this paragraph shall subject a licensee or person to a fine of \$50 per day for each day after 21 days the files and documents are not produced. Failure to provide files and documents within 60 days after being requested to do so by the banking department shall be sufficient cause for license revocation, suspension, or denial.*

15 Requirements; Retail Installment Contracts. Amend RSA 361-A:7, I to read as follows:

I.(a) A retail installment contract shall be in writing, shall be signed by ~~both~~ the buyer and *(1) for direct loans, the sales finance company; or (2) for indirect loans,* the seller and shall be completed as to all essential provisions or by memorandum as provided in paragraph VI prior to the signing of the contract by the buyer.

(b) The printed portion of the contract, other than instructions for completion, shall be in at least 8 point type. The contract shall contain in a size equal to at least 10 point bold type: A specific statement that liability insurance coverage for bodily injury and property damage caused to others is not included, if that is the case, and the following notice: "Notice to the Buyer: 1. Read this contract before signing. 2. You are entitled to an exact copy of the contract you sign."

(c) The seller shall, *for an indirect loan, or the sales finance company shall, for a direct loan,* deliver to the buyer, or mail to ~~him~~ *the buyer* at ~~his~~ *the* address shown on the contract, a copy of the *signed* contract ~~signed by the seller~~ *buyer*. Until the seller *or sales finance company* does so, a buyer who has not received delivery of the motor vehicle shall have the right to rescind ~~his~~ agreement and to receive a refund of all payments made and return of all goods traded in to the seller on account of or in contemplation of the contract, or if such goods cannot be returned, the value thereof. Any acknowledgment by the buyer of delivery of a copy of the contract shall be in a size equal to at least 10 point bold type and, if contained in the contract, shall appear directly above the buyer's signature.

(d) The contract shall contain the names of the seller and the buyer, *if an indirect loan, or the names of the sales finance company and the buyer, if a direct loan;* the place of business of the seller, *if an indirect loan, or the sales finance company, if a direct loan,* the legal residence or place of business of the buyer as specified by the buyer and, *for an indirect loan,* a description of the motor vehicle including its make, year model, model and identification numbers or marks. *For a direct loan, the sales finance company shall retain in the loan file a copy of the purchase and sales agreement between the buyer and the seller that contains a description of the motor vehicle that is substantially similar to the description required in the contract for an indirect loan.*

16 Time Balance Installments. Amend RSA 361-A:7, II(h) to read as follows:

(h) The time balance, which is the sum of (f) and (g), payable in installments by the buyer ~~to the seller~~, the number of installments, the amount of each installment and the due date or period thereof.

17 Requirements; Insurance. Amend RSA 361-A:7, III to read as follows:

III. The amount, if any, included for insurance, which may be purchased by *or protects* the holder of the retail installment contract, shall not exceed the applicable premiums chargeable in accordance with the rates filed with the insurance commissioner. If dual interest insurance on the motor vehicle is purchased by the holder, ~~he~~ *the holder* shall, within 30 days after execution of the retail installment contract, send or cause to be sent to the buyer a policy or policies or certificate of insurance, written by an insurance company authorized to do business in this state, clearly setting forth the amount of the premium, the kind or kinds of insurance, the coverages and all the terms, exceptions, limitations, restrictions and conditions of the contract or contracts of insurance. The buyer shall have the privilege of purchasing ~~such~~ insurance from an agent or broker of ~~his~~ *the buyer's* own selection authorized by the insurance commissioner to do business in the state, but in such case the inclusion of the *dual interest* insurance premium in the retail installment contract shall be optional with the seller.

18 Prohibitions; Pyramiding of Delinquency or Collection Charges. Amend RSA 361-A:7, V to read as follows:

V. The holder may, if the contract so provides, collect a *single* delinquency and collection charge on each installment in default for a period not less than 10 days in an amount not in excess of 5 percent of ~~[each] the installment [or 6 percent per annum on the total unpaid balance, which ever is greater] in default.~~ In addition to such delinquency and collection charge, the contract may provide for the payment of reasonable attorneys' fees where such contract is referred for collection to an attorney not a salaried employee of the holder of the contract plus the court costs and the financier's out-of-pocket collection expenses. *The pyramiding of delinquency or the collection of unfair late charges as prohibited in Federal Reserve Regulation AA, 12 C.F.R. 227.15, as amended from time to time, is prohibited.*

19 Requirements; Retail Installment Contracts. Amend RSA 361-A:7, VII to read as follows:

VII. ~~[Upon]~~ *Within 5 business days of receipt of* written request from the buyer ~~[at reasonable intervals],~~ the holder of a retail installment contract shall give or forward to the buyer a written statement of the dates and amounts of payments ~~[and] or~~ the total amount unpaid under such contract, *or both, as specified in the request.* A buyer shall be given a written or stamped receipt for any payment when made in cash.

20 New Paragraph; Prohibitions; Retail Installment Contracts. Amend RSA 361-A:7 by inserting after paragraph VIII the following new paragraph:

IX. The following provisions are prohibited in retail installment contracts and shall not be enforceable:

(a) Any provision permitting the holder to waive the buyer's right to notice of default.

(b) Any provision permitting the holder to accelerate the principal balance under the contract for default for any cause other than:

(1) Non-payment of any amount due under the terms of the contract; or

(2) Failure to insure the vehicle which secures the contract against loss, if such insurance is required by the terms of the contract and except where the contract provides for the holder to purchase such insurance and collect the premiums for the insurance from the borrower.

(c) Any provisions permitting the holder to:

(1) Declare the note in default prior to 10 days following failure to make any installment payment due; or

(2) Add any charge for vehicle repairs to the principal balance of the contract after the contract has been executed; or

(3) Assess a prepayment penalty on a contract with a term of less than 6 years.

21 Direct Loans by Sales Finance Companies. Amend RSA 361-A:7-a to read as follows:

361-A:7-a Direct Loans by Sales Finance Companies. The provisions of RSA 361-A:7 shall apply to a sales finance company which provides direct loans to retail buyers for the purchase of motor vehicles from retail sellers, *except RSA 361-A:7, I and II shall not apply to savings banks, trust companies, credit unions, cooperative banks or industrial banks which do not act as sellers, but provide direct loans to retail buyers and supply a disclosure statement in conformity with Federal Reserve Board Regulation Z Truth-in-Lending, 12 C.F.R. 226, as amended from time to time.*

22 Penalties. Amend RSA 361-A:11, III to read as follows:

III. Any person violating the provisions of RSA 361-A:7 or RSA 361-A:8 *or engaging in the business of a sales finance company without a license if a license is required under this chapter* shall be barred from recovering any finance charge, delinquency, or collection charge on the contract. *Where no finance charge is payable under the terms of the contract, a person engaging in the business of a sales finance company without a license shall be barred from recovering any amount in excess of the wholesale market value of the vehicle, if the vehicle was purchased by the seller at a wholesale auction or other wholesale outlet, or the trade-in value of the vehicle if the seller acquired the vehicle in trade. Such value shall be that quoted for New Hampshire or the New England region in a value quotation publication generally recognized by the motor vehicle industry and as specified by the commissioner in rules adopted pursuant to RSA 541-A.*

23 Effective Date.

I. Sections 2, 6, and 9 of this act shall take effect January 1, 1998.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill changes certain definitions under RSA 361-A, relative to regulation of sales finance companies and retail sellers. The bill also increases penalties for failure to comply with this chapter and changes the requirements and prohibitions for retail installment contracts. The bill also makes the bank commissioner's rulemaking authority under this chapter discretionary rather than mandatory.

HB 483, relative to regulation of securities OUGHT TO PASS WITH AMENDMENT

Rep. David T. Mittelman for Commerce: The bill as amended makes certain technical changes to New Hampshire securities laws. Its more significant provisions include 1) a limited exemption for Canadian broker-dealers doing business with resident Canadian citizens, and 2) allowing the Bureau of Securities Regulation to deny, suspend, or revoke the license of any individual who has violated securities laws. Vote 13-0.

Amendment (0583h)

Amend the bill by replacing all after the enacting clause with the following:

1 Definition; "Branch Office." Amend RSA 421-B:2, IV-a to read as follows:

IV-a. "Branch office" means any ~~[office to which a broker-dealer directly or indirectly contributes to a substantial portion of the operating expenses and which is utilized by any person associated with the broker-dealer who is engaged in the investment banking or securities business, whether it be a commercial office space or residence, or an office for which the broker-dealer authorizes a listing in any publication or any other media, including a professional dealer's digest or a telephone directory, which listing designates a place as an office or if the broker-dealer designates any such place with any organization as an office]~~ *location other than the main office, identified by any means to issuers, other broker-dealers or investment advisers or to the public, customers, or clients as a location at which a broker-dealer or investment adviser conducts a securities or investment advisory business. "Branch office" shall not include:*

(a) A location identified solely in a telephone directory line listing or on a business card or letterhead if:

(1) The listing, card or letterhead also sets forth the address and telephone number of a New Hampshire office of the broker-dealer or investment adviser from which individuals conducting business from such identified location are directly supervised; and

(2) No more than one agent or investment adviser agent transacts business on behalf of the broker-dealer or investment adviser from such identified location; or

(b) Any other location not within the intent of this paragraph as the secretary of state may determine.

2 New Paragraph; Limited Licensing of Canadian Broker Dealers Doing Business with Canadian Citizens in New Hampshire. Amend RSA 421-B:6 by inserting after paragraph VII the following new paragraph:

VIII.(a) A broker-dealer that is resident in Canada and has no office or other physical presence in this state may, provided the broker-dealer is licensed in accordance with this section, effect transactions in securities with or for, or induce or attempt to induce the purchase or sale of any security by:

(1) A person from Canada who is temporarily resident in this state, with whom the Canadian broker-dealer had a bona fide broker-dealer-client relationship before the person entered the United States; or

(2) A person from Canada who is resident in this state, whose transactions are in a self-directed tax advantaged retirement plan in Canada of which the person is the holder or contributor.

(b) An agent who will be representing a Canadian broker-dealer licensed under this section may, provided the agent is licensed in accordance with this section, effect transactions in securities in this state as permitted for the broker-dealer in subparagraph (a).

(c) A Canadian broker-dealer may become licensed under this section, provided that the broker-dealer:

(1) Files an application in the form required by the jurisdiction in which it has its head office;

(2) Files a consent to service of process;

(3) Is registered as a broker or dealer in good standing in the jurisdiction from which it is effecting transactions into this state and files evidence thereof; and

(4) Is a member of a self-regulatory organization or stock exchange in Canada.

(d) An agent who will be representing a Canadian broker-dealer licensed under this section in effecting transactions in securities in this state may become licensed under this section, provided that the agent:

(1) Files an application in the form required by the jurisdiction in which the broker-dealer has its head office;

(2) Files a consent to service of process; and

(3) Is registered in good standing in the jurisdiction from which he or she is effecting transactions into this state and files evidence thereof.

(e) If no denial order is in effect and no proceeding is pending under this chapter, the license becomes effective on the thirtieth day after an application is filed unless earlier made effective.

(f) A Canadian broker-dealer licensed under this section shall:

(1) Maintain its provincial or territorial registration and its membership in a self-regulatory organization or stock exchange in good standing;

(2) Provide the secretary of state upon request with its books and records relating to its business in this state as a broker-dealer;

(3) Inform the secretary of state forthwith of any criminal action taken against the broker-dealer or its agent or of any finding or sanction imposed on the broker-dealer as a result of any self-regulatory or regulatory action involving fraud, theft, deceit, misrepresentation, or similar conduct; and

(4) Disclose to its clients in the state that the broker-dealer and its agents are not subject to the full regulatory requirements in this chapter.

(g) An agent of a Canadian broker-dealer licensed under this section shall:

(1) Maintain his or her provincial or territorial registration in good standing;

(2) Inform the secretary of state forthwith of any criminal action, taken against him or her, or of any finding or sanction imposed on the agent as a result of any self-regulatory or regulatory action involving fraud, theft, deceit, misrepresentation, or similar conduct.

(h) Renewal applications for Canadian broker-dealers and agents under this section shall be filed before December 1 each year and may be made by filing the most recent renewal application, if any, filed in the jurisdiction in which the broker-dealer has its head office, or if no such renewal application is required, the most recent application filed pursuant to subparagraph (c)(1) or subparagraph (d)(1), as the case may be.

(i) Every applicant for a license or renewal of a license under this section shall pay the fee for broker-dealers and agents as required under RSA 421-B:31.

(j) A Canadian broker-dealer or agent licensed under this section shall only effect transactions in this state

(1) As permitted in subparagraph (a) or (b);

(2) With or through (i) the issuers of the securities involved in the transactions, (ii) other broker-dealers, and (iii) banks, savings institutions, trust companies, insurance companies, investment companies as defined in the Investment Company Act of 1940, pension or profit-sharing trusts or other financial institutions or institutional buyers, whether acting for themselves or as trustees; and

(3) As otherwise permitted by this chapter.

(k) A Canadian broker-dealer or agent licensed under this section and acting in accordance with the limitations set out in subparagraph (j) is exempt from all of the requirements of this chapter, except the anti-fraud provisions and the requirements set out in this section. Such Canadian broker-dealer or agent may only have its license under this section denied, suspended or revoked for a breach of the anti-fraud provisions of this chapter or the requirements in this section.

3 New Paragraph; Limited Licenses for Certain Broker-Dealers. Amend RSA 421-B:7 by inserting after paragraph II the following new paragraph:

II-a. The secretary of state may issue a limited license to a broker-dealer whose license is similarly restricted by the National Association of Securities Dealers.

4 Examination of Investment Adviser Offices. Amend RSA 421-B:9, I to read as follows:

I. For the purpose of determining the financial condition, fulfillment of its contractual obligations, and compliance with the law, whenever the secretary of state shall deem it expedient, he shall examine, either in person or by some examiner duly authorized by him the affairs, transactions, accounts, records, documents, and assets of each licensed broker-dealer, investment adviser, or issuer-dealer as to any matter relevant to the financial affairs or obligations of the broker-dealer,

investment adviser, or issuer-dealer or any other fact relative to its business methods, management and its dealings with clients, as often and to the extent he deems advisable. Except as otherwise provided, he shall examine each domestic broker-dealer, *investment adviser*, or issuer-dealer and domestic branches of foreign broker-dealers or ~~issuer-dealers~~ *investment advisers* at least once every 4 years. Examination of an alien broker-dealer, investment adviser, or issuer-dealer shall be limited to its broker-dealer, investment adviser, or issuer-dealer transactions, assets, trust deposits, and affairs in the United States except as otherwise required by the secretary of state.

(a) The secretary of state shall in like manner examine each broker-dealer, investment adviser, or issuer-dealer applying for an initial license to transact securities business in this state.

(b) In lieu of making his own examination, the secretary of state may, in his discretion, accept a full report of the most recent examination of a foreign or alien broker-dealer, investment adviser, or issuer-dealer certified to by the securities supervisory official of another state or by the Securities Exchange Commission, or the National Association of Securities Dealers.

(c) ~~[As far as practical, the examination of a foreign or alien broker-dealer, investment adviser, or issuer-dealer shall be made in cooperation with the Securities Exchange Commission, the National Association of Securities Dealers and the securities supervisory officials of other states in which the broker-dealer, investment adviser, or issuer-dealer transacts business.]~~ *For the purpose of avoiding unnecessary duplication of examinations, the secretary of state, insofar as he deems it practicable in administering this section, may cooperate with the securities administrators of other states, the Securities and Exchange Commission and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.*

5 Securities Violations in Other States or Provinces. Amend RSA 421-B:10, I(b)(2) to read as follows:

(2) Has willfully violated or failed to comply with any provision of this title or a predecessor law, *or of any other state's or Canadian province's securities laws*, or the Securities Act of 1933, the Securities Exchange Act of 1934, the Investment Advisers Act of 1940, the Investment Company Act of 1940, or any rule under any of such statutes, or any order thereunder of which he has notice and to which he is subject;

6 "Preliminarily" Added. Amend RSA 421-B:10, I(b)(4) to read as follows:

(4) Is permanently, *preliminarily*, or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;

7 New Subparagraph; Order by Another State. Amend RSA 421-B:10, I(b) by inserting after subparagraph (5) the following new subparagraph:

(5-a) Is the subject of an adjudication or order entered after notice and opportunity for hearing by an administrator of another state, federal agency, or Canadian province that reflects that person has violated the securities laws of another state or Canadian province.

8 Misdemeanor and Felony Convictions Included. Amend RSA 421-B:10, I(b)(6) to read as follows:

(6) Is the subject of an order entered within the past 5 years by the securities administrator of any other state or by the Securities and Exchange Commission denying, *suspending*, or revoking licenses or registration as a broker-dealer, issuer-dealer, agent, or investment adviser, or the substantial equivalent of those terms, or is the subject of an order of the Securities and Exchange Commission suspending or expelling him from a national securities exchange or national securities association registered under the Securities Exchange Act of 1934 or is the subject of a United States Postal Service fraud order *or has been convicted within the past 10 years of any misdemeanor involving a security or any aspect of the securities business, or any felony which has not been annulled by a court*;

9 Process for Order to Show Cause. Amend RSA 421-B:10, III to read as follows:

III. The secretary of state may issue an order requiring the person to whom any license has been granted to show cause why the license should not be revoked. The order shall be calculated to give reasonable notice of the time and place for the revocation hearing, and shall state the reasons for the issuance of the order. The secretary of state may by order summarily postpone or suspend any license pending final determination of any order to show cause, or of any other proceeding under this section, provided he finds that the public interest would be irreparably harmed by delay in issuing such order. Upon the entry of the order, the secretary of state shall promptly

notify the applicant or licensee, as well as the employer or prospective employer if the applicant or licensee is an agent, that it has been entered and of the reasons for the order and that within 10 days after the receipt of a written request the matter will be set down for hearing. ~~[If no hearing is requested and none is ordered by the secretary of state, the order will remain in effect until it is modified or vacated by the secretary of state.]~~ *If the person to whom an order to show cause is issued fails to request a hearing within 30 days of receipt of such order, and none is ordered by the secretary of state, then such person shall be deemed in default, and the order shall, on the thirty-first day, become permanent, and shall remain in full force and effect until and unless later modified or vacated by the secretary of state, for good cause shown.* If a hearing is requested or ordered, the secretary of state, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

10 Addendum Requirements. Amend the introductory paragraph to RSA 421-B:11, II to read as follows:

II. Before the secretary of state may accept (1) articles of incorporation for a new corporation under RSA 293-A, an application for a certificate of authority *for a foreign corporation* under RSA 293-A, (2) a certificate of limited partnership for a new limited partnership *or an application for registration of a foreign limited partnership* under RSA 304-B, (3) a certificate of formation for a new limited liability company or an application for ~~[regulation]~~ *registration* as a foreign limited liability company under RSA 304-C, *or* (4) *an application for* registration of a registered limited liability partnership or a notice of registration of a foreign registered limited liability partnership under RSA 304-A, *for an application for registration of a foreign partnership under RSA 305-A* the following requirements shall be met:

11 Correction to Addendum Requirement. Amend RSA 421-B:11, II(b) to read as follows:

(b) The statement shall be signed by the incorporators of a corporation to be formed, by an executive officer of an existing corporation, by the general partners or intended general partners if a limited partnership, by one or more members or managers authorized to do so if a limited liability company, or *by* one or more partners authorized to do so if a registered limited liability partnership or foreign registered limited liability partnership.

12 Annual Reporting Requirements for Registered Securities. Amend RSA 421-B:15, II-a to read as follows:

II-a. Every corporation and partnership having securities registered in this state shall, within ~~[90]~~ *120* days after the close of its fiscal year, file with the secretary of state annually a financial statement audited and certified by an independent certified public accountant. The audited statement shall be prepared in accordance with generally accepted accounting principles and such other standards as the secretary of state shall adopt by rule. Issuers of securities registered under this chapter shall also provide quarterly financial reports within 60 days of the end of each quarter to their shareholders, partners, and ~~[the secretary of state, except that issuers of open-end mutual funds shall provide such reports on a semi-annual basis]~~ *members*. Such quarterly reports need not be independently audited. *The secretary of state may extend the time for filing such statement for good cause shown.*

13 Exemptions. Amend the introductory paragraph of RSA 421-B:17, I to read as follows:

I. The following securities are exempted from RSA 421-B:11, and RSA 421-B:18, I:

14 New Subparagraph; Exemption. Amend RSA 421-B:17, I(m) to read as follows:

(m) Any security issued by any person organized and operated not for private profit but exclusively for religious, educational, benevolent, charitable, fraternal, social, athletic, or reformatory purposes, or as a chamber of commerce or trade or professional association[-];

(n) Any security designated by rule or order by the secretary of state after a finding that the designation is consistent with the purposes fairly intended by the policy and provisions of this title.

15 Exemptions. Amend the introductory paragraph of RSA 421-B:17, II to read as follows:

II. The following transactions are exempted from RSA 421-B:11 and RSA 421-B:18, I:

16 Cross-Reference Correction. Amend RSA 421-B:17, II(h)(3)(ix) to read as follows:

(ix) A Form U-4 as prepared by the National Association of Securities Dealers and the Securities and Exchange Commission for each officer or director who will be effecting transactions in New Hampshire pursuant to RSA 421-B:2, ~~[H(d)]~~ *II(e)*;

17 Typographical Error Correction. Amend RSA 421-B:17, II(I) to read as follows:

(i) Any offer, but not a sale, ~~[or]~~ of a security for which a registration statement has been filed under both this chapter and the Securities Act of 1933, if no stop order or refusal order is in effect and no public proceeding or examination looking toward such an order is pending under either act; and any offer of a security if the sale of such security is or would be exempt under this section. The secretary of state may by rule or order exempt such other offers, but not sales, of securities for which a registration statement has been filed, consistent with the purposes of this chapter.

18 New Subparagraph; Exemption. Amend RSA 421-B:17, II by inserting after subparagraph (s) the following new subparagraph:

(t) Any security designated by rule or order by the secretary of state after a finding that the designation is consistent with the purposes fairly intended by the policy and provisions of this title.

19 Withdrawal of Abandoned Exemption Filings. Amend RSA 421-B:17, III to read as follow:

III. The secretary of state may issue an order requiring any person who claims the benefit of an exemption with respect to a specific security or transaction, to show cause why the exemption should not be revoked. The order shall be calculated to give reasonable notice of the time and place for the revocation hearing, and shall state the reasons for the entry of the order. The secretary of state may by order summarily suspend, deny or revoke an exemption pending final determination of any order to show cause, provided the secretary of state finds the public interest will be irreparably harmed by delay in issuing such an order. If an exemption is denied, revoked or suspended pending final determination of an order to show cause, a hearing on the merits shall be held within 10 days of the issuance. *The secretary of state may deem abandoned and withdraw any filing made pursuant to this section, if any person fails to respond in writing within 180 days, to a written request from the secretary of state requesting a response, such request having been sent via certified mail to the last known address of the person making the filing.*

20 Administrative Penalty; Investor Education. Amend RSA 421-B:26, III and III-a to read as follows:

III. Any person who, either knowingly or negligently, violates any provisions of ~~[RSA 421-B:3, 421-B:4, 421-B:5, 421-B:6, 421-B:11, 421-B:19, or 421-B:23]~~ *this chapter* may, upon hearing, and in addition to any other penalty provided for by law, be subject to such suspension, revocation or denial of any registration or license, including the forfeiture of any application fee, or an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and such administrative action or fine may be imposed in addition to any criminal penalties imposed pursuant to RSA 421-B:24 or civil liabilities imposed pursuant to RSA 421-B:25.

III-a. Every person who directly or indirectly controls a person liable under paragraph I ~~[or]~~, II, *or III* every partner, principal executive officer, or director of such person, every person occupying a similar status or performing a similar function, every employee of such person who materially aids in the act or transaction constituting the violation, and every broker-dealer or agent who materially aids in the acts or transactions constituting the violation, either knowingly or negligently, ~~[violates any provisions of RSA 421-B:3, 421-B:4, 421-B:5, 421-B:6, 421-B:11, 421-B:19, or 421-B:23]~~ may, upon hearing, and in addition to any other penalty provided for by law, be subject to such suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and such administrative action or fine may be imposed in addition to any criminal penalties imposed pursuant to RSA 421-B:24 or civil liabilities imposed pursuant to RSA 421-B:25. No person shall be liable under this paragraph who shall sustain the burden of proof that such person did not know, and in the exercise of reasonable care could not have known, of the existence of facts by reason of which the liability is alleged to exist.

21 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows for limited licensing of Canadian broker-dealers and their agents conducting business with Canadian citizens who reside in New Hampshire.

The bill allows the bureau of securities regulation to deny, suspend, or revoke any license or to deny a license application if the licensee or applicant (1) has violate another state's or Canadian province's securities laws; (2) has been preliminarily enjoined by any court from any securities activity; (3) has been convicted of securities-related misdemeanors or any felonies; (4) is subject to an order of another state, federal agency, or Canadian province.

The bill requires a person to request an administrative hearing on a securities license revocation within 30 days of receipt of a show cause order. The bill requires addendum filings for foreign limited partnerships and changes the definition of "branch offices" of broker-dealers and investment advisors.

The bill also makes technical corrections and clarifications throughout RSA 421-B.

This bill was requested by the bureau of securities regulation, department of state.

HB 487, relative to the distribution of tobacco products. **INEXPEDIENT TO LEGISLATE**
Rep. Keith R. Herman for Commerce: This is another one in a series of smoking related bills. Although the committee recommends this bill ITL, the committee has committed to take up the issue of tobacco coupon distribution in one of the re-referred smoking bills. This recommendation had unanimous, bi-partisan support. Vote 12-0.

HB 492, relative to the refund of unused insurance premiums for insurance policies sold by motor vehicle dealers. **INEXPEDIENT TO LEGISLATE**

Rep. Richard H. Krueger for Commerce: Under current law, the lien holder must return the unused portion of credit life and disability insurance within 30 days from date of notification. The problem that a constituent had is not at all common in the industry. The individual for whom this bill was proposed might well be advised to review his administrative procedures with the NH Insurance Department. Vote 14-0

HB 505, revising provisions relative to smoking in indoor public places **RE-REFER TO COMMITTEE**

Rep. Richard H. Krueger for Commerce: This bill has brought up many valid new issues including changes upon existing statutes, and it is felt further investigation and study is warranted. In addition, there are issues on several other bills that the committee voted ITL which will be incorporated in our discussion of this bill. Vote 13-1.

HB 508, relative to mandatory automobile insurance **INEXPEDIENT TO LEGISLATE**

Rep. Richard H. Krueger for Commerce: New Hampshire consistently remained among the top five states with the lowest number of uninsured motorists. We have achieved this record without the increased cost of a bureaucracy which would be passed on to the consumer and not reduce the number of uninsured motorists on the road in any measurable way. A large percentage of uninsured motorists involved in accidents are from other states which have their own forms of mandatory insurance. There is a small segment within the uninsured who are the working poor for whom mandatory insurance would severely impact their ability to survive in the job market until they can improve their lot. That the number of uninsured motorists would be reduced is statistically doubtful, but that the cost of auto insurance will rise as it has in other states is a surety. Vote 13-1.

HB 511-FN-L, requiring health insurers to provide coverage for certain supplies and services necessary in the treatment of diabetes. **OUGHT TO PASS WITH AMENDMENT**

Rep. Toni M. Crosby for Commerce: This bill, as amended, provides coverage for diabetes supplies, services and education to aid in the diabetics self-treatment. Additionally, the committee wants to send a clear message to the insurance industry regarding coverage for those New Hampshire citizens with diabetes. It has long been recognized that training diabetics to correctly monitor the disease and providing them with the necessary supplies greatly reduces the costs of diabetes treatment. Vote 13-0.

Amendment (0677h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring health insurers to provide coverage for certain supplies, services, and education necessary in the treatment of diabetes.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Individual Policies; Accident and Health Insurance. Amend RSA 415 by inserting after section 6-d the following new section:

415:6-e Coverage for Diabetes Services and Supplies. Each insurer that issues or renews any individual policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses, shall provide to certificate holders of such insurance, who are residents of

this state, coverage for medically appropriate and necessary outpatient self-management training and educational services, pursuant to a written order of a primary care physician or practitioner, including but not limited to medical nutrition therapy for the treatment of diabetes, provided by a certified, registered or licensed health care professional with expertise in diabetes, subject to the terms and conditions of the policy. Each insurer that issues or renews any individual policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses which provides a prescription rider shall cover medically appropriate or necessary insulin, oral agents and equipment used to treat diabetes subject to the terms and conditions of the policy. Each insurer that issues or renews any individual policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses which provides for durable medical equipment coverage shall provide coverage for medically appropriate or necessary equipment used to treat diabetes subject to the terms and conditions of the policy.

2 New Section; Group Policies; Accident and Health Insurance. Amend RSA 415 by inserting after section 18-e the following new section:

415:18-f Coverage for Diabetes Services and Supplies. Each insurer that issues or renews any policy, plan or contract of group or blanket accident or health insurance providing benefits for medical or hospital expenses, shall provide each group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state, coverage for medically appropriate and necessary outpatient self-management training and educational services, pursuant to a written order of a primary care physician or practitioner, including but not limited to medical nutrition therapy for the treatment of diabetes, provided by a certified, registered or licensed health care professional with expertise in diabetes, subject to the terms and conditions of the policy. Each insurer that issues or renews any group or blanket policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses which provides a prescription rider shall cover medically appropriate or necessary insulin, oral agents and equipment used to treat diabetes subject to the terms and conditions of the policy. Each insurer that issues or renews any group or blanket policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses which provides for durable medical equipment coverage shall provide coverage for medically appropriate or necessary equipment used to treat diabetes subject to the terms and conditions of the policy.

3 New Section; Hospital Service Corporations. Amend RSA 419 by inserting after section 5-f the following new section:

419:5-g Coverage for Diabetes Services and Supplies. Every hospital service corporation and every similar corporation licensed under the laws of another state that issues or renews any policy, plan, or contract of individual or group or blanket accident or health insurance providing benefits for medical or hospital expenses, shall provide to each individual or group or to the portion of each group comprised of certificate holders of such insurance who are residents of this state, coverage for medically appropriate and necessary outpatient self-management training and educational services, pursuant to a written order of a primary care physician or practitioner, including but not limited to medical nutrition therapy for the treatment of diabetes, provided by a certified, registered or licensed health care professional with expertise in diabetes, subject to the terms and conditions of the policy. Each hospital service corporation that issues or renews any individual or group or blanket policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses which provides a prescription rider shall cover medically appropriate or necessary insulin, oral agents and equipment used to treat diabetes subject to the terms and conditions of the policy. Each hospital service corporation that issues or renews any individual or group or blanket policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses which provides for durable medical equipment coverage shall provide coverage for medically appropriate or necessary equipment used to treat diabetes subject to the terms and conditions of the policy.

4 New Section; Medical Service Corporations. Amend RSA 420 by inserting after section 5-g the following new section:

420:5-h Coverage for Diabetes Services and Supplies. Every medical service corporation and every other similar corporation licensed under the laws of another state that issues or renews any policy plan, or contract of individual or group or blanket accident or health insurance providing benefits for medical or hospital expenses, shall provide to each individual or group, or to the por-

tion of each group comprised of certificate holders of such insurance who are residents of this state, coverage for the medically appropriate and necessary outpatient self-management training and educational services, pursuant to a written order of a primary care physician or practitioner, including but not limited to medical nutrition therapy for the treatment of diabetes, provided by a certified, registered or licensed health care professional with expertise in diabetes, subject to the terms and conditions of the policy. Each medical service corporation that issues or renews any individual or group or blanket policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses which provides a prescription rider shall cover medically appropriate or necessary insulin, oral agents and equipment used to treat diabetes subject to the terms and conditions of the policy. Each health maintenance organization that issues or renews any individual or group or blanket policy, plan, or contract of accident or health insurance providing benefits for medical or hospital expenses which provides for durable medical equipment coverage shall provide coverage for medically appropriate or necessary equipment used to treat diabetes subject to the terms and conditions of the policy.

7 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill requires health insurers, hospital service corporations, medical service corporations, nonprofit health service corporations, and health maintenance organizations to cover certain supplies, services, and education necessary in the treatment of diabetes.

HB 580-FN, requiring that loans for purposes of purchasing manufactured housing be considered mortgages **OUGHT TO PASS WITH AMENDMENT**

Rep. Dennis P. Vachon for Commerce: The bill is intended to provide local tax collectors with the information they need to properly lien and foreclose on tax liens when the real estate involves manufactured housing. The amended bill accomplishes this without unnecessarily interfering with current options available to financial institutions in securing loans with manufactured housing units. Vote 11-2.

Amendment (0502h)

Amend the bill by replacing the title with the following:

AN ACT providing that the proper place for filing security interests on manufactured housing is in the office where mortgages or real estate are filed or recorded.

Amend the bill by replacing all after the enacting clause with the following:

1 Place for Filing Security Interests on Manufactured Housing. Amend RSA 382-A:9-401(1)(b) to read as follows:

(b) when the collateral is timber to be cut or is minerals or the like (including oil and gas), ~~or~~ accounts subject to subsection (5) of Section 9-103, *or manufactured housing as defined in RSA 674:31*, or when the financing statement is filed as a fixture filing (Section 9-313) and the collateral is goods which are or are to become fixtures, then in the office where a mortgage on the real estate would be filed or recorded;

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that in order to perfect a security interest on manufactured housing, it should be filed in the office where a mortgage on the real estate would be filed or recorded.

HB 594-FN-L, exempting towns and cities from paying condominium fees when condominium units are taken for nonpayment of taxes. **RE-REFER TO COMMITTEE**

Rep. Tara G. Reardon for Commerce: The subcommittee felt that more time is necessary to consider the variations among timeshares, commercial and residential condominiums, overlapping of issues with HB 701 and a review of RSA 356-B requirements. Vote 13-0.

HB 611-FN, making state securities laws comply with the National Securities Market Improvement Act. **OUGHT TO PASS WITH AMENDMENT**

Rep. David T. Mittelman for Commerce: This bill as amended represents New Hampshire's response to the National Securities Markets Improvement Act (NSMIA), enacted by congress last October. Among its significant provisions, NSMIA pre-empted most state laws regulating investment companies (i.e., mutual funds) and investment company advisers (i.e., mutual fund managers). The goal of HB 611 is to conform New Hampshire's statutes to federal law where necessary and retain state oversight of the mutual fund industry where possible. In so doing, this bill not only protects New Hampshire investors from fraudulent activity, but is also protects the more than \$8,000,000 in revenue that flows to the New Hampshire general fund by way of licensing fees and penalty assessments. Vote 15-0.

Amendment (0727h)

Amend the bill by replacing all after the enacting clause with the following:

1 Definition; Agent. Amend the introductory paragraph of RSA 421-B:2, II to read as follows:

II. "Agent" means any individual, other than a broker-dealer, issuer or issuer-dealer, who represents a broker-dealer, issuer or issuer-dealer in effecting or attempting to effect purchases or sales of securities or an individual other than an investment adviser who represents an investment adviser by providing investment advice *or who is an investment adviser representative*. "Agent" does not include an individual who represents an issuer in:

2 New Paragraph; Definition; Covered Security. Amend RSA 421-B:2 by inserting after paragraph IV-b the following new paragraph:

IV-c. "Covered security" means a security identified as a covered security under section 18(b) of the Securities Act of 1933 or rules or regulations promulgated thereunder.

3 New Paragraphs; Definitions; Federal Covered Adviser and Federal Covered Security. Amend RSA 421-B:2 by inserting after paragraph V-c the following new paragraphs:

V-d. "Federal covered adviser" means a person who is (i) registered under section 203 of the Investment Advisers Act of 1940; or (ii) is excluded from the definition of "investment adviser" under section 202(a)(11) of the Investment Advisers Act of 1940.

V-e. "Federal covered security" means any security that is a covered security, except that a covered security for which a filing or fee has not been submitted as required by this chapter shall not be a federal covered security.

4 Definitions; Investment Advisor; Investment Advisory Contract. Amend RSA 421-B:2, IX to read as follows:

IX. "Investment adviser" means any person who, for compensation, engages in the business of advising others, either directly or through publications or writings, as to the value of securities, or other investments, or as to the advisability of investing in, purchasing or selling securities, or as to the advisability of making other investments, or who, for compensation and as a part of a regular business, issues or promulgates analyses or reports concerning securities, or other investments. *"Investment adviser" also includes financial planners and other persons who, as an integral component of other financially related services, provide the foregoing investment advisory services to others for compensation and as part of a business or who hold themselves out as providing the foregoing investment advisory services to others for compensation.* "Investment adviser" does not include:

- (a) A bank, savings institution or trust company;
- (b) A lawyer, accountant, engineer or teacher whose performance of these services is solely incidental to the practice of ~~his~~ *the* profession;
- (c) A broker-dealer whose performance of these services is solely incidental to the conduct of ~~his~~ business as a broker-dealer and who receives no special compensation for them;
- (d) A publisher of any bona fide newspaper, news magazine or business or financial publication of general, regular, and paid circulation;
- (e) A person whose advice, analyses, or reports relate only to securities exempted by RSA 421-B:17, I(a);
- (f) A person who has no place of business in this state if ~~his~~ *the person's* only clients in this state are other investment advisers, *federal covered advisors*, broker-dealers or persons to whom sales are exempted under RSA 421-B:17, II(g);
- (g) A person who transacts business in the field of insurance, provided such business is solely and exclusively in the field of insurance;
- (h) Any real estate broker who does not promote or sell any interest in any limited partnership;
- (i) *Any person that is a federal covered adviser;*
- (j) *A person who has no place of business in this state and who, during the preceding 12 month period, has had not more than 5 clients, other than those specified in subparagraph (f), who are residents of this state;*
- (k) Such other persons not within the intent of this paragraph as the secretary of state may by rule or order designate.

5 New Paragraph; Investment Adviser Representative. Amend RSA 421-B:2, IX-a to read as follows:

IX-a. *"Investment adviser representative" means any partner, officer, director of, or a person occupying a similar status or performing similar functions, or other individual, except clerical or ministerial personnel, who is employed by or associated with an investment adviser that is licensed or required to be licensed under this chapter, or who has a place of business located in this state and is employed by or associated with a federal covered adviser; and who does any of the following:*

- (a) *Makes any recommendations or otherwise renders advice regarding securities or other investments;*
- (b) *Manages accounts or portfolios of clients;*

(c) Determines which recommendation or advice regarding securities or other investments should be given;

(d) Solicits, offers, or negotiates for the sale of or sells investment advisory services; or

(e) Supervises employees who perform any of the functions in subparagraphs (a)-(d).

IX-b. "Investment advisory contract" means any contract or agreement whereby a person agrees to act as an investment adviser or to manage any investment or trading account for a person other than an investment adviser as defined in RSA 421-B:2, IX.

6 New Paragraph; Definition; "NSMIA". Amend RSA 421-B:2 by inserting after paragraph XIV the following new paragraph:

XIV-a. "NSMIA" means the National Securities Improvement Act of 1996, or rules or regulations promulgated thereunder.

7 New Paragraphs; Definitions. Amend RSA 421-B:2, XV to read as follows:

XV. "*Open-end mutual fund*" means an open end management company as defined in the *Investment Company Act of 1940*.

XV-a. "Order" means an order issued pursuant to this chapter.

XV-b. "*Other investment company*" means a closed end management company, face amount certificate company, or unit investment trust as such terms are defined in the *Investment Company Act of 1940*.

8 New Paragraph; Definition; Federal Securities Laws. Amend RSA 421-B:2 by inserting after paragraph XIX-b the following new paragraph:

XIX-c. "Securities Act of 1933," "Securities Exchange Act of 1934," "Investment Advisers Act of 1940," and "Investment Company Act of 1940" mean the federal statutes of those names as amended before or after the effective date of this paragraph.

9 New Paragraphs; Investment Advisory Activities; Requirements and Prohibitions. Amend RSA 421-B:4 by inserting after paragraph III the following new paragraphs:

IV. It shall constitute a fraudulent, deceptive, or manipulative act, practice, or course of business within the meaning of paragraph I for any investment adviser who has custody or possession of any funds or securities in which any client has any beneficial interest, to do any act or take any action, directly or indirectly, with respect to any such funds or securities, unless:

(a) All such securities of each such client are segregated, marked to identify the particular client who has the beneficial interest therein, and held in safekeeping in some place reasonably free from risk of destruction or other loss; and

(b) All such funds of such clients are deposited in one or more bank accounts which contain only clients' funds, such account or accounts are maintained in the name of the investment adviser as agent or trustee for such clients, and the investment adviser maintains a separate record for each such account which shows the name and address of the bank where such account is maintained, the dates and amounts of deposits in and withdrawals from such account, and the exact amount of each client's beneficial interest in such account; and

(c) Such investment adviser, immediately after accepting custody or possession of such funds or securities from any client, notifies such client in writing of the place and manner in which such funds and securities will be maintained, and thereafter, if and when there is any change in the place or manner in which such funds or securities are being maintained, gives each such client written notice thereof; and

(d) Such investment adviser sends to each client, not less frequently than once every 3 months, an itemized statement showing the funds and securities in the custody or possession of the investment adviser at the end of such period, and all debits, credits, and transactions in such client's account during such period; and

(e)(1) All such funds and securities of clients are verified by actual examination at least once during each calendar year by an independent public accountant at a time that shall be chosen by such accountant without prior notice to the investment adviser. A certificate of such accountant stating that an examination of such funds and securities has been made, and describing the nature and extent of the examination, shall be attached to a completed Form ADV-E (17 CFR 279.8) and transmitted to the secretary of state promptly after each examination.

(2) Subparagraph IV(e)(1) shall not apply to an investment adviser also registered as a broker-dealer under section 15 of the Securities Exchange Act of 1934 if (i) such broker-dealer is subject to and in compliance with Rule 15c3-1 (Reg 240.15c3-1, 25,126) under the Securities

Exchange Act of 1934, or (ii) such broker-dealer is a member of an exchange whose members are exempt from Rule 15c3-1 (Reg. 240.15c3-1, 25,126) under the provisions of paragraph (b)(2) thereof, and such broker-dealer is in compliance with all rules and settled practices of such exchange imposing requirements with respect to financial responsibility and the segregation of funds or securities carried for the account of customers.

V. A person who is an investment adviser or a federal covered adviser is a fiduciary and has a duty to act primarily for the benefit of the person's clients. While the extent and nature of this duty varies according to the nature of the relationship between an investment adviser and the clients and the circumstances of each case, an investment adviser or a federal covered adviser shall not engage in unethical business practices which constitute violations of paragraph I, including the following:

(a) Recommending to a client to whom investment supervisory, management, or consulting services are provided the purchase, sale, or exchange of any security without reasonable grounds to believe that the recommendation is suitable for the client on the basis of information furnished by the client after reasonable inquiry concerning the client's investment objectives, financial situation and needs, and any other information known by the investment adviser.

(b) Exercising any discretionary power in placing an order for the purchase or sale of securities for a client without obtaining written discretionary authority from the client within 10 business days after the date of the first transaction placed pursuant to oral discretionary authority, unless the discretionary power relates solely to the price at which, or the time when, an order involving a definite amount of a specified security shall be executed, or both.

(c) Introducing trading in a client's account that is excessive in size or frequency in view of the financial resources, investment objectives, and character of the account in light of the fact that an adviser in such situations can directly benefit from the number of securities transactions effected in a client's account. This subparagraph appropriately forbids an excessive number of transaction orders to be induced by an adviser for a customer's account.

(d) Placing an order to purchase or sell a security for the account of a client without the authority to do so.

(e) Placing an order to purchase or sell a security for the account of a client upon instruction of a third party without first having obtained a written third party trading authorization from the client.

(f) Borrowing money or securities from a client unless a client is a broker-dealer, an affiliate of the investment adviser, or a financial institution engaged in the business of loaning funds.

(g) Loaning money to a client unless the investment adviser is a financial institution engaged in the business of loaning funds or the client is an affiliate of the investment adviser.

(h) To misrepresent to any advisory client, or prospective advisory client, the qualifications of the investment adviser or any employee of the investment adviser, or to misrepresent the nature of the advisory services being offered or fees to be charged for such service, or to omit to state a material fact necessary to make the statements made regarding qualifications, services or fees, in light of the circumstances under which they are made, not misleading.

(i) Providing a report or recommendation to any advisory client prepared by someone other than the adviser without disclosing that fact. This prohibition does not apply to a situation where the adviser uses published research reports or statistical analysis to render advice or where an adviser orders such a report in the normal course of providing service.

(j) Charging a client an unreasonable advisory fee.

(k) Failing to disclose to clients in writing before any advice is rendered any material conflict of interest relating to the adviser or any of its employees which could reasonably be expected to impair the rendering of unbiased and objective advice including:

(1) Compensation arrangements connected with advisory services to clients which are in addition to compensation from such clients or such services; and

(2) Charging a client an advisory fee for rendering advice when a commission for executing securities transactions pursuant to such advice will be received by the adviser or its employees.

(l) Guaranteeing a client that a specific result will be achieved such as gain or no loss, with advice which will be rendered.

(m) Publishing, circulating, or distributing any advertisement which does not comply with Rule 206(4)-1 under the Investment Advisers Act of 1940.

(n) Disclosing the identity, affairs, or investments of any client unless required by law to do so, or unless consented to by the client.

(o) Take any action, directly or indirectly, with respect to those securities or funds in which any client has any beneficial interest, where the investment adviser has custody or possession of such securities or funds when the adviser's action is subject to and does not comply with the requirements of Reg 206(4)-2 under the Investment Advisers Act of 1940.

(p) Entering into, extending, or renewing any investment adviser contract unless such contract is in writing and discloses, in substance, the services to be provided, the term of the contract, the advisory fee, the formula for computing the fee, the amount of prepaid fee to be returned in the event of contract termination or non-performance, whether the contract grants discretionary power to the adviser, and that no assignment of such contract shall be made by the investment adviser without the consent of the other party to the contract.

(q) Failing to establish, maintain, and enforce written policies and procedures reasonably designed to prevent the misuse of material nonpublic information in violation of section 204A of the Investment Advisers Act of 1940.

(r) Entering into, extending, or renewing any advisory contract which would violate section 205 of the Investment Advisers Act of 1940. This provision shall apply to all advisers registered or required to be registered under the Investment Advisers Act of 1940, notwithstanding whether such adviser would be exempt from federal registration pursuant to section 203(b) of the Investment Advisers Act of 1940.

(s) To indicate, in an advisory contract, any condition, stipulation, or provisions binding any person to waive compliance with any provision of this chapter or of the Investment Advisers Act of 1940 or any other practice that would violate section 215 of the Investment Advisers Act of 1940.

(t) Engaging in any act, practice, or course of business which is fraudulent, deceptive, or manipulative in contravention of section 206(4) of the Investment Advisers Act of 1940, notwithstanding the fact that such investment adviser is not registered or required to be registered under section 203 of the Investment Advisers Act of 1940.

(u) Engaging in conduct or any act, indirectly or through or by any other person, which would be unlawful for such person to do directly under the provisions of this chapter or any rule adopted under it.

The conduct set forth above is not inclusive. Engaging in other conduct such as nondisclosure, incomplete disclosure, or deceptive practices, shall be deemed an unethical business practice. The federal statutory and regulatory provisions referenced in this paragraph shall apply to investment advisers and federal covered advisers, regardless of whether the federal provision limits its application to advisers subject to federal registration.

10 Licensing Requirements. Amend RSA 421-B:6 to read as follows:

421-B:6 Licensing Requirements.

I. It is unlawful for any person to transact business in this state as a broker-dealer, issuer-dealer, investment adviser, or agent unless **[he] such person** is licensed under this chapter. *Except with respect to advisers whose only clients are those described in RSA 421-B:2, IX(f), it is unlawful for any federal covered adviser to conduct advisory business in this state unless such person complies with the provisions of RSA 421-B:7, I-a. An investment adviser representative is required to be licensed as an agent under this section, in addition to any agent license held as a representative of any broker-dealer.*

II. It is unlawful for any broker-dealer, issuer-dealer, and investment adviser to employ an agent unless the agent is licensed, *or for a federal covered adviser to employ, supervise, or associate with an investment adviser representative having a place of business located in this state, unless such investment adviser representative is licensed as an agent under this chapter, or is exempt from the licensing requirements.* Under this chapter, an agent's license is only in effect when such agent is associated with a particular broker-dealer, *investment adviser, federal covered adviser*, or a particular issuer. No agent shall at any time represent more than one broker-dealer or issuer-dealer, except that where broker-dealers *or issuer-dealers* affiliated by direct common control are licensed under this chapter, an agent may represent any such broker-dealer *or issuer-dealer*. When an agent begins or terminates those activities which make **[him] the person** an agent, the broker-dealer, issuer-dealer, and investment adviser shall promptly notify the secretary of state. *When an investment adviser representative begins or terminates employment with a federal covered adviser, the investment adviser representative shall promptly notify the secretary of state.*

III. All licenses for agents, broker-dealers, investment advisers, and issuer-dealers *or notice filings for federal covered advisers* shall expire every year on December 31.

IV. All licensed agents, broker-dealers, investment advisers, *federal covered advisers*, and issuer-dealers and any persons applying for such licenses shall be liable for the fees established pursuant to RSA 421-B:31.

V. Prior to opening a branch office, a broker-dealer, *or investment adviser* shall [notify] *send written notification directly to* the secretary of state of the location of the branch office, telephone number, name of the individual supervising the office, and any other pertinent information required by the secretary of state.

VI. The following sales of securities shall not constitute acts requiring licensure as a broker-dealer, issuer-dealer, or issuer-dealer agent:

(a) Sales of securities made pursuant to qualified pension plans, qualified profit-sharing plans, and dividend reinvestment plans.

(b) Sales of securities of a corporation to its officers, its directors, and sales made pursuant to RSA 421-B:17, I(h).

(c) Sales or distributions of securities to majority owned subsidiaries.

VII. The following sales of securities shall not constitute acts requiring licensure as an issuer-dealer: RSA 421-B:17, I(a); (b); (h); (i); (j); (k); and II(a); (b); (d); (e); (f); (g); (j); (k); (l); (m); (n); (o); (p)(1); and (q).

VIII. Under the provisions of NSMIA and this chapter, until October 11, 1999, if a federal covered adviser fails to or refuses to pay fees pursuant to RSA 421-B:31 prior to acting as a federal covered adviser in this state, such federal covered adviser shall be subject to penalties for conducting unlicensed investment advisory business, in addition to any other penalties provided for under this chapter, and licensure as an investment adviser of such federal covered adviser shall be required in this state.

11 New Paragraph; Licensing Procedure. Amend RSA 421-B:7 by inserting after paragraph I the following new paragraph:

I-a. Except with respect to federal covered advisers whose only clients are those described in RSA 421-B:2, IX(f), a federal covered adviser shall file with the secretary of state, prior to acting as a federal covered adviser in this state, a notice, which shall consist of a copy of the most recent complete Form ADV filed with the Securities and Exchange Commission, a Form U-2, and shall pay initial and annual fees in accordance with 421-B:31. Initial fees shall be paid before business is transacted in this state, and annual fees shall be paid on or before December 31 of the current year for the ensuing year. Federal covered advisers shall submit copies of all documents filed with the Securities and Exchange Commission pursuant to the securities laws within 10 business days of their submission to the Securities and Exchange Commission.

12 Licensing Procedures. RSA 421-B:7, III and IV are repealed and reenacted to read as follows:

III. The secretary of state may, by rule or order, require a minimum capital for broker-dealers, subject to the limitations of section 15 of the Securities Exchange Act of 1934, and establish minimum financial requirements for investment advisers, subject to the limitations of section 222 of the Investment Advisers Act of 1940, which may include different requirements for those investment advisers who maintain custody of clients' funds or securities or who have discretionary authority over such funds or securities and those investment advisers who do not.

IV. The secretary of state may require licensed broker-dealers, and investment advisers who have custody of or discretionary authority over client funds or securities, to post surety bonds in an amount determined by the secretary of state based upon the number of clients and the total assets under management of the investment adviser, and the disciplinary history of the investment adviser or broker-dealer, subject to the limitations of section 15 of the Securities Exchange Act of 1934 for broker-dealers, and section 222 of the Investment Advisers Act of 1940 for investment advisers, and may determine their conditions. Any appropriate deposit of cash or securities shall be accepted in lieu of any bond required. Every bond shall provide for suit thereon by any person who has a cause of action under RSA 421-B:25, and, if the secretary of state by rule or order requires, by any person who has a cause of action not arising under this chapter. Every bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within 6 years after the sale or other act upon which it is based.

13 Post-Licensing Provisions. Amend RSA 421-B:8, I to read as follows:

I. Every broker-dealer or issuer-dealer doing business in this state unless otherwise directed shall, within 60 days after the close of the fiscal year, make and transmit to the secretary of state a filing under oath of its chief managing officer showing or providing the financial statement, changes in management, changes in ownership, and any significant changes in the method of doing business for the preceding fiscal year, *except as provided by section 15 of the Securities Exchange Act of 1934 in the case of a broker-dealer, and section 222 of the Investment Advisers Act of 1940 in the case of an investment adviser*. Said filing shall include statements or periodic reports filed with any regulatory, state or federal authority or exchange if so directed by order or rule of the secretary of state.

14 New Paragraph; Corrections to Documents. Amend RSA 421-B:8 by inserting after paragraph IX the following new paragraph:

IX-a. If the information contained in any document filed with the secretary of state is or becomes inaccurate or incomplete in any material respect, the licensee or federal covered adviser shall file a correcting amendment promptly if the document is filed with respect to a licensee or when such amendment is required to be filed with the Securities and Exchange Commission if the document is filed with respect to a federal covered adviser, unless notification of the correction has been given under RSA 421-B:6, II.

15 New Paragraphs; Information; Books and Records Requirements; Other Requirements. Amend RSA 421-B:8 by inserting after paragraph X the following new paragraphs:

XI. With respect to investment advisers, the secretary of state may require that certain information be furnished or disseminated as necessary or appropriate in the public interest or for the protection of investors and advisory clients. To the extent determined by the secretary of state, in his discretion, information furnished to clients or prospective clients of an investment adviser that would be in compliance with the Investment Advisers Act of 1940 and the rules thereunder may be used in whole or partial satisfaction of this requirement.

XII.(a) Every licensed broker-dealer and investment adviser shall make and keep such accounts, correspondence, memoranda, papers, books, and other records as the secretary of state prescribes by rule or order, except as provided by section 15 of the Securities Exchange Act 1934 in the case of a broker-dealer, and section 222 of the Investment Advisers Act of 1940 in the case of an investment adviser. All records so required, shall be true and accurate, and shall be preserved for a period of not less than 6 years, the first 2 years in an easily accessible place and form, subject to the exceptions previously referenced in this section.

(b) Every broker-dealer licensed or required to be licensed under this chapter shall, at a minimum, make and keep true, accurate and current the following records:

(1) Unless otherwise provided by order of the Securities and Exchange Commission, each broker-dealer licensed or required to be licensed under this chapter shall make, maintain and preserve books and records in compliance with U.S. Securities and Exchange Commission rules 17a-3 (17 C.F.R. 240.17a-3 (1996)), 17a-4 (17 C.F.R. 240.17a-4 (1996)), 15c2-6 (17 C.F.R. 240.15c2-6 (1996)), and 15c2-11 (17 C.F.R. 240.15c2-11 (1996)).

(2) To the extent that the U.S. Securities and Exchange Commission promulgates changes to the above-referenced rules, broker-dealers in compliance with such rules as amended shall not be subject to enforcement action by the secretary of state for violation of this section to the extent that the violations results solely from the broker-dealer's compliance with the amended rule.

(c) Every investment adviser licensed or required to be licensed under this chapter shall make and keep true, accurate and current the following books, ledgers and records:

(1) A journal or journals, including cash receipts and disbursements records, and any other records of original entry forming the basis of entries in any ledger.

(2) General and auxiliary ledgers or other comparable records, reflecting asset, liability, reserve, capital, income, and expense accounts.

(3) A memorandum of each order given by the investment adviser for the purchase or sale of any security of any instruction received by the investment adviser from the client concerning the purchase, sale, receipt, or delivery of a particular security, and of any modification, or cancellation of any such order or instruction. Such memoranda shall show the terms and conditions of the order, instruction, modification, or cancellation; shall identify the person connected with the investment adviser who recommended the transaction to the client and the person who placed such order; and shall show the account for which entered, the date of entry, and the bank or broker-dealer by or through whom executed where appropriate. Orders entered pursuant to the exercise of discretionary power shall be so designated.

(4) All checkbooks, bank statements, canceled checks, and cash reconciliations of the investment adviser.

(5) All bills or statements (or copies thereof), paid or unpaid, relating to the business of the investment adviser as such.

(6) All trial balances, financial statements, and internal audit working papers relating to the business of such investment adviser.

(7) Originals of all written communications received and copies of all written communications sent by such investment adviser relating to (A) any recommendation made or proposed to be made and any advice given or proposed to be given, (B) any receipt, disbursement or delivery of funds or securities, or (C) the placing or execution of any order to purchase or sell any security; provided, however, (i) that the investment adviser shall not be required to keep any unsolicited market letters and other similar communications of general public distribution not prepared by or for the investment adviser, and (ii) that if the investment adviser sends any notice, circular or other advertisement offering any report, analysis, publication, or other investment advisory service to more than 10 persons, the investment adviser shall not be required to keep a record of the names and addresses of the persons to whom it was sent; except that if such notice, circular or advertisement is distributed to persons named on any list, the investment adviser shall retain with the copy of such notice, circular or advertisement, a memorandum describing the list and the source thereof.

(8) A list or other record of all accounts in which the investment adviser is vested with any discretionary power with respect to the funds, securities, or transactions of any client.

(9) All powers of attorney and other evidences of the granting of any discretionary authority by any client to the investment adviser, or copies thereof.

(10) All written agreements (or copies thereof) entered into by the investment adviser with any client or otherwise relating to the business of such investment adviser as such.

(11) A copy of each notice, circular, advertisement, newspaper article, investment letter, bulletin, or other communication that the investment adviser circulates or distributes, directly or indirectly, to 10 or more persons (other than persons connected with such investment adviser) and, if such notice, circular, advertisement, newspaper article, investment letter, bulletin, or other communication recommends the purchase or sale of a specific security and does not state the reasons for such recommendation, a memorandum of the investment adviser indicating the reasons therefor.

(12)(A) A record of every transaction in a security in which the investment adviser or any advisory representative of such investment adviser has, or by reason of such transaction, acquires any direct or indirect beneficial ownership, except (i) transactions effected in any account over which neither the investment adviser nor any advisory representative of the investment adviser has any direct or indirect influence or control; and (ii) transactions in securities which are direct obligations of the United States. Such record shall state the title and amount of the security involved; the date and nature of the transaction (i.e., purchase, sale or other acquisition or disposition); the price at which it was effected; and the name of the broker-dealer or bank with or through whom the transaction was effected. Such record may also contain a statement declaring that the reporting or recording of any such transaction shall not be construed as an admission that the investment adviser or advisory representative has any direct or indirect beneficial ownership in the security. A transaction shall be recorded not later than 10 days after the end of the calendar quarter in which the transaction was effected.

(B) For purposes of this subparagraph (c)(12) the term "advisory representative" shall mean any partner, officer, or director of the investment adviser; any employee who makes any recommendation, who participates in the determination of which recommendation shall be made, or whose functions or duties relate to the determination of which recommendation shall be made; any employee who, in connection with the employee's duties, obtains any information concerning which securities are being recommended prior to the effective dissemination of such recommendations or of the information concerning such recommendations; and any of the following persons who obtain information concerning securities recommendations being made by such investment adviser, prior to the effective dissemination of such recommendations or of the information concerning such recommendations: (i) any person in a control relationship to the investment adviser, (ii) any affiliated person of such controlling person, and (iii) any affiliated person of such affiliated person. "Control" shall have the same meaning as that set forth in section 2(a)(9) of the Investment Company Act of 1940, as amended.

(C) An investment adviser shall not be deemed to have violated the provisions of this subparagraph because of failure to record securities transactions of any investment adviser representative if the investment adviser establishes that adequate procedures were instituted and reasonable diligence used to obtain promptly reports of all transactions required to be reported.

(13)(A) Notwithstanding the provisions of subparagraph (a)(12) where the investment adviser is primarily engaged in a business or businesses other than advising advisory clients, a record shall be maintained of every transaction in a security in which the investment adviser or any advisory representative of such investment adviser has, or by reason of such transaction acquires, any direct or indirect beneficial ownership, except (i) transactions effected in any account over which neither the investment adviser nor any advisory representative of the investment adviser has any direct or indirect influence or control; and (ii) transactions in securities which are direct obligations of the United States. Such record shall state the title and amount of the security involved; the date and nature of the transaction (i.e., purchase, sale or other acquisition or disposition); the price at which it was effected, and the name of the broker-dealer or bank with or through whom the transaction was effected. Such record may also contain a statement declaring that the reporting or recording of any such transaction shall not be construed as an admission that the investment adviser or advisory representative has any direct or indirect beneficial ownership in the security. A transaction shall be recorded not later than 10 calendar days after the end of the calendar quarter in which the transaction was effected.

(B) An investment adviser is "primarily engaged in a business or businesses other than advising advisory clients" when, for each of its most recent 3 fiscal years or for the period of time since organization, whichever is less, the investment adviser derived, on an unconsolidated basis, more than 50 percent of (i) its total sales and revenues, and (ii) its income or loss before income taxes and extraordinary items, from such other business or businesses.

(C) For purposes of this subparagraph (c)(13), the term "advisory representative," when used in connection with a company primarily engaged in a business or businesses other than advising advisory clients, means any partner, officer, director, or employee of the investment adviser who makes any recommendation, who participates in the determination of which recommendation shall be made or whose functions or duties relate to the determination of which recommendation shall be made, or whose functions or duties relate to the determination of which securities are being recommended prior to the effective dissemination of such recommendations or of the information concerning such recommendations; and any of the following persons who obtain information concerning securities recommendations being made by such investment adviser prior to the effective dissemination of such recommendations or of the information concerning such recommendations: (i) any person in a control relationship to the investment adviser, (ii) any affiliated person of such controlling person, and (iii) any affiliated person of such affiliated person. "Control" shall have the same meaning as that set forth in section 2(a)(9) of the Investment Company Act of 1940, as amended.

(D) An investment adviser shall not be deemed to have violated the provisions of this subparagraph (c)(13) because of failure to record securities transactions of any advisory representative if the investment adviser establishes that adequate procedures were instituted and reasonable diligence used to obtain promptly reports of all transactions required to be recorded.

(14) A copy of each written statement and each amendment or revision thereof, given or sent to any client or prospective client of such investment adviser and a record of the dates that each written statement, and each amendment or revision thereof, was given, or offered to be given, to any client or prospective client who subsequently becomes a client.

(15) All accounts, books, internal working papers, and any other records or documents that are necessary to form the basis for or demonstrate the calculation of the performance or rate of return of any or all managed accounts or securities recommendations in any notice, circular, advertisement, newspaper article, investment letter, bulletin, or other communication that the investment adviser circulates or distributes, directly or indirectly, to 10 or more persons (other than persons connected with such investment adviser); provided, however, that, with respect to the performance of managed accounts, the retention of all account statements, if they reflect all debts, credits, and other transactions in a client's account for the period of the statement, and all worksheets necessary to demonstrate the calculation of the performance or rate of return of all managed accounts shall be deemed to satisfy the requirements of this subparagraph.

(d) If an investment adviser subject to subparagraph (b) has custody or possession of securities or funds of any client, the records required to be made and kept under subparagraph (b), shall also include:

(1) A journal or other record showing all purchases, sales, receipts and deliveries of securities (including certificate numbers) for such accounts and all other debits and credits to such accounts.

(2) A separate ledger account for each such client showing all purchases, sales, receipts, and deliveries of securities, the date and price of each such purchase and sale, and all debits and credits.

(3) Copies of confirmations of all transactions effected by or for the account of any such client.

(4) A record for each security in which any such client has a position, which record shall show the name of each such client having any interest in each security, the amount or interest of each such client, and the location of each such security.

(e) Every investment adviser subject to subparagraph (b) who renders any investment supervisory or management service to any client shall, with respect to the portfolio being supervised or managed and to the extent that the information is reasonably available to or obtainable by the investment adviser, make and keep true, accurate, and current:

(1) Records showing separately for each such client the securities purchased and sold, and the date, amount, and price of each such purchase and sale.

(2) For each security in which any such client has a current position, information from which the investment adviser can promptly furnish the name of each such client, and the current amount or interest of such client.

(f) Any books or records required by this paragraph may be maintained by the investment adviser in such manner that the identity of any client to whom such investment adviser renders investment advisory services is indicated by numerical or alphabetical code or some similar designation.

(g)(1) All books and records required to be made under the provisions of subparagraph (b)(2)(c)(1), inclusive of this paragraph (except for books and records required to be made under the provisions of subparagraph (b)(11) and (b)(15) of this paragraph), shall be maintained and preserved in an easily accessible place for a period of not less than 5 years from the end of the fiscal year during which the last entry was made on such record, the first 2 years in an appropriate office of the investment adviser.

(2) Partnership articles and any amendments thereto, articles of incorporation, charters, minute books, and stock certificate books of the investment adviser and of any predecessor shall be maintained in the principal office of the investment adviser and preserved until at least 3 years after termination of the enterprise.

(3) Books and records required to be made under the provisions of subparagraphs (b)(11) and (b)(15) shall be maintained and preserved in an easily accessible place for a period of not less than 5 years, the first 2 years in an appropriate office of the investment adviser, from the end of the fiscal year during which the investment adviser last published or otherwise disseminated, directly or indirectly, notice, circular, advertisement, newspaper article, investment letter, bulletin or other communication.

(h) An investment adviser subject to subparagraph (b) of this paragraph, before ceasing to conduct or discontinuing business as an investment adviser, shall arrange for and be responsible for the preservation of the books and records required to be maintained and preserved under this paragraph for the remainder of the period specified in this paragraph, and shall notify the secretary of state in writing of the exact address where such books and records will be maintained during such period.

(i)(1) The records required to be maintained and preserved pursuant to this paragraph shall be immediately produced or reproduced by photograph, on film, or as provided in subparagraph (i)(2), on magnetic disk, tape or other computer storage medium, and be maintained and preserved for the required time in that form. If records are produced or reproduced by the photographic film or computer storage medium, the investment adviser shall:

(A) Arrange the records and index the films or computer storage medium so as to permit the immediate location of any particular record;

(B) Be ready at all times to provide, and promptly provide, any facsimile enlargement of film or computer printout or copy of the computer storage medium which the secretary of state by its examiners or other representatives may request.

(C) Store separately from the original one other copy of the film or computer storage medium for the time required,

(D) With respect to records stored on computer storage medium, maintain procedures for maintenance and preservation of, and access to, records so as to reasonably safeguard records from loss, alteration, or destruction,

(E) With respect to records stored on photographic film, at all times have available for the secretary of state examination of its records pursuant to provisions of this chapter, and facilities for immediate, easily readable projection of the film and for producing easily readable facsimile enlargements.

(2) Pursuant to subparagraph (i)(1) an adviser may maintain and preserve, on computer tape or disk or other computer storage medium, records which, in the ordinary course of the adviser's business, are created by the adviser on electronic media or are received by the adviser slowly on electronic media or by electronic data transmission.

(j) For purposes of this paragraph, "investment supervisory services" means the giving of continuous advice as to the investment of funds on the basis of the individual needs of each client.

(k) Every investment adviser that has its principal place of business in a state other than this state shall be exempt from the requirements of this paragraph, provided the investment adviser is licensed in such state and is in compliance with such state's recordkeeping requirements.

XIII.(a)(1) Unless otherwise provided in this section, an investment adviser, licensed or required to be licensed under this chapter shall, in accordance with the provisions of this section, furnish each advisory client and prospective advisory client with a written disclosure statement which may be a copy of Part II of its Form ADV or written documents containing at least the information then so required by Part II of Form ADV, or such other information as the secretary of state may require.

(2) An investment adviser shall deliver the statement required by this section to an advisory client or prospective advisory client not less than 48 hours prior to entering into any investment advisory contract with such client or prospective client, or at the time of entering into any such contract, if the advisory client has the right to terminate the contract without penalty within 5 business days after entering into the contract.

(b) Delivery of the statement required by subparagraph (a)(1) need not be made in connection with entering into an investment company contract or a contract for impersonal advisory services.

(c)(1) An investment adviser, except as provided in subparagraph (a)(2), shall annually, without charge, deliver or offer in writing to deliver upon written request to each of its advisory clients the statement required by this section.

(2) The delivery or offer required by subparagraph (c)(1) need not be made to advisory clients receiving advisory services solely pursuant to:

(A) An investment company contract; or

(B) A contract for impersonal advisory services requiring a payment of less than \$200.

(3) With respect to an advisory client entering into a contract or receiving advisory services pursuant to a contract for impersonal advisory services which requires a payment of \$200 or more, an offer of the type specified in subparagraph (c)(1) shall also be made at the time of entering into an advisory contract.

(4) Any statement requested in writing by an advisory client pursuant to an offer required by this subdivision must be mailed or delivered within 7 days of the receipt of the request.

(d) If an investment adviser renders substantially different types of investment advisory services to different advisory clients, any information required by Part II of Form ADV may be omitted from the statement furnished to an advisory client or prospective advisory client if such information is applicable only to a type of investment advisory service or fee which is not rendered or charged, or proposed to be rendered or charged, to that client or prospective client.

(e) Nothing in this paragraph shall relieve any investment adviser from any obligation pursuant to any provision of this chapter or the rules and regulations thereunder or other federal or state law to disclose any information to its advisory clients or prospective advisory clients not specifically required by this paragraph.

(f) For the purpose of this paragraph:

(1) "Contract for impersonal advisory services" means any contract relating solely to the provision of investment advisory services:

(A) By means of written material or oral statements which do not purport to meet the objectives or needs of specific individuals or accounts;

(B) Through the issuance of statistical information containing no expression of opinion as to the investment merits of a particular security; or

(C) Any combination of the foregoing services.

(2) "Entering into" in reference to an investment advisory contract, does not include an extension or renewal without material change of any such contract which is in effect immediately prior to such extension or renewal.

(3) "Investment company contract" means a contract with an investment company registered under the Investment Company Act of 1940 which meets the requirements of section 15(c) of that act.

XIV.(a) Every licensed investment adviser who has custody of client funds or securities or requires payment of advisory fees 6 months or more in advance and in excess of \$500 per client shall file with the secretary of state an audited balance sheet as of the end of the investment adviser's fiscal year. Each balance sheet filed pursuant to this subparagraph shall be:

(1) Examined in accordance with generally accepted auditing standards and prepared in conformity with generally accepted accounting principles;

(2) Audited by an independent public accountant or an independent certified public accountant; and

(3) Accompanied by an opinion of the accountant as to the report of financial position and by a note stating the principles used to prepare it, the basis of included securities, and any other explanations required for clarity.

(b) Every licensed investment adviser who has discretionary authority over client funds or securities, but not custody, shall file with the secretary of state a balance sheet, which need not be audited, but which shall be prepared in accordance with generally accepted accounting principles and represented by the investment adviser or the person who prepared the statement as true and accurate, as of the end of the investment adviser's fiscal year.

(c) The financial statements required by this paragraph shall be filed with the secretary of state within 90 days following the end of the investment adviser's fiscal year.

XV. Every licensed broker-dealer shall comply with minimum financial requirements and financial reporting requirements as follows:

(a) Each broker-dealer licensed or required to be licensed under this chapter shall comply with SEC Rule 15c3-1 (17 C.F.R. 240.15c3-1 (1996)), 15c3-2 (17 C.F.R. 240.15c3-2 (1996)), and 15c3-3 (17 C.F.R. 240.15c3 (1996)).

(b) Each broker-dealer licensed or required to be licensed under this chapter shall comply with SEC Rule 17a-11 (17 C.F.R. 240.17a-11) and shall file with the secretary of state upon request, or as required by this chapter or orders or rules promulgated thereunder, copies of notices and reports required under SEC Rules 17a-5, 17a-10, and 17a-11.

(c) To the extent that the U.S. Securities and Exchange Commission promulgates changes to the above-referenced rules, broker-dealers in compliance with such rules as amended shall not be subject to enforcement action by the secretary of state for violation of this rule to the extent that the violation results solely from the dealer's compliance with the amended rule.

XVI. Every licensed investment adviser shall comply with minimum financial requirements and financial reporting requirements as follows:

(a) An investment adviser licensed or required to be licensed under this chapter who has custody of the client funds or securities shall maintain at all times a minimum net worth of \$35,000, and every investment adviser licensed or required to be licensed under this chapter who has discretionary authority over client funds or securities but does not have custody of client funds or securities, shall maintain at all times a minimum net worth of \$10,000.

(b) Unless otherwise exempted, as a condition of the right to continue to transact business in this state, every investment adviser licensed or required to be licensed under this chapter shall by the close of business on the next business day notify the secretary of state if such investment adviser's total worth is less than the minimum required. After transmitting such notice, each investment adviser shall file by the close of business on the next business day, a report with the secretary of state of its financial condition, including the following:

(1) A trial balance of all ledger accounts;

(2) A statement of all client funds or securities which are not segregated;

(3) A computation of the aggregate amount of client ledger, debit balances; and

(4) A statement as to the number of client accounts.

(c) For purposes of this paragraph, the term "net worth," shall mean an excess of assets over liabilities, as determined by generally accepted accounting principles, but shall not include as assets: prepaid expenses (except as to items properly classified as current assets under generally accepted accounting principles), deferred charges, goodwill, franchise rights, organizational expenses, patents, copyrights, marketing rights, unamortized debt discount and expense, all other assets of intangible nature; home, home furnishings, automobiles, and any other personal items not readily marketable in the case of an individual; advances or loans to stockbrokers and officers in the case of a corporation; and advances or loans to partners in the case of a partnership.

(d) The secretary of state may require that a current appraisal be submitted in order to establish the worth of any asset.

(e) Every investment adviser that has its principal place of business in a state other than this state shall maintain such minimal capital as required by the state in which the investment adviser maintains its principal place of business, provided the investment adviser is licensed in such state in compliance with such state's minimal capital requirements.

16 Registration Requirements; Notice Filing Requirements. Amend RSA 421-B:11 to read as follows:

421-B:11 Registration Requirement and Notice Filing of Securities.

I. It is unlawful for any person to offer or sell any security in this state unless it is registered under this chapter [or], the security or transaction is exempted under RSA 421-B:17, *or it is a federal covered security*.

I-a. With respect to notice filings of covered securities, the following requirements shall apply:

(a) Prior to the offer or sale of any class or portfolio of covered securities under section 18(b)(2) of the Securities Act of 1933, a notice shall be filed which includes:

(1) A consent to service of process on Form U-2 signed by the issuer;

(2) A Form N-1A, prospectus, or amendment that contains a complete description of the offering; and

(3) The fee required for each class in RSA 421-B:31.

All mutual funds doing business in this state offering multiple classes of shares shall submit a notice filing for each class individually, and pay the fee set forth in RSA 421-B:31. All mutual funds doing business in this state offering securities through a combined prospectus shall submit a notice filing for each portfolio and each class thereof contained in the combined prospectus and pay fees set forth in RSA 421-B:31. Annual renewals of notice filings shall be made for each class of mutual fund shares not later than May 1 of each year and shall include (i) the fee set forth in RSA 421-B:31 and (ii) a current prospectus.

(b) Prior to the offer or sale of covered securities under section 18(b)(3), a notice shall be filed which includes:

(1) The name, address, and telephone number of the issuer, and the type of securities to be sold;

(2) A consent to service of process on Form U-2 signed by the issuer;

(3) Any document filed with the Securities and Exchange Commission; and

(4) The fee required in RSA 421-B:31, I(k) and RSA 421-B:31, II(f).

(c) Prior to the offer or sale of covered securities under section 18(b)(4)(A), a notice shall be filed which includes:

(1) The name, address, and telephone number of the issuer, and the type of securities to be sold;

(2) A consent to service of process on Form U-2 signed by the issuer;

(3) The most recent 10-K and 10-Q reports filed with the Securities and Exchange Commission;

(4) The name of a registered broker-dealer who will effect transactions in this state; and

(5) The fee required in RSA 421-B:31, I(h).

(d) Prior to the offer or sale of covered securities under section 18(b)(4)(C), a notice shall be filed which includes:

(1) The name, address, and telephone number of the issuer, and the type of securities to be sold;

(2) A consent to service of process on Form U-2 signed by the issuer;

(3) A copy of the prospectus; and

(4) *The name of a registered broker-dealer who will effect transactions in this state; and*

(5) *The fee required in RSA 421-B:31, I(k) and 421-B:31, II(f).*

(e) *Prior to the offer or sale of covered securities under section 18(b)(4)(D), a notice shall be filed which includes:*

(1) *The name, address, and telephone number of the issuer and the type of securities to be sold;*

(2) *A consent to service of process on Form U-2 signed by the issuer;*

(3) *A complete Form D, including pages 1-8, filed with the Securities and Exchange Commission;*

(4) *The name of any registered broker-dealer who will effect transactions in this state; and*

(5) *The fee pursuant to RSA 421-B:31, I(h). No offer or sales shall be made by officers or directors of the issuer unless a Form U-4 shall have been submitted for each individual and authorization obtained pursuant to RSA 421-B:2, II(e).*

1-b. Until October 11, 1999, the secretary of state may require the registration of any covered security for which a nonpayment or underpayment of fees has not been promptly remedied following written notification from the secretary of state of the nonpayment or underpayment of such fees.

II. Before the secretary of state may accept articles of incorporation for a new corporation under RSA 293-A, an application for a certificate of authority under RSA 293-A, a certificate of limited partnership for a new limited partnership under RSA 304-B, a certificate of formation for a new limited liability company or an application for regulation as a foreign limited liability company under RSA 304-C, registration of a registered limited liability partnership or a notice of registration of a foreign registered limited liability partnership under RSA 304-A, or an application for registration of a foreign partnership under RSA 305-A, the following requirements shall be met:

(a) Along with a \$50 filing fee, a statement shall be filed with the secretary of state that the capital stock of the corporation, *memberships*, or the interests of the limited partnership, registered limited liability partnership, foreign registered limited liability partnership, or limited liability company have been registered, or when offered will be registered, under this chapter or are exempted, or when offered will be exempted, under this chapter, or are or will be offered in a transaction exempted from registration under this chapter, or are not securities under this chapter, *or are federal covered securities under this chapter*; and, in the case of a New Hampshire corporation, limited partnership, registered limited liability partnership, or limited liability company, that the articles of incorporation or certificate of limited partnership state whether the capital stock, *memberships*, or interests in the limited partnership, registered limited liability partnership or limited liability company will be sold or offered for sale within the meaning of this chapter.

(b) The statement shall be signed by the incorporators of a corporation to be formed, by an executive officer of an existing corporation, by the general partners or intended general partners if a limited partnership, by one or more members or managers authorized to do so if a limited liability company, or one or more partners authorized to do so if a registered limited liability partnership or foreign registered limited liability partnership.

17 Non-issuer Sales. Amend RSA 421-B:15, VIII to read as follows:

VIII. Every registration statement shall be effective, for the purpose of any non-issuer distribution until withdrawn, suspended, or revoked. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any non-issuer transaction so long as the registration statement is effective. A registration statement may not be withdrawn for one year from its effective date if any securities of the same class are outstanding. *With respect to non-issuer sales of covered securities under section 18(b)(4)(A) of the Securities Act of 1933, refer to RSA 421-B:11 and RSA 421-B:31, I(h).*

18 New Paragraph; Stop Order. Amend RSA 421-B:16 by inserting after paragraph II the following new paragraph:

II-a. The secretary of state may issue a stop order suspending the offer and sale of a covered security, except a covered security under section 18(b)(1) of the Securities Act of 1933, if the secretary of state finds that:

(1) The order is in the public interest; and

(2) There is a failure to comply with any condition established under sections RSA 421-B:2, 421-B:11, or 421-B:31.

19 Reference to Rule 506. Amend RSA 421-B:17, II(h)(4) to read as follows:

(4) This exemption is not available for:

(A) Offerings made pursuant to the Securities Act of 1933, *Regulation D*, [~~Rules~~] *Rule 230.505 [and 230.506]*, which qualify for exemption from registration pursuant to RSA 421-B:17,II(r); *and*

(B) *Offerings of covered securities under section 18(b)(4)(D) of the Securities Act of 1933.*

20 Information Requests by Secretary of State. Amend RSA 421-B:18 to read as follows:

421-B:18 Filing of Sales and Advertising Literature and Other Information.

I. *Subject to the limitations of section 222 of the Investment Advisers Act of 1940 and section 18 of the Securities Act of 1933*, the secretary of state may by rule or order require the filing of any prospectus, pamphlet, circular, form letter, advertisement, or other sales literature or advertising communication addressed or intended for distribution to prospective investors, including clients or prospective clients of an investment adviser.

II. *Subject to the limitations of section 222 of the Investment Advisers Act of 1940 and section 18 of the Securities Act of 1933*, the secretary of state may require at any reasonable time and in any reasonable manner from any person or issuer subject to this title, statements; reports, including reports audited by independent public accountants and sales reports; answers to questionnaires; and other information and evidence thereof, in whatever reasonable form he designates, and at such reasonable intervals as he may choose, or from time to time.

21 No Legend for Federal Covered Securities. Amend RSA 421-B:20, II to read as follows:

II. The full text of paragraph I shall be reproduced, in type no smaller than 12 point boldface type, on any one of the first 5 pages of any prospectus or other offering document, when offered to New Hampshire residents in a private offering. Public offerings shall bear either a legend approved by the North American Securities Administrators Association, Inc., such as the modified Federal Regulation S-K legend or the legend required on Form U-7 which is required for offerings not federally registered. *This paragraph shall not apply to offers and sales of covered securities.*

22 Previous Filings of Consent: Amend the introductory paragraph of RSA 421-B:30, VII to read as follows:

VII. Every applicant for licensing under this chapter and every issuer who proposes to offer a security in this state through any person acting on an agency basis in the common-law sense shall file with the secretary of state, in such form as the secretary of state prescribes by rule, irrevocable consent appointing the secretary of state to receive service of any lawful process in any non-criminal suit, action, or proceeding against the applicant or the applicant's successor, executor, or administrator which arises under this chapter or any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration *or notice filing* need not file another. In instances where an offering is firmly underwritten, the issuer shall not be required to file a consent. Service may be made by leaving a copy of the process in the office of the secretary of state along with \$5, but it is not effective unless:

23 Fees. RSA 421-B:31 is repealed and reenacted to read as follows:

421-B:31 Fees.

I. Initial fees and fees for amendments shall be as follows:

(a) Broker dealer's and investment adviser's fees

- | | |
|--|--------|
| (1) Broker dealer's and investment adviser's initial license fee | \$ 200 |

 - (3) Issuer-dealer initial license fee \$ 50
- (d) Non-refundable registration fee for offers and sales of each class of open end mutual funds required to register under RSA 421-B:11, I-b. \$ 1,000
- (e) Non-refundable examination fee prior to offers or sales of securities under RSA 421-B:17, II(h) \$ 300
- (f) Registration fee prior to offers or sales of securities in this state 2/10 of one percent of the offering value of the issue provided said fee shall not be more than \$1,050, plus a \$200 non-refundable examination fee.
- (g) Fee prior to offers and sales of securities in initial public offerings in this state under RSA 421-B:17, I(f)(1)(i) \$ 1,000
- (h) Non-refundable fee prior to offers or sales of:
 - (1) Securities under RSA 421-B:17, II(r),
 - (2) Covered securities of other investment companies under section 18(b)(2) of the Securities Act of 1933,
 - (3) Non-issuer transactions under section 18(b)(4)(A) of the Securities Act of 1933 - a one-time filing fee, and
 - (4) Initial and annual renewal notice filing fee for sales of covered securities under Section 18(b)(4)(D) of the Securities Act of 1933. \$ 500
- (i) A copying and printing charge may be assessed per page for each document.
- (j) Non-refundable initial notice filing fee prior to offers or sales of each class of an open end mutual fund under section 18(b)(2) of the Securities Act of 1933 \$ 1,000
- (k) Initial notice filing fee prior to offers or sales of covered securities under sections 18(b)(4)(C) and 18(b)(3) of the Securities Act of 1933.

2/10 of one percent of the offering value of the issue, provided said fee shall not be more than \$1,050, plus \$200 non-refundable initial notice fee.

II. Renewal fees shall be as follows:

- (a) Broker-dealer's and investment adviser's license renewal fee \$ 200
- (b) Annual notice filing fee for a federal covered adviser \$ 200
- (c) Agent's license renewal fee \$ 100
- (d) Issuer-dealer license renewal fee \$ 50
- (e) Issuer-dealer agent's license renewal fee \$ 50
- (f) Annual notice filing fee for offers or sales of covered securities under sections 18(b)(4)(C) and 18(b)(3) of the Securities Act of 1933.

2/10 of one percent of the offering value of the issue, provided said fee shall not be more than \$1,050.

- (g) Annual non-refundable notice filing fee for offers and sales of each class of an issuer of open end mutual funds which are covered securities under section 18(b)(2) of the Securities Act of 1933, due on or before May 1 of each year. \$ 1,000
- (h) Annual non-refundable registration fee for each class of an issuer of open-end mutual funds, due on or before May 1 of each year, if required to register under RSA 421-B:11, I-b. \$ 1,000

III. In addition to any other penalties, provisions, or fees prescribed under this chapter, a late filing fee of 1/10 of one percent of the offering value of (1) a registered securities issue, or (2) an offering of covered securities, provided said fee shall not be more than \$525, shall be imposed if:

- (a) It is requested that the provisions of RSA 421-B:13, III(b) be waived; or
- (b) Securities sold in this state are more than registered on the effective application filed with the secretary of state, where the maximum registration fee has not been paid; or
- (c) The registration application is amended to increase the amount registered in this state, where the maximum registration fee has not been paid, subsequent to the effectiveness of the registration in this state; or
- (d) Covered securities sold in this state are more than described in the notice filing made, where the maximum notice filing fee or the total amount of a flat fee has not been paid; or

(e) The notice filing for covered securities sold in this state is amended to increase the amount to be sold, subsequent to the date the filing was made in this state.

IV. Any person who offers or sells securities in New Hampshire under (1) RSA 421-B:12, 13, or 14, where less than the maximum filing fee has been paid in this state, (2) RSA 421-B:17, II(r) or (h), (3) a notice filing under section 18(b)(4)(D) of the Securities Act of 1933, or (4) a notice filing under section 18(b) of the Securities Act of 1933 where less than the maximum filing fee has been paid in this state shall file a sales report with the secretary of state. Such reports shall be filed one year from (1) the effective date of the registration or exemption or (2) the date the notice filing under section 18(b) of the Securities Act of 1933 was made with the secretary of state, and a final sales report shall be filed within 60 days of the termination of the offering. The sales report shall indicate the termination date, the total number and amount of sales in this state, and the total number and amount of sales in all jurisdictions. Any person who (1) fails to file a sales report or (2) fails to submit annual audited financial statements to the secretary of state under RSA 421-B:15, II-a shall pay a penalty of \$25 for each day of delinquency; provided, however, that the secretary of state may, for good cause shown, abate all or a portion of said delinquency penalty. The provisions of this paragraph shall not apply to federal covered securities pursuant to section 18(b)(2) of the Securities Act of 1933.

24 Repeal. RSA 421-B:15, IX-a, relative to a penalty for failure to file a sales report, is repealed.

25 Effective Date. This act shall take effect upon its passage.

HB 691, requiring large employers to offer their employees long-term care insurance. RE-REFER TO COMMITTEE

Rep. George Hurt for Commerce: The committee felt it would be prudent to study this piece of legislation and give serious consideration to long term care issues. Vote 12-2.

HB 713, establishing a penalty for failure to file certain financial statements and quarterly reports, relative to the names of foreign limited partnerships, and replacing an annual notice requirement for limited liability partnerships with an annual fee. OUGHT TO PASS WITH AMENDMENT
Rep. David T. Mittelman for Commerce: This bill eliminates an unnecessary requirement that limited liability partnerships (LLPs) file an annual notice with Secretary of State's Corporate Division. The bill also allows foreign LLPs to contain the name of a limited partner, as is common practice elsewhere. The amendment removes a penalty provision that would be better dealt with in other legislation. Vote 15-0.

Amendment (0725h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the names of foreign limited partnerships, and eliminating an annual notice requirement for limited liability partnerships.

Amend the bill by deleting section 7 and renumbering the original section 8 to read as 7.

AMENDED ANALYSIS

This bill:

I. Allows foreign limited partnerships registered in this state to have names which contain the name of a limited partner in certain circumstances.

II. Eliminates the annual notice requirement for limited liability partnerships.

HB 772-FN-A, establishing the position of industrial, commercial, and tourism agent for Coos County and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Gregory G. Carson for Commerce: The committee re-referred this bill because the sponsor was unable to testify before the committee due to personal illness. Vote 16-0.

HB 798, relative to the bonding requirement for health clubs. RE-REFER TO COMMITTEE

Rep. David T. Mittelman for Commerce: Current law requires a health club to post a surety bond if it offers long-term memberships. While the intent of this provision was to protect consumers, the impact has been less than ideal. Many health clubs do not comply while others that do find the requirement financially prohibitive. The committee would like additional time to reexamine this law so as to make it less burdensome to small businesses without adversely affecting consumers. Vote 15-1.

HB 809, establishing a committee to study the feasibility of bringing the New England Patriots to New Hampshire **OUGHT TO PASS**

Rep. George Hurt for Commerce: The majority of the committee felt this legislation is appropriate and worthy in working towards attracting the New England Patriots to New Hampshire. Vote 14-2.

HB 202, relative to the sale of air guns to minors and the use of air guns by minors. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leo P. Pepino for Criminal Justice and Public Safety: This bill as amended defines air guns and restricts minors under the age of 17 from purchasing, possessing, and using an air gun without adult supervision. Vote 17-0.

Amendment (0586h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the sale of air guns to minors and the use of air guns by minors and prohibiting the furnishing of arms to persons under 17.

Amend the bill by replacing all after the enacting clause with the following:

1 Air Guns; Minors. RSA 644:14 is repealed and reenacted to read as follows:

644:14 Sale of Air Guns to Minors; Use.

I. "Air gun" means a gun that uses compressed air or carbon dioxide to propel a projectile, including BB guns, pellet guns, and CO guns.

II. Any person who sells, barters, rents, lends, or gives an air gun to a person under 17 years of age, without the written consent of such person's parent or guardian, shall be guilty of a violation.

III. The use of air guns without supervision of a responsible adult shall be a violation.

IV. The use of air guns by a person under 17 years of age shall be restricted to the home or the private property surrounding the home or an approved range under responsible adult supervision.

2 Furnishing Arms to Persons Under 17. Amend RSA 644:15 to read as follows:

644:15 Furnishing Arms to Persons Under [6] 17. Any person who shall sell, barter, hire, lend or give to any person under the age of [6] 17 years any cartridges or shotshells suitable for discharging in any rifle, pistol, revolver or shotgun shall be guilty of a violation. This section shall not apply to fathers, mothers or guardians of such children.

3 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill defines the term "air gun" for purposes of the sale of air guns to minors and the use of air guns by minors.

The bill also makes it a violation to furnish arms to persons under 17 years of age.

HB 204-FN-L, relative to transportation of arrestees, detained defendants, and prisoners and court control of arrestees, detained defendants, and prisoners. **RE-REFER TO COMMITTEE**

Rep. Leo P. Pepino for Criminal Justice and Public Safety: This bill provides that once an arrestee, detained defendant or prisoner has arrived at a superior or district court house, the state through bailiffs and court security personnel is responsible for the conduct and control of such arrestee, detained defendant or prisoner as part of its responsibility for public security in the court house. Due to the very complex issues involved in this bill and the concerns of some members of the Hillsborough County delegation the committee will need more time to study this bill. Vote 18-0.

HB 236, to include a person who is being stalked in the definition of "family household member" for purposes of the domestic violence law. **OUGHT TO PASS WITH AMENDMENT**

Rep. William V. Knowles for Criminal Justice and Public Safety: There is no current mechanism for a person being stalked to obtain a restraining order. This legislation allows such person to apply to the courts for a restraining order in the same manner as a victim of domestic violence. Vote 18-0.

Amendment (0644h)

Amend the title of the bill by replacing it with the following:

AN ACT to allow a person who is being stalked to obtain a protective order.

Amend the bill by replacing all after the enacting clause with the following:

1 Cross Reference Added. Amend RSA 633:3-a, I(d)(5) to read as follows:

(5) After being served with, or otherwise provided notice of, a protective order pursuant to RSA 173-B [or], RSA 458:16, *or paragraph III-a of this section*, or an order that prohibits the person from having contact with specific individuals pursuant to RSA 597:2, on a single occasion and in violation of the provisions of such order to:

2 Cross Reference Added. Amend RSA 633:3-a, III to read as follows:

III. For purposes of this section, a person who engages in acts which would constitute stalking after having been advised by a law enforcement officer as defined in RSA 630:1, II that *[his] the person's* acts were in violation of this chapter, *or a person who has been served with a protective order issued pursuant to paragraph III-a of this section*, shall be presumed to have acted knowingly.

3 New Paragraph. Amend RSA 633:3-a by inserting after paragraph III the following new paragraph:

III-a. A person who has been the victim of stalking as defined in this section may seek relief by filing a petition in the district court or the superior court in the county or district where the plaintiff or defendant resides. Upon a showing of stalking by a preponderance of the evidence, the court shall grant such relief as is necessary to bring about a cessation of stalking. The types of relief that may be granted, the procedures and burdens of proof to be applied in such proceedings, the methods of notice, service, and enforcement of such orders, and the penalties for violation thereof shall be the same as those set forth in RSA 173-B.

4 Cross Reference Added. Amend RSA 633:3-a, V to read as follows:

V. Any law enforcement officer may arrest, without a warrant, any person that the officer has probable cause to believe has violated the provisions of this section when the offense occurred within 6 hours, regardless of whether the crime occurred in the presence of the officer. A law enforcement officer shall arrest a person when he has probable cause to believe a violation of the provisions of this section has occurred within the last 6 hours when the offense involves a violation of a protective order issued pursuant to RSA 173-B [or], RSA 458:16, *or paragraph III-a of this section*.

5 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill allows a person who is being stalked to obtain a protective order under the same procedures and conditions as those issued for victims of domestic violence.

HB 458-FN, relative to the elements of simple assault and relative to certain persons with prior convictions for first degree, second degree, or simple assault. INEXPEDIENT TO LEGISLATE
Rep. Stephen J. Adams for Criminal Justice and Public Safety: The subject matter in this bill will be discussed in HB 480 which was recommended as "re-referred" by our committee. Vote 16-0.

HB 467-FN, relative to felonious activities relating to wireless telephone cloning. RE-REFER TO COMMITTEE

Rep. Stephen J. Adams for Criminal Justice and Public Safety: The committee feels this bill addresses an existing problem with theft of wireless phone service, but needs further information from the industry representatives. There are also problems with penalties conflicting with existing statutes. Vote 18-0.

HB 480, revising the law relative to protection of persons from domestic violence. RE-REFER TO COMMITTEE

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: The committee felt that rather extensive revisions and additions are needed to make this bill acceptable. Vote 18-0.

HB 532-FN, relative to the transportation of alcoholic beverages by a minor. OUGHT TO PASS WITH AMENDMENT

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: This bill was amended by the committee making two changes to the current law. First, it makes illegal transportation a violation as it was not before and second, it says that the court *may* require attendance and successful completion of the impaired driver intervention program before restoration of the license. Vote 15-2.

Amendment (0544h)

Amend the bill by replacing section 1 with the following:

1 Transportation of Alcoholic Beverage By a Minor; Attendance at Impaired Driver Intervention Program. Amend RSA 265:81-a, I to read as follows:

I. Notwithstanding RSA 265:81, II, no driver under the age of 21 shall, except when accompanied by a parent, legal guardian or legal age spouse, transport any liquor or beverage in any part of a vehicle. A driver violating this section *shall be guilty of a violation and* may have his or her license or right to drive suspended for 60 days. *The court may also require attendance and successful completion of the impaired driver intervention program or similar program approved as provided in RSA 263:65-a, prior to restoring the license or driving privilege of any person whose license or privilege has been revoked or suspended pursuant to this paragraph.* The words "liquor" and "beverage" as used in this section shall have the same meanings as defined in RSA 175:1. "Legal age spouse" means a person 21 years of age or older.

AMENDED ANALYSIS

This bill makes transportation of an alcoholic beverage by a minor a violation, and allows a court to require a person under 21 years of age, who is convicted of transporting alcoholic beverages, to attend and successfully complete the impaired driver intervention program or similar program, prior to restoring the person's driving privileges.

HB 559-FN, relative to crimes against persons under 13 years of age. RE-REFER TO COMMITTEE
Rep. Richard F. Doucette for Criminal Justice and Public Safety: This bill would make negligently causing the death of a child under the age of 13 a class A felony under the negligent homicide statute. The penalty for a class A felony is 7 to 15 years incarceration. The committee agrees with the motives but would like to study the penalty and possible fiscal impact on the state. Vote 17-0.

HB 565-FN, relative to penalties for joy-riding and car theft across state lines. RE-REFER TO COMMITTEE
Rep. L. Randy Lyman for Criminal Justice and Public Safety: While the committee agreed that there is a need for some type of legislation, this particular bill needs considerable revision to be sure the offense classification is correct. Vote 18-0.

HB 573-FN, repealing administrative suspension of driver's licenses for driving while intoxicated. INEXPEDIENT TO LEGISLATE
Rep. Herbert R. Hansen for Criminal Justice and Public Safety: Driving while intoxicated is such a serious public offense that those testifying and the committee felt that this law should stay as it is. Vote 19-0.

HB 583-FN, relative to felonious disarming of a law enforcement officer. RE-REFER TO COMMITTEE
Rep. Frank M. Schanda for Criminal Justice and Public Safety: This bill would make an individual who takes a firearm from a law enforcement officer guilty of a class A felony. Currently, a person who uses force to escape from a law enforcement officer is guilty of a class A felony. The committee voted to further study to determine if such a new class of felony is needed. Vote 18-0.

HB 614-FN, making any person who, while operating a motor vehicle, fails to yield in certain circumstances guilty of a class B misdemeanor if such failure results in an accident or an injury. INEXPEDIENT TO LEGISLATE
Rep. Bruce F. Hunter for Criminal Justice and Public Safety: This bill creates a class "B" misdemeanor for failure to yield, with an accident or injury resulting. The committee has read RSA 265:30, I, II, & III and does not believe sufficient evidence was presented to make a criminal penalty for failure to yield. Vote 18-0.

HB 665-FN, establishing the crime of felony murder. RE-REFER TO COMMITTEE
Rep. Lori Cardin for Criminal Justice and Public Safety: This bill would essentially establish a new Class A felony that makes a person guilty of second degree murder if the foreseeable death of another occurs as a result of committing a felony. This bill was prompted as a result of the Hudson armored car heist where two guards were murdered in the normal course of their employment while other actors were committing a felony. This is a good bill and the committee would like to take the time to study the merits of it. Vote 16-0.

HB 669-FN, enhancing penalties for violations of laws regulating underground storage facilities. INEXPEDIENT TO LEGISLATE

Rep. Bruce F. Hunter for Criminal Justice and Public Safety: The committee feels that this legislation is not needed at this time. The Department of Environmental Services seeks to increase penalties to the level of Class B felony for knowingly violating any provision of RSA 146-C, the underground storage tank statutes or any rule pertaining to such tanks. There have so far only been two cases where this penalty would have been considered out of a potential 6,000 underground storage tanks. In 1990, there were 10,000 such tanks. Currently only 2,500 tanks need to be upgraded or removed before December 1998. Vote 18-0.

HB 672-FN-L, relative to lowering the allowable alcohol concentration for persons under 21 operating OHRVs. **OUGHT TO PASS**

Rep. Bruce F. Hunter for Criminal Justice and Public Safety: This bill lowers the allowable alcohol concentration for persons under 21 operating OHRVs, and conforms with penalties that pertain to under 21 motor vehicle violations. Vote 19-0.

HB 673-FN, establishing a penalty for committing certain offenses while aboard an aircraft which lands in this state and relative to the jurisdiction of law enforcement officers and the courts over persons committing offenses in an aircraft landing in this state. **INEXPEDIENT TO LEGISLATE**
Rep. Bruce F. Hunter for Criminal Justice and Public Safety: This bill would establish that any offenses committed during the flight of any passenger aircraft within the jurisdiction of the United States shall be deemed to continue through the time that such aircraft lands in the state of New Hampshire. If the offense actually happened in air space over New York, it is a stretch to prosecute in New Hampshire for crimes committed outside the state. The problems outweighed the solutions. Vote 19-0.

HB 682-FN-L, requiring law enforcement agencies to notify certain community organizations when a sexual offender moves into the community. **RE-REFER TO COMMITTEE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill needs an amendment to make it comply with requirements for obtaining federal funds. In addition, more work is needed to insure that the list of organizations to be notified is complete. Vote 17-0.

HB 684-FN, relative to drivers who purposely neglect to stop when under pursuit by a law enforcement officer. **INEXPEDIENT TO LEGISLATE**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: Presently, if you fail to stop for a police officer RSA 265:4 makes it a violation under most circumstances. However, if any person other than the driver of the pursued vehicle sustains personal injury in a collision resulting from the driving of a vehicle which is evading pursuit by a law enforcement officer, the driver of such pursued vehicle shall be guilty of a class B felony. The committee felt these punishments were appropriate as is. Vote 18-0.

HB 685-FN, relative to the assault of a law enforcement officer acting in the line of duty. **INEXPEDIENT TO LEGISLATE**

Rep. Paul K. Chase, Jr. for Criminal Justice and Public Safety: The committee felt that the concerns expressed in this bill were in fact closely associated with those concerns that were addressed in HB 583 which was voted re-referred to committee for further study of these complex issues and to come back with a recommendation on that bill in the next session. Vote 18-0.

HB 692, relative to the use of certain court, case, and police records of delinquent children in sentencing for conviction of certain crimes as adults. **INEXPEDIENT TO LEGISLATE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill called for courts sentencing adults convicted of certain crimes to consider certain juvenile court, case and police records of such adult to determine the sentence to be imposed. Since this same material is covered in re-referred HB 604, the committee voted this bill as inexpedient to legislate. Vote 18-0.

HB 694, allowing law enforcement officers to make a video recording of certain communications without notification. **INEXPEDIENT TO LEGISLATE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: The sponsor requested that we find the bill inexpedient to legislate since audio recording by the police without notification is unlawful and video recording is already covered in current law. Vote 16-0.

HB 730-FN, relative to penalties for sexual misconduct by mental health counselors. RE-REFER TO COMMITTEE

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill is intended to make a mental health counselor who engages in certain acts with a mental health client guilty of aggravated felonious sexual assault. Since a senate bill covering similar situations is forthcoming (SB 191), the committee voted to re-refer this bill to either be included in the senate bill or to replace it, if necessary. Vote 16-0.

HB 735-FN, adding certain conduct to that which constitutes aggravated felonious sexual assault and felonious sexual assault. OUGHT TO PASS

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: This legislation enables charges of aggravated felonious sexual assault or felonious sexual assault to be brought against corrections officers or probation and parole officers who use their supervisory authority over a victim to coerce them to submit to a sexual act. We believe that people with mandated supervisory authority should be held to a higher standard. Vote 16-0.

HB 752, relative to the commission of robbery or burglary while armed with a deadly weapon, culpability for capital murder, and the potential death sentence for first degree murder. INEXPEDIENT TO LEGISLATE

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: This bill does three things. It makes robbery or burglary while armed with a deadly weapon when death results a capital crime. It adds to the list of conduct which constitutes capital murder and adds the death penalty as a potential sentence for first degree murder. The majority of the committee saw no need to expand the death penalty statute as it has not been used since 1939. Also, there is a huge potential cost to litigating appeals with regard to death sentences. Vote 14-2

HB 764-FN, relative to a person subject to a domestic violence petition applying to purchase a handgun. OUGHT TO PASS WITH AMENDMENT

Rep. Stephen J. Adams for Criminal Justice and Public Safety: This bill would make an attempt to purchase a firearm while subject to protective order or restraining order a punishable offense. Also, included would be same day cancellation notification when a protective or restraining order is lifted. Vote 14-2.

Amendment (0506h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to a person subject to a domestic violence petition applying to purchase a firearm.

Amend the bill by replacing section 1 with the following:

1 New Section; Felonious Attempt to Purchase a Firearm. Amend RSA 159 by inserting after section 3-a the following new section:

159:3-b Felonious Attempt to Purchase a Firearm.

I. No person who is subject to a protective order or restraining order issued pursuant to RSA 173-B:4, RSA 173-B:6, or RSA 458:16, I(a), (b), or (c); a foreign order as defined in RSA 173-B:11-b; or pursuant to the court's equitable powers, and who knows that such protective order has been issued, shall attempt to purchase a firearm while the order is in effect.

II. Any person who violates paragraph I shall be guilty of violation for the first offense and shall be guilty of a class A misdemeanor for the second offense.

III. For purposes of this section, "firearm" has the meaning given that term in section 921 of Title 18 of the United States Code.

AMENDED ANALYSIS

This bill prohibits a person, who is subject to a protective order and who knows that such protective order has been issued, from attempting to purchase a firearm while the order is in effect. The bill makes any person who violates this prohibition guilty of a violation for the first offense and guilty of a class A misdemeanor for the second offense. This bill also requires any court issuing a protective order to notify the department of safety by facsimile machine when a protective order has been canceled or expired on the same business day.

HB 770-FN, relative to blood testing in the instance of motor vehicle fatalities and other instances. **OUGHT TO PASS**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: Only one person testified on this bill and that testimony was in strong support of the changes in the bill. The bill makes technical changes to the Fish and Game, Motor Vehicle and Boating Laws relative to the definition of alcohol. It updates the references to medical technicians and technologists instead of lab technicians, the admissibility of the external standard reference check to show that the instrument was properly calibrated, and the rules for preliminary breath test devices. The committee felt these changes served a very useful and needed purpose. Vote 16-0.

HB 777-FN, prohibiting a fish and game officer who makes an arrest for a fish and game violation from also being the prosecuting officer. **INEXPEDIENT TO LEGISLATE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: The testimony provided by witnesses indicated that of the approximately 200 trials annually that are prosecuted by the arresting officer, only one appears to have been controversial. Based on this and the increased cost to the state of approximately \$100,000 per year to have an independent prosecutor, the committee voted this bill inexpedient to legislate. Vote 17-0.

HB 795-FN, enhancing the penalties for DWI and driving after revocation and suspension and eliminating certain driver intervention programs. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen J. Adams for Criminal Justice and Public Safety: The committee will be studying the effectiveness of the multiple DWI intervention program in HB 271 and will also consider other penalties for violators that may be more effective. Vote 17-0.

HB 328, requiring certain proof of identification to register to vote on election day and relative to hour limitations on voting. **OUGHT TO PASS WITH AMENDMENT**

Rep. Natalie S. Flanagan for Election Law: The amendment is now the bill. It allows persons who are waiting to register at the closing of the polls to register and vote. Vote 14-0.

Amendment (0605h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to hour limitations on voting.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Qualified Person to be Allowed to Vote. Amend RSA 654:7-a by inserting after paragraph II the following new paragraph:

III. Any person who is waiting to register to vote at the polling place on election day at the time scheduled for the closing of the polls shall be allowed to vote if determined to be qualified to register.

AMENDED ANALYSIS

This bill also requires that any person who is waiting to register to vote on election day at the time scheduled for the closing of the polling place be allowed to vote if they are found to be qualified to register.

HB 377, relative to primary election petitions. **INEXPEDIENT TO LEGISLATE**

Rep. Natalie S. Flanagan for Election Law: This bill has been taken care of by House Bill 276. Vote 17-0.

HB 291, relative to the use of the terms "native," "local," and "our own" when referring to farm products. **OUGHT TO PASS WITH AMENDMENT**

Rep. David L. Babson Jr. for Environment and Agriculture: This bill defines the terms "native," "local," "locally grown" and others as related to agricultural produce. This is an effort on the part of the committee to support and promote the fine work of the Department of Agriculture, Markets and Food, and the farm community. Vote 13-0.

Amendment (0637h)

Amend the bill by replacing sections 3 and 4 with the following:

3 Use of the Terms "Native," "Local," and "Our Own." Amend RSA 426:5 to read as follows:
426:5 Use of [Word] *Words* "Native," "Local," and "Our Own."

I. No farm products sold, offered, or exposed for sale or distribution in the state shall be advertised, labeled, or described as "native" unless [the name of the state in which they were grown or produced appears immediately after the word "native". The provisions of this section shall not apply to eggs] they were grown or produced in the state of New Hampshire.

II. It shall be unlawful to advertise, label, or describe farm products sold, offered, or exposed for sale or distribution in this state in terms that are false, deceptive, or misleading as to the place of origin of the farm products. The term "our own" is deceptive when used to describe farm products unless they were grown or produced by the operator of the retail location. The terms "local," "locally grown," or "locally produced" are deceptive when used to describe farm products unless they were grown or produced within the state of New Hampshire.

4 Stop Sale, Use, or Removal Orders. Amend RSA 426:7-a to read as follows:

426:7-a Stop Sale, Use or Removal Orders. When the commissioner or [his] *the commissioner's* authorized agent has reasonable cause to believe farm products advertised as "native," "local," "locally grown," "our own," or [~~New Hampshire organically grown~~] "locally produced" are being distributed in violation of any of the provisions of this chapter, or of any of the rules adopted under this chapter, [he] *the commissioner or agent* may issue and serve a written "stop sale, use or removal" order upon the owner or custodian of any such farm products. The farm products shall not be sold, used or removed until the provisions of this chapter have been complied with and the farm products have been released by the commissioner or the violation has been otherwise disposed of as provided in this chapter by a court of competent jurisdiction.

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

Section 3 of this bill:

I. Restricts the use of the word "native" when used in a description of farm produce to produce grown in the state of New Hampshire.

II. Limits the use of the word "local" when referring to locally grown or locally produced farm products to those grown or produced within the state of New Hampshire.

III. Deems the term "our own" to be deceptive when used to describe farm products not grown or produced by the operator of a retail location.

Section 4 of this bill adds "local," "locally grown," "locally produced," and "our own" to the terms which when improperly used in advertising farm products may result in stop sale, use, or removal orders by the commissioner. The remainder of the bill amends certain provisions of RSA 426 making them gender neutral in accordance with RSA 17-A:6 relative to gender neutral drafting.

HB 283, establishing a study committee to examine the parity of salary scales between state troopers and other law enforcement officers. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would form a study committee to investigate the parity of troopers salary scales. This is a subject that the troopers should study and bring to the negotiating table for resolution. The legislature should not interfere with the collective bargaining process. Vote 18-0

HB 346, relative to the effect of federal law on any reorganization of the executive branch. **INEXPEDIENT TO LEGISLATE**

Rep. Sylvia A. Holley for Executive Departments and Administration: This bill adds the term "constitutional" to RSA 21-8:16. Addition of this term in the statute on reorganization would have the effect of requiring all statutes and rules promulgated by the federal government to be proven constitutional before the state agencies would have to comply with federal requirements. This is not an acceptable means of interaction between the state and federal governments. Vote 17-0.

HB 540, establishing a committee to study the possibility of requiring government agencies to provide a training and development policy instead of the current method of policing, penalizing, and fining business owners for infractions of the law. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kipp A. Cooper for Executive Departments and Administration: The committee felt that the goals of this bill were laudable and that the establishment of the committee was appropriate to study ways by which state agencies may provide training and policies which will serve as incentives for

small businesses to adhere to laws and rules rather than solely relying on punitive measures. This would serve to reduce the adverse impact and chilling effect that state interventions often have on small business activity. Vote 17-0.

Amendment (0599h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study ways in which state agencies can be encouraged to assist small businesses to develop practices that comply with state law.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study ways in which state agencies can be encouraged to assist small businesses to develop practices that comply with state law.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, appointed by the speaker of the house.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study ways in which state agencies can be encouraged to assist small businesses to develop practices that comply with state law. Committee responsibilities should include, but not be limited to, a study of methods of requiring state agencies to provide training and development policies which will serve as incentives for small businesses to comply with laws and rules including education, community awareness, and public recognition. Agencies could consider, as a first response, adopting proactive, preventative solutions rather than current reactive punitive measures, for the purpose of reducing the adverse impact and chilling effect that state intervention often has on small business activity in New Hampshire.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 30 days of the effective date of this section. Three members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study ways in which state agencies can be encouraged to assist small businesses to develop practices which comply with state law.

HB 545, making the term of the attorney general coterminous with that of the governor. **INEXPEDIENT TO LEGISLATE**

Rep. Sylvia A. Holley for Executive Departments and Administration: Presently, the term of attorney general runs from March 31 to March 31 for 4 years. On March 5, 1997, the house passed CACR 1 which changes the term of the governor to 4 years. In light of this, the committee decided to leave the 4 year term of the attorney general as it now stands. Vote 17-0.

HB 745-FN, relative to the compensation of the members of the workers' compensation appeals board. **INEXPEDIENT TO LEGISLATE**

Rep. Myron S. Steere, III for Executive Departments and Administration: This bill would change the compensation to members of the workers' compensation appeals board from \$150 per diem to an hourly rate as determined by the commissioner of labor. The committee heard testimony from legislative audit, commissioner of labor, and members of the board. As a result of the hearing, the committee did not believe the change was necessary. Vote 18-0.

HB 749-FN, requiring group I retirement system members to be incapacitated for any gainful employment before receiving accidental disability retirement benefits. **RE-REFER TO COMMITTEE**

Rep. Merton S. Dyer for Executive Departments and Administration: Present statutes require a group I employee member of the NHRS to be incapacitated for further performance of duty before receiving accidental disability retirement. This bill would change the definition of any gainful employment.

This would mean that employees injured on the job and not able to continue in their present position might be employed in another position. This portion of the statute applies only to employee members of the NHRS, both state and local employees and does not affect teachers, police, or fire personnel. The full information on the number of employees, the type of injuries and the effect of workman's compensation was not available at the time this bill had to be reported, therefore, the committee is requesting re-referral of this bill to properly study the question. Vote 18-0.

HB 290, relative to electronic signatures. RE-REFER TO COMMITTEE

Rep. Carol H. Holden for Judiciary and Family Law: Under the provisions of this bill electronic signatures are given the same force and effect as written signatures. Electronic commerce will be the new way of doing business. The secretary of state would have the authority to issue certificates to verify the digital signatures. The heads of the state agencies would be required to implement the control processes and procedures. The committee wants the opportunity to see how this process could be implemented in New Hampshire. Vote 12-0.

HB 326, requiring that parties filing for divorce attempt a mutually agreeable divorce settlement through mediation prior to proceeding with the adversarial process. INEXPEDIENT TO LEGISLATE

Rep. Wayne T. Moynihan for Judiciary and Family Law: The committee is very supportive of the concept of alternative dispute resolution (ADR). Divorce mediation is a form of ADR that the committee seeks to encourage. However, this bill seeks to do too much. This bill would make it mandatory for all couples seeking divorce to undertake mediation before the couple could proceed in a court of law. This requirement would be imposed on all couples whether the couple wanted to use such a service or not. There may not be a sufficient number of qualified, affordable, and accessible mediators around the state to allow such a requirement to be met. Mediation is most successful when the process is approached by the parties on a voluntary basis and not when it is forced upon them. There was significant opposition to the bill. Couples are free to attempt mediation before commencing divorce proceedings. The rules of the superior court already include provisions that allow for suspension of proceedings whenever a couple seeks to attempt mediation. No need for this legislation was evident. Mandatory mediation was not found to be good policy Vote 12-0.

HB 369, relative to the admission to practice and bar association membership for attorneys. INEXPEDIENT TO LEGISLATE

Rep. Cynthia A. McGovern for Judiciary and Family Law: There was no public testimony in support of this bill. While some committee members agreed with the sponsor, with respect to a required or mandated professional association, there was no strong argument for changing it. Vote 12-0.

HB 395, repealing the exemption for teacher certification records from the right-to-know law. INEXPEDIENT TO LEGISLATE

Rep. Sandra B. Keans for Judiciary and Family Law: No one but the sponsor testified for this bill. The Department of Education testified that on a periodic basis they publish the list of names of people whose certification has been revoked. Most of the information the sponsor wants is available. However, some information is not kept in Concord; such as which out of state college a person graduated from, only in-state vs out-of-state. We must remember the decision on who to hire is made at the local school district Vote 12-0.

HB 444, extending the reporting date for the house committee to study the state investigation of the late John C. Fairbanks. INEXPEDIENT TO LEGISLATE

Rep. Alf E. Jacobson for Judiciary and Family Law: The concerns of this bill are incorporated into HB 688-FN-A. Vote 12-0.

HB 512-FN, requiring mediation in domestic cases involving minor children. INEXPEDIENT TO LEGISLATE

Rep. Wayne T. Moynihan for Judiciary and Family Law: This bill will make divorce mediation mandatory for all couples seeking divorce if they have minor children. This bill is different from HB 326 because the requirement for mediation is imposed only upon couples who have minor children. Again, the committee believes that mediation may be advisable, especially in cases where there are minor children who would be affected by the divorce. However, the bill would impose the mediation process upon couples who may not want or need to undertake that process. Media-

tion is most successful when it is approached by the parties on an voluntary basis and not when it is imposed upon them. There was limited support for the bill and mixed opposition. The accessibility and affordability of qualified mediators is limited. A pilot program is in effect in the superior court that does require that couples with minor children attend information seminars which address the effect of divorce on children. This court program better serves the need this bill seeks to address because, while it is a required course, it has a low limited cost and does not force the parties into mediation where the circumstances of the parties make mediation unnecessary or inappropriate. While some other states apparently make mediation mandatory, it is not good policy for New Hampshire. Vote 11-2.

HB 518-FN, requiring administrative agents to obtain warrants based upon probable cause to perform searches or inspections. **INEXPEDIENT TO LEGISLATE**
Rep. Marjorie K. Smith for Judiciary and Family Law: The sponsor did not appear. The committee heard testimony from representatives from three departments, each of whom spoke in opposition because such a law would make it impossible to enforce existing regulation protecting the public in areas as diverse as food service and preparation, communicable diseases, and liquor enforcement. Vote 13-0.

HB 554, relative to damages in suits brought by administrators of an estate. **OUGHT TO PASS**
Rep. Sandra B. Keans for Judiciary and Family Law: This bill allows the surviving spouse of a victim of a wrongful death to recover damages for loss of consortium. Current law allows for such recovery in cases involving personal injury, but not death. Loss of consortium involves the loss of comfort, society, and companionship of the spouse who was killed by someone's negligence. This bill passed the House last year on a voice vote. The committee agreed with the testimony we heard that this was a fairness issue. Vote 12-0.

HB 555, exempting an individual's pensions and individual retirement accounts from bankruptcy attachment. **RE-REFER TO COMMITTEE**
Rep. Sandra B. Keans for Judiciary and Family Law: The committee agrees with the sponsor that the area of pensions needs to be studied, but time constraints do not allow us to do a good job. The committee needs time to be thorough. The sponsor supports re-refer. Vote 13-0.

HB 595-FN, protecting consumers from the unlicensed practice of law. **RE-REFER TO COMMITTEE**
Rep. Carol H. Holden for Judiciary and Family Law: After hearing considerable testimony, the committee determined that there were many questions that needed to be addressed on the proposed remedies and civil penalties on the unlicensed practice of law. Vote 12-0.

HB 608-FN, providing that a district court shall not require the department of health and human services to certify a particular provider of children's services. **INEXPEDIENT TO LEGISLATE**
Rep. Wayne T. Moynihan for Judiciary and Family Law: The committee studied this bill carefully. A great deal of information was presented pro and con at the public hearing. Ongoing litigation over the language of the existing statute was reviewed. The Department of Health and Human Services already has the right to use its discretion as to whether or not a particular provider of services will or will not be certified. The number of out-of-state placements for troubled youth has been reduced from 174 in 1994 to 68 in 1996. The trend continues to decline. The department has developed more in-state programs for the specialized treatment required by some troubled youth. The district court does not have a blank check or the power to order the department to certify particular providers. It was considered important not to diminish the role of the district court as the final arbiter of what services a child may need and the best option for treatment. To the extent that a problem existed in this area, it has been effectively addressed within the existing statutory framework. Vote 17-0.

HB 623, allowing a landlord or housing owner under the housing finance authority to terminate a tenancy to allow a family member to occupy the premises. **INEXPEDIENT TO LEGISLATE**
Rep. Susan J. Clay for Judiciary and Family Law: This bill is not needed for the following reasons: there is already in the landlord/tenant laws the ability to remove tenants at will. There is also reasonable protection for landlords to remove tenants who have leases. Vote 14-0.

HB 624, subjecting certain payments made to public employees upon resignation, discharge, or retirement to the right-to-know law. **OUGHT TO PASS**

Rep. Sandra B. Keans for Judiciary and Family Law: The committee agreed with the sponsor that when a public employee is terminated, the financial payment should be public information available under the right-to-know law. This bill does not in any way provide for disclosure of personnel issues. Vote 16-0.

HB 711, relative to post-termination commissions. **OUGHT TO PASS**

Rep. Paul M. Mirski for Judiciary and Family Law: At present, unscrupulous manufacturers may withhold commissions due manufacturers representatives for services rendered, knowing that the cost to manufacturers representatives to pursue justice in the courts may well exceed sums due. This bill will introduce an element of fairness into the relationship between the two parties as far as payment of commissions are concerned. Vote 16-0.

HB 773-FN, relative to intentional interference with child custody and visitation. **OUGHT TO PASS**

Rep. Deborah L. Woods for Judiciary and Family Law: This bill addresses a real problem in many domestic cases involving child custody and visitation issues. It carries real consequences for those who, on a recurring basis, intentionally violate court-ordered custody visitation. This legislation adds additional remedies for those parents who are hurt by the actions of the other parent and kept from their children. Vote 16-0.

HB 774-FN, relative to child support, custodial rights, and visitation. **RE-REFER TO COMMITTEE**

Rep. Deborah L. Woods for Judiciary and Family Law: The public hearing on this bill was not held until 3/10/97. It is good legislation that needs a few changes. The committee is also mindful that Senate Bill 192 will be before the committee this session. That bill is very similar to HB 774-FN and may very well be a good vehicle to make corrections. Vote 17-0.

HB 787-FN, requiring the executive council to hold public hearings on judicial appointments. **OUGHT TO PASS**

Rep. Alf E. Jacobson for Judiciary and Family Law: This bill establishes the requirement that the Executive Council shall hold a public hearing prior to confirmation of nominees for judges in the courts of New Hampshire. Vote 14-0.

HB 793, limiting the civil liability of persons engaged in equine activities. **RE-REFER TO COMMITTEE**

Rep. Carol H. Holden for Judiciary and Family Law: The committee recommends that this bill be re-referred to committee. Testimony indicated that horse shows, county fairs, dog shows and other similar events need study. Litigation, due to presumed liabilities, in these other events will be considered along with those presented by the equine industry. Vote 11-4.

HB 802, relative to judgments on past due rent and judgments for eviction. **RE-REFER TO COMMITTEE**

Rep. Sandra B. Keans for Judiciary and Family Law: The committee has re-referred several tenant/landlord bills this session and would like this issue to be a part of the study. Vote 14-0.

HB 805, relative to homestead rights and revocable trusts. **OUGHT TO PASS WITH AMENDMENT**

Rep. Wayne T. Moynihan for Judiciary and Family Law: The bill protects citizens from the inadvertent loss of their homestead right when they transfer property to revocable trusts as a part of an estate planning or other process. An amendment was adopted to place the language of the bill within the homestead title of the statute, and to insure the applicability of the changes to as many existing trusts as possible. A need was demonstrated and the bill solved the problem. Vote 12-0.

Amendment (0582h)

Amend the bill by replacing section 1 with the following:

1 New Section; Homestead Rights. Amend RSA 480 by inserting after section 8-a the following new section:

480:9 Homestead Rights. A conveyance of real property by deed to one or more trustees of a revocable trust shall not result in the loss of homestead rights of any person executing the deed (unless the deed contains an express release of homestead rights by such person) provided that such

retained homestead rights in any such property shall not be enforceable against any other person to the extent such other person acquired an interest in or lien on the property after its conveyance into the trust without having notice of the revocability of the trust. Such notice may be given by the inclusion of the word "revocable" in the name of the trust as recited in the deed, or by the recitation in the deed or a subsequently recorded document that at the time of the conveyance the trust was a revocable trust.

HB 429, establishing a committee to study unemployment compensation as it relates to the contingent work force and to women workers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Wanda G. McNamara for Labor, Industrial and Rehabilitative Services: This bill charges the Unemployment Compensation Advisory Council with the responsibility to study unemployment compensation as it relates to the contingent work force and low wage workers. The act will take effect upon passage to allow the council to prepare its report and recommendations by the November 1, 1997, deadline. Vote 15-0.

Amendment (0627h)

Amend the title of the bill by replacing it with the following:

AN ACT charging the advisory council on unemployment compensation with the task of studying the issue of unemployment compensation as it relates to the contingent work force and low wage workers.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose.

I. Since 1980, there has been a significant increase in the growth of part-time employment in the New Hampshire economy. This contingent work force is often lower paid, lacks job security, and typically lacks benefits like health insurance or pensions. Women and younger workers are over-represented in this sector.

II. The unemployment compensation system has not adapted to these significant changes. At the inception of unemployment compensation, the system was premised on a one wage-earner family, where one adult worked outside the home and the other worked in the home. Since that time, women have come into the work force in much larger numbers.

III. There is a need for unemployment compensation to respond to the changed needs prompted by the changing economy. Workers often must attempt to balance work and family responsibilities. These workers sometimes must restrict the time of day they are available for work or their number of hours of work per day or week due to care-giving responsibilities. The unemployment compensation system has failed to examine the implications of the increased role of women in the economy. Therefore, the general court finds it necessary to study the issue of unemployment compensation as it relates to the contingent work force and low wage workers.

2 Advisory Council on Unemployment Compensation. The advisory council on unemployment compensation, established under RSA 282-A:128, shall study the issue of unemployment compensation as it relates to the contingent work force and to low wage workers.

3 Compensation. The advisory council, when attending to its duties under this act, shall be reimbursed in accordance with RSA 282-A:130.

4 Duties. The advisory council shall study, take public testimony, make recommendations and prepare a report on issues including, but not limited to; part-time workers who qualify for benefits, but who then must look for full-time work; the issue of leaving work due to lack of child care, or other domestic reasons; and the issue of monetary qualifications for benefits. The advisory council shall seek and invite, by letter, input from the New Hampshire Women's Lobby, New Hampshire Legal Assistance, the Coalition Against Domestic Violence, and the Civil Practice Clinic of the Franklin Pierce Law Center.

5 Chairman; Quorum. The chairman of the advisory council shall call the first meeting on the issues outlined in this act within 45 days after the effective date of this section. Three members of the council shall constitute a quorum.

6 Report. The advisory council shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill charges the advisory council on unemployment compensation with the additional duty of studying the issue of unemployment compensation as it relates to the contingent work force and to low wage workers.

HB 478, requiring certain notices to be posted at certain job sites for purposes of workers' compensation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph D. Kenney for Labor, Industrial and Rehabilitative Services: This bill requires contractors, subcontractors, and independent contractors engaged in the nonresidential building or construction industry to provide a workers' compensation compliance statement, upon request. No contractor, subcontractor, or independent contractor, however, would be required to deliver to the commissioner a requested workers' compensation compliance statement more than twice in one calendar year. The committee felt this bill provides a better legal playing field to offset any misrepresentation of workers' compensation payment in the building industry. Vote 14-0.

Amendment (0657h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to workers' compensation compliance statements and making a technical correction.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Compliance Statement. Amend RSA 281-A by inserting after section 4 the following new section:

281-A:4-a Workers' Compensation Compliance Statement.

I. Within 30 days following a written request from the commissioner, any building or construction industry contractor, subcontractor or independent contractor engaged in the nonresidential building or construction industry shall deliver to the commissioner a workers' compensation compliance statement. The workers' compensation compliance statement shall state the total number of employees employed during the 4-month period preceding the request and shall state the total number of hours the contractor, subcontractor, and independent contractor compensated such employees during that 4-month period and which hours apply to the appropriate National Council on Compensation Insurance (NCCI) classification code applicable to the scope of work performed. Any contractor, subcontractor, or independent contractor who fails to comply with this section or who falsifies information on the statement may be fined up to \$1,000 for each week of noncompliance beginning on the date of such failure or falsification. The commissioner shall be entitled to all costs and fees directly associated with obtaining any information not properly made available under this section. All moneys collected as a fine under this section shall be forwarded to the state treasurer and deposited into the general fund. The commissioner shall make available a form as may be needed to comply with this section.

II. Any person may request that the commissioner provide such person with a copy of a contractor, subcontractor, or independent contractor's workers' compensation compliance statement. If the commissioner deems it necessary, the commissioner shall obtain such statement from the contractor, subcontractor, or independent contractor and shall make it available to the requesting party. The commissioner shall be required to obtain and provide the requested compliance statement if the requesting person submits evidence to the commissioner of a contractor's, subcontractor's, or independent contractor's noncompliance with RSA 281-A. No contractor, subcontractor, or independent contractor, however, shall be required to deliver to the commissioner a requested workers' compensation compliance statement more than twice in one calendar year.

2 Technical Correction. Amend RSA 281-A:2, VII(b) to read as follows:

(b) "Employee," with respect to public employment shall not include any inmate of a county or state correctional facility who is, under RSA 651, required or allowed to work or perform services for which no significant remuneration is provided, *any volunteer not covered under RSA 281-A:2, VII(a)(2) through (5), who performs services for which no significant remuneration is provided*, or any participant performing community service work under a court order or the provisions of a court diversion program. "Employee," with respect

to public employment, shall include any person participating in a local welfare work program established under RSA 165:31; however, the local governing body may vote to make the provisions of this chapter not applicable to local welfare work program participants through guidelines adopted under RSA 165:1, II.

3 Effective Date.

I. Section 1 of this act shall take effect January 1, 1998.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires contractors, subcontractors, and independent contractors engaged in the non-residential building or construction industry to provide a workers' compensation compliance statement, upon request.

This bill also makes a technical correction in RSA 281-A:2.

HB 615-FN, allowing group accounts for certain employers under the unemployment compensation laws. **INEXPEDIENT TO LEGISLATE**

Rep. Franklin C. Bishop for Labor, Industrial and Rehabilitative Services: After considerable deliberation and review of the issue, it was determined by the sponsor and the committee that the current law addresses the concerns. Vote 14-0.

HB 381, relative to public recreation and park areas in municipalities. **OUGHT TO PASS WITH AMENDMENT**

Rep. Norma A. Sabella for Municipal and County Government: This bill as amended is meant to overcome obstacles to combining municipal recreation departments with other departments/commissions. This will improve the relevant statute and make the statute dealing with parks and recreation more effective. Vote 16-0.

Amendment (0649h)

Amend the bill by replacing all after the enacting clause with the following:

1 Officials and Powers. Amend the introductory paragraph of RSA 35-B:3 to read as follows: The power conferred by RSA 35-B:1 may be exercised by ~~[any commission or board]~~ **a recreation or park commission or any other board or commission** as authorized by the governing body of the political subdivision and charged with the responsibility of providing leisure-time services within the political subdivisions' jurisdiction. These powers may be divided ~~[between any combination of boards]~~ as ~~[dictated]~~ **directed** by the governing body. The ~~[boards or combination of boards]~~ **commission** shall have powers as are necessary to carry out the purpose for which ~~[they are]~~ **it is** created. These powers may include but not be restricted to the power:

2 Grammatical Change. Amend RSA 35-B:3, VIII to read as follows:

VIII. To hold trust or manage public property useful to the accomplishment of ~~[their]~~ **its** objectives.

3 Appointment of Commission. Amend RSA 35-B:4 to read as follows:

35-B:4 Recreation or Park Commission. If any town, city, county, or village district decides that the above powers shall be exercised by a recreation or park commission, it shall consist of citizens of such town, city, county, or village district who shall serve without pay. In cities the citizens shall be appointed by the mayor or city council, subject to provisions of the city charter; in towns by the selectmen; and in other political subdivisions by the governing body of ~~[said]~~ **the** subdivision. The persons initially appointed ~~[or elected]~~ to the commission shall serve staggered terms. Their successors shall be appointed under the same appointing procedure for 3 years. Vacancies as they occur shall be filled by the appointing authority for the unexpired term. Any city or town may by ordinance or resolution provide that the mayor or a selectman, or councilman, shall be an ex officio member of the commission.

4 Organization and Procedures of Recreation or Park Commission. RSA 35-B:5 is repealed and reenacted to read as follows:

35-B:5 Organization and Procedures of Recreation or Park Commission. The commission shall from its own number elect a chairperson, secretary, and other necessary officers to serve one year, or until their successors are elected. The commission shall meet at least quarterly. All regular meetings of the commission shall be open to the public. A majority of the members of the commission shall constitute a quorum. Any action is not official unless authorized by a majority of the

total membership. The commission shall also have the power to adopt other rules of procedure and prescribe regulations for the conduct of all business within its jurisdiction necessary to carry out the functions for which it was created.

5 Effective Date. This act shall take effect 60 days after its passage.

HB 502-L, placing limitations on warrant articles at special meetings. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert W. Brundige for Municipal and County Government: This bill defines the term "emergency" for the purpose of special town and school district meetings. It incorporates as a minimum the factors described in recent decisions of the NH Supreme Court. Vote 14-2.

Amendment (0615h)

Amend the bill by replacing all after the enacting clause with the following:

1 Special Town Meetings. Amend RSA 31:5, I to read as follows:

I.(a) No money shall be raised or appropriated or shall any appropriation previously made be reduced or rescinded at any special town meeting except by vote by ballot, nor unless the ballots cast at such meeting shall be equal in number to at least 1/2 of the number of legal voters borne on the checklist of the town *entitled to vote* at the annual or biennial election next preceding such special meeting; and such checklist, corrected according to law, shall be used at any meeting upon the request of 10 legal voters of the town. This section shall not apply to money to be raised for the public defense or any military purpose in time of war. In case an emergency arises requiring an immediate expenditure of money, the selectmen may petition the superior court for permission to hold a special town meeting which, if granted, shall give said meeting the same authority as ~~[that of]~~ an annual town meeting.

(b) *"Emergency" for the purposes of this section shall mean a sudden or unexpected situation or occurrence, or combination of occurrences, of a serious and urgent nature, that demands prompt, or immediate action, including an immediate expenditure of money. This definition, however, does not establish a requirement that an emergency involves a crisis in every set of circumstances.*

(c) *To verify that an emergency exists, a petitioner shall present, and the court shall consider, a number of factors including:*

- (1) *The severity of the harm to be avoided.*
- (2) *The urgency of the petitioner's need.*
- (3) *Whether the claimed emergency was foreseeable or avoidable.*
- (4) *Whether the appropriation could have been made at the annual meeting.*
- (5) *Whether there are alternative remedies not requiring an appropriation.*

2 Special School District Meetings. Amend RSA 197:3, I to read as follows:

I.(a) No school district at any special meeting shall raise or appropriate money nor reduce or rescind any appropriation made at a previous meeting, unless the vote thereon is by ballot, nor unless the ballots cast at such meeting shall be equal in number to at least 1/2 of the number of voters of such district entitled to vote at the regular meeting next preceding such special meeting; and, if a checklist was used at the last preceding regular meeting, the same shall be used to ascertain the number of legal voters in said district; and such checklist, corrected according to law, may be used at such special meeting upon request of 10 legal voters of the district. In case an emergency arises requiring an immediate expenditure of money, the school board may petition the superior court for permission to hold a special district meeting, which, if granted, shall give said district meeting the same authority as an annual district meeting.

(b) *"Emergency" for the purposes of this section shall mean a sudden or unexpected situation or occurrence, or combination of occurrences, of a serious and urgent nature, that demands prompt or immediate action, including an immediate expenditure of money. This definition, however, does not establish a requirement that an emergency involves a crisis in every set of circumstances.*

(c) *To verify that an emergency exists, a petitioner shall present, and the court shall consider, a number of factors including:*

- (1) *The severity of the harm to be avoided.*
- (2) *The urgency of the petitioner's need.*
- (3) *Whether the claimed emergency was foreseeable or avoidable.*

(4) Whether the appropriation could have been made at the annual meeting.

(5) Whether there are alternative remedies not requiring an appropriation.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill defines the term "emergency," for the purposes of special town and school district meetings, as a sudden or unexpected situation or occurrence, or combination of occurrences, of a serious and urgent nature, that demands prompt or immediate action, including an immediate expenditure of money, but provides that a crisis is not a requirement of an emergency in every situation.

HB 552-L, clarifying the authority of municipalities to regulate the use of their highways which provide sole access to properties in adjoining municipalities. RE-REFER TO COMMITTEE
Rep. Cynthia J. Dokmo for Municipal and County Government: This bill addresses issues concerning subdivisions which border on adjoining municipalities. The committee felt it needed an opportunity to further examine this complex matter. Vote 16-0.

HB 679-FN-L, repealing the limitation on zoning ordinance protest petitions. RE-REFER TO COMMITTEE

Rep. Paul A. McGuirk for Municipal and County Government: The particular repeal of a portion of RSA 675:5 as requested by HB 679 is attempting to clarify protest petitions submitted to amend or repeal zoning ordinances. The committee wishes to spend more time on this request. Zoning questions can be, at times, controversial. Vote 17-0.

HB 701-L, granting a municipality alternatives to accepting a tax deed to the property when the property owner is tax delinquent. OUGHT TO PASS WITH AMENDMENT

Rep. Betsey L Patten for Municipal and County Government: This bill allows a municipality to refuse to accept a tax deed/tax lien for more than just environmental reasons. For example, if the property includes a multi-family residence and the municipality does not want to be a landlord, the governing body does not have to accept that tax deed/tax lien. Also if the property is a condominium and the fees owed to the owners' association exceeds the amount of taxes due, the governing body does not have to accept the tax deed/tax lien. The bill also clarifies what does happen when the governing body refuses a tax deed/tax lien. There is a new section included which allows the governing body to dispose of the property "as justice may require" which includes being able to convey the property to a former owner or to a third party for the benefit of the former owner. Vote 17-1.

Amendment (0592h)

Amend the bill by deleting section 1 and renumbering the original sections 2-6 to read as 1-5, respectively.

HB 272, relative to boat docking facilities. RE-REFER TO COMMITTEE

Rep. Michael D. Whalley for Resources, Recreation and Development: This bill would regulate the location and design of boat docking facilities on public waters. Presently, the Department of Environmental Services is in the process of drafting proposed rules relating to shoreline structures. The committee believes it is best to re-refer this bill as well as HB 547 until a complete review of the rules takes place. Vote 17-0.

HB 389, relative to the water protection assistance program within the office of state planning. OUGHT TO PASS WITH AMENDMENT

Rep. Michael W. Downing for Resources, Recreation and Development: This bill clarifies the laws governing the water protection assistance program within the Office of State Planning. The current law offers no flexibility to municipalities who wish to tailor their water resources planning efforts to their specific local needs. Passing this bill will encourage and make it easier for communities to develop or include water resources in their community planning and removes the rule making process from the Office of State Planning. Vote 17-0.

Amendment (0601h)

Amend RSA 4-C:20, I as inserted by section 1 of the bill by replacing it with the following:

I. The office shall ~~adopt rules under RSA 541-A to serve as a guide to~~ *prepare guidance materials for use by* municipalities in the development of local water resources management and

protection plans as provided in RSA 674:2, VIII, and other appropriate protection measures. *If the written guidance materials discuss any requirements which exist under state or federal law and which the office believes may be applicable to the municipalities' plans, the materials shall identify the source of such requirements.*

Amend the bill by inserting after section 4 the following and renumbering the original section 5 to read as 6:

5 Reports. The office of state planning and the department of environmental services shall report to the house resources, recreation, and development committee and to the senate environment committee by November 30, 1997 regarding standards for soils information for septic and subdivision requirements. Further, they shall report on efforts to develop consistent standards for soil mapping and characterization between the department of environmental services and the office of state planning.

AMENDED ANALYSIS

This bill clarifies the laws governing the water protection assistance program within the office of state planning.

HB 406, relative to environmental disclosure by electric power facilities. RE-REFER TO COMMITTEE

Reps. Jeb E. Bradley and Clifton C. Below for Science, Technology and Energy: The issue of registration requirements for electric power suppliers, including environmental disclosure, is being addressed legislatively in HB 726 and administratively by the Public Utilities Commission. The committee wants to hold this bill as a vehicle to discuss the Bulk Power Facilities Statute which needs revision in the context of electric industry restructuring. Vote 14-0.

HB 411, authorizing municipalities to issue bonds for the purpose of defraying the cost of purchasing or taking public utility property. INEXPEDIENT TO LEGISLATE

Rep. Clifton C. Below for Science, Technology and Energy: The content of this bill has been incorporated into House Bill 528. Vote 18-0.

HB 452, establishing a legislative oversight committee on telecommunications restructuring and relative to aggregation of telecommunications services customers by municipalities and counties. OUGHT TO PASS WITH AMENDMENT

Reps. John H. Thomas and Jeb E. Bradley for Science, Technology and Energy: Passage of this bill will create a telecommunications oversight committee. With passage of both federal and state legislation that encourages increased competition in the telecommunications industry, the committee believes such oversight is appropriate. This legislation also reduces the approval time at the Public Utilities Commission for new telecommunication tariffs or services offered by a telephone utility from 9 months to 2 months. Speeding up this process will significantly improve the ability of phone companies to offer new services which will be of great assistance to businesses needing rapid access to these new services. Vote 18-0.

Amendment (0703h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a legislative oversight committee on telecommunications restructuring and relative to approval by the public utilities commission of tariffs for new telephone services.

Amend the bill by replacing all after the enacting clause with the following:

1 New Sections; Telecommunications Oversight Committee Established. Amend RSA 374 by inserting after section 22-g the following new sections:

374:22-h Oversight Committee; Establishment.

I. There shall be an oversight committee on telecommunications consisting of 14 members as follows:

(a) Seven members of the senate, appointed by the president of the senate.

(b) Seven members of the house science, technology and energy committee, appointed by the speaker of the house.

II. Membership on the oversight committee shall be for the biennium and shall be coterminous with membership in the general court.

374:22-i Organization and Compensation. The oversight committee shall have a chairperson who shall be chosen by vote from among the committee membership. The chairperson's term of office shall be for the biennium. The committee shall have a clerk who shall be chosen by vote by members of the committee. The clerk's term of office shall be for the biennium. The committee shall meet immediately upon the close of each legislative session. The legislative members of the committee shall receive legislative mileage when in performance of their duties.

374:22-j Duties of the Oversight Committee. The committee's duties shall include, but not be limited to:

I. Examining the restructuring of telecommunications services and rates.

II. Examining the issue of the resale of telecommunications services and the feasibility of facilitating the resale process.

III. Considering the feasibility and cost-effectiveness of installing certain high-speed telecommunications lines.

IV. Exploring the feasibility of establishing special rates for educational institutions, to the extent that it has not occurred.

V. Examining the issue of rural access and delivery.

VI. Examining the expansion of internet access to all parts of New Hampshire, including rural areas.

VII. Examining the improvement of access to on-line services.

VIII. Examining the issues of encryption and data security in computer networks.

IX. Examining the issue of municipal aggregation of local, toll, and other telecommunications services.

X. Submitting a report, together with any recommendations for legislation, to the speaker of the house of representatives, the senate president, and the governor on or before November 1 of each year.

2 New Paragraph: Service Filings. Amend RSA 378:6, I(b) to read as follows:

(b) *Except as provided in RSA 378:6, IV, for* ~~For~~ all other schedules filed with the commission, the commission may, by an order served upon the public utility affected, suspend the taking effect of said schedule and forbid the demanding or collecting of rates, fares, charges or prices covered by the schedule for such period or periods, not to exceed 3 months from the date of the order of suspension, but if the investigation cannot be concluded within a period of 3 months, the commission in its discretion and with reasonable explanation may extend the time of suspension for 5 additional months.

3 New Paragraph: Approval of Tariffs for Telephone Services. Amend RSA 378:6 by inserting after paragraph III the following new paragraph:

IV. Any tariff for services filed for commission approval by a telephone utility, except a tariff reviewed pursuant to RSA 378:6, I(a), shall become effective as filed 30 days after filing, unless the commission amends or rejects the filing within the 30 day period. The commission may, in its discretion and with reasonable explanation, including an explanation of the likely areas of disagreement with the tariff, extend the time for its determination by up to 30 days. At its discretion, the commission may permit changes to existing tariffs to become effective in fewer than 30 days from the date of filing.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a legislative oversight committee on telecommunications restructuring.

This bill also provides for approval by the public utilities commission of tariffs for new telephone services.

HB 482, relative to the access and development of interstate computer network systems. RE-REFER TO COMMITTEE

Reps. Elizabeth K. Hoadley and Norman L. Major for Science, Technology and Energy: The bill requires a study relative to improving computer network systems access in New Hampshire. Even though some of these features have been folded into House Bill 452, we believe continued study is appropriate. Vote 18-0.

HB 485, relative to limited electrical energy producers. RE-REFER TO COMMITTEE
Rep. Clifton C. Below & Rep. Jeffrey C. MacGillivray for Science, Technology and Energy: The Limited Electrical Energy Producers Act (LEEPA) needs comprehensive revision, with repeal of some provisions, in the context of electric industry restructuring and competitive choice of energy suppliers. The committee will continue its work on this bill. Vote 14-0.

HB 651-FN-L, relative to electric rate reduction financing. RE-REFER TO COMMITTEE
Rep. Clifton C. Below & Rep. Jeb E. Bradley for Science, Technology and Energy: This is a complex bill with major policy implications. It addresses a financing technique called securitization that might help to reduce electric rates and facilitate restructuring of the electric utility industry. However, the committee has many questions and concerns to carefully consider before it is ready to make any final recommendation. Vote 18-0.

HB 702-FN-L, establishing procedures governing municipal acquisition of public utility property. INEXPEDIENT TO LEGISLATE

Rep. Jeb E. Bradley for Science, Technology and Energy: The issues regarding the public interest determination for municipalization are being considered in HB 528. The committee is also recommending re-referral of another bill, HB 750, which deals with municipalization issues. Vote 14-0.

HB 750-FN-L, relative to municipal water systems. RE-REFER TO COMMITTEE
Rep. Harold V. Lynde and Rep. Norman L. Major for Science, Technology and Energy: Many of the provisions of this bill have been folded into HB 528, a more general amendment to the utility municipalization statutes. The committee wishes to re-refer this bill to serve as a vehicle to address additional utility municipalization concerns which require additional study. Vote 14-0.

HB 754-FN, relative to special gas and electric rates for customers dependent on life-support equipment. RE-REFER TO COMMITTEE

Rep. Donald B. White and Rep. Terie T. Norelli for Science, Technology and Energy: The committee feels this bill has merit. However, more research is required with respect to the scope of the problem, the costs involved, and the appropriate agency responsible for the administration of the program before making a final recommendation to the House. Vote 14-0.

HJR 4, urging the United States Congress and the Federal Energy Regulatory Commission to cooperate with state plans to restructure the electric utility industry. OUGHT TO PASS WITH AMENDMENT

Rep. Clifton C. Below & Rep. Jeffrey C. MacGillivray for Science, Technology and Energy: This resolution calls for federal action to clarify and affirm state jurisdiction over, and take other actions to support, implementation of retail competition in the electric utility industry. Congress is currently considering federal legislation on this issue. Vote 18-0.

Amendment (0739h)

Amend the resolution by replacing all after the title with the following:

Whereas, on May 21, 1996 New Hampshire became the first state in the nation to enact electric utility restructuring legislation, which provides for competitive retail customer choice of electric generation suppliers for all customers in 1998; and

Whereas, the United States Congress and the Federal Energy Regulatory Commission (FERC) by statute and orders have laid the groundwork for retail competition, by promoting wholesale competition in electricity markets through the adoption of the Energy Policy Act of 1992 and the issuance of FERC Order No. 888 promoting open access transmission services; and

Whereas, there remain some impediments and ambiguities in federal law relative to states' promotion of retail competition in electricity markets and the restructuring of the electric utility industry, and ambiguities in the boundary between federal and state jurisdiction; and

Whereas, divestiture by vertically integrated electric utilities of their electric generation business and their electric transmission and distribution business into separate entities may be a desirable part of electric utility restructuring, some states may want to encourage or mandate such divestiture, and the spinning off of one business or the other to current shareholders may be a desirable method of implementing this goal; and

Whereas, New Hampshire has adopted an electric utility restructuring policy principle in law which states, "Increased competition in the electric industry should be implemented in a manner

that supports and furthers the goals of environmental improvement,” and which continues, “As generation becomes deregulated, innovative market-driven approaches are preferred to regulatory controls to reduce adverse environmental impacts;” and

Whereas, FERC has indicated a clear desire that the United States Environmental Protection Agency implement appropriate environmental regulation to accompany electric utility restructuring; and

Whereas, the United States Congress is considering federal legislation to encourage and promote retail competition and customer choice in electricity supply markets; now, therefore, be it

Resolved by the Senate and House of Representatives in General Court convened:

That the general court of New Hampshire hereby urges the United States Congress, FERC, and other federal agencies to continue to cooperate with and support state efforts to restructure the electric utility industry and promote retail competition; and

That Congress and FERC should affirm state authority to order retail customer choice of electric generation suppliers including the authority to order filing of tariffs for the provision of retail transmission service by electric utilities under state jurisdiction and their affiliates, consistent with needs of retail customers as well as FERC’s open access policies and comparability principles; and

That Congress should affirm that states have jurisdiction over all retail sales of electricity to end users within the state, so that states can require the imposition of nonbypassable distribution charges on all retail customers, even if there are no distribution facilities under state jurisdiction involved; and

That Congress should make clear state authority to order divestiture of generation assets by electric utilities that own distribution; and

That Congress should remove tax code obstacles and other barriers to electric utility restructuring, such as barriers to divestiture of generation assets by vertically integrated utilities or holding companies; and

That Congress should eliminate mandatory purchase requirements of the Public Utility Regulatory Policies Act of 1978 once all customers of a utility have the right to choose their own supplier of electricity; and

That Congress and the EPA should pursue policies, including amendments to the Clean Air Act, that promote market based systems which ensure continued and ongoing environmental improvement and reduction of air pollution emissions from electric power generation plants, and provide for fair competition among all generators; and

That copies of this resolution be sent by the clerk of the house of representatives to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the Federal Energy Regulatory Commission, the Secretary of the United States Department of Energy, the chairpersons of the committees of the United States Congress having jurisdiction over electric utility restructuring, and to each member of the New Hampshire congressional delegation.

HJR 5, urging the United States Congress and the United States Environmental Protection Agency to make certain changes in the Clean Air Act which would result in more cost effective air pollutant emission reductions. OUGHT TO PASS WITH AMENDMENT

Rep. Jeffrey C. MacGillivray & Sarah K. Bonneau for Science, Technology and Energy: New Hampshire has continued to decrease air pollution emissions and has attempted to substitute more cost effective air pollution control strategies for some measures mandated by the Federal Clean Air Act. The resolution, as amended, outlines New Hampshire’s suggestions for amending the Clean Air Act and EPA policies to provide New Hampshire with more flexibility in its efforts to produce greater environmental improvement at less cost. Vote 18-0.

Amendment (0724h)

Amend the resolution by replacing all after the title with the following:

Whereas, the state of New Hampshire has continued to decrease air pollution emissions in accordance with the federal Clean Air Act Amendments of 1990; and

Whereas, the United States Environmental Protection Agency (EPA) has continued to fund scientific air pollution research which has shown that some of the scientific assumptions behind the federal Clean Air Act Amendments of 1990 are invalid; and

Whereas, certain regions of the country, including the state of New Hampshire, are required to make considerable additional expenditures on scientifically obsolete or ineffective air pollution controls mandated by the federal Clean Air Act; and

Whereas, the federal Clean Air Act does not allow the EPA to authorize states to substitute more cost effective air pollution control strategies for scientifically obsolete or ineffective air pollution control strategies, thereby stifling innovation; and

Whereas, certain regions of the country, including the state of New Hampshire, are currently victims of air pollution emitted upwind from the region, but are being held responsible for that pollution by the federal Clean Air Act; and

Whereas, the federal Clean Air Act requires the EPA to adopt standards which protect public health with an adequate margin of safety, despite recent scientific research which indicates that no safe level exists, providing opponents of air pollution control expenditures with unnecessary opportunities to question the implementation of the Clean Air Act; and

Whereas, the EPA is in the process of mandating low-emission vehicle requirements for new automobiles which needlessly mix cost-effective stricter nitrogen oxide emission standards with scientifically obsolete requirements for stricter hydrocarbon emission standards; and

Whereas, the EPA in its procedures for assessing state implementation plans for air pollution control gives little or no credit for voluntary pollution reductions already in place that are not mandated by law, and gives excessive credit for promises of future mandatory control measures; now, therefore, be it

Resolved by the Senate and House of Representatives in General Court convened:

That the federal Clean Air Act should be amended to require the EPA to permit states to substitute more effective air pollution control strategies for less effective strategies mandated by the federal Clean Air Act, so that states will be allowed to devise cost-effective strategies that will produce more air pollution improvement for less cost; and

That the federal Clean Air Act should be amended so that regions which are victims of windborne air pollution are not held responsible, and if polluted air gets cleaner as it passes over a region of a non-attainment area, that region should not be required to observe the additional air pollution control requirements for non-attainment areas, and the EPA should instead look to upwind polluters to apply additional controls; and

That the federal Clean Air Act should be amended to promote reductions in ground level ozone through nitrogen oxide emission reductions from power plants, industrial boilers, new automobiles, and new trucks, rather than further reducing hydrocarbon emissions from existing gasoline vehicles or industrial solvents; and

That the federal Clean Air Act should be amended so that the EPA may more justifiably set air quality standards at a level other than zero, which improve over time at a steady rate, based on scientific analysis of public health damage, ecological damage, and cost of control; and

That the EPA should revise its policies regarding motor vehicle emissions, including low-emission vehicle standards, to concentrate on nitrogen oxide emission reductions, not hydrocarbon emission reductions; and

That the EPA should revise its policies regarding state implementation plans for air pollution control so that states shall be given full credit in their state emission inventories for non-mandatory pollution reductions which can reasonably be expected to occur or to remain in place, including low-emission vehicles already registered in the state; and

That the EPA should act on its responsibility to forcefully communicate the results of its ongoing scientific research to the United States Congress and encourage Congress to amend the Clean Air Act so as to bring it in line with current research; and

That the EPA should promptly amend its own policies so as to bring them in line with current research; and

That copies of this resolution be sent by the house clerk to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the chairpersons of committees of the United States Congress having jurisdiction over the Clean Air Act, the Administrator of the United States Environmental Protection Agency, and each member of the New Hampshire congressional delegation.

HB 117, relative to Persian Gulf War bonus payments. OUGHT TO PASS WITH AMENDMENT
Rep. George R. Rubin for State-Federal Relations and Veterans Affairs: Payments for members of the armed forces who served in Southeast Asia and were awarded the Southeast Asia Service medal - the committee felt that the citizens of New Hampshire will honor those citizens who have served our country during this conflict. Vote 16-0.

Amendment (0436h)

Amend the bill by replacing all after the enacting clause with the following:

1 End Date for Active Service; Qualifications for Bonus Payment. Amend RSA 115-A:9 to read as follows:

115-A:9 Qualifications for Bonus. Each person who actively served in any capacity as a member of the armed forces of the United States [~~between~~] *on or after August 2, 1990[;]* and [~~a date to be determined by the Secretary of Defense~~] *on or before November 30, 1995*, and who earned the Southwest Asia Service Medal (SASM); and who was discharged, released or has a certificate of service therefrom, under honorable conditions, or who is missing in action *or who was killed in action*; and who at the time of entry on such active service, and at the time of such service was a bona fide resident of this state shall be entitled to the benefits provided under this subdivision. [~~Residents of other states who were activated and served with a New Hampshire-based National Guard or reserve unit shall also qualify.~~] *A person shall demonstrate bona fide residency under this section through such person's home of record at time of entry as listed on a DD Form 214 or a written verification from a town or city clerk that such person was a resident of a New Hampshire town or city at the time of active service.* No individual who has received a Persian Gulf War bonus payment from another state shall be qualified to receive the benefits provided under this subdivision.

2 New Section; Forfeiture of Bonus for Fraud. Amend RSA 115-A by inserting after section 14 the following new section:

115-A:15 Forfeiture of Bonus. Any person who obtains a bonus payment under this subdivision by fraud shall forfeit such bonus to the state.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill clarifies the dates of active service and the residency requirement for qualifying for a Persian Gulf War bonus payment.

The bill also provides for forfeiture of any Persian Gulf War bonus payment obtained by fraud.

HJR 7, urging the United States Congress and the Veterans Administration to maintain adequate health care services for New Hampshire veterans OUGHT TO PASS

Rep. Rita G. MacAuslan for State-Federal Relations and Veterans Affairs: While the veterans administration should implement any cost savings that would not impact quality, availability and accessibility of services to New England veterans, this resolution expresses New Hampshire's concerns that its - and all New England's - veterans continue to receive all necessary health care at a locally accessible location. Vote 12-0.

HB 231-FN-L, imposing a penalty on motor vehicle operators under 20 years of age if the operator is convicted of any violation offense involving the operation of a motor vehicle. RE-REFER TO COMMITTEE

Rep. Peter R. Cote for Transportation: This bill involving operators under 20 years of age is of complex nature. By a unanimous vote by the committee, it was recommended to be Re-Referred for a more thorough study along with other driver bills. Vote 13-0.

HB 477, prohibiting aircraft from landing and taking off on a certain portion of the Pemigewasset River. RE-REFER TO COMMITTEE

Rep. Philip M. Ackerman for Transportation: The committee feels that this issue can be resolved locally by the parties which have an equal right to responsible use of the area. Re-referral allows time for communications between the parties and the Department of Transportation to resolve the issue. If this is not successful, this bill may be revisited during the next session. Vote 12-1.

HB 649-FN, relative to reckless driving. RE-REFER TO COMMITTEE

Rep. Robert J. Letourneau for Transportation: The committee felt that it should re-refer this bill so it could have the time to examine the current penalties being assessed young drivers. After passing HB 459-FN, a youth driver license bill, we felt further study of the problems of young drivers could be necessary. Vote 13-0.

HB 662, revising the laws relative to the use of dealer plates. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth W. Malcolm for Transportation: This bill, as amended, is the result of several hours of meetings, and the result is the cleaning up of long alleged use and misuse of various trade use of motor vehicle plates. This bill more clearly defines proper use of dealer, wholesale dealer, utility and transporter plates. It also sets up a licensing process and increases the bond requirement for car dealers. The bill, as amended, is agreed upon by all parties involved. This bill maintains the economic viability of the automotive business, and maintains the logical legality for the motor vehicle license system in New Hampshire. Vote 12-0.

Amendment (0632h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Definition; Auto Wholesale Dealer. Amend RSA 259 by inserting after section 5 the following new section:

259:5-a Auto Wholesale Dealer. "Auto wholesale dealer" shall mean any person with an established place of business, who is exclusively engaged in the business of purchasing vehicles requiring registration for use upon a way, for resale to a retail or wholesale dealer. For the purposes of this definition, "exclusively engaged" shall mean the retail sale of less than 5 motor vehicles in any state in any 12-month period.

2 Definition; Dealer. RSA 259:18 is repealed and reenacted to read as follows:

259:18 Dealer. "Dealer" shall mean a retail vehicle dealer or an auto wholesale dealer.

3 New Section; Definition; Motor Vehicle Business. Amend RSA 259 by inserting after section 60 the following new section:

259:60-a Motor Vehicle Business. "Motor vehicle business" shall mean a business which is principally engaged in one or more of the following activities: buying, selling, or exchanging motor vehicles requiring registration for use upon a way, motor vehicle mechanical service, motor vehicle collision repair service, the reconditioning and restoration of motor vehicles, and the sale of motor vehicle parts. For the purposes of this definition, "principally engaged" means that the business derives at least 51 percent of its annual gross income from the motor vehicle business or, if there was no income in the prior year, 51 percent of the assets of the business are directly related to the motor vehicle business.

4 New Section; Retail Vehicle Dealer. Amend RSA 259 by inserting after section 89 the following new section:

259:89-a Retail Vehicle Dealer. "Retail vehicle dealer" shall mean a person engaged in the motor vehicle business who sells motor vehicles to the general public, or demonstrates for sale vehicles on consignment to the general public. There shall be a rebuttable presumption that any person who sells or who acts as an agent of a seller for 5 or more vehicles at retail to the general public in a consecutive 12-month period is a retail vehicle dealer.

5 Definition; Transporter. RSA 259:114 is repealed and reenacted to read as follows:

259:114 Transporter. "Transporter" shall mean:

I. Any person who moves any motor vehicle owned by another person which requires registration for use upon a way for business purposes; or

II. Any person engaged in the business of buying promissory notes secured by mortgages or conditional sales contracts who, in the regular course of such business, has occasion to repossess any vehicle.

6 Definition; Utility Dealer. RSA 259:121 is repealed and reenacted to read as follows:

259:121 Utility Dealer. "Utility dealer" shall mean:

I. Any person engaged in the manufacture, purchase, sale, or exchange at wholesale or retail of travel or camp trailers, utility trailers, boat trailers, semi-trailers, tractors, farm equipment, construction equipment, chassis with special equipment, or any combination thereof.

II. Any person engaged in the lease or rental of storage trailers.

7 Bond Required. RSA 261:98 is repealed and reenacted to read as follows:
261:98 Bond Required.

I. Every retail vehicle dealer as defined in RSA 259:89-a, every auto wholesale dealer as defined in RSA 259:5-a, every automotive recycling dealer as specified by RSA 261:123, and certain utility dealers as defined by RSA 259:121 if required by rule of the commissioner, shall obtain a bond or equivalent proof of financial responsibility as described in paragraph VI, and continue in effect a surety bond or other equivalent proof of financial responsibility satisfactory to the department in the amount of \$25,000 executed by a surety company authorized to transact business in the state by the insurance department. The bond or its equivalent shall only be for the benefit of a natural person who purchases a vehicle from a dealer, an automotive recycling dealer, or a utility dealer, and who suffers loss on account of:

(a) The dealer's default or nonpayment of all valid bank drafts, including checks, drawn by the dealer for the purchase of motor vehicles;

(b) The dealer's failure to deliver in conjunction with the sale of a motor vehicle a valid motor vehicle title certificate free and clear of any prior owner's interests and all liens except a lien created by or expressly assumed in writing by the buyer of the vehicle;

(c) The motor vehicle purchased from the dealer was stolen; or

(d) The dealer's intentional or knowing failure to disclose the vehicle's actual mileage at the time of sale.

II. Recovery against the bond or its equivalent may be made by any such person, who obtains a final judgment in a court of competent jurisdiction against the dealer for an act or omission on which the bond is conditioned if the act or omission occurred during the term of the bond. Every bond shall also provide that no suit may be maintained to enforce any liability on the bond unless brought within one year after the event giving rise to the cause of action.

III. The bond or its equivalent shall cover only those acts and omissions described in paragraph I. The surety on a bond shall not be liable for total claims in excess of the bond amount, regardless of the number of claims made against the bond or the number of years the bond remained in force.

IV. A separate bond shall be required for each different name under which the dealer conducts his business and for each community in which the dealer has a place of business.

V. Any dealer covered by an association bond as provided in RSA 261:101 shall only be covered under one name in one community. A dealer covered under RSA 261:101 who has a place of business in more than one town or city shall file a separate bond as provided in this section for each separate community in which he operates.

VI. In lieu of the bond required by this section, the department may allow the dealer to deposit collateral in the form of a certificate of deposit or irrevocable letter of credit, as authorized by the banking laws of the state of New Hampshire, which has a face value equal to the amount of the bond otherwise required. Such collateral may be deposited with or executed through any authorized state depository designated by the commissioner. Interest on any such certificate of deposit shall be payable to the dealer who has deposited it as collateral, or to such person as the dealer or the certificate may direct.

VII. Any surety is required to provide 60 days' notice of cancellation of the bond or certificate of deposit or letter of credit to the department, and to the dealer.

8 Application for Retail Vehicle Dealer Registration. RSA 261:103 is repealed and reenacted to read as follows:

261:103 Application for Retail Vehicle Dealer Registration.

I. Any retail vehicle dealer as defined in RSA 259:89-a who engages in the motor vehicle business, and who maintains in operating condition and in operation an established place of business which meets the signage requirements of paragraph II, may make application to the department upon blanks furnished by it for that purpose, for a general distinguishing number for vehicles owned by such dealer, provided that:

(a) The business location is where the retail vehicle dealer does a major portion of business during normal business hours; and

(b) Such business location is capable of storing and displaying motor vehicles indoors, in one building, in an area of at least 1,200 contiguous square feet.

II. An established place of business shall clearly and conspicuously display the business name of the dealer in letters no less than 10 inches in height, unless prohibited by local zoning. Such business signage shall be clearly visible from a traveling vehicle on the adjacent public way, unless an obstruction exists which cannot be remedied.

9 New Section; Vehicle Dealer License Required. Amend RSA 261 by inserting after section 103 the following new section:

261:103-a Vehicle Dealer License Required. Each dealer, as defined in RSA 259:18, shall apply for and obtain from the department a motor vehicle license before engaging in any motor vehicle business activity in the state. The department shall prescribe and provide forms to be used for applications for licenses and for the renewals thereof to be issued under the terms and provisions of this chapter and require all new applicants, as a condition precedent to the issuance of a license, a statement as to the following facts:

I. The name and residence address of the applicant and the trade name, if applicable, under which the applicant intends to conduct business, and:

(a) If the applicant is a co-partnership, the name and residence address of each member thereof, whether a limited or general partner, and the name under which the partnership business is to be conducted.

(b) If the applicant is a corporation, the name of the corporation and the name and address of each of its principal officers, directors and all persons owning more than 5 percent of outstanding shares of stock issued by the corporation.

II. A complete description, including the city, town with the street and number, if any, of the permanent, established place of business and such other and additional place or places of business as shall be operated and maintained by the applicant in conjunction with the permanent, established place of business.

III. For new applications, a financial statement dated not earlier than 12 months prior to the date of the application and copies of the most current financial information furnished to the manufacturer, distributor, or their representatives under the terms of any franchise agreements.

IV. The trade name or trade names or line-make or line-makes of the new vehicle or vehicles that the applicant is or has been franchised to sell or exchange and the name or names and address of any manufacturer or distributor who has enfranchised the applicant.

V. Whether the applicant proposes to sell new or used vehicles or both.

VI. A duly executed service agreement on forms provided by the department with a service or repair garage which is a licensed inspection facility within a reasonable distance from the applicant's established place of business, if the motor vehicle dealer applicant does not have facilities at the dealer's established place of business to service or repair motor vehicles.

VII. A statement that the applicant is or applicants are or intend to be engaged in the motor vehicle business and that this activity constitutes or will constitute the principal business of the applicants.

VIII. Certification from the appropriate officials of the municipality which contains the dealer's established place of business that the dealer's establishment is in compliance with all applicable local zoning ordinances.

IX. A statement that the dealer will comply with all state and federal requirements regarding the selling, titling, and financing of vehicles.

X. All applications shall be accompanied by the payment of a license fee of \$125. In the event that any application is denied or the license applied for is not issued, 75 percent of the license fee shall be refunded to the applicant or applicants.

XI. Proof of a surety bond obtained through a company approved by the insurance department, or pursuant to RSA 261:101, which conforms to the criteria in RSA 261:98, or proper alternative proof of financial assurance pursuant to RSA 261:98, VI.

XII. A statement that the dealer shall notify the department upon cancellation of the surety bond.

XIII. A criminal record for each applicant and a statement whether the applicant has ever been subject to a civil judgment connected with a motor vehicle business.

XIV. All licenses shall be granted or denied after receipt of a complete application by the department. If application is incomplete, the department shall notify the applicant in writing indicating the reasons for incompleteness.

XV. All licenses issued pursuant to the provisions of this subdivision shall expire annually in the month designated by the director.

XVI. Any change of address, ownership, employment, trade name or line-make of motor vehicle a dealer is franchised to handle must be reported to the department within 30 days from the date of the change.

XVII. No license so issued shall be transferable, and a separate license shall be required for each separate place of business in a separate town or city, and shall be prominently displayed in the place of business operated by the person to whom such license is issued.

10 Retail Vehicle Dealer's Use of Dealer Registration. RSA 261:111 is repealed and reenacted to read as follows:

261:111 Retail Vehicle Dealer's Use of Dealer Registration.

I. A retail dealer and member of the dealer's family domiciled in the dealer's household, may use the dealer's registration on vehicles owned by the dealer for personal use.

II. Motor vehicles owned by the dealer which are designed for and engaged in the day-to-day business activities of the dealership, including but not limited to the transportation of freight or merchandise, such as wreckers, service trucks, and auto parts delivery trucks, shall not be so registered.

III. The dealer's employees who are employed full-time in the retail motor vehicle business may be issued a dealer plate on motor vehicles owned by the dealer, at the dealer's discretion, for personal use outside of normal business hours. For purposes of this paragraph, only the dealer's employees and no other person shall operate such motor vehicles. Personal use shall require that the motor vehicle be in saleable condition, with all legally required window stickers as appropriate, in view to the general public.

IV. Motorized or non-motorized vehicles owned by the dealer shall not be rented or otherwise used while registered under the dealer's registration, except for demonstration purposes, for use by a franchisor or distributor or agent or employee thereof, or for loaning or renting to a customer whose vehicle is being serviced in connection with the vehicle business.

V. Dealer registration shall not be used on motorized or non-motorized vehicles owned by another person unless there exists a valid consignment agreement, or unless the vehicle is being demonstrated or transported in connection with service or sales.

11 Application for Motorcycle and Moped Registration; Validity of Motorcycle Registration for Other Motor Vehicles. RSA 261:112 is repealed and reenacted to read as follows:

261:112 Application for Motorcycle and Moped Registration; Validity of Motorcycle Registration. A manufacturer or a retail vehicle dealer of motorcycles or mopeds or both may indicate on the retail vehicle dealer's registration application a preference for a general distinguishing motorcycle number and plate for its vehicles. A motorcycle registration is a valid registration on any motor vehicle owned by the dealer.

12 Use of Transporter Registration. RSA 261:116 is repealed and reenacted to read as follows:

261:116 Use of Transporter Registration.

I. Personal use shall be prohibited.

II. Transporter registration shall be used on motor vehicles not owned by the transporter.

13 Use of Utility Plates. RSA 261:121 is repealed and reenacted to read as follows:

261:121 Use of Utility Plates. Utility registration shall be used only for moving non-motorized vehicles or chassis with specialized equipment which are either owned or not owned by the utility dealer for business purposes, including but not limited to delivery, demonstration, sale, or repair.

14 Limitation on Use of Utility Plates. RSA 261:122 is repealed and reenacted to read as follows:

261:122 Limitation on Use of Utility Plates.

I. Utility plates shall not be loaned or assigned to any other person.

II. Personal use shall be prohibited.

15 Subdivision Heading Changed. The subdivision heading preceding RSA 261:140-a is repealed and reenacted to read as follows:

Auto Wholesale Dealer Registration

16 Auto Wholesale Dealer Registration. RSA 261:140-a is repealed and reenacted to read as follows:

261:140-a Auto Wholesale Dealer Registration and Plates.

I. Any auto wholesale dealer as defined in RSA 259:5-a, who has an established place of business which meets the signage requirements under paragraph II and is licensed pursuant to RSA 261:103-a, may make application on blanks furnished by the director for a general distinguishing

number for use on vehicles owned by the auto wholesale dealer. If the director is satisfied that such applicant is a suitable person, such applicant shall be issued a general distinguishing number and a certificate of registration for an auto wholesale dealer.

II. An established place of business shall clearly and conspicuously display the business name of the dealer in letters no less than 10 inches in height, unless prohibited by local zoning. Such business signage shall be clearly visible from a traveling vehicle on the adjacent public way, unless an obstruction exists which cannot be remedied.

17 Use of Auto Wholesale Dealer Registration. RSA 261:140-b is repealed and reenacted to read as follows:

261:140-b Use of Auto Wholesale Dealer Registration.

I. Auto wholesale dealer vehicle registration shall be used for motor vehicle business purposes only, on vehicles owned by the auto wholesale dealer which are being transported to the auto wholesale dealer's place of business, to another location for mechanical service, or to a wholesale or retail dealer. Such registration shall not be used for the retail demonstration of any vehicles.

II. Personal use of auto wholesale dealer vehicle registration shall be prohibited.

III. Vehicles owned by the auto wholesale dealer which are designed for and engaged in day to day business activities, including but not limited to the transportation of freight or merchandise, such as wreckers, service trucks, and auto parts delivery trucks, shall not be so registered.

IV. The auto wholesale dealer shall not loan auto wholesale dealer number plates to any other person.

18 Change in Fee. RSA 261:141, III(u)(1) is repealed and reenacted to read as follows:

(u)(1) For each vehicle, owned by or under control of a manufacturer, wholesaler, or dealer - \$200 for the first plate.

19 Change in Fee. Amend RSA 261:141, III(w) and (x) to read as follows:

(w)(1) For motorcycles owned or under the control of a manufacturer or dealer in motorcycles — \$12 [per-set] for *the* first [3-plates] *plate*.

(2) For every additional plate — \$3.

(x)(1) For mopeds owned or under the control of a manufacturer or dealer in mopeds — \$12 [per-set] for *the* first [3-plates] *plate*.

(2) For every additional plate — \$3.

20 Penalties; Dealers, Utility Dealers, Auto Recycling Dealers, Transporters, and Repairers. RSA 261:177 is repealed and reenacted to read as follows:

261:177 Penalties; Dealers, Utility Dealers, Auto Recycling Dealers, Transporters and Repairers.

I. Upon any evidence of misuse of registration or any violation of the provisions of this chapter or any rules authorized by law the director may:

(a) Suspend or revoke any dealer's, utility dealer's, automotive recycling dealer's transporter's or repairer's registration; or

(b) Impose an administrative fine upon any dealer, utility dealer, automotive recycling dealer, transporter or repairer. The maximum amounts of the fines which may be assessed shall be as follows:

(1) For the first violation, \$250.

(2) For the second violation, \$500.

(3) For the third violation, \$750.

(4) For the fourth violation, \$1,000.

(5) For 5 or more violations, \$2,000.

No fine shall take effect unless approved by the commissioner. The commissioner shall have the authority to modify the amount of the fine assessed.

II. Whenever a dealer, utility dealer, automotive recycling dealer, transporter or repairer has a license or plates or license and plates revoked or suspended for a period of greater than 15 days, a fee of \$50 shall be paid for the restoration of such license or plates or license and plates.

21 Repeal. The following are repealed:

I. RSA 261:105, relative to minimum area waivers.

II. RSA 261:107, relative to number of plates.

III. RSA 261:140-c, relative to a prohibition on use of plates by auto wholesalers.

22 Effective Date.

I. Section 6, 10-14, 17, 20 and 21 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect January 1, 1998.

HB 712, relative to the purchase, preservation, and reactivation of abandoned railroad rights-of-way and limiting railroad liability for passenger rail service. RE-REFER TO COMMITTEE
Rep. John W. Flanders, Sr. for Transportation: The committee was not sure of constitutionality of 75,000,000 liability cap. Want to work on bill over the summer with different departments involved. Vote 18-0.

REGULAR CALENDAR

HB 147, relative to disclosure of certain information relating to tobacco products. RE-REFER TO COMMITTEE

Rep. Keith R. Herman for Commerce: This is one of a series of bills dealing with the issue of smoking. The committee has agreed to look at all the issues presented in the various bills during the summer. This bill requires disclosing cigarette ingredients. The committee is committed to study this issue further since it is still pending in the Massachusetts courts. Vote 8-2.
Adopted.

HB 506, prohibiting all smoking in any restaurant where serving food is the primary function. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Richard H. Krueger for the Majority of Commerce: In the State of New Hampshire cocktail lounges cannot exist without at least 50% of their business being food. It would be impossible to have a cocktail lounge without food being the major portion of their business. Testimony showed that the marketplace is the best way to resolve this issue. Some restaurants have chosen on their own to have non-smoking environments even in their cocktail lounges while others have not. In either case, those testifying each claim their business grew and their customer base continued. Vote 10-4.

Rep. Martha Fuller Clark for the Minority of Commerce: The minority was very concerned about involuntary exposure by restaurant employees and children from secondhand smoke in public restaurants, given extensive testimony on the grave medical consequences due to exposure to such secondhand smoke. 58,000 Americans die annually from exposure to secondhand smoke. Our current smoking laws separating non-smokers from smokers in restaurants do not adequately protect non-smokers. Additional testimony was heard concerning entire communities in Massachusetts and elsewhere, including the state of California, that have a total ban on smoking in public restaurants. Such businesses actually have seen an increase in patronage since these bans went into effect. If New Hampshire is to control the escalating health care costs related to smoking, every effort must be made to protect both children and adults from the dangers of smoking, including secondhand smoke. This bill would go a long way in doing that and is a critical component of the anti-smoking bills before the legislature this session.

Reps. Holt and Arthur Pelletier spoke against.

Reps. Cooper and Hunt spoke in favor.

Rep. Arthur Pelletier requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

HB 650, relative to limited liability companies. OUGHT TO PASS WITH AMENDMENT

Rep. David T. Mittelman for Commerce: This bill as amended significantly enhances the viability of Limited Liability Companies (LLCs) by taking advantage of recent federal tax rules and making key non-tax improvements. In particular, HB 650 as amended: 1) permits single member LLCs; 2) gives LLC members a right to demand member meetings, rather than requiring annual meetings; 3) clarifies rules for removing members; 4) eliminates certain types of events that can trigger LLC dissolution; 5) modifies the right of departing members to receive immediate payment for their LLC interests; and 6) allows for mergers among LLCs and other types of business entities. An LLC has become the business form of choice because it combines the positive attributes of corporations and partnerships. The changes made by HB 650 will further encourage business formations and promote economic development. Vote 12-0.

Amendment (0687h)

Amend the bill by replacing all after the enacting clause with the following:

1 Corporate Filings. Amend RSA 293-A:1.22(a)(4) to read as follows:

(4) Articles *or certificate of*

merger *or articles of* share exchange

§ 35

2 New Sections; Mergers of Corporations With Limited Liability Companies and Limited Partnerships; Conversions. Amend RSA 293-A by inserting after section 11.07 the following new sections:

293-A:11.08 Merger of Corporation and Other Entities.

(a) As used in this section, "other entity" or "other entities" shall mean domestic or foreign limited liability companies and limited partnerships authorized by applicable statute to merge with a corporation.

(b) Any one or more corporations may merge with one or more other entities. Such corporation or corporations and such one or more other entities may merge with or into a corporation, which may be any one of such corporations, or they may merge with or into an other entity, which may be any one of such other entities, pursuant to an agreement or plan of merger complying and approved in accordance with this section and otherwise in compliance with this section.

(c) Each such corporation and other entity shall enter into a written agreement or plan of merger. The agreement shall state:

(1) The terms and conditions of the merger;

(2) The mode of carrying the same into effect;

(3) The manner of converting the shares of stock of each such corporation and the limited liability company or partnership interests of each such other entity into shares, limited liability company or partnership interests or other securities of the entity surviving such merger, and if any shares of any such corporation or any limited liability company or partnership interests of any such other entity are not to be converted solely into shares, limited liability company or partnership interests or other securities of the entity surviving such merger, the cash, property, rights or securities of any other corporation or entity which the holders of such shares or limited liability company or partnership interests are to receive in exchange for, or upon conversion of such shares or limited liability company or partnership interests and the surrender of any certificates evidencing such shares or interests, which cash, property, rights or securities of any other corporation or entity may be in addition to or in lieu of shares, limited liability company or partnership interests, or other securities of the entity surviving such merger; and

(4) Such other details or provisions as are deemed desirable, including, without limiting the generality of the foregoing, a provision for the payment of cash in lieu of the issuance of fractional shares or interests of the surviving corporation or other entity. Any of the terms of the agreement or plan of merger may be made dependent upon facts ascertainable outside of such agreement or plan, provided that the manner in which such facts shall operate upon the terms of the agreement or plan is clearly and expressly set forth in the agreement or plan of merger.

(d) The agreement or plan required by subsection (c) shall be adopted by the board of directors of each of the corporations and approved by the shareholders of each of the corporations to the extent required and in the same manner as is provided in RSA 293-A:11.03 and, in the case of the other entities, shall be approved in accordance with their limited liability company or partnership agreements and in accordance with the laws of the state under which they are formed, as the case may be.

(e) After a plan or agreement of merger is adopted and approved in the manner required by subsection (d), the surviving corporation or other entity shall deliver to the secretary of state for filing a certificate of merger setting forth:

(1) The name and jurisdiction of formation or organization of each business entity that is to merge;

(2) That an agreement or plan of merger has been approved, adopted, and executed by each business entity that is a party to the merger;

(3) The name of the surviving entity;

(4) If a corporation is the surviving entity of the merger, the plan of merger;

(5) If shareholder approval was not required, a statement to that effect;

(6) If approval of the shareholders of one or more corporations party to the merger was required:

(i) The designation, number of outstanding shares, and number of votes entitled to be cast by each voting group entitled to vote separately on the plan as to each corporation; and

(ii) Either the total number of votes cast for and against the plan by each voting group entitled to vote separately on the plan or the total number of undisputed votes cast for the plan separately by each voting group and a statement that the number cast for the plan by each voting group was sufficient for approval by that voting group;

(7) In the case of a merger in which a corporation is the surviving entity, such amendments or changes in the articles of incorporation of the surviving corporation as are desired to be effected by the merger; and

(8) If the surviving entity is not a corporation, that the executed agreement of merger is on file at the principal place of business of the surviving business entity and the address thereof and that a copy of the agreement of merger will be furnished by the surviving entity, on request and without cost, to any shareholder of any constituent corporation, any member of any constituent limited liability company, or any partner of a constituent limited partnership.

(f) A merger takes effect upon the effective date of the certificate of merger.

(g) Upon the merger taking effect, a surviving foreign corporation or other entity of a merger is deemed:

(1) To appoint the secretary of state as its agent for service of process in a proceeding to enforce any obligation or the rights of dissenting shareholders of each domestic corporation party to the merger; and

(2) To agree that it will promptly pay to the dissenting shareholders of each corporation party to the merger the amount, if any, to which they are entitled under RSA 293-A:13.01 through 293-A:13.31.

293-A:11.09 Approval of Conversion of a Corporation. A corporation may convert to a limited liability company organized under the laws of the state of New Hampshire upon the authorization of such conversion in accordance with this section and fulfillment of the requirements of RSA 304-C:17-a. The board of directors of the corporation shall adopt a plan of conversion and shall submit the plan of conversion for approval of the shareholders in the manner provided for shareholder approval of a plan of merger under RSA 293-A:11.03 for a merger requiring shareholder approval. After a plan of conversion is authorized and at any time before the certificate of conversion is filed, the planned conversion may be abandoned, subject to any contractual rights, without further shareholder action, in accordance with the procedures set forth in the plan of conversion, or if none is set forth, in the manner determined by the board of directors.

3 Definitions; Dissenter's Rights. Amend RSA 293-A:13.01(1) to read as follows:

(1) "Corporation" means the issuer of the shares held by a dissenter before the corporate action, or the surviving or acquiring corporation *or other entity* by merger ~~or~~, share exchange, *or conversion* of that issuer.

4 Court Action on Appraisal Shares. Amend RSA 293-A:13.30(b) to read as follows:

(b) The corporation shall commence the proceeding in the superior court of the county where a corporation's principal office, or, if none in this state, its registered office, is located. If the corporation is a foreign corporation *or other entity* without a registered office in this state, it shall commence the proceeding in the county in this state where the registered office of the domestic corporation merged with *or converted into* or whose shares were acquired by the foreign corporation *or other entity* was located.

5 New Subparagraph; Right to Dissent to Conversion. Amend RSA 293-A:13.02(a) by inserting after subparagraph (5) the following new subparagraph:

(6) Consummation of a plan of conversion to which the corporation is a party converting to another entity.

6 Registered Limited Liability Partnership; Effective Date. Amend RSA 304-A:44, III to read as follows:

III. A partnership becomes a registered limited liability partnership at the ~~[time]~~ *close of business on the date* of the filing of the initial registration with the secretary of state or at ~~[any later]~~ *the effective time or the delayed effective time* and date not later than the ninetieth day after the date the registration is filed, specified in the registration, if, in ~~[either]~~ *any* case, there has been substantial compliance with the requirements of this chapter. A partnership continues as a registered limited liability partnership if there has been substantial compliance with the requirements of this chapter. The status of a partnership as a registered limited liability partnership and the liability of a partner of such registered limited liability partnership shall not be adversely affected by errors or subsequent changes in the information stated in a registration under paragraph I of this section.

7 New Paragraphs; Registered Limited Liability Partnership Filing Requirements. Amend RSA 304-A:51 by inserting after paragraph IV the following new paragraphs:

V. Except as provided in paragraph VI, a document accepted for filing is effective:

(a) At the close of business on the date it is filed, as evidenced by the secretary of state's date endorsement of the original document; or

(b) At the time specified in the document as its effective time on the date it is filed.

VI. A document filed in the office of the secretary of state may specify a delayed effective time and date, and if it does so the document becomes effective at the time and date specified. If a delayed effective date but no time is specified, the document is effective as of the close of business on that date. A delayed effective date for a document shall not be later than the ninetieth day after the date it is filed.

8 Reserved Power of State. Amend RSA 304-A:54 to read as follows:

304-A:54 Reserved Power of State of New Hampshire to Amend or Repeal Chapter. All provisions of this chapter may be amended from time to time or repealed, and all rights of ~~[members and managers]~~ *partners* are subject to this reservation.

9 New Subdivision; Partnerships; Conversions and Mergers. Amend RSA 304-A by inserting after section 55 the following new subdivision:

304-A:56 Conversion of Partnership to Limited Partnership or Limited Liability Company.

I. A partnership may be converted to a limited partnership or a limited liability company pursuant to this section.

II. The terms and conditions of a conversion of a partnership to a limited partnership or a limited liability company must be approved by all of the partners.

III. After the conversion is approved by the partners, the partnership shall file a certificate of conversion together with a certificate of limited partnership, in the case of a conversion to a limited partnership, or a certificate of formation, in the case of a conversion to a limited liability company, in the jurisdiction in which the limited partnership or the limited liability company is to be formed and in accordance with the laws applicable to such other entity. The certificate of conversion must include:

- (a) A statement that the partnership was converted to a limited partnership or a limited liability company from a partnership;
- (b) Its former name; and
- (c) A statement that all of the partners approved the conversion.

IV. The conversion takes effect upon the effective date and time of the certificate of limited partnership or the certificate of formation of the limited liability company, as the case may be.

V. A general partner who becomes a limited partner of a limited partnership or a member of a limited liability company as a result of the conversion remains liable as a general partner for an obligation incurred by the partnership before the conversion takes effect. If the other party to a transaction with the limited partnership or limited liability company reasonably believes when entering the transaction that the limited partner or member is a general partner, the limited partner or member is liable for an obligation incurred by the limited partnership or limited liability company within 90 days after the conversion takes effect. The liability of the limited partner or member for all other obligations of the limited partnership or the limited liability company incurred after the conversion takes effect is that of a limited partner or a member, as the case may be, as provided in RSA 304-B and RSA 304-C.

304-A:57 Conversion of Limited Partnership or Limited Liability Company to Partnership.

I. A limited partnership or a limited liability company may be converted to a partnership pursuant to this section and the laws applicable to such entities.

II. After the conversion is approved by the partners of a limited partnership in accordance with applicable law, the limited partnership shall cancel its certificate of limited partnership.

III. After the conversion is approved by the members of a limited liability company in accordance with applicable law, the limited liability company shall file a certificate of cancellation in the manner required by applicable law.

IV. The conversion takes effect upon the effective date and time of the certificate of cancellation of the limited partnership or the certificate of cancellation of the limited liability company, as the case may be.

V. A limited partner of a limited partnership or a member of a limited liability company who becomes a general partner as a result of the conversion remains liable only as a limited partner or a member for an obligation incurred by the limited partnership or the limited liability company before the conversion takes effect and is liable as a general partner for an obligation of the partnership incurred after the conversion takes effect.

304-A:58 Effect of Conversion; Entity Unchanged.

I. A partnership, limited partnership, or limited liability company that has been converted pursuant to RSA 304-A:56 or 304-A:57 is for all purposes the same entity that existed before the conversion.

II. When a conversion takes effect:

- (a) All property owned by the converting partnership, limited partnership, or limited liability company remains vested in the converted entity;
- (b) All obligations of the converting partnership, limited partnership, or limited liability company continue as obligations of the converted entity; and
- (c) An action or proceeding pending against the converting partnership, limited partnership or limited liability company may be continued as if the conversion had not occurred.

304-A:59 Merger of Partnerships.

I. Pursuant to a plan of merger approved as provided in paragraph III, a partnership may be merged with one or more partnerships, or with one or more limited partnerships or limited liability companies to the extent permitted by the laws applicable to such entities.

II. The plan of merger must set forth:

- (a) The name of each partnership, limited partnership, or limited liability company that is a party to the merger;
- (b) The name of the surviving entity into which the other partnerships, limited partnerships, or limited liability companies will merge;
- (c) Whether the surviving entity is a partnership, a limited partnership, or a limited liability company and the status of each partner;
- (d) The terms and conditions of the merger;
- (e) The manner and basis of converting the interests of each party to the merger into interests or obligations of the surviving entity, or into money or other property in whole or part; and
- (f) The street address of the surviving entity's chief executive office.

III. The plan of merger must be approved:

- (a) In the case of a partnership that is a party to the merger, by all of the partners;
- (b) In the case of a limited partnership that is a party to the merger, by the vote required for approval of a merger by the law of the state or foreign jurisdiction in which the limited partnership is organized and, in the absence of such a specifically applicable law, by all of the partners, notwithstanding a provision to the contrary in the partnership agreement; and
- (c) In the case of a limited liability company that is a party to the merger by the vote required by the law of the jurisdiction in which the limited liability company is organized.

IV. After a plan of merger is approved and before the merger takes effect, the plan may be amended or abandoned as provided in the plan.

V. A merger takes effect:

- (a) If a certificate of merger is required to be filed pursuant to RSA 304-A:61, upon the effective date of the certificate of merger; or
- (b) If a certificate of merger is not required to be filed pursuant to RSA 304-A:61, upon the approval of the plan of merger by all parties to the merger as provided in paragraph III unless the plan of merger specifies a delayed effective date and time, in which event the merger shall take effect upon such specified date and time.

304-A:60 Effect of Merger.

I. When a merger takes effect:

- (a) The separate existence of every partnership, limited partnership, or limited liability company that is a party to the merger, other than the surviving entity, ceases;
- (b) All property owned by each of the merged partnerships, limited partnerships, or limited liability companies vests in the surviving entity;
- (c) All obligations of every partnership, limited partnership, or limited liability company that is a party to the merger become the obligations of the surviving entity; and
- (d) An action or proceeding pending against a partnership, limited partnership, or limited liability company that is a party to the merger may be continued as if the merger had not occurred, or the surviving entity may be substituted as a party to the action or proceeding.

II. The secretary of state is the agent for service of process in an action or proceeding against a surviving foreign partnership, limited partnership, or limited liability company to enforce an obligation of a domestic partnership, limited partnership, or limited liability company that is a party to a merger. The surviving entity shall promptly notify the secretary of state of the mailing address of its chief executive office and of any change of address. Upon receipt of process, the secretary of state shall mail a copy of the process to the surviving foreign partnership, limited partnership, or limited liability company.

III. A partner of a surviving partnership or limited partnership is liable for:

- (a) All obligations of a party to the merger for which the partner was personally liable before the merger;
- (b) All other obligations of the surviving entity incurred before the merger by a party to the merger, but those obligations may be satisfied only out of property of the entity; and
- (c) All obligations of the surviving entity incurred after the merger takes effect, but those obligations may be satisfied only out of property of the entity if the partner is a limited partner.

IV. If the obligations incurred before the merger by a partnership that is a party to the merger are not satisfied out of the property of the surviving entity, the partners of that party immediately before the effective date of the merger shall contribute the amount necessary to satisfy that party's obligations to the surviving entity, in the manner provided in RSA 304-A:40 or in the limited partnership act of the jurisdiction in which the party was formed, as the case may be, as if the merged party were dissolved.

304-A:61 Certificate of Merger.

I. In a merger of a limited liability company, registered limited liability partnership, or a limited partnership with a partnership in which a partnership is the surviving entity, the surviving entity shall file in the office of the secretary of state a certificate of merger, together with payment of a filing fee of \$35.

II. A certificate of merger must contain:

- (a) The name of each partnership, limited partnership, or limited liability company that is a party to the merger;

(b) The name of the surviving entity into which the other entities were merged;

(c) The street address of the surviving entity's chief executive office and of an office in this state, if any;

(d) A statement that the executed agreement of merger is on file at the principal place of business of the surviving business entity and the address thereof; and

(e) A statement that a copy of the agreement of merger will be furnished by the surviving partnership, on request and without cost, to any limited partner of any constituent limited partnership or any member of any constituent limited liability company.

III. Except as otherwise provided in paragraph IV, for the purposes of RSA 304-A:10, property of a surviving partnership which before the merger was held in the name of another party to the merger is property held in the name of the surviving entity upon filing a statement of merger.

IV. For the purposes of RSA 304-A:10, real property of a surviving partnership which before the merger was held in the name of another party to the merger is property held in the name of the surviving entity upon recording a certified copy of the certificate of merger, if a certificate of merger is required by paragraph I, and otherwise a certificate of merger satisfying the requirements of paragraph II acknowledged by all persons executing the certificate, in the registry of deeds of the county in which the real property is located.

V. A filed and, if appropriate, recorded certificate of merger, stating the name of a partnership, limited partnership, or limited liability company that is a party to the merger in whose name property was held before the merger and the name of the surviving entity, but not containing all of the other information required by paragraph II, operates with respect to the partnerships, limited partnerships, or limited liability companies named to the extent provided in paragraphs III and IV.

304-A:62 Nonexclusive. This subdivision is not exclusive. Partnerships may be converted or merged in any other manner provided by law.

10 Certificate of Limited Partnership; Effective Date. Amend RSA 304-B:8, II to read as follows:

II. A limited partnership is formed at the [time] *close of business on the date* of the filing of the certificate of limited partnership in the office of the secretary of state, together with the certificate required by RSA 421-B:13, I-a(b), or ~~any later time~~ *the effective time or the delayed effective time and date* specified in accordance with RSA 304-B:13, IV in the certificate of limited partnership if, in [either] any case, there has been substantial compliance with the requirements of this section.

11 Cancellation of Certificate; Effective Date. Amend RSA 304-B:10, IV to read as follows:

IV. The effective date [~~which shall be a date certain~~] *and time* of cancellation if it is not to be effective upon *the close of business on the date* of the filing of the certificate; and

12 Execution of Certificates. Amend RSA 304-B:11, I to read as follows:

I. Each certificate required by this [subdivision] *chapter* to be filed in the office of the secretary of state shall be executed in the following manner:

(a) An original certificate of limited partnership must be signed by all general partners;

(b) A certificate of amendment must be signed by at least one general partner and by each other general partner designated in the certificate as a new general partner; ~~and~~

(c) A certificate of cancellation must be signed by all general partners[-]; *and*

(d) *A certificate of merger and a certificate of conversion must be signed by all the general partners.*

13 Filing in Office Of Secretary of State; Certificate of Limited Partnership. Amend RSA 304-B:13 to read as follows:

304-B:13 Filing in Office of Secretary of State.

I. Two signed copies of the certificate of limited partnership and of any certificates of amendment or cancellation (or of any judicial decree of amendment or cancellation) *and of any certificate of merger or certificate of conversion* shall be delivered to the secretary of state. A person who executes a certificate as an agent or fiduciary need not exhibit evidence of [his] authority as a prerequisite to filing. Unless the secretary of state finds that any certificate does not conform to law, upon receipt of all filing fees required by law ~~he~~ *the secretary of state* shall:

(a) Endorse on each duplicate original the word "filed" and the day, month and year of the filing thereof;

(b) File one duplicate original in [his] *the secretary of state's* office; and

(c) Return the other duplicate original to the person who filed it or [his] *the person's* representative.

II. Upon the ~~[filing]~~ *effective date and time* of a certificate of amendment (or judicial decree of amendment) in the office of the secretary of state, the certificate of limited partnership shall be amended as set forth therein, and upon the effective date *and time* of a certificate of cancellation (or a judicial decree thereof), the certificate of limited partnership is cancelled.

III. Except as provided in paragraph IV, a document accepted for filing is effective:

(a) At the close of business on the date it is filed, as evidenced by the secretary of state's date endorsement of the original document; or

(b) At the time specified in the document as its effective time on the date it is filed.

IV. A document filed in the office of the secretary of state may specify a delayed effective time and date, and if it does so the document becomes effective at the time and date specified. If a delayed effective date but no time is specified, the document is effective as of the close of business on that date. A delayed effective date for a document shall not be later than the ninth day after the date it is filed.

14 New Subdivisions; Limited Partnership; Mergers and Conversions; Dissenters' Rights. Amend RSA 304-B by inserting after section 16 the following new subdivisions:

Mergers and Conversions

304-B:16-a Merger.

I. As used in this section, "other business entity" means a domestic or foreign corporation, limited liability company, or partnership, whether general or limited, that is authorized by applicable statute to merge with a limited partnership.

II. Pursuant to an agreement of merger, a limited partnership may merge with or into one or more limited partnerships or other business entities, with such limited partnership or such other business entity as the agreement shall provide being the surviving limited partnership or other business entity.

III. Each such limited partnership and other entity shall enter into a written agreement or plan of merger. The agreement shall state:

(a) The terms and conditions of the merger;

(b) The mode of carrying the same into effect;

(c) The manner of converting the partnership interests of each such limited partnership and the shares or the limited liability company or partnership interests of each such other entity into shares, limited liability company or partnership interests, or other securities of the entity surviving from such merger, and if any partnership interests of any such limited partnership or any shares limited partnership or limited liability company or partnership interests of any such other entity are not to be converted solely into shares, limited liability company or partnership interests, or other securities of the entity surviving from such merger, the cash, property, rights or securities of any other corporation or entity which the holders of such shares or limited liability company or partnership interests are to receive in exchange for, or upon conversion of such shares or limited partnership or limited liability company interests and the surrender of any certificates evidencing such shares or interests which cash, property, rights or securities of any other corporation or entity may be in addition to or in lieu of shares, limited liability company or partnership interests, or other securities of the entity surviving from such merger; and

(d) Such other details or provisions as are deemed desirable, including, without limiting the generality of the foregoing, a provision for the payment of cash in lieu of the issuance of fractional shares or interests of the surviving corporation or other entity. Any of the terms of the agreement or plan of merger may be made dependent upon facts ascertainable outside of such agreement or plan provided that the manner in which such facts shall operate upon the terms of the agreement or plan is clearly and expressly set forth in the agreement or plan of merger.

IV. Unless otherwise provided in the partnership agreement, a merger shall be approved by each limited partnership which is to merge (1) by all general partners, and (2) by the limited partners or, if there is more than one class or group of limited partners, then by each class or group of limited partners, in either case, by limited partners who own more than 50 percent of the then current percentage or other interest in the profits of the limited partnership owned by all of the limited partners or by the limited partners in each class or group, as appropriate. In connection with a merger hereunder, rights or securities of, or interests in, a limited partnership or other business entity which is a constituent party to the merger may be exchanged for or converted into cash, property, rights or securities of, or interests in, the surviving limited partnership or other business entity or, in addition to or in lieu thereof, may be exchanged for or converted into cash, property, rights or securities of, or interests in, a limited partner-

ship or other business entity which is not the surviving limited partnership or other business entity in the merger. Notwithstanding prior approval, an agreement of merger may be terminated or amended pursuant to a provision for such termination or amendment contained in the agreement of merger at any time before the certificate of merger is filed.

V. If a limited partnership is merging under this section, the limited partnership or other business entity surviving in the merger shall file in the office of the secretary of state a certificate of merger setting forth:

(a) The name and jurisdiction of formation or organization of each of the limited partnerships or other business entities which is to merge;

(b) That an agreement of merger has been approved and executed by each of the limited partnerships or other business entities which is to merge;

(c) The name of the surviving limited partnership or other business entity;

(d) If a corporation is the surviving entity of the merger, the plan of merger;

(e) If shareholder approval of any corporation party to the merger was not required, a statement to that effect;

(f) If approval of the shareholders of one or more corporations party to the merger or share exchange was required:

(1) The designation, number of outstanding shares, and number of votes entitled to be cast by each voting group entitled to vote separately on the plan as to each corporation; and

(2) Either the total number of votes cast for and against the plan by each voting group entitled to vote separately on the plan or the total number of undisputed votes cast for the plan separately by each voting group and a statement that the number cast for the plan by each voting group was sufficient for approval by that voting group.

(g) In the case of a merger in which a corporation is the surviving entity, such amendments or changes in the articles of incorporation of the surviving corporation as are desired to be effected by the merger, or, if no such amendments or changes are desired, a statement that the articles of incorporation of the surviving corporation shall be its articles of incorporation;

(h) If the surviving business entity is not a corporation, that the executed agreement of merger is on file at the principal place of business of the surviving business entity and the address thereof;

(i) That a copy of the agreement of merger will be furnished by the surviving limited partnership or other business entity, on request and without cost, to any partner or any limited partnership or any person holding an interest in any other business entity which is to merge;

VI. Upon the merger taking effect, a surviving foreign other entity of a merger is deemed:

(a) To appoint the secretary of state as its agent for service of process in a proceeding to enforce any obligation or the rights of dissenting partners of each limited partnership party to the merger; and

(b) To agree that it will promptly pay to the dissenting parties of each limited partnership party to the merger or share exchange the amount, if any, to which they are entitled under RSA 304-C:16-b.

VII. A merger shall be effective upon the effective date and time of the certificate of merger.

VIII. A certificate of merger shall act as a certificate of cancellation for a domestic limited partnership which is not the surviving entity in the merger.

IX. Notwithstanding anything to the contrary contained in a partnership agreement, a partnership agreement containing a specific reference to this paragraph may provide that an agreement of merger approved in accordance with paragraph VII of this section may (1) effect any amendment to the partnership agreement or (2) effect the adoption of a new partnership agreement for a limited partnership if it is the surviving limited partnership in the merger. Any amendment to a partnership agreement or adoption of a new partnership agreement made pursuant to the foregoing sentence shall be effective at the effective time or date of the merger. The provisions of this paragraph shall not be construed to limit the accomplishment of a merger or of any of the matters referred to herein by any other means provided for in a partnership agreement or other agreement or as otherwise permitted by law, including that the partnership agreement of any constituent limited partnership to the merger (including a limited partnership formed for the purpose of consummating a merger) shall be the partnership agreement of the surviving limited partnership.

X. When any merger shall have become effective under this section, for all purposes of the laws of the state of New Hampshire, all of the rights, privileges and powers of each of the limited partnerships and other business entities that have merged, and all property, real, personal and mixed, and all debts due to any of said limited partnerships and other business entities, as well as all other things and causes of action belonging to each of such limited partnerships and other business entities, shall be vested in the surviving limited partnership or other business entity, and shall thereafter be the property of the surviving limited partnership or other business entity as they were of each of the limited partnerships and other business entities that have merged, and the title to any real property vested by deed or otherwise, under the laws of the state of New Hampshire, in any of such limited partnerships and other business entities, shall not revert or be in any way impaired by reason of this chapter; but all rights of creditors and all liens upon any property of any of said limited partnerships and other business entities shall be preserved unimpaired, and all debts, liabilities and duties of each of the limited partnerships and other business entities that have merged shall thenceforth attach to the surviving limited partnership or other business entity, and may be enforced against it to the same extent as if said debts, liabilities, and duties had been incurred or contracted by it. Unless otherwise agreed, a merger of a limited partnership, including a limited partnership which is not the surviving entity in the merger, shall not require such limited partnership to wind up its affairs under RSA 304-B:46 or pay its liabilities and distribute its assets under RSA 304-B:47.

XI. Except as provided by agreement with a person to whom a general partner of a limited partnership is obligated, a merger of a limited partnership that has become effective shall not affect any obligation or liability existing at the time of such merger of a general partner of a limited partnership which is merging.

XII. If a limited partnership is a constituent party to a merger that shall have become effective, but the limited partnership is not the surviving entity of the merger, then a judgment creditor of a general partner of such limited partnership may not levy execution against the assets of the general partner to satisfy a judgment based on a claim against the surviving entity of the merger unless:

(a) a judgment based on the same claim has been obtained against the surviving entity of the merger and a writ of execution on the judgment has been returned unsatisfied in whole or in part;

(b) The surviving entity of the merger is a debtor in bankruptcy;

(c) The general partner has agreed that the creditor need not exhaust the assets of the limited partnership that was not the surviving entity of the merger;

(d) The general partner has agreed that the creditor need not exhaust the assets of the surviving entity of the merger;

(e) A court grants permission to the judgment creditor to levy execution against the assets of the general partner based on a finding that the assets of the surviving entity of the merger that are subject to execution are clearly insufficient to satisfy the judgment, that exhaustion of the assets of the surviving entity of the merger is excessively burdensome, or that the grant of permission is an appropriate exercise of the court's equitable powers; or

(f) Liability is imposed on the general partner by law or contract independent of the existence of the surviving entity of the merger.

304-B:16-b Approval of Conversion of a Limited Partnership. A limited partnership may convert to an other business entity, as defined in RSA 304-B:16-a, I, other than a limited partnership, upon the authorization of such conversion in accordance with this section and to the extent authorized by and in accordance with the laws applicable to conversion to such other business entity. If the partnership agreement specifies the manner of authorizing a conversion of the limited partnership, the conversion shall be authorized as specified in the partnership agreement. If the partnership agreement does not specify the manner of authorizing a conversion of the limited partnership and does not prohibit a conversion of the limited partnership, the conversion shall be authorized in the same manner as is specified in the partnership agreement for authorizing a merger that involves the limited partnership as a constituent party to the merger. If the partnership agreement does not specify the manner of authorizing a conversion of the limited partnership or a merger that involves the limited partnership as a constituent party and does not prohibit a conversion of the limited partnership, the conversion shall be authorized by the approval (1) by all general partners, and (2) by the limited partners or, if there is more than one class or group of limited partners, then by each

class or group of limited partners, in either case, by limited partners who own more than 50 percent of the then current percentage or other interest in the profits of the limited partnership owned by all of the limited partners or by the limited partners in each class or group, as appropriate.

Dissenters' Rights

304-B:16-c Definitions and Construction. In this subdivision:

I. "Dissenter" means a limited partner who is entitled to dissent from limited partnership action under RSA 304-B:16-d and who exercises that right when and in the manner required under this subdivision.

II. "Fair value" means the value of the dissenter's partnership interest of a limited partnership immediately before the effective date of the limited liability action referred to in RSA 304-B:16-d, excluding any appreciation or depreciation in anticipation of the limited partnership action.

III. "Interest" means interest from the effective date of the action referred to in RSA 304-B:16-d that gave rise to the limited partner's right to dissent until the date of payment, at the average auction rate paid on United States treasury bills with a maturity of 6 months (or the closest maturity thereto) as of the auction date for such treasury bills closest to such effective date.

IV. "Limited partnership" means a limited partnership whose limited partners have obtained rights to dissent under RSA 304-B:16-d and includes any successor by merger or conversion.

304-B:16-d Dissenters' Rights.

I. A limited partner is entitled to dissent from, and obtain payment of the fair value of the limited partner's partnership interest upon either of the following actions:

(a) Consummation of a plan of merger to which the limited partnership is a party.

(b) Consummation of a plan of conversion of the limited partnership to some other business entity.

II. A limited partner entitled to dissent and obtain payment for such limited partner's partnership interest under this subdivision may not challenge the limited partnership action creating such limited partner's entitlement unless the action is unlawful or fraudulent with respect to the limited partner or the limited partnership.

304-B:16-e Notice of Dissenters' Rights.

I. If the proposed action of the limited partnership creating dissenters' rights under RSA 304-B:16-d is submitted to a vote at a meeting of the limited partners, the meeting notice must state that limited partners are or may be entitled to assert dissenters' rights under this subdivision and be accompanied by a copy of this subdivision.

II. If the limited partnership action creating dissenters' rights under RSA 304-B:16-d is taken without a vote of the limited partners, the limited partnership shall notify in writing all limited partners entitled to assert dissenters' rights that the action was taken and send them the dissenters' notice described in RSA 304-B:16-g.

III. A limited partnership's failure to give notice pursuant to this section shall not invalidate the limited partnership action.

304-B:16-f Notice of Intent to Demand Payment.

I. If proposed action of a limited partnership creating dissenters' rights under RSA 304-B:16-d is submitted to a vote at a meeting of the limited partners, a limited partner who wishes to assert dissenters' rights shall:

(a) Deliver to the limited partnership before the vote is taken a written notice of the member's intent to demand payment for the limited partner's limited partnership interest if the proposed action is effectuated.

(b) Not vote the limited partner's limited partnership interest in favor of the proposed action.

II. No such written notice of intent to demand payment is required of any limited partner to whom the limited partnership has failed to provide the notice required by RSA 304-B:16-e.

III. A limited partner who does not satisfy the requirements of this section is not entitled to payment for such limited partner's limited partnership interest under this subdivision.

304-B:16-g Dissenters' Notice.

I. If proposed action of a limited partnership creating dissenters' rights under RSA 304-B:16-d is authorized at a meeting of the limited partners, the limited partnership shall deliver a written dissenters' notice to all limited partners who have satisfied the requirements of RSA 304-B:16-f.

II. The dissenters' notice must be sent no later than 10 days after the action of the limited partnership was authorized by the members or effectuated, whichever is the first to occur, and shall:

(a) State where the payment demand shall be sent;

(b) Supply a form for demanding payment that includes the date of the first announcement to news media or to limited partners of the principal terms of the proposed limited partnership action and requires that the person asserting dissenters' rights certify whether or not the limited partner acquired the limited partnership interest before that date;

(c) Set a date by which the limited partnership must receive the payment demand, which date may not be fewer than 30 days and not more than 60 days after the date of the notice required by paragraph II is sent; and

(d) Be accompanied by a copy of this subdivision if the limited partnership has not previously sent a copy of this subdivision to the limited partner pursuant to RSA 304-B:16-e.

304-B:16-h Duty to Demand Payment.

I. A limited partner sent a dissenters' notice described in RSA 304-B:16-g must demand payment and certify whether the limited partner acquired the limited partnership interest before the date required to be set forth in the dissenters' notice pursuant to RSA 304-B:16-g.

II. A limited partner who demands payment under paragraph I retains all of the rights of a limited partner until those rights are canceled or modified by consummation of the proposed action of the limited partnership.

III. A limited partner who does not demand payment by the date set forth in the dissenters' notice is not entitled to payment of fair value for such limited partner's partnership interest under this subdivision.

IV. A demand for payment filed by a limited partner may not be withdrawn unless the limited partnership with which it was filed or the surviving limited partnership or other business entity consents to such withdrawal.

304-B:16-i Payment.

I. Except as provided in RSA 304-B:16-k, as soon as the proposed limited partnership action is effectuated, or upon receipt of a payment demand, whichever is later, the limited partnership shall pay each dissenter who complied with RSA 304-B:16-h the amount the limited partnership estimates to be the fair value of such dissenter's partnership interest, plus accrued interest.

II. The payment shall be accompanied by:

(a) The limited partnership's balance sheet as of the end of a fiscal year ending not more than 16 months before the date of payment, an income statement for that year, and the latest available interim financial statements, if any;

(b) A statement of the limited partnership's estimate of the fair value of the limited partnership interest;

(c) An explanation of how the value of the limited partnership interest was calculated;

(d) A statement of the dissenter's right to demand payment under RSA 304-B:16-l; and

(e) A copy of this subdivision, if the limited partnership has not previously sent a copy of this subdivision to the limited partner pursuant to RSA 304-B:16-e or RSA 304-B:16-g.

304-B:16-j Failure to Take Action. If the limited partnership does not effectuate the proposed action that gave rise to the dissenters' rights within 60 days after the date set for demanding payment, it shall send a new dissenters' notice under RSA 304-B:16-e and repeat the payment demand procedure if it effectuates the proposed action.

304-B:16-k After-Acquired Limited Partnership Interests.

I. A limited partnership may elect to withhold payment required by RSA 304-B:16-i from a dissenter unless the dissenter was a limited partner before the date set forth in the dissenters' notice as the date of the first announcement to news media or to limited partners of the principal terms of the proposed limited partnership action.

II. To the extent the limited partnership elects not to withhold payment under paragraph I, after effectuating the proposed limited partnership action, it shall estimate the fair value of the limited partnership interest, plus accrued interest, and shall pay this amount to each dissenter who agrees to accept it in full satisfaction of the dissenter's demand. The limited partnership shall send with its offer a statement of its estimate of the fair value of the limited partnership interest, an explanation of how the interest was calculated, and a statement of the dissenter's right to demand payment under RSA 304-B:16-l.

304-B:16-l Procedure if Limited Partner Dissatisfied With Payment of Offer.

I. A dissenter may notify the limited partnership in writing of the dissenter's own estimate of the fair value of such dissenter's limited partnership interest and amount of interest due, and de-

mand payment of the dissenter's estimate (less any payment under RSA 304-B:16-i), or reject the limited partnership's offer under RSA 304-B:16-k; and demand payment of the fair value of the limited partnership interest and interest due, if:

(a) The dissenter believes that the amount paid under RSA 304-B:16-i or offered under RSA 304-B:16-k is less than the fair value of such dissenter's limited partnership interest or that the interest due is incorrectly calculated; or

(b) The limited partnership fails to make payment under RSA 304-B:16-i within 60 days after the date set for demanding payment.

II. A dissenter waives the right to demand payment under this section unless the dissenter notifies the limited partnership of such dissenter's demand in writing under paragraph I within 30 days after the limited partnership made or offered payment for such dissenter's limited partnership interest.

304-B:16-m Court Action.

I. If a demand for payment under RSA 304-B:16-l remains unsettled, the limited partnership shall commence a proceeding within 60 days after receiving the payment demand and petition the court to determine the fair value of the limited partnership interest and accrued interest. If the limited partnership does not commence the proceeding within the 60-day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.

II. The limited partnership shall commence the proceeding in superior court of the county where the limited partnership's principal executive office (or, if none in this state, its registered office) is located. If the limited partnership is a foreign entity without a registered office in this state, it shall commence the proceeding in the county in this state where the registered office of the domestic limited partnership merged with or converted into the foreign entity was located.

III. The limited partnership shall make all dissenters (whether or not residents of this state) whose demands remain unsettled parties to the proceeding as in an action against their limited partnership interests, and all parties must be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law.

IV. The jurisdiction of the court in which the proceeding is commenced under paragraph II is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the powers described in the order appointing them, or in any amendment to it. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

V. Each dissenter made a party to the proceeding is entitled to judgment:

(a) For the amount, if any, by which the court finds the fair value of the dissenter's partnership interest plus accrued interest exceeds the amount paid by the limited partnership; or

(b) For the fair value, plus accrued interest, of such dissenter's after-acquired partnership interests for which the limited partnership elected to withhold payment under RSA 304-B:16-k.

VI. The limited partnership is entitled to judgment against each specific dissenter for the amount, if any, by which the court finds the fair value of such dissenter's partnership interest, plus accrued interest, is less than the amount paid by the limited partnership to each dissenter.

304-B:16-n Court Costs and Counsel Fees.

I. The court in an appraisal proceeding commenced under RSA 304-B:16-m shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court shall assess the costs against the limited partnership, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds the dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment under RSA 304-B:16-l.

II. The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

(a) Against the limited partnership and in favor of any or all dissenters if the court finds the limited partnership did not substantially comply with the requirements of RSA 304-B:16-d through 304-B:16-l.

(b) Against either the limited partnership or a dissenter, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this subdivision.

III. If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated and that the fees for those services should not be assessed against the limited partnership, the court may award to these counsel reasonable fees to be paid out of the amounts awarded to the dissenters who were benefited.

304-B:16-o Procedures as to Assignees of Financial Rights.

I. When an assignment of all or a portion of a limited partnership interest is in effect and a copy delivered to the limited partnership prior to the action described in RSA 304-B:16-i, then as to that limited partnership interest the provisions of RSA 304-B:16-c through 304-B:16-n must be followed subject to the requirements of this section.

II. If the limited partner has not ceased to be a partner upon assignment of the limited partner's partnership interest prior to the action described in RSA 304-B:16-i, all rights to be exercised and actions to be taken by a limited partner under RSA 304-B:16-d through 304-B:16-n shall be taken by the limited partner and not by an assignee of the limited partner's partnership interest. As between the limited partnership and the assignees, the actions taken or omitted by the limited partner bind the assignees, and the following requirements shall apply:

(a) Instead of remitting a payment under RSA 304-B:16-i, the limited partnership shall forward to the dissenter limited partner:

(1) The materials described in RSA 304-B:16-i, II;

(2) An offer to pay the amount listed in the materials, with that amount to be allocated among and paid to the limited partner and the assignees of the limited liability company interest according to the terms of the assignments reflected in the required records; and

(3) A statement of that allocation.

(b) If the dissenter limited partner accepts the amount of the offer made under subparagraph (a) but disputes the allocation, the dissenter shall promptly so notify the limited partnership and within 60 days after the notification commence a proceeding and petition the court to determine the proper allocation. The limited partner shall commence the proceeding in superior court of the county in which the principal office of the limited partnership (or if none, its registered office) is located, or in the case of a surviving foreign limited partnership or other entity that is complying with this section following a merger with or conversion of limited partnership, the limited partner shall commence the proceeding in superior court the county in this state in which the last registered office of the limited partnership was located. The petition shall name as parties the limited partner, the limited partnership and all assignees of the limited partner's limited partnership interest. Upon being served with the petition, the limited partnership shall promptly pay into the court the amount offered under paragraph II and shall then be dismissed from the proceeding.

(c) If the dissenter considers the amount offered under subparagraph (a) inadequate, the dissenter may decline the offer and demand payment under RSA 304-B:16-l. If the dissenter makes demand for payment, RSA 304-B:16-m and 304-B:16-n apply with the court having jurisdiction also to determine the correctness of the allocation.

(d) If the limited partner fails to take action under either subparagraph (b) or (c), then:

(1) As to the limited partnership, both the member and the assignees of the limited partner's limited partnership interests are limited to the amount and allocation offered under subparagraph (a); and

(2) The limited partnership discharges its obligation of payment by making payment according to the amount and allocation offered under subparagraph (a).

III. If the limited partner has ceased to be a limited partner upon assignment of the limited partner's partnership interest, the assignees of the limited partner's partnership interest shall be entitled to exercise all rights of the limited partner pursuant to RSA 304-B:16-d through 304-B:16-n.

15 New Paragraph; Limited Partnerships; Certificate of Merger Fee. Amend RSA 304-B:64 by inserting after paragraph III the following new paragraph:

IV. For a certificate of merger, \$35.

16 New Paragraph; Limited Liability Companies; Definition; Business Entity. Amend RSA 304-C:1 by inserting after paragraph I the following new paragraph:

I-a. "Business entity" means a domestic or foreign limited liability company, corporation, general partnership, or limited partnership.

17 Limited Liability Companies; Definitions. Amend RSA 304-C:1, V and the introductory paragraph of 304-C:1, VI to read as follows:

V. "Limited liability company" and "domestic limited liability company" mean a limited liability company formed under the laws of New Hampshire and having [2] *one* or more members.

VI. "Limited liability company agreement" means a written agreement of the members *or a document adopted by the sole member* as to the affairs of a limited liability company and the conduct of its business. A limited liability company agreement or another written agreement or writing:

18 Limited Liability Company; Filing Requirements. Amend RSA 304-C:2, VI(c) to read as follows:

(c) If the limited liability company is in the hands of a receiver, [trustee] *executor*, or other court appointed fiduciary, *trustee, or other fiduciary*, by that fiduciary.

19 Mergers and Conversions. Amend the subdivision heading preceding RSA 304-C:18 to read as follows:

Merger and Conversion

20 New Sections; Conversions of or to a Limited Liability Company. Amend RSA 304-C by inserting after section 17 the following new sections in the subdivision "merger and conversion":

304-C:17-a Conversion of Other Business Entities to Limited Liability Companies.

I. Any business entity may convert to a limited liability company by complying with the requirements of this section.

II. Each business entity that proposes to convert to a limited liability company shall approve a plan of conversion in the manner and by the vote required by the laws applicable to such business entity.

III. A plan of conversion shall set forth the terms and conditions of the conversion of the shares of stock of a corporation, the partnership interests of a partnership or a limited partnership or other equity interests in the converting business entity, as the case may be, into interests in the limited liability company or cash or other consideration to be paid or delivered as a result of the conversion.

IV. A business entity converting to a limited liability company shall file with the secretary of state:

(a) A certificate of conversion to a limited liability company;

(b) A certificate of formation that complies with the requirements of RSA 304-C:12; and

(c) The certificate required by RSA 421-B:13, I-a.

V. The certificate of conversion to a limited liability company shall state:

(a) The date on which and jurisdiction where the business entity was first created, formed, incorporated, or otherwise came into being and, if it has changed, its jurisdiction immediately prior to its conversion to a limited liability company.

(b) The name of the business entity immediately prior to the filing of the certificate of conversion to a limited liability company.

(c) The name of the limited liability company as set forth in its certificate of formation filed in accordance with paragraph IV of this section.

(d) If the business entity is a corporation:

(1) The designation, number of outstanding shares, and number of votes entitled to be cast by each voting group entitled to vote separately on the plan; and

(2) Either the total number of votes cast for and against the plan by each voting group entitled to vote separately on the plan or the total number of undisputed votes cast for the plan separately by each voting group and a statement that the number cast for the plan by each voting group is sufficient for approval by that voting group.

(e) That the plan of conversion is on file at the principal place of business of the limited liability company and the address thereof and that a copy of the plan of conversion will be furnished by the limited liability company, on request and without cost, to any shareholder of the corporation.

VI. A conversion of a business entity to a limited liability company takes effect upon the effective date and time of the certificate of formation.

VII. Upon the effective date of the conversion the converting business entity shall be converted into a limited liability company, and the limited liability company shall thereafter be subject to all of the provisions of this chapter.

VIII. A conversion of a business entity to a limited liability company has the following effects:

(a) The limited liability company shall thereupon and thereafter possess all the rights, privileges, immunities, and powers of the business entity that converted into the limited liability com-

pany and shall be subject to all the restrictions, disabilities, and duties of such business entity to the extent that such rights, privileges, immunities, powers, franchises, restrictions, disabilities, and duties are applicable to a limited liability company.

(b) All property, real, personal and mixed, and all debts due on whatever account, and all other choses in action, and all and every other interest of or belonging to or due to such business entity shall be vested in the limited liability company without further act or deed.

(c) The title to all real estate and other interests therein vested in the business entity converting into the limited liability company shall not revert or be in any way impaired by reason of such conversion.

(d) The limited liability company shall thenceforth be liable for all liabilities and obligations of the business entity converting to the limited liability company and any claim existing or action or proceeding pending by or against such business entity may be prosecuted as if such conversion had not taken place, or the limited liability company may be substituted in the action.

(e) Neither the rights of creditors nor any liens on the property of the business entity converted to a limited liability company shall be impaired by the conversion.

(f) The interests or shares of the business entity that is converted into a limited liability company that are to be converted or exchanged into interests of the limited liability company under the terms of the plan of conversion are so converted, and the former holders thereof are entitled only to the interests in the limited liability company as provided in the plan of conversion or the rights otherwise provided by law.

(g) The conversion shall not be deemed to affect any obligations or liabilities of the converting business entity incurred before its conversion to a limited liability company.

IX. Unless otherwise agreed or as required under applicable law, the converting business entity shall not be required to wind up its affairs or pay its liabilities and distribute its assets, and the conversion shall not be deemed to constitute a dissolution of the converting business entity.

304-C:17-b Approval of Conversion of a Limited Liability Company.

I. A limited liability company may convert to another business entity authorized by applicable statute to be formed by conversion of a limited liability company, upon the authorization of such conversion in accordance with this section and fulfillment of the requirements for conversion of the statute governing conversion into such other entity.

II. If the limited liability company agreement specifies the manner of authorizing a conversion of the limited liability company, the conversion shall be authorized as specified in the limited liability company agreement. If the limited liability company agreement does not specify the manner of authorizing a conversion of the limited liability company and does not prohibit a conversion of the limited liability company, the conversion shall be authorized in the same manner as is specified in the limited liability company agreement for authorizing a merger that involves the limited liability company as a constituent party to the merger.

III. If the limited liability company agreement does not specify the manner of authorizing a conversion of the limited liability company or a merger that involves the limited liability company as a constituent party and does not prohibit a conversion of the limited liability company, the conversion shall be authorized by the approval by more than $\frac{1}{2}$ by number of the members or, if there is more than one class or group of members, then by each class or group of members, in either case, by a more than $\frac{1}{2}$ by number of the members in each class or group, as appropriate.

21 Limited Liability Company; Merger. Amend RSA 304-C:18, I to read as follows:

I. Unless otherwise provided in writing in a limited liability company agreement, and subject to any law applicable to business entities other than limited liability companies, one or more limited liability companies may merge with or into one or more other business entities *authorized by applicable statute to merge with a limited liability company*, with the limited liability company or other business entity, as the merger agreement shall provide, being the surviving limited liability company or other business entity.

22 Limited Liability Company; Approval of Merger. Amend RSA 304-C:19, I to read as follows:

I. Unless otherwise provided in a limited liability company agreement, a limited liability company that is a party to a proposed merger shall approve the merger agreement by the consent of more than $\frac{1}{2}$ by number of the members, *or if there is more than one class or group of members, then by the consent more than $\frac{1}{2}$ by number of the members of each class or group of members.*

23 New Subdivision; Limited Liability Companies; Dissenters' Rights. Amend RSA 304-C by inserting after section 22 the following new subdivision:

Dissenters' Rights

304-C:22-a Definitions and Construction. In this subdivision:

I. "Dissenter" means a member who is entitled to dissent from limited liability company action under RSA 304-C:22-b and who exercises that right when and in the manner required under this subdivision.

II. "Fair value" means the value of the dissenter's limited liability interest of a limited liability company immediately before the effective date of the limited liability action referred to in RSA 304-C:22-b, excluding any appreciation or depreciation in anticipation of the limited liability action.

III. "Interest" means interest from the effective date of the action referred to in RSA 304-C:22-b that gave rise to the member's right to dissent until the date of payment, at the average auction rate paid on United States treasury bills with a maturity of 6 months (or the closest maturity thereto) as of the auction date for such treasury bills closest to such effective date.

IV. "Limited liability company" means a limited liability company whose members have obtained rights to dissent under RSA 304-C:22-b, and includes any successor by merger or conversion.

V. "Member" includes a former member who has ceased to be a member, but who was not entitled to payment for the value of the member's limited liability interest upon cessation of membership.

304-C:22-b Dissenters' Rights.

I. A member of a limited liability company is entitled to dissent from, and obtain payment of the fair value of the member's limited liability company interest, upon any of the following actions:

(a) Consummation of a plan of merger to which the limited liability company is a party.

(b) Consummation of a plan of conversion of the limited liability company to some other business entity.

(c) An amendment to the limited liability company agreement (1) altering or abolishing a right in respect of distribution, (2) altering or abolishing a right to voluntarily withdraw, or (3) altering or abolishing any right of a member to vote on any matter, other than alteration by dilution through the admission of other members or acceptance of contributions.

II. A member entitled to dissent and obtain payment for such member's limited liability company interest under this subdivision may not challenge the limited liability company action creating such member's entitlement unless the action is unlawful or fraudulent with respect to the member or the limited liability company.

304-C:22-c Notice of Dissenters' Rights.

I. If the proposed action of the limited liability company creating dissenters' rights under RSA 304-C:22-b is submitted to a vote at a meeting of the members, the meeting notice must state that members are or may be entitled to assert dissenters' rights under this subdivision and be accompanied by a copy of this subdivision.

II. If the limited liability company action creating dissenters' rights under RSA 304-C:22-b is taken without a vote of the members, the limited liability company shall notify in writing all members entitled to assert dissenters' rights that the action was taken and send them the dissenters' notice described in RSA 304-C:22-e.

III. A limited liability company's failure to give notice pursuant to this section shall not invalidate the limited liability company action.

304-C:22-d Notice of Intent to Demand Payment.

I. If proposed action of a limited liability company creating dissenters' rights under RSA 304-C:22-b is submitted to a vote at a meeting of the members, a member who wishes to assert dissenters' rights shall:

(a) Deliver to the limited liability company before the vote is taken a written notice of the member's intent to demand payment for the member's limited liability company interest if the proposed action is effectuated.

(b) Not vote the member's limited liability company interest in favor of the proposed action.

II. No such written notice of intent to demand payment is required of any member to whom the limited liability company has failed to provide the notice required by RSA 304-C:22-c.

III. A member who does not satisfy the requirements of this section is not entitled to payment for such member's limited liability company interest under this subdivision.

304-C:22-e Dissenters' Notice.

I. If proposed action of a limited liability company creating dissenters' rights under RSA 304-C:22-b is authorized at a meeting of the members, the limited liability company shall deliver a written dissenters' notice to all members who have satisfied the requirements of RSA 304-C:22-d.

II. The dissenters' notice must be sent no later than 10 days after the action of the limited liability company was authorized by the members or effectuated, whichever is the first to occur, and shall;

(a) State where the payment demand shall be sent;

(b) Supply a form for demanding payment that includes the date of the first announcement to news media or to members of the principal terms of the proposed limited liability company action and requires that the person asserting dissenters' rights certify whether or not the member acquired limited liability company interest before that date;

(c) Set a date by which the limited liability company must receive the payment demand, which date may not be fewer than 30 days and not more than 60 days after the date of the notice required by paragraph II is sent; and

(d) Be accompanied by a copy of this subdivision if the limited liability company has not previously sent a copy of this subdivision to the member pursuant to RSA 304-C:22-c.

304-C:22-f Duty to Demand Payment.

I. A member sent a dissenters' notice described in RSA 304-C:22-e must demand payment and certify whether the member acquired the limited liability company interest before the date required to be set forth in the dissenters' notice pursuant to RSA 304-C:22-e.

II. A member who demands payment under paragraph I retains all of the rights of a member until those rights are canceled or modified by consummation of the proposed action of the limited liability company.

III. A member who does not demand payment by the date set forth in the dissenters' notice is not entitled to payment of fair value for such member's membership interest under this subdivision.

IV. A demand for payment filed by a member may not be withdrawn unless the limited liability company with which it was filed or the surviving limited liability company or other business entity consents to such withdrawal.

304-C:22-g Payment.

I. Except as provided in RSA 304-C:22-i, as soon as the proposed limited liability company action is effectuated, or upon receipt of a payment demand, whichever is later, the limited liability company shall pay each dissenter who complied with RSA 304-C:22-f the amount the limited liability company estimates to be the fair value of such dissenter's membership interest, plus accrued interest.

II. The payment must be accompanied by:

(a) The limited liability company's balance sheet as of the end of a fiscal year ending not more than 16 months before the date of payment, an income statement for that year, and the latest available interim financial statements, if any;

(b) A statement of the limited liability company's estimate of the fair value of the membership interest;

(c) An explanation of how the value of the membership interest was calculated;

(d) A statement of the dissenter's right to demand payment under RSA 304-C:22-j; and

(e) A copy of this subdivision, if the limited liability company has not previously sent a copy of this subdivision to the member pursuant to RSA 304-C:22-c or RSA 304-C:22-e.

304-C:22-h Failure to Take Action. If the limited liability company does not effectuate the proposed action that gave rise to the dissenters' rights within 60 days after the date set for demanding payment, it shall send a new dissenters' notice under RSA 304-C:22-c and repeat the payment demand procedure if it effectuates the proposed action.

304-C:22-i After-Acquired Limited Liability Company Interests.

I. A limited liability company may elect to withhold payment required by RSA 304-C:22-g from a dissenter unless the dissenter was a member before the date set forth in the dissenters' notice as the date of the first announcement to news media or to members of the principal terms of the proposed limited liability company action.

II. To the extent the limited liability company elects not to withhold payment under paragraph I, after effectuating the proposed limited liability company action, it shall estimate the fair value

of the limited liability company interest, plus accrued interest, and shall pay this amount to each dissenter who agrees to accept it in full satisfaction of the dissenter's demand. The limited liability company shall send with its offer a statement of its estimate of the fair value of the limited liability company interest, an explanation of how the interest was calculated, and a statement of the dissenter's right to demand payment under RSA 304-C:22-j.

304-C:22-j Procedure if Member Dissatisfied With Payment or Offer.

I. A dissenter may notify the limited liability company in writing of the dissenter's own estimate of the fair value of such dissenter's limited liability company interest and amount of interest due, and demand payment of the dissenter's estimate (less any payment under RSA 304-C:22-g), or reject the limited liability company's offer under RSA 304-C:22-i and demand payment of the fair value of the limited liability company interest and interest due, if:

(a) The dissenter believes that the amount paid under RSA 304-C:22-g or offered under RSA 304-C:22-i is less than the fair value of such dissenter's limited liability company interest or that the interest due is incorrectly calculated; or

(b) The limited liability company fails to make payment under RSA 304-C:22-g within 60 days after the date set for demanding payment.

II. A dissenter waives the right to demand payment under this section unless the dissenter notifies the limited liability company of such dissenter's demand in writing under paragraph I within 30 days after the limited liability company made or offered payment for such dissenter's limited liability company interest.

304-C:22-k Court Action.

I. If a demand for payment under RSA 304-C:22-j remains unsettled, the limited liability company shall commence a proceeding within 60 days after receiving the payment demand and petition the court to determine the fair value of the limited liability company interest and accrued interest. If the limited liability company does not commence the proceeding within the 60-day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.

II. The limited liability company shall commence the proceeding in superior court of the county where the limited liability company's principal executive office (or, if none in this state, its registered office) is located. If the limited liability company is a foreign entity without a registered office in this state, it shall commence the proceeding in the county in this state where the registered office of the domestic limited liability company merged or converted into with the foreign limited liability company was located.

III. The limited liability company shall make all dissenters (whether or not residents of this state) whose demands remain unsettled parties to the proceeding as in an action against their limited liability company interests, and all parties must be served with a copy of the petition. Non-residents may be served by registered or certified mail or by publication as provided by law.

IV. The jurisdiction of the court in which the proceeding is commenced under paragraph II is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the powers described in the order appointing them, or in any amendment to it. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

V. Each dissenter made a party to the proceeding is entitled to judgment:

(a) For the amount, if any, by which the court finds the fair value of the dissenter's membership interest plus accrued interest exceeds the amount paid by the limited liability company; or

(b) For the fair value, plus accrued interest, of such dissenter's after-acquired membership interest for which the limited liability company elected to withhold payment under RSA 304-C:22-i.

VI. The limited liability company is entitled to judgment against each specific dissenter for the amount, if any, by which the court finds the fair value of such dissenter's membership interest, plus accrued interest, is less than the amount paid by the limited liability company to each dissenter.

304-C:22-l Court Costs and Counsel Fees.

I. The court in an appraisal proceeding commenced under RSA 304-C:22-k shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraiser appointed by the court. The court shall assess the costs against the limited liability company, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds the dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment under RSA 304-C:22-j.

II. The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

(a) Against the limited liability company and in favor of any or all dissenters if the court finds the limited liability company did not substantially comply with the requirements of RSA 304-C:22-b through 304-C:22-j.

(b) Against either the limited liability company or a dissenter, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this subdivision.

III. If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated and that the fees for those services should not be assessed against the limited liability company, the court may award to these counsel reasonable fees to be paid out of the amount awarded to the dissenters who were benefited.

304-C:22-m Procedures as to Assignees of Financial Rights.

I. When an assignment of all or a portion of limited liability company interest is in effect and a copy delivered to the limited liability company prior to the action described in RSA 304-C:22-g, then as to that limited liability company interest the provisions of RSA 304-C:22-a through 304-C:22-l must be followed subject to the requirements of this section.

II. If the member has not ceased to be a member pursuant to RSA 304-C:46, II(b) prior to the action described in RSA 304-C:22-g, all rights to be exercised and actions to be taken by a member under RSA 304-C:22-b through 304-C:22-l shall be taken by the member and not by an assignee of the member's limited liability company interest. As between the limited liability company and the assignees, the actions taken or omitted by the member bind the assignees, and the following requirements shall apply:

(a) Instead of remitting a payment under RSA 304-C:22-g, the limited liability company shall forward to the dissenter member:

(1) The materials described in RSA 304-C:22-g, II;

(2) An offer to pay the amount listed in the materials, with that amount to be allocated among and paid to the member and the assignees of the limited liability company interest according to the terms in of the assignment reflected in the required records; and

(3) A statement of that allocation.

(b) If the dissenter member accepts the amount of the offer made under subparagraph (a) but disputes the allocation, the dissenter shall promptly so notify the limited liability company and within 60 days after the notification commence a proceeding and petition the court to determine the proper allocation. The member shall commence the proceeding in the superior court the of county in which the principal office of the limited liability company (or if none, its registered office) is located, or in the case of a surviving foreign limited liability company or other entity that is complying with this section following a merger with or conversion of a limited liability company, the member shall commence the proceeding in superior court in the county in this state in which the last registered office of the limited liability company was located. The petition shall name as parties the member, the limited liability company and all assignees of the member's limited liability interest. Upon being served with the petition, the limited liability company shall promptly pay into the court the amount offered under paragraph II and shall then be dismissed from the proceeding.

(c) If the dissenter considers the amount offered under subparagraph (a) inadequate, the dissenter may decline the offer and demand payment under RSA 304-C:22-j. If the dissenter makes demand for payment, RSA 304-C:22-k and 304-C:22-l apply with the court having jurisdiction also to determine the correctness of the allocation.

(d) If the member fails to act under either subparagraph (b) or (c), then:

(1) As to the limited liability company, both the member and the assignees of the member's limited liability company interests are limited to the amount and allocation offered under subparagraph (a); and

(2) The limited liability company discharges its obligation of payment by making payment according to the amount and allocation offered under subparagraph (a).

III. If the member has ceased to be a member upon assignment of his limited liability company interest pursuant to RSA 304-C:46, II(b), the assignees of the member's limited liability company interest shall be entitled to exercise all rights of the member pursuant to RSA 304-C:22-b through 304-C:22-l.

24 Single-Member Limited Liability Company. Amend RSA 304-C:23, II to read as follows:

II. After the formation of a limited liability company, a person acquiring a limited liability company interest is admitted as a member of the limited liability company:

(a) In the case of a person acquiring a limited liability company interest directly from the limited liability company, at the time provided in and upon compliance with the limited liability company agreement or, if the limited liability company agreement does not so provide, upon the consent of all members and when the person's admission is reflected in the records of the limited liability company; ~~or~~

(b) In the case of an assignee of a limited liability company interest, as provided in RSA 304-C:46, at the time provided in and upon compliance with the limited liability company agreement or, if the limited liability company agreement does not so provide, when any such person's permitted admission is reflected in the records of the limited liability company; ~~or~~

(c) In the case of an assignee of a single-member limited liability company interest, upon such assignee's succeeding to the assignor's limited liability company interest under RSA 304-C:48, I(c), without further action.

25 Limited Liability Company; Meeting of Members. Amend the introductory paragraph of RSA 304-C:24, VIII to read as follows:

VIII. For a limited liability company in which management is vested in fewer than all the members, there shall be, ~~no less than once each year~~ *within 30 days of a written demand by any member*, a meeting of the members to consider the affairs of the limited liability company, and to take any action permitted to be taken by the members by law, the limited liability company agreement, or the certificate of formation, *unless there has been such a meeting within 240 days prior to delivery of the demand.*

26 Limited Liability Company; Removal of Member. RSA 304-C:27, I(b) is repealed and reenacted to read as follows:

(b) The member is removed as a member, if the limited liability company agreement neither provides for nor restricts removal of members, in accordance with RSA 304-C:27, IV.

27 New Paragraph; Limited Liability Company; Removal of Member. Amend RSA 304-C:27 by inserting after paragraph III the following new paragraph:

IV. If a limited liability company agreement neither provides for nor restricts removal of members, a member or personal representative exercising powers of a member under RSA 304-C:49 may be removed for inability or unwillingness to exercise management responsibilities, actions beyond authority or contrary to the limited liability company agreement, or fraudulent or illegal actions in relation to the business and affairs of the company:

(a) By a vote of no less than 2/3 by number of the other members acting reasonably and in good faith.

(b) By a court of competent jurisdiction on petition of at least 2 members, or, in the case of a limited liability company with only 2 members, one of the members.

28 Single Member Limited Liability Company; Cessation of Membership. Amend RSA 304-C:27, I(e)(2) and RSA 304-C:27, I(f)-(i) to read as follows:

(2) Except in the case of a single-member limited liability company, the entry of an order by a court of competent jurisdiction adjudicating the member incompetent to manage the member's person or estate.

(f) Unless otherwise provided in a limited liability company agreement or by the written consent of all members at the time; ~~or~~

(I) In the case of a member who is a trust or is acting as a member by virtue of being a trustee of a trust, the termination of the trust, but not merely the substitution of a new trustee.

~~[(g)](2) [Unless otherwise provided in an agreement or by the written consent of all members at the time;]~~ In the case of a member that is a separate limited liability company, the dissolution and commencement of winding up of the separate limited liability company.

~~[(h)](3) [Unless otherwise provided in a limited liability company agreement or by the written consent of all members at the time;]~~ In the case of a member that is a corporation, the filing of a certificate of its dissolution or the equivalent for the corporation or the administrative or judicial dissolution of the corporation and the lapse of 90 days after notice to the corporation of such dissolution without reinstatement.

~~[(i)](4) [Unless otherwise provided in a limited liability company agreement or by the written consent of all members at the time,] In the case of an estate, the distribution by the fiduciary of the estate's entire interest in the limited liability company.~~

29 Limited Liability Companies; Interim Distributions. Amend RSA 304-C:40 to read as follows:

304-C:40 Interim Distributions. Except as provided in this subdivision, to the extent and at the times or upon the occurrence of the events specified in the limited liability company agreement, a member is entitled to receive from a limited liability company distributions before ~~[the member's dissociation from the limited liability company]~~ *cessation of the member's membership* pursuant to RSA 304-C:27 and before the dissolution and winding up of the limited liability company.

30 Limited Liability Companies; Distribution Upon Cessation of Membership. Amend RSA 304-C:41 to read as follows:

304-C:41 Distribution Upon *Cessation of Membership* or Merger.

[E] Except as provided in this subdivision, any member, upon ceasing to be a member pursuant to RSA 304-C:27, is entitled to receive any distribution to which the member is entitled under a limited liability company agreement ~~[and], but, [if not] unless~~ otherwise provided in a limited liability company agreement, the member is *not* entitled to receive~~[-, within a reasonable time after dissociation-]~~ *any payment for the [fair] value of the member's limited liability company interest as of the date of cessation of membership based upon the member's right to share in distributions from the limited liability company. If the member ceasing to be a member receives no payment for the value of the member's interest in the limited liability company, the member ceasing to be a member shall continue to have the rights of an assignee of a limited liability company interest under RSA 304-C:46, II, subject to the limited liability company's right of offset under RSA 304-C:27, III.*

~~[H. A member who files a written dissent to a merger of a limited liability company that is a party to a merger shall be entitled to withdraw from the limited liability company as of the effective date and time of the merger and receive, within a reasonable time after the merger becomes effective, the fair value of his limited liability company interest immediately before the merger becomes effective, excluding any appreciation or depreciation in anticipation of the merger, unless exclusion would be inequitable.~~

~~III. If any amendment to the limited liability company agreement (a) altering or abolishing a right in respect of distribution, (b) altering or abolishing a right to voluntarily withdraw, or (c) altering or abolishing any right of a member to vote on any matter other than alteration by dilution through the admission of other members or acceptance of contributions is adopted over the written dissent of that member, and that member is not then permitted to withdraw by voluntary act without breach or penalty, then such member shall be entitled to withdraw from the limited liability company as of the effective date and time of the amendment and receive, within a reasonable time after the amendment becomes effective, the fair value of his limited liability company interest immediately before the amendment becomes effective, excluding any appreciation or depreciation in anticipation of the amendment, unless exclusion would be inequitable.~~

~~IV. A member entitled to dissent and obtain payment for his interest under paragraph H or III shall not challenge the merger or amendment unless the merger or amendment is unlawful or fraudulent with respect to the member or the limited liability company.~~

~~V. Withdrawal from a limited liability company in accordance with paragraph H or III shall not constitute a breach of the limited liability company agreement.]~~

31 Nature of Limited Liability Company Interest. Amend RSA 304-C:45 to read as follows:

304-C:45 Nature of Limited Liability Company Interest. A limited liability company interest is *intangible* personal property. A member has no interest in limited liability company property. *Rights and interests of members, other than their limited liability company interests, are personal and non-transferable except to the extent that a transferee may succeed to such rights and interests in conformity with RSA 304-C:46-49.*

32 Assignment of Limited Liability Company Interest. Amend the introductory paragraph of RSA 304-C:46, I to read as follows:

I. A limited liability company interest is assignable in whole or in part, except as provided in a limited liability company agreement. Except as otherwise provided in paragraphs I and II, *or as provided in RSA 304-C:48 and RSA 304-C:49*, the assignee of a member's limited liability company interest shall not be entitled to participate in the management and affairs of a limited liability company, or to exercise any rights or powers of a member. However, an assignee of a member's limited liability company interest may exercise the rights and powers of a member either:

33 New Paragraph; Definition; Assign. Amend RSA 304-C:46 by inserting after paragraph IV the following new paragraph:

V. "Assign" or "assignment" includes a transfer by gift, bequest, devise, or descents and distribution.

34 Limited Liability Companies; Right of Assignee to Become Member. Amend RSA 304-C:48, I to read as follows:

I. An assignee of a limited liability company interest ~~[may]~~ **shall** become a member ~~[either]:~~

(a) Upon the approval of all of the members of the limited liability company other than the member assigning the limited liability company interest;~~or]~~

(b) To the extent provided in the limited liability company agreement, and upon compliance with any procedure provided for in the limited liability company agreement~~[-]; or~~

(c) In the case of a single-member limited liability company only, upon a person succeeding to such interest of the member.

35 Powers of Estate of Deceased or Incompetent Member. Amend RSA 304-C:49 to read as follows:

304-C:49 Powers of Estate of Deceased or Incompetent Member. If a member who is an individual dies or a court of competent jurisdiction adjudges the member to be incompetent to manage such member's person or property, the member's executor, administrator, guardian, conservator or other legal representative may exercise all of the member's rights for the purpose of settling the member's estate or administering the member's property~~[-including].~~ **Such member's rights shall be exercised in accordance with the limited liability company agreement and shall include any power under [a] the limited liability company agreement, or this chapter,** of an assignee to become a member. If a member is a corporation, trust or other entity and is dissolved or terminated, the powers of that member may be exercised by its legal representative or successor **for the purposes of winding up its affairs, unless provided otherwise in the limited liability company agreement.**

36 Limited Liability Company; Dissolution. Amend RSA 304-C:50 to read as follows:

304-C:50 Dissolution. A limited liability company is dissolved and its affairs shall be wound up upon the first to occur of the following:

I. ~~[The time specified in a limited liability company agreement, or 30 years from the date of the formation of the limited liability company if no such time is set forth in the limited liability company agreement;~~

~~[H:] The occurrence of events specified in a limited liability company agreement;~~

~~[HH:] II. Unless otherwise provided in the limited liability company agreement, the vote or written consent of [aH] a majority of the members; or~~

~~[IV. An event of dissociation of a member, as provided in RSA 304-C:27, unless:~~

~~(a) The business of the limited liability company is continued by the consent of all the remaining members on or before the ninetieth day following the occurrence of any such event; or~~

~~(b) Otherwise provided in the limited liability company agreement;~~

~~V. At any time there are fewer than 2 members; or~~

~~VI. The entry of a decree of judicial dissolution under RSA 304-C:51.]~~

III. The issuance of a notice of administrative dissolution under RSA 304-C:53, I or entry of a decree of judicial dissolution under RSA 304-C:51.

37 Limited Liability Company; Name. Amend RSA 304-C:66, I(b) to read as follows:

(b) That the name under which a foreign limited liability company is registering must include the words "limited liability company" or the abbreviation "L.L.C." **or similar abbreviation;**

38 Limited Liability Companies; Certificate of Conversion; Fee. Amend RSA 304-C:81, I(c) to read as follows:

(c) Upon the receipt for filing of a certificate of formation under RSA 304-C:12, a certificate of amendment under RSA 304-C:13, a certificate of merger under RSA 304-C:21, **a certificate of conversion under RSA 304-C:17-a,** or a restated certificate of formation under RSA 304-C:17, a fee in the amount of \$35, and upon the receipt for filing of a certificate of cancellation of a domestic limited liability company under RSA 304-C:59, a fee in the amount of \$35.

39 Professional Limited Liability Company; Disqualified Person. Amend RSA 304-D:7, IV to read as follows:

IV. A member of a professional limited liability company becoming a disqualified person, unless such disqualification is for less than 5 months from the date of disqualification, shall ~~[con-~~stitute an event of dissociation] **cause cessation of membership** for the purposes of RSA 304-C:27

40 Securities Registration. Amend RSA 421-B:11, II to read as follows:

II. (a) Before the secretary of state may accept articles of incorporation for a new corporation under RSA 293-A, an application for a certificate of authority under RSA 293-A, a certificate of limited partnership for a new limited partnership under RSA 304-B, a certificate of formation for a new limited liability company or an application for ~~registration~~ **registration** as a foreign limited liability company under RSA 304-C, registration of a registered limited liability partnership or a notice of registration of a foreign registered limited liability partnership under RSA 304-A, or an application for registration of a foreign partnership under RSA 305-A, the following requirements shall be met:

(~~a~~) (1) Along with a \$50 filing fee, a statement shall be filed with the secretary of state that the capital stock of the corporation or the interests of the limited partnership, registered limited liability partnership, foreign registered limited liability partnership, or limited liability company have been registered, or when offered will be registered, under this chapter or are exempted, or when offered will be exempted, under this chapter, or are or will be offered in a transaction exempted from registration under this chapter, or are not securities under this chapter; and, in the case of a New Hampshire corporation, limited partnership, registered limited liability partnership, or limited liability company, that the articles of incorporation or certificate of limited partnership state whether the capital stock or interests in the limited partnership, registered limited liability partnership or limited liability company will be sold or offered for sale within the meaning of this chapter.

(~~b~~) (2) The statement shall be signed by the incorporators of a corporation to be formed, by an executive officer of an existing corporation, by the general partners or intended general partners if a limited partnership, by one or more members or managers authorized to do so if a limited liability company, or one or more partners authorized to do so if a registered limited liability partnership or foreign registered limited liability partnership.

(b) Notwithstanding any provision of law to the contrary, the statement filed pursuant to this paragraph shall not by itself constitute a registration, or a notice of exemption from registration, of securities within the meaning of sections 448 and 461(i)(3) of the United States Internal Revenue Code and the regulations promulgated thereunder.

41 Applicability. The amendment in section 30 of this act affecting RSA 304-C:41, I, shall not apply to New Hampshire limited liability companies formed prior to the effective date of section 30 until December 1, 1997; however, the amendments affecting RSA 304-C:41, II-V shall take effect as provided in section 43, paragraph I of this act.

42 Repeal. RSA 304-C:18, III, relative to the definition of "business entity," is repealed.

43 Effective Date.

I. Sections 15-22 and 24-41 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect on the later of:

(a) 60 days after its passage; or

(b) The date the proposed amendments of regulations (PS-43-95), published in the Federal Register on May 10, 1996, relating to the classification of certain business organizations with an elective regime, are effective.

Adopted.

Report adopted and ordered to third reading.

HB 721, prohibiting certain tobacco or alcohol advertising within drug-free school zones. RE-REFER TO COMMITTEE

Rep. Gregory G. Carson for Commerce: This bill is one of several pieces of tobacco related legislation before the Commerce Committee this session. As stated previously, the committee unanimously supports all the efforts to restricting youth access to tobacco products. The committee is greatly concerned as to the effect this bill would have on property owner rights, zoning laws and first amendment rights if passed into law. Vote 15-1.

Adopted.

HB 799, regulating the sale of insurance by financial institutions. OUGHT TO PASS WITH AMENDMENT

Rep. Gregory C. Carson for Commerce: Currently, federal law now allows federally chartered banks to sell insurance. This bill changes state law to allow state chartered banks to also sell insurance. More importantly, HB 799 creates important, substantial consumer protection regulations which

apply equally to federal and state chartered banks selling insurance in New Hampshire. The committee worked hard to create an environment which will protect consumers and keep parity between the banks. This bill, as amended, is a compromise. Neither the bankers or insurance agents receive everything they originally wanted. Vote 12-3.

Amendment (0736h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Service Corporations. Amend RSA 384:16-b by inserting after paragraph II the following paragraph:

III. Provided further that any contrary provision of law notwithstanding, the provisions of paragraph II apply only to a subsidiary of a bank or banking association and do not apply to an affiliate thereof, and the provisions of this section shall not be construed to prevent a financial institution as defined in RSA 406-C:2, IV from conducting insurance activities pursuant to RSA 406-C and rules adopted under RSA 406-C, and as permitted in RSA 394-A:9, if such financial institution or its affiliate or subsidiary is located in a place of 5,000. A place of 5,000 means a town or city in this state with a population not exceeding 5,000 as determined by the last federal decennial census. An affiliate or subsidiary of any bank or banking association shall be bound by the provisions of RSA 406-C, with respect to sales of insurance in this state which are recommended or sponsored by a financial institution or sold on the premises of a financial institution.

2 Insurance; State-Chartered Financial Institutions. RSA 394-A:9 is repealed and reenacted to read as follows:

394-A:9 Insurance. A state-chartered financial institution may engage in the business of insurance to the same extent that a national bank or its affiliate or subsidiary is permitted to engage in such business under Section 92 of the National Bank Act, subject to the following conditions:

I. The insurance activity may be conducted only by the financial institution, an affiliate or subsidiary of the financial institution that is located in a place of 5,000. A place of 5,000 shall mean a town or city in this state with a population not exceeding 5,000 as determined by the last federal decennial census.

II. The conduct of the insurance activity shall comply with the provisions of RSA 406-C and any rules adopted thereunder, any applicable state insurance licensing laws and rules, and all applicable federal and state consumer protection laws, including the federal anti-tying provisions of 12 USC section 1972.

III. The provisions of paragraphs I and II shall not be construed to limit the authority of any credit union to engage in the business of insurance pursuant to the provisions of RSA 394-B:52-a.

3 New Chapter; Sales of Insurance by Financial Institutions. Amend RSA by inserting after chapter 406-B the following new chapter:

CHAPTER 406-C

SALES OF INSURANCE BY FINANCIAL INSTITUTIONS

406-C:1 Purpose. The purpose of this chapter is to regulate the solicitation for purchase and the sale in this state of insurance by financial institutions in places with a population of 5,000 or fewer people and to direct and authorize the insurance commissioner to adopt such rules as may be necessary to protect the interests of insurance policyholders in this state and to maintain parity with respect to the insurance powers of state and federally chartered financial institutions.

406-C:2 Definitions. In this chapter:

I. "Commissioner" means the insurance commissioner.

II. "Customer" means a person with an investment, security, deposit, trust, or credit relationship with a financial institution.

III. "Insurance" means all products defined or regulated as insurance by the state of New Hampshire, except:

(a) Credit life, credit accident and health, credit personal property insurance, and credit involuntary unemployment insurance;

(b) Insurance purchased by a financial institution in connection with collateral pledged as security for a loan when the debtor breaches the contractual obligation to provide that insurance;

(c) Private mortgage insurance

(d) Mortgage life and mortgage disability insurance

IV. "Financial institution" means a bank holding company, as defined in the Bank Holding Company Act of 1956, as amended, 12 U.S.C. section 1841, a savings and loan holding company as defined in the Home Owners' Loan Act, 12 U.S.C. 1467a, as amended; a bank, savings bank, savings and loan association, trust company, or any depository institution as defined by the Federal Deposit Insurance Act, as amended, 12 U.S.C. section 1813(c)(1); any subsidiary of any of the above described depository institutions, and any other individual, corporation, partnership, or association authorized to take deposits and make loans in the state. For the purposes of this chapter, "financial institution" shall include only those institutions that are located in a place of 5,000. The term financial institution does not include an insurance company subject to regulation under Title XXXVII.

V. "Nonpublic customer information" means information regarding a person that has been derived from a record of a financial institution concerning insurance premiums, the terms and conditions of insurance coverage, insurance expirations, insurance claims, and insurance history of an individual, and such other information as established by rules adopted by the commissioner. "Nonpublic customer information" does not include customer names, addresses, and telephone numbers.

VI. "Place of 5,000" means a town or city in this state with a population of 5,000 or fewer people according to the latest federal decennial census.

406-C:3 License for Insurance Sales. A financial institution and the employees of a financial institution conducting insurance sales shall be required to obtain an agent's or broker's license authorizing the sale of insurance by complying with the licensing requirements of RSA 402:16.

406-C:4 Prohibition on Underwriting. Neither this chapter, nor RSA 384:16-b, III shall be construed to authorize any financial institution to engage in the underwriting of any insurance product or in any insurance underwriting activity requiring licensure under RSA 402 or RSA 405.

406-C:5 Licensure Requirement. Solicitation for the purchase or sale of any insurance product by the financial institution shall be conducted only by persons who are licensed and have complied with all applicable state insurance licensing laws and rules, and are officers, directors, or employees of the financial institution.

406-C:6 Authorized Carriers. A financial institution shall offer only insurance products of approved surplus lines carriers or approved products of insurance companies authorized to do insurance business in New Hampshire.

406-C:7 Separation of Activities.

I. Solicitation for the purchase or sale of insurance by the financial institution shall, to avoid customer confusion, to the extent practicable be conducted in a physical location distinct from the area where retail deposits or credit transactions are routinely conducted in accordance with rules adopted by the commissioner.

II. Solicitation for the purchase or sale of insurance by a licensed employee who exercises authority over credit transactions shall be conducted in a manner which addresses the potential for customer confusion and coercion consistent with rules adopted by the commissioner.

III. Signage, informational materials, and sales literature concerning the availability of insurance products through the financial institution shall be utilized and displayed in accordance with rules adopted by the commissioner.

IV. The financial institution, or any third party agent, marketer, or issuer of any insurance product shall not utilize an insurance product name identical to or misleadingly similar to the name of the financial institution so as to cause confusion on the part of insurance purchasers as to the uninsured nature of the product.

406-C:8 Disclosures.

I. To avoid customer confusion and in addition to any other requisite disclosures, all advertising, promotional material and solicitation, including telemarketing contacts, shall, as required under rules, bulletins, or interpretive rulings adopted or promulgated by the commissioner, include a prominent disclosure that substantively states that a purchase of insurance:

(a) Is not a deposit;

(b) Is not insured by the Federal Deposit Insurance Corporation or any other agency or instrumentality of the federal government;

(c) Is not guaranteed by the seller or an affiliated insured, unless the insurance is guaranteed by the financial institution in which case the nature of the guarantee and identity of the guarantor shall be disclosed; and

(d) Where appropriate, involves investment risk, including potential loss of principal.

II. At the time of sale, the financial institution shall also provide written disclosure of how to complain to the insurance department about problems in the sale or solicitation of an insurance product. Other than disclosing how to complain to the insurance department, a financial institution that does not accept insured deposits is not required to disclose items I(a) through (c) of this section.

406-C:9 Confidential Customer Information.

I. The financial institution shall not use any nonpublic customer information, other than information pertaining solely to insurance transactions between a customer and a financial institution or its affiliate or subsidiary, for the purpose of selling or soliciting the purchase of insurance or provide the nonpublic customer information to a third party for the purpose of another's sale or solicitation of the purchase of insurance, unless it is clearly and conspicuously disclosed that the information may be so used and the customer has provided prior written consent to the use for this purpose.

II. Written consent for use of any nonpublic customer information shall not be required as a condition for performance by the financial institution of banking services for the customer.

406-C:10 Prohibition on Tying of Banking and Insurance Products.

I. The financial institution shall not require or imply that the purchase of an insurance product by a customer or prospective customer is required as a condition of, or is in any way related to, the lending of money or extension of credit or the provision of services related to any such activities. A written disclosure to this effect, or such other disclosure as the department may authorize through rulemaking, shall be expressly acknowledged by the customer and shall include notice that the customer is free to select another insurance provider and that the customer's choice of another insurance provider will not affect the financial institution's credit decisions or credit terms in any way. The written disclosure shall be acknowledged at the time that the customer is first informed that insurance is available through the financial institution.

II. The completion of a loan transaction or other transactions involving the extension of credit shall not be delayed or impeded by an officer or employee of a financial institution for the purpose of influencing a customer's selection or purchase of insurance.

406-C:11 Prohibition on Discrimination Against Non-Affiliated Agents.

I. The financial institution shall not condition the provision of any product or service to any customer upon the purchase of a policy or contract of insurance through a particular insurer, agent, or broker or reject any insurance policy required in connection with a loan or extension of credit solely because such policy has been issued or underwritten by any person who is not associated with such institution.

II. The financial institution shall not impose any discriminatory requirement on any insurance agent or broker who is not associated with the financial institution that is not imposed on any insurance agent who is associated with such institution.

III. Unless otherwise authorized by any applicable federal or state law, no financial institution shall require any debtor, insurer, broker, or agent to pay a separate charge in connection with the handling of insurance that is required under a contract.

406-C:12 Prohibited Practices.

I. An employee of a financial institution who is not licensed as an agent or broker may receive, directly or indirectly, nominal compensation or consideration, not to exceed \$20 per referral or appointment, from an agent, broker, insurance agency, insurer, or the financial institution, based upon referral of potential purchasers to or making appointments with a licensed agent or broker, provided that the compensation or consideration is not conditioned on the actual sale of insurance. The commissioner may adopt rules to effectuate the purposes of this paragraph.

II. The financial institution shall not offer, recommend, sponsor, or sell an insurance product which has not been properly approved for sale to New Hampshire residents.

III. An insurance product shall not be offered in a package with non-insurance products in violation of rules adopted by the commissioner to prohibit unlawful tying activities, rebating, and unfair competition with respect to insurance sales.

IV. The payment for rental or lease of space by an unlicensed financial institution to an insurance agent or broker shall not be based directly or indirectly on the volume of premium written or insurance sold by the agent or broker.

406-C:13 Application of State and Federal Consumer Protection Provisions. Any financial institution which solicits or sells insurance products pursuant to RSA 384:16-b, III and this chapter shall be subject to all applicable federal and state consumer protection laws, including the federal anti-tying provisions of 12 USC section 1972.

406-C:14 Examination Authority. The insurance activities of financial institutions pursuant to RSA 384:16-b, III and this chapter shall be subject to examination by the commissioner and the commissioner is authorized to impose reasonable assessments on the financial institution for such examination.

406-C:15 Rulemaking Authority for Implementing Regulations.

I. The commissioner may adopt rules to effectuate the purposes of this chapter, which are to protect the insurance buying public from potential coercion by financial institutions, to minimize the possibilities of unfair competitive practices by financial institutions that harm the public, and to maintain parity with respect to the insurance powers of state and federally chartered financial institutions.

II. The commissioner may also adopt rules which would vary the provisions of this chapter, if essential, and for the sole purpose of maintaining parity and eliminating competitive advantages enjoyed by federally chartered financial institutions, upon a determination by the commissioner that a specific federal law, regulation or ruling creates a substantial disparity in the insurance agency powers of state and federal financial institutions in this state. Any rule adopted pursuant to this paragraph shall not diminish any consumer protection afforded under this chapter. The commissioner shall seek appropriate legislation amending any affected provisions of this chapter at the earliest legislative opportunity.

III. Rules adopted by the commissioner under this chapter shall be adopted pursuant to RSA 541-A. Notwithstanding RSA 541-A:17, I, or any other law to the contrary, any rule adopted under this chapter shall continue in force and effect until amended or repealed.

406-C:16 Enforcement. Any person violating the provisions of this chapter shall be subject to any and all enforcement procedures within the authority of the insurance department including, but not limited to, the issuance of a cease and desist order requiring such person to cease all insurance sales and solicitation activities.

406-C:17 Penalties. Any financial institution violating any of the provisions of this chapter or any rule adopted under this chapter may be subject to an administrative fine not to exceed \$2,500 per violation. The commissioner may also suspend or revoke the license of any financial institution or other person or organization for any violation of this chapter or rule or for failure to comply with an order, including a cease and desist order, of the commissioner issued under this chapter.

406-C:18 Provisions Severable. If any provision of this chapter or the application thereof to any person or circumstance is held to be invalid for any reason, such invalidity shall not affect any other provisions or applications of this chapter which can be given effect without the invalid provisions of applications, and to this end the provisions of this chapter are severable.

4 Effective Date. This act shall take effect 60 days after passage.

AMENDED ANALYSIS

This bill allows the insurance commissioner to regulate the sale of insurance by financial institutions. Only financial institutions located in a place which has a population of less than 5,000 may sell insurance in this state. The insurance commissioner is granted rulemaking authority to implement the provisions of this bill.

HB 455-FN-L, relative to a preliminary breath test for alcohol concentration. OUGHT TO PASS WITH AMENDMENT

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill provides clarification of the laws regarding the use of preliminary breath tests for alcohol concentration by allowing the results of the preliminary breath test to be admissible as evidence by the prosecution to establish probable cause for a subsequent arrest. It also provides for suspending the license or nonresident driving privilege of any person refusing the test for six months. Additionally, this bill will be consistent with motor vehicle, boating and OHRV offenses. Vote 14-1.

Amendment (0661h)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court finds that preliminary breath tests for alcohol concentration are valuable tools for the enforcement of prohibitions against operating motor vehicles,

boats, and off highway recreational vehicles (OHRVs) while intoxicated. The general court intends to facilitate the enforcement of these provisions by allowing the results of the preliminary breath test to be admissible as evidence of probable cause to arrest the operator, and by suspending the license or nonresident driving privilege of any person refusing the test for 6 months. The general court's intent shall be accomplished relative to motor vehicles by amending RSA 265:92-a, I; relative to boats by amending RSA 270:57, I; and relative to OHRVs by the amendment to RSA 265:92-a, I, which is applicable to OHRVs through RSA 215-A:11-i.

2 Preliminary Breath Test for Alcohol Concentration. Amend RSA 265:92-a, I to read as follows:

I. Any police officer, who has been certified by the police standards and training council according to standards for such certification contained in rules adopted by ~~[said]~~ *the* council pursuant to RSA 541-A, having reasonable grounds to believe that a person has been driving ~~[or operating]~~ a vehicle on a way while under the influence of intoxicating liquor or controlled drug or while the person's alcohol concentration was 0.08 or more *or in the case of a person under the age of 21, 0.02 or more* may, without making an arrest, request that such person submit to a preliminary breath test for alcohol concentration to be administered by the officer. *Any person who drives a vehicle upon the ways of this state and has been requested to submit to a preliminary breath test by an officer having reasonable grounds as set forth above shall be deemed to have given consent for the purpose of determining the presence of alcohol in the person.* The results of this test ~~[shall not be admissible in evidence by the prosecution, and failure to submit to the test shall not constitute a violation of this chapter]~~ *may be admissible in evidence by the prosecution to establish probable cause for a subsequent arrest. If a person refuses upon the request of a law enforcement officer to submit to a preliminary breath test, the director shall suspend the person's license to drive or nonresident driving privilege for a period of 6 months. The 6-month suspension period imposed pursuant to this section shall not run concurrently with any other suspension imposed under the provisions of this title. Any such suspension or denial of a license or privilege to drive shall be imposed in addition to any other suspension provided by law. A refusal of consent for any post-arrest physical testing and testing of blood, urine, or breath following any one arrest shall be deemed one refusal for the purposes of this section.* Nothing contained in this section shall be construed to prevent or require a subsequent test pursuant to RSA 265:84. ~~[The police officer requesting the test shall advise orally and in writing the person to be tested that his failure to take the test or his taking of the test shall not be construed to prevent or require a subsequent test pursuant to RSA 265:84.]~~ *Before any preliminary breath test is given, the law enforcement officer shall inform the person that a refusal to submit to the test will result in the suspension or denial of a license or privilege to drive.* The results of the test shall be furnished immediately in writing to the person tested by the police officer administering the test.

3 Preliminary Breath Test for Alcohol Concentration. Amend RSA 270:57, I to read as follows:

I. Any authorized agent or any peace officer who has been trained and certified according to standards for such training and certification set by the police standards and training council and contained in rules adopted by the ~~[said]~~ *the* council pursuant to RSA 541-A, having reasonable grounds to believe that a person has been operating or was in control of a boat upon the public waters of the state while under the influence of intoxicating liquor or controlled drugs or any combination of intoxicating liquor or controlled drugs may, without making an arrest, request that such person submit to a preliminary breath test to be administered by the officer. *Any person operating or in control of a boat upon the waters of this state and who has been requested to submit to a preliminary breath test by an officer having reasonable grounds as set forth above shall be deemed to have given consent for the purpose of determining the presence of alcohol in the person.* The results of this test ~~[shall not be admissible in evidence by the prosecution, and failure to submit to the test shall not constitute a violation of this chapter]~~ *may be admissible in evidence by the prosecution to establish probable cause for a subsequent arrest. If a person refuses upon the request of a law enforcement officer to submit to a preliminary breath test, the director shall suspend the person's license to drive or nonresident driving privilege for a period of 6 months. The 6-month suspension period imposed pursuant to this section shall not run concurrently with any other suspension imposed under the provisions of this title. Any such suspension or denial of a license or privilege to drive shall be imposed in addition to any other suspension provided by law. A refusal of consent for any post-arrest physical testing and testing*

of blood, urine, or breath following any one arrest shall be deemed one refusal for the purposes of this section. Nothing contained in this section shall be construed to prevent or require a subsequent test pursuant to RSA 270:49. ~~[The officer requesting the test shall advise the person to be tested that his failure to take the test or his taking of the test shall not be construed to prevent or require a subsequent test pursuant to RSA 270:49.]~~ *Before any preliminary breath test is given, the officer shall inform the person that a refusal to submit to the test will result in the suspension or denial of a license or privilege to drive and operate a boat.* The results of the test shall be furnished forthwith to the person tested by the officer administering the test.

HB 517-FN, relative to aggravated felonious sexual assault. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE

Rep. Andrew Christie, Jr. for the Majority of Criminal Justice and Public Safety: The bill allows the court to impose a life sentence on a person convicted of aggravated felonious sexual assault when the victim is less than 13 years of age. The imposition of a life sentence would allow those offenders who prey on children and who are often repeat offenders to be under lifetime parole when they are released from prison thereby assuring lifetime supervision. Vote 10-8.

Rep. Walter J. Mikowski for the Minority of Criminal Justice and Public Safety: We feel that on a first offense, we are empowering the judicial system, which can impose a life sentence, on emotion alone. A person can be convicted on the word of a coached child and be completely innocent yet be sentenced to a life term in prison, unless he pleads guilty. This would also have a financial impact on the budget of the probation department budget which would have to monitor this person, if released for the rest of the person's natural life.

Floor Amendment (0759h)

Amend RSA 632-A:10-a, I(a) as inserted by section 1 of the bill by replacing it with the following:

(a) RSA 632-A:2, I(l) shall be sentenced to life imprisonment or for such term as the court may order.

AMENDED ANALYSIS

This bill requires courts to impose a life sentence or other term of imprisonment upon persons convicted of aggravated felonious sexual assault when the victim is less than 13 years of age, and excepts such persons from eligibility for early discharge for good conduct.

Rep. Mikowski spoke in favor.

HB 527, classifying smoke bombs as permissible fireworks OUGHT TO PASS

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: The committee discussed this issue at length and found there was a need to add smoke bombs to the list of fireworks to go before the Permissible Fireworks Committee. This will allow a review of the chemical contents of the smoke bomb and the size of its cloud. Then the determination of whether or not to allow the sale of smoke bombs will be made by the permissible Fireworks Committee. Vote 18-1.

Adopted and ordered to third reading.

HB 558-FN, relative to life imprisonment for persons who have committed 3 or more serious violent felonies. INEXPEDIENT TO LEGISLATE

Rep. Richard F. Doucette for Criminal Justice and Public Safety: The committee killed a less restrictive bill than this last year and felt that even though the offenses in this bill were more narrowly defined than before, there were too many questions left undecided. For instance, should arson of a historical structure count towards three violent felonies? Also, we felt that cost to the indigent defense fund

would escalate out of control as there would be a large increase in trials of defendants who are already two time losers. There would also be an increase in the cost to run the public defender program because they defend many of these cases. And finally, states that have similar laws like California are considering changes to them as the related costs are out of control. Vote 13-4.
Adopted.

HB 680-FN, relative to criminal liability for harm caused by dangerous domestic animals or captive wildlife. **INEXPEDIENT TO LEGISLATE**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: Domestic animals and dogs are already covered in RSA 466 and 467. Captive wild animals used to be covered in RSA 469 which was repealed in 1992. Keeping this in mind, there was no testimony at the public hearing to support this bill. The sponsor was not able to attend due to illness. Vote 15-2.
Adopted.

HB 696-FN-L, authorizing the court to suspend the motor vehicle driver's license of a person convicted of criminal mischief when such conviction was the result of an act facilitated by the use of an automobile. **OUGHT TO PASS WITH AMENDMENT**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill allows the court to suspend, for a period not to exceed 90 days, the driver's license of a person who is convicted of criminal mischief or the driver's licenses of persons who are convicted of criminal mischief if the court determines that a motor vehicle was used to abet the commission of criminal mischief. Vote 16-2.

Amendment (0652h)

Amend the title of the bill by replacing it with the following:

AN ACT authorizing the court to suspend the motor vehicle driver's license of a person convicted of criminal mischief when the court determines that a motor vehicle was used to abet the commission of criminal mischief.

Amend RSA 634:2, VII as inserted by section 2 of the bill by replacing it with the following:

VII. If the court determines that a motor vehicle was used to abet the commission of the act constituting criminal mischief, the court may suspend, for a period not to exceed 90 days, the driver's license of a person who is convicted of criminal mischief, or the driver's licenses of persons who are convicted of criminal mischief.

AMENDED ANALYSIS

This bill allows the court to suspend, for a period not to exceed 90 days, the driver's license of a person who is convicted of criminal mischief or the driver's licenses of persons who are convicted of criminal mischief, if the court determines that a motor vehicle was used to abet the commission of criminal mischief.

HB 156, eliminating straight ticket voting. **WITHOUT RECOMMENDATION**

Rep. Janet S. Arndt for Election Law: Many good ideas were presented on both sides of the issue. The committee felt that since the positions reflected several different thought processes that it was better to let each House member decide for himself or herself. Vote 9-9.

and the motion failed.

Rep. Arnold moved Inexpedient to Legislate.

Adopted.

HB 276, relative to petitions for filing for a primary election. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE

Reps. Joseph A. Foster and Thomas I. Arnold, Jr. for the Majority of Election Law: This bill, as amended, retains the voluntary spending cap but removes the requirement that candidates who wish to exceed the voluntary cap must, as a precondition, gather petitions to be placed on the ballot. If the bill is passed, candidates will still be required to declare whether they plan to exceed the cap and their opponents will be free to raise the decision to exceed the cap as an issue in the campaign. Under current law, a candidate for governor who wishes to retain his or her constitutional right to exceed the cap must gather 2,000 petitions while a candidate who voluntarily agrees not to exceed the cap has no such obligation. The spending cap law is currently being challenged in Federal District Court partially on the basis that the petition requirement places an undue burden on the candidate's constitutional right to free speech. A majority of the committee concluded that the goals and policies of the law would remain if the petition process were removed and the critical aspects of the law—the cap itself—would be much more likely to survive constitutional challenge. The committee will be reviewing the merits of the cap itself in the context of other bills which have been referred. By passing this bill, the Legislature, not the courts, will have the final say on the utility of the spending cap law. Vote 12-5.

Rep. C. Donald Stritch for the Minority of Election Law: This bill as amended would make negligible the requirements to voluntarily limit or not campaign expenditures by eliminating almost any need for petitions. Now we go back to the era of spend, spend and spend some more. A cap and petition requirement for over a dozen years are effectively scrapped and candidates have little need or incentive to limit. Comments regarding the constitutionality of a 12-year law are premature and presupposed. We should not eliminate a law with nothing in the loop to replace it.

Amendment (0708h)

Amend the title of the bill by replacing it with the following:

AN ACT removing primary petition filing requirements for candidates who do not voluntarily accept campaign spending limitations.

Amend the bill by replacing all after the enacting clause with the following:

1 General Filing Provisions Modified. Amend RSA 655:14 to read as follows:

655:14 Filing; General Provisions. The name of any person shall not be printed upon the ballot of any party for a primary unless **[he] the person:**

1. Is a registered member of that party~~[-he shall have]~~.

II. ~~Has~~ met the age and domicile qualifications for the office ~~[he seeks]~~ *sought* at the time of the general election~~[-he]~~.

III. Meets all the other qualifications at the time of filing~~[-and he shall file]~~.

IV. ~~Files~~ with the appropriate official between the first Wednesday in June and the Friday of the following week a declaration of candidacy as provided in RSA 655:17~~[-and~~

~~I.]~~ *(a)* The appropriate filing fee as provided in RSA 655:19~~[-];~~ or

~~[H.]~~ *(b)* The appropriate number of primary petitions ~~[as provided in]~~ *under* RSA 655:20, and ~~[655:22 and]~~ an assent to candidacy as provided in RSA 655:25.

2 Filing Fees; References Removed. Amend the introductory paragraph of RSA 655:19, I to read as follows:

1. At the time of filing declarations of candidacy, each candidate for the following offices shall pay to the official with whom the declarations are filed the following filing fees~~[-and shall file with the appropriate official the requisite number of primary petitions as provided in RSA 655:20 and 655:22]~~, unless the candidate agrees to limit ~~[his]~~ expenditures in accordance with RSA 664:5-a. At the time of filing declarations of intent, each candidate for the following offices shall pay to the secretary of state the following filing fees, and the following filing fees shall be paid in addition to the requisite number of nomination papers which must be submitted and filed. The filing fee paid under this section shall be in addition to the administrative assessment paid under RSA 655:19-c. The filing fees shall be as follows:

3 Certain Primary Petition Requirements Removed. Amend the introductory paragraph of RSA 655:19-c, I to read as follows:

1. Candidates for governor, United States senator, representative to Congress, executive councilor, state senator, county officer, and state representative who file declarations of candidacy shall pay the administrative assessment in paragraph I or file primary petitions as provided in paragraph III in addition to the filing fee ~~[and primary petition]~~ requirements of RSA 655:19 ~~[and 655:20]~~ *unless the candidate agrees to limit expenditures in accordance with RSA 664:5-a*. Candidates for governor, United States senator, representative to Congress, executive councilor, state senator, county officer, and state representative who file declarations of intent shall pay the administrative assessment in paragraph I in addition to the filing fee required by RSA 655:19 and shall meet the requirements of RSA 655:40-45 for nomination by nomination papers. Neither the administrative assessment which is paid nor the primary petitions which are filed under this section, nor the nomination papers which must be submitted under RSA 655:41 and filed under RSA 655:43, shall be waived or refunded for a candidate for any of the offices listed in this section who, pursuant to RSA 664:5-a, voluntarily accepts the expenditure limitation set forth in RSA 664:5-b. At the time of filing declarations of candidacy or declarations of intent, the administrative assessment shall be as follows:

4 Primary Petitions; References to Filing in Lieu of Expenditure Limitations Removed. RSA 655:20 is repealed and reenacted to read as follows:

655:20 Primary Petitions in Lieu of Filing Fees. Any person otherwise qualified to run for office who is unable to pay the filing fee as prescribed in RSA 655:19 by reason of indigency may have the person's name printed on the primary ballot of any party by filing with the appropriate official the requisite number of primary petitions made by members of the party, together with one written assent to candidacy. The number of primary petitions required shall be the same as required under RSA 655:19-c, III to avoid payment of the administrative assessment prescribed under RSA 655:19-c, I.

5 Repeal. RSA 655:22, relative to the number of certain primary petitions to be filed in lieu of acceptance of expenditure limitations.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill removes primary petition filing requirements for candidates who do not voluntarily accept campaign spending limitations.

Adopted.

Rep. Joseph Foster spoke in favor and yielded to questions.

Rep. Arnold spoke in favor.

MOTIONS TO SPECIAL ORDER

Rep. Carol Moore moved that **HB 211**, defining the terms "psychological injury" and relative terms under the child protection act be made a Special Order immediately following the lunch recess. Adopted.

Rep. Hess moved that **HB 198**, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction, be made a Special Order as the second bill following the lunch recess. Adopted.

Rep. Jeb Bradley moved that **HB 660**, adding the name of Martin Luther King, Jr. to Civil Rights Day and **SB 157**, adding the name of Martin Luther King, Jr. to Civil Rights Day, be made Special Orders for 3:00 p.m. today.

Adopted.

RECESS

(Speaker Sytek in the Chair)

SPECIAL ORDERS

HB 211, defining the terms "psychological injury" and related terms under the child protection act. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE

Rep. Julie M. Brown for the Majority of Judiciary and Family Law: This bill has had considerable study and is needed as our present law is so vague. This compromise language improves what we now have and is a first step in helping our children, and could be the beginning of landmark legislation. Vote 10-7.

Reps. Paul M. Mirski and Thomas M. Colburn for the Minority of Judiciary and Family Law: The sponsors of **HB 211** have worked diligently to create a definition of psychological abuse which would clarify the definition which presently exists in statute. Unfortunately, to the potential detriment of parents and other caregivers, the bill as proposed still offers the opportunity for expansive

interpretation of a wide variety of behaviors as potential causes of psychological injury. The minority believe that the interests of abused children and the interests of parents and others would be better served by editing out those elements in the language of the bill which would permit or encourage less studious and less astute members of the judiciary to inadvertently convict responsible caregivers of psychological abuse.

Amendment (0684h)

Amend paragraphs I and II as inserted by section 1 of the bill by replacing them with the following:

I. Psychological injury produces both acute and long-term negative effects. Such injury is a repeated pattern of caregiver behavior that conveys the message that a child is worthless, flawed, unloved, unwanted, or endangered. Many caregivers, at some point, send such unfortunate messages. There are no perfect caregivers. Most psychological injury occurs when these negative messages pass from isolated incidents to a persistent oppressive pattern of caregiving style.

II. Research establishes a connection between psychological injury and attachment disorders, limitations in cognitive ability and problem solving, poor academic achievement, depression, poor peer relationships, behavior problems, anxiety disorders (especially post-traumatic stress disorder), and anti-social behavior. Impairments may extend into adulthood affecting one's ability to function and maintain relationships in the home, workplace, and community. Cases involving psychological injury receive less frequent intervention than do cases involving physical injury or sexual abuse, yet such injury may actually result in more serious negative effects.

Amend RSA 169-C:3, XXV-a as inserted by section 5 of the bill by replacing it with the following:

XXV-a.(a) "Psychological injury" means harm to the intellectual and psychological capacity of a child by a discernible and substantial impairment in the ability to function within the established ranges of normal growth and development accepted by academic and medical disciplines. Harm to a child's intellectual and psychological capacity may be caused by recurrent, harmful, behaviors engaged in by a caregiver. Such behavior is a repeated pattern of caregiver behavior that may include, but is not limited to, exposing a child to acts of hostile rejecting, isolating, exploiting or corrupting, domestic violence, or terrorizing.

(b) Sexual or physical abuse are not requisite to a finding of psychological injury or maltreatment. However, when there is a finding of sexual or physical abuse, there shall be a presumption of psychological injury.

Adopted.

Reps. Donald White, Howard and Cobbin spoke against.

Reps. Hess, Irene Pratt and Woods spoke in favor.

Rep. Mirski spoke against and yielded to questions.

Rep. Carol Moore spoke in favor and yielded to questions.

Rep. Bickford requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

HB 211 was ordered to third reading.

SPECIAL ORDERS (CONT'D.)

HB 198-L, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction. RE-REFER TO COMMITTEE

Rep. Stephen G. Avery for Local and Regulated Revenues: The committee had many questions on this piece of legislation, including the constitutionality of the bill. The committee would like to ask the House to send questions concerning certain provisions of this bill to the supreme court for an advisory opinion and then address the issues later this session. The Chairman of the committee will offer a motion to table this bill and address the House Resolution which would request an Opinion of the Justices. Vote 15-0.

Rep. Hess spoke against.

LAI'D ON THE TABLE

Rep. Metzger moved that **HB 198**, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction be laid upon the table.

Adopted.

SUSPENSION OF RULES

Rep. Hess moved that the Rules be so far suspended as to allow the drafting and introduction at the present time of **HR 20**, requesting an opinion of the justices concerning the constitutionality off **HB 198-LOCAL**, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction.

Adopted by the necessary two-thirds.

INTRODUCTION OF HR**First, second reading**

HR 20, requesting an opinion of the justices concerning the constitutionality off **HB 198-LOCAL**, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction.

REGULAR CALENDAR (CONT'D.)

HB 446, prohibiting candidates of one party from accepting the nomination of another party. **OUGHT TO PASS**

Rep. John M. Root for Election Law: This was a non-partisan vote. The majority considered this bill as a "truth in labeling" fix to present practice which was characterized as a "politician protection procedure." It was also pointed out that this bill does not restrict a voter's right to vote for any candidate by writing in a name; rather it seeks to restrict a nominee from accepting the windfall nomination of another party by means of a handful of votes. Vote 9-8.

Adopted and ordered to third reading.

HB 171, relative to the citizens advisory committee which advises the pesticide control board. **OUGHT TO PASS WITH AMENDMENT**

Rep. Harold P. Melcher for Environment and Agriculture: Testimony made clear that the citizens advisory board was ineffective and that the existing pesticide control board has the identical responsibility. Therefore the advisory committee is deemed unnecessary. Vote 13-0.

Amendment (0598h)

Amend the title of the bill by replacing it with the following:

AN ACT repealing the citizens advisory committee which advises the pesticide control board.

Amend the bill by replacing all after the enacting clause with the following:

1 Repeal. RSA 430:31-a, relative to the citizens advisory committee which advises the pesticide control board, is repealed.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill repeals the citizens advisory committee which advises the pesticide control board.

Adopted.

Report adopted and ordered to third reading.

HB 352, modifying the definitions of "agriculture" and "farming" for certain purposes. **OUGHT TO PASS WITH AMENDMENT**

Rep. Donald R. Philbrick for Environment and Agriculture: The committee agrees with the policy of including the category of genetically engineered short rotation tree fiber in RSA 21:34a. The bill as amended includes the exemption of this crop from timber yield taxes, as fruit trees and Christmas trees have been exempted. Genetically engineered short rotation tree fiber is being proposed on an experimental basis using a hybrid type of poplar tree which is used for pulp in the production of paper. Vote 14-0.

Amendment (0643h)

Amend the title of the bill by replacing it with the following:

AN ACT modifying the definitions of "agriculture" and "farming" for certain purposes and adding a definition of "short rotation tree fiber farming."

Amend the bill by replacing all after the enacting clause with the following:

1 Short Rotation Tree Fiber Farming. Amend RSA 21:34-a to read as follows:

21:34-a Farm, Agriculture, Farming. The word "farm" shall mean any land or buildings or structures on or in which agriculture and farming operations are carried on and shall include the residence or residences of owners, occupants, or employees located on such land. The words "agriculture" and "farming" shall mean all operations of a farm such as the cultivation, conserving, and tillage of the soil, dairying, greenhouse operations, *short rotation tree fiber farming as defined in RSA 79:1, VI*, the production, cultivation, growing and harvesting of any agricultural, floricultural, sod, *short rotation tree fiber*, or horticultural commodities, the raising of livestock, bees, fur-bearing animals, fresh water fish or poultry, or any practices on the farm as an incident to or in conjunction with such farming operations including, but not necessarily restricted to, the following: preparation for market, delivery to storage or to market, or to carriers for transportation to market, of any products or materials from the farm; the transportation to the farm of supplies and materials; the transportation of farm workers; forestry or lumbering operations; the marketing or selling at wholesale or retail or in any other manner any products from the farm and of other supplies that do not exceed in average yearly dollar volume the value of products from such farm.

2 New Paragraph; Definition; Short Rotation Tree Fiber Farming. Amend RSA 79:1 by inserting after paragraph V the following new paragraph:

VI. "Short rotation tree fiber farming" means the production, cultivation, growing and harvesting of any genetically-engineered tree species for rotation periods not to exceed 15 years between planting and harvesting.

3 Release from Taxes; Genetically-Engineered Short Rotation Tree Fiber. Amend RSA 79:2 to read as follows:

79:2 Release from Taxes. All growing wood and timber except fruit trees, sugar orchards, nursery stock, Christmas trees and trees maintained only for shade or ornamental purposes *or for genetically-engineered short rotation tree fiber*, which shall not be subject to the yield tax, shall be released from the general property tax and the school tax in unincorporated places provided for in RSA 198:16, but the land on which such growing wood and timber stands shall be assessed.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill adds short rotation tree fiber farming to the list of that which constitutes "agriculture" or "farming" and short rotation tree fiber commodities to the types of commodities included in the definition of "agriculture" and "farming".

The bill excludes trees grown and maintained for short rotation tree fiber not subject to the normal yield tax from the general property tax and the school tax.

Report adopted and ordered to third reading.

HB 384, relative to requiring notification by utilities of right-of-way maintenance. INEXPEDIENT TO LEGISLATE

Rep. John B. Heath for Environment and Agriculture: The current system of notification is by and large working. The considerable additional expense of effective signage and additional publicity efforts, especially in the worrisome present economic climate of energy deregulation, seemed to a strong majority of the committee to be unwarranted at this time. Vote 13-1.

Adopted.

HB 418, prohibiting the land application of sludge or biosolids containing amounts of heavy metals over certain limits. RE-REFER TO COMMITTEE

Rep. Peter R. Leishman for Environment and Agriculture: The committee, with sponsor approval, agreed that further research and information is required concerning this proposed legislation. Vote 14-0.

Adopted.

HB 496, requiring all land application of sludge or biosolids to comply with certain best management practices and relative to an exceptional quality exclusion. INEXPEDIENT TO LEGISLATE

Rep. David L. Babson Jr. for Environment and Agriculture: The committee takes the position that Department of Environmental Services rules in place incorporate "best management" practices and placing exemptions in law for any portion of these issues is not appropriate at this time. Vote 13-0.

Adopted.

HB 497, excluding domestic septage from regulation as sludge or biosolids. RE-REFER TO COMMITTEE

Rep. Perley E. Davis for Environment and Agriculture: The committee felt that this bill should be re-referred to allow the committee to work out solutions for several questions on a controversial and emotional subject. Vote 11-3.

Adopted.

HB 368, establishing the honorary position of artist laureate of the state of New Hampshire. OUGHT TO PASS WITH AMENDMENT

Rep. Howard C. Dickinson, Jr. for Executive Departments and Administration: HB 368, as amended, provides for New Hampshire residents to be honored with the title of New Hampshire "Artist Laureate". This appointment will be made by the governor and council every two years so that many artists will have the opportunity to be considered by the New Hampshire Council on the Arts for nomination. Vote 16-2.

Amendment (0597h)

Amend RSA 3-D:1 and RSA 3-D:2 as inserted by section 2 of the bill by replacing them with the following:

3-D:1 Position Established. There is hereby established the position of artist laureate for the state. The governor, with the advice and consent of the council, shall appoint the artist laureate. The person so honored shall be a resident of this state and shall serve for a 2-year term which shall be coterminous with the term of the governor. There shall be no restriction on reappointment.

3-D:2 Recommendations. Prior to the appointment of an artist laureate, the New Hampshire *council* on the arts shall submit to the governor and council the names of persons whom they deem to be worthy of the honorary position. Upon the expiration of the term of the artist laureate, as provided in RSA 3-D:1, the commission shall again submit to the governor and council a name or names for a successor.

Report adopted and ordered to third reading.

HB 378, regulating the practice of acupuncture. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE

Rep. Maurice E. Goulet for the Majority of Executive Departments and Administration: The bill establishes a board of acupuncture licensing to be administratively attached to the office of the commissioner of the department of health and human services. Although well written, it required 4 amendments to fine tune the bill. The amendments will 1) require the use of disposable needles for each patient, 2) allow licensed health professionals to provide acupuncture treatment if their current statutes permit such treatment, 3) provide Class B misdemeanor for persons who violate this act, and 4) allow the board to assess administrative fines. To become licensed, an acupuncturist must have a baccalaureate degree or be licensed as a nurse or physicians assistant and have successfully completed a post secondary acupuncture college program which is board approved. Acupuncturists may reciprocate from another state if they hold a valid license and the states licensure requirements are equal to or greater than the New Hampshire requirements. Enactment of this law will allow those that now must travel to Maine, Massachusetts or Vermont for treatment to obtain these services in New Hampshire and acupuncture will take its place as an alternative health practice in New Hampshire. Vote 14-2.

Rep. Timothy N. Robertson for the Minority of Executive Departments and Administration: This bill legitimizes the practice of acupuncture. Acupuncture is not a science. The fact that it is effective only proves the power of the human mind. The only statement given during our hearing was "It works, because it does".

Amendment (0590h)

Amend the bill by replacing section 1 with the following:

1 New Chapter; Acupuncture. Amend RSA by inserting after chapter 328-E the following new chapter:

CHAPTER 328-F ACUPUNCTURE

328-F:1 Findings and Purpose.

I. The general court finds that a significant number of New Hampshire residents choose acupuncture and oriental medicine to be part of their health care needs and declares that acupuncture and oriental medicine form a distinct health care profession that affects the public health, safety, and welfare and provides freedom of choice in health care.

II. The purpose of this chapter is:

(a) To provide standards for the licensing and regulation of acupuncturists in order to protect the public health, safety, and welfare.

(b) To ensure that acupuncture and oriental medical therapies practiced by qualified persons are available to the people of New Hampshire.

(c) To provide a means of identifying qualified acupuncturists.

328-F:2 Definitions. In this chapter:

I. "Acupuncture" means primarily the insertion of needles through the skin at certain points on the body, with or without the application of electric current and/or heat, for the purpose of promoting health and balance as defined by the principles of oriental medicine.

II. "Acupuncturist" means a person licensed to practice acupuncture as defined in this chapter, and whose license is in good standing.

III. "Board" means the board of acupuncture licensing established under RSA 328-F:3.

IV. "Cupping" means a therapeutic method of oriental medicine that utilizes a partial vacuum created in a glass dome or cup that is then applied to a particular area of the body.

V. "Moxibustion" means the thermal stimulation of acupuncture points or specific body areas by utilizing the burning of the dried form of the herb, *Artemisia Vulgaris*; the heat may be applied on or above specific points or areas or on the acupuncture needle itself.

VI. "NACSCAOM" means the National Accreditation Commission for Schools and Colleges of Acupuncture and Oriental Medicine.

VII. "NCCA" means the National Certification Commission for Acupuncture and Oriental Medicine.

VIII. "Oriental medicine" means the distinct system of health care that diagnoses and treats illness, injury, pain or other conditions by controlling and regulating the flow and balance of energy to restore and maintain health.

328-F:3 Board Established.

I. There shall be a board of acupuncture licensing consisting of the following members:

(a) Four acupuncturists, appointed by the governor, who shall:

(1) Be NCCA certified and hold a current, valid license to practice acupuncture in another state in which licensure requirements are substantially equivalent to, or higher than, those of this state, in the case of the initial board appointees, and a current, valid license to practice under this chapter, in the case of subsequent board appointees.

(2) Have been residents of this state for at least one year immediately preceding such appointment.

(b) One public member, appointed by the governor, who shall:

(1) Be of legal age of majority.

(2) Be a resident of this state for 3 years immediately preceding such appointment.

(3) Not be, nor ever have been, a member of the acupuncture profession nor have or have had a material, financial interest in either the provision of acupuncture services or an activity directly related to acupuncture, including the representation of the board or profession for a fee at any time during the 5 years preceding appointment.

II. The governor shall appoint the initial board within 6 months of passage of this chapter.

III. The terms of office shall be 3 years for all board members. The initial board appointees shall consist of one acupuncturist for a term of 3 years, one acupuncturist for a term of 2 years, 2 acupuncturists for a term of one year each, and one public member for a term of 3 years. A member may be removed from office by the governor if the governor finds the member was guilty of malfeasance, misfeasance or dishonorable conduct.

IV. There shall be no monetary liability on the part of, and no cause of action shall arise against, the members of the board, or personnel of the board, for any act done or proceeding undertaken or performed in good faith and in furtherance of the purposes of this chapter.

328-F:4 Administrative Attachment. The board of acupuncture shall be an administratively attached agency, under RSA 21-G:10, to the office of the commissioner of the department of health and human services.

328-F:5 Reimbursement; Travel. The board shall serve without pay except that each member of the board shall be reimbursed for mileage at the legislative rate for travel to and from meetings of the board and for other travel necessary to fulfill duties of the board.

328-F:6 Organization and Meetings. The board shall hold regular meetings at least semi-annually and shall give notice to its members of the time and place for holding all regular and special meetings. A quorum of the board shall consist of not less than 3 members. The board shall biennially elect a chairperson, a vice-chairperson, and a secretary from among its members.

328-F:7 Rulemaking Authority. The board shall adopt rules, under RSA 541-A, relative to:

- I. Procedures and forms for application for an acupuncture license.
- II. Scope of practice and fees for licenses issued or renewed under this chapter.
- III. Procedures for license renewal, including continuing education requirements, testing, peer review, or other appropriate procedures, and methods to ensure compliance with such requirements.
- IV. Maintaining a register of licensed acupuncturists practicing in the state.
- V. Establishing and enforcing ethical and professional standards to be met by each licensee including, as necessary, requirements for proficiency in specialty practice.
- VI. Maintaining a register of approved acupuncture schools.
- VII. Procedures for hearings for disciplinary action under RSA 328-F:12.
- VIII. The definition of acupuncture consistent with RSA 328-F:2, I.
- IX. Methods for ensuring appropriate display of licenses, including, but not limited to, signs and other forms of advertising.
- X. A student practicing acupuncture under the direct supervision of a licensed acupuncturist as part of a course of study approved by the board.
- XI. Temporary licensure of a visiting acupuncture teacher.
- XII. Other matters necessary for the proper administration of this chapter.
- XIII. Establishing a schedule of administrative fines.

328-F:8 Disposition of Receipts. All moneys received by the board under this chapter shall be paid to the secretary of the board, who shall give a receipt therefor and shall, at the end of each month, report to the commissioner of the department of health and human services the total amount of money received and deposit it with the state treasurer.

328-F:9 Licensure Required; Renewal; Reissuance; Continuing Education.

I. No person shall practice acupuncture within this state without first obtaining a license from the board except physicians licensed under RSA 329 and doctors of naturopathic medicine licensed under RSA 328-E:12.

II. The board shall issue a license to any applicant who satisfies all of the following requirements:

- (a) Is 21 years of age or older.
- (b) Has current, active NCCA certification through examination or Credentials Documentation Review.

- (c) Has successfully completed an NCCA approved Clean Needle Technique Course.
- (d) Has paid the requisite fees and filed the application established by the board.
- (e) Is of good moral character.
- (f) Has earned a baccalaureate, registered nurse, or physician's assistant degree from an accredited institution. An applicant who possesses a current, valid license to practice acupuncture from another state who meets all other requirements of licensure may have this requirement waived at the discretion of the board.

- (g) Has successfully completed a post-secondary acupuncture college program which is NACSCAOM or board approved. For one year from the date on which the first license is issued this requirement will be waived for an applicant who possesses a current, valid license to practice acupuncture in another state, provided that the applicant meets the other requirements of this chapter. After one year from the date on which the first license is issued, this requirement may only be waived at the discretion of the board. The board of acupuncture licensing will review on a case by case basis valid apprenticeship programs that demonstrate a balanced approach of clinical training and fundamental sciences and that conform to NCCA standards. In addition, all applicants who have not graduated from an accredited acupuncture school must show proof of successful completion of a college level course in anatomy and physiology.

III. Only a person licensed under this chapter or a physician licensed under RSA 329 or a doctor of naturopathic medicine licensed under RSA 328-E:12, shall hold out to members of the public that such person is practicing acupuncture, or use a title or description which suggests such, including any of the following:

- (a) C.A. or Certified Acupuncturist.
- (b) Acupuncturist.
- (c) M.D., C.A. or M.D., Certified Acupuncturist.
- (d) Any other letters or words denoting that the person practices acupuncture.

IV. Notwithstanding paragraph III, the title, "Licensed Acupuncturist", and its abbreviations, "L.Ac." or "Lic. Ac.", shall be used only by persons licensed under this chapter.

V. Whoever, not being licensed or exempted as provided in this chapter, shall advertise oneself or in any way hold oneself out as qualified to practice acupuncture, or shall practice acupuncture, or whoever does so after receiving notice that one's license has been revoked, and whoever, being licensed as provided in this chapter, shall advertise or call oneself or allow oneself to be advertised or called a physician or a doctor in such a way as to imply that such credential relates to the provision of acupuncture services, or use any physician's or doctor's insignia for such purposes shall be in violation of this chapter.

VI. Persons licensed pursuant to this chapter who engage in the practice of acupuncture without complying with this chapter shall be subject to refused renewal, limitation, revocation, or suspension of their license.

VII. Nothing in this chapter is intended to limit, interfere with, or prevent any other licensed health care professionals from practicing within the scope of their licenses as defined by each profession's New Hampshire licensing statutes, but they shall not hold themselves out to the public or any private group of business by any title or description of services that includes any of the terms in paragraphs III or IV unless they are licensed under this chapter, RSA 329, or RSA 328-E:12.

VIII. Notwithstanding any other provisions of law to the contrary, those health care professionals licensed under RSA 316-A who are practicing acupuncture as of the effective date of this chapter may petition the board for an exemption to the licensure requirements of this chapter. The board shall consider the educational qualifications and the clinical experience of those individuals licensed under RSA 316-A seeking exemption to the licensure requirements of this chapter.

IX. All licenses issued by the board shall be valid for 2 years from the date of issuance and shall be renewed biennially or reissued pursuant to rules adopted and fees established by the board.

X. As a condition of renewal of license, the board shall require each licensee to show proof of having completed in each biennial period 30 continuing education units at approved institutions or as approved by the board. Maintaining continuous NCCA certification shall fulfill the continuing education requirement as long as NCCA certification continues to require at least 30 Professional Development Activity points in each biennium.

328-F:10 Scope of Practice.

I. Under this chapter the scope of practice of acupuncture shall include the allied techniques and modalities of oriental medicine, both traditional and modern. The scope of practice shall include: diagnostic procedures; electrical and magnetic stimulation; moxibustion and other forms of heat therapy; cupping and scraping techniques; dietary, nutritional, and herbal therapies; and lifestyle counseling.

II. Notwithstanding paragraph I, the scope of practice may be further defined by the board in accordance with RSA 541-A.

III. Nothing in this section is intended to limit, interfere with, or prevent any other health care professionals from practicing within their defined scopes of practice.

IV. Needles used in acupuncture practice shall be sterile, disposable, one-use needles.

328-F:11 Powers and Duties of the Board.

I. The board shall:

- (a) Insure that licensed acupuncturists serving the public meet minimum standards of proficiency and competency to protect the health, safety, and welfare of the public.
- (b) Administer and enforce all provisions of this chapter, which pertain to licensees and applicants, and all rules adopted by the board under the authority granted in this chapter.
- (c) Maintain an accurate account of all receipts, expenditures, and refunds granted under this chapter.

- (d) Maintain a record of its acts and proceedings, including the issuance, refusal, suspension, or revocation of licenses.
- (e) Maintain a roster of all acupuncturists licensed under this chapter which indicates:
 - (1) The name of the licensee.
 - (2) Current professional office address.
 - (3) The date of issuance and the number of the licensee's license.
 - (4) Whether the licensee is in good standing.
- (f) Keep all applications for licensure as a permanent record.
- (g) Maintain a permanent record of the results of all examinations it gives.
- (h) Keep all examination records including written examination records and tape recordings of the questions and answers in oral examinations.
- (i) Keep the records of the board open to public inspection at all reasonable times.
- (j) Adopt and use a seal, the imprint of which, together with the signatures of the chairperson or vice-chairperson and the secretary-treasurer of the board, shall evidence its official acts.
- (k) Annually compile and publish a directory.

II. The board may appoint qualified personnel to administer any part or all of any examinations provided for under this chapter.

III. The board shall have the power to subpoena witnesses and administer oaths in any hearing or disciplinary proceedings, and to compel, by subpoena duces tecum, the production of papers and records.

IV. Witnesses summoned before the board shall be paid the same fees as witnesses summoned to appear before the superior court, and such summons shall have the same effect as though issued for appearance before such court.

V. At the same time the board files the text of a proposed rule with the director of legislative services under RSA 541-A:10, the board shall provide the commissioner of the department of health and human services with a copy of the text of the proposed rule. The commissioner shall monitor the rulemaking of the board to ensure that all rules are:

- (a) Consistent with the provisions of RSA 541-A;
- (b) Consistent with the specific statutory authority under which they are adopted;
- (c) Consistent with other statutes; and
- (d) Consistent with rules adopted by any board, commission, or agency.

VI. If the commissioner determines that a rule proposed for adoption is not consistent with the criteria established in paragraph V of this section, the commissioner shall notify the board in writing and the board shall take corrective action.

328-F:12 Disciplinary Actions.

I. The board may undertake disciplinary proceedings:

- (a) Upon its own initiative; or
- (b) Upon written complaint of any person which charges that a person licensed by the board has committed misconduct under paragraph II and which specifies the grounds for the misconduct.

II. Misconduct sufficient to support disciplinary proceedings under this section shall include:

- (a) The practice of fraud or deceit in procuring or attempting to procure a license to practice under this chapter.
- (b) Conviction of any crime which demonstrates unfitness to practice acupuncture.
- (c) Violation of the standards adopted under RSA 328-F:7, V.
- (d) Demonstrable gross incompetence of the licensee.
- (e) Addiction to the use of alcohol or other habit-forming drugs to a degree which renders the licensee unfit to practice under this chapter.
- (f) A legal finding of mental incompetence.
- (g) Willful or repeated violation of the provisions of this chapter.
- (h) Suspension or revocation without subsequent reinstatement of a license, similar to one issued under this chapter, in another jurisdiction.

III.(a) The board may take disciplinary action in any one or more of the following ways:

- (1) By public or private reprimand.
- (2) By suspension, limitation, or restriction of license.
- (3) By revocation of license.

By assessing administrative fines in amounts established by the board which shall not exceed \$2000 per offense, or in the case of a continuing offense, \$250 for each day the violation continues.

(b) Disciplinary action taken under this paragraph may be ordered by the board in a decision made after a hearing in the manner provided by the rules adopted by the board and reviewed in accordance with RSA 541.

(c) No person licensed under this chapter shall continue to practice acupuncture while the person's license is suspended or revoked.

328-F:13 Hearings. The board shall take no disciplinary action without a hearing. At least 14 days prior to hearing, both parties to a disciplinary proceeding shall be served, either personally or by registered mail, with a written copy of the complaint filed and notice of the time and place for hearing. All complaints shall be objectively received and fairly heard by the board, but no complaint shall be acted upon unless in writing. A hearing shall be held on all written complaints received by the board within 3 months of the date notice of a complaint was received by the accused, unless otherwise agreed to by the parties. Written notice of all disciplinary decisions made by the board shall be given to both parties to the proceeding upon their issuance.

328-F:14 Penalties. It shall be a class B misdemeanor for any person to violate RSA 328-F:9.

328-F:15 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end the provisions of this chapter are severable.

Adopted.

HB 469, relative to the rules of the board of dental examiners. OUGHT TO PASS WITH AMENDMENT

Rep. Nancy C. Stickney for Executive Departments and Administration: This bill is a housekeeping bill which expands the scope of activity to allow, under a temporary license, voluntary dental and dental hygiene services. It requires that in all types of dental practices, there will be only licensed dentists that can practice dentistry and only licensed dental hygienists that can practice dental hygiene. This bill also clarifies the type of permits involving anesthesia, and the requirements for reporting by the professional liability insurers to the board on action of dental injury within 30 days after the initial action. Vote 18-0.

Amendment (0473h)

Amend the bill by replacing all after section 3 with the following:

3 General Anesthesia, Deep Sedation, or Conscious Sedation. Amend RSA 317-A:12, XII-a(e) to read as follows:

(e) The issuance of permits for use of general anesthesia, deep sedation, and conscious sedation, *or of permits for use of conscious sedation*; [~~and~~]

4 Board Investigation Authority; Requirements for Professional Liability Insurers Added. Amend RSA 317-A:17, V to read as follows:

V.(a) Every insurer, including self-insurers, providing professional liability insurance to a licensee of the board shall send a complete report to the board as to all reservable claims and suits coincident with the initiation of an action for dental injury within 30 days after the initiation of the action. For the purpose of this paragraph, dental injury means any adverse, untoward, or undesired consequences arising out of or sustained in the course of professional services rendered by a dental care provider, whether resulting from negligence, error, or omission in the performance of such services; from rendition of such services without informed consent or in breach of warranty or in violation of contract; from failure to diagnose; from premature abandonment of a patient or of a course of treatment; from failure properly to maintain equipment or appliances necessary to the rendition of such services; or otherwise arising out of or sustained in the course of such services.

(b) The board shall conduct an investigation of any person licensed by the board who has been the subject of 3 insurance claims or legal judgments for medical injury as defined in RSA 329:17, III, which pertain to 3 different events within any consecutive 5-year period commencing with January 1, 1988.

5 Permit for General Anesthesia, Deep Sedation, or Conscious Sedation. Amend RSA 317-A:20, II to read as follows:

II. Any dentist who wishes to administer general anesthesia, deep sedation, ~~[and]~~ **or** conscious sedation shall apply to the board for ~~[a]~~ **the appropriate** permit and pay an application fee set by the board in accordance with RSA 317-A:12, XII-a.

6 Technical Correction. Amend RSA 317-A:20, IV to read as follows:

IV. Such things as the board shall determine to be "dental hygiene" under ~~[sections]~~ RSA 317-A:12 or RSA 317-A:21 shall not be deemed to be the practice of dentistry within the meaning of this section.

7 Reference to Dental Hygienists. Amend RSA 317-A:21, II to read as follows:

II. Applications for licensure **as a dental hygienist** shall be made to the board in writing and shall be accompanied by a fee established by the board and by satisfactory proof that the applicant is a graduate of a school of dental hygiene with a minimum of a 2-year program in an institution of higher education, the program of which is accredited by a national accrediting agency recognized by the United States Department of Education and the American Dental Association Commission of Dental Accreditation.

8 Only Licensed Persons May Practice. Amend RSA 317-A:28 to read as follows:

317-A:28 ~~[Assistants; Qualifications]~~ **Unlicensed Persons Prohibited.** ~~[No]~~ A manager, proprietor, partnership, association, or corporation owning, ~~[operating]~~ **managing**, or controlling any place where dental work is done, provided or contracted for shall employ, keep, or retain ~~[any unlicensed person or dentist as an operator]~~ **only licensed dentists to practice dentistry and licensed dental hygienists to practice dental hygiene.**

9 List of Dentists and Assistants. Amend RSA 317-A:29 to read as follows:

317-A:29 List of ~~[Assistants]~~ **Dentists and Dental Hygienists.** Any manager, proprietor, partnership, association, or corporation specified in RSA 317-A:28 shall, within 10 days after demand made by the secretary-treasurer of the board by registered mail, furnish to the secretary-treasurer the names and addresses of all persons practicing ~~[or assisting in the practice of]~~ dentistry **or dental hygiene** in ~~[his]~~ **their** or its place of business or under ~~[his]~~ **their** or its control, together with a sworn statement showing by what license or authority said persons are practicing.

10 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

I. Expands the scope of activity allowed under temporary licenses to include voluntary dental or dental hygiene services.

II. Requires all insurers providing professional liability insurance to dental licensees to send a report to the board as to all reservable claims and suits coincident with the initiation of an action for dental injury within 30 days after the initiation of the action. The bill defines dental injury.

III. Requires all persons who act as dental hygienists to be licensed.

HB 632-L, relative to changing the membership of the water well board and relative to board procedures in refusing, suspending, or revoking licenses. OUGHT TO PASS WITH AMENDMENT Rep. Merton S. Dyer for Executive Departments and Administration: This bill, as amended, adds the expertise of water well drillers and technical drillers to the water council at the department of environmental services while keeping all existing rules and regulations, relative to water well drilling and technical drilling in place. By repeating references to the water well board, department of environmental services and the water council will be responsible for hearing all appeals and for writing future rules. Of greatest significance HB 632, as amended, is good consumer protection legislation because the public's ability to bring complaints is made easier. Vote 18-0.

Amendment (0606h)

Amend the title of the bill by replacing it with the following:

AN ACT abolishing the water well board and transferring its authority to the department of environmental services.

Amend the bill by replacing all after the enacting clause with the following:

1 Reference Deleted. Amend RSA 21-O:3, IV to read as follows:

IV. Have the authority to adopt rules, pursuant to RSA 541-A, necessary to assure the continuance or granting of federal funds or other assistance intended to promote the administration of this chapter, not otherwise provided for by law, and to adopt all rules necessary to implement the specific statutes administered by the department or by any division or unit within the department, whether the rulemaking authority delegated by the legislature is granted to the commissioner, the department, or any administrative unit or subordinate official of the department. The ~~[water well board and the]~~ state board for the licensing and regulation of plumbers shall be exempt from the rulemaking provisions described in this section.

2 Water Well Contractor and Technical Driller Added to Water Council. Amend RSA 21-O:7, I to read as follows:

I. There is established a water council which shall consist of ~~[+6]~~ **18** members:

(a) ~~[Eleven]~~ **Thirteen** of the members shall be public members appointed by the governor, with the consent of the council, who shall serve for terms of 4 years. Of these members, 2 shall represent the industrial interests of the state; one shall represent the vacation home or private recreational interests of the state; one shall represent the agricultural interests of the state; one shall be an employee of any municipal or privately-owned waterworks in the state; one shall be a representative of the septage hauling industry, nominated by the New Hampshire Association of Septage Haulers; one shall be a member of a statewide nonprofit conservation or environmental organization; one shall be a treatment plant operator; ~~[and]~~ one shall be a designer or installer of septic systems, nominated by the Granite State Designers and Installers Association; **one shall be a licensed water well contractor, and one shall be a licensed technical driller.** The 2 remaining members shall be appointed and commissioned respectively as the ~~[chairman]~~ **chairperson** and vice ~~[chairman]~~ **chairperson** of the council;

(b) The remaining 5 members shall include:

- (1) The commissioner of the department of health and human services ;
- (2) The executive director of fish and game;
- (3) The director of parks and recreation;
- (4) The director of the office of state planning; and
- (5) The commissioner of safety.

3 Chapter Title Changed. The chapter title of RSA 482-B is repealed and reenacted to read as follows:

WATER WELL CONSTRUCTION

4 Reference Deleted. Amend RSA 482-B:1 to read as follows:

482-B:1 Purpose. The purpose of this chapter is to protect and improve the general health and welfare of the people of the state of New Hampshire; to protect the groundwater resources of the state; to regulate the construction of water wells and the installation of well pumps; to license water well contractors and well pump installers; to provide well and pump records~~[-to create a water well board];~~ and to provide for penalties for violations of this chapter.

5 Reference Changed. Amend RSA 482-B:2, I to read as follows:

I. ~~["Board"]~~ **"Commissioner"** means the *commissioner of the* ~~[New Hampshire water well board established under RSA 482-B]~~ **department of environmental services.**

6 New Paragraph; Definition Added. Amend RSA 482-B:2 by inserting after paragraph I the following new paragraph:

I-a. "Department" means the department of environmental services.

7 Board Changed to Commissioner. Amend the introductory paragraph of RSA 482-B:4 to read as follows:

482-B:4 Rulemaking. The ~~[water well board]~~ **commissioner** shall adopt rules under RSA 541-A relative to:

8 Board Changed to Program. Amend RSA 482-A:4, VI to read as follows:

VI. The establishment of all fees required under this chapter at rates which will make the ~~[board]~~ **program** self-supporting.

9 Appeals. Amend RSA 482-B:9, III to read as follows:

III. Appeal from a decision of the ~~[board]~~ **department** may be made in accordance with RSA ~~[541]~~ **21-O:14.**

10 Reference Changed From Board to Commissioner. Amend RSA 482-A:15 to read as follows:

482-B:15 Maintenance and Repair of Wells and Pumps. All wells shall be maintained in a proper condition to conserve and protect groundwater resources and shall not be a source or cause of contamination or pollution of the water supply of any aquifer. All materials and construction practices used in the construction of a new well or new pump installation or in the maintenance, repair, or replacement of any well or pump installation shall conform with rules adopted by the [board] *commissioner*. All maintenance and repair work shall be done only by a licensed water well contractor, licensed pump installer, licensed plumber or licensed electrician.

11 References Changed. Amend the following RSA provisions by replacing "board" or "water well board" with "department": RSA 482-B:5, II, III, IV; 482-B:6; 482-B:8; 482-B:9, I, II; 482-B:10; 482-B:13; 482-B:16, II, III; and 482-B:17.

12 Transfer of Funds and Records. All funds allocated to the water well board and all records held by the water well board shall be transferred to the department of environmental services upon the effective date of this act.

13 Rules of the Water Well Board. Rules adopted by the water well board prior to the effective date of this act shall remain in effect until expiration or until amended or repealed by the department of environmental services. All references in such rules to the water well board shall be deemed to refer to the department of environmental services.

14 Repeal. RSA 482-B:3, relative to the water well board, is repealed.

15 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill abolishes the water well board and transfers its authority to the department of environmental services. This bill also adds members to the water council.

Adopted.

Report adopted and ordered to third reading.

HB 639, relative to the term of office of any person appointed by the governor and council between a general election and the expiration of the term of a governor who was not reelected. IN-EXPEDIENT TO LEGISLATE

Rep. Sylvia A. Holley for Executive Departments and Administration: The committee was not convinced that this bill would improve or correct any perceived abuses by governors with appointments, between the election and the beginning of the next term. With the concurrence of the governor's council required for appointment, and public disclosure required prior to nomination, there are checks and balances in place. Therefore, it was felt this legislation was not necessary at the time. Vote 14-5.

Adopted.

HB 470, implementing recommendations of the Centers for Disease Control and Prevention relative to the laws requiring a prescription to possess hypodermic needles and modifying the drug paraphernalia laws applying to syringes. OUGHT TO PASS

Rep. Barbara French for Health, Human Services and Elderly Affairs: This bill would remove the prescription requirement to purchase syringes and it decriminalizes the possession of syringes. The Centers for disease Control (CDC) considers access to sterile syringes critical in the slowing of the spread of the HIV virus. New Hampshire is one of only 9 states that require such a prescription. This bill is supported by the Dept. of Health and Human Services, the New Hampshire Medical society, and former U.S. Surgeon General C. Everett Koop. In addition it is the clear intent of this committee that nothing in this bill will affect the re-imbursement for needles and syringes by insurance carriers upon a written order of a physician. Vote 14-4.

Reps. Boyce, Cobbin and Ferguson spoke against and yielded to questions.

Rep. Copenhagen spoke in favor and yielded to questions.

Reps. Rollo and Emerton spoke in favor.

Rep. Ferguson requested a roll call; sufficiently seconded.

The question being the adoption of the report.

SPECIAL ORDERS**LAID ON THE TABLE**

Reps. Wheeler and Burling moved that **HB 660**, adding the name of Martin Luther King, Jr. to Civil Rights Day, be laid upon the table.

Adopted.

SB 157, adding the name of Martin Luther King, Jr. to Civil Rights Day. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merton S. Dyer for Executive Departments and Administration: The committee voted unanimously to support this bill as amended. The amendment represents an attempt to produce an amended bill which honors an inspirational national leader, an important New Hampshire participant in the struggle for civil rights and recognizes the contributions of all individuals who have worked for civil rights. Current law is being amended to read "the third Monday in January, designated as Civil Rights Day, to honor Martin Luther King, Jr., Jonathan M. Daniels, and all individuals who have worked for civil rights in this nation". Vote 20-0.

Amendment (0728h)

Amend the title of the bill by replacing it with the following:

AN ACT designating Civil Rights Day to honor all individuals who have worked for civil rights in this nation.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. In recognition of all efforts to help our nation achieve its highest ideals, in recognition of the struggle to achieve democratic rights for all Americans, and in recognition of individuals who served as symbols of the ongoing struggle for liberty and equality, it is the intent of the general court that a civil rights day honoring all individuals who have worked for civil rights in this nation serve as a time for New Hampshire residents to reflect on the principles of equality and nonviolent social change and to rededicate themselves to the ideals of freedom and justice.

2 Civil Rights Day Changed to Honor Certain Individuals. Amend RSA 288:1 to read as follows:

288:1 Holidays. January 1; the third Monday in January, [known] *designated* as Civil Rights Day, *to honor Martin Luther King, Jr., Jonathan M. Daniels, and all individuals who have*

worked for civil rights in this nation; the third Monday in February, known as Washington's Birthday; the last Monday in May, known as Memorial Day or, on a date to coincide with the federal observance if it is held on a different day; July 4, known as Independence Day; the first Monday in September, known as Labor Day; the second Monday in October, known as Columbus Day; the day on which the biennial election is held; November 11, known as Veterans Day; Thanksgiving Day, whenever appointed; and Christmas Day are legal holidays.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill designates Civil Rights Day to honor Martin Luther King, Jr., Jonathan M. Daniels, and all individuals who have worked for civil rights in this nation.

Rep. Dickinson requested a roll call; sufficiently seconded.

The question being the adoption of the amendment.

Rep. Jeb Bradley offered a floor amendment.

Floor Amendment (0769h)

Amend the bill by replacing section 2 with the following:

2 Civil Rights Day Changed to Martin Luther King, Jr. Civil Rights Day. Amend RSA 288:1 to read as follows:

288:1 Holidays. January 1; the third Monday in January, known as *Martin Luther King, Jr. Civil Rights Day*, *honoring Jonathan M. Daniels and all individuals who have worked for civil rights in this nation*; the third Monday in February, known as Washington's Birthday; the last Monday in May, known as Memorial Day or, on a date to coincide with the federal observance if it is held on a different day; July 4, known as Independence Day; the first Monday in September, known as Labor Day; the second Monday in October, known as Columbus Day; the day on which the biennial election is held; November 11, known as Veterans Day; Thanksgiving Day, whenever appointed; and Christmas Day are legal holidays.

AMENDED ANALYSIS

This bill adds the name of Martin Luther King, Jr. to Civil Rights Day, and provides that it honors Jonathan M. Daniels and all individuals who have worked for civil rights in this section.
 Reps. Teschner, Weatherspoon and Burling spoke in favor.
 Reps. Wright and Dickinson spoke against.
 Rep. Loren Jean spoke against and yielded to questions.
 Rep. Dickinson requested a roll call; sufficiently seconded.
 The question being the adoption of the floor amendment.

and the floor amendment failed.

RECONSIDERATION

Having voted with the prevailing side, Rep. Hurt moved that the House reconsider its action whereby it failed to adopt the committee amendment on **SB 157**, adding the name of Martin Luther King, Jr. to Civil Right Day.

On a division vote, 127 members having voted in the affirmative and 226 in the negative, reconsideration failed.

Rep. Burling moved Ought to Pass and requested a roll call; sufficiently seconded.

The question being the motion of Ought to Pass on Senate Bill 157.

and HB 660 was removed from the table.

HB 660, adding the name of Martin Luther King, Jr. to Civil Rights Day. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: The committee has two bills in its possession dealing with this subject. The majority of the committee asks that this bill be voted inexpedient to legislate so that we may consider the other bill dealing with this subject (SB 157). Consideration of SB 157 will allow the membership latitude in their final vote and provides the house with a resolution of the issue which has the unanimous support of the committee. Therefore, we request the house vote inexpedient to legislate. Vote 16-5.

PROTESTS

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Burling requested that his protest and those of the undersigned members of the House, be entered on the Journal.

I lodge my protest against the vote to indefinitely postpone HB 660. I believe with all my heart that it is time for this state to recognize Dr. Martin Luther King, Jr. by placing his name first, before Civil Rights Day, in the name of our holiday.

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Jane Kelley requested that her protest be entered on the Journal.

I protest the vote on House Bill 660. The State of New Hampshire will stand as a beacon light for bigotry in the United States of America.

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Vaillancourt requested that his protest be entered on the Journal.

Madame Speaker, as an emotional person and a student of history, I fully expected to walk into this hall and immediately be overcome with a sense of awe and majesty as I gazed on the portraits of these great men and came face-to-face with the history that has been made here. I must confess that for my first two months here, I never felt even a tinge of that emotional spark I had anticipated. I was beginning to think something must be wrong with me. That all ended one Thursday afternoon in early February, the day the Senate held its hearing on the Martin Luther King holiday in this hall. I had to rush over to testify on another bill in the Legislative Office Building, but the hearing was still going on when I got back here. As I sat listening I was moved like I have never been before or since in this hall and like I have seldom been moved in my life. As I filled out a card, another Representative asked me how I could possibly support a holiday named for this man when we have no holidays named for anyone else. How, indeed, I wondered. Then, during those emotional moments in this hall, I discovered an answer. I humbly share it with you today. By passing this bill, we honor more than a man; we honor a dream and a myth; we honor ourselves, our noblest instincts. By passing this bill, we recognize that the myth transcends the man; and we acknowledge that while the man will always die, the dream shall never die. Honor yourself. Please join me in passing this bill.

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Vachon requested that his protest be entered on the Journal.

I come before you to voice my support for House Bill 660 to give New Hampshire an official Martin Luther King, Jr. holiday. I am proud to be asking you to put a face on this holiday. Let me start by suggesting what this holiday is not about. First of all, we should not support this bill because we are afraid of losing tourism or trade dollars. That is the wrong reason. I ask you to support this bill because it is the right thing to do. Secondly, we should not support this bill just because every other state in the country recognizes Martin Luther King, Jr. day. It is informative that they do and tells us something about what America thinks is important. But Granite staters have never been followers and that alone is not reason enough. On the other hand, not to support it just to be different is both perverse and shallow. I like to think that New Hampshire citizens are neither of these. But unless we put a face on this holiday can we really ever come face-to-face with the prejudice that is within us? Can we ever expect others to take us seriously when we say that we are not prejudiced? That's why we need to put a face on "Civil Rights Day." That's why people are angry and hurt that we can't say the name of Martin Luther King, Jr. and say it with pride. That's why racist groups that truly we have no commerce with want to bring our state on board in their vicious cause of hate. It's time to say no to this. It's time to say "not in this state." It's time to put a face on this holiday.

By recognizing Martin Luther King, Jr., we are celebrating far more than just the civil rights movement. This isn't just a black people's holiday. Martin Luther King, Jr. was a true leader who helped this nation accomplish an enormous societal change. He did this by setting the tone for the dialogue. He did this by providing leadership in a troubled time that focused on nonviolence. And, he was given international recognition for this by receiving the Nobel Peace Prize. Surely, we can find it within ourselves to honor this man by putting his face on Civil Rights Day. The country began celebrating the Martin Luther King, Jr. holiday to foster the kind of sensitivity and healing that we need right now. Fifty or a 100 years from now it may be that something else has grown to greater importance in the public psyche of the country. It may be that sometime in the future we will have grown enough as a people that a generic civil rights holiday, like our President's Day, will be enough to recognize the enormous change that has occurred. But right now, New Hampshire needs to step up to the plate, to join the rest of the country in celebrating the man whose leadership helped us to avert the cycle of violence that has ensnared generations in places like Northern Ireland, Rwanda and Bosnia. That's what this holiday is really about. We are a great state with many challenges ahead of us. Can we stand up and recognize the contributions and achievements of this remarkable American? I think we can, because it's time to put a face on this holiday.

MOTION TO SPECIAL ORDER

Rep. Kevin Smith moved that **HB 768**, relative to certain abortions be made a Special Order for Wednesday, March 19, 1997 at 10:30 a.m.

Adopted.

RECONSIDERATION

Having voted with the prevailing side, Rep. Cushing moved that the House reconsider its action whereby it Re-referred to Committee **HB 579**, providing that a person who, having obtained a restraining order against an abuser and having made all reasonable efforts to preserve employment, leaves a job in order to protect himself or herself from domestic abuse, shall not be denied unemployment compensation, and spoke in favor.

Reps. Perkins and Norelli spoke in favor.

Reps. Knowles and Daniels spoke against and yielded to questions.

Rep. Cushing requested a roll call; sufficiently seconded.

The question being the motion to reconsider.

SPECIAL ORDERS

HB 133, establishing a family resource council to address the efficient delivery of services to children and families. **INEXPEDIENT TO LEGISLATE**

Rep. Kevin M. Smith for Judiciary and Family Law: The majority opinion was that while a council of this type may have been helpful 5 years ago, with the recent growth in new computer technologies, a council such as this is now unnecessary, and would almost definitely be obsolete in 2 years, if enacted. Another concern of the committee is the fact that the council would be duplicating already existing community family council centers, and would only be creating more bureaucracy at the higher levels. Vote 9-6.
Adopted.

HB 365, providing that communications made during family mediation shall be privileged. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sandra B. Keans for Judiciary and Family Law: This bill gives to a family mediators the same confidentiality privilege that this legislature confers on marital mediators. Family mediators are volunteers offering their services free of charge to non-profit programs throughout the state. The goals of family mediation are to keep families intact, prevent youths from becoming entangled in the criminal justice system, and improve the daily lives of family members. Families are frequently referred to these programs by the court, schools, and juvenile justice authorities. If the volunteer mediators can be compelled to appear in court to testify, the pool of mediators will vanish. This bill, is prompted by a recent case where a volunteer mediator might have been subpoenaed. Vote 9-3.

Amendment (0221h)

Amend the bill by replacing section1 with the following:

1 New Section; Family Mediator Privileged Communications. Amend RSA 516 by inserting after section 35 the following new section:

516:35-a Family Mediators.

I. Family mediation proceedings shall be held in private, and all communications, oral or written, made in the proceedings shall be privileged and confidential and shall not be disclosed, except as provided in paragraph III of this section.

II. Nothing said by the parties during family mediation sessions shall be admissible in any court proceedings.

III. No family mediator shall be subpoenaed by any court of competent jurisdiction in this state to disclose any information received from any client unless:

(a) The family mediator has received material information alleging abuse or sexual abuse or neglect, as defined by RSA 169-C or RSA 173-B.

(b) The family mediator has received information about a felony that has been or is about to be committed.

IV. In this section:

(a) "Family mediation" means a process by which an impartial third person or persons, with the consent of the parties, assists and enables the members of a family or household to work together to communicate about common concerns and to reach mutually satisfactory agreements to disputes.

(b) "Family mediator" means an impartial third person who, with the consent of the participating family or household members, assists and enables those participants to communicate about common concerns and to reach mutually satisfactory agreements to disputes.

Adopted.

Report adopted and ordered to third reading.

HB 421, amending the law against discrimination to prohibit discrimination on the basis of sexual orientation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Barbara Hull Richardson for Judiciary and Family Law: This bill extends civil rights in employment, public accommodations and housing accommodations to include persons regardless of their sexual orientation. The Manchester Diocese supports this bill. The definition of sexual orientation does not render lawful any conduct prohibited by the criminal laws of New Hampshire. Vote 13-3.

Amendment (0602h)

Amend the title of the bill by replacing it with the following:

AN ACT amending the law against discrimination to prohibit discrimination on account of a person's sexual orientation.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. While the state of New Hampshire does not intend to promote or endorse any sexual lifestyle other than the traditional marriage-based family, the legislature recognizes the need to provide protection in certain areas to individuals on account of their sexual orientation.

2 New Section; Definition of Sexual Orientation. Amend RSA 21 by inserting after section 48 the following new section:

21:49 Sexual Orientation. "Sexual orientation" means having or being perceived as having an orientation for heterosexuality, bisexuality or homosexuality. This definition is intended to describe the status of persons and does not render lawful any conduct prohibited by the criminal laws of this state or impose any duty on a religious organization. This definition does not confer legislative approval of such status, but is intended to assure the basic rights afforded under New Hampshire law.

3 Adding Reference; Division of Personnel. Amend 21-I:42, XVI to read as follows:

XVI. Developing and implementing an equal employment opportunity program that will ensure the employment of all qualified people regardless of age, sex, race, color, *sexual orientation*, ethnic background, marital status, or physical or mental disability. This program shall include a review and revision of the job classification process and testing process to ensure that they are free from either conscious or inadvertent bias.

4 Adding Reference; State Employees. Amend RSA 21-I:52, I to read as follows:

I. No person shall be appointed or promoted to, or demoted or dismissed from, any position in the classified service, or in any way favored or discriminated against with respect to employment in the classified service because of ~~[his] the person's~~ political opinions, religious beliefs or affiliations, age, sex, or race~~[-; provided, however, that]~~. *In addition, no person shall have any such employ-*
